(35 ILCS 5/203)
Sec. 203. Base income defined.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).
(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:
(A) An amount equal to all amounts paid or accrued
to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;
(D-5) An amount, to the extent not included in
adjusted gross income, equal to the amount of money
withdrawn by the taxpayer in the taxable year from a
medical care savings account and the interest earned
on the account in the taxable year of a withdrawal
pursuant to subsection (b) of Section 20 of the
Medical Care Savings Account Act or subsection (b) of
Section 20 of the Medical Care Savings Account Act of
2000;

(D-10) For taxable years ending after December 31,
1997, an amount equal to any eligible remediation
costs that the individual deducted in computing
adjusted gross income and for which the individual
claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an
amount equal to the bonus depreciation deduction taken
on the taxpayer's federal income tax return for the
taxable year under subsection (k) of Section 168 of
the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons,
or otherwise disposes of property for which the
taxpayer was required in any taxable year to make an
addition modification under subparagraph (D-15), then
an amount equal to the aggregate amount of the
deductions taken in all taxable years under
subparagraph (Z) with respect to that property.
If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (Z) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification
required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and
(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is
made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross
income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or
indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable;
or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were
included in base income of the unitary group for the
same taxable year and received by the taxpayer or by a
member of the taxpayer's unitary business group
(including amounts included in gross income under
Sections 951 through 964 of the Internal Revenue Code
and amounts included in gross income under Section 78
of the Internal Revenue Code) with respect to the
stock of the same person to whom the premiums and costs
were directly or indirectly paid, incurred, or
accrued. The preceding sentence does not apply to the
extent that the same dividends caused a reduction to
the addition modification required under Section
203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this
Act;

(D-20) For taxable years beginning on or after

Illinois Prepaid Tuition Trust Fund, an amount equal
to the amount excluded from gross income under Section

For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the
out-of-state program in the same manner that the out-of-state program distributes its offering materials;

For taxable years beginning on or after January 1, 2018:

(1) in the case of a nonqualified withdrawal or refund, as defined under Section 16.5 of the State Treasurer Act, of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code administered by the State, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(Y) of this Section, and

The amount of the health insurance and long-term care insurance subtracted under this item (V) shall be determined by multiplying total health insurance and long-term care insurance premiums paid by the taxpayer...

The amount of and the eligibility for any public assistance, benefit, or similar entitlement is not affected by the inclusion of items (i) and (ii) of this paragraph in gross income for federal income tax purposes. This paragraph is exempt from the provisions of Section 250;

(Y) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2004, moneys contributed in the taxable year to a College Savings Pool account under Section 16.5 of the State Treasurer Act, except that amounts excluded from gross income under Section 529(c)(3)(C)(i) of the Internal Revenue Code shall not be considered moneys contributed under this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(2) for taxable years ending on or before
December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (Z) is exempt from the provisions of Section 250;

This subparagraph (EE) is exempt from the provisions of Section 250;

deduction for federal income tax purposes if the
expense or loss had been uninsured. If a taxpayer
makes the election provided for by this subparagraph
(GG), the insurer to which the premiums were paid must
add back to income the amount subtracted by the
taxpayer pursuant to this subparagraph (GG). This
subparagraph (GG) is exempt from the provisions of
Section 250;

income under Section 529(c)(3)(C)(i) or Section
529A(c)(1)(C) of the Internal Revenue Code shall not
be considered moneys contributed under this
subparagraph (HH). For purposes of this subparagraph
(HH), contributions made by an employer on behalf of
an employee, or matching contributions made by an

(II) For taxable years that begin on or after
January 1, 2021 and begin before January 1, 2026, the
amount that is included in the taxpayer's federal adjusted gross income pursuant to Section 61 of the Internal Revenue Code as discharge of indebtedness attributable to student loan forgiveness and that is not excluded from the taxpayer's federal adjusted gross income pursuant to paragraph (5) of subsection (f) of Section 108 of the Internal Revenue Code; and

(b) Corporations.

(1) In general. In the case of a corporation, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of taxable income for the taxable year;

(C) In the case of a regulated investment company, an amount equal to the excess of (i) the net long-term capital gain for the taxable year, over (ii) the amount of the capital gain dividends designated as such in accordance with Section 852(b)(3)(C) of the Internal Revenue Code and any amount designated under Section 852(b)(3)(D) of the Internal Revenue Code, attributable to the taxable year (this amendatory Act of 1995 (Public Act 89-89) is declarative of existing law and is not a new enactment);

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded
subtraction modifications in such earlier taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(E-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the corporation deducted in computing
adjusted gross income and for which the corporation
claims a credit under subsection (l) of Section 201;

(E-10) For taxable years 2001 and thereafter, an
amount equal to the bonus depreciation deduction taken
on the taxpayer's federal income tax return for the
taxable year under subsection (k) of Section 168 of
the Internal Revenue Code;

(E-11) If the taxpayer sells, transfers, abandons,
or otherwise disposes of property for which the
taxpayer was required in any taxable year to make an
addition modification under subparagraph (E-10), then
an amount equal to the aggregate amount of the
deductions taken in all taxable years under
subparagraph (T) with respect to that property.

If the taxpayer continues to own property through
the last day of the last tax year for which a
subtraction is allowed with respect to that property
under subparagraph (T) and for which the taxpayer was
allowed in any taxable year to make a subtraction
modification under subparagraph (T), then an amount
equal to that subtraction modification.

The taxpayer is required to make the addition
modification under this subparagraph only once with
respect to any one piece of property;

(E-12) An amount equal to the amount otherwise
allowed as a deduction in computing base income for
interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:
(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the
payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United
States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or
indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the
intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms;

or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize
its authority under Section 404 of this Act;

(E-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section
203(b)(2)(E-12) or Section 203(b)(2)(E-13) of this Act;

(E-15) For taxable years beginning after December 31, 2008, any deduction for dividends paid by a captive real estate investment trust that is allowed to a real estate investment trust under Section 857(b)(2)(B) of the Internal Revenue Code for dividends paid;

(E-16) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(E-17) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;

(E-18) for taxable years beginning after December 31, 2018, an amount equal to the deduction allowed under Section 250(a)(1)(A) of the Internal Revenue Code for the taxable year;

(E-19) for taxable years ending on or after June 30, 2021, an amount equal to the deduction allowed under Section 250(a)(1)(B)(i) of the Internal Revenue Code for the taxable year;

(E-20) for taxable years ending on or after June 30, 2021, an amount equal to the deduction allowed
under Sections 243(e) and 245A(a) of the Internal Revenue Code for the taxable year.

(J) An amount equal to all amounts included in such total which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

To determine the portion of a loan or loans that is secured by property eligible for a Section 201(f) investment credit to the borrower, the entire principal amount of the loan or loans between the taxpayer and the borrower should be divided into the basis of the Section 201(f)

received or paid or deemed paid under Sections 951

For taxable years ending on or after June 30, 2021, (i) for purposes of this subparagraph, the term "dividend" does not include any amount treated as a dividend under Section 1248 of the Internal Revenue Code, and (ii) this subparagraph shall not apply to dividends for which a deduction is allowed under Section 245(a) of the Internal Revenue Code. This subparagraph (O) is exempt from the provisions of Section 250 of this Act;

This subparagraph (S) is exempt from the provisions of Section 250;

(T) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property
for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the
Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (T) is exempt from the provisions of Section 250;

(U) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through
the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (T) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

addition modification, and (iii) any insurance premium income (net of deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-19), Section 203(b)(2)(E-14), Section 203(c)(2)(G-14), or Section 203(d)(2)(D-9), but not to exceed the amount of that addition modification. This subparagraph (V) is exempt from the provisions of Section 250;

(W) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be
made for the same taxable year under Section 203(b)(2)(E-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (W) is exempt from the provisions of Section 250;

(X) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (X) is exempt from the provisions of Section 250;
(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(b)(2)(E-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) The difference between the nondeductible controlled foreign corporation dividends under Section 965(e)(3) of the Internal Revenue Code over the taxable income of the taxpayer, computed without regard to Section 965(e)(2)(A) of the Internal Revenue Code, and without regard to any net operating loss deduction. This subparagraph (Z) is exempt from the provisions of Section 250; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment
operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Special rule. For purposes of paragraph (2)(A), "gross income" in the case of a life insurance company, for tax years ending on and after December 31, 1994, and prior to December 31, 2011, shall mean the gross investment income for the taxable year and, for tax years ending on or after December 31, 2011, shall mean all amounts included in life insurance gross income under Section 803(a)(3) of the Internal Revenue Code.

(c) Trusts and estates.

(1) In general. In the case of a trust or estate, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. Subject to the provisions of paragraph (3), the taxable income referred to in paragraph
(1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) In the case of (i) an estate, $600; (ii) a trust which, under its governing instrument, is required to distribute all of its income currently, $300; and (iii) any other trust, $100, but in each such case, only to the extent such amount was deducted in the computation of taxable income;

(C) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of taxable income for the taxable year;

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other
than those provided by this subparagraph (E) exceeded subtraction modifications in such taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(F) For taxable years ending on or after January 1, 1989, an amount equal to the tax deducted pursuant
to Section 164 of the Internal Revenue Code if the
trust or estate is claiming the same tax for purposes
of the Illinois foreign tax credit under Section 601
of this Act;

(G) An amount equal to the amount of the capital
gain deduction allowable under the Internal Revenue
Code, to the extent deducted from gross income in the
computation of taxable income;

(G-5) For taxable years ending after December 31,
1997, an amount equal to any eligible remediation
costs that the trust or estate deducted in computing
adjusted gross income and for which the trust or
estate claims a credit under subsection (l) of Section
201;

(G-10) For taxable years 2001 and thereafter, an
amount equal to the bonus depreciation deduction taken
on the taxpayer's federal income tax return for the
taxable year under subsection (k) of Section 168 of
the Internal Revenue Code; and

(G-11) If the taxpayer sells, transfers, abandons,
or otherwise disposes of property for which the
taxpayer was required in any taxable year to make an
addition modification under subparagraph (G-10), then
an amount equal to the aggregate amount of the
deductions taken in all taxable years under
subparagraph (R) with respect to that property.
If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (R), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(G-12) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification
required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and
(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is
made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross
income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or
indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable;
or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were
included in base income of the unitary group for the
same taxable year and received by the taxpayer or by a
member of the taxpayer's unitary business group
(including amounts included in gross income under
Sections 951 through 964 of the Internal Revenue Code
and amounts included in gross income under Section 78
of the Internal Revenue Code) with respect to the
stock of the same person to whom the premiums and costs
were directly or indirectly paid, incurred, or
accrued. The preceding sentence does not apply to the
extent that the same dividends caused a reduction to
the addition modification required under Section
203(c)(2)(G-12) or Section 203(c)(2)(G-13) of this
Act;

(G-15) An amount equal to the credit allowable to
the taxpayer under Section 218(a) of this Act,
determined without regard to Section 218(c) of this
Act;

(G-16) For taxable years ending on or after
December 31, 2017, an amount equal to the deduction
allowed under Section 199 of the Internal Revenue Code
for the taxable year;

and by deducting from the total so obtained the sum of the
following amounts:

(H) An amount equal to all amounts included in
such total pursuant to the provisions of Sections
402(a), 402(c), 403(a), 403(b), 406(a), 407(a) and 408
of the Internal Revenue Code or included in such total
as distributions under the provisions of any
retirement or disability plan for employees of any
governmental agency or unit, or retirement payments to
retired partners, which payments are excluded in
computing net earnings from self employment by Section
1402 of the Internal Revenue Code and regulations
adopted pursuant thereto;

(I) The valuation limitation amount;

(J) An amount equal to the amount of any tax
imposed by this Act which was refunded to the taxpayer
and included in such total for the taxable year;

(K) An amount equal to all amounts included in
taxable income as modified by subparagraphs (A), (B),
(C), (D), (E), (F) and (G) which are exempt from
taxation by this State either by reason of its
statutes or Constitution or by reason of the
Constitution, treaties or statutes of the United
States; provided that, in the case of any statute of
this State that exempts income derived from bonds or
other obligations from the tax imposed under this Act,
the amount exempted shall be the interest net of bond
premium amortization;

(L) With the exception of any amounts subtracted
under subparagraph (K), an amount equal to the sum of
all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(M) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in a River Edge Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations in a River Edge Redevelopment Zone or zones. This subparagraph (M) is exempt from the provisions of Section 250;

(N) An amount equal to any contribution made to a job training project established pursuant to the Tax Increment Allocation Redevelopment Act;
(O) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (M) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (O);

(P) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(Q) For taxable year 1999 and thereafter, an amount equal to the amount of any (i) distributions, to the extent includible in gross income for federal income tax purposes, made to the taxpayer because of his or her status as a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim and (ii) items of income, to the extent includible in gross income for federal income tax purposes, attributable to, derived from or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of persecution for racial or religious reasons by Nazi
Germany or any other Axis regime immediately prior to, during, and immediately after World War II, including, but not limited to, interest on the proceeds receivable as insurance under policies issued to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime by European insurance companies immediately prior to and during World War II; provided, however, this subtraction from federal adjusted gross income does not apply to assets acquired with such assets or with the proceeds from the sale of such assets; provided, further, this paragraph shall only apply to a taxpayer who was the first recipient of such assets after their recovery and who is a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim. The amount of and the eligibility for any public assistance, benefit, or similar entitlement is not affected by the inclusion of items (i) and (ii) of this paragraph in gross income for federal income tax purposes. This paragraph is exempt from the provisions of Section 250;

(R) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year
thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

   (i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

   (ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

   (iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or
after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(S) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer
was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (S) is exempt from the provisions of Section 250;

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer
that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification. This subparagraph (T) is exempt from the provisions of Section 250;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (U) is exempt from the provisions of Section 250;
(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (V) is exempt from the provisions of Section 250;

(W) in the case of an estate, an amount equal to all amounts included in such total pursuant to the provisions of Section 111 of the Internal Revenue Code as a recovery of items previously deducted by the decedent from adjusted gross income in the computation
of taxable income. This subparagraph (W) is exempt from Section 250;

(X) an amount equal to the refund included in such total of any tax deducted for federal income tax purposes, to the extent that deduction was added back under subparagraph (F). This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(c)(2)(G-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) For taxable years beginning after December 31, 2018 and before January 1, 2026, the amount of excess business loss of the taxpayer disallowed as a

The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under regulations prescribed by the Department, be adjusted by any amounts included therein which were properly paid, credited, or required to be distributed, or permanently set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.

(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable
income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the
taxpayer was required in any taxable year to make an
addition modification under subparagraph (D-5), then
an amount equal to the aggregate amount of the
deductions taken in all taxable years under
subparagraph (O) with respect to that property.

If the taxpayer continues to own property through
the last day of the last tax year for which a
subtraction is allowed with respect to that property
under subparagraph (O) and for which the taxpayer was
allowed in any taxable year to make a subtraction
modification under subparagraph (O), then an amount
equal to that subtraction modification.

The taxpayer is required to make the addition
modification under this subparagraph only once with
respect to any one piece of property;

(D-7) An amount equal to the amount otherwise
allowed as a deduction in computing base income for
interest paid, accrued, or incurred, directly or
indirectly, (i) for taxable years ending on or after
December 31, 2004, to a foreign person who would be a
member of the same unitary business group but for the
fact the foreign person's business activity outside
the United States is 80% or more of the foreign
person's total business activity and (ii) for taxable
years ending on or after December 31, 2008, to a person
who would be a member of the same unitary business
group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a
preponderance of the evidence, both of the
following:

(a) the person, during the same taxable
year, paid, accrued, or incurred, the interest
to a person that is not a related member, and

(b) the transaction giving rise to the
interest expense between the taxpayer and the
person did not have as a principal purpose the
avoidance of Illinois income tax, and is paid
pursuant to a contract or agreement that
reflects an arm's-length interest rate and
terms; or

(iii) the taxpayer can establish, based on
clear and convincing evidence, that the interest
paid, accrued, or incurred relates to a contract
or agreement entered into at arm's-length rates
and terms and the principal purpose for the
payment is not federal or Illinois tax avoidance;
or

(iv) an item of interest paid, accrued, or
incurred, directly or indirectly, to a person if
the taxpayer establishes by clear and convincing
evidence that the adjustments are unreasonable; or
if the taxpayer and the Director agree in writing
to the application or use of an alternative method
of apportionment under Section 304(f).
Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this
subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service
marks, copyrights, mask works, trade secrets, and
similar types of intangible assets;

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or
(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-9) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being
included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) or Section 203(d)(2)(D-8) of this Act;

(D-10) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-11) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;
and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348(b)(1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater; this subparagraph (H) is exempt from the provisions of Section 250;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal
Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code; this subparagraph (I) is exempt from the provisions of Section 250;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in a River Edge
Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations from a River Edge Redevelopment Zone or zones. This subparagraph (K) is exempt from the provisions of Section 250;

(L) An amount equal to any contribution made to a job training project established pursuant to the Real Property Tax Increment Allocation Redevelopment Act;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal
Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted
basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (O) is exempt from the provisions of Section 250;

(P) If the taxpayer sells, transfers, abandons, or
otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (P) is exempt from the provisions of Section 250;

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable
year with respect to a transaction with a taxpayer
that is required to make an addition modification with
respect to such transaction under Section
203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or
203(d)(2)(D-8), but not to exceed the amount of such
addition modification. This subparagraph (Q) is exempt
from Section 250;

(R) An amount equal to the interest income taken
into account for the taxable year (net of the
deductions allocable thereto) with respect to
transactions with (i) a foreign person who would be a
member of the taxpayer's unitary business group but
for the fact that the foreign person's business
activity outside the United States is 80% or more of
that person's total business activity and (ii) for
taxable years ending on or after December 31, 2008, to
a person who would be a member of the same unitary
business group but for the fact that the person is
prohibited under Section 1501(a)(27) from being
included in the unitary business group because he or
she is ordinarily required to apportion business
income under different subsections of Section 304, but
not to exceed the addition modification required to be
made for the same taxable year under Section
203(d)(2)(D-7) for interest paid, accrued, or
incurred, directly or indirectly, to the same person.
This subparagraph (R) is exempt from Section 250;

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (S) is exempt from Section 250;

(T) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(d)(2)(D-9), such taxpayer may elect to subtract
that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (T), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (T). This subparagraph (T) is exempt from the provisions of Section 250; and

(U) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (U) are exempt from the provisions of Section 250.
(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b)(3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an
addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of
a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and
nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with
Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and

(ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years
related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for
the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a)(2)(F) or (c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.
(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 15-5. The Property Tax Code is amended by changing Section 18-173 as follows:
Sec. 18-173. Housing opportunity area abatement program.

(a) For the purpose of promoting access to housing near work and in order to promote economic diversity throughout Illinois and to alleviate the concentration of low-income households in areas of high poverty, a housing opportunity area tax abatement program is created.

(b) As used in this Section:

"Housing authority" means either a housing authority created under the Housing Authorities Act or other government agency that is authorized by the United States government under the United States Housing Act of 1937 to administer a housing choice voucher program, or the authorized agent of such a housing authority that is authorized to act upon that authority's behalf.

"Housing choice voucher" means a tenant voucher issued by a housing authority under Section 8 of the United States Housing Act of 1937 and a tenant voucher converted to a project-based voucher by a housing authority.

"Housing opportunity area" means a census tract where less than 10% of the residents live below the poverty level, as defined by the United States government and determined by the most recent United States census, that is located within a qualified township, except for census tracts located within any township that is located wholly within a municipality with
1,000,000 or more inhabitants. A census tract that is located within a township that is located wholly within a municipality with 1,000,000 or more inhabitants is considered a housing opportunity area if less than 12% of the residents of the census tract live below the poverty level.

"Housing opportunity unit" means a dwelling unit located in residential property that is located in a housing opportunity area, that is owned by the applicant, and that is rented to and occupied by a tenant who is participating in a housing choice voucher program administered by a housing authority as of January 1st of the tax year for which the application is made.

"Qualified units" means the number of housing opportunity units located in the property with the limitation that no more than 2 units or 20% of the total units contained within the property, whichever is greater, may be considered qualified units. Further, no unit may be considered qualified unless the property in which it is contained is in substantial compliance with local building codes, and, moreover, no unit may be considered qualified unless it meets the United States Department of Housing and Urban Development's housing quality standards as of the most recent housing authority inspection.

"Qualified township" means a township located within a county with 200,000 or more inhabitants whose tax capacity exceeds 80% of the average tax capacity of the county in which it is located, except for townships located within a county.
with 3,000,000 or more inhabitants, where a qualified township
means a township whose tax capacity exceeds 115% of the
average tax capacity of the county except for townships
located wholly within a municipality with 1,000,000 or more
inhabitants. All townships located wholly within a
municipality with 1,000,000 or more inhabitants are considered
qualified townships.

"Tax capacity" means the equalized assessed value of all
taxable real estate located within a township or county
divided by the total population of that township or county.

(c) The owner of property located within a housing
opportunity area who has a housing choice voucher contract
with a housing authority may apply for a housing opportunity
area tax abatement by annually submitting an application to
the housing authority that administers the housing choice
voucher contract. The application must include the number of
housing opportunity units as well as the total number of
dwelling units contained within the property. The owner must,
under oath, self-certify as to the total number of dwelling
units in the property and must self-certify that the property
is in substantial compliance with local building codes. The
housing authority shall annually determine the number of
qualified units located within each property for which an
application is made.

The housing authority shall establish rules and procedures
governing the application processes and may charge an
application fee. The county clerk may audit the applications
to determine that the properties subject to the tax abatement
meet the requirements of this Section. The determination of
eligibility of a property for the housing opportunity area
abatement shall be made annually; however, no property may
receive an abatement for more than 10 tax years.

(d) The housing authority shall determine housing
opportunity areas within its service area and annually deliver
to the county clerk, in a manner determined by the county
clerk, a list of all properties containing qualified units
within that service area by December 31st of the tax year for
which the property is eligible for abatement; the list shall
include the number of qualified units and the total number of
dwelling units for each property.

The county clerk shall deliver annually to a housing
authority, upon that housing authority's request, the most
recent available equalized assessed value for the county as a
whole and for those taxing districts and townships so
specified by the requesting housing authority.

(e) The county clerk shall abate the tax attributed to a
portion of the property determined to be eligible for a
housing opportunity area abatement. The portion eligible for
abatement shall be determined by reducing the equalized
assessment value by a percentage calculated using the
following formula: 19% of the equalized assessed value of the
property multiplied by a fraction where the numerator is the
number of qualified units and denominator is the total number
of dwelling units located within the property.

(f) Any municipality, except for municipalities with
1,000,000 or more inhabitants, may annually petition the
county clerk to be excluded from a housing opportunity area if
it is able to demonstrate that more than 2.5% of the total
residential units located within that municipality are
occupied by tenants under the housing choice voucher program.
Properties located within an excluded municipality shall not
be eligible for the housing opportunity area abatement for the
tax year in which the petition is made.

(g) Applicability. This Section applies to tax years 2004
through 2024, unless extended by law.

Section 20-5. The Property Tax Code is amended by changing
Section 21-355 as follows:

(35 ILCS 200/21-355)
Sec. 21-355. Amount of redemption. Any person desiring to
redeem shall deposit an amount specified in this Section with
the county clerk of the county in which the property is
situated, in legal money of the United States, or by cashier's
check, certified check, post office money order or money order
issued by a financial institution insured by an agency or instrumentality of the United States, payable to the county clerk of the proper county. The deposit shall be deemed timely only if actually received in person at the county clerk's office prior to the close of business as defined in Section 3-2007 of the Counties Code on or before the expiration of the period of redemption or by United States mail with a post office cancellation mark dated not less than one day prior to the expiration of the period of redemption. The deposit shall be in an amount equal to the total of the following:

(a) the certificate amount, which shall include all tax principal, special assessments, interest and penalties paid by the tax purchaser together with costs and fees of sale and fees paid under Sections 21-295 and 21-315 through 21-335, except for the nonrefundable $80 fee paid, pursuant to Section 21-295, for each item purchased at the tax sale;

(b) the accrued penalty, computed through the date of redemption as a percentage of the certificate amount, as follows:

(1) if the redemption occurs on or before the expiration of 6 months from the date of sale, the certificate amount times the penalty bid at sale;

(2) if the redemption occurs after 6 months from the date of sale, and on or before the expiration of 12 months from the date of sale, the certificate amount
times 2 times the penalty bid at sale;

(3) if the redemption occurs after 12 months from
the date of sale and on or before the expiration of 18
months from the date of sale, the certificate amount
times 3 times the penalty bid at sale;

(4) if the redemption occurs after 18 months from
the date of sale and on or before the expiration of 24
months from the date of sale, the certificate amount
times 4 times the penalty bid at sale;

(5) if the redemption occurs after 24 months from
the date of sale and on or before the expiration of 30
months from the date of sale, the certificate amount
times 5 times the penalty bid at sale;

(6) if the redemption occurs after 30 months from
the date of sale and on or before the expiration of 36
months from the date of sale, the certificate amount
times 6 times the penalty bid at sale.

In the event that the property to be redeemed has been
purchased under Section 21-405 before January 1, 2024, the
penalty bid shall be 12% per penalty period as set forth in
subparagraphs (1) through (6) of this subsection (b). The
changes to this subdivision (b)(6) made by this amendatory
Act of the 91st General Assembly are not a new enactment,
but declaratory of existing law.

For counties with fewer than 3,000,000 inhabitants, if
the property to be redeemed is property with respect to
which a tax lien or certificate is acquired after January 1, 2024 by the county as trustee pursuant to Section 21-90, the penalty bid at sale shall accrue according to the penalty periods established in subparagraphs (1) through (6) of this subsection (b).

For counties with more than 3,000,000 inhabitants, if the property to be redeemed is property with respect to which a tax lien or certificate is acquired on or after January 1, 2024 by the county as trustee pursuant to Section 21-90, the penalty bid is 0.75% and shall accrue monthly instead of according to the penalty periods established in subparagraphs (1) through (6) of this subsection (b).

(c) The total of all taxes, special assessments, accrued interest on those taxes and special assessments and costs charged in connection with the payment of those taxes or special assessments, except for the nonrefundable $80 fee paid, pursuant to Section 21-295, for each item purchased at the tax sale, which have been paid by the tax certificate holder on or after the date those taxes or special assessments became delinquent together with 12% penalty on each amount so paid for each year or portion thereof intervening between the date of that payment and the date of redemption. In counties with less than 3,000,000 inhabitants, however, a tax certificate holder may not pay all or part of an installment of a subsequent
tax or special assessment for any year, nor shall any
tender of such a payment be accepted, until after the
second or final installment of the subsequent tax or
special assessment has become delinquent or until after
the holder of the certificate of purchase has filed a
petition for a tax deed under Section 22.30. The person
redeeming shall also pay the amount of interest charged on
the subsequent tax or special assessment and paid as a
penalty by the tax certificate holder. This amendatory Act
of 1995 applies to tax years beginning with the 1995
taxes, payable in 1996, and thereafter.

(d) Any amount paid to redeem a forfeiture occurring
before January 1, 2024 but after the tax sale together
with 12% penalty thereon for each year or portion thereof
intervening between the date of the forfeiture redemption
and the date of redemption from the sale.

(e) Any amount paid by the certificate holder for
redemption of a subsequently occurring tax sale, including
tax liens or certificates held by the county as trustee,
pursuant to Section 21-90.

(f) All fees paid to the county clerk under Section
22-5.

(g) All fees paid to the registrar of titles incident
to registering the tax certificate in compliance with the
Registered Titles (Torrens) Act.

(h) All fees paid to the circuit clerk and the
sheriff, a licensed or registered private detective, or
the coroner in connection with the filing of the petition
for tax deed and service of notices under Sections 22-15
through 22-30 and 22-40 in addition to (1) a fee of $35 if
a petition for tax deed has been filed, which fee shall be
posted to the tax judgement, sale, redemption, and
forfeiture record, to be paid to the purchaser or his or
her assignee; (2) a fee of $4 if a notice under Section
22-5 has been filed, which fee shall be posted to the tax
judgment, sale, redemption, and forfeiture record, to be
paid to the purchaser or his or her assignee; (3) all costs
paid to record a lis pendens notice in connection with
filing a petition under this Code; and (4) if a petition
for tax deed has been filed, all fees up to $150 per
redemption paid to a registered or licensed title
insurance company or title insurance agent for a title
search to identify all owners, parties interested, and
occupants of the property, to be paid to the purchaser or
his or her assignee. The fees in (1) and (2) of this
paragraph (h) shall be exempt from the posting
requirements of Section 21-360. The costs incurred in
causing notices to be served by a licensed or registered
private detective under Section 22-15, may not exceed the
amount that the sheriff would be authorized by law to
charge if those notices had been served by the sheriff.

(i) All fees paid for publication of notice of the tax
sale in accordance with Section 22-20.

(j) All sums paid to any county, city, village or incorporated town for reimbursement under Section 22-35.

(k) All costs and expenses of receivership under Section 21-410, to the extent that these costs and expenses exceed any income from the property in question, if the costs and expenditures have been approved by the court appointing the receiver and a certified copy of the order or approval is filed and posted by the certificate holder with the county clerk. Only actual costs expended may be posted on the tax judgment, sale, redemption and forfeiture record.

Section 25-5. The Property Tax Code is amended by changing Section 20-15 as follows:

(35 ILCS 200/20-15)

Sec. 20-15. Information on bill or separate statement. There shall be printed on each bill, or on a separate slip which shall be mailed with the bill:

(a) a statement itemizing the rate at which taxes have been extended for each of the taxing districts in the county in whose district the property is located, and in
those counties utilizing electronic data processing equipment the dollar amount of tax due from the person assessed allocable to each of those taxing districts, including a separate statement of the dollar amount of tax due which is allocable to a tax levied under the Illinois Local Library Act or to any other tax levied by a municipality or township for public library purposes,

(b) a separate statement for each of the taxing districts of the dollar amount of tax due which is allocable to a tax levied under the Illinois Pension Code or to any other tax levied by a municipality or township for public pension or retirement purposes,

(b-5) a list of each tax increment financing (TIF) district in which the property is located and the dollar amount of tax due that is allocable to the TIF district,

(c) the total tax rate,

(d) the total amount of tax due, and

(e) the amount by which the total tax and the tax allocable to each taxing district differs from the taxpayer's last prior tax bill.

The county treasurer shall ensure that only those taxing districts in which a parcel of property is located shall be listed on the bill for that property.

In all counties the statement shall also provide:

(1) the property index number or other suitable description,
(2) the assessment of the property,
(3) the statutory amount of each homestead exemption applied to the property,
(4) the assessed value of the property after application of all homestead exemptions,
(5) the equalization factors imposed by the county and by the Department, and
(6) the equalized assessment resulting from the application of the equalization factors to the basic assessment.

In all counties which do not classify property for purposes of taxation, for property on which a single family residence is situated the statement shall also include a statement to reflect the fair cash value determined for the property. In all counties which classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution, for parcels of residential property in the lowest assessment classification the statement shall also include a statement to reflect the fair cash value determined for the property.

In all counties, the statement must include information that certain taxpayers may be eligible for tax exemptions, abatements, and other assistance programs and that, for more information, taxpayers should consult with the office of their township or county assessor and with the Illinois Department of Revenue. For bills mailed on or after January 1, 2026, the
statement must include, in bold face type, a list of exemptions available to taxpayers and contact information for the chief county assessment officer.

In counties which use the estimated or accelerated billing methods, these statements shall only be provided with the final installment of taxes due. The provisions of this Section create a mandatory statutory duty. They are not merely directory or discretionary. The failure or neglect of the collector to mail the bill, or the failure of the taxpayer to receive the bill, shall not affect the validity of any tax, or the liability for the payment of any tax.

Sec. 30-25. Distributions from account.

(a) At the direction of the corporate authorities of a taxing district, the treasurer of the taxing district shall disburse the amounts held in the tax reimbursement account. Unless the taxing district has divided the moneys as provided in subsection (b), disbursements shall be made to all of the owners of taxable homestead property within the taxing
Each owner of taxable homestead property shall receive a proportionate share of the total disbursement based on the amount of ad valorem taxes on taxable homestead property paid by the owner to the taxing district under the most recent tax bill.

(b) The corporate authorities of a taxing district may direct the treasurer to divide the moneys deposited into the account into 2 separate pools to be designated the homestead property pool and the commercial or industrial property pool. The amount to be deposited into each pool shall be determined by the corporate authorities of the taxing district, except that at least 50% of the moneys in the account shall be deposited into the homestead property pool. The treasurer shall disburse the amounts held in each pool in the tax reimbursement account at the direction of the corporate authorities. Disbursements from the homestead property pool shall be made to all of the owners of taxable homestead property within the taxing district. Each owner of taxable homestead property shall receive a proportionate share of the total disbursement from the pool based on the amount of ad valorem taxes on taxable homestead property paid by the owner to the taxing district under the most recent tax bill. Disbursements from the commercial or industrial property pool shall be made to all of the owners of taxable commercial or industrial property, except (i) those owners whose property is located within a tax increment financing district, (ii) those
owners who received a tax incentive as a result of a tax incentivized development established by an intergovernmental agreement to which the taxing district is a party, or (iii) those owners whose property is classified as an apartment building. Each eligible owner of taxable commercial or industrial property shall receive a proportionate share of the total disbursement from the pool based on the amount of ad valorem taxes on taxable commercial or industrial property paid by the owner to the taxing district under the most recent tax bill.

(c) In determining the proportionate share of each owner of homestead property, the numerator shall be the amount of taxes on homestead property paid by that owner to the taxing district under the most recent tax bill, and the denominator shall be the aggregate total of all taxes on homestead property paid by all owners to the taxing district under the most recent tax bills.

(d) In determining the proportionate share of each owner of commercial or industrial property, the numerator shall be the amount of taxes on commercial or industrial property paid by that owner to the taxing district under the most recent tax bill, and the denominator shall be the aggregate total of all taxes on commercial or industrial property paid by all owners to the taxing district under the most recent tax bills less taxes paid on commercial or industrial property located in a tax increment financing district, taxes paid on commercial or industrial property located in a tax increment financing district, taxes paid on commercial or
industrial property for which the owner received a tax incentive as a result of a tax incentivized development established by an intergovernmental agreement to which the taxing district is a party, and taxes paid on an apartment building.

"Qualified redevelopment costs" means costs advanced by a taxing district to a commercial or industrial property owner to promote economic development when, but for the advancement of the funds, the development would not be financially feasible.
"Tax incentivized development" means an economic development project established by intergovernmental agreement whereby a taxing district advances qualified redevelopment costs to a commercial or industrial property owner.

Section 35-5. The Property Tax Code is amended by changing Sections 18-15 and 18-190 and by adding Section 18-17 as follows:

(35 ILCS 200/18-15)
Sec. 18-15. Filing of levies of taxing districts.
(a) Notwithstanding any other law to the contrary, all
taxing districts, other than a school district subject to the
authority of a Financial Oversight Panel pursuant to Article
1H of the School Code, and except as provided in Section 18-17,
shall annually certify to the county clerk, on or before the
last Tuesday in December, the several amounts that they have

Financial Oversight Panel pursuant to Article 1H of the School
Code shall file a certificate of tax levy, necessary to effect

this Section fails to certify and return the certificate of
tax levy, necessary to effect the implementation of the
approved financial plan and the approval of the Financial

Sec. 18-17. Supplemental levy for LaMoille Community Unit School District #303. Notwithstanding any other provision of law, LaMoille Community Unit School District #303 may, by ordinance adopted on or before June 30, 2024, amend or supplement its levy for the 2023 tax year for taxes scheduled to be collected in calendar year 2024. The District shall certify the amount of the amended or supplemental levy to the county clerk as soon as possible after the amended or supplemental levy is adopted, and the county clerk shall include those amounts in the extension of taxes for the 2023 tax year. In no event shall the amended or supplemental levy adopted under this Section cause the District's property tax rate for the 2023 tax year to exceed the District's limiting rate under the Property Tax Extension Limitation Law or any other limitation on the extension of property taxes applicable to the District. This Section is repealed on January 1, 2025.

Sec. 18-190. Direct referendum; new rate or increased limiting rate.

(a) If a new rate is authorized by statute to be imposed without referendum or is subject to a backdoor referendum, as defined in Section 28-2 of the Election Code, the governing body of the affected taxing district before levying the new
rate shall submit the new rate to direct referendum under the
provisions of this Section and of Article 28 of the Election
Code. Notwithstanding any other provision of law, the levies
authorized by Sections 21-110 and 21-110.1 of the Illinois
Pension Code shall not be considered new rates; however,
nothing in this amendatory Act of the 98th General Assembly
authorizes a taxing district to increase its limiting rate or
its aggregate extension without first obtaining referendum
approval as provided in this Section. Notwithstanding any
other provision of law, the levy authorized by Section 18-17
is considered part of the annual corporate extension for the
taxing district and is not considered a new rate.
Notwithstanding the provisions, requirements, or limitations
of any other law, any tax levied for the 2005 levy year and all
subsequent levy years by any taxing district subject to this
Law may be extended at a rate exceeding the rate established
for that tax by referendum or statute, provided that the rate
does not exceed the statutory ceiling above which the tax is
not authorized to be further increased either by referendum or
in any other manner. Notwithstanding the provisions,
requirements, or limitations of any other law, all taxing
districts subject to this Law shall follow the provisions of
this Section whenever seeking referenda approval after March
21, 2006 to (i) levy a new tax rate authorized by statute or
(ii) increase the limiting rate applicable to the taxing
district. All taxing districts subject to this Law are
authorized to seek referendum approval of each proposition
described and set forth in this Section.

The proposition seeking to obtain referendum approval to
levy a new tax rate as authorized in clause (i) shall be in
substantially the following form:

Shall ... (insert legal name, number, if any, and
county or counties of taxing district and geographic or
other common name by which a school or community college
district is known and referred to), Illinois, be
authorized to levy a new tax for ... purposes and have an
additional tax of ...% of the equalized assessed value of
the taxable property therein extended for such purposes?
The votes must be recorded as "Yes" or "No".

The proposition seeking to obtain referendum approval to
increase the limiting rate as authorized in clause (ii) shall
be in substantially the following form:

Shall the limiting rate under the Property Tax
Extension Limitation Law for ... (insert legal name,
number, if any, and county or counties of taxing district
and geographic or other common name by which a school or
community college district is known and referred to),
Illinois, be increased by an additional amount equal to
...% above the limiting rate for the purpose of...(insert
purpose) for levy year ... (insert the most recent levy
year for which the limiting rate of the taxing district is
known at the time the submission of the proposition is
initiated by the taxing district) and be equal to ...% of
the equalized assessed value of the taxable property
therein for levy year(s) (insert each levy year for which
the increase will be applicable, which years must be
consecutive and may not exceed 4)?

The votes must be recorded as "Yes" or "No".

The ballot for any proposition submitted pursuant to this
Section shall have printed thereon, but not as a part of the
proposition submitted, only the following supplemental
information (which shall be supplied to the election authority
by the taxing district) in substantially the following form:

(1) The approximate amount of taxes extendable at the
most recently extended limiting rate is $..., and the
approximate amount of taxes extendable if the proposition
is approved is $....

(2) For the ... (insert the first levy year for which
the new rate or increased limiting rate will be
applicable) levy year the approximate amount of the
additional tax extendable against property containing a
single family residence and having a fair market value at
the time of the referendum of $100,000 is estimated to be
$....

(3) Based upon an average annual percentage increase
(or decrease) in the market value of such property of %...
(insert percentage equal to the average annual percentage
increase or decrease for the prior 3 levy years, at the
time the submission of the proposition is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional tax extendable against such property for the ... levy year is estimated to be $... and for the ... levy year is estimated to be $ ....

(4) If the proposition is approved, the aggregate extension for ... (insert each levy year for which the increase will apply) will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

The approximate amount of taxes extendable shown in paragraph (1) shall be computed upon the last known equalized assessed value of taxable property in the taxing district (at the time the submission of the proposition is initiated by the taxing district). Paragraph (3) shall be included only if the increased limiting rate will be applicable for more than one levy year and shall list each levy year for which the increased limiting rate will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the proposition is
initiated by the taxing district. The approximate amount of the additional taxes extendable shown in paragraphs (2) and (3) shall be calculated by multiplying $100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; and (iii) either the new rate or the amount by which the limiting rate is to be increased. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. Paragraph (4) shall be included if the proposition concerns a limiting rate increase but shall not be included if the proposition concerns a new rate. Any notice required to be published in connection with the submission of the proposition shall also contain this supplemental information and shall not contain any other supplemental information regarding the proposition. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot and in the notice that is not deliberate shall not invalidate or affect the
validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the proposition shall be initiated as provided by law.

If a majority of all ballots cast on the proposition are in favor of the proposition, the following provisions shall be applicable to the extension of taxes for the taxing district:

(A) a new tax rate shall be first effective for the levy year in which the new rate is approved;

(B) if the proposition provides for a new tax rate, the taxing district is authorized to levy a tax after the canvass of the results of the referendum by the election authority for the purposes for which the tax is authorized;

(C) a limiting rate increase shall be first effective for the levy year in which the limiting rate increase is approved, provided that the taxing district may elect to have a limiting rate increase be effective for the levy year prior to the levy year in which the limiting rate increase is approved unless the extension of taxes for the prior levy year occurs 30 days or less after the canvass of the results of the referendum by the election authority in any county in which the taxing district is located;

(D) in order for the limiting rate increase to be first effective for the levy year prior to the levy year of the referendum, the taxing district must certify its
election to have the limiting rate increase be effective for the prior levy year to the clerk of each county in which the taxing district is located not more than 2 days after the date the results of the referendum are canvassed by the election authority; and

   (E) if the proposition provides for a limiting rate increase, the increase may be effective regardless of whether the proposition is approved before or after the taxing district adopts or files its levy for any levy year.

Rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are not new rates or rate increases under this Section if a levy has been made for the fund in one or more of the preceding 3 levy years. Changes made by this amendatory Act of 1997 to this Section in reference to rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are declarative of existing law and not a new enactment.

   (b) Whenever other applicable law authorizes a taxing district subject to the limitation with respect to its aggregate extension provided for in this Law to issue bonds or other obligations either without referendum or subject to backdoor referendum, the taxing district may elect for each separate bond issuance to submit the question of the issuance of the bonds or obligations directly to the voters of the taxing district, and if the referendum passes the taxing
district is not required to comply with any backdoor referendum procedures or requirements set forth in the other applicable law. The direct referendum shall be initiated by ordinance or resolution of the governing body of the taxing district, and the question shall be certified to the proper election authorities in accordance with the provisions of the Election Code.

(105 ILCS 5/17-3.2) (from Ch. 122, par. 17-3.2)

Sec. 17-3.2. Additional or supplemental budget.

(a) Whenever the voters of a school district have voted in favor of an increase in the annual tax rate for educational or operations and maintenance purposes or both at an election held after the adoption of the annual school budget for any fiscal year, the board may adopt or pass during that fiscal year an additional or supplemental budget under the sole authority of this Section by a vote of a majority of the full membership of the board, any other provision of this Article to the contrary notwithstanding, in and by which such additional or supplemental budget the board shall appropriate such additional sums of money as it may find necessary to defray expenses and liabilities of that district to be
incurred for educational or operations and maintenance purposes or both of the district during that fiscal year, but
not in excess of the additional funds estimated to be available by virtue of such voted increase in the annual tax rate for educational or operations and maintenance purposes or both. Such additional or supplemental budget shall be regarded as an amendment of the annual school budget for the fiscal year in which it is adopted, and the board may levy the additional tax for educational or operations and maintenance purposes or both to equal the amount of the additional sums of money appropriated in that additional or supplemental budget, immediately.

(b) Notwithstanding any other provision of law, LaMoille Community Unit School District #303 may adopt an additional or supplemental budget in connection with an amended or supplemental levy adopted under Section 18-17 of the Property Tax Code without receiving the approval of the voters as provided in subsection (a). This subsection (b) is inoperative on and after January 1, 2025.

The credit shall be $15,000 per qualified journalist employed and paid by the employer during the 12-month period immediately preceding the date on which the employer applies for a credit under this Section. An additional credit of $10,000 shall be awarded against payments due under Section 704A of the Illinois Income Tax Act for each qualified journalist who fills a new journalism position for the employer during the 12-month period immediately preceding the date on which the employer applies for a credit under this Section. No more than $150,000 in credits under this Act may be awarded to any one local news organization in a single calendar year. If the local news organization is not independently owned or lists a private fund among its beneficial ownership, no more than $250,000 in credits may be awarded in a single calendar year to all local news organizations that share the same ownership interest. Section 40-15. Application for local journalism
certificate.
(a) In order to qualify for a tax credit award under this
Act, an applicant must apply with the Department, in the form
and manner required by the Department, for each award cycle

information necessary to calculate the tax credit award and
any additional information as reasonably required by the
Department. A separate application shall be filed for each
local news organization. The tax credit award shall be
calculated based upon the filing by the applicant on forms
prescribed by the Department. The Department shall cooperate
with the Department of Revenue as needed in order to determine
credit amount and eligibility.

(b) Upon satisfactory review of the application, the
Department shall issue a local journalism certificate stating
the amount of the tax credit award to which the applicant is
entitled for the credit period and shall contemporaneously
notify the applicant and Department of Revenue upon issuance
of the certificate.

Section 40-900. The Illinois Income Tax Act is amended by changing Section 704A as follows:

(35 ILCS 5/704A)

Sec. 704A. Employer's return and payment of tax withheld.

(a) In general, every employer who deducts and withholds or is required to deduct and withhold tax under this Act on or after January 1, 2008 shall make those payments and returns as provided in this Section.

(b) Returns. Every employer shall, in the form and manner required by the Department, make returns with respect to taxes withheld or required to be withheld under this Article 7 for each quarter beginning on or after January 1, 2008, on or before the last day of the first month following the close of that quarter.

(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:

(1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than $12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:

(A) on or before each Friday of the calendar year,
for taxes withheld or required to be withheld on the immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

Beginning with calendar year 2011, payments made under this paragraph (1) of subsection (c) must be made by electronic funds transfer.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than $12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the return is due and not previously paid to the Department.
(d) Regulatory authority. The Department may, by rule:

(1) Permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the year for taxes withheld or required to be withheld during the previous calendar year and, if the aggregate amounts required to be withheld by the employer under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed $1,000 for the previous calendar year, to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withholds or is required to deduct and withhold tax from a person engaged in domestic service employment, as that term is
defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. With respect to taxes withheld in calendar years prior to 2017, any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

With respect to taxes withheld in 2017 and subsequent calendar years, the Department may, by rule, require that any return (including any amended return) under this Section and any W-2 Form that is required to be submitted to the Department must be submitted on magnetic media or electronically.

The due date for submitting W-2 Forms shall be as prescribed by the Department by rule.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under subsection (f) of
Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit for the incremental income tax attributable to full-time employees of the taxpayer awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Tax Credit Act for the taxable year and credits not previously claimed and allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding calendar years as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold
tax under this Act and who retains income tax withholdings
under subsection (f) of Section 5-15 of the Economic
Development for a Growing Economy Tax Credit Act must make a
return with respect to such taxes and retained amounts in the
form and manner that the Department, by rule, requires and pay
to the Department or to a depositary designated by the
Department those withheld taxes not retained by the taxpayer.
For purposes of this subsection (g), the term taxpayer shall
include taxpayer and members of the taxpayer's unitary
business group as defined under paragraph (27) of subsection
(a) of Section 1501 of this Act. This Section is exempt from
the provisions of Section 250 of this Act. No credit awarded
under the Economic Development for a Growing Economy Tax
Credit Act for agreements entered into on or after January 1,
2015 may be credited against payments due under this Section.

(g-1) For amounts deducted or withheld after December 31,
2024, a taxpayer who makes an election under the Reimagining
Energy and Vehicles in Illinois Act shall be allowed a credit
against payments due under this Section for amounts withheld
during the first quarterly reporting period beginning after
the certificate is issued equal to the portion of the REV
Illinois Credit attributable to the incremental income tax
attributable to new employees and retained employees as
certified by the Department of Commerce and Economic
Opportunity pursuant to an agreement with the taxpayer under
the Reimagining Energy and Vehicles in Illinois Act for the
taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g-1), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(g-2) For amounts deducted or withheld after December 31,
2024, a taxpayer who makes an election under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the MICRO Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings
this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection, the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(h) An employer may claim a credit against payments due under this Section for amounts withheld during the first calendar year ending after the date on which a tax credit certificate was issued under Section 35 of the Small Business Job Creation Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the
provisions of Section 250 of this Act.

(i) Each employer with 50 or fewer full-time equivalent employees during the reporting period may claim a credit against the payments due under this Section for each qualified employee in an amount equal to the maximum credit allowable. The credit may be taken against payments due for reporting periods that begin on or after January 1, 2020, and end on or before December 31, 2027. An employer may not claim a credit for an employee who has worked fewer than 90 consecutive days immediately preceding the reporting period; however, such credits may accrue during that 90-day period and be claimed against payments under this Section for future reporting periods after the employee has worked for the employer at least 90 consecutive days. In no event may the credit exceed the employer's liability for the reporting period. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings under this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the employer.

For each reporting period, the employer may not claim a credit or credits for more employees than the number of employees making less than the minimum or reduced wage for the current calendar year during the last reporting period of the
preceding calendar year. Notwithstanding any other provision
of this subsection, an employer shall not be eligible for
credits for a reporting period unless the average wage paid by
the employer per employee for all employees making less than
$55,000 during the reporting period is greater than the
average wage paid by the employer per employee for all
employees making less than $55,000 during the same reporting
period of the prior calendar year.

For purposes of this subsection (i):

"Compensation paid in Illinois" has the meaning ascribed
to that term under Section 304(a)(2)(B) of this Act.

"Employer" and "employee" have the meaning ascribed to
those terms in the Minimum Wage Law, except that "employee"
also includes employees who work for an employer with fewer
than 4 employees. Employers that operate more than one
establishment pursuant to a franchise agreement or that
constitute members of a unitary business group shall aggregate
their employees for purposes of determining eligibility for
the credit.

"Full-time equivalent employees" means the ratio of the
number of paid hours during the reporting period and the
number of working hours in that period.

"Maximum credit" means the percentage listed below of the
difference between the amount of compensation paid in Illinois
to employees who are paid not more than the required minimum
wage reduced by the amount of compensation paid in Illinois to
employees who were paid less than the current required minimum wage during the reporting period prior to each increase in the required minimum wage on January 1. If an employer pays an employee more than the required minimum wage and that employee previously earned less than the required minimum wage, the employer may include the portion that does not exceed the required minimum wage as compensation paid in Illinois to employees who are paid not more than the required minimum wage.

(1) 25% for reporting periods beginning on or after January 1, 2020 and ending on or before December 31, 2020;
(2) 21% for reporting periods beginning on or after January 1, 2021 and ending on or before December 31, 2021;
(3) 17% for reporting periods beginning on or after January 1, 2022 and ending on or before December 31, 2022;
(4) 13% for reporting periods beginning on or after January 1, 2023 and ending on or before December 31, 2023;
(5) 9% for reporting periods beginning on or after January 1, 2024 and ending on or before December 31, 2024;
(6) 5% for reporting periods beginning on or after January 1, 2025 and ending on or before December 31, 2025.

The amount computed under this subsection may continue to be claimed for reporting periods beginning on or after January 1, 2026 and:

(A) ending on or before December 31, 2026 for employers with more than 5 employees; or
(B) ending on or before December 31, 2027 for employers with no more than 5 employees.

"Qualified employee" means an employee who is paid not more than the required minimum wage and has an average wage paid per hour by the employer during the reporting period equal to or greater than his or her average wage paid per hour by the employer during each reporting period for the immediately preceding 12 months. A new qualified employee is deemed to have earned the required minimum wage in the preceding reporting period.

"Reporting period" means the quarter for which a return is required to be filed under subsection (b) of this Section.

(j) For reporting periods beginning on or after January 1, 2023, if a private employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor, then the private employer may take a credit against the payments due under this Section in an amount equal to the amount withheld under this Section with respect to wages paid while the employee is on organ donation leave, not to exceed $1,000 in withholdings for each employee who takes organ donation leave. To be eligible for the credit, such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least the first 30 days of the leave of absence. The private employer shall adopt rules governing organ donation leave, including
rules that (i) establish conditions and procedures for requesting and approving leave and (ii) require medical documentation of the proposed organ or bone marrow donation before leave is approved by the private employer. A private employer must provide, in the manner required by the Department, documentation from the employee's medical provider, which the private employer receives from the employee, that verifies the employee's organ donation. The private employer must also provide, in the manner required by the Department, documentation that shows that a qualifying organ donor leave policy was in place and offered to all qualifying employees at the time the leave was taken. For the private employer to receive the tax credit, the employee taking organ donor leave must allow for the applicable medical records to be disclosed to the Department. If the private employer cannot provide the required documentation to the Department, then the private employer is ineligible for the credit under this Section. A private employer must also provide, in the form required by the Department, any additional documentation or information required by the Department to administer the credit under this Section. The credit under this subsection (j) shall be taken within one year after the date upon which the organ donation leave begins. If the leave taken spans into a second tax year, the employer qualifies for the allowable credit in the later of the 2 years. If the amount of credit exceeds the tax liability
for the year, the excess may be carried and applied to the tax liability for the 3 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset liability, the earlier credit shall be applied first.

Nothing in this subsection (j) prohibits a private employer from providing an unpaid leave of absence to its employees for the purpose of serving as an organ donor or bone marrow donor; however, if the employer's policy provides for fewer than 30 days of paid leave for organ or bone marrow donation, then the employer shall not be eligible for the credit under this Section.

As used in this subsection (j):

"Organ" means any biological tissue of the human body that may be donated by a living donor, including, but not limited to, the kidney, liver, lung, pancreas, intestine, bone, skin, or any subpart of those organs.

"Organ donor" means a person from whose body an organ is taken to be transferred to the body of another person.

"Private employer" means a sole proprietorship, corporation, partnership, limited liability company, or other entity with one or more employees. "Private employer" does not include a municipality, county, State agency, or other public employer.

This subsection (j) is exempt from the provisions of
Section 250 of this Act.

(k) A taxpayer who is issued a certificate under the Local Journalism Sustainability Act for a taxable year shall be allowed a credit against payments due under this Section as provided in that Act.

(35 ILCS 17/10-10)

Sec. 10-10. Definitions. As used in this Act:

"Accredited theater production" means a for-profit live stage presentation in a qualified production facility, as defined in this Section, that is either (i) a pre-Broadway production or (ii) a long-run production for which the aggregate Illinois labor and marketing expenditures exceed $100,000. For credits awarded under this Act on or after July 1, 2022 in State Fiscal Year 2023, "accredited theater production" also includes any commercial Broadway touring
show. For credits awarded under this Act on or after July 1, 2024, "accredited theater production" also includes non-profit theater productions.

"Commercial Broadway touring show" means a production that (i) is performed in a qualified production facility and plays in more than 2 other markets in North America outside of Illinois within 12 months of its Illinois presentation and (ii) has Illinois production spending of not less than $100,000, as shown on the applicant's application for the credit.

"Pre-Broadway production" means a live stage production that, (i) in its original or adaptive version, is performed in a qualified production facility with the goal of having a presentation scheduled for Broadway's Theater District in New York City within 12 months after its Illinois presentation and (ii) has Illinois production spending of not less than $100,000, as shown on the applicant's application for the credit.

"Long-run production" means a live stage production that is performed in a qualified production facility for longer than 8 weeks, with at least 6 performances per week, and includes a production that spans the end of one tax year and the commencement of a new tax year that, in combination, meets the criteria set forth in this definition making it a long-run production eligible for a theater tax credit award in each tax year or portion thereof.

(1) owns or licenses the theatrical rights of the stage presentation for the Illinois production period; or 

(2) has contracted or will contract directly with the owner or licensee of the theatrical rights or a person acting on behalf of the owner or licensee to provide live performances of the production.

An applicant that directly or indirectly owns, controls, or operates multiple qualified production facilities shall be presumed to be and considered for the purposes of this Act to be a single applicant; provided, however, that as to each of
the applicant's qualified production facilities, the applicant shall be eligible to separately and contemporaneously (i) apply for and obtain accredited theater production certificates, (ii) stage accredited theater productions, and (iii) apply for and receive a tax credit award certificate for each of the applicant's accredited theater productions performed at each of the applicant's qualified production facilities.

"Director" means the Director of the Department.

"Illinois labor expenditure" means gross salary or wages including, but not limited to, taxes, benefits, and any other consideration incurred or paid to non-talent employees of the applicant for services rendered to and on behalf of the accredited theater production. To qualify as an Illinois labor expenditure, the expenditure must be:

(1) incurred or paid by the applicant on or after the effective date of the Act for services related to any portion of an accredited theater production from its pre-production stages, including, but not limited to, the writing of the script, casting, hiring of service providers, purchases from vendors, marketing, advertising, public relations, load in, rehearsals, performances, other accredited theater production related activities, and load out;
(2) directly attributable to the accredited theater production;

(3) limited to the first $100,000 of wages incurred or paid to each employee of an accredited theater production in each tax year;

(4) included in the federal income tax basis of the property;

(5) paid in the tax year for which the applicant is claiming the tax credit award, or no later than 60 days after the end of the tax year;

(6) paid to persons residing in Illinois at the time payments were made; and

(1) national marketing, public relations, and the creation and placement of print, electronic, television, billboard, and other forms of advertising; and

(2) the construction and fabrication of scenic materials and elements; provided, however, that the maximum amount of expenditures attributable to the construction and fabrication of scenic materials and elements eligible for a tax credit award shall not exceed
$500,000 per applicant per production in any single tax year.

"Qualified production facility" means a facility located in the State in which live theatrical productions are, or are intended to be, exclusively presented that contains at least one stage, a seating capacity of 1,200 or more seats or, if the live theater production is a non-profit theater production, a seating capacity of 50 or more seats, and dressing rooms, storage areas, and other ancillary amenities necessary for the accredited theater production.

(35 ILCS 17/10-20)

Sec. 10-20. Tax credit award. Subject to the conditions set forth in this Act, an applicant is entitled to a tax credit award as approved by the Department for qualifying Illinois labor expenditures and Illinois production spending for each tax year in which the applicant is awarded an accredited theater production certificate issued by the Department. The amount of tax credits awarded pursuant to this Act shall not exceed $2,000,000 in any State fiscal year ending on or before
except that the amount of tax credits awarded pursuant to this Act for the State fiscal year ending on June 30, 2023 or the State fiscal year ending on June 30, 2024 shall not exceed $4,000,000. For the State fiscal year ending on June 30, 2023 and the State fiscal year ending on June 30, 2024, no more than $2,000,000 in credits may be awarded in either of those fiscal years to accredited theater productions that are not commercial Broadway touring shows, and no more than $2,000,000 in credits may be awarded in either of those fiscal years to commercial Broadway touring shows. For State fiscal years ending on or after June 30, 2025, the amount of tax credits awarded under this Act shall not exceed $6,000,000, with no more than $2,000,000 in credits awarded for long-run productions and pre-Broadway productions, no more than $2,000,000 in credits awarded for commercial Broadway touring shows, and no more than $2,000,000 in credits awarded for non-profit theater productions. In the case of credits awarded under this Act for non-profit theater productions, no more than $100,000 in credits may be awarded to any single non-profit theater production. Credits shall be awarded on a first-come, first-served basis. Notwithstanding the foregoing, if the amount of credits applied for in any fiscal year exceeds the amount authorized to be awarded under this Section, the excess credit amount shall be awarded in the next fiscal year in which credits remain available for award and shall be treated as having been applied for on the first day of that
Sec. 10-40. Issuance of Tax Credit Award Certificate.

(a) In order to qualify for a tax credit award under this Act, an applicant must file an application for each accredited theater production at each of the applicant's qualified production facilities, on forms prescribed by the Department, providing information necessary to calculate the tax credit award and any additional information as reasonably required by the Department.

(b) Upon satisfactory review of the application, the Department shall issue a tax credit award certificate stating the amount of the tax credit award to which the applicant is entitled for that tax year and shall contemporaneously notify the applicant and Illinois Department of Revenue in accordance with Section 222 of the Illinois Income Tax Act or, if the applicant is a nonprofit theater production, subsection (k) of Section 704A of the Illinois Income Tax Act, as applicable.

Section 45-10. The Illinois Income Tax Act is amended by changing Sections 222 and 704A as follows:

(35 ILCS 5/222)
Sec. 222. Live theater production credit.

(a) For tax years beginning on or after January 1, 2012 and beginning prior to January 1, 2027, a taxpayer who has received a tax credit award under the Live Theater Production Tax Credit Act for a long-run production, a pre-Broadway production, or a commercial Broadway touring show is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act in an amount determined under that Act by the Department of Commerce and Economic Opportunity.

(b) For taxable years ending before December 31, 2023, if the taxpayer is a partnership, limited liability partnership, limited liability company, or Subchapter S corporation, the tax credit award is allowed to the partners, unit holders, or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, if the taxpayer is a partnership or Subchapter S corporation, then the provisions of Section 251 apply.

(c) A sale, assignment, or transfer of the tax credit award may be made by the taxpayer earning the credit within one year after the credit is awarded in accordance with rules adopted by the Department of Commerce and Economic Opportunity.

(d) The Department of Revenue, in cooperation with the
Department of Commerce and Economic Opportunity, shall adopt
rules to enforce and administer the provisions of this
Section.

(e) The tax credit award may not be carried back. If the
amount of the credit exceeds the tax liability for the year,
the excess may be carried forward and applied to the tax
liability of the 5 tax years following the excess credit year.
The tax credit award shall be applied to the earliest year for
which there is a tax liability. If there are credits from more
than one tax year that are available to offset liability, the
earlier credit shall be applied first. In no event may a credit
under this Section reduce the taxpayer's liability to less
than zero.

(35 ILCS 5/704A)
Sec. 704A. Employer's return and payment of tax withheld.

(a) In general, every employer who deducts and withholds
or is required to deduct and withhold tax under this Act on or
after January 1, 2008 shall make those payments and returns as
provided in this Section.

(b) Returns. Every employer shall, in the form and manner
required by the Department, make returns with respect to taxes
withheld or required to be withheld under this Article 7 for
each quarter beginning on or after January 1, 2008, on or
before the last day of the first month following the close of
(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:

(1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than $12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:

(A) on or before each Friday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

Beginning with calendar year 2011, payments made under this paragraph (1) of subsection (c) must be made by electronic funds transfer.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than $12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an
employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the return is due and not previously paid to the Department.

(d) Regulatory authority. The Department may, by rule:

(1) Permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the year for taxes withheld or required to be withheld during the previous calendar year and, if the aggregate amounts required to be withheld by the employer under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed $1,000 for the previous calendar year, to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.
(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withheld tax from a person engaged in domestic service employment, as that term is defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. With respect to taxes withheld in calendar years prior to 2017, any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.
With respect to taxes withheld in 2017 and subsequent calendar years, the Department may, by rule, require that any return (including any amended return) under this Section and any W-2 Form that is required to be submitted to the Department must be submitted on magnetic media or electronically.

The due date for submitting W-2 Forms shall be as prescribed by the Department by rule.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit for the incremental income tax attributable to full-time employees of the taxpayer awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Tax Credit Act for the taxable year and credits not previously claimed and allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the
calendar year, the excess may be carried forward and applied
against the taxpayer's liability under this Section in the
succeeding calendar years as allowed to be carried forward
under paragraph (4) of Section 211 of this Act. The credit or
credits shall be applied to the earliest year for which there
is a tax liability. If there are credits from more than one
taxable year that are available to offset a liability, the
earlier credit shall be applied first. Each employer who
deducts and withholds or is required to deduct and withhold
tax under this Act and who retains income tax withholdings
under subsection (f) of Section 5-15 of the Economic
Development for a Growing Economy Tax Credit Act must make a
return with respect to such taxes and retained amounts in the
form and manner that the Department, by rule, requires and pay
to the Department or to a depositary designated by the
Department those withheld taxes not retained by the taxpayer.
For purposes of this subsection (g), the term taxpayer shall
include taxpayer and members of the taxpayer's unitary
business group as defined under paragraph (27) of subsection
(a) of Section 1501 of this Act. This Section is exempt from
the provisions of Section 250 of this Act. No credit awarded
under the Economic Development for a Growing Economy Tax
Credit Act for agreements entered into on or after January 1,
2015 may be credited against payments due under this Section.
(g-1) For amounts deducted or withheld after December 31,
2024, a taxpayer who makes an election under the Reimagining
Energy and Vehicles in Illinois Act shall be allowed a credit against payments due under this Section for amounts withheld during the first quarterly reporting period beginning after the certificate is issued equal to the portion of the REV Illinois Credit attributable to the incremental income tax attributable to new employees and retained employees as certified by the Department of Commerce and Economic Opportunity pursuant to an agreement with the taxpayer under the Reimagining Energy and Vehicles in Illinois Act for the taxable year. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the quarterly reporting period, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholding this subsection must make a return with respect to such taxes and retained amounts in the
form and manner that the Department, by rule, requires and pay
to the Department or to a depositary designated by the
Department those withheld taxes not retained by the taxpayer.
For purposes of this subsection (g-1), the term taxpayer shall
include taxpayer and members of the taxpayer's unitary
business group as defined under paragraph (27) of subsection
(a) of Section 1501 of this Act. This Section is exempt from
the provisions of Section 250 of this Act.

(g-2) For amounts deducted or withheld after December 31,
2024, a taxpayer who makes an election under the Manufacturing
Illinois Chips for Real Opportunity (MICRO) Act shall be
allowed a credit against payments due under this Section for
amounts withheld during the first quarterly reporting period
beginning after the certificate is issued equal to the portion
of the MICRO Illinois Credit attributable to the incremental
income tax attributable to new employees and retained
employees as certified by the Department of Commerce and
Economic Opportunity pursuant to an agreement with the
taxpayer under the Manufacturing Illinois Chips for Real
Opportunity (MICRO) Act for the taxable year. The credit or
credits may not reduce the taxpayer's obligation for any
payment due under this Section to less than zero. If the amount
of the credit or credits exceeds the total payments due under
this Section with respect to amounts withheld during the
quarterly reporting period, the excess may be carried forward
and applied against the taxpayer's liability under this
Section in the succeeding quarterly reporting period as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest quarterly reporting period for which there is a tax liability. If there are credits from more than one quarterly reporting period that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax withholdings this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection, the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(h) An employer may claim a credit against payments due under this Section for amounts withheld during the first calendar year ending after the date on which a tax credit certificate was issued under Section 35 of the Small Business Job Creation Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section
to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

(i) Each employer with 50 or fewer full-time equivalent employees during the reporting period may claim a credit against the payments due under this Section for each qualified employee in an amount equal to the maximum credit allowable. The credit may be taken against payments due for reporting periods that begin on or after January 1, 2020, and end on or before December 31, 2027. An employer may not claim a credit for an employee who has worked fewer than 90 consecutive days immediately preceding the reporting period; however, such credits may accrue during that 90-day period and be claimed against payments under this Section for future reporting periods after the employee has worked for the employer at least 90 consecutive days. In no event may the credit exceed the employer's liability for the reporting period. Each employer who deducts and withholds or is required to deduct and withhold tax under this Act and who retains income tax
withholdings under this subsection must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depositary designated by the Department those withheld taxes not retained by the employer.

For each reporting period, the employer may not claim a credit or credits for more employees than the number of employees making less than the minimum or reduced wage for the current calendar year during the last reporting period of the preceding calendar year. Notwithstanding any other provision of this subsection, an employer shall not be eligible for credits for a reporting period unless the average wage paid by the employer per employee for all employees making less than $55,000 during the reporting period is greater than the average wage paid by the employer per employee for all employees making less than $55,000 during the same reporting period of the prior calendar year.

For purposes of this subsection (i):

"Compensation paid in Illinois" has the meaning ascribed to that term under Section 304(a)(2)(B) of this Act.

"Employer" and "employee" have the meaning ascribed to those terms in the Minimum Wage Law, except that "employee" also includes employees who work for an employer with fewer than 4 employees. Employers that operate more than one establishment pursuant to a franchise agreement or that constitute members of a unitary business group shall aggregate
their employees for purposes of determining eligibility for the credit.

"Full-time equivalent employees" means the ratio of the number of paid hours during the reporting period and the number of working hours in that period.

"Maximum credit" means the percentage listed below of the difference between the amount of compensation paid in Illinois to employees who are paid not more than the required minimum wage reduced by the amount of compensation paid in Illinois to employees who were paid less than the current required minimum wage during the reporting period prior to each increase in the required minimum wage on January 1. If an employer pays an employee more than the required minimum wage and that employee previously earned less than the required minimum wage, the employer may include the portion that does not exceed the required minimum wage as compensation paid in Illinois to employees who are paid not more than the required minimum wage.

(1) 25% for reporting periods beginning on or after January 1, 2020 and ending on or before December 31, 2020;
(2) 21% for reporting periods beginning on or after January 1, 2021 and ending on or before December 31, 2021;
(3) 17% for reporting periods beginning on or after January 1, 2022 and ending on or before December 31, 2022;
(4) 13% for reporting periods beginning on or after January 1, 2023 and ending on or before December 31, 2023;
(5) 9% for reporting periods beginning on or after January 1, 2024 and ending on or before December 31, 2024;

(6) 5% for reporting periods beginning on or after January 1, 2025 and ending on or before December 31, 2025.

The amount computed under this subsection may continue to be claimed for reporting periods beginning on or after January 1, 2026 and:

(A) ending on or before December 31, 2026 for employers with more than 5 employees; or

(B) ending on or before December 31, 2027 for employers with no more than 5 employees.

"Qualified employee" means an employee who is paid not more than the required minimum wage and has an average wage paid per hour by the employer during the reporting period equal to or greater than his or her average wage paid per hour by the employer during each reporting period for the immediately preceding 12 months. A new qualified employee is deemed to have earned the required minimum wage in the preceding reporting period.

"Reporting period" means the quarter for which a return is required to be filed under subsection (b) of this Section.

(j) For reporting periods beginning on or after January 1, 2023, if a private employer grants all of its employees the option of taking a paid leave of absence of at least 30 days for the purpose of serving as an organ donor or bone marrow donor, then the private employer may take a credit against the
payments due under this Section in an amount equal to the amount withheld under this Section with respect to wages paid while the employee is on organ donation leave, not to exceed $1,000 in withholdings for each employee who takes organ donation leave. To be eligible for the credit, such a leave of absence must be taken without loss of pay, vacation time, compensatory time, personal days, or sick time for at least the first 30 days of the leave of absence. The private employer shall adopt rules governing organ donation leave, including rules that (i) establish conditions and procedures for requesting and approving leave and (ii) require medical documentation of the proposed organ or bone marrow donation before leave is approved by the private employer. A private employer must provide, in the manner required by the Department, documentation from the employee's medical provider, which the private employer receives from the employee, that verifies the employee's organ donation. The private employer must also provide, in the manner required by the Department, documentation that shows that a qualifying organ donor leave policy was in place and offered to all qualifying employees at the time the leave was taken. For the private employer to receive the tax credit, the employee taking organ donor leave must allow for the applicable medical records to be disclosed to the Department. If the private employer cannot provide the required documentation to the Department, then the private employer is ineligible for the
credit under this Section. A private employer must also provide, in the form required by the Department, any additional documentation or information required by the Department to administer the credit under this Section. The credit under this subsection (j) shall be taken within one year after the date upon which the organ donation leave begins. If the leave taken spans into a second tax year, the employer qualifies for the allowable credit in the later of the 2 years. If the amount of credit exceeds the tax liability for the year, the excess may be carried and applied to the tax liability for the 3 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset liability, the earlier credit shall be applied first.

Nothing in this subsection (j) prohibits a private employer from providing an unpaid leave of absence to its employees for the purpose of serving as an organ donor or bone marrow donor; however, if the employer's policy provides for fewer than 30 days of paid leave for organ or bone marrow donation, then the employer shall not be eligible for the credit under this Section.

As used in this subsection (j):

"Organ" means any biological tissue of the human body that may be donated by a living donor, including, but not limited to, the kidney, liver, lung, pancreas, intestine, bone, skin,
or any subpart of those organs.

"Organ donor" means a person from whose body an organ is taken to be transferred to the body of another person.

"Private employer" means a sole proprietorship, corporation, partnership, limited liability company, or other entity with one or more employees. "Private employer" does not include a municipality, county, State agency, or other public employer.

This subsection (j) is exempt from the provisions of Section 250 of this Act.

(k) For reporting periods beginning on or after January 1, 2025 and before January 1, 2027, an employer may claim a credit against payments due under this Section for amounts withheld during the first reporting period to occur after the date on which a tax credit certificate is issued for a non-profit theater production under Section 10 of the Live Theater Production Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Article to less than zero. If the amount of the credit exceeds the total amount due under this Article with respect to amounts withheld during the first reporting period to occur after the date on which a tax credit certificate is issued, the excess may be carried forward and applied against the taxpayer's liability under this Section for reporting periods that occur in the 5 succeeding calendar years. The excess credit shall be
applied to the earliest reporting period for which there is a
payment due under this Article. If there are credits from more
than one reporting period that are available to offset a
liability, the earlier credit shall be applied first. The
Department of Revenue, in cooperation with the Department of
Commerce and Economic Opportunity, shall adopt rules to

Section 50-1. Short title. This Act may be cited as the
Music and Musicians Tax Credit and Jobs Act. References in
this Article to "this Act" mean this Article.

Section 50-5. Purpose. The State's economy depends heavily
on music, professional musicians, music teachers, and
educators. Illinois is a cultural crown jewel of the United
States. Illinois and Chicago boast a robust history and
community of creative artists, writers, musicians, architects,
orchestras, live music and entertainment venues, civic operas,
recording studios, and universities. The COVID-19 pandemic and
the economic fallout that ensued brought on especially
difficult circumstances for the live entertainment industry at large. Throughout the State, this has meant the closure of and overall decrease in culturally engaging aspects of Illinois cities from Cairo to Chicago.

According to the Americans for the Arts Action Fund, arts and culture represent 3.1% of the State's gross domestic product and 190,078 jobs. In fact, in 2020, Illinois arts and culture was larger than the State's agriculture industry. In 2015, nonprofit arts organizations in the State generated $4,000,000,000 in economic activity that supported 111,068 jobs and generated $478,500,000 in State and local government revenue. In Chicago specifically, nonprofit arts groups generated $3,200,000,000 in total economic activity and $336,500,000 in State and local government revenue. Audiences exceeded 36,000,000 people.

Yet, during the COVID-19 pandemic, the arts suffered. As a result, Illinois arts and culture value added decreased by 9% between 2019 and 2020 and employment decreased by 12%. Ultimately, $3,200,000,000 and 26,644 jobs were lost. Even as live performances have resumed, audience sizes remain below pre-pandemic levels. Regional theaters, local orchestras, opera houses, and performing arts organizations are reporting persistent drops in attendance.

It is the policy of this State to promote and encourage the training and hiring of Illinois residents who represent the diversity of the Illinois population through the creation and
implementation of training, education, and recruitment
programs organized in cooperation with Illinois colleges and
universities, labor organizations, and the commercial
for-profit music industry.

Section 52-5. The Illinois Income Tax Act is amended by
adding Section 241 as follows:

(35 ILCS 5/241 new)
Sec. 241. Music and Musicians Tax Credits and Jobs Act.
Taxpayers who have been awarded a credit under the Music and
Musicians Tax Credits and Jobs Act are entitled to a credit
against the taxes imposed by subsections (a) and (b) of
Section 201 of this Act in an amount determined by the
Department of Commerce and Economic Opportunity under that
Act. The credit shall be claimed in the taxable year in which
the tax credit award certificate is issued, and the
certificate shall be attached to the return. If the taxpayer
is a partnership or Subchapter S corporation, the credit shall
be allowed to the partners or shareholders in accordance with
the provisions of Section 251.
The credit may not reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first.

ARTICLE 55.

Section 55-5. The Illinois Income Tax Act is amended by changing Section 216 as follows:

(35 ILCS 5/216)

Sec. 216. Credit for wages paid to returning citizens ex-felons.

(a) For each taxable year beginning on or after January 1, 2007, each taxpayer is entitled to a credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an amount equal to 5% of qualified wages paid by the taxpayer during the taxable year to one or more Illinois residents who are qualified returning citizens ex-offenders. For each taxable year beginning on or after January 1, 2025, each taxpayer is entitled to a credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an
amount equal to 15% of qualified wages paid by the taxpayer during the taxable year to one or more Illinois residents who are qualified returning citizens. The total credit allowed to a taxpayer with respect to each qualified returning citizen ex-offender may not exceed $1,500 for all taxable years ending on or before December 31, 2024. For taxable years ending on or after December 31, 2025, the total credit allowed to a taxpayer with respect to each qualified returning citizen may not exceed $7,500. For taxable years ending on or after December 31, 2025, the total amount in credit that may be awarded under this Section may not exceed $1,000,000 per taxable year. For taxable years ending before December 31, 2023, for partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, partners and shareholders of subchapter S corporations are entitled to a credit under this Section as provided in Section 251.

(b) For purposes of this Section, "qualified wages":

(1) includes only wages that are subject to federal unemployment tax under Section 3306 of the Internal
Revenue Code, without regard to any dollar limitation contained in that Section;

(2) does not include any amounts paid or incurred by an employer for any period to any qualified returning citizen ex-offender for whom the employer receives federally funded payments for on-the-job training of that qualified returning citizen ex-offender for that period; and

(3) includes only wages attributable to service rendered during the one-year period beginning with the day the qualified returning citizen ex-offender begins work for the employer.

If the taxpayer has received any payment from a program established under Section 482(e)(1) of the federal Social Security Act with respect to a qualified returning citizen ex-offender, then, for purposes of calculating the credit under this Section, the amount of the qualified wages paid to that qualified ex-offender must be reduced by the amount of the payment.

(c) For purposes of this Section, "qualified returning citizen ex-offender" means any person who:

(1) has been convicted of a crime in this State or of an offense in any other jurisdiction, not including any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act;

(2) was sentenced to a period of incarceration in an
Illinois adult correctional center; and

(3) was hired by the taxpayer within 3 years after being released from an Illinois adult correctional center if the credit is claimed for a taxable year beginning on or before January 1, 2024, or was hired by the taxpayer within 5 years after being released from an Illinois adult correctional center if the credit is claimed for a taxable year beginning on or after January 1, 2025.

(d) In no event shall a credit under this Section reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

(e) This Section is exempt from the provisions of Section 250.

(35 ILCS 145/3) (from Ch. 120, par. 481b.33)

Sec. 3. Rate; exemptions.

(a) A tax is imposed upon hotel operators persons engaged in the business of renting, leasing or letting rooms in a hotel at the rate of 5% of 94% of the gross rental receipts from engaging in business as a hotel operator such renting, leasing or letting, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting hotel rooms to permanent residents of a that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b) There shall be imposed an additional tax upon hotel operators persons engaged in the business of renting, leasing
or letting rooms in a hotel at the rate of 1% of 94% of the
gross rental receipts received by the hotel operator from
engaging in business as a hotel operator from such renting,
leasing or letting, excluding, however, from gross rental
receipts, the proceeds of such renting, leasing or letting to
permanent residents of that hotel and proceeds from the tax
imposed under subsection (c) of Section 13 of the Metropolitan
Pier and Exposition Authority Act.

(b-5) Beginning on July 1, 2024, if the renting, leasing,
or letting of a hotel room is done through a re-renter of hotel
rooms, then, subject to the provisions of Sections 3-2 and
3-3, the re-renter is the hotel operator for the purposes of
the taxes under subsections (a) and (b). If the re-renter is
headquartered outside of this State and has no presence in
this State other than its business as a re-renter, conducted
remotely, then, subject to the provisions of Sections 3-2 and
3-3, such re-renter is the hotel operator for the purposes of
the taxes under subsections (a) and (b) if it meets one of the
following thresholds:

(1) the cumulative gross receipts from rentals in
Illinois by the re-renter of hotel rooms are $100,000 or
more; or

(2) the re-renter of hotel rooms cumulatively enters
into 200 or more separate transactions for rentals in
Illinois.

A re-renter of hotel rooms who is headquartered outside of
this State and has no presence in this State other than its business as a re-renter, conducted remotely, shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) of this subsection (b-5) for the preceding 12-month period. If such re-renter of hotel rooms meets the threshold of either paragraph (1) or (2) for a 12-month period, he or she is subject to tax under this Act and is required to remit the tax imposed under this Act and file returns for the 12-month period beginning on the first day of the next month after he or she determines that he or she meets the threshold of paragraph (1) or (2). At the end of that 12-month period, such re-renter of hotel rooms shall determine whether he or she continued to meet the threshold of either paragraph (1) or (2) during the preceding 12-month period. If he or she met the threshold in either paragraph (1) or (2) for the preceding 12-month period, he or she is a hotel operator in this State and is required to remit the tax imposed under this Act and file returns for the subsequent 12-month period. If, at the end of a 12-month period during which such re-renter is required to remit the tax imposed under this Act, the re-renter determines that he or she did not meet the threshold in either paragraph (1) or (2) during the preceding 12-month period, he or she shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either
paragraph (1) or (2) for the preceding 12-month period.

(c) No funds received pursuant to this Act shall be used to advertise for or otherwise promote new competition in the hotel business.

(d) However, such tax is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State. In addition, the tax is not imposed upon gross rental receipts for which the hotel operator is prohibited from obtaining reimbursement for the tax from the customer by reason of a federal treaty.

(d-5) On and after July 1, 2017, the tax imposed by this Act shall not apply to gross rental receipts received by an entity that is organized and operated exclusively for religious purposes and possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act when acting as a hotel operator renting, leasing, or letting rooms:

(1) in furtherance of the purposes for which it is organized; or

(2) to entities that (i) are organized and operated exclusively for religious purposes, (ii) possess an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act, and (iii) rent the rooms in furtherance of the purposes for which
they are organized.

No gross rental receipts are exempt under paragraph (2) of this subsection (d-5) unless the hotel operator obtains the active Exemption Identification Number from the exclusively religious entity to whom it is renting and maintains that number in its books and records. Gross rental receipts from all rentals other than those described in items (1) or (2) of this subsection (d-5) are subject to the tax imposed by this Act unless otherwise exempt under this Act.

This subsection (d-5) is exempt from the sunset provisions of Section 3-5 of this Act.

(d-10) On and after July 1, 2023, the tax imposed by this Act shall not apply to gross rental receipts received from the renting, leasing, or letting of rooms to an entity that is organized and operated exclusively by an organization chartered by the United States Congress for the purpose of providing disaster relief and that possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act if the renting, leasing, or letting of the rooms is in furtherance of the purposes for which the exempt organization is organized. This subsection (d-10) is exempt from the sunset provisions of Section 3-5 of this Act.

(e) Persons subject to the tax imposed by this Act may reimburse themselves for their tax liability under this Act by separately stating such tax as an additional charge, which
charge may be stated in combination, in a single amount, with
any tax imposed pursuant to Sections 8-3-13 and 8-3-14 of the
Illinois Municipal Code, and Section 25.05-10 of "An Act to
revise the law in relation to counties".

(f) If any hotel operator collects an amount (however
designated) which purports to reimburse such operator for
hotel operators' occupation tax liability measured by receipts
which are not subject to hotel operators' occupation tax, or
if any hotel operator, in collecting an amount (however
designated) which purports to reimburse such operator for
hotel operators' occupation tax liability measured by receipts
which are subject to tax under this Act, collects more from the
guest or re-renter customer than the operators' hotel
operators' occupation tax liability in the transaction is, the
guest or re-renter, as applicable, customer shall have a legal
right to claim a refund of such amount from such operator.
However, if such amount is not refunded to the guest or
re-renter, as applicable, customer for any reason, the hotel
operator is liable to pay such amount to the Department.

(35 ILCS 145/3-2 new)

Sec. 3-2. No resale exemption; tax incurred by re-renters
of hotel rooms. A hotel operator who rents, leases, or lets
rooms subject to tax under this Act to a re-renter of hotel
rooms incurs the tax under this Act on the gross rental
receipts it receives from that re-renter of hotel rooms and
cannot claim any resale exemption. In such situations, the
re-renter of hotel rooms incurs tax under this Act on its gross
rental receipts as provided in Section 3 of this Act.

(35 ILCS 145/3-3 new)
Sec. 3-3. Re-renter of hotel rooms; credit for tax

this Act for the amount it paid under subsection (e) of Section
3 of this Act to a hotel operator as reimbursement for the tax
incurred under this Act for the rental of that room for the
purposes of re-rental.

(35 ILCS 145/4) (from Ch. 120, par. 481b.34)
Sec. 4. Books and records. Every operator shall keep
separate books or records of his business as an operator so as
to show the rents and occupancies taxable under this Act
separately from his transactions not taxable under this Act.
If any operator fails to keep such separate books or records,
he shall be liable to tax at the rate designated in Section 3
hereof upon the entire proceeds from his business hotel. The
Department may adopt rules that establish requirements,
including record forms and formats, for records required to be
kept and maintained by taxpayers. For purposes of this
Section, "records" means all data maintained by the taxpayer,
including data on paper, microfilm, microfiche or any type of
machine-sensible data compilation.

any person to engage in the business as a hotel operator of
renting, leasing or letting rooms in a hotel in this State
without a certificate of registration from the Department.

Retailers' Occupation Tax Act, in effect on the effective date
of this Act, as subsequently amended, shall apply to persons
in the business as hotel operators of renting, leasing or
letting rooms in a hotel in this State, to the same extent as
if such provisions were included herein.

Where the same person has more than 1 business registered with the Department under separate registrations under this Act, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In his return, the operator shall determine the value of any consideration other than money received by him in connection with engaging in business as a hotel operator the renting, leasing or letting of rooms in the course of his business and he shall include such value in his return. Such determination shall be subject to review and revision by the Department in the manner hereinafter provided for the correction of returns.

Where the operator is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

The person filing the return herein provided for shall, at the time of filing such return, pay to the Department the amount of tax herein imposed. The operator filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing
returns, remitting the tax and supplying data to the Department on request.

If any payment provided for in this Section exceeds the operator's liabilities under this Act, as shown on an original return, the Department may authorize the operator to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the operator, the operator's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that operator shall be liable for penalties and interest on such difference.

There shall be deposited into the Build Illinois Fund in the State Treasury for each State fiscal year 40% of the amount of total net revenue from the tax imposed by subsection (a) of Section 3. Of the remaining 60%: (i) $5,000,000 shall be deposited into the Illinois Sports Facilities Fund and credited to the Subsidy Account each fiscal year by making monthly deposits in the amount of 1/8 of $5,000,000 plus cumulative deficiencies in such deposits for prior months, and (ii) an amount equal to the then applicable Advance Amount shall be deposited into the Illinois Sports Facilities Fund and credited to the Advance Account each fiscal year by making monthly deposits in the amount of 1/8 of the then applicable
Advance Amount plus any cumulative deficiencies in such deposits for prior months. (The deposits of the then applicable Advance Amount during each fiscal year shall be treated as advances of funds to the Illinois Sports Facilities Authority for its corporate purposes to the extent paid to the Authority or its trustee and shall be repaid into the General Revenue Fund in the State Treasury by the State Treasurer on behalf of the Authority pursuant to Section 19 of the Illinois Sports Facilities Authority Act, as amended. If in any fiscal year the full amount of the then applicable Advance Amount is not repaid into the General Revenue Fund, then the deficiency shall be paid from the amount in the Local Government Distributive Fund that would otherwise be allocated to the City of Chicago under the State Revenue Sharing Act.)

For purposes of the foregoing paragraph, the term "Advance Amount" means, for fiscal year 2002, $22,179,000, and for subsequent fiscal years through fiscal year 2033, 105.615% of the Advance Amount for the immediately preceding fiscal year, rounded up to the nearest $1,000.

Of the remaining 60% of the amount of total net revenue beginning on August 1, 2011 through June 30, 2023, from the tax imposed by subsection (a) of Section 3 after all required deposits into the Illinois Sports Facilities Fund, an amount equal to 8% of the net revenue realized from this Act during the preceding month shall be deposited as follows: 18% of such amount shall be deposited into the Chicago Travel Industry
Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 82% of such amount shall be deposited into the Local Tourism Fund each month for purposes authorized by Section 605-705 of the Department of Commerce and Economic Opportunity Law. Beginning on August 1, 2011 and through June 30, 2023, an amount equal to 4.5% of the net revenue realized from this Act during the preceding month shall be deposited as follows: 55% of such amount shall be deposited into the Chicago Travel Industry Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 45% of such amount deposited into the International Tourism Fund for the purposes authorized in Section 605-707 of the Department of Commerce and Economic Opportunity Law. "Net revenue realized" means the revenue collected by the State under this Act less the amount paid out as refunds to taxpayers for overpayment of liability under this Act.

Beginning on July 1, 2023, of the remaining 60% of the amount of total net revenue realized from the tax imposed under subsection (a) of Section 3, after all required deposits into the Illinois Sports Facilities Fund:

(1) an amount equal to 8% of the net revenue realized under this Act for the preceding month shall be deposited as follows: 82% to the Local Tourism Fund and 18% to the Chicago Travel Industry Promotion Fund; and
an amount equal to 4.5% of the net revenue realized under this Act for the preceding month shall be deposited as follows: 55% to the Chicago Travel Industry Promotion Fund and 45% to the International Tourism Fund. After making all these deposits, any remaining net revenue realized from the tax imposed under subsection (a) of Section 3 shall be deposited into the Tourism Promotion Fund in the State Treasury. All moneys received by the Department from the additional tax imposed under subsection (b) of Section 3 shall be deposited into the Build Illinois Fund in the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the operator's last State income tax return. If the total receipts of the business as reported in the State income tax return do not agree with the gross receipts reported to the Department for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The operator's annual information return to the Department shall also disclose payroll information of the operator's business during the year covered.
by such return and any additional reasonable information which
the Department deems would be helpful in determining the
accuracy of the monthly, quarterly or annual tax returns by
such operator as hereinbefore provided for in this Section.

If the annual information return required by this Section
is not filed when and as required the taxpayer shall be liable
for a penalty in an amount determined in accordance with
Section 3-4 of the Uniform Penalty and Interest Act until such
return is filed as required, the penalty to be assessed and
collected in the same manner as any other penalty provided for
in this Act.

The chief executive officer, proprietor, owner or highest
ranking manager shall sign the annual return to certify the
accuracy of the information contained therein. Any person who
willfully signs the annual return containing false or
inaccurate information shall be guilty of perjury and punished
accordingly. The annual return form prescribed by the
Department shall include a warning that the person signing the
return may be liable for perjury.

The foregoing portion of this Section concerning the
filing of an annual information return shall not apply to an
operator who is not required to file an income tax return with
the United States Government.

The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have
full power to administer and enforce this Section; to collect
taxes and penalties due hereunder; to dispose of taxes and
penalties so collected in the manner provided in this Section;
and to determine all rights to credit memoranda arising on
account of the erroneous payment of tax or penalty hereunder.
In the administration of and compliance with this Section, the
Department and persons who are subject to this Section shall
have the same rights, remedies, privileges, immunities, powers
and duties, and be subject to the same conditions,
restrictions, limitations, penalties and definitions of terms,
and employ the same modes of procedure, as are prescribed in
the Hotel Operators' Occupation Tax Act and the Uniform
Penalty and Interest Act, as fully as if the provisions
contained in those Acts were set forth herein.

Whenever the Department determines that a refund should be
made under this Section to a claimant instead of issuing a

Comptroller, who shall cause the warrant to be drawn for the
amount specified, and to the person named, in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Illinois tourism tax fund.

Persons subject to any tax imposed under authority granted
by this Section may reimburse themselves for their tax

The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the Comptroller the amount so retained by the State Treasurer, which shall be paid into the General Revenue Fund of the State Treasury.

Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the General Revenue Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall
cause the warrants to be drawn for the respective amounts in accordance with the directions contained in the certification.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business that, under the Constitution of the United States, may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the calendar month next following the expiration of the publication period provided in Section 1-2-4 in respect to municipalities governed by that Section.

The corporate authorities of any municipality that levies a tax authorized by this Section shall transmit to the Department of Revenue on or not later than 5 days after the effective date of the ordinance or resolution a certified copy of the ordinance or resolution imposing the tax; whereupon, the Department of Revenue shall proceed to administer and enforce this Section on behalf of the municipality as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the corporate authorities of the municipality shall, on or not later than 5 days after the effective date of the ordinance or resolution discontinuing the tax or effecting a change in rate, transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting the change or discontinuance. This Section may be cited as the Tourism, Conventions and Other Special Events Promotion Act of 1967.

Section 65-15. The Metropolitan Pier and Exposition Authority Act is amended by changing Section 13 as follows:

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged
in the business of selling tangible personal property at
retail within the territory described in this subsection at
the rate of 1.0% of the gross receipts (i) from the sale of
food, alcoholic beverages, and soft drinks sold for
consumption on the premises where sold and (ii) from the sale
of food, alcoholic beverages, and soft drinks sold for
consumption off the premises where sold by a retailer whose
principal source of gross receipts is from the sale of food,
alcoholic beverages, and soft drinks prepared for immediate
consumption.

The tax imposed under this subsection and all civil
penalties that may be assessed as an incident to that tax shall
be collected and enforced by the Illinois Department of
Revenue. The Department shall have full power to administer
and enforce this subsection, to collect all taxes and
penalties so collected in the manner provided in this
subsection, and to determine all rights to credit memoranda
arising on account of the erroneous payment of tax or penalty
under this subsection. In the administration of and compliance
with this subsection, the Department and persons who are
subject to this subsection shall have the same rights,
remedies, privileges, immunities, powers, and duties, shall be
subject to the same conditions, restrictions, limitations,
penalties, exclusions, exemptions, and definitions of terms,
and shall employ the same modes of procedure applicable to
this Retailers' Occupation Tax as are prescribed in Sections
1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a
credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the
amounts to be paid under subsection (g) of this Section, which
shall be the amounts, not including credit memoranda,
collected under this subsection during the second preceding
calendar month by the Department, less any amounts determined
by the Department to be necessary for the payment of refunds,
less 1.5% of such balance, which sum shall be deposited by the
State Treasurer into the Tax Compliance and Administration
Fund in the State Treasury from which it shall be appropriated
to the Department to cover the costs of the Department in
administering and enforcing the provisions of this subsection,
and less any amounts that are transferred to the STAR Bonds
Revenue Fund. Within 10 days after receipt by the Comptroller
of the certification, the Comptroller shall cause the orders
to be drawn for the remaining amounts, and the Treasurer shall
administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois
Department of Revenue to a retailer under the Retailers'
Occupation Tax Act shall permit the registrant to engage in a
business that is taxed under the tax imposed under this
subsection, and no additional registration shall be required
under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or
discontinuing any tax under this subsection or effecting a
change in the rate of that tax shall be filed with the
Department, whereupon the Department shall proceed to
administer and enforce this subsection on behalf of the
Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

(c) By ordinance the Authority shall, as soon as
practicable after July 1, 1992 (the effective date of Public
Act 87-733), impose an occupation tax upon all hotel operators
persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from engaging in business as a hotel operator the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting of hotel rooms to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to
determine all rights to credit memoranda arising on account of
the erroneous payment of tax or penalty under this subsection.
In the administration of and compliance with this subsection,
the Department and persons who are subject to this subsection
shall have the same rights, remedies, privileges, immunities,
powers, and duties, shall be subject to the same conditions,
restrictions, limitations, penalties, and definitions of
terms, and shall employ the same modes of procedure as are
prescribed in the Hotel Operators' Occupation Tax Act (except
where that Act is inconsistent with this subsection), as fully
as if the provisions contained in the Hotel Operators'
Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be
made under this subsection to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause a warrant to be drawn for the
amount specified and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Metropolitan Pier and Exposition
Authority trust fund held by the State Treasurer as trustee
for the Authority.

Persons subject to any tax imposed under the authority
granted in this subsection may reimburse themselves for their
tax liability for that tax by separately stating that tax as an
additional charge, which charge may be stated in combination,
in a single amount, with State taxes imposed under the Hotel

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State
Comptroller the amount to be transferred into the Tax
Compliance and Administration Fund under this subsection.
Within 10 days after receipt by the Comptroller of the
Department's certification, the Comptroller shall cause the
orders to be drawn for such amounts, and the Treasurer shall
administer the amounts distributed to the Authority as
required in subsection (g).

A certified copy of any ordinance imposing or
discontinuing a tax under this subsection or effecting a
change in the rate of that tax shall be filed with the Illinois
Department of Revenue, whereupon the Department shall proceed
to administer and enforce this subsection on behalf of the
Authority as of the first day of the third calendar month
following the date of filing.

(d) By ordinance the Authority shall, as soon as
practicable after July 1, 1992 (the effective date of Public
Act 87-733), impose a tax upon all persons engaged in the
business of renting automobiles in the metropolitan area at
the rate of 6% of the gross receipts from that business, except
that no tax shall be imposed on the business of renting
automobiles for use as taxicabs or in livery service. The tax
imposed under this subsection and all civil penalties that may
be assessed as an incident to that tax shall be collected and
enforced by the Illinois Department of Revenue. The
certificate of registration issued by the Department to a
retailer under the Retailers' Occupation Tax Act or under the
Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections
of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection
during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public
Act 87-733), impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In
the administration of and compliance with this subsection, the
Department and persons who are subject to this subsection
shall have the same rights, remedies, privileges, immunities,
powers, and duties, be subject to the same conditions,
restrictions, limitations, penalties, and definitions of
terms, and employ the same modes of procedure as are
prescribed in Sections 2 and 4 (except provisions pertaining
to the State rate of tax; and in respect to the provisions of
the Use Tax Act referred to in that Section, except provisions
concerning collection or refunding of the tax by retailers,
except the provisions of Section 19 pertaining to claims by
retailers, except the last paragraph concerning refunds, and
except that credit memoranda issued under this subsection may
not be used to discharge any State tax liability) of the
Automobile Renting Occupation and Use Tax Act, as fully as if
provisions contained in those Sections of that Act were set
forth in this subsection.

Whenever the Department determines that a refund should be
made under this subsection to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause a warrant to be drawn for the
amount specified and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Metropolitan Pier and Exposition
Authority trust fund held by the State Treasurer as trustee
for the Authority.
Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and
enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) $4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): $18 per bus or van with a capacity of 1-12 passengers, $36 per bus or van with a capacity of 13-24 passengers, and $54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: $2 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.
In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and
interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been
appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean $41.7 million in fiscal year 2011, $36.7 million in fiscal year 2012, $36.7 million in fiscal year 2013, $36.7 million in fiscal year 2014, and $31.7 million in each fiscal year thereafter until 2035, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed $343.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above $343.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.
(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter to and including July 20, 2017, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. On July 20, 2018 and on July 20 of each year thereafter, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay all of such surplus revenues to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount
has been paid. After the 2010 deficiency amount has been paid, the Treasurer shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means $15 million in fiscal year 2011 and $30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may
be used (i) for the purposes of paying debt service on the
bonds and notes issued by the Authority, including early
redemption of those bonds or notes, (ii) for the purposes of
repair, replacement, and improvement of the grounds,
buildings, and facilities of the Authority, and (iii) for the
corporate purposes of the Authority in fiscal years 2011
through 2015 in an amount not to exceed $20,000,000 annually
or $80,000,000 total, which amount shall be reduced $0.75 for
each dollar of the receipts of the Authority in that year from
any contract entered into with respect to naming rights at
McCormick Place under Section 5(m) of this Act. When bonds and
notes issued under Section 13.2, or bonds or notes issued to
refund those bonds and notes, are no longer outstanding, the
balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this
Section shall be repealed when bonds and notes issued under
Section 13.2 or bonds and notes issued to refund those bonds
and notes are no longer outstanding.

Section 65-20. The Illinois Sports Facilities Authority
Act is amended by changing Section 19 as follows:

(70 ILCS 3205/19) (from Ch. 85, par. 6019)
Sec. 19. Tax. The Authority may impose an occupation tax upon all hotel operators persons engaged in the business of renting, leasing or letting rooms in a hotel, as defined in The Hotel Operators' Occupation Tax Act, at a rate not to exceed 2% of the gross rental receipts from engaging in business as a hotel operator the renting, leasing or letting of hotel rooms located within the City of Chicago, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting of hotel rooms to permanent residents of a that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the Authority pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a lessor under The Hotel Operators' Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda,
arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in The Hotel Operators' Occupation Tax Act (except where that Act is inconsistent herewith), as the same is now or may hereafter be amended, as fully as if the provisions contained in The Hotel Operators' Occupation Tax Act were set forth herein.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the amounts held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed pursuant to authority granted by this Section may reimburse themselves for their tax liability for such tax by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax imposed under The Hotel Operators' Occupation Tax Act, the municipal tax imposed under
Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 13 of the Metropolitan Pier and Exposition Authority Act.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee for the Authority, all taxes and penalties collected hereunder for deposit in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amount to be paid to or on behalf of the Authority from amounts collected hereunder by the Department, and deposited into such trust fund during the second preceding calendar month. The amount to be paid to or on behalf of the Authority shall be the amount (not including credit memoranda) collected hereunder during such second preceding calendar month by the Department, less an amount equal to the amount of refunds authorized during such second preceding calendar month by the Department on behalf of the Authority, and less 4% of such balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing the provisions of this Section, as provided herein. Each such monthly certification by the Department shall also certify to the Comptroller the amount to be so retained by the State Treasurer for payment into the General Revenue Fund of the State Treasury.

Each monthly certification by the Department shall certify, of the amount paid to or on behalf of the Authority,
(i) the portion to be paid to the Authority, (ii) the portion to be paid into the General Revenue Fund of the State Treasury on behalf of the Authority as repayment of amounts advanced to the Authority pursuant to appropriation from the Illinois Sports Facilities Fund.

With respect to each State fiscal year, of the total amount to be paid to or on behalf of the Authority, the Department shall certify that payments shall first be made directly to the Authority in an amount equal to any difference between the annual amount certified by the Chairman of the Authority pursuant to Section 8.25-4 of the State Finance Act and the amount appropriated to the Authority from the Illinois Sports Facilities Fund. Next, the Department shall certify that payment shall be made into the General Revenue Fund of the State Treasury in an amount equal to the difference between (i) the lesser of (x) the amount appropriated from the Illinois Sports Facilities Fund to the Authority and (y) the annual amount certified by the Chairman of the Authority pursuant to Section 8.25-4 of the State Finance Act and (ii) $10,000,000. The Department shall certify that all additional amounts shall be paid to the Authority and used for its corporate purposes.

Within 10 days after receipt, by the Comptroller, of the Department's monthly certification of amounts to be paid to or on behalf of the Authority and amounts to be paid into the General Revenue Fund, the Comptroller shall cause the warrants
to be drawn for the respective amounts in accordance with the
directions contained in such certification.

Amounts collected by the Department and paid to the
Authority pursuant to this Section shall be used for the
corporate purposes of the Authority. On June 15, 1992 and on
each June 15 thereafter, the Authority shall repay to the
State Treasurer all amounts paid to it under this Section and
otherwise remaining available to the Authority after providing
for (i) payment of principal and interest on, and other
payments related to, its obligations issued or to be issued
under Section 13 of the Act, including any deposits required
to reserve funds created under any indenture or resolution
authorizing issuance of the obligations and payments to
providers of credit enhancement, (ii) payment of obligations
under the provisions of any management agreement with respect
to a facility or facilities owned by the Authority or of any
assistance agreement with respect to any facility for which
financial assistance is provided under this Act, and payment
of other capital and operating expenses of the Authority,
including any deposits required to reserve funds created for
repair and replacement of capital assets and to meet the
obligations of the Authority under any management agreement or
assistance agreement. Amounts repaid by the Authority to the
State Treasurer hereunder shall be treated as repayment of
amounts deposited into the Illinois Sports Facilities Fund and
credited to the Subsidy Account and used for the corporate
purposes of the Authority. The State Treasurer shall deposit $5,000,000 of the amount received into the General Revenue Fund; thereafter, at the beginning of each fiscal year the State Treasurer shall certify to the State Comptroller for all prior fiscal years the cumulative amount of any deficiencies in repayments to the City of Chicago of amounts in the Local Government Distributive Fund that would otherwise have been allocated to the City of Chicago under the State Revenue Sharing Act but instead were paid into the General Revenue Fund under Section 6 of the Hotel Operators' Occupation Tax Act and that have not been reimbursed, and the Comptroller shall, during the fiscal year at the beginning of which the certification was made, cause warrants to be drawn from the amount received for the repayment of that cumulative amount to the City of Chicago until that cumulative amount has been fully reimbursed; thereafter, the State Treasurer shall deposit the balance of the amount received into the trust fund established outside the State Treasury under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be
ARTICLE 70.

Section 70-5. The Motor Fuel Tax Law is amended by changing Section 2a as follows:

(35 ILCS 505/2a) (from Ch. 120, par. 418a)

Sec. 2a. Except as hereinafter provided, on and after January 1, 1990 and before January 1, 2030 January 1, 2025, a
tax of three-tenths of a cent per gallon is imposed upon the
privilege of being a receiver in this State of fuel for sale or
use. Beginning January 1, 2021, this tax is not imposed on
sales of aviation fuel for so long as the revenue use
requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are
binding on the State.

The tax shall be paid by the receiver in this State who
first sells or uses fuel. In the case of a sale, the tax shall
be stated as a separate item on the invoice.

For the purpose of the tax imposed by this Section, being a
receiver of "motor fuel" as defined by Section 1.1 of this Act,
and aviation fuels, home heating oil and kerosene, but
excluding liquified petroleum gases, is subject to tax without
regard to whether the fuel is intended to be used for operation
of motor vehicles on the public highways and waters. However,
no such tax shall be imposed upon the importation or receipt of
aviation fuels and kerosene at airports with over 300,000
operations per year, for years prior to 1991, and over 170,000
operations per year beginning in 1991, located in a city of
more than 1,000,000 inhabitants for sale to or use by holders
of certificates of public convenience and necessity or foreign
air carrier permits, issued by the United States Department of
Transportation, and their air carrier affiliates, or upon the
importation or receipt of aviation fuels and kerosene at
facilities owned or leased by those certificate or permit
holders and used in their activities at an airport described
above. In addition, no such tax shall be imposed upon the
importation or receipt of diesel fuel or liquefied natural gas
sold to or used by a rail carrier registered pursuant to
Section 18c-7201 of the Illinois Vehicle Code or otherwise
recognized by the Illinois Commerce Commission as a rail
carrier, to the extent used directly in railroad operations.
In addition, no such tax shall be imposed when the sale is made
with delivery to a purchaser outside this State or when the
sale is made to a person holding a valid license as a receiver.
In addition, no tax shall be imposed upon diesel fuel or
liquefied natural gas consumed or used in the operation of
ships, barges, or vessels, that are used primarily in or for
the transportation of property in interstate commerce for hire
on rivers bordering on this State, if the diesel fuel or
liquefied natural gas is delivered by a licensed receiver to
the purchaser's barge, ship, or vessel while it is afloat upon
that bordering river. A specific notation thereof shall be
made on the invoices or sales slips covering each sale.

Section 70-10. The Environmental Impact Fee Law is amended
by changing Section 390 as follows:

(415 ILCS 125/390)
(Section scheduled to be repealed on January 1, 2025)
Sec. 390. Repeal. This Article is repealed on January 1,
Article 75.

Section 75-5. The Use Tax Act is amended by changing Sections 2, 3, 3-5, 3-10, 3-55, and 9 and by adding Section 1.05 as follows:

(35 ILCS 105/1.05 new)

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to the privilege of using in this State tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, leased at retail from a retailer, for leases in effect, entered into, or renewed on or after January 1, 2025.

(35 ILCS 105/2) (from Ch. 120, par. 439.2)

Sec. 2. Definitions.

"Use" means the exercise by any person of any right or power over tangible personal property incident to the
ownership of that property, or, on and after January 1, 2025, incident to the possession or control of, the right to possess or control, or a license to use that property through a lease, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. On and after January 1, 2025, the lease of tangible personal property to a lessee by a retailer who is subject to tax on lease receipts under this amendatory Act of the 103rd General Assembly does not qualify as demonstration use or interim use of that property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected
to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Lease" means a transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession or control from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act, includes a lease.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the
ownership of, the title to, the possession or control of, the right to possess or control, or a license to use, tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use, tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any
Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but, prior to January 1, 2020 and beginning
again on January 1, 2022, not including the value of or credit
given for traded-in tangible personal property where the item
that is traded-in is of like kind and character as that which
is being sold; beginning January 1, 2020 and until January 1,
2022, "selling price" includes the portion of the value of or
credit given for traded-in motor vehicles of the First
Division as defined in Section 1-146 of the Illinois Vehicle
Code of like kind and character as that which is being sold
that exceeds $10,000. "Selling price" shall be determined
without any deduction on account of the cost of the property
sold, the cost of materials used, labor or service cost or any
other expense whatsoever, but does not include interest or
finance charges which appear as separate items on the bill of
sale or sales contract nor charges that are added to prices by
sellers on account of the seller's tax liability under the
Retailers' Occupation Tax Act, or on account of the seller's
duty to collect, from the purchaser, the tax that is imposed by
this Act, or, except as otherwise provided with respect to any
cigarette tax imposed by a home rule unit, on account of the
seller's tax liability under any local occupation tax
administered by the Department, or, except as otherwise
provided with respect to any cigarette tax imposed by a home
rule unit on account of the seller's duty to collect, from the
purchasers, the tax that is imposed under any local use tax
administered by the Department. Effective December 1, 1985,
"selling price" shall include charges that are added to prices
by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

The provisions of this paragraph, which provides only for an alternative meaning of "selling price" with respect to the sale of certain motor vehicles incident to the contemporaneous lease of those motor vehicles, continue in effect and are not changed by the tax on leases implemented by this amendatory Act of the 103rd General Assembly. Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments
charged over the term of the lease. Also included in the
selling price is any amount received by the lessor from the
lessee for the leased vehicle that is not calculated at the
time the lease is executed, including, but not limited to,
excess mileage charges and charges for excess wear and tear.
For sales that occur in Illinois, with respect to any amount
received by the lessor from the lessee for the leased vehicle
that is not calculated at the time the lease is executed, the
lessor who purchased the motor vehicle does not incur the tax
imposed by the Use Tax Act on those amounts, and the retailer
who makes the retail sale of the motor vehicle to the lessor is
not required to collect the tax imposed by this Act or to pay
the tax imposed by the Retailers' Occupation Tax Act on those
amounts. However, the lessor who purchased the motor vehicle
assumes the liability for reporting and paying the tax on
those amounts directly to the Department in the same form
(Illinois Retailers' Occupation Tax, and local retailers'
occupation taxes, if applicable) in which the retailer would
have reported and paid such tax if the retailer had accounted
for the tax to the Department. For amounts received by the
lessor from the lessee that are not calculated at the time the
lease is executed, the lessor must file the return and pay the
tax to the Department by the due date otherwise required by
this Act for returns other than transaction returns. If the
retailer is entitled under this Act to a discount for
collecting and remitting the tax imposed under this Act to the
Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor
vehicle at the time of purchase was calculated using the
definition of "selling price" as defined in this paragraph.
Notwithstanding any other provision of this Act to the
contrary, lessors shall file all returns and make all payments
required under this paragraph to the Department by electronic
means in the manner and form as required by the Department.
This paragraph does not apply to leases of motor vehicles for
which, at the time the lease is entered into, the term of the
lease is not a defined period, including leases with a defined
initial period with the option to continue the lease on a
month-to-month or other basis beyond the initial defined
period.

The phrase "like kind and character" shall be liberally
construed (including but not limited to any form of motor
vehicle for any form of motor vehicle, or any kind of farm or
agricultural implement for any other kind of farm or
agricultural implement), while not including a kind of item
which, if sold at retail by that retailer, would be exempt from
retailers' occupation tax and use tax as an isolated or
occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership,
association, joint stock company, joint adventure, public or
private corporation, limited liability company, or a receiver,
executor, trustee, guardian or other representative appointed
by order of any court.
"Retailer" means and includes every person engaged in the business of making sales, including, on and after January 1, 2025, leases, at retail as defined in this Section. With respect to leases, a "retailer" also means a "lessor", except as otherwise provided in this Act.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the
extent of sales by such person of tangible personal property
which is not sold or offered for sale by persons organized for
profit. The selling of school books and school supplies by
schools at retail to students is not "primarily for the
purposes of" the school which does such selling. This
paragraph does not apply to nor subject to taxation occasional
dinners, social or similar activities of a person organized
and operated exclusively for charitable, religious or
educational purposes, whether or not such activities are open
to the public.

A person who is the recipient of a grant or contract under
Title VII of the Older Americans Act of 1965 (P.L. 92-258) and
serves meals to participants in the federal Nutrition Program
for the Elderly in return for contributions established in
amount by the individual participant pursuant to a schedule of
suggested fees as provided for in the federal Act is not a
retailer under this Act with respect to such transactions.

Persons who engage in the business of transferring
tangible personal property upon the redemption of trading
stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal
property at retail by a person who does not hold himself out as
being engaged (or who does not habitually engage) in selling
such tangible personal property at retail or a sale through a
bulk vending machine does not make such person a retailer
hereunder. However, any person who is engaged in a business
which is not subject to the tax imposed by the Retailers' Occupation Tax Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) A retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative
operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed
material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph (1.1) shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods.

(1.2) Beginning July 1, 2011, a retailer having a contract with a person located in this State under which:

(A) the retailer sells the same or substantially similar line of products as the person located in this State and does so using an identical or substantially similar name, trade name, or trademark as the person located in this State; and

(B) the retailer provides a commission or other consideration to the person located in this State based upon the sale of tangible personal property by the retailer.
The provisions of this paragraph (1.2) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers in this State under all such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December.

(2) (Blank).

(3) (Blank).

(4) (Blank).

(7) (Blank).

(8) (Blank).

(9) Beginning October 1, 2018, a retailer making sales of tangible personal property to purchasers in Illinois from outside of Illinois if:

(A) the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois are $100,000 or more; or

(B) the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

The retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either subparagraph (A) or (B) of this paragraph (9) for the
preceding 12-month period. If the retailer meets the threshold of either subparagraph (A) or (B) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the retailer shall determine whether he or she met the threshold of either subparagraph (A) or (B) during the preceding 12-month period. If the retailer met the criteria in either subparagraph (A) or (B) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the threshold in either subparagraph (A) or (B) during the preceding 12-month period, the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either subparagraph (A) or (B) for the preceding 12-month period.

Beginning January 1, 2020, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that
a retailer makes through a marketplace facilitator and for
which the retailer has received a certification from the
marketplace facilitator pursuant to Section 2d of this Act
shall be included for purposes of determining whether he
or she has met the thresholds of this paragraph (9).

(10) Beginning January 1, 2020, a marketplace
facilitator that meets a threshold set forth in subsection
(b) of Section 2d of this Act.

"Bulk vending machine" means a vending machine, containing
unsorted confections, nuts, toys, or other items designed
primarily to be used or played with by children which, when a
coin or coins of a denomination not larger than $0.50 are
inserted, are dispensed in equal portions, at random and
without selection by the customer.

Sec. 3. Tax imposed. A tax is imposed upon the privilege of
using in this State tangible personal property purchased,
which, on and after January 1, 2025, includes leased, at
retail from a retailer, including computer software, and
including photographs, negatives, and positives that are the
product of photoprocessing, but not including products of
photoprocessing produced for use in motion pictures for
commercial exhibition. Beginning January 1, 2001, prepaid
telephone calling arrangements shall be considered tangible personal property subject to the tax imposed under this Act regardless of the form in which those arrangements may be embodied, transmitted, or fixed by any method now known or hereafter developed. Purchases of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

The imposition of the tax under this Act on the privilege of using tangible personal property leased at retail applies to leases of tangible personal property in effect, entered into, or renewed on or after January 1, 2025. In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

The inclusion of leases in the tax imposed under this Act by this amendatory Act of the 103rd General Assembly does not, however, extend to motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State. The taxation of these items shall
continue in effect as prior to the effective date of the
changes made to this Section by this amendatory Act of the
103rd General Assembly (i.e. dealers owe retailers' occupation
tax, lessors owe use tax, and lessees are not subject to
retailers' occupation or use tax).

(35 ILCS 105/3-5)

2025, includes use by a lessee, of the following tangible
personal property is exempt from the tax imposed by this Act:

society, association, foundation, institution, or

These organizations include, but are not limited to, music and dramatic arts organizations such as symphony orchestras and theatrical groups, arts and cultural service organizations, local arts councils, visual arts organizations, and media arts organizations. A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes. arts machinery and equipment is included in the manufacturing
and assembling machinery and equipment exemption under
paragraph (18).

(22) Computers and communications equipment utilized for any hospital purpose and equipment used in the diagnosis, analysis, or treatment of hospital patients purchased by a lessor who leases the equipment, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a hospital that has been issued an active tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other non-exempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the non-qualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by
this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department.

No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee
for any reason, the lessor is liable to pay that amount to the

1-146 of the Illinois Vehicle Code, that is donated to a

Department to be organized and operated exclusively for
educational purposes. For purposes of this exemption, "a
corporation, limited liability company, society, association,
foundation, or institution organized and operated exclusively
for educational purposes" means all tax-supported public
schools, private schools that offer systematic instruction in
useful branches of learning by methods common to public
schools and that compare favorably in their scope and
intensity with the course of study presented in tax-supported
schools, and vocational or technical schools or institutes

parents and teachers of the school children. This paragraph
does not apply to fundraising events (i) for the benefit of
private home instruction or (ii) for which the fundraising

exempt from the provisions of Section 3-90.

2001, new or used automatic vending machines that prepare and

drugs, medical appliances, and insulin, urine testing

No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly
collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

(b) (Blank).

(c) The use, in this State, by owners or lessors, lessees, or shippers of tangible personal property that is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce as long as so used by the interstate carriers for hire, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d) The use, in this State, of tangible personal property that is acquired outside this State and caused to be brought into this State by a person who has already paid a tax in another State in respect to the sale, purchase, or use of that property, to the extent of the amount of the tax properly due and paid in the other State.

The tax collected under this Act in accordance with this subsection (h-1) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(B) the aircraft is not based or registered in this State after the purchase of the aircraft; and

(C) the purchaser provides the Department with a
signed and dated certification, on a form prescribed by the Department, certifying that the requirements of this item (1) are met. (B) the aircraft is not based or registered in this State either before or after the post-sale customization; and

(C) the purchaser provides the Department with a signed and dated certification, on a form prescribed by the Department, certifying that the requirements of this item (3) are met. The certificate must also include the name and address of the purchaser, the address of the location where the aircraft is to be titled or registered, the address of the primary physical location of the aircraft, and other information that the Department may reasonably require.

If tax becomes due under this subsection (h-2) because of the purchaser's use of the aircraft in this State, the purchaser shall file a return with the Department and pay the
tax on the fair market value of the aircraft. This return and payment of the tax must be made no later than 30 days after the aircraft is used in a taxable manner in this State. The tax is based on the fair market value of the aircraft on the date that it is first used in a taxable manner in this State.

For purposes of this subsection (h-2):

"Registered in this State" means an aircraft registered with the Department of Transportation, Aeronautics Division, or titled or registered with the Federal Aviation Administration to an address located in this State.

This subsection (h-2) is exempt from the provisions of Section 3-90.

(i) Beginning July 1, 1999, the use, in this State, of fuel acquired outside this State and brought into this State in the fuel supply tanks of locomotives engaged in freight hauling and passenger service for interstate commerce. This subsection
is exempt from the provisions of Section 3-90.

(j) Beginning on January 1, 2002 and through June 30, 2016, the use of tangible personal property purchased from an Illinois retailer by a taxpayer engaged in centralized purchasing activities in Illinois who will, upon receipt of the property in Illinois, temporarily store the property in Illinois (i) for the purpose of subsequently transporting it outside this State for use or consumption thereafter solely outside this State or (ii) for the purpose of being processed, fabricated, or manufactured into, attached to, or incorporated into other tangible personal property to be transported outside this State and thereafter used or consumed solely outside this State. The Director of Revenue shall, pursuant to rules adopted in accordance with the Illinois Administrative Procedure Act, issue a permit to any taxpayer in good standing with the Department who is eligible for the exemption under this subsection (j). The permit issued under this subsection (j) shall authorize the holder, to the extent and in the manner specified in the rules adopted under this Act, to purchase tangible personal property from a retailer exempt from the taxes imposed by this Act. Taxpayers shall maintain all necessary books and records to substantiate the use and consumption of all such tangible personal property outside of the State of Illinois.

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance.
instead of when such retailer files his periodic return. The
discount allowed under this Section is allowed only for
returns that are filed in the manner required by this Act. The
Department may disallow the discount for retailers whose
certificate of registration is revoked at the time the return
is filed, but only if the Department's decision to revoke the
certificate of registration has become final. A retailer need
not remit that part of any tax collected by him to the extent
that he is required to remit and does remit the tax imposed by
the Retailers' Occupation Tax Act, with respect to the sale of
the same property.

Where such tangible personal property is sold under a
conditional sales contract, or under any other form of sale
wherein the payment of the principal sum, or a part thereof, is
extended beyond the close of the period for which the return is
filed, the retailer, in collecting the tax (except as to motor
vehicles, watercraft, aircraft, and trailers that are required
to be registered with an agency of this State), may collect for
each tax return period, only the tax applicable to that part of
the selling price actually received during such tax return
period.

In the case of leases, except as otherwise provided in
this Act, the lessor, in collecting the tax, may collect for
each tax return period, only the tax applicable to that part of
the selling price actually received during such tax return
period.
Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. The return shall include the gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month, quarter, or year, as appropriate, and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700. The return shall also include the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be
filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments
by electronic means in the manner and form required by the
Department.

Beginning October 1, 1993, a taxpayer who has an average
monthly tax liability of $150,000 or more shall make all
payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 1994, a taxpayer who has
an average monthly tax liability of $100,000 or more shall
make all payments required by rules of the Department by
electronic funds transfer. Beginning October 1, 1995, a
taxpayer who has an average monthly tax liability of $50,000
or more shall make all payments required by rules of the
Department by electronic funds transfer. Beginning October 1,
2000, a taxpayer who has an annual tax liability of $200,000 or
more shall make all payments required by rules of the
Department by electronic funds transfer. The term "annual tax
liability" shall be the sum of the taxpayer's liabilities
under this Act, and under all other State and local occupation
and use tax laws administered by the Department, for the
immediately preceding calendar year. The term "average monthly
tax liability" means the sum of the taxpayer's liabilities
under this Act, and under all other State and local occupation
and use tax laws administered by the Department, for the
immediately preceding calendar year divided by 12. Beginning
on October 1, 2002, a taxpayer who has a tax liability in the
amount set forth in subsection (b) of Section 2505-210 of the
Department of Revenue Law shall make all payments required by
rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1,
2000, if the taxpayer's average monthly tax liability to the
Department under this Act, the Retailers' Occupation Tax Act,
the Service Occupation Tax Act, and the Service Use Tax Act was
$20,000 or more during the preceding 4 complete calendar
quarters, he shall file a return with the Department each
month by the 20th day of the month next following the month
during which such tax liability is incurred and shall make
payment to the Department on or before the 7th, 15th, 22nd and
last day of the month during which such liability is incurred.
If the month during which such tax liability is incurred began
prior to January 1, 1985, each payment shall be in an amount
equal to 1/4 of the taxpayer's actual liability for the month
or an amount set by the Department not to exceed 1/4 of the
average monthly liability of the taxpayer to the Department
for the preceding 4 complete calendar quarters (excluding the
month of highest liability and the month of lowest liability
in such 4 quarter period). If the month during which such tax
liability is incurred begins on or after January 1, 1985, and
prior to January 1, 1987, each payment shall be in an amount
equal to 22.5% of the taxpayer's actual liability for the
month or 27.5% of the taxpayer's liability for the same
calendar month of the preceding year. If the month during
which such tax liability is incurred begins on or after
January 1, 1987, and prior to January 1, 1988, each payment
shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 26.25% of the taxpayer's liability
for the same calendar month of the preceding year. If the month
during which such tax liability is incurred begins on or after
January 1, 1988, and prior to January 1, 1989, or begins on or
after January 1, 1996, each payment shall be in an amount equal
to 22.5% of the taxpayer's actual liability for the month or
25% of the taxpayer's liability for the same calendar month of
the preceding year. If the month during which such tax
liability is incurred begins on or after January 1, 1989, and
prior to January 1, 1996, each payment shall be in an amount
equal to 22.5% of the taxpayer's actual liability for the
month or 25% of the taxpayer's liability for the same calendar
month of the preceding year or 100% of the taxpayer's actual
liability for the quarter monthly reporting period. The amount
of such quarter monthly payments shall be credited against the
final tax liability of the taxpayer's return for that month.
Before October 1, 2000, once applicable, the requirement of
the making of quarter monthly payments to the Department shall
continue until such taxpayer's average monthly liability to
the Department during the preceding 4 complete calendar
quarters (excluding the month of highest liability and the
month of lowest liability) is less than $9,000, or until such
taxpayer's average monthly liability to the Department as
computed for each calendar quarter of the 4 preceding complete
calendar quarter period is less than $10,000. However, if a
taxpayer can show the Department that a substantial change in
the taxpayer's business has occurred which causes the taxpayer
to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's
liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.
If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be
liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the
In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after
deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.
Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.
No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.
Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint
return which will enable retailers, who are required to file
returns hereunder and also under the Retailers' Occupation Tax
Act, to furnish all the return information required by both
Acts on the one form.

Where the retailer has more than one business registered
with the Department under separate registration under this
Act, such retailer may not file each return that is due as a
single return covering all such registered businesses, but
shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall
pay into the State and Local Sales Tax Reform Fund, a special
fund in the State Treasury which is hereby created, the net
revenue realized for the preceding month from the 1% tax
imposed under this Act.

Beginning January 1, 1990, each month the Department shall
pay into the County and Mass Transit District Fund 4% of the
net revenue realized for the preceding month from the 6.25%
general rate on the selling price of tangible personal
property which is purchased outside Illinois at retail from a
retailer and which is titled or registered by an agency of this
State's government.

Beginning January 1, 1990, each month the Department shall
pay into the State and Local Sales Tax Reform Fund, a special
fund in the State Treasury, 20% of the net revenue realized for
the preceding month from the 6.25% general rate on the selling
price of tangible personal property, other than (i) tangible
personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 3-6, is imposed at the rate of 1.25%, then the Department shall pay 100% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax
holiday items into the State and Local Sales Tax Reform Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds
collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3

It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to the privilege of using tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, transferred by lease, as an incident of a purchase of service, for leases in effect, entered into, or renewed on or after
January 1, 2025.

(35 ILCS 110/2) (from Ch. 120, par. 439.32)

Sec. 2. Definitions. In this Act:

"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, or, on and after January 1, 2025, incident to the possession or control of, the right to possess or control, or a license to use that property through a lease, but does not include the sale or use for demonstration by him of that property in any form as tangible personal property in the regular course of business. "Use" does not mean the interim use of tangible personal property. On and after January 1, 2025, the lease of tangible personal property to a lessee by a serviceman who is subject to tax on lease receipts under this amendatory Act of the 103rd General Assembly does not qualify as demonstration use or interim use of that property. "Use" does not mean the physical incorporation of tangible personal property, as an ingredient or constituent, into other tangible personal property, (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois.

"Lease" means a transfer of the possession or control of,
the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act with respect to tangible personal property, includes a lease.

"Purchased from a serviceman" means the acquisition of the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use, tangible personal property through a sale of service.

"Purchaser" means any person who, through a sale of service, acquires the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use, any tangible personal property.

"Cost price" means the consideration paid by the serviceman for a purchase, including, on and after January 1, 2025, a lease, valued in money, whether paid in money or otherwise, including cash, credits and services, and shall be determined without any deduction on account of the supplier's cost of the property sold or on account of any other expense incurred by the supplier. When a serviceman contracts out part or all of the services required in his sale of service, it
shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale, including, on and after January 1, 2025, a lease, valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Sale of service" means any transaction except:

(1) a retail sale of tangible personal property taxable under the Retailers' Occupation Tax Act or under the Use Tax Act.
(2) a sale of tangible personal property for the
purpose of resale made in compliance with Section 2c of
the Retailers' Occupation Tax Act.

(3) except as hereinafter provided, a sale or transfer
of tangible personal property as an incident to the
rendering of service for or by any governmental body, or
for or by any corporation, society, association,
foundation or institution organized and operated
exclusively for charitable, religious or educational
purposes or any not-for-profit corporation, society,
association, foundation, institution or organization which
has no compensated officers or employees and which is
organized and operated primarily for the recreation of
persons 55 years of age or older. A limited liability
company may qualify for the exemption under this paragraph

equipment operated by a telecommunications provider,
licensed as a common carrier by the Federal Communications
Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(4a-5) On and after July 1, 2003 and through June 30, 2004, a sale or transfer of a motor vehicle of the second division with a gross vehicle weight in excess of 8,000 pounds as an incident to the rendering of service if that motor vehicle is subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code. Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(5) A sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new
manufacturing facility, of tangible personal property for
wholesale or retail sale or lease, whether such sale or
lease is made directly by the manufacturer or by some
other person, whether the materials used in the process
are owned by the manufacturer or some other person, or
whether such sale or lease is made apart from or as an
incident to the seller's engaging in a service occupation
and the applicable tax is a Service Use Tax or Service
Occupation Tax, rather than Use Tax or Retailers'
Occupation Tax. The exemption provided by this paragraph
(5) includes production related tangible personal
property, as defined in Section 3-50 of the Use Tax Act,
purchased on or after July 1, 2019. The exemption provided
by this paragraph (5) does not include machinery and
equipment used in (i) the generation of electricity for
wholesale or retail sale; (ii) the generation or treatment
of natural or artificial gas for wholesale or retail sale
that is delivered to customers through pipes, pipelines,
or mains; or (iii) the treatment of water for wholesale or
retail sale that is delivered to customers through pipes,
pipelines, or mains. The provisions of Public Act 98-583
are declaratory of existing law as to the meaning and
scope of this exemption. The exemption under this
paragraph (5) is exempt from the provisions of Section
3-75.

a common carrier by rail, of tangible personal property
which belongs to such carrier for hire, and as to which
such carrier receives the physical possession of the
repaired, reconditioned or remodeled item of tangible
personal property in Illinois, and which such carrier
transports, or shares with another common carrier in the
transportation of such property, out of Illinois on a
standard uniform bill of lading showing the person who
repaired, reconditioned or remodeled the property to a
destination outside Illinois, for use outside Illinois.

(5b) a sale or transfer of tangible personal property
which is produced by the seller thereof on special order
in such a way as to have made the applicable tax the
Service Occupation Tax or the Service Use Tax, rather than
the Retailers' Occupation Tax or the Use Tax, for an
interstate carrier by rail which receives the physical
possession of such property in Illinois, and which
transports such property, or shares with another common
carrier in the transportation of such property, out of
Illinois on a standard uniform bill of lading showing the
seller of the property as the shipper or consignor of such
property to a destination outside Illinois, for use
outside Illinois.

(6) until July 1, 2003, a sale or transfer of
distillation machinery and equipment, sold as a unit or
kit and assembled or installed by the retailer, which
machinery and equipment is certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of such user and not subject to sale or resale.

(7) at the election of any serviceman not required to be otherwise registered as a retailer under Section 2a of the Retailers' Occupation Tax Act, made for each fiscal year sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service. The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.
Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

Exemption (5) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. On and after July 1, 2017, exemption (5) also includes graphic arts machinery and equipment, as defined in paragraph (5) of Section 3-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. For the purposes of exemption (5), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials
into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further, for purposes of exemption (5), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any

The purchaser of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption stating facts establishing the exemption, which certificate shall be available to the Department for inspection or audit. Examples of mechanisms that allow the serviceman to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred,
including, on and after January 1, 2025, transferred by lease, as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the selling price of property transferred as an incident to the sale of service after July 1, 2017 and before January 1, 2024, (iv) 90% of the selling price of property transferred as an incident to the sale of service on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the selling price of property transferred as an incident to the sale of service after December 31, 2028. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to mid-range ethanol blends, as defined in
Section 3-44.3 of the Use Tax Act, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the selling price of property transferred as an incident to the sale of service after December 31, 2028. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the selling price of mid-range ethanol blends transferred as an incident to the sale of service during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of the selling price after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends
shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property
transferred as an incident to the sale of those services.

Until July 1, 2022 and beginning again on July 1, 2023, the tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Until July 1, 2022 and beginning again on July 1, 2023, the tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

Beginning on July 1, 2022 and until July 1, 2023, the tax shall be imposed at the rate of 0% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the
Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Beginning on July 1, 2022 and until July 1, 2023, the tax shall also be imposed at the rate of 0% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

The tax shall also be imposed at the rate of 1% on prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks"
does not include coffee, tea, non-carbonated water, infant
formula, milk or milk products as defined in the Grade A
Pasteurized Milk and Milk Products Act, or drinks containing
50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act,
beginning September 1, 2009, "soft drinks" means non-alcoholic
beverages that contain natural or artificial sweeteners. "Soft
drinks" does not include beverages that contain milk or milk
products, soy, rice or similar milk substitutes, or greater
than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other
provisions of this Act, "food for human consumption that is to
be consumed off the premises where it is sold" includes all
food sold through a vending machine, except soft drinks and
food products that are dispensed hot from a vending machine,
regardless of the location of the vending machine. Beginning
August 1, 2009, and notwithstanding any other provisions of
this Act, "food for human consumption that is to be consumed
off the premises where it is sold" includes all food sold
through a vending machine, except soft drinks, candy, and food
products that are dispensed hot from a vending machine,
regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act,
beginning September 1, 2009, "food for human consumption that
is to be consumed off the premises where it is sold" does not
include candy. For purposes of this Section, "candy" means a
preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical
Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

If the property that is acquired from a serviceman is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use. No depreciation is allowed in cases where the tax under this Act is imposed on lease receipts.

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar
year, whichever is greater, which is allowed to reimburse the
serviceman for expenses incurred in collecting the tax,
keeping records, preparing and filing returns, remitting the
tax and supplying data to the Department on request. When
determining the discount allowed under this Section,
servicemen shall include the amount of tax that would have
been due at the 1% rate but for the 0% rate imposed under this
amendatory Act of the 102nd General Assembly. The discount
under this Section is not allowed for the 1.25% portion of
taxes paid on aviation fuel that is subject to the revenue use
requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The
discount allowed under this Section is allowed only for
returns that are filed in the manner required by this Act. The
Department may disallow the discount for servicemen whose
certificate of registration is revoked at the time the return
is filed, but only if the Department's decision to revoke the
certificate of registration has become final. A serviceman
need not remit that part of any tax collected by him to the
extent that he is required to pay and does pay the tax imposed
by the Service Occupation Tax Act with respect to his sale of
service involving the incidental transfer by him of the same
property.

Except as provided hereinafter in this Section, on or
before the twentieth day of each calendar month, such
serviceman shall file a return for the preceding calendar
month in accordance with reasonable Rules and Regulations to
be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly: (i) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the items listed in the previous sentence but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period, only the tax applicable to that part of
the selling price actually received during such tax return period.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in business as a serviceman in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the
Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.
Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.
If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such
serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding
month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the
net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the
Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount
transferred during such month to the Build Illinois Fund from
the State and Local Sales Tax Reform Fund shall have been less
than 1/12 of the Annual Specified Amount, an amount equal to
the difference shall be immediately paid into the Build
Illinois Fund from other moneys received by the Department
pursuant to the Tax Acts; and, further provided, that in no
event shall the payments required under the preceding proviso
result in aggregate payments into the Build Illinois Fund
pursuant to this clause (b) for any fiscal year in excess of
the greater of (i) the Tax Act Amount or (ii) the Annual
Specified Amount for such fiscal year; and, further provided,
that the amounts payable into the Build Illinois Fund under
this clause (b) shall be payable only until such time as the
aggregate amount on deposit under each trust indenture
securing Bonds issued and outstanding pursuant to the Build
Illinois Bond Act is sufficient, taking into account any
future investment income, to fully provide, in accordance with
such indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds
secured by such indenture and on any Bonds expected to be
issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the
Budget (now Governor's Office of Management and Budget). If on
the last business day of any month in which Bonds are
outstanding pursuant to the Build Illinois Bond Act, the
aggregate of the moneys deposited in the Build Illinois Bond
Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section

Section 75-15. The Service Occupation Tax Act is amended by changing Sections 2, 3, 3-5, and 3-10 and by adding Section 1.05 as follows:

(35 ILCS 115/1.05 new)

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to persons engaged in the business of making sales of service (referred to as "servicemen") on all tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers,
as defined in Section 1-187 of the Illinois Vehicle Code, that
are required to be registered with an agency of this State,
transferred by lease, as an incident of a sale of service, for
leases in effect, entered into, or renewed on or after January
1, 2025.

(35 ILCS 115/2) (from Ch. 120, par. 439.102)

Sec. 2. In this Act:

"Transfer" means any transfer of the title to property or
of the ownership of property whether or not the transferor
retains title as security for the payment of amounts due him
from the transferee. On and after January 1, 2025, "transfer"
also means any transfer of the possession or control of, the
right to possess or control, or a license to use, but not title
to, tangible personal property.

"Lease" means a transfer of the possession or control of,
the right to possess or control, or a license to use, but not
title to, tangible personal property for a fixed or
indeterminate term for consideration, regardless of the name
by which the transaction is called. "Lease" does not include a
lease entered into merely as a security agreement that does
not involve a transfer of possession or control from the
lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in
this Act with respect to tangible personal property, includes
a lease.
"Cost Price" means the consideration paid by the serviceman for a purchase, including, on and after January 1, 2025, a lease, valued in money, whether paid in money or otherwise, including cash, credits and services, and shall be determined without any deduction on account of the supplier's cost of the property sold or on account of any other expense incurred by the supplier. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Sale of Service" means any transaction except:

(a) A retail sale of tangible personal property taxable under the Retailers' Occupation Tax Act or under the Use Tax Act.

(b) A sale of tangible personal property for the purpose of resale made in compliance with Section 2c of the Retailers' Occupation Tax Act.
(c) Except as hereinafter provided, a sale or transfer of tangible personal property as an incident to the rendering of service for or by any governmental body or for or by any corporation, society, association, foundation or institution organized and operated exclusively for charitable, religious or educational purposes or any not-for-profit corporation, society, association, foundation, institution or organization which has no compensated officers or employees and which is organized and operated primarily for the recreation of persons 55 years of age or older. A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(d) (Blank).

(d-1) A sale or transfer of tangible personal property as an incident to the rendering of service for owners or lessors, lessees, or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d-1.1) On and after July 1, 2003 and through June 30, 2004, a sale or transfer of a motor vehicle of the second division with a gross vehicle weight in excess of 8,000 pounds
as an incident to the rendering of service if that motor
vehicle is subject to the commercial distribution fee imposed
under Section 3-815.1 of the Illinois Vehicle Code. Beginning
on July 1, 2004 and through June 30, 2005, the use in this
State of motor vehicles of the second division: (i) with a
gross vehicle weight rating in excess of 8,000 pounds; (ii)
that are subject to the commercial distribution fee imposed
under Section 3-815.1 of the Illinois Vehicle Code; and (iii)
that are primarily used for commercial purposes. Through June
30, 2005, this exemption applies to repair and replacement
parts added after the initial purchase of such a motor vehicle
if that motor vehicle is used in a manner that would qualify
for the rolling stock exemption otherwise provided for in this
Act. For purposes of this paragraph, "used for commercial
purposes" means the transportation of persons or property in
furtherance of any commercial or industrial enterprise whether
for-hire or not.

(d-2) The repairing, reconditioning or remodeling, for a
common carrier by rail, of tangible personal property which
belongs to such carrier for hire, and as to which such carrier
receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property
in Illinois, and which such carrier transports, or shares with
another common carrier in the transportation of such property,
out of Illinois on a standard uniform bill of lading showing
the person who repaired, reconditioned or remodeled the
property as the shipper or consignor of such property to a
destination outside Illinois, for use outside Illinois.

(d-3) A sale or transfer of tangible personal property
which is produced by the seller thereof on special order in
such a way as to have made the applicable tax the Service
Occupation Tax or the Service Use Tax, rather than the
Retailers' Occupation Tax or the Use Tax, for an interstate
carrier by rail which receives the physical possession of such
property in Illinois, and which transports such property, or
shares with another common carrier in the transportation of
such property, out of Illinois on a standard uniform bill of
lading showing the seller of the property as the shipper or
consignor of such property to a destination outside Illinois,
for use outside Illinois.

(d-4) Until January 1, 1997, a sale, by a registered
serviceman paying tax under this Act to the Department, of
special order printed materials delivered outside Illinois and
which are not returned to this State, if delivery is made by
the seller or agent of the seller, including an agent who
causes the product to be delivered outside Illinois by a
common carrier or the U.S. postal service.

(e) A sale or transfer of machinery and equipment used
primarily in the process of the manufacturing or assembling,
either in an existing, an expanded or a new manufacturing
facility, of tangible personal property for wholesale or
retail sale or lease, whether such sale or lease is made
directly by the manufacturer or by some other person, whether
the materials used in the process are owned by the
manufacturer or some other person, or whether such sale or
lease is made apart from or as an incident to the seller's
engaging in a service occupation and the applicable tax is a
Service Occupation Tax or Service Use Tax, rather than
Retailers' Occupation Tax or Use Tax. The exemption provided
by this paragraph (e) includes production related tangible
personal property, as defined in Section 3-50 of the Use Tax
Act, purchased on or after July 1, 2019. The exemption
provided by this paragraph (e) does not include machinery and
equipment used in (i) the generation of electricity for
wholesale or retail sale; (ii) the generation or treatment of
natural or artificial gas for wholesale or retail sale that is
delivered to customers through pipes, pipelines, or mains; or
(iii) the treatment of water for wholesale or retail sale that
is delivered to customers through pipes, pipelines, or mains.
The provisions of Public Act 98-583 are declaratory of
existing law as to the meaning and scope of this exemption. The
exemption under this subsection (e) is exempt from the
provisions of Section 3-75.
(f) Until July 1, 2003, the sale or transfer of
distillation machinery and equipment, sold as a unit or kit
and assembled or installed by the retailer, which machinery
and equipment is certified by the user to be used only for the
production of ethyl alcohol that will be used for consumption
as motor fuel or as a component of motor fuel for the personal
use of such user and not subject to sale or resale.

(g) At the election of any serviceman not required to be
otherwise registered as a retailer under Section 2a of the
Retailers' Occupation Tax Act, made for each fiscal year sales
of service in which the aggregate annual cost price of
tangible personal property transferred as an incident to the
sales of service is less than 35% (75% in the case of
servicemen transferring prescription drugs or servicemen
engaged in graphic arts production) of the aggregate annual
total gross receipts from all sales of service. The purchase
of such tangible personal property by the serviceman shall be
subject to tax under the Retailers' Occupation Tax Act and the
Use Tax Act. However, if a primary serviceman who has made the
election described in this paragraph subcontracts service work
to a secondary serviceman who has also made the election
described in this paragraph, the primary serviceman does not
incur a Use Tax liability if the secondary serviceman (i) has
paid or will pay Use Tax on his or her cost price of any
tangible personal property transferred to the primary
serviceman and (ii) certifies that fact in writing to the
primary serviceman.

Tangible personal property transferred incident to the
completion of a maintenance agreement is exempt from the tax
imposed pursuant to this Act.

Exemption (e) also includes machinery and equipment used
in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. On and after July 1, 2017, exemption (e) also includes graphic arts machinery and equipment, as defined in paragraph (5) of Section 3-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of Public Act 98-583 are declaratory of existing law as to the meaning and scope of this exemption. For the purposes of exemption (e), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the
manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of the final product in the last operation or stage of production in the series; and further for purposes of exemption (e), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools.
Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The purchaser of such machinery and equipment and tools without an active resale registration number shall furnish to the seller a certificate of exemption stating facts establishing the exemption, which certificate shall be available to the Department for inspection or audit.

If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the selling price of mid-range ethanol blends transferred as an incident to the sale of service during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of the selling price after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1%
and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel material, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the sale of those services.

Until July 1, 2022 and beginning again on July 1, 2023, the tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing
Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Until July 1, 2022 and beginning again on July 1, 2023, the tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

Beginning on July 1, 2022 and until July 1, 2023, the tax shall be imposed at the rate of 0% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. Beginning July 1, 2022 and until July 1, 2023, the tax shall also be imposed at the rate of 0% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft
drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph).

The tax shall also be imposed at the rate of 1% on prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft
drinks" does not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and
"drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

   (A) a "Drug Facts" panel; or

   (B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

Section 75-20. The Retailers' Occupation Tax Act is amended by changing the title of the Act, by changing Sections 1, 2, 2-5, 2-10, 2-12, 2a, 2c, and 3, and by adding Section 1.05 as follows:

(35 ILCS 120/Act title)

An Act in relation to a tax upon persons engaged in the business of selling, including leasing, tangible personal property.

(35 ILCS 120/1) (from Ch. 120, par. 440)

Sec. 1. Definitions. "Sale at retail" means any transfer of the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of
manufacturing. For this purpose, slag produced as an incident
to manufacturing pig iron or steel and sold is considered to be
an intentionally produced byproduct of manufacturing.
Transactions whereby the possession of the property is
transferred but the seller retains the title as security for
payment of the selling price shall be deemed to be sales.
"Sale at retail" shall be construed to include any
transfer of the ownership of, the or title to, the possession
or control of, the right to possess or control, or a license to
use tangible personal property to a purchaser, for use or
consumption by any other person to whom such purchaser may
transfer the tangible personal property without a valuable
consideration, and to include any transfer, whether made for
or without a valuable consideration, for resale in any form as
tangible personal property unless made in compliance with
Section 2c of this Act.

Sales of tangible personal property, which property, to
the extent not first subjected to a use for which it was
purchased, as an ingredient or constituent, goes into and
forms a part of tangible personal property subsequently the
subject of a "Sale at retail", are not sales at retail as
defined in this Act: Provided that the property purchased is
deemed to be purchased for the purpose of resale, despite
first being used, to the extent to which it is resold as an
ingredient of an intentionally produced product or byproduct
of manufacturing.
"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail
is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. The provisions of this paragraph shall not apply to nor subject to taxation occasional dinners, socials or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not engaged in the business of selling tangible personal property at retail with respect to such transactions.
"Lease" means a transfer of the possession or control of, the right to possess or control, or a license to use, but not title to, tangible personal property for a fixed or indeterminate term for consideration, regardless of the name by which the transaction is called. "Lease" does not include a lease entered into merely as a security agreement that does not involve a transfer of possession or control from the lessor to the lessee.

On and after January 1, 2025, the term "sale", when used in this Act, includes a lease.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of, the title to, the possession or control of, the right to possess or control, or a license to use tangible personal property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the business of selling or delivering or transferring title of motor fuel to another person other than for use or consumption. No person shall act as a reseller of motor fuel within this State without first being registered as a reseller pursuant to Section 2c or a retailer pursuant to Section 2a.

"Selling price" or the "amount of sale" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property, other than as hereinafter provided, and services, but, prior to January 1, 2020 and beginning again on January 1, 2022, not including the value of or credit given for traded-in tangible
personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020 and until January 1, 2022, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds $10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include charges that are added to prices by sellers on account of the seller's tax liability under this Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by the Use Tax Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the sellers' duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account
of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

The provisions of this paragraph, which provides only for an alternative meaning of "selling price" with respect to the sale of certain motor vehicles incident to the contemporaneous lease of those motor vehicles, continue in effect and are not changed by the tax on leases implemented by this amendatory Act of the 103rd General Assembly. Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the
time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by the Use Tax Act or to pay the tax imposed by this Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the
lessee for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make
all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Gross receipts" from the sales of tangible personal property at retail means the total selling price or the amount of such sales, as hereinbefore defined. In the case of charge and time sales, the amount thereof shall be included only as and when payments are received by the seller. In the case of leases, except as otherwise provided in this Act, the amount thereof shall be included only as and when gross receipts are received by the lessor. Receipts or other consideration derived by a seller from the sale, transfer or assignment of accounts receivable to a wholly owned subsidiary will not be
deemed payments prior to the time the purchaser makes payment on such accounts.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail, or a sale through a bulk vending machine, does not constitute engaging in a business of selling such tangible personal property at retail within the meaning of this Act; provided that any person who is engaged in a business which is not subject to the tax imposed by this Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate or a construction contract to engineer, install, and maintain an integrated system of products, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate or was not engineered and installed, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other
A person arising out of or because of such nontaxable business, is engaged in the business of selling tangible personal property at retail to the extent of the value of the tangible personal property so transferred. If, in such a transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purpose of this Act, shall be the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property. Construction contracts for the improvement of real estate consisting of engineering, installation, and maintenance of voice, data, video, security, and all telecommunication systems do not constitute engaging in a business of selling tangible personal property at retail within the meaning of this Act if they are sold at one specified contract price.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a person engaged in the business of selling tangible personal property at retail hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal
property so produced on special order serves substantially the
same function as stock or standard items of tangible personal
property that are sold at retail.

Persons who engage in the business of transferring
tangible personal property upon the redemption of trading
stamps are engaged in the business of selling such property at
retail and shall be liable for and shall pay the tax imposed by
this Act on the basis of the retail value of the property
transferred upon redemption of such stamps.

"Bulk vending machine" means a vending machine, containing
unsorted confections, nuts, toys, or other items designed
primarily to be used or played with by children which, when a
coin or coins of a denomination not larger than $0.50 are
inserted, are dispensed in equal portions, at random and
without selection by the customer.

"Remote retailer" means a retailer that does not maintain
within this State, directly or by a subsidiary, an office,
distribution house, sales house, warehouse or other place of
business, or any agent or other representative operating
within this State under the authority of the retailer or its
subsidiary, irrespective of whether such place of business or
agent is located here permanently or temporarily or whether
such retailer or subsidiary is licensed to do business in this
State.

"Marketplace" means a physical or electronic place, forum,
platform, application, or other method by which a marketplace
seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third party marketplace seller by:

(1) listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Act; and

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

A person who provides advertising services, including listing products for sale, is not considered a marketplace facilitator, so long as the advertising service platform or forum does not engage, directly or indirectly through one or more affiliated persons, in the activities described in paragraph (2) of this definition of "marketplace facilitator".

"Marketplace facilitator" does not include any person licensed under the Auction License Act. This exemption does not apply to any person who is an Internet auction listing service, as defined by the Auction License Act.

"Marketplace seller" means a person that makes sales
through a marketplace operated by an unrelated third party marketplace facilitator.

(35 ILCS 120/1.05 new)

Sec. 1.05. Legislative intent; leases. It is the intent of the General Assembly in enacting this amendatory Act of the 103rd General Assembly to apply the tax imposed under this Act, except as otherwise provided in this Act, to persons engaged in the business of leasing at retail tangible personal property, other than motor vehicles, watercraft, aircraft, and semitrailers, as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State, leased at retail from a retailer, for leases in effect, entered into, or renewed on or after January 1, 2025.

(35 ILCS 120/2) (from Ch. 120, par. 441)

Sec. 2. Tax imposed.

(a) A tax is imposed upon persons engaged in the business of selling at retail, which, on and after January 1, 2025, includes leasing, tangible personal property, including computer software, and including photographs, negatives, and positives that are the product of photoprocessing, but not
including products of photoprocessing produced for use in
motion pictures for public commercial exhibition. Beginning
January 1, 2001, prepaid telephone calling arrangements shall
be considered tangible personal property subject to the tax
imposed under this Act regardless of the form in which those
arrangements may be embodied, transmitted, or fixed by any
method now known or hereafter developed.

The imposition of the tax under this Act on persons
engaged in the business of leasing tangible personal property
applies to leases in effect, entered into, or renewed on or
after January 1, 2025. In the case of leases, except as
otherwise provided in this Act, the lessor must remit, for
each tax return period, only the tax applicable to that part of
the selling price actually received during such tax return
period.

The inclusion of leases in the tax imposed under this Act
by this amendatory Act of the 103rd General Assembly does not,
however, extend to motor vehicles, watercraft, aircraft, and
semitrailers, as defined in Section 1-187 of the Illinois
Vehicle Code, that are required to be registered with an
agency of this State. The taxation of these items shall
continue in effect as prior to the effective date of the
changes made to this Section by this amendatory Act of the
103rd General Assembly (i.e., dealers owe retailers'
occupation tax, lessors owe use tax, and lessees are not
subject to retailers' occupation or use tax).
Sales of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

(b) Beginning on January 1, 2021, a remote retailer is engaged in the occupation of selling at retail in Illinois for purposes of this Act, if:

1. the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois are $100,000 or more; or
2. the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

Remote retailers that meet or exceed the threshold in either paragraph (1) or (2) above shall be liable for all applicable State retailers' and locally imposed retailers' occupation taxes administered by the Department on all retail sales to Illinois purchasers.

The remote retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection for the preceding 12-month period. If the retailer meets the criteria of either
paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and all retailers' occupation tax imposed by local taxing jurisdictions in Illinois, provided such local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the retailer shall determine whether the retailer met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the retailer met the criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If, at the end of a one-year period, a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, then the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

(b-5) For the purposes of this Section, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois
that a remote retailer makes through a marketplace facilitator shall be included for the purposes of determining whether he or she has met the thresholds of subsection (b) of this Section so long as the remote retailer has received certification from the marketplace facilitator that the marketplace facilitator is legally responsible for payment of tax on such sales.

(b-10) A remote retailer required to collect taxes imposed under the Use Tax Act on retail sales made to Illinois purchasers shall be liable to the Department for such taxes, except when the remote retailer is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by this Act in accordance with this Section upon his or her gross receipts from such sales.

(c) Marketplace facilitators engaged in the business of selling at retail tangible personal property in Illinois. Beginning January 1, 2021, a marketplace facilitator is engaged in the occupation of selling at retail tangible personal property in Illinois for purposes of this Act if, during the previous 12-month period:

(1) the cumulative gross receipts from sales of tangible personal property on its own behalf or on behalf of marketplace sellers to purchasers in Illinois equals $100,000 or more; or

(2) the marketplace facilitator enters into 200 or more separate transactions on its own behalf or on behalf of marketplace sellers for the sale of tangible personal
property to purchasers in Illinois, regardless of whether
the marketplace facilitator or marketplace sellers for
whom such sales are facilitated are registered as
retailers in this State.

A marketplace facilitator who meets either paragraph (1)
or (2) of this subsection is required to remit the applicable
State retailers' occupation taxes under this Act and local
retailers' occupation taxes administered by the Department on
all taxable sales of tangible personal property made by the
marketplace facilitator or facilitated for marketplace sellers
to customers in this State. A marketplace facilitator selling
or facilitating the sale of tangible personal property to
customers in this State is subject to all applicable
procedures and requirements of this Act.

The marketplace facilitator shall determine on a quarterly
basis, ending on the last day of March, June, September, and
December, whether he or she meets the criteria of either
paragraph (1) or (2) of this subsection for the preceding
12-month period. If the marketplace facilitator meets the
criteria of either paragraph (1) or (2) for a 12-month period,
he or she is considered a retailer maintaining a place of
business in this State and is required to remit the tax imposed
under this Act and all retailers' occupation tax imposed by
local taxing jurisdictions in Illinois, provided such local
taxes are administered by the Department, and to file all
applicable returns for one year. At the end of that one-year
period, the marketplace facilitator shall determine whether it met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the marketplace facilitator met the criteria in either paragraph (1) or (2) for the preceding 12-month period, it is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If at the end of a one-year period a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

A marketplace facilitator shall be entitled to any credits, deductions, or adjustments to the sales price otherwise provided to the marketplace seller, in addition to any such adjustments provided directly to the marketplace facilitator. This Section pertains to, but is not limited to, adjustments such as discounts, coupons, and rebates. In addition, a marketplace facilitator shall be entitled to the retailers' discount provided in Section 3 of the Retailers' Occupation Tax Act on all marketplace sales, and the
marketplace seller shall not include sales made through a
marketplace facilitator when computing any retailers' discount
on remaining sales. Marketplace facilitators shall report and
remit the applicable State and local retailers' occupation
taxes on sales facilitated for marketplace sellers separately
from any sales or use tax collected on taxable retail sales
made directly by the marketplace facilitator or its
affiliates.

The marketplace facilitator is liable for the remittance
of all applicable State retailers' occupation taxes under this
Act and local retailers' occupation taxes administered by the
Department on sales through the marketplace and is subject to
audit on all such sales. The Department shall not audit
marketplace sellers for their marketplace sales where a
marketplace facilitator remitted the applicable State and
local retailers' occupation taxes unless the marketplace
facilitator seeks relief as a result of incorrect information
provided to the marketplace facilitator by a marketplace
seller as set forth in this Section. The marketplace
facilitator shall not be held liable for tax on any sales made
by a marketplace seller that take place outside of the
marketplace and which are not a part of any agreement between a
marketplace facilitator and a marketplace seller. In addition,
marketplace facilitators shall not be held liable to State and
local governments of Illinois for having charged and remitted
an incorrect amount of State and local retailers' occupation
tax if, at the time of the sale, the tax is computed based on
erroneous data provided by the State in database files on tax
rates, boundaries, or taxing jurisdictions or incorrect
information provided to the marketplace facilitator by the
marketplace seller.

(d) A marketplace facilitator shall:

(1) certify to each marketplace seller that the
marketplace facilitator assumes the rights and duties of a
retailer under this Act with respect to sales made by the
marketplace seller through the marketplace; and

(2) remit taxes imposed by this Act as required by
this Act for sales made through the marketplace.

(e) A marketplace seller shall retain books and records
for all sales made through a marketplace in accordance with
the requirements of this Act.

(f) A marketplace facilitator is subject to audit on all
marketplace sales for which it is considered to be the
retailer, but shall not be liable for tax or subject to audit
on sales made by marketplace sellers outside of the
marketplace.

(g) A marketplace facilitator required to collect taxes
imposed under the Use Tax Act on marketplace sales made to
Illinois purchasers shall be liable to the Department for such
taxes, except when the marketplace facilitator is relieved of
the duty to remit such taxes by virtue of having paid to the
Department taxes imposed by this Act in accordance with this
Section upon his or her gross receipts from such sales.

(h) Nothing in this Section shall allow the Department to collect retailers' occupation taxes from both the marketplace facilitator and marketplace seller on the same transaction.

(i) If, for any reason, the Department is prohibited from enforcing the marketplace facilitator's duty under this Act to remit taxes pursuant to this Section, the duty to remit such taxes remains with the marketplace seller.

(j) Nothing in this Section affects the obligation of any consumer to remit use tax for any taxable transaction for which a certified service provider acting on behalf of a remote retailer or a marketplace facilitator does not collect and remit the appropriate tax.

(k) Nothing in this Section shall allow the Department to collect the retailers' occupation tax from both the marketplace facilitator and the marketplace seller.

Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire

(14) Machinery and equipment that will be used by the purchaser, or a lessee of the purchaser, primarily in the process of manufacturing or assembling tangible personal property for wholesale or retail sale or lease, whether the sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether the sale or lease is made apart from or as an incident to the seller's engaging in the service occupation of producing machines, tools, dies, jigs, patterns, gauges, or other similar items of no commercial value on special order for a particular purchaser. (21) Until July 1, 2028, coal and aggregate exploration, mining, off-highway hauling, processing, maintenance, and reclamation equipment, including
replacement parts and equipment, and including equipment purchased for lease, but excluding motor vehicles required to be registered under the Illinois Vehicle Code. The changes made to this Section by Public Act 97-767 apply on and after July 1, 2003, but no claim for credit or refund is allowed on or after August 16, 2013 (the effective date of Public Act 98-456) for such taxes paid during the period beginning July 1, 2003 and ending on August 16, 2013 (the effective date of Public Act 98-456).

The issuance of the drive-away permit or having the out-of-state registration plates to be transferred is prima facie evidence that the motor vehicle will not be titled in this State.

(25-5) The exemption under item (25) does not apply if the state in which the motor vehicle will be titled does not allow a reciprocal exemption for a motor vehicle sold
and delivered in that state to an Illinois resident but
titled in Illinois. The tax collected under this Act on
the sale of a motor vehicle in this State to a resident of
another state that does not allow a reciprocal exemption
shall be imposed at a rate equal to the state's rate of tax
on taxable property in the state in which the purchaser is
a resident, except that the tax shall not exceed the tax
that would otherwise be imposed under this Act. At the
time of the sale, the purchaser shall execute a statement,
signed under penalty of perjury, of his or her intent to
title the vehicle in the state in which the purchaser is a
resident within 30 days after the sale and of the fact of
the payment to the State of Illinois of tax in an amount
equivalent to the state's rate of tax on taxable property
in his or her state of residence and shall submit the
statement to the appropriate tax collection agency in his
or her state of residence. In addition, the retailer must
retain a signed copy of the statement in his or her
records. Nothing in this item shall be construed to
require the removal of the vehicle from this state
following the filing of an intent to title the vehicle in
the purchaser's state of residence if the purchaser titles
the vehicle in his or her state of residence within 30 days
after the date of sale. The tax collected under this Act in
accordance with this item (25-5) shall be proportionately
distributed as if the tax were collected at the 6.25%
general rate imposed under this Act.

(25-7) Beginning on July 1, 2007, no tax is imposed under this Act on the sale of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, if all of the following conditions are met:

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

(3) the seller retains in his or her books and records and provides to the Department a signed and dated certification from the purchaser, on a form prescribed by the Department, certifying that the requirements of this item (25-7) are met. Data centers that would have qualified for a certificate of exemption prior to January 1, 2020 had Public Act 101-31 been in effect, may apply for and obtain an exemption for subsequent purchases of computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the original investment that would have qualified.

A marketplace seller claiming this exemption shall maintain books and records demonstrating that the use tax on such sales has been collected and remitted by a marketplace facilitator. Marketplace sellers that have properly remitted tax under this Act on such sales may file a claim for credit as provided in Section 6 of this Act. No claim is allowed, however, for such taxes for which a credit or refund has been issued to the marketplace facilitator under the Use Tax Act, or for which the marketplace facilitator has filed a claim for credit or refund under the Use Tax Act.

breast pump valves and membranes; backflow protectors and
backflow protector adaptors; bottles and bottle caps
specific to the operation of the breast pump; and breast
milk storage bags.

"Breast pump collection and storage supplies" does not

(A) it is evidenced by a written agreement signed by the licensor and the customer;

(i) an electronic agreement in which the customer accepts the license by means of an electronic signature that is verifiable and can be authenticated and is attached to or made part of the license will comply with this requirement;

(ii) a license agreement in which the customer electronically accepts the terms by clicking "I agree" does not comply with this requirement;

(B) it restricts the customer's duplication and use of the software;

(C) it prohibits the customer from licensing, sublicensing, or transferring the software to a third party (except to a related party) without the permission and continued control of the licensor;

(D) the licensor has a policy of providing another copy at minimal or no charge if the customer loses or damages the software, or of permitting the licensee to make and keep an
archival copy, and such policy is either stated in
the license agreement, supported by the licensor's
books and records, or supported by a notarized
statement made under penalties of perjury by the
licensor; and

(E) the customer must destroy or return all
copies of the software to the licensor at the end
of the license period; this provision is deemed to
be met, in the case of a perpetual license,
without being set forth in the license agreement;

Sec. 2-10. Rate of tax. Unless otherwise provided in this
Section, the tax imposed by this Act is at the rate of 6.25% of
gross receipts from sales, which, on and after January 1, 2025, includes leases, of tangible personal property made in the course of business.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, and beginning again on August 5, 2022 through August 14, 2022, with respect to sales tax holiday items as defined in Section 2-8 of this Act, the tax is imposed at the rate of 1.25%.

Within 14 days after July 1, 2000 (the effective date of Public Act 91-872), each retailer of motor fuel and gasohol shall cause the following notice to be posted in a prominently visible place on each retail dispensing device that is used to dispense motor fuel or gasohol in the State of Illinois: "As of July 1, 2000, the State of Illinois has eliminated the State's share of sales tax on motor fuel and gasohol through December 31, 2000. The price on this pump should reflect the elimination of the tax." The notice shall be printed in bold print on a sign that is no smaller than 4 inches by 8 inches. The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2000 is guilty of a petty offense for which the fine shall be $500 per day per each retail premises where a violation occurs.
With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the proceeds of sales made after July 1, 2017 and prior to January 1, 2024, (iv) 90% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to mid-range ethanol blends, as defined in Section 3-44.3 of the Use Tax Act, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of mid-range ethanol blends made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the proceeds
of sales made thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act.

Until July 1, 2022 and beginning again on July 1, 2023, with respect to food for human consumption that is to be
consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 1%. Beginning July 1, 2022 and until July 1, 2023, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 0%.

With respect to prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed
bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" does not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not
include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered
dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

Sec. 2-12. Location where retailer is deemed to be engaged in the business of selling. The purpose of this Section is to specify where a retailer is deemed to be engaged in the business of selling tangible personal property for the purposes of this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, and for the purpose of collecting any other local retailers' occupation tax administered by the Department. This Section applies only with respect to the particular selling activities described in the following paragraphs. The provisions of this Section are not intended to, and shall not be interpreted to, affect where a retailer is deemed to be engaged in the business of selling with respect to any activity that is not specifically
(1) If a purchaser who is present at the retailer's place of business, having no prior commitment to the retailer, agrees to purchase and makes payment for tangible personal property at the retailer's place of business, then the transaction shall be deemed an over-the-counter sale occurring at the retailer's same place of business where the purchaser was present and made payment for that tangible personal property if the retailer regularly stocks the purchased tangible personal property or similar tangible personal property in the quantity, or similar quantity, for sale at the retailer's same place of business and then either (i) the purchaser takes possession of the tangible personal property at the same place of business or (ii) the retailer delivers or arranges for the tangible personal property to be delivered to the purchaser.

(2) If a purchaser, having no prior commitment to the retailer, agrees to purchase tangible personal property and makes payment over the phone, in writing, or via the Internet and takes possession of the tangible personal property at the retailer's place of business, then the sale shall be deemed to have occurred at the retailer's place of business where the purchaser takes possession of the property if the retailer regularly stocks the item or similar items in the quantity, or similar quantities,
purchased by the purchaser.

(3) A retailer is deemed to be engaged in the business of selling food, beverages, or other tangible personal property through a vending machine at the location where the vending machine is located at the time the sale is made if (i) the vending machine is a device operated by coin, currency, credit card, token, coupon or similar device; (2) the food, beverage or other tangible personal property is contained within the vending machine and dispensed from the vending machine; and (3) the purchaser takes possession of the purchased food, beverage or other tangible personal property immediately.

(4) Minerals. A producer of coal or other mineral mined in Illinois is deemed to be engaged in the business of selling at the place where the coal or other mineral mined in Illinois is extracted from the earth. With respect to minerals (i) the term "extracted from the earth" means the location at which the coal or other mineral is extracted from the mouth of the mine, and (ii) a "mineral" includes not only coal, but also oil, sand, stone taken from a quarry, gravel and any other thing commonly regarded as a mineral and extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale
in interstate or foreign commerce.

(5) A retailer selling tangible personal property to a nominal lessee or bailee pursuant to a lease with a dollar or other nominal option to purchase is engaged in the business of selling at the location where the property is first delivered to the lessee or bailee for its intended use.

(5.5) Lease transactions. The lease of tangible personal property that is subject to the tax on leases under this amendatory Act of the 103rd General Assembly is sourced as follows:

(i) For a lease that requires recurring periodic payments and for which the property is delivered to the lessee by the lessor, each periodic payment is sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location is not altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(ii) For all other leases, including a lease that does not require recurring periodic payments and any
lease for which the lessee takes possession of the property at the lessor's place of business, the payment is sourced as otherwise provided under this Act for sales at retail other than leases.

(6) Beginning on January 1, 2021, a remote retailer making retail sales of tangible personal property that meet or exceed the thresholds established in paragraph (1) or (2) of subsection (b) of Section 2 of this Act is engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser.

(7) Beginning January 1, 2021, a marketplace facilitator facilitating sales of tangible personal property that meet or exceed one of the thresholds established in paragraph (1) or (2) of subsection (c) of Section 2 of this Act is deemed to be engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser when the sale is made by a marketplace seller on the marketplace facilitator's marketplace.

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. Registration of retailers. It is unlawful for any
person to engage in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a publicly traded corporation, the name and title of the Chief Financial Officer, Chief Operating Officer, and any other officer or employee with responsibility for preparing tax returns under this Act, and, in the case of all other corporations, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the
Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department shall provide by rule for an expedited business registration process for remote retailers required to register and file under subsection (b) of Section 2 who use a certified service provider to file their returns under this Act. Such expedited registration process shall allow the Department to register a taxpayer based upon the same registration information required by the Streamlined Sales Tax Governing Board for states participating in the Streamlined Sales Tax Project.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer on the application for the certificate.
of registration of another retailer that (i) is in default for moneys due under this Act or any other tax or fee Act administered by the Department or (ii) fails to file any return, on or before the due date prescribed for filing that return (including any extensions of time granted by the Department), that the retailer is required to file under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 23 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the
applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required
by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or $50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which
he engages in the business of selling tangible personal
property at retail in this State.

No certificate of registration issued prior to July 1,
2017 to a taxpayer who files returns required by this Act on a
monthly basis or renewed prior to July 1, 2017 by a taxpayer
who files returns required by this Act on a monthly basis shall
be valid after the expiration of 5 years from the date of its
issuance or last renewal. No certificate of registration
issued on or after July 1, 2017 to a taxpayer who files returns
required by this Act on a monthly basis or renewed on or after
July 1, 2017 by a taxpayer who files returns required by this
Act on a monthly basis shall be valid after the expiration of
one year from the date of its issuance or last renewal. The
expiration date of a sub-certificate of registration shall be
that of the certificate of registration to which the
sub-certificate relates. Prior to July 1, 2017, a certificate
of registration shall automatically be renewed, subject to
revocation as provided by this Act, for an additional 5 years
from the date of its expiration unless otherwise notified by
the Department as provided by this paragraph. On and after
July 1, 2017, a certificate of registration shall
automatically be renewed, subject to revocation as provided by
this Act, for an additional one year from the date of its
expiration unless otherwise notified by the Department as
provided by this paragraph.

Where a taxpayer to whom a certificate of registration is
issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 60 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount
as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before January 1, 1990 (the effective date of Public Act 86-383) shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after January 1, 1990 (the effective date of Public Act 86-383). A certificate of registration issued less than 5 years before January 1, 1990 (the effective date of Public Act
86-383) shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department,
to request an additional sub-certificate or additional
sub-certificates of registration, as applicable. With each
such request, the applicant shall report the number of
sub-certificates of registration he or she is requesting as
well as the total number of vending machines from which he or
she makes retail sales.

Where the same person engages in 2 or more businesses of
selling tangible personal property at retail in this State,
which businesses are substantially different in character or
engaged in under different trade names or engaged in under
other substantially dissimilar circumstances (so that it is
more practicable, from an accounting, auditing or bookkeeping
standpoint, for such businesses to be separately registered),
the Department may require or permit such person (subject to
the same requirements concerning the furnishing of security as
those that are provided for hereinbefore in this Section as to
each application for a certificate of registration) to apply
for and obtain a separate certificate of registration for each
such business or for any of such businesses, under a single
certificate of registration supplemented by related
sub-certificates of registration.

Any person who is registered under the Retailers'
Occupation Tax Act as of March 8, 1963, and who, during the
3-year period immediately prior to March 8, 1963, or during a
continuous 3-year period part of which passed immediately
before and the remainder of which passes immediately after
March 8, 1963, has been so registered continuously and who is
determined by the Department not to have been either
delinquent or deficient in the payment of tax liability during
that period under this Act or under any other State tax law or
municipal or county tax ordinance or resolution under which
the certificate of registration that is issued to the
registrant under this Act will permit the registrant to engage
in business without registering separately under such other
law, ordinance or resolution, shall be considered to be a
Prior Continuous Compliance taxpayer. Also any taxpayer who
has, as verified by the Department, faithfully and
continuously complied with the condition of his bond or other
security under the provisions of this Act for a period of 3
consecutive years shall be considered to be a Prior Continuous
Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt
from all requirements under this Act concerning the furnishing
of a bond or other security as a condition precedent to his
being authorized to engage in the business of selling tangible
personal property at retail in this State. This exemption
shall continue for each such taxpayer until such time as he may
be determined by the Department to be delinquent in the filing
of any returns, or is determined by the Department (either
through the Department's issuance of a final assessment which
has become final under the Act, or by the taxpayer's filing of
a return which admits tax that is not paid to be due) to be
delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department
under this Section may, within 20 days after notice of such
decision, protest and request a hearing, whereupon the
Department shall give notice to such person of the time and
place fixed for such hearing and shall hold a hearing in
conformity with the provisions of this Act and then issue its
final administrative decision in the matter to such person. In
the absence of such a protest within 20 days, the Department's
decision shall become final without any further determination
being made or notice given.

With respect to security other than bonds (upon which the
Department may sue in the event of a forfeiture), if the
taxpayer fails to pay, when due, any amount whose payment such
security guarantees, the Department shall, after such
liability is admitted by the taxpayer or established by the
Department through the issuance of a final assessment that has
become final under the law, convert the security which that
taxpayer has furnished into money for the State, after first
giving the taxpayer at least 10 days' written notice, by
registered or certified mail, to pay the liability or forfeit
such security to the Department. If the security consists of
stocks or bonds or other securities which are listed on a
public exchange, the Department shall sell such securities
through such public exchange. If the security consists of an
irrevocable bank letter of credit, the Department shall
convert the security in the manner provided for in the Uniform
Commercial Code. If the security consists of a bank
certificate of deposit, the Department shall convert the
security into money by demanding and collecting the amount of
such bank certificate of deposit from the bank which issued
such certificate. If the security consists of a type of stocks
or other securities which are not listed on a public exchange,
the Department shall sell such security to the highest and
best bidder after giving at least 10 days' notice of the date,
time and place of the intended sale by publication in the
"State Official Newspaper". If the Department realizes more
than the amount of such liability from the security, plus the
expenses incurred by the Department in converting the security
into money, the Department shall pay such excess to the
taxpayer who furnished such security, and the balance shall be
paid into the State Treasury.

The Department shall discharge any surety and shall
release and return any security deposited, assigned, pledged
or otherwise provided to it by a taxpayer under this Section
within 30 days after:

(1) such taxpayer becomes a Prior Continuous
Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on
which he is required to remit tax to the Department, has
filed a final tax return, and has paid to the Department an
amount sufficient to discharge his remaining tax
liability, as determined by the Department, under this Act
and under every other State tax law or municipal or county
tax ordinance or resolution under which the certificate of
registration issued under this Act permits the registrant
to engage in business without registering separately under
such other law, ordinance or resolution. The Department
shall make a final determination of the taxpayer's
outstanding tax liability as expeditiously as possible
after his final tax return has been filed; if the
Department cannot make such final determination within 45
days after receiving the final tax return, within such
period it shall so notify the taxpayer, stating its
reasons therefor.

Sec. 2c. Resales of tangible personal property. If the
purchaser is not registered with the Department as a taxpayer,
but claims to be a reseller of the tangible personal property
in such a way that such resales are not taxable under this Act
or under some other tax law which the Department may
administer, such purchaser (except in the case of an
out-of-State purchaser who will always resell and deliver the
property to his customers outside Illinois) shall apply to the
Department for a resale number. Such applicant shall state
facts which will show the Department why such applicant is not
liable for tax under this Act or under some other tax law which
the Department may administer on any of his resales and shall
furnish such additional information as the Department may reasonably require.

Upon approval of the application, the Department shall assign a resale number to the applicant and shall certify such number to him. The Department may cancel any such number which is obtained through misrepresentation, or which is used to make a purchase tax-free when the purchase in fact is not a purchase for resale, or which no longer applies because of the purchaser's having discontinued the making of tax exempt resales of the property.

The Department may restrict the use of the number to one year at a time or to some other definite period if the Department finds it impracticable or otherwise inadvisable to issue such numbers for indefinite periods.

Except as provided hereinabove in this Section, a sale shall be made tax-free on the ground of being a sale for resale if the purchaser has an active registration number or resale number from the Department and furnishes that number to the seller in connection with certifying to the seller that any sale to such purchaser is nontaxable because of being a sale for resale. On and after January 1, 2025, a sale to a lessor of tangible personal property who is subject to the tax on leases implemented by this amendatory Act of the 103rd General Assembly, for the purpose of leasing that property, shall be made tax-free on the ground of being a sale for resale, provided the other provisions of this paragraph are met.
Failure to present an active registration number or resale number and a certification to the seller that a sale is for resale creates a presumption that a sale is not for resale. This presumption may be rebutted by other evidence that all of the seller's sales are sale for resale, or that a particular sale is a sale for resale.

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be
due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a
A retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each
of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax
payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed;
the purchaser's tax registration number; and such other
information reasonably required by the Department. A
distributor, importing distributor, or manufacturer of
alcoholic liquor must personally deliver, mail, or provide by
electronic means to each retailer listed on the monthly
statement a report containing a cumulative total of that
distributor's, importing distributor's, or manufacturer's
total sales of alcoholic liquor to that retailer no later than
the 10th day of the month for the preceding month during which
the transaction occurred. The distributor, importing
distributor, or manufacturer shall notify the retailer as to
the method by which the distributor, importing distributor, or
manufacturer will provide the sales information. If the
retailer is unable to receive the sales information by
electronic means, the distributor, importing distributor, or
manufacturer shall furnish the sales information by personal
delivery or by mail. For purposes of this paragraph, the term
"electronic means" includes, but is not limited to, the use of
a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or
creditable, such amount shall be disregarded if it is less
than 50 cents and shall be increased to $1 if it is 50 cents or
more.

Notwithstanding any other provision of this Act to the
contrary, retailers subject to tax on cannabis shall file all
cannabis tax returns and shall make all cannabis tax payments
by electronic means in the manner and form required by the
Department.

Beginning October 1, 1993, a taxpayer who has an average
monthly tax liability of $150,000 or more shall make all
payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 1994, a taxpayer who has
an average monthly tax liability of $100,000 or more shall
make all payments required by rules of the Department by
electronic funds transfer. Beginning October 1, 1995, a
taxpayer who has an average monthly tax liability of $50,000
or more shall make all payments required by rules of the
Department by electronic funds transfer. Beginning October 1,
2000, a taxpayer who has an annual tax liability of $200,000 or
more shall make all payments required by rules of the
Department by electronic funds transfer. The term "annual tax
liability" shall be the sum of the taxpayer's liabilities
under this Act, and under all other State and local occupation
and use tax laws administered by the Department, for the
immediately preceding calendar year. The term "average monthly
tax liability" shall be the sum of the taxpayer's liabilities
under this Act, and under all other State and local occupation
and use tax laws administered by the Department, for the
immediately preceding calendar year divided by 12. Beginning
on October 1, 2002, a taxpayer who has a tax liability in the
amount set forth in subsection (b) of Section 2505-210 of the
Department of Revenue Law shall make all payments required by
Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may
authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations
under this Act, such person may not file each return that is
due as a single return covering all such registered
businesses, but shall file separate returns for each such
registered business.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with
an agency of this State, except as otherwise provided in this
Section, every retailer selling this kind of tangible personal
property shall file, with the Department, upon a form to be
prescribed and supplied by the Department, a separate return
for each such item of tangible personal property which the
retailer sells, except that if, in the same transaction, (i) a
retailer of aircraft, watercraft, motor vehicles or trailers
transfers more than one aircraft, watercraft, motor vehicle or
trailer to another aircraft, watercraft, motor vehicle retailer or
trailer retailer for the purpose of resale or
(ii) a retailer of aircraft, watercraft, motor vehicles, or
trailers transfers more than one aircraft, watercraft, motor
vehicle, or trailer to a purchaser for use as a qualifying
rolling stock as provided in Section 2-5 of this Act, then that
seller may report the transfer of all aircraft, watercraft,
motor vehicles or trailers involved in that transaction to
the Department on the same uniform invoice-transaction
reporting return form. For purposes of this Section,
"watercraft" means a Class 2, Class 3, or Class 4 watercraft as
defined in Section 3-2 of the Boat Registration and Safety
Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.
The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer
for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit
satisfactory evidence that the sale is not taxable if that is
the case), to the Department or its agents, whereupon the
Department shall issue, in the purchaser's name, a use tax
receipt (or a certificate of exemption if the Department is
satisfied that the particular sale is tax exempt) which such
purchaser may submit to the agency with which, or State
officer with whom, he must title or register the tangible
personal property that is involved (if titling or registration
is required) in support of such purchaser's application for an
Illinois certificate or other evidence of title or
registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this
Act precludes a user, who has paid the proper tax to the
retailer, from obtaining his certificate of title or other
evidence of title or registration (if titling or registration
is required) upon satisfying the Department that such user has
paid the proper tax (if tax is due) to the retailer. The
Department shall adopt appropriate rules to carry out the
mandate of this paragraph.

If the user who would otherwise pay tax to the retailer
wants the transaction reporting return filed and the payment
of the tax or proof of exemption made to the Department before
the retailer is willing to take these actions and such user has
not paid the tax to the retailer, such user may certify to the
fact of such delay by the retailer and may (upon the Department
being satisfied of the truth of such certification) transmit
the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent
of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. On and after January 1, 2021, a certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid
on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average
monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete
calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status.

On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not
likely to be long term. Quarter monthly payment status shall be
determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is
to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments
previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the
taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of
the taxpayer's actual liability for the month or 25% of the
taxpayer's liability for the same calendar month of the
preceding year. The amount of the quarter monthly payments
shall be credited against the final tax liability of the
taxpayer's return for that month filed under this Section or
Section 2f, as the case may be. Once applicable, the
requirement of the making of quarter monthly payments to the
Department pursuant to this paragraph shall continue until the
taxpayer's average monthly prepaid tax collections during the
preceding 4 complete calendar quarters (excluding the month of
highest liability and the month of lowest liability) is less
than $19,000 or until such taxpayer's average monthly
liability to the Department as computed for each calendar
quarter of the 4 preceding complete calendar quarters is less
than $20,000. If any such quarter monthly payment is not paid
at the time or in the amount required, the taxpayer shall be
liable for penalties and interest on such difference, except
insofar as the taxpayer has previously made payments for that
month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the
taxpayer's liabilities under this Act, the Use Tax Act, the
Service Occupation Tax Act, and the Service Use Tax Act, as
shown on an original monthly return, the Department shall, if
requested by the taxpayer, issue to the taxpayer a credit
memorandum no later than 30 days after the date of payment. The
credit evidenced by such credit memorandum may be assigned by
the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall
pay into the County and Mass Transit District Fund, a special
fund in the State treasury which is hereby created, 4% of the
net revenue realized for the preceding month from the 6.25%
general rate other than aviation fuel sold on or after
December 1, 2019. This exception for aviation fuel only
applies for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall
pay into the County and Mass Transit District Fund 20% of the
net revenue realized for the preceding month from the 1.25%
rate on the selling price of motor fuel and gasohol. If, in any
month, the tax on sales tax holiday items, as defined in
Section 2-8, is imposed at the rate of 1.25%, then the
Department shall pay 20% of the net revenue realized for that
month from the 1.25% rate on the selling price of sales tax
holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall
pay into the Local Government Tax Fund 16% of the net revenue
realized for the preceding month from the 6.25% general rate
on the selling price of tangible personal property other than
aviation fuel sold on or after December 1, 2019. This
exception for aviation fuel only applies for so long as the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each
month the Department shall pay into the State Aviation Program
Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.
Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service
Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount
on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited
into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund.
Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, and the
Illinois Tax Increment Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a
public-private agreement between the public agency and private

As used in this paragraph, "civic build", "private entity",
"public-private agreement", and "public agency" have the

Beginning July 1, 2021 and until July 1, 2022, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the County and Mass Transit District Fund, the Local
Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2023 and until July 1, 2024, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the
McCormick Place Expansion Project Fund, the Illinois Tax
Increment Fund, and the Tax Compliance and Administration Fund
as provided in this Section, the Department shall pay each
month into the Road Fund the amount estimated to represent 80%
of the net revenue realized from the taxes imposed on motor
fuel and gasohol. As used in this paragraph "motor fuel" has
the meaning given to that term in Section 1.1 of the Motor Fuel
Tax Law, and "gasohol" has the meaning given to that term in
Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department
pursuant to this Act, 75% thereof shall be paid into the State
treasury and 25% shall be reserved in a special account and
used only for the transfer to the Common School Fund as part of
the monthly transfer from the General Revenue Fund in
accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a
taxpayer, require the taxpayer to prepare and file with the
Department on a form prescribed by the Department within not
less than 60 days after receipt of the notice an annual
information return for the tax year specified in the notice.
Such annual return to the Department shall include a statement
of gross receipts as shown by the retailer's last federal
income tax return. If the total receipts of the
business as reported in the federal income tax return
do not agree with the gross receipts reported to the
Department of Revenue for the same period, the retailer shall
attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.
The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may
assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient
Merchant Act of 1987, may be required to make a daily report of
the amount of such sales to the Department and to make a daily
payment of the full amount of tax due. The Department shall
impose this requirement when it finds that there is a
significant risk of loss of revenue to the State at such an
exhibition or event. Such a finding shall be based on evidence
that a substantial number of concessionaires or other sellers
who are not residents of Illinois will be engaging in the
business of selling tangible personal property at retail at
the exhibition or event, or other evidence of a significant
risk of loss of revenue to the State. The Department shall
notify concessionaires and other sellers affected by the
imposition of this requirement. In the absence of notification
by the Department, the concessionaires and other sellers shall
file their returns as otherwise required in this Section.

Section 75-25. The Innovation Development and Economy Act
is amended by changing Section 31 as follows:

(50 ILCS 470/31)

Sec. 31. STAR bond occupation taxes.
(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.
The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax
revenue is dedicated, then aviation fuel is excluded from the
tax. The municipality must comply with the certification
requirements for airport-related purposes under Section 2-22
of the Retailers' Occupation Tax Act. For purposes of this
Act, "airport-related purposes" has the meaning ascribed in
Section 6z-20.2 of the State Finance Act. Beginning January 1,
2021, this tax is not imposed on sales of aviation fuel for so
long as the revenue use requirements of 49 U.S.C. 47107(b) and
49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil
penalties that may be assessed as an incident thereof shall be
collected and enforced by the Department of Revenue. The
certificate of registration that is issued by the Department
to a retailer under the Retailers' Occupation Tax Act shall
permit the retailer to engage in a business that is taxable
under any ordinance or resolution enacted pursuant to this
subsection without registering separately with the Department
under such ordinance or resolution or under this subsection.
The Department of Revenue shall have full power to administer
and enforce this subsection, to collect all taxes and
penalties due under this subsection in the manner hereinafter
provided, and to determine all rights to credit memoranda
arising on account of the erroneous payment of tax or penalty
under this subsection. In the administration of, and
compliance with, this subsection, the Department and persons
who are subject to this subsection shall have the same rights,
remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of
the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or
resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use
requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be
made under this Section to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the order to be drawn for the
amount specified and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the STAR Bond Retailers' Occupation Tax Fund
or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the
Department shall immediately pay over to the State Treasurer,
ex officio, as trustee, all taxes, penalties, and interest
collected under this Section for deposit into the STAR Bond
Retailers' Occupation Tax Fund. Taxes and penalties collected
on aviation fuel sold on or after December 1, 2019, shall be
immediately paid over by the Department to the State
Treasurer, ex officio, as trustee, for deposit into the Local
Government Aviation Trust Fund. The Department shall only pay
moneys into the Local Government Aviation Trust Fund under
this Section for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District. On or before the 25th day of each calendar month, the
Department shall prepare and certify to the Comptroller the
disbursement of stated sums of money to named political
subdivisions from the STAR Bond Retailers' Occupation Tax
Fund, the political subdivisions to be those from which
retailers have paid taxes or penalties under this Section to
the Department during the second preceding calendar month. The
amount to be paid to each political subdivision shall be the
amount (not including credit memoranda and not including taxes
and penalties collected on aviation fuel sold on or after
December 1, 2019) collected under this Section during the
second preceding calendar month by the Department plus an
amount the Department determines is necessary to offset any
amounts that were erroneously paid to a different taxing body,
and not including an amount equal to the amount of refunds made
during the second preceding calendar month by the Department,
less 3% of that amount, which shall be deposited into the Tax
Compliance and Administration Fund and shall be used by the
Department, subject to appropriation, to cover the costs of
the Department in administering and enforcing the provisions
of this Section, on behalf of such political subdivision, and
not including any amount that the Department determines is
necessary to offset any amounts that were payable to a
different taxing body but were erroneously paid to the
political subdivision. Within 10 days after receipt by the
Comptroller of the disbursement certification to the political
subdivisions provided for in this Section to be given to the
Comptroller by the Department, the Comptroller shall cause the
orders to be drawn for the respective amounts in accordance
with the directions contained in the certification. The
proceeds of the tax paid to political subdivisions under this
Section shall be deposited into either (i) the STAR Bonds Tax
Allocation Fund by the political subdivision if the political
subdivision has designated them as pledged STAR revenues by
resolution or ordinance or (ii) the political subdivision's
general corporate fund if the political subdivision has not
designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the
tax under this Section or effecting a change in the rate
thereof shall either (i) be adopted and a certified copy
thereof filed with the Department on or before the first day of
April, whereupon the Department, if all other requirements of
this Section are met, shall proceed to administer and enforce
this Section as of the first day of July next following the
adoption and filing; or (ii) be adopted and a certified copy
thereof filed with the Department on or before the first day of
October, whereupon, if all other requirements of this Section
are met, the Department shall proceed to administer and
enforce this Section as of the first day of January next
following the adoption and filing.

The Department of Revenue shall not administer or enforce
an ordinance imposing, discontinuing, or changing the rate of
the tax under this Section until the political subdivision
also provides, in the manner prescribed by the Department, the
boundaries of the STAR bond district and each address in the
STAR bond district in such a way that the Department can
determine by its address whether a business is located in the
STAR bond district. The political subdivision must provide
this boundary and address information to the Department on or
before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this
Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with
the Department in the form and manner as described in this Section.

Section 75-30. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1007, and 5-1008.5 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)
Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then
aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a
business that is taxable under any ordinance or resolution
enacted pursuant to this Section without registering
separately with the Department under such ordinance or
resolution or under this Section. The Department shall have
full power to administer and enforce this Section; to collect
all taxes and penalties due hereunder; to dispose of taxes and
penalties so collected in the manner hereinafter provided; and
to determine all rights to credit memoranda arising on account
of the erroneous payment of tax or penalty hereunder. In the
administration of, and compliance with, this Section, the
Department and persons who are subject to this Section shall
have the same rights, remedies, privileges, immunities, powers
and duties, and be subject to the same conditions,
restrictions, limitations, penalties and definitions of terms,
and employ the same modes of procedure, as are prescribed in
Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through
2-65 (in respect to all provisions therein other than the
State rate of tax), 3 (except as to the disposition of taxes
and penalties collected, and except that the retailer's
discount is not allowed for taxes paid on aviation fuel that
are subject to the revenue use requirements of 49 U.S.C.
47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f,

and 13 of the Retailers' Occupation Tax Act and Section 3-7 of
the Uniform Penalty and Interest Act, as fully as if those
provisions were set forth herein.
No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio.
officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body,
and not including an amount equal to the amount of refunds made
during the second preceding calendar month by the Department
on behalf of such county, and not including any amount which
the Department determines is necessary to offset any amounts
which were payable to a different taxing body but were
erroneously paid to the county, and not including any amounts
that are transferred to the STAR Bonds Revenue Fund, less 1.5%
of the remainder, which the Department shall transfer into the
Tax Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the counties, shall
prepare and certify to the State Comptroller the amount to be
transferred into the Tax Compliance and Administration Fund
under this Section. Within 10 days after receipt, by the
Comptroller, of the disbursement certification to the counties
and the Tax Compliance and Administration Fund provided for in
this Section to be given to the Comptroller by the Department,
the Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with the directions contained
in the certification.

In addition to the disbursement required by the preceding
paragraph, an allocation shall be made in March of each year to
each county that received more than $500,000 in disbursements
under the preceding paragraph in the preceding calendar year.
The allocation shall be in an amount equal to the average
monthly distribution made to each such county under the
preceding paragraph during the preceding calendar year
(excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the
first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.
When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in this Section), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the
question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:
"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."
For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset
provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:
"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."
For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

(4) The proposition for mental health purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote
of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

(5) The proposition for substance abuse purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."
The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this
amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in
this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed
schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the
certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of
tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act, and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification
from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020,
shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding
calendar month by the Department plus an amount the Department
determines is necessary to offset any amounts that were
erroneously paid to a different taxing body, and not including
(i) an amount equal to the amount of refunds made during the
second preceding calendar month by the Department on behalf of
the county, (ii) any amount that the Department determines is
necessary to offset any amounts that were payable to a
different taxing body but were erroneously paid to the county,
(iii) any amounts that are transferred to the STAR Bonds
Revenue Fund, and (iv) 1.5% of the remainder, which shall be
transferred into the Tax Compliance and Administration Fund.
The Department, at the time of each monthly disbursement to
the counties, shall prepare and certify to the State
Comptroller the amount to be transferred into the Tax
Compliance and Administration Fund under this subsection.
Within 10 days after receipt by the Comptroller of the
disbursement certification to the counties and the Tax
Compliance and Administration Fund provided for in this
Section to be given to the Comptroller by the Department, the
Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with directions contained in
the certification.

In addition to the disbursement required by the preceding
paragraph, an allocation shall be made in March of each year to
each county that received more than $500,000 in disbursements
under the preceding paragraph in the preceding calendar year.
The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the
county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of November next following the filing.
following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(g-5) Every county authorized to levy a tax under this Section shall, before it levies such tax, establish a 7-member mental health board, which shall have the same powers and duties and be constituted in the same manner as a community mental health board established under the Community Mental Health Act. Proceeds of the tax under this Section that are earmarked for mental health or substance abuse purposes shall be deposited into a special county occupation tax fund for mental health and substance abuse. The 7-member mental health board established under this subsection shall administer the special county occupation tax fund for mental health and substance abuse in the same manner as the community mental health board administers the community mental health fund under the Community Mental Health Act.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, Mental
Health, Substance Abuse, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124), with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 only to the extent necessary to apply the
existing rules for the Special County Retailers' Occupation
Tax for Public Safety to this new purpose for public
facilities.

Sec. 5-1006.7. School facility and resources occupation
taxes.
(a) In any county, a tax shall be imposed upon all persons
engaged in the business of selling tangible personal property,
other than personal property titled or registered with an
agency of this State's government, at retail in the county on
the gross receipts from the sales made in the course of
business to provide revenue to be used exclusively for (i)
school facility purposes (except as otherwise provided in this
Section), (ii) school resource officers and mental health
professionals, or (iii) school facility purposes, school
resource officers, and mental health professionals if a
proposition for the tax has been submitted to the electors of
that county and approved by a majority of those voting on the
question as provided in subsection (c). The tax under this
Section shall be imposed only in one-quarter percent
increments and may not exceed 1%.
This additional tax may not be imposed on tangible
personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this
subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to
collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service.

This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be
collected and enforced by the Department and deposited into a
special fund created for that purpose. The Department has full
power to administer and enforce this subsection, to collect
all taxes and penalties due under this subsection, to dispose
of taxes and penalties so collected in the manner provided in
this subsection, and to determine all rights to credit
memoranda arising on account of the erroneous payment of a tax
or penalty under this subsection.

In the administration of and compliance with this
subsection, the Department and persons who are subject to this
subsection shall (i) have the same rights, remedies,
privileges, immunities, powers and duties, (ii) be subject to
the same conditions, restrictions, limitations, penalties and
definition of terms, and (iii) employ the same modes of
procedure as are set forth in Sections 2 (except that that
reference to State in the definition of supplier maintaining a
place of business in this State means the county), 2a through
2d, 3 through 3-50 (in respect to all provisions contained in
those Sections other than the State rate of tax), 4 (except
that the reference to the State shall be to the county), 5, 7,
8 (except that the jurisdiction to which the tax is a debt to
the extent indicated in that Section 8 is the county), 9
(except as to the disposition of taxes and penalties
collected, and except that the retailer's discount is not
allowed for taxes paid on aviation fuel that are subject to the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133), 10, 11, 12 (except the reference therein to Section 2b
of the Retailers' Occupation Tax Act), 13 (except that any
reference to the State means the county), 15, 16, 17, 18, 19,
and 20 of the Service Occupation Tax Act and all provisions of
the Uniform Penalty and Interest Act, as fully as if those
provisions were set forth herein.

Persons subject to any tax imposed under the authority
granted in this subsection may reimburse themselves for their
serviceman's tax liability by separately stating the tax as an
additional charge, which may be stated in combination, in a
single amount, with State tax that servicemen are authorized
to collect under the Service Use Tax Act, pursuant to any
bracketed schedules set forth by the Department.

(b-5) If, on January 1, 2025, a unit of local government
has in effect a tax under this Section, or if, after January 1,
2025, a unit of local government imposes a tax under this
Section, then that tax applies to leases of tangible personal
property in effect, entered into, or renewed on or after that
date in the same manner as the tax under this Section and in
accordance with the changes made by this amendatory Act of the
103rd General Assembly.

(c) The tax under this Section may not be imposed until the
question of imposing the tax has been submitted to the
electors of the county at a regular election and approved by a
majority of the electors voting on the question. For all
regular elections held prior to August 23, 2011 (the effective
date of Public Act 97-542), upon a resolution by the county
board or a resolution by school district boards that represent
at least 51% of the student enrollment within the county, the
county board must certify the question to the proper election
authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011
(the effective date of Public Act 97-542), the election
authority must submit the question in substantially the
following form:

Shall (name of county) be authorized to impose a
retailers' occupation tax and a service occupation tax
(commonly referred to as a "sales tax") at a rate of
(insert rate) to be used exclusively for school facility
purposes?

The election authority must record the votes as "Yes" or
"No".

If a majority of the electors voting on the question vote
in the affirmative, then the county may, thereafter, impose
the tax.

For all regular elections held on or after August 23, 2011
(the effective date of Public Act 97-542), the regional
superintendent of schools for the county must, upon receipt of
a resolution or resolutions of school district boards that
represent more than 50% of the student enrollment within the
county, certify the question to the proper election authority
for submission to the electors of the county at the next
For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), the election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For all regular elections held on or after August 23, 2019 (the effective date of Public Act 101-455), the election authority must submit the question as follows:

(1) If the referendum is to expand the use of revenues from a currently imposed tax exclusively for school facility purposes to include school resource officers and mental health professionals, the question shall be in substantially the following form:

In addition to school facility purposes, shall
(name of county) school districts be authorized to use revenues from the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at a rate of (insert rate) for school resource officers and mental health professionals?

(2) If the referendum is to increase the rate of a tax currently imposed exclusively for school facility purposes at less than 1% and dedicate the additional revenues for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at the rate of (insert rate) be increased to a rate of (insert rate) with the additional revenues used exclusively for school resource officers and mental health professionals?

(3) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

(4) If the referendum is to impose a tax in a county
that has not previously imposed a tax under this Section exclusively for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school resource officers and mental health professionals?

(5) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, school resource officers, and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes, school resource officers, and mental health professionals?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For the purposes of this subsection (c), "enrollment"
means the head count of the students residing in the county on
the last school day of September of each year, which must be
reported on the Illinois State Board of Education Public
School Fall Enrollment/Housing Report.

(d) Except as otherwise provided, the Department shall
immediately pay over to the State Treasurer, ex officio, as
trustee, all taxes and penalties collected under this Section
to be deposited into the School Facility Occupation Tax Fund,
which shall be an unappropriated trust fund held outside the
State treasury. Taxes and penalties collected on aviation fuel
sold on or after December 1, 2019 and through December 31,
2020, shall be immediately paid over by the Department to the
State Treasurer, ex officio, as trustee, for deposit into the
Local Government Aviation Trust Fund. The Department shall
only pay moneys into the Local Government Aviation Trust Fund
under this Section for so long as the revenue use requirements
of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
county.

On or before the 25th day of each calendar month, the
Department shall prepare and certify to the Comptroller the
disbursement of stated sums of money to the regional
superintendents of schools in counties from which retailers or
servicemen have paid taxes or penalties to the Department
during the second preceding calendar month. The amount to be
paid to each regional superintendent of schools and disbursed
to him or her in accordance with Section 3-14.31 of the School
Code, is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), of which 50% shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, and 50% shall be distributed to the regional superintendent of schools to cover the costs in administering and enforcing the provisions of this Section; (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within
the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(e) For the purposes of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This subsection does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(f) Nothing in this Section may be construed to authorize
a tax to be imposed upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-10). If, however, a school board issues bonds that are secured by the
proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this
Section must be certified by the election authority, and any
ordinance that increases or lowers the rate or discontinues
the tax must be certified by the county clerk and, in each
case, filed with the Illinois Department of Revenue either (i)
on or before the first day of May, whereupon the Department
shall proceed to administer and enforce the tax or change in
the rate as of the first day of July next following the filing;
or (ii) on or before the first day of October, whereupon the
Department shall proceed to administer and enforce the tax or
change in the rate as of the first day of January next
following the filing.

(h) For purposes of this Section, "school facility
purposes" means (i) the acquisition, development,
construction, reconstruction, rehabilitation, improvement,
financing, architectural planning, and installation of capital
facilities consisting of buildings, structures, and durable
equipment and for the acquisition and improvement of real
property and interest in real property required, or expected
to be required, in connection with the capital facilities and
(ii) the payment of bonds or other obligations heretofore or
hereafter issued, including bonds or other obligations
heretofore or hereafter issued to refund or to continue to
refund bonds or other obligations issued, for school facility
purposes, provided that the taxes levied to pay those bonds
are abated by the amount of the taxes imposed under this
Section that are used to pay those bonds. "School facility
purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate)) (discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(h-10) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or
after August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility and resources retailers' occupation tax and service occupation tax (commonly referred to as the school facility and resources sales tax) currently imposed in [name of county] at a rate of [insert rate] be [reduced to [insert rate]] or [discontinued]?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(i) This Section does not apply to Cook County.

(j) This Section may be cited as the County School Facility and Resources Occupation Tax Law.

(55 ILCS 5/5-1007) (from Ch. 34, par. 5-1007)
Sec. 5-1007. Home Rule County Service Occupation Tax Law.
The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers’ Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General
Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of
tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd
Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government
Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are
transferred to the STAR Bonds Revenue Fund, less 1.5% of the
remainder, which the Department shall transfer into the Tax
Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the counties, shall
prepare and certify to the State Comptroller the amount to be
transferred into the Tax Compliance and Administration Fund
under this Section. Within 10 days after receipt, by the
Comptroller, of the disbursement certification to the counties
and the Tax Compliance and Administration Fund provided for in
this Section to be given to the Comptroller by the Department,
the Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with the directions contained
in such certification.

In addition to the disbursement required by the preceding
paragraph, an allocation shall be made in each year to each
county which received more than $500,000 in disbursements
under the preceding paragraph in the preceding calendar year.
The allocation shall be in an amount equal to the average
monthly distribution made to each such county under the
preceding paragraph during the preceding calendar year
(excluding the 2 months of highest receipts). The distribution
made in March of each year subsequent to the year in which an
allocation was made pursuant to this paragraph and the
preceding paragraph shall be reduced by the amount allocated
and disbursed under this paragraph in the preceding calendar
year. The Department shall prepare and certify to the
Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998,
an ordinance or resolution imposing or discontinuing the tax
hereunder or effecting a change in the rate thereof shall
either (i) be adopted and a certified copy thereof filed with
the Department on or before the first day of April, whereupon
the Department shall proceed to administer and enforce this
Section as of the first day of July next following the adoption
and filing; or (ii) be adopted and a certified copy thereof
filed with the Department on or before the first day of
October, whereupon the Department shall proceed to administer
and enforce this Section as of the first day of January next
following the adoption and filing.

This Section shall be known and may be cited as the Home
Rule County Service Occupation Tax Law.

Sec. 5-1008.5. Use and occupation taxes.
(a) The Rock Island County Board may adopt a resolution
that authorizes a referendum on the question of whether the
county shall be authorized to impose a retailers' occupation
tax, a service occupation tax, and a use tax at a rate of 1/4
of 1% on behalf of the economic development activities of Rock
Island County and communities located within the county. The
county board shall certify the question to the proper election
authorities who shall submit the question to the voters of the
county at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

    Shall Rock Island County be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of 1/4 of 1% for the sole purpose of economic development activities, including creation and retention of job opportunities, support of affordable housing opportunities, and enhancement of quality of life improvements?

Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the county is authorized to impose the tax.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for
airport-related purposes under Section 2-22 of the Retailers'
Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not
allowed for taxes paid on aviation fuel that are subject to the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6,
6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers'
Occupation Tax Act and Section 3-7 of the Uniform Penalty and
Interest Act, as fully as if those provisions were set forth in
this subsection.

Persons subject to any tax imposed under this subsection
may reimburse themselves for their seller's tax liability by
separately stating the tax as an additional charge, which
charge may be stated in combination, in a single amount, with
State taxes that sellers are required to collect, in
accordance with bracket schedules prescribed by the
Department.

Whenever the Department determines that a refund should be
made under this subsection to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the warrant to be drawn for the
amount specified, and to the person named, in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the tax fund referenced under paragraph (g)
of this Section or the Local Government Aviation Trust Fund,
as appropriate.

If a tax is imposed under this subsection (b), a tax shall
also be imposed at the same rate under subsections (c) and (d)
of this Section.
For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply
with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due under this Section; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4
(except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State
Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county, any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling
or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due under this Section; to dispose of taxes, penalties, and interest so collected in the manner provided in this Section; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Section. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the
definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax
imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) Except as otherwise provided in paragraph (g-2), the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order
to be drawn for payment for the amount in accordance with the
directions contained in the certification. Amounts received
from the tax imposed under this Section shall be used only for
the economic development activities of the county and
communities located within the county.

(g-2) Taxes and penalties collected on aviation fuel sold
on or after December 1, 2019, shall be immediately paid over by
the Department to the State Treasurer, ex officio, as trustee,
for deposit into the Local Government Aviation Trust Fund. The
Department shall only pay moneys into the Local Government
Aviation Trust Fund under this Section for so long as the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133 are binding on the county.

(h) When certifying the amount of a monthly disbursement
to the county under this Section, the Department shall
increase or decrease the amounts by an amount necessary to
offset any miscalculation of previous disbursements. The
offset amount shall be the amount erroneously disbursed within
the previous 6 months from the time a miscalculation is
discovered.

and Occupation Tax Law.

Section 75-35. The Illinois Municipal Code is amended by
changing Sections 8-11-1, 8-11-1.3, 8-11-1.4, 8-11-1.6, 8-11-1.7, and 11-74.3-6 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)
Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation
fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms,
and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that
tax as an additional charge, which charge may be stated in
combination, in a single amount, with State tax which sellers
are required to collect under the Use Tax Act, pursuant to such
bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be
made under this Section to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the order to be drawn for the
amount specified and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the home rule municipal retailers' occupation
tax fund or the Local Government Aviation Trust Fund, as
appropriate.

Except as otherwise provided in this paragraph, the
Department shall immediately pay over to the State Treasurer,
ex officio, as trustee, all taxes and penalties collected
hereunder for deposit into the Home Rule Municipal Retailers'
Occupation Tax Fund. Taxes and penalties collected on aviation
fuel sold on or after December 1, 2019, shall be immediately
paid over by the Department to the State Treasurer, ex
officio, as trustee, for deposit into the Local Government
Aviation Trust Fund. The Department shall only pay moneys into
the Local Government Aviation Trust Fund under this Section
for so long as the revenue use requirements of 49 U.S.C.
47107(b) and 49 U.S.C. 47133 are binding on the State.

As soon as possible after the first day of each month,
beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid
to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to
the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the
place where the coal or other mineral mined in Illinois is 
extracted from the earth. This paragraph does not apply to 
coal or other mineral when it is delivered or shipped by the 
seller to the purchaser at a point outside Illinois so that the 
sale is exempt under the United States Constitution as a sale 
in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a 
municipality to impose a tax upon the privilege of engaging in 
any business which under the Constitution of the United States 
may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax 
hereunder or effecting a change in the rate thereof shall be 
adopted and a certified copy thereof filed with the Department 
on or before the first day of June, whereupon the Department 
shall proceed to administer and enforce this Section as of the 
first day of September next following the adoption and filing. 
Beginning January 1, 1992, an ordinance or resolution imposing 
or discontinuing the tax hereunder or effecting a change in 
the rate thereof shall be adopted and a certified copy thereof 
filed with the Department on or before the first day of July, 
whereupon the Department shall proceed to administer and 
enforce this Section as of the first day of October next 
following such adoption and filing. Beginning January 1, 1993, 
an ordinance or resolution imposing or discontinuing the tax 
hereunder or effecting a change in the rate thereof shall be 
adopted and a certified copy thereof filed with the Department
on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount
shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135; and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers'
Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the gross receipts from such sales made in the course of such business. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057), the corporate authorities of a non-home rule municipality may, until July 1, 2030, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements
for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms,
and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating
such tax as an additional charge, which charge may be stated in
combination, in a single amount, with State tax which sellers
are required to collect under the Use Tax Act, pursuant to such
bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be
made under this Section to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the order to be drawn for the
amount specified, and to the person named, in such
notification from the Department. Such refund shall be paid by
the State Treasurer out of the non-home rule municipal
retailers' occupation tax fund or the Local Government
Aviation Trust Fund, as appropriate.

Except as otherwise provided, the Department shall
forthwith pay over to the State Treasurer, ex officio, as
trustee, all taxes and penalties collected hereunder for
deposit into the Non-Home Rule Municipal Retailers' Occupation
Tax Fund. Taxes and penalties collected on aviation fuel sold
on or after December 1, 2019, shall be immediately paid over by
the Department to the State Treasurer, ex officio, as trustee,
for deposit into the Local Government Aviation Trust Fund. The
Department shall only pay moneys into the Local Government
Aviation Trust Fund under this Section for so long as the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133 are binding on the municipality.

As soon as possible after the first day of each month,
beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously
paid to the municipality, and not including any amounts that
are transferred to the STAR Bonds Revenue Fund, less 1.5% of
the remainder, which the Department shall transfer into the
Tax Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the municipalities, shall
prepare and certify to the State Comptroller the amount to be
transferred into the Tax Compliance and Administration Fund
under this Section. Within 10 days after receipt, by the
Comptroller, of the disbursement certification to the
municipalities and the Tax Compliance and Administration Fund
provided for in this Section to be given to the Comptroller by
the Department, the Comptroller shall cause the orders to be
drawn for the respective amounts in accordance with the
directions contained in such certification.

For the purpose of determining the local governmental unit
whose tax is applicable, a retail sale, by a producer of coal
or other mineral mined in Illinois, is a sale at retail at the
place where the coal or other mineral mined in Illinois is
extracted from the earth. This paragraph does not apply to
coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the
sale is exempt under the Federal Constitution as a sale in
interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a
municipality to impose a tax upon the privilege of engaging in
any business which under the constitution of the United States
may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" mean a city, village, or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the Non-Home Rule Municipal Retailers' Occupation Tax Act.

Sec. 8-11-1.4. Non-Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the selling
price of all tangible personal property transferred by such
servicemen either in the form of tangible personal property or
in the form of real estate as an incident to a sale of service.
If the tax is approved by referendum on or after July 14, 2010
(the effective date of Public Act 96-1057), the corporate
authorities of a non-home rule municipality may, until
December 31, 2030, use the proceeds of the tax for expenditure
on municipal operations, in addition to or in lieu of any
expenditure on public infrastructure or for property tax
relief. The tax imposed may not be more than 1% and may be
imposed only in 1/4% increments. The tax may not be imposed on
tangible personal property taxed at the 1% rate under the
Service Occupation Tax Act (or at the 0% rate imposed under
this amendatory Act of the 102nd General Assembly). Beginning
December 1, 2019, this tax is not imposed on sales of aviation
fuel unless the tax revenue is expended for airport-related
purposes. If a municipality does not have an airport-related
purpose to which it dedicates aviation fuel tax revenue, then
aviation fuel is excluded from the tax. Each municipality must
comply with the certification requirements for airport-related
purposes under Section 2-22 of the Retailers' Occupation Tax
Act. For purposes of this Section, "airport-related purposes"
has the meaning ascribed in Section 6z-20.2 of the State
Finance Act. This exclusion for aviation fuel only applies for
so long as the revenue use requirements of 49 U.S.C. 47107(b)
and 49 U.S.C. 47133 are binding on the municipality. The tax
imposed by a municipality pursuant to this Section and all
civil penalties that may be assessed as an incident thereof
shall be collected and enforced by the State Department of
Revenue. The certificate of registration which is issued by
the Department to a retailer under the Retailers' Occupation
Tax Act or under the Service Occupation Tax Act shall permit
such registrant to engage in a business which is taxable under
any ordinance or resolution enacted pursuant to this Section
without registering separately with the Department under such
ordinance or resolution or under this Section. The Department
shall have full power to administer and enforce this Section;
to collect all taxes and penalties due hereunder; to dispose
of taxes and penalties so collected in the manner hereinafter
provided, and to determine all rights to credit memoranda
arising on account of the erroneous payment of tax or penalty
hereunder. In the administration of, and compliance with, this
Section the Department and persons who are subject to this
Section shall have the same rights, remedies, privileges,
immunities, powers and duties, and be subject to the same
conditions, restrictions, limitations, penalties and
definitions of terms, and employ the same modes of procedure,
as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in
respect to all provisions therein other than the State rate of
tax), 4 (except that the reference to the State shall be to the
taxing municipality), 5, 7, 8 (except that the jurisdiction to
which the tax shall be a debt to the extent indicated in that
Section 8 shall be the taxing municipality), 9 (except as to
the disposition of taxes and penalties collected, and except
that the returned merchandise credit for this municipal tax
may not be taken against any State tax, and except that the
retailer's discount is not allowed for taxes paid on aviation
fuel that are subject to the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the
reference therein to Section 2b of the Retailers' Occupation
Tax Act), 13 (except that any reference to the State shall mean
the taxing municipality), the first paragraph of Section 15,
16, 17, 18, 19 and 20 of the Service Occupation Tax Act and
Section 3-7 of the Uniform Penalty and Interest Act, as fully
as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless
the municipality also imposes a tax at the same rate under
Section 8-11-1.3 of this Code.

If, on January 1, 2025, a unit of local government has in
effect a tax under this Section, or if, after January 1, 2025,
a unit of local government imposes a tax under this Section,
then that tax applies to leases of tangible personal property
in effect, entered into, or renewed on or after that date in
the same manner as the tax under this Section and in accordance
with the changes made by this amendatory Act of the 103rd
General Assembly.

Persons subject to any tax imposed pursuant to the
authority granted in this Section may reimburse themselves for
their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the municipal retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax
Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the municipalities, shall
prepare and certify to the State Comptroller the amount to be
transferred into the Tax Compliance and Administration Fund
under this Section. Within 10 days after receipt, by the
Comptroller, of the disbursement certification to the
municipalities, the General Revenue Fund, and the Tax
Compliance and Administration Fund provided for in this
Section to be given to the Comptroller by the Department, the
Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with the directions contained
in such certification.

The Department of Revenue shall implement Public Act
91-649 so as to collect the tax on and after January 1, 2002.

Nothing in this Section shall be construed to authorize a
municipality to impose a tax upon the privilege of engaging in
any business which under the constitution of the United States
may not be made the subject of taxation by this State.

As used in this Section, "municipal" or "municipality"
means or refers to a city, village or incorporated town,
including an incorporated town which has superseded a civil
township.

This Section shall be known and may be cited as the
"Non-Home Rule Municipal Service Occupation Tax Act".

Sec. 8-11-1.6. Non-home rule municipal retailers' occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax
Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. If imposed, the tax shall only be imposed in .25% increments of the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights
to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in
the same manner as the tax under this Section and in accordance
with the changes made by this amendatory Act of the 103rd
General Assembly.

Persons subject to any tax imposed under the authority
granted in this Section may reimburse themselves for their
seller's tax liability hereunder by separately stating the tax
as an additional charge, which charge may be stated in
combination, in a single amount, with State tax which sellers
are required to collect under the Use Tax Act, pursuant to such
bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be
made under this Section to a claimant, instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the order to be drawn for the
amount specified, and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Non-Home Rule Municipal Retailers'
Occupation Tax Fund, which is hereby created or the Local
Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the
Department shall forthwith pay over to the State Treasurer, ex
officio, as trustee, all taxes and penalties collected
hereunder for deposit into the Non-Home Rule Municipal
Retailers' Occupation Tax Fund. Taxes and penalties collected
on aviation fuel sold on or after December 1, 2019, shall be
immediately paid over by the Department to the State
Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is
necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to
coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the
sale is exempt under the federal Constitution as a sale in
interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a
municipality to impose a tax upon the privilege of engaging in
any business which under the constitution of the United States
may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a
municipality under this Section, the Department shall increase
or decrease the amount by an amount necessary to offset any
misallocation of previous disbursements. The offset amount
shall be the amount erroneously disbursed within the previous
6 months from the time a misallocation is discovered.

As used in this Section, "municipal" and "municipality"
means a city, village, or incorporated town, including an
incorporated town that has superseded a civil township.

Sec. 8-11-1.7. Non-home rule municipal service occupation
tax; municipalities between 20,000 and 25,000. The corporate
authorities of a non-home rule municipality with a population
of more than 20,000 but less than 25,000 as determined by the
last preceding decennial census that has, prior to January 1,
1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the municipality in the business of making sales of service. If imposed, the tax shall only be imposed in .25% increments of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements
of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
municipality. The tax imposed by a municipality under this
Section and all civil penalties that may be assessed as an
incident thereof shall be collected and enforced by the State
Department of Revenue. An ordinance imposing a tax hereunder
or effecting a change in the rate thereof shall be adopted and
a certified copy thereof filed with the Department on or
before the first day of October, whereupon the Department
shall proceed to administer and enforce this Section as of the
first day of January next following such adoption and filing.
The certificate of registration that is issued by the
Department to a retailer under the Retailers' Occupation Tax
Act or under the Service Occupation Tax Act shall permit the
registrant to engage in a business that is taxable under any
ordinance or resolution enacted under this Section without
registering separately with the Department under the ordinance
or resolution or under this Section. The Department shall have
full power to administer and enforce this Section, to collect
all taxes and penalties due hereunder, to dispose of taxes and
penalties so collected in a manner hereinafter provided, and
to determine all rights to credit memoranda arising on account
of the erroneous payment of tax or penalty hereunder. In the
administration of and compliance with this Section, the
Department and persons who are subject to this Section shall
have the same rights, remedies, privileges, immunities,
powers, and duties, and be subject to the same conditions,
restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12, (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Sections 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.6 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section,
then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Person subject to any tax imposed under the authority granted in this Section may reimburse themselves for their servicemen's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, under such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal
Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and
penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities, the Tax Compliance and Administration Fund, and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.
Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel
operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from
the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be
subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification.
from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund,
on or before the 25th day of each calendar month, the
Department shall prepare and certify to the Comptroller the
disbursement of stated sums of money to named municipalities
from the business district retailers' occupation tax fund, the
municipalities to be those from which retailers have paid
taxes or penalties under this subsection to the Department
during the second preceding calendar month. The amount to be
paid to each municipality shall be the amount (not including
credit memoranda and not including taxes and penalties
collected on aviation fuel sold on or after December 1, 2019)
collected under this subsection during the second preceding
calendar month by the Department plus an amount the Department
determines is necessary to offset any amounts that were
erroneously paid to a different taxing body, and not including
an amount equal to the amount of refunds made during the second
preceding calendar month by the Department, less 2% of that
amount (except the amount collected on aviation fuel sold on
or after December 1, 2019), which shall be deposited into the
Tax Compliance and Administration Fund and shall be used by
the Department, subject to appropriation, to cover the costs
of the Department in administering and enforcing the
provisions of this subsection, on behalf of such municipality,
and not including any amount that the Department determines is
necessary to offset any amounts that were payable to a
different taxing body but were erroneously paid to the
municipality, and not including any amounts that are
transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the
boundaries of the business district and each address in the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless
if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an
incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under
the Service Occupation Tax Act shall permit such registrant to
engage in a business which is taxable under any ordinance or
resolution enacted pursuant to this subsection without
registering separately with the Department under such
ordinance or resolution or under this subsection. The
Department of Revenue shall have full power to administer and
enforce this subsection; to collect all taxes and penalties
due under this subsection; to dispose of taxes and penalties
so collected in the manner hereinafter provided; and to
determine all rights to credit memoranda arising on account of
the erroneous payment of tax or penalty under this subsection.
In the administration of, and compliance with this subsection,
the Department and persons who are subject to this subsection
shall have the same rights, remedies, privileges, immunities,
powers and duties, and be subject to the same conditions,
restrictions, limitations, penalties, exclusions, exemptions,
and definitions of terms and employ the same modes of
procedure as are prescribed in Sections 2, 2a through 2d, 3
through 3-50 (in respect to all provisions therein other than
the State rate of tax), 4 (except that the reference to the
State shall be to the business district), 5, 7, 8 (except that
the jurisdiction to which the tax shall be a debt to the extent
indicated in that Section 8 shall be the municipality), 9
(except as to the disposition of taxes and penalties
collected, and except that the returned merchandise credit for
this tax may not be taken against any State tax, and except
that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust
Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities
from the business district retailers' occupation tax fund, the
municipalities to be those from which suppliers and servicemen
have paid taxes or penalties under this subsection to the
Department during the second preceding calendar month. The
amount to be paid to each municipality shall be the amount (not
including credit memoranda and not including taxes and
penalties collected on aviation fuel sold on or after December
1, 2019) collected under this subsection during the second
preceding calendar month by the Department, less 2% of that
amount (except the amount collected on aviation fuel sold on
or after December 1, 2019), which shall be deposited into the
Tax Compliance and Administration Fund and shall be used by
the Department, subject to appropriation, to cover the costs
of the Department in administering and enforcing the
provisions of this subsection, and not including an amount
equal to the amount of refunds made during the second
preceding calendar month by the Department on behalf of such
municipality, and not including any amounts that are
transferred to the STAR Bonds Revenue Fund. Within 10 days
after receipt, by the Comptroller, of the disbursement
certification to the municipalities, provided for in this
subsection to be given to the Comptroller by the Department,
the Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with the directions contained
in such certification. The proceeds of the tax paid to
municipalities under this subsection shall be deposited into
the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this
subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of
engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.
The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United
States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business
district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a
period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such
obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the
ordinance has been adopted, in a newspaper having a general
circulation within the municipality. The publication of the
ordinance shall be accompanied by a notice of (i) the specific
number of voters required to sign a petition requesting the
question of the issuance of the obligations or pledging such
ad valorem taxes to be submitted to the electors; (ii) the time
within which the petition must be filed; and (iii) the date of
the prospective referendum. The municipal clerk shall provide
a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as
hereinafter provided in this Section, within 21 days after the
publication of the ordinance, the ordinance shall be in
effect. However, if within that 21-day period a petition is
filed with the municipal clerk, signed by electors numbering
not less than 15% of the number of electors voting for the
mayor or president at the last general municipal election,
asking that the question of issuing obligations using full
faith and credit of the municipality as security for the cost
of paying or reimbursing business district project costs, or
of pledging such ad valorem taxes for the payment of those
obligations, or both, be submitted to the electors of the
municipality, the municipality shall not be authorized to
issue obligations of the municipality using the full faith and
credit of the municipality as security or pledging such ad
valorem taxes for the payment of those obligations, or both,
until the proposition has been submitted to and approved by a
majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited
in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last maturity of the refunding obligations shall not be expressed to mature later than the dissolution date.

In the event a municipality issues obligations under home rule powers or other legislative authority, the proceeds of which are pledged to pay or reimburse business district project costs, the municipality may, if it has followed the procedures in conformance with this Law, retire those obligations from funds in the business district tax allocation fund in amounts and in such manner as if those obligations had been issued pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as indebtedness of the municipality issuing those obligations or any other taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for
deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and retirement of all obligations paying or reimbursing business district project costs, but in no event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Section 75-40. The Civic Center Code is amended by changing Section 245-12 as follows:

(70 ILCS 200/245-12)

Sec. 245-12. Use and occupation taxes.

(a) The Authority may adopt a resolution that authorizes a referendum on the question of whether the Authority shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax in one-quarter percent increments at a rate not to exceed 1%. The Authority shall certify the question to the proper election authorities who shall submit the question to the voters of the metropolitan area at the next regularly scheduled election in accordance with the general election law. The question shall be in
substantially the following form:

"Shall the Salem Civic Center Authority be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of (rate) for the sole purpose of obtaining funds for the support, construction, maintenance, or financing of a facility of the Authority?"

Votes shall be recorded as "yes" or "no".

If a majority of all votes cast on the proposition are in favor of the proposition, the Authority is authorized to impose the tax.

(b) The Authority shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan area, at the rate approved by referendum, on the gross receipts from the sales made in the course of such business within the metropolitan area. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not
imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions therein other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11,
11a, 12, and 13 of the Retailers' Occupation Tax Act and
Section 3-7 of the Uniform Penalty and Interest Act, as fully
as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection
may reimburse themselves for their seller's tax liability by
separately stating the tax as an additional charge, which
charge may be stated in combination, in a single amount, with
State taxes that sellers are required to collect, in
accordance with such bracket schedules as the Department may
prescribe.

Whenever the Department determines that a refund should be
made under this subsection to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the warrant to be drawn for the
amount specified, and to the person named, in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the tax fund referenced under paragraph (g)
of this Section or the Local Government Aviation Trust Fund,
as appropriate.

If a tax is imposed under this subsection (b), a tax shall
also be imposed at the same rate under subsections (c) and (d)
of this Section.

For the purpose of determining whether a tax authorized
under this Section is applicable, a retail sale, by a producer
of coal or other mineral mined in Illinois, is a sale at retail
at the place where the coal or other mineral mined in Illinois
is extracted from the earth. This paragraph does not apply to
coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the
sale is exempt under the Federal Constitution as a sale in
interstate or foreign commerce.

Nothing in this Section shall be construed to authorize
the Authority to impose a tax upon the privilege of engaging in
any business which under the Constitution of the United States
may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a
service occupation tax shall also be imposed at the same rate
upon all persons engaged, in the metropolitan area, in the
business of making sales of service, who, as an incident to
making those sales of service, transfer tangible personal
property within the metropolitan area as an incident to a sale
of service. The tax imposed under this subsection and all
civil penalties that may be assessed as an incident thereof
shall be collected and enforced by the Department of Revenue.

Beginning December 1, 2019 and through December 31, 2020,
this tax is not imposed on sales of aviation fuel unless the
tax revenue is expended for airport-related purposes. If the
Authority does not have an airport-related purpose to which it
dedicates aviation fuel tax revenue, then aviation fuel is
excluded from the tax. The Authority must comply with the
certification requirements for airport-related purposes under
Section 2-22 of the Retailers' Occupation Tax Act. Beginning
January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the metropolitan area), 2a, 2b, 3 through 3-55 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and
except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.
Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the metropolitan area, any item of tangible personal property that is purchased outside the metropolitan area at retail from a retailer, and that is titled or registered at a location within the metropolitan area with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be
issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section
3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of April. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of
tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before the first day of April. After proper receipt of such certifications, the Department shall proceed to administer and enforce this Section as of the first day of July next following such adoption and filing.

(g) Except as otherwise provided, the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the Authority. The taxes and penalties shall be held in a trust fund outside the State Treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the Authority, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019.
Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the Authority, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the support, construction, maintenance, or financing of a facility of the Authority.

(h) When certifying the amount of a monthly disbursement to the Authority under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(i) This Section may be cited as the Salem Civic Center Use and Occupation Tax Law.

Section 75-45. The Flood Prevention District Act is amended by changing Section 25 as follows:

(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists
regarding levee repair or flood prevention, and upon an
ordinance confirming the determination adopted by the
affirmative vote of a majority of the members of the county
board of the county in which the district is situated, the
county may impose a flood prevention retailers' occupation tax
upon all persons engaged in the business of selling tangible
personal property at retail within the territory of the
district to provide revenue to pay the costs of providing
emergency levee repair and flood prevention and to secure the
payment of bonds, notes, and other evidences of indebtedness
issued under this Act for a period not to exceed 25 years or as
required to repay the bonds, notes, and other evidences of
indebtedness issued under this Act. The tax rate shall be
0.25% of the gross receipts from all taxable sales made in the
course of that business. Beginning December 1, 2019 and
through December 31, 2020, this tax is not imposed on sales of
aviation fuel unless the tax revenue is expended for
airport-related purposes. If the District does not have an
airport-related purpose to which it dedicates aviation fuel
tax revenue, then aviation fuel is excluded from the tax. The
County must comply with the certification requirements for
airport-related purposes under Section 2-22 of the Retailers'
Occupation Tax Act. The tax imposed under this Section and all
civil penalties that may be assessed as an incident thereof
shall be collected and enforced by the State Department of
Revenue. The Department shall have full power to administer
and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act.
as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness. The tax rate shall be 0.25% of the selling price of all tangible personal property transferred. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for
airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The County must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of
procedure as are set forth in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be
imposed on personal property titled or registered with an agency of the State or on personal property taxed at the 1% rate under the Retailers' Occupation Tax Act and the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly).

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) Except as otherwise provided, the Department shall
immediately pay over to the State Treasurer, ex officio, as
trustee, all taxes and penalties collected under this Section
to be deposited into the Flood Prevention Occupation Tax Fund,
which shall be an unappropriated trust fund held outside the
State treasury. Taxes and penalties collected on aviation fuel
sold on or after December 1, 2019 and through December 31,
2020, shall be immediately paid over by the Department to the
State Treasurer, ex officio, as trustee, for deposit into the
Local Government Aviation Trust Fund. The Department shall
only pay moneys into the Local Government Aviation Trust Fund
under this Act for so long as the revenue use requirements of
49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District.

On or before the 25th day of each calendar month, the
Department shall prepare and certify to the Comptroller the
disbursement of stated sums of money to the counties from
which retailers or servicemen have paid taxes or penalties to
the Department during the second preceding calendar month. The
amount to be paid to each county is equal to the amount (not
including credit memoranda and not including taxes and
penalties collected on aviation fuel sold on or after December
1, 2019 and through December 31, 2020) collected from the
county under this Section during the second preceding calendar
month by the Department, (i) less 2% of that amount (except the
amount collected on aviation fuel sold on or after December 1,
2019 and through December 31, 2020), which shall be deposited
into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the
Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this

Section 75-50. The Metro-East Park and Recreation District Act is amended by changing Section 30 as follows:

(70 ILCS 1605/30)

Sec. 30. Taxes.

(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates
aviation fuel tax revenue, then aviation fuel shall be
excluded from tax. The board must comply with the
certification requirements for airport-related purposes under
Section 2-22 of the Retailers' Occupation Tax Act. For
purposes of this Act, "airport-related purposes" has the
meaning ascribed in Section 6z-20.2 of the State Finance Act.
Beginning January 1, 2021, this tax is not imposed on sales of
aviation fuel for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District. The tax imposed by the Board under this Section and
all civil penalties that may be assessed as an incident of the
tax shall be collected and enforced by the Department of
Revenue. The certificate of registration that is issued by the
Department to a retailer under the Retailers' Occupation Tax
Act shall permit the retailer to engage in a business that is
taxable without registering separately with the Department
under an ordinance or resolution under this Section. The
Department has full power to administer and enforce this
Section, to collect all taxes and penalties due under this
Section, to dispose of taxes and penalties so collected in the
manner provided in this Section, and to determine all rights
to credit memoranda arising on account of the erroneous
payment of a tax or penalty under this Section. In the
administration of and compliance with this Section, the
Department and persons who are subject to this Section shall
(i) have the same rights, remedies, privileges, immunities,
powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the
amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax may not be imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use
requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are
binding on the District. The tax imposed under this subsection
and all civil penalties that may be assessed as an incident
thereof shall be collected and enforced by the Department of
Revenue. The Department has full power to administer and
enforce this subsection; to collect all taxes and penalties
due hereunder; to dispose of taxes and penalties so collected
in the manner hereinafter provided; and to determine all
rights to credit memoranda arising on account of the erroneous
payment of tax or penalty hereunder. In the administration of,
and compliance with this subsection, the Department and
persons who are subject to this paragraph shall (i) have the
same rights, remedies, privileges, immunities, powers, and
duties, (ii) be subject to the same conditions, restrictions,
limitations, penalties, exclusions, exemptions, and
definitions of terms, and (iii) employ the same modes of
procedure as are prescribed in Sections 2 (except that the
reference to State in the definition of supplier maintaining a
place of business in this State shall mean the District), 2a,
2b, 2c, 3 through 3-50 (in respect to all provisions therein
other than the State rate of tax), 4 (except that the reference
to the State shall be to the District), 5, 7, 8 (except that
the jurisdiction to which the tax shall be a debt to the extent
indicated in that Section 8 shall be the District), 9 (except
as to the disposition of taxes and penalties collected, and
except that the retailer's discount is not allowed for taxes
paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize
the board to impose a tax upon the privilege of engaging in any
business which under the Constitution of the United States may
not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government
has in effect a tax under this Section, or if, after January 1,
2025, a unit of local government imposes a tax under this
Section, then that tax applies to leases of tangible personal
property in effect, entered into, or renewed on or after that
date in the same manner as the tax under this Section and in
accordance with the changes made by this amendatory Act of the
103rd General Assembly.

(c) Except as otherwise provided in this paragraph, the
Department shall immediately pay over to the State Treasurer,
ex officio, as trustee, all taxes and penalties collected
under this Section to be deposited into the State Metro-East
Park and Recreation District Fund, which shall be an
unappropriated trust fund held outside of the State treasury.
Taxes and penalties collected on aviation fuel sold on or
after December 1, 2019 and through December 31, 2020, shall be
immediately paid over by the Department to the State
Treasurer, ex officio, as trustee, for deposit into the Local
Government Aviation Trust Fund. The Department shall only pay
moneys into the Local Government Aviation Trust Fund under
this Act for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District.
As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including
(i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside
Illinois so that the sale is exempt under the United States
Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to
authorize the board to impose a tax upon the privilege of
engaging in any business that under the Constitution of the
United States may not be made the subject of taxation by this
State.

(f) An ordinance imposing a tax under this Section or an
ordinance extending the imposition of a tax to an additional
county or counties shall be certified by the board and filed
with the Department of Revenue either (i) on or before the
first day of April, whereupon the Department shall proceed to
administer and enforce the tax as of the first day of July next
following the filing; or (ii) on or before the first day of
October, whereupon the Department shall proceed to administer
and enforce the tax as of the first day of January next
following the filing.

(g) When certifying the amount of a monthly disbursement
to the District under this Section, the Department shall
increase or decrease the amounts by an amount necessary to
offset any misallocation of previous disbursements. The offset
amount shall be the amount erroneously disbursed within the
previous 6 months from the time a misallocation is discovered.

Section 75-55. The Local Mass Transit District Act is amended by changing Section 5.01 as follows:

(70 ILCS 3610/5.01) (from Ch. 111 2/3, par. 355.01)
Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. Except as otherwise provided, all taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under
subsection (d-5) of this Section, of the gross receipts from
the sales made in the course of such business within the
district, except that the rate of tax imposed under this
Section on sales of aviation fuel on or after December 1, 2019
shall be 0.25% in Madison County unless the Metro-East Mass
Transit District in Madison County has an "airport-related
purpose" and any additional amount authorized under subsection
(d-5) is expended for airport-related purposes. If there is no
airport-related purpose to which aviation fuel tax revenue is
dedicated, then aviation fuel is excluded from any additional
amount authorized under subsection (d-5). The rate in St.
Clair County shall be 0.25% unless the Metro-East Mass Transit
District in St. Clair County has an "airport-related purpose"
and the additional 0.50% of the 0.75% tax on aviation fuel
imposed in that County is expended for airport-related
purposes. If there is no airport-related purpose to which
aviation fuel tax revenue is dedicated, then aviation fuel is
excluded from the additional 0.50% of the 0.75% tax.

The Board must comply with the certification requirements
for airport-related purposes under Section 2-22 of the
Retailers' Occupation Tax Act. For purposes of this Section,
"airport-related purposes" has the meaning ascribed in Section
6z-20.2 of the State Finance Act. This exclusion for aviation
fuel only applies for so long as the revenue use requirements
of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District.
The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may
reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.
No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district, except that the rate of tax imposed in these Counties under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related
purpose to which aviation fuel tax revenue is dedicated, then
aviation fuel is excluded from any additional amount
authorized under subsection (d-5). The rate in St. Clair
County shall be 0.25% unless the Metro-East Mass Transit
District in St. Clair County has an "airport-related purpose"
and the additional 0.50% of the 0.75% tax on aviation fuel is
expended for airport-related purposes. If there is no
airport-related purpose to which aviation fuel tax revenue is
dedicated, then aviation fuel is excluded from the additional
0.50% of the 0.75% tax.

The Board must comply with the certification requirements
for airport-related purposes under Section 2-22 of the
Retailers' Occupation Tax Act. For purposes of this Section,
"airport-related purposes" has the meaning ascribed in Section
6z-20.2 of the State Finance Act. This exclusion for aviation
fuel only applies for so long as the revenue use requirements
of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the
District.

The tax imposed under this paragraph and all civil
penalties that may be assessed as an incident thereof shall be
collected and enforced by the State Department of Revenue. The
Department shall have full power to administer and enforce
this paragraph; to collect all taxes and penalties due
hereunder; to dispose of taxes and penalties so collected in
the manner hereinafter provided; and to determine all rights
to credit memoranda arising on account of the erroneous
payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth
Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman’s tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at
retail from a retailer, and that is titled or registered with
an agency of this State's government, at a rate of 1/4%, or as
authorized under subsection (d-5) of this Section, of the
selling price of the tangible personal property within the
District, as "selling price" is defined in the Use Tax Act. The
tax shall be collected from persons whose Illinois address for
titling or registration purposes is given as being in the
District. The tax shall be collected by the Department of
Revenue for the Metro East Mass Transit District. The tax must
be paid to the State, or an exemption determination must be
obtained from the Department of Revenue, before the title or
certificate of registration for the property may be issued.
The tax or proof of exemption may be transmitted to the
Department by way of the State agency with which, or the State
officer with whom, the tangible personal property must be
titled or registered if the Department and the State agency or
State officer determine that this procedure will expedite the
processing of applications for title or registration.

The Department shall have full power to administer and
enforce this paragraph; to collect all taxes, penalties and
interest due hereunder; to dispose of taxes, penalties and
interest so collected in the manner hereinafter provided; and
to determine all rights to credit memoranda or refunds arising
on account of the erroneous payment of tax, penalty or
interest hereunder. In the administration of, and compliance
with, this paragraph, the Department and persons who are
subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

(d-1) If, on January 1, 2025, a unit of local government has in effect a tax under subsections (b), (c), and (d) or if, after January 1, 2025, a unit of local government imposes a tax
under subsections (b), (c), and (d), then that tax applies to
leases of tangible personal property in effect, entered into,
or renewed on or after that date in the same manner as the tax
under this Section and in accordance with the changes made by
this amendatory Act of the 103rd General Assembly.

(d-5) (A) The county board of any county participating in
the Metro East Mass Transit District may authorize, by
ordinance, a referendum on the question of whether the tax
rates for the Metro East Mass Transit District Retailers'
Occupation Tax, the Metro East Mass Transit District Service
Occupation Tax, and the Metro East Mass Transit District Use
Tax for the District should be increased from 0.25% to 0.75%.
Upon adopting the ordinance, the county board shall certify
the proposition to the proper election officials who shall
submit the proposition to the voters of the District at the
next election, in accordance with the general election law.

The proposition shall be in substantially the following
form:

    Shall the tax rates for the Metro East Mass Transit
    District Retailers' Occupation Tax, the Metro East Mass
    Transit District Service Occupation Tax, and the Metro
    East Mass Transit District Use Tax be increased from 0.25% to 0.75%?

(B) Two thousand five hundred electors of any Metro East
Mass Transit District may petition the Chief Judge of the
Circuit Court, or any judge of that Circuit designated by the
Chief Judge, in which that District is located to cause to be submitted to a vote of the electors the question whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%.

Upon submission of such petition the court shall set a date not less than 10 nor more than 30 days thereafter for a hearing on the sufficiency thereof. Notice of the filing of such petition and of such date shall be given in writing to the District and the County Clerk at least 7 days before the date of such hearing.

If such petition is found sufficient, the court shall enter an order to submit that proposition at the next election, in accordance with general election law.

The form of the petition shall be in substantially the following form: To the Circuit Court of the County of (name of county):

We, the undersigned electors of the (name of transit district), respectfully petition your honor to submit to a vote of the electors of (name of transit district) the following proposition:

to 0.75%?

.......................... .................................

.......................... .................................

(C) The votes shall be recorded as "YES" or "NO". If a majority of all votes cast on the proposition are for the increase in the tax rates, the Metro East Mass Transit District shall begin imposing the increased rates in the District, and the Department of Revenue shall begin collecting the increased amounts, as provided under this Section. An ordinance imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing, or on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(D) If the voters have approved a referendum under this subsection, before November 1, 1994, to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance at any time before January 1, 1995 that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The
ordinance excluding titled or registered tangible personal property from the rate increase must be filed with the Department at least 15 days before its effective date. At any time after adopting an ordinance excluding from the rate increase tangible personal property that is titled or registered with an agency of this State's government, the Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government. After July 1, 2004, if the voters have approved a referendum under this subsection to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance that excludes from the rate increase
tangible personal property that is titled or registered with
an agency of this State's government. The ordinance excluding
titled or registered tangible personal property from the rate
increase shall be adopted, and a certified copy of that
ordinance shall be filed with the Department on or before
October 1, whereupon the Department shall administer and
enforce this exclusion from the rate increase as of the
following January 1, or on or before April 1, whereupon the
Department shall administer and enforce this exclusion from
the rate increase as of the following July 1. The Board of
Trustees of any Metro East Mass Transit District may never
reimpose a previously excluded tax rate increase on tangible
personal property titled or registered with an agency of this
State's government.

(d-6) If the Board of Trustees of any Metro East Mass
Transit District has imposed a rate increase under subsection
(d-5) and filed an ordinance with the Department of Revenue
excluding titled property from the higher rate, then that
Board may, by ordinance adopted with the concurrence of
two-thirds of the then trustees, impose throughout the
District a fee. The fee on the excluded property shall not
exceed $20 per retail transaction or an amount equal to the
amount of tax excluded, whichever is less, on tangible
personal property that is titled or registered with an agency
of this State's government. Beginning July 1, 2004, the fee
shall apply only to titled property that is subject to either
the Metro East Mass Transit District Retailers' Occupation Tax
or the Metro East Mass Transit District Service Occupation
Tax. No fee shall be imposed or collected under this
subsection on the sale of a motor vehicle in this State to a
resident of another state if that motor vehicle will not be
titled in this State.

(d-7) Until June 30, 2004, if a fee has been imposed under
subsection (d-6), a fee shall also be imposed upon the
privilege of using, in the district, any item of tangible
personal property that is titled or registered with any agency
of this State's government, in an amount equal to the amount of
the fee imposed under subsection (d-6).

(d-7.1) Beginning July 1, 2004, any fee imposed by the
Board of Trustees of any Metro East Mass Transit District
under subsection (d-6) and all civil penalties that may be
assessed as an incident of the fees shall be collected and
enforced by the State Department of Revenue. Reference to
"taxes" in this Section shall be construed to apply to the
administration, payment, and remittance of all fees under this
Section. For purposes of any fee imposed under subsection
(d-6), 4% of the fee, penalty, and interest received by the
Department in the first 12 months that the fee is collected and
enforced by the Department and 2% of the fee, penalty, and
interest following the first 12 months (except the amount
collected on aviation fuel sold on or after December 1, 2019)
shall be deposited into the Tax Compliance and Administration
Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department. No retailers' discount shall apply to any fee imposed under subsection (d-6).

(d-8) No item of titled property shall be subject to both the higher rate approved by referendum, as authorized under subsection (d-5), and any fee imposed under subsection (d-6) or (d-7).

(d-9) (Blank).

(d-10) (Blank).

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) (Blank).

(g) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Metro East Mass Transit District as of September 1 next following such adoption and filing.
Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, except as provided in subsection (d-5) of this Section, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing, or, beginning January 1, 2004, on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(h) Except as provided in subsection (d-7.1), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the District. The taxes shall be held in a trust fund outside the State Treasury. If an airport-related purpose has been certified, taxes and penalties collected in St. Clair County on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State
Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the local mass transit district imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the District, which shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund)
collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the District and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the direction in the certification.

Section 75-60. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:
Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The
provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section, the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the
Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County, the tax rate shall be 1.25% of the gross receipts from sales of tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly), and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or
after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on
aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133, 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the
amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a
Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act that is located in the metropolitan region; (2) 1.25% of the selling price of tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly); and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry, and Will counties, the rate shall be 0.75% of the selling price of all tangible personal property transferred. The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an
"airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.5% of the 0.75% tax.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be
subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen
are authorized to collect under the Service Use Tax Act, under
any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be
made under this paragraph to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the warrant to be drawn for the
amount specified, and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Regional Transportation Authority tax
fund established under paragraph (n) of this Section or the
Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize
the Authority to impose a tax upon the privilege of engaging in
any business that under the Constitution of the United States
may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax
shall also be imposed upon the privilege of using in the
metropolitan region, any item of tangible personal property
that is purchased outside the metropolitan region at retail
from a retailer, and that is titled or registered with an
agency of this State's government. In Cook County, the tax
rate shall be 1% of the selling price of the tangible personal
property, as "selling price" is defined in the Use Tax Act. In
DuPage, Kane, Lake, McHenry, and Will counties, the tax rate
shall be 0.75% of the selling price of the tangible personal
property, as "selling price" is defined in the Use Tax Act. The
tax shall be collected from persons whose Illinois address for
titling or registration purposes is given as being in the
metropolitan region. The tax shall be collected by the
Department of Revenue for the Regional Transportation
Authority. The tax must be paid to the State, or an exemption
determination must be obtained from the Department of Revenue,
before the title or certificate of registration for the
property may be issued. The tax or proof of exemption may be
transmitted to the Department by way of the State agency with
which, or the State officer with whom, the tangible personal
property must be titled or registered if the Department and
the State agency or State officer determine that this
procedure will expedite the processing of applications for
title or registration.

The Department shall have full power to administer and
enforce this paragraph; to collect all taxes, penalties, and
interest due hereunder; to dispose of taxes, penalties, and
interest collected in the manner hereinafter provided; and to
determine all rights to credit memoranda or refunds arising on
account of the erroneous payment of tax, penalty, or interest
hereunder. In the administration of and compliance with this
paragraph, the Department and persons who are subject to this
paragraph shall have the same rights, remedies, privileges,
immunities, powers, and duties, and be subject to the same
conditions, restrictions, limitations, penalties, exclusions,
exemptions, and definitions of terms and employ the same modes
of procedure, as are prescribed in Sections 2 (except the
definition of "retailer maintaining a place of business in
this State"), 3 through 3-80 (except provisions pertaining to
the State rate of tax, and except provisions concerning
collection or refunding of the tax by retailers), 4, 11, 12,
12a, 14, 15, 19 (except the portions pertaining to claims by
retailers and except the last paragraph concerning refunds),
20, 21, and 22 of the Use Tax Act, and are not inconsistent
with this paragraph, as fully as if those provisions were set
forth herein.

Whenever the Department determines that a refund should be
made under this paragraph to a claimant instead of issuing a
credit memorandum, the Department shall notify the State
Comptroller, who shall cause the order to be drawn for the
amount specified, and to the person named in the notification
from the Department. The refund shall be paid by the State
Treasurer out of the Regional Transportation Authority tax
fund established under paragraph (n) of this Section.

(g-5) If, on January 1, 2025, a unit of local government
has in effect a tax under subsections (e), (f), and (g), or if,
after January 1, 2025, a unit of local government imposes a tax
under subsections (e), (f), and (g), then that tax applies to
leases of tangible personal property in effect, entered into,
or renewed on or after that date in the same manner as the tax
under this Section and in accordance with the changes made by
this amendatory Act of the 103rd General Assembly.
(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The
amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax
imposed and as to the powers of the State Department of Revenue
to promulgate and enforce rules and regulations relating to
the administration and enforcement of the provisions of the
tax imposed. The taxes shall be imposed only on use within the
metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in
paragraphs (b) and (c) of this Section, shall, after seeking
the advice of the State Department of Revenue, provide means
for retailers, users or purchasers of motor fuel for purposes
other than those with regard to which the taxes may be imposed
as provided in those paragraphs to receive refunds of taxes
improperly paid, which provisions may be at variance with the
refund provisions as applicable under the Municipal Retailers
Occupation Tax Act. The State Department of Revenue may
provide for certificates of registration for users or
purchasers of motor fuel for purposes other than those with
regard to which taxes may be imposed as provided in paragraphs
(b) and (c) of this Section to facilitate the reporting and
nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under
this Section shall be adopted and a certified copy thereof
filed with the Department on or before June 1, whereupon the
Department of Revenue shall proceed to administer and enforce
this Section on behalf of the Regional Transportation
Authority as of September 1 next following such adoption and
filing. Beginning January 1, 1992, an ordinance or resolution
imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. If an
airport-related purpose has been certified, taxes and penalties collected in DuPage, Kane, Lake, McHenry and Will counties on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each county other than Cook County in the metropolitan region, (not including, if an airport-related purpose has been certified, the taxes and penalties collected from the 0.50% of the 0.75% rate on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less 1.5% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the
Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c), and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f), and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c), and (d) shall remain in effect only until the time as any tax authorized by paragraph (e), (f), or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraph (e), (f), or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c), and (d) of the Section unless any tax authorized by paragraph (e), (f), or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraph (b), (c), or (d) of this Section shall not be affected by the
imposition of a tax under paragraph (e), (f), or (g) of this Section.

Section 80-5. The Cigarette Tax Act is amended by changing Sections 4b, 9, 9e, and 9f as follows:

(35 ILCS 130/4b) (from Ch. 120, par. 453.4b)
Sec. 4b. (a) The Department may, in its discretion, upon application, issue permits authorizing the payment of the tax herein imposed by out-of-State cigarette manufacturers who are not required to be licensed as distributors of cigarettes in this State, but who elect to qualify under this Act as distributors of cigarettes in this State, and who, to the satisfaction of the Department, furnish adequate security to insure payment of the tax, provided that any such permit shall extend only to cigarettes which such permittee manufacturer places in original packages that are contained inside a sealed transparent wrapper. Such permits shall be issued without charge in such form as the Department may prescribe and shall not be transferable or assignable.

The following are ineligible to receive a distributor's permit under this subsection:
(1) a person who is not of good character and reputation in the community in which he resides; the Department may consider past conviction of a felony but the conviction shall not operate as an absolute bar to receiving a permit;

(2) a person who has been convicted of a felony under any Federal or State law, if the Department, after investigation and a hearing and consideration of mitigating factors and evidence of rehabilitation contained in the applicant's record, including those in Section 4i of this Act, determines that such person has not been sufficiently rehabilitated to warrant the public trust and the conviction will impair the ability of the person to engage in the position for which a permit is sought;

(3) a corporation, if any officer, manager or director thereof, or any stockholder or stockholders owning in the aggregate more than 5% of the stock of such corporation, would not be eligible to receive a permit under this Act for any reason.

With respect to cigarettes which come within the scope of such a permit and which any such permittee delivers or causes to be delivered in Illinois to licensed distributors, such permittee shall remit the tax imposed by this Act at the times provided for in Section 3 of this Act. Each such remittance shall be accompanied by a return filed with the Department on a
form to be prescribed and furnished by the Department and
shall disclose such information as the Department may lawfully
require. Information that the Department may lawfully require
includes information related to the uniform regulation and
taxation of cigarettes. The Department may promulgate rules to
require that the permittee's return be accompanied by
appropriate computer-generated magnetic media supporting
schedule data in the format prescribed by the Department,
unless, as provided by rule, the Department grants an
exception upon petition of the permittee. Each such return
shall be accompanied by a copy of each invoice rendered by the
permittee to any licensed distributor to whom the permittee
delivered cigarettes of the type covered by the permit (or
caused cigarettes of the type covered by the permit to be
delivered) in Illinois during the period covered by such
return.

Such permit may be suspended, canceled or revoked when, at
any time, the Department considers that the security given is
inadequate, or that such tax can more effectively be collected
from distributors located in this State, or whenever the
permittee violates any provision of this Act or any lawful
rule or regulation issued by the Department pursuant to this
Act or is determined to be ineligible for a distributor's
permit under this Act as provided in this Section, whenever
the permittee shall notify the Department in writing of his
desire to have the permit canceled. The Department shall have
the power, in its discretion, to issue a new permit after such
suspension, cancellation or revocation, except when the person
who would receive the permit is ineligible to receive a
distributor's permit under this Act.

All permits issued by the Department under this Act shall
be valid for not to exceed one year after issuance unless
sooner revoked, canceled or suspended as in this Act provided.

(b) Out-of-state cigarette manufacturers who are not
required to be licensed as distributors of cigarettes in this
State and who do not elect to obtain approval under subsection
4b(a) to pay the tax imposed by this Act, but who elect to
qualify under this Act as distributors of cigarettes in this
State for purposes of shipping and delivering unstamped
original packages of cigarettes into this State to licensed
distributors, shall obtain a permit from the Department. These
permits shall be issued without charge in such form as the
Department may prescribe and shall not be transferable or
assignable.

The following are ineligible to receive a distributor's
permit under this subsection:

(1) a person who is not of good character and
reputation in the community in which he or she resides;
the Department may consider past conviction of a felony
but the conviction shall not operate as an absolute bar to
receiving a permit;

(2) a person who has been convicted of a felony under
any federal or State law, if the Department, after
investigation and a hearing and consideration of
mitigating factors and evidence of rehabilitation
contained in the applicant's record, including those set
forth in Section 4i of this Act, determines that the
person has not been sufficiently rehabilitated to warrant
the public trust and the conviction will impair the
ability of the person to engage in the position for which a
permit is sought; and

(3) a corporation, if any officer, manager, or
director thereof, or any stockholder or stockholders
owning in the aggregate more than 5% of the stock of the
corporation, would not be eligible to receive a permit
under this Act for any reason.

With respect to original packages of cigarettes that such
permittee delivers or causes to be delivered in Illinois and
distributes to the public for promotional purposes without
consideration, the permittee shall pay the tax imposed by this
Act by remitting the amount thereof to the Department by the
5th day of each month covering cigarettes shipped or otherwise
delivered in Illinois for those purposes during the preceding
calendar month. The permittee, before delivering those
cigarettes or causing those cigarettes to be delivered in this
State, shall evidence his or her obligation to remit the taxes
due with respect to those cigarettes by imprinting language to
be prescribed by the Department on each original package of
cigarettes, in such place thereon and in such manner also to be
prescribed by the Department. The imprinted language shall
acknowledge the permittee's payment of or liability for the
tax imposed by this Act with respect to the distribution of
those cigarettes.

With respect to cigarettes that the permittee delivers or
causes to be delivered in Illinois to Illinois licensed
distributors or distributed to the public for promotional
purposes, the permittee shall, by the 5th day of each month,
file with the Department, a report covering cigarettes shipped
or otherwise delivered in Illinois to licensed distributors or
distributed to the public for promotional purposes during the
preceding calendar month on a form to be prescribed and
furnished by the Department and shall disclose such other
information as the Department may lawfully require.

Information that the Department may lawfully require includes
information related to the uniform regulation and taxation of
cigarettes. The Department may promulgate rules to require
that the permittee's report be accompanied by appropriate
computer-generated magnetic media supporting schedule data in
the format prescribed by the Department, unless, as provided
by rule, the Department grants an exception upon petition of
the permittee. Each such report shall be accompanied by a copy
of each invoice rendered by the permittee to any purchaser to
whom the permittee delivered cigarettes of the type covered by
the permit (or caused cigarettes of the type covered by the
permit to be delivered) in Illinois during the period covered
by such report.

Such permit may be suspended, canceled, or revoked
whenever the permittee violates any provision of this Act or
any lawful rule or regulation issued by the Department
pursuant to this Act, is determined to be ineligible for a
distributor's permit under this Act as provided in this
Section, or notifies the Department in writing of his or her
desire to have the permit canceled. The Department shall have
the power, in its discretion, to issue a new permit after such
suspension, cancellation, or revocation, except when the
person who would receive the permit is ineligible to receive a
distributor's permit under this Act.

All permits issued by the Department under this Act shall
be valid for a period not to exceed one year after issuance
unless sooner revoked, canceled, or suspended as provided in
this Act.

contained in a sealed transparent wrapper, shall, on or before
the 15th day of each calendar month, file a return with the
Department, showing the quantity of cigarettes manufactured
during the preceding calendar month, the quantity of cigarettes brought into this State or caused to be brought into this State from outside this State during the preceding calendar month without authorized evidence on the original packages of such cigarettes underneath the sealed transparent wrapper thereof that the tax liability imposed by this Act has been assumed by the out-of-State seller of such cigarettes, the quantity of cigarettes purchased tax-paid during the preceding calendar month either within or outside this State, the quantity of cigarettes sold by manufacturer representatives on behalf of the distributor, the quantity of cigarettes sold to manufacturer representatives, and the quantity of cigarettes sold or otherwise disposed of during the preceding calendar month. Such return shall be filed upon forms furnished and prescribed by the Department and shall contain such other information as the Department may reasonably require. **Information that the Department may reasonably require includes information related to the uniform regulation and taxation of cigarettes.** The Department may promulgate rules to require that the distributor's return be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a distributor.

file a return by the 5th day of each month covering the preceding calendar month. Each such return shall be accompanied by the appropriate remittance for tax as provided in Section 3 of this Act. Such reports shall be filed electronically in such form prescribed by the Department and shall contain such other information as the Department may reasonably require. Information that the Department may reasonably require includes information related to the uniform regulation and taxation of cigarettes. The secondary distributor's report shall be accompanied by appropriate computer generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a secondary distributor.

A certification by the Director of the Department that a report has not been filed, or that information has not been supplied pursuant to the provisions of this Act, shall be prima facie evidence thereof.

regulation and taxation of cigarettes. The report shall be
filed electronically and be accompanied by appropriate
computer generated magnetic media supporting schedule data in
the format required by the Department, unless, as provided by
rule, the Department grants an exception upon petition of a
manufacturer with authority to maintain manufacturer
representatives in this State.

Section 80-15. The Tobacco Products Tax Act of 1995 is amended by changing Section 10-30 as follows:

(35 ILCS 143/10-30)

Sec. 10-30. Returns.

(a) Every distributor shall, on or before the 15th day of each month, file a return with the Department covering the preceding calendar month. The return shall disclose the wholesale price for all tobacco products other than moist snuff and the quantity in ounces of moist snuff sold or

ARTICLE 85.

Section 85-5. The Illinois Income Tax Act is amended by changing Section 304 as follows:

(35 ILCS 5/304) (from Ch. 120, par. 3-304)

Sec. 304. Business income of persons other than residents.

(a) In general. The business income of a person other than a resident shall be allocated to this State if such person's business income is derived solely from this State. If a person other than a resident derives business income from this State and one or more other states, then, for tax years ending on or before December 30, 1998, and except as otherwise provided by this Section, such person's business income shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the sum of the property factor (if any), the payroll factor (if any) and 200% of the sales factor (if any), and the denominator of which is 4
reduced by the number of factors other than the sales factor which have a denominator of zero and by an additional 2 if the sales factor has a denominator of zero. For tax years ending on or after December 31, 1998, and except as otherwise provided by this Section, persons other than residents who derive business income from this State and one or more other states shall compute their apportionment factor by weighting their property, payroll, and sales factors as provided in subsection (h) of this Section.

(1) Property factor.

(A) The property factor is a fraction, the numerator of which is the average value of the person's real and tangible personal property owned or rented and used in the trade or business in this State during the taxable year and the denominator of which is the average value of all the person's real and tangible personal property owned or rented and used in the trade or business during the taxable year.

(B) Property owned by the person is valued at its original cost. Property rented by the person is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the person less any annual rental rate received by the person from sub-rentals.

(C) The average value of property shall be determined by averaging the values at the beginning and ending of the
taxable year, but the Director may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the person's property.

(2) Payroll factor.

(A) The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the taxable year by the person for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year.

(B) Compensation is paid in this State if:

(i) The individual's service is performed entirely within this State;

(ii) The individual's service is performed both within and without this State, but the service performed without this State is incidental to the individual's service performed within this State; or

(iii) For tax years ending prior to December 31, 2020, some of the service is performed within this State and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is within this State, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this
State. For tax years ending on or after December 31, 2020, compensation is paid in this State if some of the individual's service is performed within this State, the individual's service performed within this State is nonincidental to the individual's service performed without this State, and the individual's service is performed within this State for more than 30 working days during the tax year. The amount of compensation paid in this State shall include the portion of the individual's total compensation for services performed on behalf of his or her employer during the tax year which the number of working days spent within this State during the tax year bears to the total number of working days spent both within and without this State during the tax year. For purposes of this paragraph:

(a) The term "working day" means all days during the tax year in which the individual performs duties on behalf of his or her employer. All days in which the individual performs no duties on behalf of his or her employer (e.g., weekends, vacation days, sick days, and holidays) are not working days.

(b) A working day is spent within this State if:

(1) the individual performs service on behalf of the employer and a greater amount of
time on that day is spent by the individual
performing duties on behalf of the employer
within this State, without regard to time
spent traveling, than is spent performing
duties on behalf of the employer without this
State; or

(2) the only service the individual
performs on behalf of the employer on that day
is traveling to a destination within this
State, and the individual arrives on that day.

(c) Working days spent within this State do
not include any day in which the employee is
performing services in this State during a
disaster period solely in response to a request
made to his or her employer by the government of
this State, by any political subdivision of this
State, or by a person conducting business in this
State to perform disaster or emergency-related
services in this State. For purposes of this item
(c):

"Declared State disaster or emergency"
means a disaster or emergency event (i) for
which a Governor's proclamation of a state of
emergency has been issued or (ii) for which a
Presidential declaration of a federal major
disaster or emergency has been issued.
"Disaster period" means a period that begins 10 days prior to the date of the Governor's proclamation or the President's declaration (whichever is earlier) and extends for a period of 60 calendar days after the end of the declared disaster or emergency period.

"Disaster or emergency-related services" means repairing, renovating, installing, building, or rendering services or conducting other business activities that relate to infrastructure that has been damaged, impaired, or destroyed by the declared State disaster or emergency.

"Infrastructure" means property and equipment owned or used by a public utility, communications network, broadband and internet service provider, cable and video service provider, electric or gas distribution system, or water pipeline that provides service to more than one customer or person, including related support facilities. "Infrastructure" includes, but is not limited to, real and personal property such as buildings, offices, power lines, cable lines, poles, communications lines, pipes, structures, and equipment.
(iv) Compensation paid to nonresident professional athletes.

(a) General. The Illinois source income of a nonresident individual who is a member of a professional athletic team includes the portion of the individual's total compensation for services performed as a member of a professional athletic team during the taxable year which the number of duty days spent within this State performing services for the team in any manner during the taxable year bears to the total number of duty days spent both within and without this State during the taxable year.

(b) Travel days. Travel days that do not involve either a game, practice, team meeting, or other similar team event are not considered duty days spent in this State. However, such travel days are considered in the total duty days spent both within and without this State.

(c) Definitions. For purposes of this subpart (iv):

(1) The term "professional athletic team" includes, but is not limited to, any professional baseball, basketball, football, soccer, or hockey team.

(2) The term "member of a professional athletic team" includes those employees who are
active players, players on the disabled list, and any other persons required to travel and who travel with and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.

(3) Except as provided in items (C) and (D) of this subpart (3), the term "duty days" means all days during the taxable year from the beginning of the professional athletic team's official pre-season training period through the last game in which the team competes or is scheduled to compete. Duty days shall be counted for the year in which they occur, including where a team's official pre-season training period through the last game in which the team competes or is scheduled to compete, occurs during more than one tax year.

(A) Duty days shall also include days on which a member of a professional athletic team performs service for a team on a date that does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional "caravans"). Performing a service for a professional athletic team includes conducting
training and rehabilitation activities, when such activities are conducted at team facilities.

(B) Also included in duty days are game days, practice days, days spent at team meetings, promotional caravans, preseason training camps, and days served with the team through all post-season games in which the team competes or is scheduled to compete.

(C) Duty days for any person who joins a team during the period from the beginning of the professional athletic team's official pre-season training period through the last game in which the team competes, or is scheduled to compete, shall begin on the day that person joins the team. Conversely, duty days for any person who leaves a team during this period shall end on the day that person leaves the team. Where a person switches teams during a taxable year, a separate duty-day calculation shall be made for the period the person was with each team.

(D) Days for which a member of a professional athletic team is not compensated and is not performing services for the team in any manner, including days when such member of
a professional athletic team has been suspended without pay and prohibited from performing any services for the team, shall not be treated as duty days.

(E) Days for which a member of a professional athletic team is on the disabled list and does not conduct rehabilitation activities at facilities of the team, and is not otherwise performing services for the team in Illinois, shall not be considered duty days spent in this State. All days on the disabled list, however, are considered to be included in total duty days spent both within and without this State.

(4) The term "total compensation for services performed as a member of a professional athletic team" means the total compensation received during the taxable year for services performed:

(A) from the beginning of the official pre-season training period through the last game in which the team competes or is scheduled to compete during that taxable year; and

(B) during the taxable year on a date which does not fall within the foregoing period (e.g., participation in instructional
leagues, the "All Star Game", or promotional caravans).

This compensation shall include, but is not limited to, salaries, wages, bonuses as described in this subpart, and any other type of compensation paid during the taxable year to a member of a professional athletic team for services performed in that year. This compensation does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services performed for the team.

For purposes of this subparagraph, "bonuses" included in "total compensation for services performed as a member of a professional athletic team" subject to the allocation described in Section 302(c)(1) are: bonuses earned as a result of play (i.e., performance bonuses) during the season, including bonuses paid for championship, playoff or "bowl" games played by a team, or for selection to all-star league or other honorary positions; and bonuses paid for signing a contract, unless the payment of the signing bonus is not conditional upon the signee playing any games for the team or performing any subsequent
services for the team or even making the team, the
signing bonus is payable separately from the
salary and any other compensation, and the signing
bonus is nonrefundable.

(3) Sales factor.

(A) The sales factor is a fraction, the numerator of
which is the total sales of the person in this State during
the taxable year, and the denominator of which is the
total sales of the person everywhere during the taxable
year.

(B) Sales of tangible personal property are in this
State if:

(i) The property is delivered or shipped to a
purchaser, other than the United States government,
within this State regardless of the f. o. b. point or
other conditions of the sale; or

(ii) The property is shipped from an office,
store, warehouse, factory or other place of storage in
this State and either the purchaser is the United
States government or the person is not taxable in the
state of the purchaser; provided, however, that
premises owned or leased by a person who has
independently contracted with the seller for the
printing of newspapers, periodicals or books shall not
be deemed to be an office, store, warehouse, factory
or other place of storage for purposes of this
Section. Sales of tangible personal property are not in this State if the seller and purchaser would be members of the same unitary business group but for the fact that either the seller or purchaser is a person with 80% or more of total business activity outside of the United States and the property is purchased for resale.

(B-1) Patents, copyrights, trademarks, and similar items of intangible personal property.

(i) Gross receipts from the licensing, sale, or other disposition of a patent, copyright, trademark, or similar item of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), are in this State to the extent the item is utilized in this State during the year the gross receipts are included in gross income.

(ii) Place of utilization.

(I) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If a patent is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts of the licensee or purchaser from sales or leases of items produced,
fabricated, manufactured, or processed within that state using the patent and of patented items produced within that state, divided by the total of such gross receipts for all states in which the patent is utilized.

(II) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If a copyright is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts from sales or licenses of materials printed or published in that state divided by the total of such gross receipts for all states in which the copyright is utilized.

(III) Trademarks and other items of intangible personal property governed by this paragraph (B-1) are utilized in the state in which the commercial domicile of the licensee or purchaser is located.

(iii) If the state of utilization of an item of property governed by this paragraph (B-1) cannot be determined from the taxpayer's books and records or from the books and records of any person related to the taxpayer within the meaning of Section 267(b) of the Internal Revenue Code, 26 U.S.C. 267, the gross receipts attributable to that item shall be excluded from both the numerator and the denominator of the
(B-2) Gross receipts from the license, sale, or other disposition of patents, copyrights, trademarks, and similar items of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), may be included in the numerator or denominator of the sales factor only if gross receipts from licenses, sales, or other disposition of such items comprise more than 50% of the taxpayer's total gross receipts included in gross income during the tax year and during each of the 2 immediately preceding tax years; provided that, when a taxpayer is a member of a unitary business group, such determination shall be made on the basis of the gross receipts of the entire unitary business group.

(B-5) For taxable years ending on or after December 31, 2008, except as provided in subsections (ii) through (vii), receipts from the sale of telecommunications service or mobile telecommunications service are in this State if the customer's service address is in this State.

(i) For purposes of this subparagraph (B-5), the following terms have the following meanings:

"Ancillary services" means services that are associated with or incidental to the provision of "telecommunications services", including, but not limited to, "detailed telecommunications billing", "directory assistance", "vertical service", and "voice
"Air-to-Ground Radiotelephone service" means a radio service, as that term is defined in 47 CFR 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

"Call-by-call Basis" means any method of charging for telecommunications services where the price is measured by individual calls.

"Communications Channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

"Conference bridging service" means an "ancillary service" that links two or more participants of an audio or video conference call and may include the provision of a telephone number. "Conference bridging service" does not include the "telecommunications services" used to reach the conference bridge.

"Customer Channel Termination Point" means the location where the customer either inputs or receives the communications.

"Detailed telecommunications billing service" means an "ancillary service" of separately stating information pertaining to individual calls on a customer's billing statement.
"Directory assistance" means an "ancillary service" of providing telephone number information, and/or address information.

"Home service provider" means the facilities based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

"Mobile telecommunications service" means commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations as in effect on June 1, 1999.

"Place of primary use" means the street address representative of where the customer's use of the telecommunications service primarily occurs, which must be the residential street address or the primary business street address of the customer. In the case of mobile telecommunications services, "place of primary use" must be within the licensed service area of the home service provider.

"Post-paid telecommunication service" means the telecommunications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number which is not associated with the origination or termination of the
telecommunications service. A post-paid calling service includes telecommunications service, except a prepaid wireless calling service, that would be a prepaid calling service except it is not exclusively a telecommunication service.

"Prepaid telecommunication service" means the right to access exclusively telecommunications services, which must be paid for in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

"Prepaid Mobile telecommunication service" means a telecommunications service that provides the right to utilize mobile wireless service as well as other non-telecommunication services, including, but not limited to, ancillary services, which must be paid for in advance that is sold in predetermined units or dollars of which the number declines with use in a known amount.

"Private communication service" means a telecommunication service that entitles the customer to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which
such channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of such channel or channels.

"Service address" means:

(a) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid;

(b) If the location in line (a) is not known, service address means the origination point of the signal of the telecommunications services first identified by either the seller's telecommunications system or in information received by the seller from its service provider where the system used to transport such signals is not that of the seller; and

(c) If the locations in line (a) and line (b) are not known, the service address means the location of the customer's place of primary use.

"Telecommunications service" means the electronic transmission, conveyance, or routing of voice, data, audio, video, or any other information or signals to a point, or between or among points. The term "telecommunications service" includes such transmission, conveyance, or routing in which computer
processing applications are used to act on the form, code or protocol of the content for purposes of transmission, conveyance or routing without regard to whether such service is referred to as voice over Internet protocol services or is classified by the Federal Communications Commission as enhanced or value added. "Telecommunications service" does not include:

(a) Data processing and information services that allow data to be generated, acquired, stored, processed, or retrieved and delivered by an electronic transmission to a purchaser when such purchaser's primary purpose for the underlying transaction is the processed data or information;

(b) Installation or maintenance of wiring or equipment on a customer's premises;

(c) Tangible personal property;

(d) Advertising, including, but not limited to, directory advertising;

(e) Billing and collection services provided to third parties;

(f) Internet access service;

(g) Radio and television audio and video programming services, regardless of the medium, including the furnishing of transmission, conveyance and routing of such services by the programming service provider. Radio and television
audio and video programming services shall include, but not be limited to, cable service as defined in 47 USC 522(6) and audio and video programming services delivered by commercial mobile radio service providers, as defined in 47 CFR 20.3;

(h) "Ancillary services"; or

(i) Digital products "delivered electronically", including, but not limited to, software, music, video, reading materials or ring tones.

"Vertical service" means an "ancillary service" that is offered in connection with one or more "telecommunications services", which offers advanced calling features that allow customers to identify callers and to manage multiple calls and call connections, including "conference bridging services".

"Voice mail service" means an "ancillary service" that enables the customer to store, send or receive recorded messages. "Voice mail service" does not include any "vertical services" that the customer may be required to have in order to utilize the "voice mail service".

(ii) Receipts from the sale of telecommunications service sold on an individual call-by-call basis are in this State if either of the following applies:
(a) The call both originates and terminates in this State.

(b) The call either originates or terminates in this State and the service address is located in this State.

(iii) Receipts from the sale of postpaid telecommunications service at retail are in this State if the origination point of the telecommunication signal, as first identified by the service provider's telecommunication system or as identified by information received by the seller from its service provider if the system used to transport telecommunication signals is not the seller's, is located in this State.

(iv) Receipts from the sale of prepaid telecommunications service or prepaid mobile telecommunications service at retail are in this State if the purchaser obtains the prepaid card or similar means of conveyance at a location in this State. Receipts from recharging a prepaid telecommunications service or mobile telecommunications service is in this State if the purchaser's billing information indicates a location in this State.

(v) Receipts from the sale of private communication services are in this State as follows:

(a) 100% of receipts from charges imposed at
each channel termination point in this State.

(b) 100% of receipts from charges for the total channel mileage between each channel termination point in this State.

(c) 50% of the total receipts from charges for service segments when those segments are between 2 customer channel termination points, 1 of which is located in this State and the other is located outside of this State, which segments are separately charged.

(d) The receipts from charges for service segments with a channel termination point located in this State and in two or more other states, and which segments are not separately billed, are in this State based on a percentage determined by dividing the number of customer channel termination points in this State by the total number of customer channel termination points.

(vi) Receipts from charges for ancillary services for telecommunications service sold to customers at retail are in this State if the customer's primary place of use of telecommunications services associated with those ancillary services is in this State. If the seller of those ancillary services cannot determine where the associated telecommunications are located, then the ancillary services shall be based on the
location of the purchaser.

(vii) Receipts to access a carrier's network or from the sale of telecommunication services or ancillary services for resale are in this State as follows:

(a) 100% of the receipts from access fees attributable to intrastate telecommunications service that both originates and terminates in this State.

(b) 50% of the receipts from access fees attributable to interstate telecommunications service if the interstate call either originates or terminates in this State.

(c) 100% of the receipts from interstate end user access line charges, if the customer's service address is in this State. As used in this subdivision, "interstate end user access line charges" includes, but is not limited to, the surcharge approved by the federal communications commission and levied pursuant to 47 CFR 69.

(d) Gross receipts from sales of telecommunication services or from ancillary services for telecommunications services sold to other telecommunication service providers for resale shall be sourced to this State using the apportionment concepts used for non-resale
receipts of telecommunications services if the
information is readily available to make that
determination. If the information is not readily
available, then the taxpayer may use any other
reasonable and consistent method.

(B-7) For taxable years ending on or after December
31, 2008, receipts from the sale of broadcasting services
are in this State if the broadcasting services are
received in this State. For purposes of this paragraph
(B-7), the following terms have the following meanings:

"Advertising revenue" means consideration received
by the taxpayer in exchange for broadcasting services
or allowing the broadcasting of commercials or
announcements in connection with the broadcasting of
film or radio programming, from sponsorships of the
programming, or from product placements in the
programming.

"Audience factor" means the ratio that the
audience or subscribers located in this State of a
station, a network, or a cable system bears to the
total audience or total subscribers for that station,
network, or cable system. The audience factor for film
or radio programming shall be determined by reference
to the books and records of the taxpayer or by
reference to published rating statistics provided the
method used by the taxpayer is consistently used from
year to year for this purpose and fairly represents
the taxpayer's activity in this State.

"Broadcast" or "broadcasting" or "broadcasting
services" means the transmission or provision of film
or radio programming, whether through the public
airwaves, by cable, by direct or indirect satellite
transmission, or by any other means of communication,
either through a station, a network, or a cable
system.

"Film" or "film programming" means the broadcast
on television of any and all performances, events, or
productions, including, but not limited to, news,
sporting events, plays, stories, or other literary,
commercial, educational, or artistic works, either
live or through the use of video tape, disc, or any
other type of format or medium. Each episode of a
series of films produced for television shall
constitute separate "film" notwithstanding that the
series relates to the same principal subject and is
produced during one or more tax periods.

"Radio" or "radio programming" means the broadcast
on radio of any and all performances, events, or
productions, including, but not limited to, news,
sporting events, plays, stories, or other literary,
commercial, educational, or artistic works, either
live or through the use of an audio tape, disc, or any
other format or medium. Each episode in a series of
radio programming produced for radio broadcast shall
constitute a separate "radio programming"
notwithstanding that the series relates to the same
principal subject and is produced during one or more
tax periods.

(i) In the case of advertising revenue from
broadcasting, the customer is the advertiser and
the service is received in this State if the
commercial domicile of the advertiser is in this
State.

(ii) In the case where film or radio
programming is broadcast by a station, a network,
or a cable system for a fee or other remuneration
received from the recipient of the broadcast, the
portion of the service that is received in this
State is measured by the portion of the recipients
of the broadcast located in this State. Accordingly, the fee or other remuneration for
such service that is included in the Illinois
numerator of the sales factor is the total of
those fees or other remuneration received from
recipients in Illinois. For purposes of this
paragraph, a taxpayer may determine the location
of the recipients of its broadcast using the
address of the recipient shown in its contracts
with the recipient or using the billing address of
the recipient in the taxpayer's records.

(iii) In the case where film or radio
programming is broadcast by a station, a network,
or a cable system for a fee or other remuneration
from the person providing the programming, the
portion of the broadcast service that is received
by such station, network, or cable system in this
State is measured by the portion of recipients of
the broadcast located in this State. Accordingly,
the amount of revenue related to such an
arrangement that is included in the Illinois
numerator of the sales factor is the total fee or
other total remuneration from the person providing
the programming related to that broadcast
multiplied by the Illinois audience factor for
that broadcast.

(iv) In the case where film or radio
programming is provided by a taxpayer that is a
network or station to a customer for broadcast in
exchange for a fee or other remuneration from that
customer the broadcasting service is received at
the location of the office of the customer from
which the services were ordered in the regular
course of the customer's trade or business.
Accordingly, in such a case the revenue derived by
the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(v) In the case where film or radio programming is provided by a taxpayer that is not a network or station to another person for broadcasting in exchange for a fee or other remuneration from that person, the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(B-8) Gross receipts from winnings under the Illinois Lottery Law from the assignment of a prize under Section 13.1 of the Illinois Lottery Law are received in this State. This paragraph (B-8) applies only to taxable years ending on or after December 31, 2013.

(B-9) For taxable years ending on or after December 31, 2019, gross receipts from winnings from pari-mutuel wagering conducted at a wagering facility licensed under the Illinois Horse Racing Act of 1975 or from winnings
from gambling games conducted on a riverboat or in a
casino or organization gaming facility licensed under the
Illinois Gambling Act are in this State.

(B-10) For taxable years ending on or after December
31, 2021, gross receipts from winnings from sports
wagering conducted in accordance with the Sports Wagering
Act are in this State.

(C) For taxable years ending before December 31, 2008,
sales, other than sales governed by paragraphs (B), (B-1),
(B-2), and (B-8) are in this State if:

   (i) The income-producing activity is performed in
   this State; or

   (ii) The income-producing activity is performed
   both within and without this State and a greater
   proportion of the income-producing activity is
   performed within this State than without this State,
   based on performance costs.

(C-5) For taxable years ending on or after December
31, 2008, sales, other than sales governed by paragraphs
(B), (B-1), (B-2), (B-5), and (B-7), are in this State if
any of the following criteria are met:

   (i) Sales from the sale or lease of real property
   are in this State if the property is located in this
   State.

   (ii) Sales from the lease or rental of tangible
   personal property are in this State if the property is
located in this State during the rental period. Sales
from the lease or rental of tangible personal property
that is characteristically moving property, including,
but not limited to, motor vehicles, rolling stock,
aircraft, vessels, or mobile equipment are in this
State to the extent that the property is used in this
State.

(iii) In the case of interest, net gains (but not
less than zero) and other items of income from
intangible personal property, the sale is in this
State if:

(a) in the case of a taxpayer who is a dealer
in the item of intangible personal property within
the meaning of Section 475 of the Internal Revenue
Code, the income or gain is received from a
customer in this State. For purposes of this
subparagraph, a customer is in this State if the
customer is an individual, trust or estate who is
a resident of this State and, for all other
customers, if the customer's commercial domicile
is in this State. Unless the dealer has actual
knowledge of the residence or commercial domicile
of a customer during a taxable year, the customer
shall be deemed to be a customer in this State if
the billing address of the customer, as shown in
the records of the dealer, is in this State; or
(b) in all other cases, if the income-producing activity of the taxpayer is performed in this State or, if the income-producing activity of the taxpayer is performed both within and without this State, if a greater proportion of the income-producing activity of the taxpayer is performed within this State than in any other state, based on performance costs.

(iv) Sales of services are in this State if the services are received in this State. For the purposes of this section, gross receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where that corporation, partnership, or trust has a fixed place of business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed. If the taxpayer is not taxable in
the state in which the services are received, the sale
must be excluded from both the numerator and the
denominator of the sales factor. The Department shall
adopt rules prescribing where specific types of
service are received, including, but not limited to,
publishing, and utility service.

(D) For taxable years ending on or after December 31,
1995, the following items of income shall not be included
in the numerator or denominator of the sales factor:
dividends; amounts included under Section 78 of the
Internal Revenue Code; and Subpart F income as defined in
Section 952 of the Internal Revenue Code. No inference
shall be drawn from the enactment of this paragraph (D) in
construing this Section for taxable years ending before

(E) Paragraphs (B-1) and (B-2) shall apply to tax
years ending on or after December 31, 1999, provided that
a taxpayer may elect to apply the provisions of these
paragraphs to prior tax years. Such election shall be made
in the form and manner prescribed by the Department, shall
be irrevocable, and shall apply to all tax years; provided
that, if a taxpayer's Illinois income tax liability for
any tax year, as assessed under Section 903 prior to
January 1, 1999, was computed in a manner contrary to the
provisions of paragraphs (B-1) or (B-2), no refund shall
be payable to the taxpayer for that tax year to the extent
such refund is the result of applying the provisions of paragraph (B-1) or (B-2) retroactively. In the case of a unitary business group, such election shall apply to all members of such group for every tax year such group is in existence, but shall not apply to any taxpayer for any period during which that taxpayer is not a member of such group.

(b) Insurance companies.

    (1) In general. Except as otherwise provided by paragraph (2), business income of an insurance company for a taxable year shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the direct premiums written for insurance upon property or risk in this State, and the denominator of which is the direct premiums written for insurance upon property or risk everywhere. For purposes of this subsection, the term "direct premiums written" means the total amount of direct premiums written, assessments and annuity considerations as reported for the taxable year on the annual statement filed by the company with the Illinois Director of Insurance in the form approved by the National Convention of Insurance Commissioners or such other form as may be prescribed in lieu thereof.

    (2) Reinsurance. If the principal source of premiums written by an insurance company consists of premiums for reinsurance accepted by it, the business income of such
company shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the sum of (i) direct premiums written for insurance upon property or risk in this State, plus (ii) premiums written for reinsurance accepted in respect of property or risk in this State, and the denominator of which is the sum of (iii) direct premiums written for insurance upon property or risk everywhere, plus (iv) premiums written for reinsurance accepted in respect of property or risk everywhere. For purposes of this paragraph, premiums written for reinsurance accepted in respect of property or risk in this State, whether or not otherwise determinable, may, at the election of the company, be determined on the basis of the proportion which premiums written for reinsurance accepted from companies commercially domiciled in Illinois bears to premiums written for reinsurance accepted from all sources, or, alternatively, in the proportion which the sum of the direct premiums written for insurance upon property or risk in this State by each ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year. The election made by a company under this paragraph for its first taxable year ending on or after December 31, 2011, shall be binding for that company for that taxable year and for all subsequent taxable years, and may be altered only with the written
permission of the Department, which shall not be unreasonably withheld.

(c) Financial organizations.

(1) In general. For taxable years ending before December 31, 2008, business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):

(A) Fees, commissions or other compensation for financial services rendered within this State;

(B) Gross profits from trading in stocks, bonds or other securities managed within this State;

(C) Dividends, and interest from Illinois customers, which are received within this State;

(D) Interest charged to customers at places of business maintained within this State for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts; and

(E) Any other gross income resulting from the
operation as a financial organization within this State.

In computing the amounts referred to in paragraphs (A) through (E) of this subsection, any amount received by a member of an affiliated group (determined under Section 1504(a) of the Internal Revenue Code but without reference to whether any such corporation is an "includible corporation" under Section 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.

(2) International Banking Facility. For taxable years ending before December 31, 2008:

(A) Adjusted Income. The adjusted income of an international banking facility is its income reduced by the amount of the floor amount.

(B) Floor Amount. The floor amount shall be the amount, if any, determined by multiplying the income of the international banking facility by a fraction, not greater than one, which is determined as follows:

(i) The numerator shall be:

The average aggregate, determined on a quarterly basis, of the financial organization's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign
governments and other foreign official institutions, as reported for its branches, agencies and offices within the state on its "Consolidated Report of Condition", Schedule A, Lines 2.c., 5.b., and 7.a., which was filed with the Federal Deposit Insurance Corporation and other regulatory authorities, for the year 1980, minus

The average aggregate, determined on a quarterly basis, of such loans (other than loans of an international banking facility), as reported by the financial institution for its branches, agencies and offices within the state, on the corresponding Schedule and lines of the Consolidated Report of Condition for the current taxable year, provided, however, that in no case shall the amount determined in this clause (the subtrahend) exceed the amount determined in the preceding clause (the minuend); and

(ii) the denominator shall be the average aggregate, determined on a quarterly basis, of the international banking facility's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, which were recorded in its
financial accounts for the current taxable year.

(C) Change to Consolidated Report of Condition and in Qualification. In the event the Consolidated Report of Condition which is filed with the Federal Deposit Insurance Corporation and other regulatory authorities is altered so that the information required for determining the floor amount is not found on Schedule A, lines 2.c., 5.b. and 7.a., the financial institution shall notify the Department and the Department may, by regulations or otherwise, prescribe or authorize the use of an alternative source for such information. The financial institution shall also notify the Department should its international banking facility fail to qualify as such, in whole or in part, or should there be any amendment or change to the Consolidated Report of Condition, as originally filed, to the extent such amendment or change alters the information used in determining the floor amount.

(3) For taxable years ending on or after December 31, 2008, the business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its gross receipts from sources in this State or otherwise attributable to this State's marketplace and the denominator of which is its gross receipts everywhere during the taxable year. "Gross receipts" for purposes of
this subparagraph (3) means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the financial organization's trade or business. The following examples are illustrative:

(i) Receipts from the lease or rental of real or tangible personal property are in this State if the property is located in this State during the rental period. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are from sources in this State to the extent that the property is used in this State.

(ii) Interest income, commissions, fees, gains on disposition, and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property are from sources in this State if the security is located in this State.

(iii) Interest income, commissions, fees, gains on disposition, and other receipts from consumer loans that are not secured by real or tangible personal property are from sources in this State if the debtor is a resident of this State.

(iv) Interest income, commissions, fees, gains on
disposition, and other receipts from commercial loans and installment obligations that are not secured by real or tangible personal property are from sources in this State if the proceeds of the loan are to be applied in this State. If it cannot be determined where the funds are to be applied, the income and receipts are from sources in this State if the office of the borrower from which the loan was negotiated in the regular course of business is located in this State. If the location of this office cannot be determined, the income and receipts shall be excluded from the numerator and denominator of the sales factor.

(v) Interest income, fees, gains on disposition, service charges, merchant discount income, and other receipts from credit card receivables are from sources in this State if the card charges are regularly billed to a customer in this State.

(vi) Receipts from the performance of services, including, but not limited to, fiduciary, advisory, and brokerage services, are in this State if the services are received in this State within the meaning of subparagraph (a)(3)(C-5)(iv) of this Section.

(vii) Receipts from the issuance of travelers checks and money orders are from sources in this State if the checks and money orders are issued from a
(viii) For tax years ending before December 31, 2024, receipts from investment assets and activities and trading assets and activities are included in the receipts factor as follows:

(1) Interest, dividends, net gains (but not less than zero) and other income from investment assets and activities from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities include, but are not limited to: investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (A) and (B) of this paragraph, the receipts factor shall include the amounts described in such subparagraphs.

(A) The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal
funds purchased and securities sold under repurchase agreements.

(B) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2) The numerator of the receipts factor includes interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities described in paragraph (1) of this subsection that are attributable to this State.

(A) The amount of interest, dividends, net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this State and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities which are properly
assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(B) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (A) of paragraph (1) of this subsection from such funds and such securities by a fraction, the numerator of which is the gross income from such funds and such securities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such funds and such securities.

(C) The amount of interest, dividends, gains, and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book and foreign currency transactions (but excluding amounts described in subparagraphs (A) or (B) of this
paragraph), attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (B) of paragraph (1) of this subsection by a fraction, the numerator of which is the gross income from such trading assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(D) Properly assigned, for purposes of this paragraph (2) of this subsection, means the investment or trading asset or activity is assigned to the fixed place of business with which it has a preponderance of substantive contacts. An investment or trading asset or activity assigned by the taxpayer to a fixed place of business without the State shall be presumed to have been properly assigned if:

(i) the taxpayer has assigned, in the regular course of its business, such asset or activity on its records to a fixed place of business consistent with federal or state regulatory requirements;

(ii) such assignment on its records is
based upon substantive contacts of the asset or activity to such fixed place of business; and

(iii) the taxpayer uses such records reflecting assignment of such assets or activities for the filing of all state and local tax returns for which an assignment of such assets or activities to a fixed place of business is required.

(E) The presumption of proper assignment of an investment or trading asset or activity provided in subparagraph (D) of paragraph (2) of this subsection may be rebutted upon a showing by the Department, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such asset or activity did not occur at the fixed place of business to which it was assigned on the taxpayer's records. If the fixed place of business that has a preponderance of substantive contacts cannot be determined for an investment or trading asset or activity to which the presumption in subparagraph (D) of paragraph (2) of this subsection does not apply or with respect to which that presumption has been rebutted, that
asset or activity is properly assigned to the state in which the taxpayer's commercial domicile is located. For purposes of this subparagraph (E), it shall be presumed, subject to rebuttal, that taxpayer's commercial domicile is in the state of the United States or the District of Columbia to which the greatest number of employees are regularly connected with the management of the investment or trading income or out of which they are working, irrespective of where the services of such employees are performed, as of the last day of the taxable year.

(ix) For tax years ending on or after December 31, 2024, receipts from investment assets and activities and trading assets and activities are included in the receipts factor as follows:

(1) Interest, dividends, net gains (but not less than zero), and other income from investment assets and activities from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities include, but are not limited to the following: investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or
repurchase; options; futures contracts; forward contracts; notional principal contracts, such as swaps; equities; and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (A) and (B) of this paragraph, the receipts factor shall include the amounts described in those subparagraphs.

(A) The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements.

(B) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2) The numerator of the receipts factor includes interest, dividends, net gains (but not less than zero), and other income from investment
assets and activities and from trading assets and activities described in paragraph (1) of this subsection that are attributable to this State.

(A) The amount of interest, dividends, net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this State and included in the numerator is determined by multiplying all of the income from those assets and activities by a fraction, the numerator of which is the total receipts included in the numerator pursuant to items (i) through (vii) of this subparagraph (3) and the denominator of which is all total receipts included in the denominator, other than interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and trading assets and activities.

(B) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (A) of
paragraph (1) of this subsection from such funds and such securities by a fraction, the numerator of which is the total receipts included in the numerator pursuant to items (i) through (vii) of this subparagraph (3) and the denominator of which is all total receipts included in the denominator, other than interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and trading assets and activities.

(C) The amount of interest, dividends, gains, and other income from trading assets and activities, including, but not limited to, assets and activities in the matched book, in the arbitrage book and foreign currency transactions (but excluding amounts described in subparagraphs (A) or (B) of this paragraph), attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (B) of paragraph (1) of this subsection by a fraction, the numerator of which is the total receipts included in the numerator pursuant to items (i) through (vii) of this subparagraph (3) and the denominator...
of which is all total receipts included in the

denominator, other than interest, dividends, net gains (but not less than zero), and other

income from investment assets and activities and trading assets and activities.

(4) (Blank).

(5) (Blank).

(c-1) Federally regulated exchanges. For taxable years ending on or after December 31, 2012, business income of a federally regulated exchange shall, at the option of the federally regulated exchange, be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For purposes of this subsection, the business income within this State of a federally regulated exchange is the sum of the following:

(1) Receipts attributable to transactions executed on a physical trading floor if that physical trading floor is located in this State.

(2) Receipts attributable to all other matching, execution, or clearing transactions, including without limitation receipts from the provision of matching, execution, or clearing services to another entity, multiplied by (i) for taxable years ending on or after December 31, 2012 but before December 31, 2013, 63.77%
and (ii) for taxable years ending on or after December 31, 2013, 27.54%.

(3) All other receipts not governed by subparagraphs (1) or (2) of this subsection (c-1), to the extent the receipts would be characterized as "sales in this State" under item (3) of subsection (a) of this Section.

"Federally regulated exchange" means (i) a "registered entity" within the meaning of 7 U.S.C. Section 1a(40)(A), (B), or (C), (ii) an "exchange" or "clearing agency" within the meaning of 15 U.S.C. Section 78c (a)(1) or (23), (iii) any such entities regulated under any successor regulatory structure to the foregoing, and (iv) all taxpayers who are members of the same unitary business group as a federally regulated exchange, determined without regard to the prohibition in Section 1501(a)(27) of this Act against including in a unitary business group taxpayers who are ordinarily required to apportion business income under different subsections of this Section; provided that this subparagraph (iv) shall apply only if 50% or more of the business receipts of the unitary business group determined by application of this subparagraph (iv) for the taxable year are attributable to the matching, execution, or clearing of transactions conducted by an entity described in subparagraph (i), (ii), or (iii) of this paragraph.

In no event shall the Illinois apportionment percentage computed in accordance with this subsection (c-1) for any taxpayer for any tax year be less than the Illinois
apportionment percentage computed under this subsection (c-1) for that taxpayer for the first full tax year ending on or after December 31, 2013 for which this subsection (c-1) applied to the taxpayer.

(d) Transportation services. For taxable years ending before December 31, 2008, business income derived from furnishing transportation services shall be apportioned to this State in accordance with paragraphs (1) and (2):

(1) Such business income (other than that derived from transportation by pipeline) shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of 1 passenger or 1 net ton of freight the distance of 1 mile for a consideration. Where a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's

(A) relative railway operating income from total passenger and total freight service, as reported to the Interstate Commerce Commission, in the case of transportation by railroad, and
(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(2) Such business income derived from transportation by pipeline shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For the purposes of this paragraph, a revenue mile is the transportation by pipeline of 1 barrel of oil, 1,000 cubic feet of gas, or of any specified quantity of any other substance, the distance of 1 mile for a consideration.

(3) For taxable years ending on or after December 31, 2008, business income derived from providing transportation services other than airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be (i) all receipts from any movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline) that both originates and terminates in this State, plus (ii) that portion of the person's gross receipts from movements or shipments of people, goods, mail, oil, gas, or any other substance (other than by airline) that originates in one state or jurisdiction and terminates in another state or jurisdiction, that is determined by the ratio that the
miles traveled in this State bears to total miles everywhere and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline). Where a taxpayer is engaged in the transportation of both passengers and freight, the fraction above referred to shall first be determined separately for passenger miles and freight miles. Then an average of the passenger miles fraction and the freight miles fraction shall be weighted to reflect the taxpayer's:

(A) relative railway operating income from total passenger and total freight service, as reported to the Surface Transportation Board, in the case of transportation by railroad; and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(4) For taxable years ending on or after December 31, 2008, business income derived from furnishing airline transportation services shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of one passenger or one
net ton of freight the distance of one mile for a
consideration. If a person is engaged in the
transportation of both passengers and freight, the
fraction above referred to shall be determined by means of
an average of the passenger revenue mile fraction and the
freight revenue mile fraction, weighted to reflect the
person's relative gross receipts from passenger and
freight airline transportation.

(e) Combined apportionment. Where 2 or more persons are
engaged in a unitary business as described in subsection
(a)(27) of Section 1501, a part of which is conducted in this
State by one or more members of the group, the business income
attributable to this State by any such member or members shall
be apportioned by means of the combined apportionment method.

(f) Alternative allocation. If the allocation and
apportionment provisions of subsections (a) through (e) and of
subsection (h) do not, for taxable years ending before
December 31, 2008, fairly represent the extent of a person's
business activity in this State, or, for taxable years ending
on or after December 31, 2008, fairly represent the market for
the person's goods, services, or other sources of business
income, the person may petition for, or the Director may,
without a petition, permit or require, in respect of all or any
part of the person's business activity, if reasonable:

(1) Separate accounting;

(2) The exclusion of any one or more factors;
(3) The inclusion of one or more additional factors which will fairly represent the person's business activities or market in this State; or

(4) The employment of any other method to effectuate an equitable allocation and apportionment of the person's business income.

(g) Cross reference. For allocation of business income by residents, see Section 301(a).

(h) For tax years ending on or after December 31, 1998, the apportionment factor of persons who apportion their business income to this State under subsection (a) shall be equal to:

(1) for tax years ending on or after December 31, 1998 and before December 31, 1999, 16 2/3% of the property factor plus 16 2/3% of the payroll factor plus 66 2/3% of the sales factor;

(2) for tax years ending on or after December 31, 1999 and before December 31, 2000, 8 1/3% of the property factor plus 8 1/3% of the payroll factor plus 83 1/3% of the sales factor;

(3) for tax years ending on or after December 31, 2000, the sales factor.

If, in any tax year ending on or after December 31, 1998 and before December 31, 2000, the denominator of the payroll, property, or sales factor is zero, the apportionment factor computed in paragraph (1) or (2) of this subsection for that year shall be divided by an amount equal to 100% minus the
percentage weight given to each factor whose denominator is equal to zero.

The aggregate amount of qualified adoption expenses which may be taken into account under this Section for all taxable years with respect to the adoption of a qualifying dependent child by the taxpayer shall not exceed $2,000 ($1,000 in the case of a married individual filing a separate return). The credit under this Section shall be allowed: (i) in the case of any expense paid or incurred before the taxable year in which such adoption becomes final, for the taxable year following the taxable year during which such expense is paid or incurred, and (ii) in the case of an expense paid or incurred during or after the taxable year in which such adoption becomes final, for the taxable year in which such expense is paid or incurred. The county treasurer shall distribute the taxes collected at the next 30-day interval if the taxes collected are $5 or more. If the tax collections for a taxing district are less than $5 for 3 consecutive 30-day intervals, the county treasurer shall automatically distribute the taxes collected to the unit of local government on the third 30-day interval. **All interest earned by a county on behalf of taxing districts must be distributed by the county treasurer, in counties with less than 3,000,000 inhabitants, no later than the last distribution of taxes.** The county treasurer shall determine the manner in which all distributions under this Section are to be made. 2024, each individual taxpayer who has at least one qualifying
child who is younger than 12 years of age as of the last day of
the taxable year is entitled to a credit against the tax
imposed by subsections (a) and (b) of Section 201. For tax
years beginning on or after January 1, 2024 and before January

amount of the credit shall be equal to 40% of the credit

ARTICLE 105.

Section 105-5. The Illinois Income Tax Act is amended by changing Section 207 as follows:

(35 ILCS 5/207) (from Ch. 120, par. 2-207)

Sec. 207. Net Losses.

(a) If after applying all of the (i) modifications provided for in paragraph (2) of Section 203(b), paragraph (2) of Section 203(c) and paragraph (2) of Section 203(d) and (ii) the allocation and apportionment provisions of Article 3 of
this Act and subsection (c) of this Section, the taxpayer's net income results in a loss;

(1) for any taxable year ending prior to December 31, 1999, such loss shall be allowed as a carryover or carryback deduction in the manner allowed under Section 172 of the Internal Revenue Code;

(2) for any taxable year ending on or after December 31, 1999 and prior to December 31, 2003, such loss shall be allowed as a carryback to each of the 2 taxable years preceding the taxable year of such loss and shall be a net operating loss carryover to each of the 20 taxable years following the taxable year of such loss;

(3) for any taxable year ending on or after December 31, 2003 and prior to December 31, 2021, such loss shall be allowed as a net operating loss carryover to each of the 12 taxable years following the taxable year of such loss, except as provided in subsection (d); and

(4) for any taxable year ending on or after December 31, 2021, and for any net loss incurred in a taxable year prior to a taxable year ending on or after December 31, 2021 for which the statute of limitation for utilization of such net loss has not expired, such loss shall be allowed as a net operating loss carryover to each of the 20 taxable years following the taxable year of such loss, except as provided in subsection (d).

(a-5) Election to relinquish carryback and order of
application of losses.

(A) For losses incurred in tax years ending prior to December 31, 2003, the taxpayer may elect to relinquish the entire carryback period with respect to such loss. Such election shall be made in the form and manner prescribed by the Department and shall be made by the due date (including extensions of time) for filing the taxpayer's return for the taxable year in which such loss is incurred, and such election, once made, shall be irrevocable.

(B) The entire amount of such loss shall be carried to the earliest taxable year to which such loss may be carried. The amount of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the deductions for carryback or carryover of such loss allowable for each of the prior taxable years to which such loss may be carried.

(b) Any loss determined under subsection (a) of this Section must be carried back or carried forward in the same manner for purposes of subsections (a) and (b) of Section 201 of this Act as for purposes of subsections (c) and (d) of Section 201 of this Act.

(c) Notwithstanding any other provision of this Act, for each taxable year ending on or after December 31, 2008, for purposes of computing the loss for the taxable year under
subsection (a) of this Section and the deduction taken into account for the taxable year for a net operating loss carryover under paragraphs (1), (2), and (3) of subsection (a) of this Section, the loss and net operating loss carryover shall be reduced in an amount equal to the reduction to the net operating loss and net operating loss carryover to the taxable year, respectively, required under Section 108(b)(2)(A) of the Internal Revenue Code, multiplied by a fraction, the numerator of which is the amount of discharge of indebtedness income that is excluded from gross income for the taxable year (but only if the taxable year ends on or after December 31, 2008) under Section 108(a) of the Internal Revenue Code and that would have been allocated and apportioned to this State under Article 3 of this Act but for that exclusion, and the denominator of which is the total amount of discharge of indebtedness income excluded from gross income under Section 108(a) of the Internal Revenue Code for the taxable year. The reduction required under this subsection (c) shall be made after the determination of Illinois net income for the taxable year in which the indebtedness is discharged.

(d) In the case of a corporation (other than a Subchapter S corporation):

(1) no carryover deduction shall be allowed under this Section for any taxable year ending after December 31, 2010 and prior to December 31, 2012; and

(2) no carryover deduction shall exceed $100,000 for
any taxable year ending on or after December 31, 2012 and prior to December 31, 2014 and for any taxable year ending on or after December 31, 2021 and prior to December 31, 2024; and

(3) no carryover deduction shall exceed $500,000 for any taxable year ending on or after December 31, 2024 and prior to December 31, 2027.

For the provided that, for purposes of determining the taxable years to which a net loss may be carried under subsection (a) of this Section, no taxable year for which a deduction is disallowed under this subsection, or for which the deduction would exceed $100,000 or $500,000, as applicable, if not for this subsection, shall be counted.

(e) In the case of a residual interest holder in a real estate mortgage investment conduit subject to Section 860E of the Internal Revenue Code, the net loss in subsection (a) shall be equal to:

(1) the amount computed under subsection (a), without regard to this subsection (e), or if that amount is positive, zero;

(2) minus an amount equal to the amount computed under subsection (a), without regard to this subsection (e), minus the amount that would be computed under subsection (a) if the taxpayer's federal taxable income were computed without regard to Section 860E of the Internal Revenue Code and without regard to this subsection (e).
The modification in this subsection (e) is exempt from the provisions of Section 250.

ARTICLE 110.

Section 110-5. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, including any local tax administered by the
Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the discount allowed under this Section and the Retailers' Occupation Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return
is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. The return shall include the gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption)
which were received during the preceding calendar month, quarter, or year, as appropriate, and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700. The return shall also include the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.
The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise
required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000
or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds
transfer and any taxpayers authorized to voluntarily make
payments by electronic funds transfer shall make those
payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to
effectuate a program of electronic funds transfer and the
requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly
tax liability to the Department under this Act, the Retailers'
Occupation Tax Act, the Service Occupation Tax Act, the
Service Use Tax Act was $10,000 or more during the preceding 4
calendar quarters, he shall file a return with the
Department each month by the 20th day of the month next
following the month during which such tax liability is
incurred and shall make payments to the Department on or
before the 7th, 15th, 22nd and last day of the month during
which such liability is incurred. On and after October 1,
2000, if the taxpayer's average monthly tax liability to the
Department under this Act, the Retailers' Occupation Tax Act,
the Service Occupation Tax Act, and the Service Use Tax Act was
$20,000 or more during the preceding 4 complete calendar
quarters, he shall file a return with the Department each
month by the 20th day of the month next following the month
during which such tax liability is incurred and shall make
payment to the Department on or before the 7th, 15th, 22nd and
last day of the month during which such liability is incurred.

If the month during which such tax liability is incurred began
prior to January 1, 1985, each payment shall be in an amount
equal to 1/4 of the taxpayer's actual liability for the month
or an amount set by the Department not to exceed 1/4 of the
average monthly liability of the taxpayer to the Department
for the preceding 4 complete calendar quarters (excluding the
month of highest liability and the month of lowest liability
in such 4 quarter period). If the month during which such tax
liability is incurred begins on or after January 1, 1985, and
prior to January 1, 1987, each payment shall be in an amount
equal to 22.5% of the taxpayer's actual liability for the
month or 27.5% of the taxpayer's liability for the same
calendar month of the preceding year. If the month during
which such tax liability is incurred begins on or after
January 1, 1987, and prior to January 1, 1988, each payment
shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 26.25% of the taxpayer's liability
for the same calendar month of the preceding year. If the month
during which such tax liability is incurred begins on or after
January 1, 1988, and prior to January 1, 1989, or begins on or
after January 1, 1996, each payment shall be in an amount equal
to 22.5% of the taxpayer's actual liability for the month or
25% of the taxpayer's liability for the same calendar month of
the preceding year. If the month during which such tax
liability is incurred begins on or after January 1, 1989, and
prior to January 1, 1996, each payment shall be in an amount
equal to 22.5% of the taxpayer's actual liability for the
month or 25% of the taxpayer's liability for the same calendar
month of the preceding year or 100% of the taxpayer's actual
liability for the quarter monthly reporting period. The amount
of such quarter monthly payments shall be credited against the
final tax liability of the taxpayer's return for that month.
Before October 1, 2000, once applicable, the requirement of
the making of quarter monthly payments to the Department shall
continue until such taxpayer's average monthly liability to
the Department during the preceding 4 complete calendar
quarters (excluding the month of highest liability and the
month of lowest liability) is less than $9,000, or until such
taxpayer's average monthly liability to the Department as
computed for each calendar quarter of the 4 preceding complete
calendar quarter period is less than $10,000. However, if a
taxpayer can show the Department that a substantial change in
the taxpayer's business has occurred which causes the taxpayer
to anticipate that his average monthly tax liability for the
reasonably foreseeable future will fall below the $10,000
threshold stated above, then such taxpayer may petition the
Department for change in such taxpayer's reporting status. On
and after October 1, 2000, once applicable, the requirement of
the making of quarter monthly payments to the Department shall
continue until such taxpayer's average monthly liability to
the Department during the preceding 4 complete calendar
quarters (excluding the month of highest liability and the
month of lowest liability) is less than $19,000 or until such
taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments
due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act.
Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced, if necessary, to reflect by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a
given year being due by October 20 of such year, and with the
return for October, November and December of a given year
being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or
quarterly return and if the retailer's average monthly tax
liability to the Department does not exceed $50, the
Department may authorize his returns to be filed on an annual
basis, with the return for a given year being due by January 20
of the following year.

Such quarter annual and annual returns, as to form and
substance, shall be subject to the same requirements as
monthly returns.

Notwithstanding any other provision in this Act concerning
the time within which a retailer may file his return, in the
case of any retailer who ceases to engage in a kind of business
which makes him responsible for filing returns under this Act,
such retailer shall file a final return under this Act with the
Department not more than one month after discontinuing such
business.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with
an agency of this State, except as otherwise provided in this
Section, every retailer selling this kind of tangible personal
property shall file, with the Department, upon a form to be
prescribed and supplied by the Department, a separate return
for each such item of tangible personal property which the
retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the
Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the
Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be
titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer
wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax
so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but
shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program
Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 3-6, is imposed at the rate of 1.25%, then the Department shall pay 100% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the State and Local Sales Tax Reform Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.
Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000.
in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3
of the Retailers' Occupation Tax Act), an amount equal to the
difference shall be immediately paid into the Build Illinois
Fund from other moneys received by the Department pursuant to
the Tax Acts; and further provided, that if on the last
business day of any month the sum of (1) the Tax Act Amount
required to be deposited into the Build Illinois Bond Account
in the Build Illinois Fund during such month and (2) the amount
transferred during such month to the Build Illinois Fund from
the State and Local Sales Tax Reform Fund shall have been less
than 1/12 of the Annual Specified Amount, an amount equal to
the difference shall be immediately paid into the Build
Illinois Fund from other moneys received by the Department
pursuant to the Tax Acts; and, further provided, that in no
event shall the payments required under the preceding proviso
result in aggregate payments into the Build Illinois Fund
pursuant to this clause (b) for any fiscal year in excess of
the greater of (i) the Tax Act Amount or (ii) the Annual
Specified Amount for such fiscal year; and, further provided,
that the amounts payable into the Build Illinois Fund under
this clause (b) shall be payable only until such time as the
aggregate amount on deposit under each trust indenture
securing Bonds issued and outstanding pursuant to the Build
Illinois Bond Act is sufficient, taking into account any
future investment income, to fully provide, in accordance with
such indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds
secured by such indenture and on any Bonds expected to be
issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the
Budget (now Governor's Office of Management and Budget). If on
the last business day of any month in which Bonds are
outstanding pursuant to the Build Illinois Bond Act, the
aggregate of the moneys deposited in the Build Illinois Bond
Account in the Build Illinois Fund in such month shall be less
than the amount required to be transferred in such month from
the Build Illinois Bond Account to the Build Illinois Bond
Retirement and Interest Fund pursuant to Section 13 of the
Build Illinois Bond Act, an amount equal to such deficiency
shall be immediately paid from other moneys received by the
Department pursuant to the Tax Acts to the Build Illinois
Fund; provided, however, that any amounts paid to the Build
Illinois Fund in any fiscal year pursuant to this sentence
shall be deemed to constitute payments pursuant to clause (b)
of the preceding sentence and shall reduce the amount
otherwise payable for such fiscal year pursuant to clause (b)
of the preceding sentence. The moneys received by the
Department pursuant to this Act and required to be deposited
into the Build Illinois Fund are subject to the pledge, claim
and charge set forth in Section 12 of the Build Illinois Bond
Act.

Subject to payment of amounts into the Build Illinois Fund
as provided in the preceding paragraph or in any amendment
thereto hereafter enacted, the following specified monthly
installment of the amount requested in the certificate of the
Chairman of the Metropolitan Pier and Exposition Authority
provided under Section 8.25f of the State Finance Act, but not
in excess of the sums designated as "Total Deposit", shall be
deposited in the aggregate from collections under Section 9 of
the Use Tax Act, Section 9 of the Service Use Tax Act, Section
9 of the Service Occupation Tax Act, and Section 3 of the
Retailers' Occupation Tax Act into the McCormick Place
Expansion Project Fund in the specified fiscal years.

and each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund,
and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from
the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a public-private agreement between the public agency and private entity and completion of the civic build, beginning on July 1, 2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from
collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private Partnership for Civic and Transit Infrastructure Project Act. The moneys received by the Department pursuant to this Act and required to be deposited into the Civic and Transit Infrastructure Fund are subject to the pledge, claim, and charge set forth in Section 25-55 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

As used in this paragraph, "civic build", "private entity", "public-private agreement", and "public agency" have the meanings provided in Section 25-10 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

Beginning July 1, 2021 and until July 1, 2022, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2023 and until July 1, 2024, subject to the
payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Law, and "gasohol" has the meaning given to that term in Section 3-40 of this Act.
Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 110-10. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate. When determining the discount allowed under this Section, servicemen shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly. The
discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly: (i) food for human consumption that is to be
consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the items listed in the previous sentence but for the 0% rate imposed under this amendatory Act of the 102nd General Assembly.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The
taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting
tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the
Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to
effectuate a program of electronic funds transfer and the
requirements of this Section.

If the serviceman is otherwise required to file a monthly
return and if the serviceman's average monthly tax liability
to the Department does not exceed $200, the Department may
authorize his returns to be filed on a quarter annual basis,
with the return for January, February and March of a given year
being due by April 20 of such year; with the return for April,
May and June of a given year being due by July 20 of such year;
with the return for July, August and September of a given year
being due by October 20 of such year, and with the return for
October, November and December of a given year being due by
January 20 of the following year.

If the serviceman is otherwise required to file a monthly
or quarterly return and if the serviceman's average monthly
tax liability to the Department does not exceed $50, the
Department may authorize his returns to be filed on an annual
basis, with the return for a given year being due by January 20
of the following year.

Such quarter annual and annual returns, as to form and
substance, shall be subject to the same requirements as
monthly returns.

Notwithstanding any other provision in this Act concerning
the time within which a serviceman may file his return, in the
case of any serviceman who ceases to engage in a kind of
business which makes him responsible for filing returns under
this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the
Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each
month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an
amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the
Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the
aggregate amount on deposit under each trust indenture
securing Bonds issued and outstanding pursuant to the Build
Illinois Bond Act is sufficient, taking into account any
future investment income, to fully provide, in accordance with
such indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds
secured by such indenture and on any Bonds expected to be
issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the
Budget (now Governor's Office of Management and Budget). If on
the last business day of any month in which Bonds are
outstanding pursuant to the Build Illinois Bond Act, the
aggregate of the moneys deposited in the Build Illinois Bond
Account in the Build Illinois Fund in such month shall be less
than the amount required to be transferred in such month from
the Build Illinois Bond Account to the Build Illinois Bond
Retirement and Interest Fund pursuant to Section 13 of the
Build Illinois Bond Act, an amount equal to such deficiency
shall be immediately paid from other moneys received by the
Department pursuant to the Tax Acts to the Build Illinois
Fund; provided, however, that any amounts paid to the Build
Illinois Fund in any fiscal year pursuant to this sentence
shall be deemed to constitute payments pursuant to clause (b)
of the preceding sentence and shall reduce the amount
otherwise payable for such fiscal year pursuant to clause (b)
of the preceding sentence. The moneys received by the
Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Section 110-15. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Retailers' Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate. When determining the discount allowed under this Section, servicemen shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700 this amendatory Act of the 102nd General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is
subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but
for the 0% rate imposed under Public Act 102-700 this amendatory Act of the 102nd General Assembly: (i) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the items listed in the previous sentence but for the 0% rate imposed under Public Act 102-700 this amendatory Act of the 102nd General Assembly.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a
quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax herein imposed on aviation fuel acquired as an incident to the purchase of a service in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related
to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen transferring aviation fuel incident to sales of service shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax
Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a serviceman may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Service Use Tax as provided in Section 3-72 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-72 of the Service Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a serviceman in accordance with this paragraph may be used by that serviceman to satisfy service occupation tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of
aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, servicemen must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the serviceman and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-72 of the Service Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

If the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation
and use tax laws administered by the Department, for the
immediately preceding calendar year divided by 12. Beginning
on October 1, 2002, a taxpayer who has a tax liability in the
amount set forth in subsection (b) of Section 2505-210 of the
Department of Revenue Law shall make all payments required by
rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the
Department shall notify all taxpayers required to make
payments by electronic funds transfer. All taxpayers required
to make payments by electronic funds transfer shall make those
payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic
funds transfer may make payments by electronic funds transfer
with the permission of the Department.

All taxpayers required to make payment by electronic funds
transfer and any taxpayers authorized to voluntarily make
payments by electronic funds transfer shall make those
payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to
effectuate a program of electronic funds transfer and the
requirements of this Section.

Where a serviceman collects the tax with respect to the
selling price of tangible personal property which he sells and
the purchaser thereafter returns such tangible personal
property and the serviceman refunds the selling price thereof
to the purchaser, such serviceman shall also refund, to the
purchaser, the tax so collected from the purchaser. When
filing his return for the period in which he refunds such tax
to the purchaser, the serviceman may deduct the amount of the
tax so refunded by him to the purchaser from any other Service
Occupation Tax, Service Use Tax, Retailers' Occupation Tax or
Use Tax which such serviceman may be required to pay or remit
to the Department, as shown by such return, provided that the
amount of the tax to be deducted shall previously have been
remitted to the Department by such serviceman. If the
serviceman shall not previously have remitted the amount of
such tax to the Department, he shall be entitled to no
deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the
Department may prescribe and furnish a combination or joint
return which will enable servicemen, who are required to file
returns hereunder and also under the Retailers' Occupation Tax
Act, the Use Tax Act or the Service Use Tax Act, to furnish
all the return information required by all said Acts on the one
form.

Where the serviceman has more than one business registered
with the Department under separate registrations hereunder,
such serviceman shall file separate returns for each
registered business.

Beginning January 1, 1990, each month the Department shall
pay into the Local Government Tax Fund the revenue realized
for the preceding month from the 1% tax imposed under this Act.
Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general rate on sales of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation
fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers'
Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, this Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be
less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds
secured by such indenture and on any Bonds expected to be
issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the
Budget (now Governor's Office of Management and Budget). If on
the last business day of any month in which Bonds are
outstanding pursuant to the Build Illinois Bond Act, the
aggregate of the moneys deposited in the Build Illinois Bond
Account in the Build Illinois Fund in such month shall be less
than the amount required to be transferred in such month from
the Build Illinois Bond Account to the Build Illinois Bond
Retirement and Interest Fund pursuant to Section 13 of the
Build Illinois Bond Act, an amount equal to such deficiency
shall be immediately paid from other moneys received by the
Department pursuant to the Tax Acts to the Build Illinois
Fund; provided, however, that any amounts paid to the Build
Illinois Fund in any fiscal year pursuant to this sentence
shall be deemed to constitute payments pursuant to clause (b)
of the preceding sentence and shall reduce the amount
otherwise payable for such fiscal year pursuant to clause (b)
of the preceding sentence. The moneys received by the
Department pursuant to this Act and required to be deposited
into the Build Illinois Fund are subject to the pledge, claim
and charge set forth in Section 12 of the Build Illinois Bond
Act.

Subject to payment of amounts into the Build Illinois Fund
as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

revenue realized from the taxes imposed on motor fuel and
gasohol. Beginning July 1, 2023 and until July 1, 2024,
subject to the payment of amounts into the County and Mass
Transit District Fund, the Local Government Tax Fund, the

Fund, the Illinois Tax Increment Fund, and the Tax Compliance
and Administration Fund as provided in this Section, the
Department shall pay each month into the Road Fund the amount
estimated to represent 48% of the net revenue realized from
the taxes imposed on motor fuel and gasohol. Beginning July 1,
2024 and until July 1, 2025, subject to the payment of amounts
into the County and Mass Transit District Fund, the Local
Government Tax Fund, the Build Illinois Fund, the McCormick
Place Expansion Project Fund, the Illinois Tax Increment Fund,
and the Tax Compliance and Administration Fund as provided in
this Section, the Department shall pay each month into the
Road Fund the amount estimated to represent 64% of the net
revenue realized from the taxes imposed on motor fuel and
gasohol. Beginning on July 1, 2025, subject to the payment of
amounts into the County and Mass Transit District Fund, the
Local Government Tax Fund, the Build Illinois Fund, the
McCormick Place Expansion Project Fund, the Illinois Tax
Increment Fund, and the Tax Compliance and Administration Fund
as provided in this Section, the Department shall pay each

of the net revenue realized from the taxes imposed on motor
fuel and gasohol. As used in this paragraph "motor fuel" has
the meaning given to that term in Section 1.1 of the Motor Fuel

Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department
pursuant to this Act, 75% shall be paid into the General
Revenue Fund of the State Treasury and 25% shall be
reserved in a special account and used only for the transfer to
the Common School Fund as part of the monthly transfer from the
General Revenue Fund in accordance with Section 8a of the
State Finance Act.

The Department may, upon separate written notice to a
taxpayer, require the taxpayer to prepare and file with the
Department on a form prescribed by the Department within not
less than 60 days after receipt of the notice an annual
information return for the tax year specified in the notice.
Such annual return to the Department shall include a statement
of gross receipts as shown by the taxpayer's last federal
income tax return. If the total receipts of the
business as reported in the federal income tax return
do not agree with the gross receipts reported to the
Department of Revenue for the same period, the taxpayer shall
attach to his annual return a schedule showing a
reconciliation of the 2 amounts and the reasons for the
difference. The taxpayer's annual return to the Department
shall also disclose the cost of goods sold by the taxpayer
during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or
inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this
Section 110-20. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of
tangible personal property, and from services furnished, 
by him prior to the month or quarter for which the return

the preceding calendar month or quarter and upon the basis

premises where it is sold (other than alcoholic beverages, 
food consisting of or infused with adult use cannabis, 
soft drinks, and food that has been prepared for immediate 
consumption) which were received during the preceding

Act;

8. The amount of tax due, including the amount of tax 
that would have been due on food for human consumption

that has been prepared for immediate consumption) but for 
the 0% rate imposed under Public Act 102-700;

9. The signature of the taxpayer; and

10. Such other reasonable information as the

Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit
certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit
certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible
personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in
the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that
distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has
an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.
Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the
return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with
an agency of this State, except as otherwise provided in this
Section, every retailer selling this kind of tangible personal
property shall file, with the Department, upon a form to be
prescribed and supplied by the Department, a separate return
for each such item of tangible personal property which the
retailer sells, except that if, in the same transaction, (i) a
retailer of aircraft, watercraft, motor vehicles, or trailers
transfers more than one aircraft, watercraft, motor vehicle,
or trailer to another aircraft, watercraft, motor vehicle
retailer, or trailer retailer for the purpose of resale or
(ii) a retailer of aircraft, watercraft, motor vehicles, or
trailers transfers more than one aircraft, watercraft, motor
vehicle, or trailer to a purchaser for use as a qualifying
rolling stock as provided in Section 2-5 of this Act, then that
seller may report the transfer of all aircraft, watercraft,
motor vehicles, or trailers involved in that transaction to
the Department on the same uniform invoice-transaction
reporting return form. For purposes of this Section,
"watercraft" means a Class 2, Class 3, or Class 4 watercraft as
defined in Section 3-2 of the Boat Registration and Safety
Act, a personal watercraft, or any boat equipped with an
inboard motor.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with
an agency of this State, every person who is engaged in the
business of leasing or renting such items and who, in
connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the
selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the
purchaser by the retailer on such transaction (or satisfactory
evidence that such tax is not due in that particular instance,
if that is claimed to be the fact); the place and date of the
sale, a sufficient identification of the property sold, and
such other information as the Department may reasonably
require.

Such transaction reporting return shall be filed not later
than 20 days after the day of delivery of the item that is
being sold, but may be filed by the retailer at any time sooner
than that if he chooses to do so. The transaction reporting
return and tax remittance or proof of exemption from the
Illinois use tax may be transmitted to the Department by way of
the State agency with which, or State officer with whom the
tangible personal property must be titled or registered (if
titling or registration is required) if the Department and
such agency or State officer determine that this procedure
will expedite the processing of applications for title or
registration.

With each such transaction reporting return, the retailer
shall remit the proper amount of tax due (or shall submit
satisfactory evidence that the sale is not taxable if that is
the case), to the Department or its agents, whereupon the
Department shall issue, in the purchaser's name, a use tax
receipt (or a certificate of exemption if the Department is
satisfied that the particular sale is tax exempt) which such
purchaser may submit to the agency with which, or State
officer with whom, he must title or register the tangible
personal property that is involved (if titling or registration
is required) in support of such purchaser's application for an
Illinois certificate or other evidence of title or
registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this
Act precludes a user, who has paid the proper tax to the
retailer, from obtaining his certificate of title or other
evidence of title or registration (if titling or registration
is required) upon satisfying the Department that such user has
paid the proper tax (if tax is due) to the retailer. The
Department shall adopt appropriate rules to carry out the
mandate of this paragraph.

If the user who would otherwise pay tax to the retailer
wants the transaction reporting return filed and the payment
of the tax or proof of exemption made to the Department before
the retailer is willing to take these actions and such user has
not paid the tax to the retailer, such user may certify to the
fact of such delay by the retailer and may (upon the Department
being satisfied of the truth of such certification) transmit
the information required by the transaction reporting return
and the remittance for tax or proof of exemption directly to
the Department and obtain his tax receipt or exemption
determination, in which event the transaction reporting return
and tax remittance (if a tax payment was required) shall be
credited by the Department to the proper retailer's account
with the Department, but without the vendor's 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75%
on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. On and after January 1, 2021, a certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under
Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the vendor's discount allowed under this Section and the Use Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was
$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and
prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000
or more as determined in the manner provided above shall
continue until such taxpayer's average monthly liability to
the Department during the preceding 4 complete calendar
quarters (excluding the month of highest liability and the
month of lowest liability) is less than $9,000, or until such
taxpayer's average monthly liability to the Department as
computed for each calendar quarter of the 4 preceding complete
calendar quarter period is less than $10,000. However, if a
taxpayer can show the Department that a substantial change in
the taxpayer's business has occurred which causes the taxpayer
to anticipate that his average monthly tax liability for the
reasonably foreseeable future will fall below the $10,000
threshold stated above, then such taxpayer may petition the
Department for a change in such taxpayer's reporting status.

On and after October 1, 2000, once applicable, the requirement
of the making of quarter monthly payments to the Department by
taxpayers having an average monthly tax liability of $20,000
or more as determined in the manner provided above shall
continue until such taxpayer's average monthly liability to
the Department during the preceding 4 complete calendar
quarters (excluding the month of highest liability and the
month of lowest liability) is less than $19,000 or until such
taxpayer's average monthly liability to the Department as
computed for each calendar quarter of the 4 preceding complete
calendar quarter period is less than $20,000. However, if a
taxpayer can show the Department that a substantial change in
the taxpayer's business has occurred which causes the taxpayer
to anticipate that his average monthly tax liability for the
reasonably foreseeable future will fall below the $20,000
threshold stated above, then such taxpayer may petition the
Department for a change in such taxpayer's reporting status.
The Department shall change such taxpayer's reporting status
unless it finds that such change is seasonal in nature and not
likely to be long term. Quarter monthly payment status shall
be determined under this paragraph as if the rate reduction to
0% in Public Act 102-700 on food for human consumption that is
to be consumed off the premises where it is sold (other than
alcoholic beverages, food consisting of or infused with adult
use cannabis, soft drinks, and food that has been prepared for
immediate consumption) had not occurred. For quarter monthly
payments due under this paragraph on or after July 1, 2023 and
through June 30, 2024, "25% of the taxpayer's liability for
the same calendar month of the preceding year" shall be
determined as if the rate reduction to 0% in Public Act 102-700
had not occurred. Quarter monthly payment status shall be
determined under this paragraph as if the rate reduction to
1.25% in Public Act 102-700 on sales tax holiday items had not
occurred. For quarter monthly payments due on or after July 1,
2023 and through June 30, 2024, "25% of the taxpayer's
liability for the same calendar month of the preceding year"
shall be determined as if the rate reduction to 1.25% in Public
Act 102-700 on sales tax holiday items had not occurred. If any
such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month
during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to
collect and remit prepaid taxes and has collected prepaid
taxes that average in excess of $20,000 per month during the
preceding 4 complete calendar quarters shall file a return
with the Department as required by Section 2f and shall make
payments to the Department on or before the 7th, 15th, 22nd,
and last day of the month during which the liability is
incurred. Each payment shall be in an amount equal to 22.5% of
the taxpayer's actual liability for the month or 25% of the
taxpayer's liability for the same calendar month of the
preceding year. The amount of the quarter monthly payments
shall be credited against the final tax liability of the
taxpayer's return for that month filed under this Section or
Section 2f, as the case may be. Once applicable, the
requirement of the making of quarter monthly payments to the
Department pursuant to this paragraph shall continue until the
taxpayer's average monthly prepaid tax collections during the
preceding 4 complete calendar quarters (excluding the month of
highest liability and the month of lowest liability) is less
than $19,000 or until such taxpayer's average monthly
liability to the Department as computed for each calendar
quarter of the 4 preceding complete calendar quarters is less
than $20,000. If any such quarter monthly payment is not paid
at the time or in the amount required, the taxpayer shall be
liable for penalties and interest on such difference, except
insofar as the taxpayer has previously made payments for that
month in excess of the minimum payments previously due.
If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced, if necessary, to reflect by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the
taxpayer is filing a return, the Department shall issue the
taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall
pay into the Local Government Tax Fund, a special fund in the
State treasury which is hereby created, the net revenue
realized for the preceding month from the 1% tax imposed under
this Act.

Beginning January 1, 1990, each month the Department shall
pay into the County and Mass Transit District Fund, a special
fund in the State treasury which is hereby created, 4% of the
net revenue realized for the preceding month from the 6.25%
general rate other than aviation fuel sold on or after
December 1, 2019. This exception for aviation fuel only
applies for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall
pay into the County and Mass Transit District Fund 20% of the
net revenue realized for the preceding month from the 1.25%
rate on the selling price of motor fuel and gasohol. If, in any
month, the tax on sales tax holiday items, as defined in
Section 2-8, is imposed at the rate of 1.25%, then the
Department shall pay 20% of the net revenue realized for that
month from the 1.25% rate on the selling price of sales tax
holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall
pay into the Local Government Tax Fund 16% of the net revenue
realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local
Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax
Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to

The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys
received by the Department pursuant to the Tax Acts to the
Build Illinois Fund; provided, however, that any amounts paid
to the Build Illinois Fund in any fiscal year pursuant to this
sentence shall be deemed to constitute payments pursuant to
clause (b) of the first sentence of this paragraph and shall
reduce the amount otherwise payable for such fiscal year
pursuant to that clause (b). The moneys received by the
Department pursuant to this Act and required to be deposited
into the Build Illinois Fund are subject to the pledge, claim
and charge set forth in Section 12 of the Build Illinois Bond
Act.

Subject to payment of amounts into the Build Illinois Fund
as provided in the preceding paragraph or in any amendment
thereto hereafter enacted, the following specified monthly
installment of the amount requested in the certificate of the
Chairman of the Metropolitan Pier and Exposition Authority
provided under Section 8.25f of the State Finance Act, but not
in excess of sums designated as "Total Deposit", shall be
deposited in the aggregate from collections under Section 9 of
the Use Tax Act, Section 9 of the Service Use Tax Act, Section
9 of the Service Occupation Tax Act, and Section 3 of the
Retailers' Occupation Tax Act into the McCormick Place

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the

Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2023 and until July 1, 2024, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol.
Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Law, and "gasohol" has the meaning given to that term in Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not
less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal income tax return. If the total receipts of the business as reported in the federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the two amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from
such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this
transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales
was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 110-25. The Prepaid Wireless 9-1-1 Surcharge Act is amended by changing Section 20 as follows:

(50 ILCS 753/20)

Sec. 20. Administration of prepaid wireless 9-1-1 surcharge.

(a) In the administration and enforcement of this Act, the provisions of Sections 2a, 2b, 2c, 3, 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, and 12 of the Retailers' Occupation Tax Act that are not inconsistent with this Act, and Section 3-7 of the Uniform Penalty and Interest Act shall apply, as far as practicable, to the subject matter of this Act to the same extent as if those provisions were included in this Act. References to "taxes" in these incorporated Sections shall be construed to apply to the administration, payment, and remittance of all surcharges under this Act. The Department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply to the Retailers' Occupation Tax Act.

(b) A seller shall be permitted to deduct and retain 3% of prepaid wireless 9-1-1 surcharges that are collected by the seller from consumers and that are remitted and timely filed.
with the Department. Beginning with returns due on or after January 1, 2025, the 3% deduction allowed under this subsection, including any local surcharge administered by the Department and reported on the same return, shall not exceed $1,000 per month. Beginning January 1, 2018, the seller is allowed to deduct and retain a portion of the prepaid wireless 9-1-1 surcharges as authorized by this subsection only if the return is filed electronically as provided in Section 3 of the Retailers' Occupation Tax Act. Sellers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

(c) Other than the amounts for deposit into the Municipal Wireless Service Emergency Fund, the Department shall pay to the State Treasurer all prepaid wireless E911 charges, penalties, and interest collected under this Act for deposit into the Statewide 9-1-1 Fund. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available to the Illinois State Police for distribution out of the Statewide 9-1-1 Fund. The amount certified shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body. Section 135-5. The Property Tax Code is amended by changing Section 15-170 as follows:

(35 ILCS 200/15-170)

Sec. 15-170. Senior citizens homestead exemption.

(a) An annual homestead exemption limited, except as described here with relation to cooperatives or life care facilities, to a maximum reduction set forth below from the property's value, as equalized or assessed by the Department, is granted for property that is occupied as a residence by a person 65 years of age or older who is liable for paying real estate taxes on the property and is an owner of record of the property or has a legal or equitable interest therein as evidenced by a written instrument, except for a leasehold interest, other than a leasehold interest of land on which a single family residence is located, which is occupied as a residence by a person 65 years or older who has an ownership interest therein, legal, equitable or as a lessee, and on which he or she is liable for the payment of property taxes.

Before taxable year 2004, the maximum reduction shall be $2,500 in counties with 3,000,000 or more inhabitants and $2,000 in all other counties. For taxable years 2004 through 2005, the maximum reduction shall be $3,000 in all counties. For taxable years 2006 and 2007, the maximum reduction shall
be $3,500. For taxable years 2008 through 2011, the maximum reduction is $4,000 in all counties. For taxable year 2012, the maximum reduction is $5,000 in counties with 3,000,000 or more inhabitants and $4,000 in all other counties. For taxable years 2013 through 2016, the maximum reduction is $5,000 in all counties. For taxable years 2017 through 2022, the maximum reduction is $5,000 in all counties. For taxable years 2023 and thereafter, the maximum reduction is $8,000 in counties with 3,000,000 or more inhabitants and $5,000 in all other counties. For taxable years 2023 and thereafter, the maximum reduction is $8,000 in counties with 3,000,000 or more inhabitants and counties that are contiguous to a county of 3,000,000 or more inhabitants and $5,000 in all other counties.

(b) For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a
contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

(c) When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

(d) A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be
made during the application period in effect for the county of his residence.

(e) Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

(f) The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to ensure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

(g) The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form
to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

(h) The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

(i) In counties with 3,000,000 or more inhabitants, for taxable years 2010 through 2018, and beginning again in taxable year 2024, each taxpayer who has been granted an exemption under this Section must reapply on an annual basis.
If a reapplication is required, then the chief county assessment officer shall mail the application to the taxpayer at least 60 days prior to the last day of the application period for the county.

For taxable years 2019 and thereafter through 2023, in counties with 3,000,000 or more inhabitants, a taxpayer who has been granted an exemption under this Section need not reapply. However, if the property ceases to be qualified for the exemption under this Section in any year for which a reapplication is not required under this Section, then the owner of record of the property shall notify the chief county assessment officer that the property is no longer qualified. In addition, for taxable years 2019 and thereafter through 2023, the chief county assessment officer of a county with 3,000,000 or more inhabitants shall enter into an intergovernmental agreement with the county clerk of that county and the Department of Public Health, as well as any other appropriate governmental agency, to obtain information that documents the death of a taxpayer who has been granted an exemption under this Section. Notwithstanding any other provision of law, the county clerk and the Department of Public Health shall provide that information to the chief county assessment officer. The Department of Public Health shall supply this information no less frequently than every calendar quarter. Information concerning the death of a taxpayer may be shared with the county treasurer. The chief
county assessment officer shall also enter into a data exchange agreement with the Social Security Administration or its agent to obtain access to the information regarding deaths in possession of the Social Security Administration. The chief county assessment officer shall, subject to the notice requirements under subsection (m) of Section 9-275, terminate the exemption under this Section if the information obtained indicates that the property is no longer qualified for the exemption. In counties with 3,000,000 or more inhabitants, the assessor and the county clerk recorder of deeds shall establish policies and practices for the regular exchange of information for the purpose of alerting the assessor whenever the transfer of ownership of any property receiving an exemption under this Section has occurred. When such a transfer occurs, the assessor shall mail a notice to the new owner of the property (i) informing the new owner that the exemption will remain in place through the year of the transfer, after which it will be canceled, and (ii) providing information pertaining to the rules for reapplying for the exemption if the owner qualifies. In counties with 3,000,000 or more inhabitants, the chief county assessment official shall conduct, by no later than December 31 of the first year of each reassessment cycle, as determined by Section 9-220, a review audits of all exemptions granted under this Section for the preceding reassessment cycle under this Section no later than December 31, 2022 and no later than December 31, 2024. The
review audit shall be designed to ascertain whether any senior homestead exemptions have been granted erroneously. If it is determined that a senior homestead exemption has been erroneously applied to a property, the chief county assessment officer shall make use of the appropriate provisions of Section 9-275 in relation to the property that received the erroneous homestead exemption.

(j) In counties with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption. In counties in which the county board passes such a resolution, the chief county assessment official shall, prior to the submission of the final abstract for the first year of each reassessment cycle, as determined by Section 9-215, review all exemptions granted for the preceding reassessment cycle under this Section. The review shall be designed to ascertain whether any senior homestead exemptions have been granted erroneously.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

(l) The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this
Section that the person may also qualify for deferral of real
taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications
needed for deferral of real estate taxes, the address and
telephone number of county collector, and a statement that
applications for deferral of real estate taxes may be obtained
from the county collector.

(m) Notwithstanding Sections 6 and 8 of the State Mandates
Act, no reimbursement by the State is required for the
implementation of any mandate created by this Section.

In addition, any real property that is located in a county with fewer than 1,000,000 inhabitants and (i) is used for natural gas extraction and fractionation or olefin and polymer manufacturing or (ii) is used for a petroleum refinery and (ii) located within a county of less than 1,000,000 inhabitants may be the subject of a real property tax assessment settlement agreement among the taxpayer and taxing districts in which the property is situated if litigation is or was pending as to its assessed valuation as of January 1, 2003 or thereafter. Other appropriate authorities, which may include county and State boards or officials, may also be parties to such agreements. Such agreements may include the assessment of the facility or property for any years in dispute as well as for up to 10 years in the future. Any such agreement may provide that parties thereto

An agreement entered into on or after January 1, 1993 may provide for the classification of property that is the subject of the agreement as real or personal during the term of the agreement and thereafter. It may also provide that taxing districts agree to reimburse the taxpayer for amounts paid by the taxpayer in respect to taxes for the real property which is the subject of the agreement to the extent levied by those respective districts, over and above amounts which would be due if the facility were to be assessed as provided in the agreement. Such reimbursement may be provided in the agreement to be made by credit against taxes of the taxpayer. No credits shall be applied against taxes levied with respect to debt service or lease payments of a taxing district. No referendum approval or appropriation shall be required for such an agreement or such credits and any such obligation shall not constitute indebtedness of the taxing district for purposes of any statutory limitation. A county treasurer who is a party to such an agreement may agree to hold amounts paid in escrow as provided in the agreement for possible use for paying taxes until conditions of the agreement are met and then to apply these amounts as provided in the agreement. For the imposition of the privilege tax in this subsection (a-5), amounts paid pursuant to item (1) of subsection (b) of Section 56 of the Illinois Horse Racing Act of 1975 shall not be included in the determination of adjusted gross receipts.

(3) Notwithstanding the provisions of this subsection (a-5), for the first 10 years that the privilege tax is imposed under this subsection (a-5) or until the year preceding the calendar year in which paragraph (4) becomes operative, whichever occurs first, the privilege tax shall be imposed on the modified annual adjusted gross receipts of a riverboat or casino conducting gambling operations in the City of East St. Louis, unless:

(1) the riverboat or casino fails to employ at least 450 people, except no minimum employment shall be required during 2020 and 2021 or during periods that the riverboat or casino is closed on orders of State officials for public health emergencies or other emergencies not caused by the riverboat or casino;

(2) the riverboat or casino fails to maintain operations in a manner consistent with this Act or is not a viable riverboat or casino subject to the approval of the Board; or

(3) the owners licensee is not an entity in which
employees participate in an employee stock ownership plan or in which the owners licensee sponsors a 401(k) retirement plan and makes a matching employer contribution equal to at least one-quarter of the first 12% or one-half of the first 6% of each participating employee's contribution, not to exceed any limitations under federal laws and regulations.

(4) Notwithstanding the provisions of this subsection (a-5), for 10 calendar years beginning in the year that gambling operations commence either in a temporary or permanent facility at an organization gaming facility located in the City of Collinsville if the facility commences operations within 3 years of the effective date of the changes made to this Section by this amendatory Act of the 103rd General Assembly, the privilege tax imposed under this subsection (a-5) on a riverboat or casino conducting gambling operations in the City of East St. Louis shall be reduced, if applicable, by an amount equal to the difference in adjusted gross receipts for the 2022 calendar year less the current year's adjusted gross receipts, unless:

(A) the riverboat or casino fails to employ at least 350 people, except that no minimum employment shall be required during periods that the riverboat or casino is closed on orders of State officials for public health emergencies or other emergencies not caused by the riverboat or casino;
(B) the riverboat or casino fails to maintain operations in a manner consistent with this Act or is not a viable riverboat or casino subject to the approval of the Board; or

(C) the riverboat or casino fails to submit audited financial statements to the Board prepared by an accounting firm that has been preapproved by the Board and such statements were prepared in accordance with the provisions of the Financial Accounting Standards Board Accounting Standards Codification under nongovernmental accounting principles generally accepted in the United States.

As used in this subsection (a-5), "modified annual adjusted gross receipts" means:

(A) for calendar year 2020, the annual adjusted gross receipts for the current year minus the difference between an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 2014, 2015, 2016, 2017, and 2018 and the annual adjusted gross receipts for 2018;

(B) for calendar year 2021, the annual adjusted gross receipts for the current year minus the difference between an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 2014, 2015,
2016, 2017, and 2018 and the annual adjusted gross receipts for 2019; and

(C) for calendar years 2022 through 2029, the annual adjusted gross receipts for the current year minus the difference between an amount equal to the average annual adjusted gross receipts from a riverboat or casino conducting gambling operations in the City of East St. Louis for 3 years preceding the current year and the annual adjusted gross receipts for the immediately preceding year.

(a-6) From June 28, 2019 (the effective date of Public Act 101-31) until June 30, 2023, an owners licensee that conducted gambling operations prior to January 1, 2011 shall receive a dollar-for-dollar credit against the tax imposed under this Section for any renovation or construction costs paid by the owners licensee, but in no event shall the credit exceed $2,000,000.

Additionally, from June 28, 2019 (the effective date of Public Act 101-31) until December 31, 2024, an owners licensee that (i) is located within 15 miles of the Missouri border, and (ii) has at least 3 riverboats, casinos, or their equivalent within a 45-mile radius, may be authorized to relocate to a new location with the approval of both the unit of local government designated as the home dock and the Board, so long as the new location is within the same unit of local government and no more than 3 miles away from its original location. Such
owners licensee shall receive a credit against the tax imposed under this Section equal to 8% of the total project costs, as approved by the Board, for any renovation or construction costs paid by the owners licensee for the construction of the new facility, provided that the new facility is operational by July 1, 2024. In determining whether or not to approve a relocation, the Board must consider the extent to which the relocation will diminish the gaming revenues received by other Illinois gaming facilities.

(a-7) Beginning in the initial adjustment year and through the final adjustment year, if the total obligation imposed pursuant to either subsection (a-5) or (a-6) will result in an owners licensee receiving less after-tax adjusted gross receipts than it received in calendar year 2018, then the total amount of privilege taxes that the owners licensee is required to pay for that calendar year shall be reduced to the extent necessary so that the after-tax adjusted gross receipts in that calendar year equals the after-tax adjusted gross receipts in calendar year 2018, but the privilege tax reduction shall not exceed the annual adjustment cap. If pursuant to this subsection (a-7), the total obligation imposed pursuant to either subsection (a-5) or (a-6) shall be reduced, then the owners licensee shall not receive a refund from the State at the end of the subject calendar year but instead shall be able to apply that amount as a credit against any payments it owes to the State in the following calendar
year to satisfy its total obligation under either subsection (a-5) or (a-6). The credit for the final adjustment year shall occur in the calendar year following the final adjustment year.

If an owners licensee that conducted gambling operations prior to January 1, 2019 expands its riverboat or casino, including, but not limited to, with respect to its gaming floor, additional non-gaming amenities such as restaurants, bars, and hotels and other additional facilities, and incurs construction and other costs related to such expansion from June 28, 2019 (the effective date of Public Act 101-31) until June 28, 2024 (the 5th anniversary of the effective date of Public Act 101-31), then for each $15,000,000 spent for any such construction or other costs related to expansion paid by the owners licensee, the final adjustment year shall be extended by one year and the annual adjustment cap shall increase by 0.2% of adjusted gross receipts during each calendar year until and including the final adjustment year. No further modifications to the final adjustment year or annual adjustment cap shall be made after $75,000,000 is incurred in construction or other costs related to expansion so that the final adjustment year shall not extend beyond the 9th calendar year after the initial adjustment year, not including the initial adjustment year, and the annual adjustment cap shall not exceed 4% of adjusted gross receipts in a particular calendar year. Construction and
other costs related to expansion shall include all project
related costs, including, but not limited to, all hard and
soft costs, financing costs, on or off-site ground, road or
utility work, cost of gaming equipment and all other personal
property, initial fees assessed for each incremental gaming
position, and the cost of incremental land acquired for such
expansion. Soft costs shall include, but not be limited to,
legal fees, architect, engineering and design costs, other
consultant costs, insurance cost, permitting costs, and
pre-opening costs related to the expansion, including, but not
limited to, any of the following: marketing, real estate
taxes, personnel, training, travel and out-of-pocket expenses,
supply, inventory, and other costs, and any other project
related soft costs.

To be eligible for the tax credits in subsection (a-6),
all construction contracts shall include a requirement that
the contractor enter into a project labor agreement with the
building and construction trades council with geographic
jurisdiction of the location of the proposed gaming facility.

Notwithstanding any other provision of this subsection
(a-7), this subsection (a-7) does not apply to an owners
licensee unless such owners licensee spends at least
$15,000,000 on construction and other costs related to its
expansion, excluding the initial fees assessed for each
incremental gaming position.

This subsection (a-7) does not apply to owners licensees
authorized pursuant to subsection (e-5) of Section 7 of this Act.

For purposes of this subsection (a-7):

"Building and construction trades council" means any organization representing multiple construction entities that are monitoring or attentive to compliance with public or workers' safety laws, wage and hour requirements, or other statutory requirements or that are making or maintaining collective bargaining agreements.

"Initial adjustment year" means the year commencing on January 1 of the calendar year immediately following the earlier of the following:

(1) the commencement of gambling operations, either in a temporary or permanent facility, with respect to the owners license authorized under paragraph (1) of subsection (e-5) of Section 7 of this Act; or

(2) June 28, 2021 (24 months after the effective date of Public Act 101-31);

provided the initial adjustment year shall not commence earlier than June 28, 2020 (12 months after the effective date of Public Act 101-31).

"Final adjustment year" means the 2nd calendar year after the initial adjustment year, not including the initial adjustment year, and as may be extended further as described in this subsection (a-7).

"Annual adjustment cap" means 3% of adjusted gross
receipts in a particular calendar year, and as may be
increased further as otherwise described in this subsection
(a-7).

(a-8) Riverboat gambling operations conducted by a
licensed manager on behalf of the State are not subject to the
tax imposed under this Section.

(a-9) Beginning on January 1, 2020, the calculation of
gross receipts or adjusted gross receipts, for the purposes of
this Section, for a riverboat, a casino, or an organization
gaming facility shall not include the dollar amount of
non-cashable vouchers, coupons, and electronic promotions
redeemed by wagerers upon the riverboat, in the casino, or in
the organization gaming facility up to and including an amount
not to exceed 20% of a riverboat's, a casino's, or an
organization gaming facility's adjusted gross receipts.

The Illinois Gaming Board shall submit to the General
Assembly a comprehensive report no later than March 31, 2023
detailing, at a minimum, the effect of removing non-cashable
vouchers, coupons, and electronic promotions from this
calculation on net gaming revenues to the State in calendar
years 2020 through 2022, the increase or reduction in wagerers
as a result of removing non-cashable vouchers, coupons, and
electronic promotions from this calculation, the effect of the
tax rates in subsection (a-5) on net gaming revenues to this
State, and proposed modifications to the calculation.

(a-10) The taxes imposed by this Section shall be paid by
the licensed owner or the organization gaming licensee to the Board not later than 5:00 o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after August 23, 2005 (the effective date of Public Act 94-673) that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10
owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.

Section 165-5. The Illinois Local Library Act is amended by changing Section 4-9 as follows:

(75 ILCS 5/4-9) (from Ch. 81, par. 4-9)
Sec. 4-9. In townships and in cities, villages and incorporated towns having a population of 500,000 or less, the board of trustees shall require the treasurer of such board or such other person as may be designated as the custodian of the moneys paid over to such board to give a bond to be approved by such board and in such amount, not less than 10% of the total funds received by the library in the last fiscal year, conditioned that he will safely keep and pay over upon the order of such board all funds received and held by him for such board of trustees. For a library in a city, village, incorporated town or township, the board of library trustees may designate the treasurer of the corporate authority, or the supervisor in the case of a township, as the custodian of the library fund, and the bond given by the treasurer or the
supervisor shall satisfy the bond requirements of this section when properly endorsed. The cost of any surety bond shall be borne by the library. As an alternative to a personal bond on the treasurer or custodian of funds, the board of trustees may require the treasurer or custodian to secure for the library an insurance policy or other insurance instrument that provides the library with coverage for negligent or intentional acts by library officials and employees that could result in the loss of library funds. The coverage shall be in an amount at least equal to 10% of the average amount of the library's operating fund from the prior 3 fiscal years. The coverage shall be placed with an insurer approved by the board. The cost of any such coverage shall be borne by the library. The library shall provide the Illinois State Library a copy of the library's certificate of insurance at the time the library's annual report is filed.

Section 165-10. The Illinois Library System Act is amended by changing Section 5 as follows:

(75 ILCS 10/5) (from Ch. 81, par. 115)

Sec. 5. Each library system created as provided in Section 4 of this Act shall be governed by a board of directors numbering at least 5 and no more than 15 persons, except as required by Section 6 for library systems in cities with a
population of 500,000 or more. The board shall be representative of the variety of library interests in the system, and at least a majority shall be elected or selected from the governing boards of the member public libraries, with not more than one director representing a single member library. For library systems as defined in subparagraph (3) of the definition of "library system" in Section 2, the board members shall be representative of the types of libraries that library system serves. The number of directors, the manner of election or selection, the term of office and the provision for filling vacancies shall be determined by the system governing board except that all board members must be eligible electors in the geographical area of the system. No director of any library system, however, shall be permitted to serve for more than a total of 6 years unless 2 years have elapsed since his sixth year of service.

The board of directors shall elect a president, secretary and treasurer. Before entering upon his duties, the treasurer shall be required to give a bond in an amount to be approved by the board, but in no case shall such amount be less than 10% of the system's area and per capita grant for the previous year, conditioned that he will safely keep and pay over upon the order of such board all funds received and held by him for the library system. As an alternative to a personal bond on the treasurer, the board of trustees may require the treasurer to secure for the system an insurance policy or other insurance
instrument that provides the library with coverage for
negligent or intentional acts by system officials and
employees that could result in the loss of system funds. The
coverage shall be in an amount at least equal to 10% 50% of the
average amount of the system's operating fund from the prior 3
table fiscal years. The coverage shall be placed with an insurer
approved by the board. The cost of any such coverage shall be
borne by the system. The system shall provide the Illinois
State Library a copy of the system's certificate of insurance
at the time the system's annual report is filed. The funds of
the library system shall be deposited in a bank or savings and
loan association designated by the board of directors and
shall be expended only under the direction of such board upon
properly authenticated vouchers.

No bank or savings and loan association shall receive
public funds as permitted by this Section, unless it has
complied with the requirements established pursuant to Section
6 of the Public Funds Investment Act.

The members of the board of directors of the library
system shall serve without compensation but their actual and
necessary expenses shall be a proper charge against the
library fund.

(a) The duties of the officers of the board are as provided in this Section.

(b) The president shall preside over all meetings, appoint members of committees authorized by the district's regulations, and perform other duties specified by the district's regulations, ordinances, or other appropriate action. In the president's absence, the vice president shall preside at meetings. The president shall not have or exercise veto powers.

(c) The vice president's duties shall be prescribed by regulations.

(d) The treasurer shall keep and maintain accounts and records of the district during the treasurer's term in office, indicating in those accounts and records a record of all receipts, disbursements, and balances in any funds. Annual audit and financial report requirements shall conform with Section 3 of the Governmental Account Audit Act.

(e) The treasurer shall give bond to the district to faithfully discharge the duties of the office and to account to the district for all district funds coming into the treasurer's hands. The bond shall be in an amount and with sureties approved by the board. The amount of the bond shall be based upon a minimum of 10% 50% of the total funds received by
the district in the last previous fiscal year. The cost of any
surety bond shall be borne by the district. As an alternative
to a personal bond on the treasurer, the treasurer may secure
for the district an insurance policy or other insurance
instrument that provides the district with coverage for
negligent or intentional acts by district officials and
employees that could result in the loss of district funds. The
coverage shall be in an amount at least equal to 10% 50% of the
average amount of the district's operating fund from the prior
3 fiscal years. The coverage shall be placed with an insurer
approved by the board. The cost of any such coverage shall be
borne by the district. The system shall provide the Illinois
State Library a copy of the district's certificate of
insurance at the time the district's annual report is filed.

(f) Any person, entity, or public body or agency
possessing district funds, property, or records shall, upon
demand by any trustee, transfer and release the funds,
property, or records to the treasurer.

(g) The secretary shall keep and maintain appropriate
records for his or her term in office and shall include in
those records a record of the minutes of all meetings, the
names of those in attendance, the ordinances enacted, the
resolutions and regulations adopted, and all other pertinent
written matter affecting the operation of the district. The
secretary may administer oaths and affirmations for the
purposes of this Act.

Section 170-10. Tax credit awards; limitations.

(a) For taxable years ending on or after December 31, 2025 and ending before January 1, 2030, the Department shall award, in accordance with this Act, income tax credits to taxpayers who provide an endowment gift to a permanent endowment fund during the taxable year and receive a certificate of receipt under Section 170-15 for that gift. Subject to the limitations in this Section, the amount of the credit that may be awarded to a taxpayer by the Department under this Act is an amount
equal to 25% of the endowment gift.

(b) The aggregate amount of all Illinois Gives tax credits awarded by the Department under this Act in any calendar year may not exceed $5,000,000.

(c) The aggregate amount of all Illinois Gives tax credits that the Department may award to any taxpayer under this Act in any calendar year may not exceed $100,000.

(d) The amount of contributions to any specific qualified community foundation that are eligible for Illinois Gives tax credits under this Section in any calendar year shall not exceed $3,000,000.

(e) Of the annual amount available for tax credits, 25% must be reserved for endowment gifts that do not exceed the small gift maximum set forth in this subsection. The small gift maximum is $25,000. For purposes of determining if a donation meets the small gift maximum, the amount of the credit authorization certificate under Section 170-15 shall be used.

(f) For the purpose of this Section, a credit is considered to be awarded on the date the Department issues an approved contribution authorization certificate under Section 170-15.

Section 170-15. Applications for tax credits.

(a) The taxpayer shall apply to the Department, in the form and manner prescribed by the Department, for a
contribution authorization certificate. A taxpayer who makes
more than one credit-eligible endowment gift must make a
separate application for each contribution authorization
certificate. Applications under this subsection shall be
reviewed by the Department and shall either be approved or
denied. Each approved contribution authorization certificate
shall be sent to the taxpayer within 3 business days after the
certificate is approved. The Department shall maintain on its
website a running total of: (i) the total amount of credits
remaining under this Act for which taxpayers may apply for a
contribution authorization certificate issued in the calendar
year; (ii) the total amount of credits allocated during the
calendar year for each specific community foundation; and
(iii) the total amount remaining for the calendar year under
the small gift maximum set forth in Section 170-10. Those
running totals shall be updated every business day.

(b) The taxpayer shall make the endowment gift to the
permanent endowment fund either prior to or within 10 business
days after the taxpayer receives the approved contribution
authorization certificate under subsection (a). The qualified
community foundation shall, within 30 business days after
receipt of an endowment gift for which a contribution
authorization certificate has been approved by the Department
under subsection (a), issue to the taxpayer a written
certificate of receipt, which shall contain the information
required by the Department by rule. No receipt shall be issued
for amounts that are not actually received by the qualified community foundation within 10 business days after the taxpayer receives the approved contribution authorization certificate.

Section 170-20. Approval to issue certificates of receipt.

(a) A qualified community foundation shall submit an application for approval to issue certificates of receipt, in the form and manner prescribed by the Department, provided that each application shall include:

(1) documentary evidence that the qualified community foundation meets the qualifications under Section 170(b)(1)(A)(vi) of the Internal Revenue Code and substantially complies with the standards established by Community Foundations National Standards;

(2) certification that the qualified community foundation holds a permanent endowment fund meeting the criteria established in Section 170-5;

(3) a list of the names and addresses of all members of the governing board of the qualified community foundation; and

(4) a copy of the most recent financial audit of the qualified community foundation's accounts and records conducted by an independent certified public accountant in accordance with auditing standards generally accepted in the United States, government auditing standards, and
rules adopted by the Department.

(b) The Department shall review and either approve or deny each application to issue certificates of receipt pursuant to this Act. Approval or denial of an application shall be made on a periodic basis. Applicants shall be notified of the Department's determination within 30 business days after the application is received.

Section 170-25. Certificates of receipt.

(a) No qualified community foundation shall issue a certificate of receipt for any qualified contribution made by a taxpayer under this Act unless that qualified community foundation has been approved to issue certificates of receipt pursuant to Section 170-20 of this Act.

(b) No qualified community foundation shall issue a certificate of receipt for a contribution made by a taxpayer unless the taxpayer has been issued a credit authorization certificate by the Department.

(c) If a taxpayer makes a contribution to a qualified community foundation prior to the date by which the authorized contribution shall be made as provided in Section 170-15, the qualified community foundation shall, within 30 business days after receipt of the authorized contribution, issue to the taxpayer a written certificate of receipt.

(d) If a taxpayer fails to make all or a portion of a contribution prior to the date by which such authorized
contribution is required to be made, the taxpayer shall not be
entitled to a certificate of receipt for that portion of the
authorized contribution not made.

(e) Each certificate of receipt shall state:

(1) the name and address of the issuing qualified
community foundation;
(2) the taxpayer's name and address;
(3) the date of each qualified contribution;
(4) the amount of each qualified contribution;
(5) the total qualified contribution amount; and
(6) any other information that the Department deems
necessary.

(f) Upon the issuance of a certificate of receipt, the
issuing qualified community foundation shall, within 10
business days after issuing the certificate of receipt,
provide the Department with notification of the issuance of
such certificate, in the form and manner prescribed by the
Department, provided that such notification shall include:

(1) the taxpayer's name and address;
(2) the date of the issuance of a certificate of
receipt;
(3) the qualified contribution date or dates and the
amounts contributed on such dates;
(4) the total qualified contribution listed on such
certificates;
(5) the issuing qualified community foundation's name
and address; and

(6) any other information the Department may deem necessary.

(g) Any portion of a contribution that a taxpayer fails to make by the date indicated on the authorized contribution certificate shall no longer be deducted from the cap prescribed in Section 170-10 of this Act.

Section 170-30. Annual report. By March 31, 2026, and by March 31 of each subsequent year, the Department must submit an annual report to the Governor and the General Assembly concerning the activities conducted under this Act during the previous calendar year. The report must include a detailed listing of tax credits authorized under this Act by the Department. The report may not disclose any information if the disclosure would violate Section 917 of the Illinois Income Tax Act.

Section 170-35. Rulemaking. The Department may adopt rules for the implementation of this Act.

Section 170-90. The Illinois Income Tax Act is amended by changing Section 203 and by adding Section 241 as follows:

(35 ILCS 5/203)

Sec. 203. Base income defined.
(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article
4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the
taxable year under subsection (k) of Section 168 of
the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (Z) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside
the United States is 80% or more of the foreign
person's total business activity and (ii) for taxable
years ending on or after December 31, 2008, to a person
who would be a member of the same unitary business
group but for the fact that the person is prohibited
under Section 1501(a)(27) from being included in the
unitary business group because he or she is ordinarily
required to apportion business income under different
subsections of Section 304. The addition modification
required by this subparagraph shall be reduced to the
extent that dividends were included in base income of
the unitary group for the same taxable year and
received by the taxpayer or by a member of the
taxpayer's unitary business group (including amounts
included in gross income under Sections 951 through
964 of the Internal Revenue Code and amounts included
in gross income under Section 78 of the Internal
Revenue Code) with respect to the stock of the same
person to whom the interest was paid, accrued, or
incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or
incurred, directly or indirectly, to a person who
is subject in a foreign country or state, other
than a state which requires mandatory unitary
reporting, to a tax on or measured by net income
with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing
evidence that the adjustments are unreasonable; or
if the taxpayer and the Director agree in writing
to the application or use of an alternative method
of apportionment under Section 304(f).

Nothing in this subsection shall preclude the
Director from making any other adjustment
otherwise allowed under Section 404 of this Act
for any tax year beginning after the effective
date of this amendment provided such adjustment is
made pursuant to regulation adopted by the
Department and such regulations provide methods
and standards by which the Department will utilize
its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible
expenses and costs otherwise allowed as a deduction in
computing base income, and that were paid, accrued, or
incurred, directly or indirectly, (i) for taxable
years ending on or after December 31, 2004, to a
foreign person who would be a member of the same
unitary business group but for the fact that the
foreign person's business activity outside the United
States is 80% or more of that person's total business
activity and (ii) for taxable years ending on or after
December 31, 2008, to a person who would be a member of
the same unitary business group but for the fact that
the person is prohibited under Section 1501(a)(27)
from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and
copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a
principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were
paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this Act;

(D-20) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2006, in the case of a distribution from a qualified
tuition program under Section 529 of the Internal
Revenue Code, other than (i) a distribution from a
College Savings Pool created under Section 16.5 of the
State Treasurer Act or (ii) a distribution from the
Illinois Prepaid Tuition Trust Fund, an amount equal
to the amount excluded from gross income under Section
529(c)(3)(B). For taxable years beginning on or after
January 1, 2007, in the case of a distribution from a
qualified tuition program under Section 529 of the
Internal Revenue Code, other than (i) a distribution
from a College Savings Pool created under Section 16.5
of the State Treasurer Act, (ii) a distribution from
the Illinois Prepaid Tuition Trust Fund, or (iii) a
distribution from a qualified tuition program under
Section 529 of the Internal Revenue Code that (I)
adopts and determines that its offering materials
comply with the College Savings Plans Network's
disclosure principles and (II) has made reasonable
efforts to inform in-state residents of the existence
of in-state qualified tuition programs by informing
Illinois residents directly and, where applicable, to
inform financial intermediaries distributing the
program to inform in-state residents of the existence
of in-state qualified tuition programs at least
annually, an amount equal to the amount excluded from
gross income under Section 529(c)(3)(B).
For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the out-of-state program in the same manner that the out-of-state program distributes its offering materials;

(D-20.5) For taxable years beginning on or after January 1, 2018, in the case of a distribution from a qualified ABLE program under Section 529A of the Internal Revenue Code, other than a distribution from a qualified ABLE program created under Section 16.6 of the State Treasurer Act, an amount equal to the amount excluded from gross income under Section 529A(c)(1)(B) of the Internal Revenue Code;

(D-21) For taxable years beginning on or after January 1, 2007, in the case of transfer of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code that is administered by the State to an out-of-state program, an amount equal to the amount of moneys previously deducted from base
income under subsection (a)(2)(Y) of this Section;

(D-21.5) For taxable years beginning on or after
January 1, 2018, in the case of the transfer of moneys
from a qualified tuition program under Section 529 or
a qualified ABLE program under Section 529A of the
Internal Revenue Code that is administered by this
State to an ABLE account established under an
out-of-state ABLE account program, an amount equal to
the contribution component of the transferred amount
that was previously deducted from base income under
subsection (a)(2)(Y) or subsection (a)(2)(HH) of this
Section;

(D-22) For taxable years beginning on or after
January 1, 2009, and prior to January 1, 2018, in the
case of a nonqualified withdrawal or refund of moneys
from a qualified tuition program under Section 529 of
the Internal Revenue Code administered by the State
that is not used for qualified expenses at an eligible
education institution, an amount equal to the
contribution component of the nonqualified withdrawal
or refund that was previously deducted from base
income under subsection (a)(2)(y) of this Section,
provided that the withdrawal or refund did not result
from the beneficiary's death or disability. For
taxable years beginning on or after January 1, 2018:
(1) in the case of a nonqualified withdrawal or

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. 203(a)(2)(D-17) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (DD) is exempt from the provisions of Section 250;

If a taxpayer makes the election provided for by this subparagraph (GG), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (GG). This subparagraph (GG) is exempt from the provisions of Section 250;

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (T) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (T), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(E-12) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a
member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other
than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or
incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of
the same unitary business group but for the fact that
the person is prohibited under Section 1501(a)(27)
from being included in the unitary business group
because he or she is ordinarily required to apportion
business income under different subsections of Section
304. The addition modification required by this
subparagraph shall be reduced to the extent that
dividends were included in base income of the unitary
group for the same taxable year and received by the
taxpayer or by a member of the taxpayer's unitary
business group (including amounts included in gross
income pursuant to Sections 951 through 964 of the
Internal Revenue Code and amounts included in gross
income under Section 78 of the Internal Revenue Code)
with respect to the stock of the same person to whom
the intangible expenses and costs were directly or
indirectly paid, incurred, or accrued. The preceding
sentence shall not apply to the extent that the same
dividends caused a reduction to the addition
modification required under Section 203(b)(2)(E-12) of
this Act. As used in this subparagraph, the term
"intangible expenses and costs" includes (1) expenses,
losses, and costs for, or related to, the direct or
indirect acquisition, use, maintenance or management,
ownership, sale, exchange, or any other disposition of
intangible property; (2) losses incurred, directly or
indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the
intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of
insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) or Section 203(b)(2)(E-13) of this Act;

(E-15) For taxable years beginning after December

To determine the portion of a loan or loans that is secured by property eligible for a Section 201(f) investment credit to the
borrower, the entire principal amount of the loan or
loans between the taxpayer and the borrower should be
divided into the basis of the Section 201(f)
investment credit property which secures the loan or
loans, using for this purpose the original basis of
such property on the date that it was placed in service
in the River Edge Redevelopment Zone. The subtraction
modification available to the taxpayer in any year

this Act, an amount included in such total as interest

divided into the basis of the Section 201(h)
investment credit property which secures the loan or loans, using for this purpose the original basis of such property on the date that it was placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois. No taxpayer that is eligible for the deduction provided in subparagraph (M) of paragraph (2) of this subsection shall be eligible for the deduction provided under this subparagraph (M-1). This subparagraph (N) is exempt from the provisions of Section 250;

ending on or before December 31, 1992, or, a percentage equal to the percentage allowable under Section 243(a)(1) of the Internal Revenue Code of 1986 for taxable years ending after December 31, 1992, of the amount by which dividends included in taxable income and received from a corporation that is not created or organized under the laws of the United States or any state or political subdivision thereof, including, for taxable years ending on or after December 31, 1988, dividends received or deemed received or paid or deemed paid under Sections 951 through 965 of the Internal Revenue Code, exceed the amount of the modification provided under subparagraph (G) of paragraph (2) of this subsection (b) which is related to such dividends, and including, for taxable years ending on or after December 31, 2008, dividends received from a captive real estate investment trust; plus (ii) 100% of the amount by which dividends, included in taxable income and received, including, for taxable years ending on or after December 31, 1988, dividends received or deemed received or paid or deemed paid under Sections 951 through 964 of the Internal Revenue Code and including, for taxable years ending on or after December 31, 2008, dividends received from a captive real estate investment trust, from any such corporation specified in clause (i) that
would but for the provisions of Section 1504(b)(3) of the Internal Revenue Code be treated as a member of the affiliated group which includes the dividend recipient, exceed the amount of the modification provided under subparagraph (G) of paragraph (2) of this subsection (b) which is related to such dividends. For taxable years ending on or after June 30, 2021, (i) for purposes of this subparagraph, the term "dividend" does not include any amount treated as a dividend under Section 1248 of the Internal Revenue Code, and (ii) this subparagraph shall not apply to dividends for which a deduction is allowed under Section 245(a) of the Internal Revenue Code. Section 835 of the Internal Revenue Code, 26 U.S.C. 835, an amount equal to the excess, if any, of the amounts paid or incurred by that interinsurer or reciprocal insurer in the taxable year to the attorney-in-fact over the deduction allowed to that interinsurer or reciprocal insurer with respect to the attorney-in-fact under Section 835(b) of the Internal Revenue Code for the taxable year; the provisions of this subparagraph are exempt from the provisions of Section 250;

(S) For taxable years ending on or after December 31, 1997, in the case of a Subchapter S corporation, an amount equal to all amounts of income allocable to a shareholder subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act, including amounts allocable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code. This subparagraph (S) is exempt from the provisions of Section 250;

(T) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:
(1) "y" equals the amount of the depreciation
deduction taken for the taxable year on the
taxpayer's federal income tax return on property
for which the bonus depreciation deduction was
taken in any year under subsection (k) of Section
168 of the Internal Revenue Code, but not
including the bonus depreciation deduction;

31, 2005:
   (i) for property on which a bonus
depreciation deduction of 30% of the adjusted

by 0.429);
   (ii) for property on which a bonus
depreciation deduction of 50% of the adjusted
basis was taken, "x" equals "y" multiplied by
1.0;
   (iii) for property on which a bonus
depreciation deduction of 100% of the adjusted
basis was taken in a taxable year ending on or
after December 31, 2021, "x" equals the
depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (T) is exempt from the provisions of Section 250;

(U) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition
modification under subparagraph (E-10), then an amount
equal to that addition modification.

If the taxpayer continues to own property through
the last day of the last tax year for which a
subtraction is allowed with respect to that property
under subparagraph (T) and for which the taxpayer was
required in any taxable year to make an addition
modification under subparagraph (E-10), then an amount
equal to that addition modification.

The taxpayer is allowed to take the deduction
under this subparagraph only once with respect to any
one piece of property.

This subparagraph (U) is exempt from the
provisions of Section 250;

(V) The amount of: (i) any interest income (net of
the deductions allocable thereto) taken into account
for the taxable year with respect to a transaction
with a taxpayer that is required to make an addition
modification with respect to such transaction under
Section 203(a)(2)(D-17), 203(b)(2)(E-12),
203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed
the amount of such addition modification, (ii) any
income from intangible property (net of the deductions
allocable thereto) taken into account for the taxable
year with respect to a transaction with a taxpayer
that is required to make an addition modification with
respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification, and (iii) any insurance premium income (net of deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-19), Section 203(b)(2)(E-14), Section 203(c)(2)(G-14), or Section 203(d)(2)(D-9), but not to exceed the amount of that addition modification. This subparagraph (V) is exempt from the provisions of Section 250;

(W) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or
she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (W) is exempt from the provisions of Section 250;

(X) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-13) for intangible expenses and costs
paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(b)(2)(E-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) The difference between the nondeductible controlled foreign corporation dividends under Section 965(e)(3) of the Internal Revenue Code over the taxable income of the taxpayer, computed without regard to Section 965(e)(2)(A) of the Internal Revenue Code, and without regard to any net operating loss deduction. This subparagraph (Z) is exempt from the
provisions of Section 250; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Special rule. For purposes of paragraph (2)(A), "gross income" in the case of a life insurance company, for tax years ending on and after December 31, 1994, and prior to December 31, 2011, shall mean the gross investment income for the taxable year and, for tax years ending on or after December 31, 2011, shall mean all amounts included in life insurance gross income under Section 803(a)(3) of the Internal Revenue Code.

(c) Trusts and estates.

(1) In general. In the case of a trust or estate, base income means an amount equal to the taxpayer's taxable
income for the taxable year as modified by paragraph (2).

(2) Modifications. Subject to the provisions of
paragraph (3), the taxable income referred to in paragraph
(1) shall be modified by adding thereto the sum of the
following amounts:

(A) An amount equal to all amounts paid or accrued
to the taxpayer as interest or dividends during the
taxable year to the extent excluded from gross income
in the computation of taxable income;

(B) In the case of (i) an estate, $600; (ii) a
trust which, under its governing instrument, is
required to distribute all of its income currently,
$300; and (iii) any other trust, $100, but in each such
case, only to the extent such amount was deducted in
the computation of taxable income;

(C) An amount equal to the amount of tax imposed by
this Act to the extent deducted from gross income in
the computation of taxable income for the taxable
year;

(D) The amount of any net operating loss deduction
taken in arriving at taxable income, other than a net
operating loss carried forward from a taxable year
ending prior to December 31, 1986;

(E) For taxable years in which a net operating
loss carryback or carryforward from a taxable year
ending prior to December 31, 1986 is an element of
taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded subtraction modifications in such taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions
of this subparagraph (E) for each such taxable year;

(F) For taxable years ending on or after January 1, 1989, an amount equal to the tax deducted pursuant to Section 164 of the Internal Revenue Code if the trust or estate is claiming the same tax for purposes of the Illinois foreign tax credit under Section 601 of this Act;

(G) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(G-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the trust or estate deducted in computing adjusted gross income and for which the trust or estate claims a credit under subsection (l) of Section 201;

(G-10) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; and

(G-11) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then
an amount equal to the aggregate amount of the
deductions taken in all taxable years under
subparagraph (R) with respect to that property.

If the taxpayer continues to own property through
the last day of the last tax year for which a
subtraction is allowed with respect to that property
under subparagraph (R) and for which the taxpayer was
allowed in any taxable year to make a subtraction
modification under subparagraph (R), then an amount
equal to that subtraction modification.

The taxpayer is required to make the addition
modification under this subparagraph only once with
respect to any one piece of property;

(G-12) An amount equal to the amount otherwise
allowed as a deduction in computing base income for
interest paid, accrued, or incurred, directly or
indirectly, (i) for taxable years ending on or after
December 31, 2004, to a foreign person who would be a
member of the same unitary business group but for the
fact that the foreign person's business activity
outside the United States is 80% or more of the foreign
person's total business activity and (ii) for taxable
years ending on or after December 31, 2008, to a person
who would be a member of the same unitary business
group but for the fact that the person is prohibited
under Section 1501(a)(27) from being included in the
unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:
(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment
otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary
group for the same taxable year and received by the
taxpayer or by a member of the taxpayer's unitary
business group (including amounts included in gross
income pursuant to Sections 951 through 964 of the
Internal Revenue Code and amounts included in gross
income under Section 78 of the Internal Revenue Code)
with respect to the stock of the same person to whom
the intangible expenses and costs were directly or
indirectly paid, incurred, or accrued. The preceding
sentence shall not apply to the extent that the same
dividends caused a reduction to the addition
modification required under Section 203(c)(2)(G-12) of
this Act. As used in this subparagraph, the term
"intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the
direct or indirect acquisition, use, maintenance or
management, ownership, sale, exchange, or any other
disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring
transactions or discounting transactions; (3) royalty,
patent, technical, and copyright fees; (4) licensing
fees; and (5) other similar expenses and costs. For
purposes of this subparagraph, "intangible property"
includes patents, patent applications, trade names,
trademarks, service marks, copyrights, mask works,
trade secrets, and similar types of intangible assets.
This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or
indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business
income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) or Section 203(c)(2)(G-13) of this Act;

(G-15) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(G-16) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;

(G-17) the amount that is claimed as a federal
deduction when computing the taxpayer's federal taxable income for the taxable year and that is attributable to an endowment gift for which the taxpayer receives a credit under the Illinois Gives Tax Credit Act;

and by deducting from the total so obtained the sum of the following amounts:

statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(L) With the exception of any amounts subtracted under subparagraph (K), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(Q) For taxable year 1999 and thereafter, an amount equal to the amount of any (i) distributions, to the extent includible in gross income for federal
income tax purposes, made to the taxpayer because of
his or her status as a victim of persecution for racial
or religious reasons by Nazi Germany or any other Axis
regime or as an heir of the victim and (ii) items of
income, to the extent includible in gross income for
federal income tax purposes, attributable to, derived
from or in any way related to assets stolen from,
hidden from, or otherwise lost to a victim of
persecution for racial or religious reasons by Nazi
Germany or any other Axis regime immediately prior to,
during, and immediately after World War II, including,
but not limited to, interest on the proceeds
receivable as insurance under policies issued to a
victim of persecution for racial or religious reasons

(R) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by
30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this
subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(S) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (S) is exempt from the provisions of Section 250;

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account
for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification. This subparagraph (T) is exempt from the provisions of Section 250;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited
under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (U) is exempt from the provisions of Section 250;

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section
203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (V) is exempt from the provisions of Section 250;

(W) in the case of an estate, an amount equal to all amounts included in such total pursuant to the provisions of Section 111 of the Internal Revenue Code as a recovery of items previously deducted by the decedent from adjusted gross income in the computation of taxable income. This subparagraph (W) is exempt from Section 250;

(X) an amount equal to the refund included in such total of any tax deducted for federal income tax purposes, to the extent that deduction was added back under subparagraph (F). This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(c)(2)(G-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer
makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) For taxable years beginning after December 31, 2018 and before January 1, 2026, the amount of excess business loss of the taxpayer disallowed as a deduction by Section 461(l)(1)(B) of the Internal Revenue Code; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under
regulations prescribed by the Department, be adjusted by any amounts included therein which were properly paid, credited, or required to be distributed, or permanently set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.

(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue
Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (O), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7) An amount equal to the amount otherwise allowed as a deduction in computing base income for
interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:
(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the
payment is not federal or Illinois tax avoidance;

or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United
States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or
indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets;

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the
intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms;

or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize
its authority under Section 404 of this Act;

(D-9) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section
203(d)(2)(D-7) or Section 203(d)(2)(D-8) of this Act;

(D-10) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-11) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;

(D-12) the amount that is claimed as a federal deduction when computing the taxpayer's federal taxable income for the taxable year and that is attributable to an endowment gift for which the taxpayer receives a credit under the Illinois Gives Tax Credit Act;

and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes
of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348(b)(1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater; this subparagraph (H) is exempt from the provisions of Section 250;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code; this subparagraph (I) is exempt from the provisions of Section 250;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and
disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated
Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(O) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30
and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after
December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (O) is exempt from the provisions of Section 250;

(P) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (S) is exempt from Section 250;

(T) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(d)(2)(D-9), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (T), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (T). This subparagraph (T) is exempt from the provisions of
Section 250; and

The provisions of this subparagraph (U) are exempt from the provisions of Section 250.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b)(3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from
taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case
of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an
affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be
determined as if the election provided by Section
243(b)(2) of the Internal Revenue Code had been in
effect for all such years;

(F) Cooperatives. In the case of a cooperative
corporation or association, the taxable income of such
organization determined in accordance with the
provisions of Section 1381 through 1388 of the
Internal Revenue Code, but without regard to the
prohibition against offsetting losses from patronage
activities against income from nonpatronage
activities; except that a cooperative corporation or
association may make an election to follow its federal
income tax treatment of patronage losses and
nonpatronage losses. In the event such election is
made, such losses shall be computed and carried over
in a manner consistent with subsection (a) of Section
207 of this Act and apportioned by the apportionment
factor reported by the cooperative on its Illinois
income tax return filed for the taxable year in which
the losses are incurred. The election shall be
effective for all taxable years with original returns
due on or after the date of the election. In addition,
the cooperative may file an amended return or returns,
as allowed under this Act, to provide that the
election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1,
1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.
(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a)(2)(F) or (c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in
effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into
account in determining gross income, adjusted gross income or
 taxable income for federal income tax purposes for the taxable
 year, or in the amount of such items entering into the
 computation of base income and net income under this Act for
 such taxable year, whether in respect of property values as of
 August 1, 1969 or otherwise.

Sec. 241. The Illinois Gives tax credit.

(a) For taxable years ending on or after December 31, 2025
 and ending before January 1, 2030, each taxpayer for whom a tax
 credit has been authorized by the Department of Revenue under
 the Illinois Gives Tax Credit Act is entitled to a credit
 against the tax imposed under subsections (a) and (b) of
 Section 201 in an amount equal to the amount authorized under
 that Act.

(b) For partners of partnerships and shareholders of
 Subchapter S corporations, there is allowed a credit under
 this Section to be determined in accordance with Section 251
 of this Act.

(c) The credit may not be carried back and may not reduce
 the taxpayer's liability to less than zero. If the amount of
the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

Beginning with levy year 2022, for taxing districts that are specified in Section 18-190.7, the taxing district's aggregate extension base shall be calculated as provided in Section 18-190.7. An adjustment under Section 18-135 shall be made for the 2007 levy year and all subsequent levy years whenever one or more counties within which a taxing district is located (i) used estimated valuations or rates when extending taxes in the taxing district for the last preceding levy year that resulted in the over or under extension of taxes, or (ii) increased or decreased the tax extension for the last preceding levy year as required by Section 18-135(c). Whenever an adjustment is required under Section 18-135, the aggregate extension base of the taxing district shall be equal to the amount that the aggregate extension of the taxing district would have been for the last preceding levy year if either or both (i) actual, rather than estimated, valuations or rates had been used to calculate the extension of taxes for the last levy year, or (ii) the tax extension for the last preceding levy year had not been adjusted as required by subsection (c) of Section 18-135.

Notwithstanding any other provision of law, for levy year 2012, the aggregate extension base for West Northfield School District No. 31 in Cook County shall be $12,654,592.
Notwithstanding any other provision of law, for levy year 2022, the aggregate extension base of a home equity assurance program that levied at least $1,000,000 in property taxes in levy year 2019 or 2020 under the Home Equity Assurance Act shall be the amount that the program's aggregate extension base for levy year 2021 would have been if the program had levied a property tax for levy year 2021.

"Levy year" has the same meaning as "year" under Section 1-155.

"New property" means (i) the assessed value, after final board of review or board of appeals action, of new improvements or additions to existing improvements on any parcel of real property that increase the assessed value of that real property during the levy year multiplied by the equalization factor issued by the Department under Section 17-30, (ii) the assessed value, after final board of review or board of appeals action, of real property not exempt from real estate taxation, which real property was exempt from real estate taxation for any portion of the immediately preceding levy year, multiplied by the equalization factor issued by the Department under Section 17-30, including the assessed value, upon final stabilization of occupancy after new construction is complete, of any real property located within the boundaries of an otherwise or previously exempt military reservation that is intended for residential use and owned by or leased to a private corporation or other entity, (iii) in
counties that classify in accordance with Section 4 of Article IX of the Illinois Constitution, an incentive property's additional assessed value resulting from a scheduled increase in the level of assessment as applied to the first year final board of review market value, and (iv) any increase in assessed value due to oil or gas production from an oil or gas well required to be permitted under the Hydraulic Fracturing Regulatory Act that was not produced in or accounted for during the previous levy year. In addition, the county clerk in a county containing a population of 3,000,000 or more shall include in the 1997 recovered tax increment value for any school district, any recovered tax increment value that was applicable to the 1995 tax year calculations.

"Qualified airport authority" means an airport authority organized under the Airport Authorities Act and located in a county bordering on the State of Wisconsin and having a population in excess of 200,000 and not greater than 500,000.

"Recovered tax increment value" means, except as otherwise provided in this paragraph, the amount of the current year's equalized assessed value, in the first year after a municipality terminates the designation of an area as a redevelopment project area previously established under the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, previously established under the Economic Development Project Area Tax
Increment Act of 1995, or previously established under the Economic Development Area Tax Increment Allocation Act, of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. For the taxes which are extended for the 1997 levy year, the recovered tax increment value for a non-home rule taxing district that first became subject to this Law for the 1995 levy year because a majority of its 1994 equalized assessed value was in an affected county or counties shall be increased if a municipality terminated the designation of an area in 1993 as a redevelopment project area previously established under the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code, previously established under the Industrial Jobs Recovery Law in the Illinois Municipal Code, or previously established under the Economic Development Area Tax Increment Allocation Act, by an amount equal to the 1994 equalized assessed value of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the redevelopment project area. In the first year after a municipality removes a taxable lot, block, tract, or parcel of real property from a redevelopment project area established under the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code, the Industrial Jobs Recovery Law in the Illinois Municipal
Code, or the Economic Development Area Tax Increment Allocation Act, "recovered tax increment value" means the amount of the current year's equalized assessed value of each taxable lot, block, tract, or parcel of real property removed from the redevelopment project area over and above the initial equalized assessed value of that real property before removal from the redevelopment project area.

Except as otherwise provided in this Section, "limiting rate" means a fraction the numerator of which is the last preceding aggregate extension base times an amount equal to one plus the extension limitation defined in this Section and the denominator of which is the current year's equalized assessed value of all real property in the territory under the jurisdiction of the taxing district during the prior levy year. For those taxing districts that reduced their aggregate extension for the last preceding levy year, except for school districts that reduced their extension for educational purposes pursuant to Section 18-206, the highest aggregate extension in any of the last 3 preceding levy years shall be used for the purpose of computing the limiting rate. The denominator shall not include new property or the recovered tax increment value. If a new rate, a rate decrease, or a limiting rate increase has been approved at an election held after March 21, 2006, then (i) the otherwise applicable limiting rate shall be increased by the amount of the new rate or shall be reduced by the amount of the rate decrease, as the
case may be, or (ii) in the case of a limiting rate increase, the limiting rate shall be equal to the rate set forth in the proposition approved by the voters for each of the years specified in the proposition, after which the limiting rate of the taxing district shall be calculated as otherwise provided. In the case of a taxing district that obtained referendum approval for an increased limiting rate on March 20, 2012, the limiting rate for tax year 2012 shall be the rate that generates the approximate total amount of taxes extendable for that tax year, as set forth in the proposition approved by the voters; this rate shall be the final rate applied by the county clerk for the aggregate of all capped funds of the district for tax year 2012.

mental health board may be a full-time or part-time employee of the Department of Human Services or a board member, employee or any other individual receiving compensation from any facility or service operating under contract to the board. If a successful referendum is held under Section 5 of this Act, all members of such board shall be appointed within 60 days after the local election authority certifies the passage of the referendum. If a community mental health board has been established by a county with a population of less than 500,000 and the community mental health board is funded in whole or in part by a special mental health sales tax described in paragraph (4) of subsection (a) of Section 5-1006.5 of the Counties Code, the largest municipality in the county with at least 125,000 residents may appoint 2 additional members to the board. The members shall be appointed by the mayor of the municipality with the advice and consent of the municipality's governing body.

Home rule units are exempt from this Act. However, they may, by ordinance, adopt the provisions of this Act, or any portion thereof, that they may deem advisable.

The tax rate set forth in Section 4 may be levied by any non-home rule unit only pursuant to the approval by the voters at a referendum. Such referendum may have been held at any time subsequent to the effective date of the Community Mental Health Act.

When collected, such tax shall be paid into a special fund
to be designated as the "Community Mental Health Fund" which
shall, upon authorization by the appropriate governmental
unit, be administered by the community mental health board and
used only for the purposes specified in this Act. Nothing
contained herein shall in any way preclude the use of other

supplied to the election authority by the taxing district) in
substantially the following form:

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is $\ldots$, and the approximate amount of taxes extendable if the proposition is approved is $\ldots$.

(2) For the $\ldots$ (insert the first levy year for which the new rate or increase limiting rate will be applicable) levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of $100,000 is estimated to be $\ldots$. If a proposition contains the language in substantially the form provided in paragraphs (1) and (2), the referendum is valid notwithstanding any other provision of the law.

If a majority of all the votes cast upon the proposition are in favor thereof, the governing body of such governmental unit shall establish and maintain such community mental health facilities and services and shall annually levy such tax. Thereafter, the governing body shall in the annual appropriation bill appropriate from such funds such sum or sums of money as may be deemed necessary, based upon the community mental health board's budget, the board's annual mental health report, and the board's plan to defray necessary expenses and liabilities in providing for such community mental health facilities and services.

Nothing in this Section prevents a governmental unit from
levying less than the amount approved by the voters via referendum in any given year or varying the amount levied from year to year as approved by the governmental unit.
