HB5354 Enrolled

1

AN ACT concerning employment.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Customized Employment for Individuals with
Disabilities Act is amended by changing Sections 10, 15, 20,
25, 30, 35, and 40 and by adding Section 6 as follows:

7 (820 ILCS 97/6 new)

Sec. 6. Definition. As used in this Act, "customized 8 9 employment" means competitive integrated employment for an individual with a significant disability that is based on an 10 individualized determination of the strengths, needs, and 11 12 interests of the individual with a significant disability, designed to meet the specific abilities of the individual with 13 14 a significant disability and the business needs of the employer, establishes a relationship between the employer and 15 16 the employee that is negotiated to meet the needs of both parties, and is based on an exchange of specific contributions 17 by the employee for pay by the employer that is at or above the 18 19 applicable minimum wage.

20 (820 ILCS 97/10)

Sec. 10. Customized Employment <u>Demonstration</u> <del>Pilot</del>
 Program. The Department of Human Services, through its

HB5354 Enrolled - 2 - LRB103 37230 SPS 67349 b

Division of Rehabilitation Services and in collaboration with the Division of Developmental Disabilities, shall establish a 5-year Customized Employment <u>Demonstration</u> <del>Pilot</del> Program that serves a minimum of <u>40</u> <del>25</del> individuals by <u>July 1, 2025, with a</u> <u>goal of serving at least 75 individuals by July 1, 2027</u> <del>the</del> <del>second year of the Pilot Program</del>.

7 <u>The Demonstration program shall comply with the document</u> 8 <u>titled "The Essential Elements of Customized Employment for</u> 9 <u>Universal Application", published June 2017 by the Workforce</u> 10 <u>Innovation Technical Assistance Center and the Youth Technical</u> 11 <u>Assistance Center under grants from the federal Department of</u> 12 <u>Education. The Demonstration</u> <del>The Pilot</del> Program shall include 13 the following components <u>for each participant</u>:

14 (1) "Phase One: Consultation and Initiation" means pre-discovery activities introducing the participant to 15 customized employment activities, roles 16 and responsibilities, and expected outcomes and introducing 17 the customized employment provider to the participant and 18 19 the participant's support team, including family, 20 quardians, friends, colleagues, advocates, 21 community-based service agencies, and others as determined 22 by the participant or the participant's quardian. If the 23 participant or participant's guardian chooses to proceed 24 with the customized employment provider, the Division of 25 Rehabilitation Services shall develop an Initial Discovery 26 Action Plan An intensive discovery phase during which the

5

unique needs, abilities, and interests of the individual will be explored by the individual at his or her direction with assistance from family, friends, colleagues, advocates, community-based service agencies, and others as determined by the individual.

(2) "Phase Two: Discovery" means a person-centered 6 7 planning process that shall be used to determine the participant's interests, skills, preferences, and ideal 8 9 employment conditions that shall guide the development of a customized job. The unique needs, abilities, and 10 11 interests of the participant shall be explored by the participant at his or her direction or the direction of 12 his or her guardian, with assistance from family, friends, 13 14 colleagues, advocates, community-based service agencies, and others as determined by the participant or the 15 16 participant's guardian. The exploration of the unique needs of the participant shall include the participant's 17 18 assistive technology needs and the participant's need for 19 work incentives benefits counseling. During this phase, a plan for completing the discovery process shall be 20 developed that contains a timeline for completing the 21 22 discovery process, assignment of who shall gather which 23 piece of information, how the information shall be 24 gathered, who shall receive the information, and who shall 25 make up the core support team for the participant. The 26 plan for completing the discovery service shall be shared HB5354 Enrolled - 4 - LRB103 37230 SPS 67349 b

1 and discussed by the customized employment provider with 2 the participant and the Division of Rehabilitation 3 Services, and the service provider shall bill for this service. A Discovery Profile, containing all of the 4 5 information learned from the discovery process, shall be shared and discussed by the provider with the participant, 6 the participant's guardian, and Division of Rehabilitation 7 Services, and the service provider shall bill for this 8 service A customized person centered planning process 9 10 based upon information gathered during the discovery phase 11 that involves capturing, organizing, and presenting the 12 information in a blueprint for the job search.

"Phase Three: Customized Employment Planning" 13 (3) 14 means an opportunity to use the information learned during the discovery process to develop a plan for competitive 15 16 and integrated employment for the participant An employer 17 negotiation process in which job duties and employee expectations are negotiated to align the skills and 18 19 interests of the individual with the needs of an employer. 20 The negotiation process may result in agreement on options 21 such as (i) carving out a job for the individual, (ii) 22 creating a new job description, (iii) creating a new job, 23 job-sharing, and (v) agreeing on job supports, (iv)24 transportation needs, assistive technology, work hours, 25 location, or supervision needs.

26

(4) "Phase Four: Job Development and Negotiation"

HB5354 Enrolled - 5 - LRB103 37230 SPS 67349 b

1 means a process of working collaboratively with the 2 participant, the participant's guardian, and the 3 customized employment employer to negotiate a customized job, including, terms of employment, conditions necessary 4 5 for success, and the specific unmet needs of the employer that shall be fulfilled by the participant's contributions 6 7 A flexible timeline for a comprehensive discovery, 8 planning, and job placement process to accommodate 9 unique needs of the individual.

10(5) "Phase Five: Post-Employment Support and11Monitoring" means support and monitoring from the12customized employment service to ensure satisfactory13results for both the participant and the employer.

14 The Customized Employment Demonstration Pilot Program 15 shall be based on *implemented through* an individualized plan 16 for employment developed by the individual with a disability, 17 the community based agency, the individual's support team, and the vocational rehabilitation counselor employed by the 18 Division of Rehabilitation Services. The individual with a 19 disability may choose to have a personal representative 20 21 participate in the development of the individualized plan for 22 employment.
