HB4347

103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB4347

Introduced 1/16/2024, by Rep. Jed Davis

SYNOPSIS AS INTRODUCED:

205 ILCS 730/25 new
740 ILCS 14/16 new

Amends the Blockchain Technology Act. Prohibits a public or private entity from requiring an individual to submit a blockchain based identification system as a condition of receiving goods or services from the public or private entity. Amends the Biometric Information Privacy Act. Prohibits a public or private entity from requiring an individual to provide a biometric identifier or biometric information as a condition of receiving goods or services from the public or private entity.

A BILL FOR

1   AN ACT concerning civil law.

2   **Be it enacted by the People of the State of Illinois,**

3   **represented in the General Assembly:**

4   Section 5. The Blockchain Technology Act is amended by

5   adding Section 25 as follows:

6   (205 ILCS 730/25 new)

7   Sec. 25. Prohibited requirement. No public or private

8   entity that uses blockchain technology to conduct a

9   transaction shall require an individual to submit a blockchain

10 based identification system as a condition of receiving goods

11 or services from the public or private entity.

12   Section 10. The Biometric Information Privacy Act is

13 amended by adding Section 16 as follows:

14   (740 ILCS 14/16 new)

15   Sec. 16. Prohibited requirement. No public or private

16 entity that collects, captures, purchases, receives through

17 trade, otherwise obtains biometric identifiers or biometric

18 information shall require an individual to provide a biometric

19 identifier or biometric information as a condition of

20 receiving goods or services from the public or private entity.
