2 property acquired by the bank, directly or indirectly
3 through a subsidiary, for the purpose of leasing to
4 others, provided the lease or leases and the
5 investment of the bank, directly or through a
6 subsidiary, in that personal property otherwise comply
7 with Section 35.1 of this Act; or

8 (c) carrying on or administering any of the
9 activities excepting the receipt of deposits or the
10 payment of checks or other orders for the payment of
11 money in which a bank may engage in carrying on its
12 general banking business; provided, however, that
13 nothing contained in this paragraph (c) shall be
14 deemed to permit a bank organized under this Act or
15 subject hereto to do, either directly or indirectly
16 through any subsidiary, any act, including the making
17 of any loan or investment, or to own, possess, or carry
18 as assets any property that if done by or owned,
19 possessed, or carried by the State bank would be in
20 violation of or prohibited by any provision of this
21 Act.

22 The provisions of this subsection (12) shall not apply
23 to and shall not be deemed to limit the powers of a State
24 bank with respect to the ownership, possession, and
25 carrying of stock that a State bank is permitted to own,
26 possess, or carry under this Act.

1 Any bank intending to establish a subsidiary under
2 this subsection (12) shall give written notice to the
3 Commissioner ~~60 days~~ prior to the subsidiary's commencing
4 of business or, as the case may be, prior to acquiring
5 stock in a corporation that has already commenced
6 business. ~~After receiving the notice, the Commissioner may~~
7 ~~waive or reduce the balance of the 60 day notice period.~~
8 The Commissioner may specify the form of the notice, may
9 designate the types of subsidiaries not subject to this
10 notice requirement, and may promulgate rules and
11 regulations to administer this subsection (12).

12 (13) To accept for payment at a future date not
13 exceeding one year from the date of acceptance, drafts
14 drawn upon it by its customers; and to issue, advise, or
15 confirm letters of credit authorizing the holders thereof
16 to draw drafts upon it or its correspondents.

17 (14) To own and lease personal property acquired by
18 the bank at the request of a prospective lessee and upon
19 the agreement of that person to lease the personal
20 property provided that the lease, the agreement with
21 respect thereto, and the amount of the investment of the
22 bank in the property comply with Section 35.1 of this Act.

23 (15) (a) To establish and maintain, in addition to the
24 main banking premises, branches offering any banking
25 services permitted at the main banking premises of a State
26 bank.

1 (b) To establish and maintain, after May 31, 1997,
2 branches in another state that may conduct any activity in
3 that state that is authorized or permitted for any bank
4 that has a banking charter issued by that state, subject
5 to the same limitations and restrictions that are
6 applicable to banks chartered by that state.

7 (16) (Blank).

8 (17) To establish and maintain terminals, as
9 authorized by the Electronic Fund Transfer Act.

10 (18) To establish and maintain temporary service
11 booths at any International Fair held in this State which
12 is approved by the United States Department of Commerce,
13 for the duration of the international fair for the sole
14 purpose of providing a convenient place for foreign trade
15 customers at the fair to exchange their home countries'
16 currency into United States currency or the converse. This
17 power shall not be construed as establishing a new place
18 or change of location for the bank providing the service
19 booth.

20 (19) To indemnify its officers, directors, employees,
21 and agents, as authorized for corporations under Section
22 8.75 of the Business Corporation Act of 1983.

23 (20) To own, possess, and carry as assets stock of, or
24 be or become a member of, any corporation, mutual company,
25 association, trust, or other entity formed exclusively for
26 the purpose of providing directors' and officers'

1 liability and bankers' blanket bond insurance or
2 reinsurance to and for the benefit of the stockholders,
3 members, or beneficiaries, or their assets or businesses,
4 or their officers, directors, employees, or agents, and
5 not to or for the benefit of any other person or entity or
6 the public generally.

7 (21) To make debt or equity investments in
8 corporations or projects, whether for profit or not for
9 profit, designed to promote the development of the
10 community and its welfare, provided that the aggregate
11 investment in all of these corporations and in all of
12 these projects does not exceed 10% of the unimpaired
13 capital and unimpaired surplus of the bank and provided
14 that this limitation shall not apply to creditworthy loans
15 by the bank to those corporations or projects. Upon
16 written application to the Commissioner, a bank may make
17 an investment that would, when aggregated with all other
18 such investments, exceed 10% of the unimpaired capital and
19 unimpaired surplus of the bank. The Commissioner may
20 approve the investment if he is of the opinion and finds
21 that the proposed investment will not have a material
22 adverse effect on the safety and soundness of the bank.

23 (22) To own, possess, and carry as assets the stock of
24 a corporation engaged in the ownership or operation of a
25 travel agency or to operate a travel agency as a part of
26 its business.

1 (23) With respect to affiliate facilities:

2 (a) to conduct at affiliate facilities for and on
3 behalf of another commonly owned bank, if so
4 authorized by the other bank, all transactions that
5 the other bank is authorized or permitted to perform;
6 and

7 (b) to authorize a commonly owned bank to conduct
8 for and on behalf of it any of the transactions it is
9 authorized or permitted to perform at one or more
10 affiliate facilities.

11 Any bank intending to conduct or to authorize a
12 commonly owned bank to conduct at an affiliate facility
13 any of the transactions specified in this paragraph (23)
14 shall give written notice to the Commissioner ~~at least 30~~
15 ~~days~~ before any such transaction is conducted at the
16 affiliate facility.

17 (24) To act as the agent for any fire, life, or other
18 insurance company authorized by the State of Illinois, by
19 soliciting and selling insurance and collecting premiums
20 on policies issued by such company; and to receive for
21 services so rendered such fees or commissions as may be
22 agreed upon between the bank and the insurance company for
23 which it may act as agent; provided, however, that no such
24 bank shall in any case assume or guarantee the payment of
25 any premium on insurance policies issued through its
26 agency by its principal; and provided further, that the

1 bank shall not guarantee the truth of any statement made
2 by an assured in filing his application for insurance.

3 (25) Notwithstanding any other provisions of this Act
4 or any other law, to offer any product or service that is
5 at the time authorized or permitted to any insured savings
6 association or out-of-state bank by applicable law,
7 provided that powers conferred only by this subsection
8 (25):

9 (a) shall always be subject to the same
10 limitations and restrictions that are applicable to
11 the insured savings association or out-of-state bank
12 for the product or service by such applicable law;

13 (b) shall be subject to applicable provisions of
14 the Financial Institutions Insurance Sales Law;

15 (c) shall not include the right to own or conduct a
16 real estate brokerage business for which a license
17 would be required under the laws of this State; and

18 (d) shall not be construed to include the
19 establishment or maintenance of a branch, nor shall
20 they be construed to limit the establishment or
21 maintenance of a branch pursuant to subsection (11).

22 Before ~~Not less than 30 days before~~ engaging in any
23 activity under the authority of this subsection, a bank
24 shall provide written notice to the Commissioner of its
25 intent to engage in the activity. The notice shall
26 indicate the specific federal or state law, rule,

1 regulation, or interpretation the bank intends to use as
2 authority to engage in the activity.

3 (26) To provide data processing services to a person
4 for profit.

5 (27) To invest in financial futures or options
6 transactions subject to the regulations of the Secretary.

7 Nothing in this Section shall be construed to require the
8 filing of a notice or application for approval with the United
9 States Office of the Comptroller of the Currency or a bank
10 supervisor of another state as a condition to the right of a
11 State bank to exercise any of the powers conferred by this
12 Section in this State.

14 (205 ILCS 5/13) (from Ch. 17, par. 320)

15 Sec. 13. Issuance of charter.

16 (a) When the directors have organized as provided in
17 Section 12 of this Act, and the capital stock and the preferred
18 stock, if any, together with a surplus of not less than 50% of
19 the capital, has been all fully paid in and a record of the
20 same filed with the Commissioner, the Commissioner or some
21 competent person of the Commissioner's appointment shall make
22 a thorough examination into the affairs of the proposed bank,
23 and if satisfied (i) that all the requirements of this Act have
24 been complied with, (ii) that no intervening circumstance has
25 occurred to change the Commissioner's findings made pursuant

1 to Section 10 of this Act, and (iii) that the prior involvement
2 by any stockholder who will own a sufficient amount of stock to
3 have control, as defined in Section 18 of this Act, of the
4 proposed bank with any other financial institution, whether as
5 stockholder, director, officer, or customer, was conducted in
6 a safe and sound manner, upon payment into the Commissioner's
7 office of the reasonable expenses of the examination, as
8 determined by the Commissioner, the Commissioner shall issue a
9 charter authorizing the bank to commence business as
10 authorized in this Act. All charters issued by the
11 Commissioner or any predecessor agency which chartered State
12 banks, including any charter outstanding as of September 1,
13 1989, shall be perpetual. For the 2 years after the
14 Commissioner has issued a charter to a bank, the bank shall
15 request and obtain from the Commissioner prior written
16 approval before it may change senior management personnel or
17 directors.

18 The original charter, duly certified by the Commissioner,
19 or a certified copy shall be evidence in all courts and places
20 of the existence and authority of the bank to do business. Upon
21 the issuance of the charter by the Commissioner, the bank
22 shall be deemed fully organized and may proceed to do
23 business. The Commissioner may, in the Commissioner's
24 discretion, withhold the issuing of the charter when the
25 Commissioner has reason to believe that the bank is organized
26 for any purpose other than that contemplated by this Act. The

1 Commissioner shall revoke the charter and order liquidation in
2 the event that the bank does not commence a general banking
3 business within one year from the date of the issuance of the
4 charter, unless a request has been submitted, in writing, to
5 the Commissioner for an extension and the request has been
6 approved. After commencing a general banking business, a bank
7 may change its name by filing written notice with the
8 Commissioner ~~at least 30 days~~ prior to the effective date of
9 such change. A bank chartered under this Act may change its
10 main banking premises by filing written application with the
11 Commissioner, on forms prescribed by the Commissioner,
12 provided (i) the change shall not be a removal to a new
13 location without complying with the capital requirements of
14 Section 7 and of subsection (1) of Section 10 of this Act; (ii)
15 the Commissioner approves the relocation or change; and (iii)
16 the bank complies with any applicable federal law or
17 regulation. The application shall be deemed to be approved if
18 the Commissioner has not acted on the application within 30
19 days after receipt of the application, unless within the
20 30-day time frame the Commissioner informs the bank that an
21 extension of time is necessary prior to the Commissioner's
22 action on the application.

23 (b) (1) The Commissioner may also issue a charter to a bank
24 that is owned exclusively by other depository institutions or
25 depository institution holding companies and is organized to
26 engage exclusively in providing services to or for other

1 financial institutions, their holding companies, and the
2 officers, directors, and employees of such institutions and
3 companies, and in providing services at the request of other
4 financial institutions or their holding companies (also
5 referred to as a "bankers' bank"). The bank may also provide
6 products and services to its officers, directors, and
7 employees.

8 (2) A bank chartered pursuant to paragraph (1) shall,
9 except as otherwise specifically determined or limited by the
10 Commissioner in an order or pursuant to a rule, be vested with
11 the same rights and privileges and subject to the same duties,
12 restrictions, penalties, and liabilities now or hereafter
13 imposed under this Act.

14 (c) A bank chartered under this Act shall, at all times
15 while it accepts or retains deposits, maintain with the
16 Federal Deposit Insurance Corporation, or such other
17 instrumentality of or corporation chartered by the United
18 States, deposit insurance as authorized under federal law.

19 (d)(i) A bank that has a banking charter issued by the
20 Commissioner under this Act may, pursuant to a written
21 purchase and assumption agreement, transfer substantially all
22 of its assets to another State bank or national bank in
23 consideration, in whole or in part, for the transferee banks'
24 assumption of any part or all of its liabilities. Such a
25 transfer shall in no way be deemed to impair the charter of the
26 transferor bank or cause the transferor bank to forfeit any of

1 its rights, powers, interests, franchises, or privileges as a
2 State bank, nor shall any voluntary reduction in the
3 transferor bank's activities resulting from the transfer have
4 any such effect; provided, however, that a State bank that
5 transfers substantially all of its assets pursuant to this
6 subsection (d) and following the transfer does not accept
7 deposits and make loans, shall not have any rights, powers,
8 interests, franchises, or privileges under subsection (15) of
9 Section 5 of this Act until the bank has resumed accepting
10 deposits and making loans.

11 (ii) The fact that a State bank does not resume accepting
12 deposits and making loans for a period of 24 months commencing
13 on September 11, 1989 or on a date of the transfer of
14 substantially all of a State bank's assets, whichever is
15 later, or such longer period as the Commissioner may allow in
16 writing, may be the basis for a finding by the Commissioner
17 under Section 51 of this Act that the bank is unable to
18 continue operations.

19 (iii) The authority provided by subdivision (i) of this
20 subsection (d) shall terminate on May 31, 1997, and no bank
21 that has transferred substantially all of its assets pursuant
22 to this subsection (d) shall continue in existence after May
23 31, 1997.

25 (205 ILCS 5/14) (from Ch. 17, par. 321)

1 Sec. 14. Stock. Unless otherwise provided for in this Act
2 provisions of general application to stock of a state bank
3 shall be as follows:

4 (1) All banks shall have their capital divided into shares
5 of a par value of not less than \$1 each and not more than \$100
6 each, however, the par value of shares of a bank effecting a
7 reverse stock split pursuant to item (8) of subsection (a) of
8 Section 17 may temporarily exceed this limit provided it
9 conforms to the limits immediately after the reverse stock
10 split is completed. No issue of capital stock or preferred
11 stock shall be valid until not less than the par value of all
12 such stock so issued shall be paid in and notice thereof by the
13 president, a vice-president or cashier of the bank has been
14 transmitted to the Commissioner. In the case of an increase in
15 capital stock by the declaration of a stock dividend, the
16 capitalization of retained earnings effected by such stock
17 dividend shall constitute the payment for such shares required
18 by the preceding sentence, provided that the surplus of said
19 bank after such stock dividend shall be at least equal to fifty
20 per cent of the capital as increased. The charter shall not
21 limit or deny the voting power of the shares of any class of
22 stock except as provided in Section 15(3) of this Act.

23 (2) Pursuant to action taken in accordance with the
24 requirements of Section 17, a bank may issue preferred stock
25 of one or more classes as shall be approved by the Commissioner
26 as hereinafter provided, and make such amendment to its

1 charter as may be necessary for this purpose; but in the case
2 of any newly organized bank which has not yet issued capital
3 stock the requirements of Section 17 shall not apply.

4 (3) Without limiting the authority herein contained a
5 bank, when so provided in its charter and when approved by the
6 Commissioner, may issue shares of preferred stock:

7 (a) Subject to the right of the bank to redeem any of
8 such shares at not exceeding the price fixed by the
9 charter for the redemption thereof;

10 (b) Subject to the provisions of subsection (8) of
11 this Section 14 entitling the holders thereof to
12 cumulative or noncumulative dividends;

13 (c) Having preference over any other class or classes
14 of shares as to the payment of dividends;

15 (d) Having preference as to the assets of the bank
16 over any other class or classes of shares upon the
17 voluntary or involuntary liquidation of the bank;

18 (e) Convertible into shares of any other class of
19 stock, provided that preferred shares shall not be
20 converted into shares of a different par value unless that
21 part of the capital of the bank represented by such
22 preferred shares is at the time of the conversion equal to
23 the aggregate par value of the shares into which the
24 preferred shares are to be converted.

25 (4) If any part of the capital of a bank consists of
26 preferred stock, the determination of whether or not the

1 capital of such bank is impaired and the amount of such
2 impairment shall be based upon the par value of its stock even
3 though the amount which the holders of such preferred stock
4 shall be entitled to receive in the event of retirement or
5 liquidation shall be in excess of the par value of such
6 preferred stock.

7 (5) Pursuant to action taken in accordance with the
8 requirements of Section 17 of this Act, a state bank may
9 provide for a specified number of authorized but unissued
10 shares of capital stock for one or more of the following
11 purposes:

12 (a) Reserved for issuance under stock option plan or
13 plans to directors, officers or employees;

14 (b) Reserved for issuance upon conversion of
15 convertible preferred stock issued pursuant to and in
16 compliance with the provisions of subsections (2) and (3)
17 of this Section 14.

18 (c) Reserved for issuance upon conversion of
19 convertible debentures or other convertible evidences of
20 indebtedness issued by a state bank, provided always that
21 the terms of such conversion have been approved by the
22 Commissioner;

23 (d) Reserved for issuance by the declaration of a
24 stock dividend. If and when any shares of capital stock
25 are proposed to be authorized and reserved for any of the
26 purposes set forth in subparagraphs (a), (b) or (c) above,

1 the notice of the meeting, whether special or annual, of
2 stockholders at which such proposition is to be considered
3 shall be accompanied by a statement setting forth or
4 summarizing the terms upon which the shares of capital
5 stock so reserved are to be issued, and the extent to which
6 any preemptive rights of stockholders are inapplicable to
7 the issuance of the shares so reserved or to the
8 convertible preferred stock or convertible debentures or
9 other convertible evidences of indebtedness, and the
10 approving vote of the holders of at least two-thirds of
11 the outstanding shares of stock entitled to vote at such
12 meeting of the terms of such issuance shall be requisite
13 for the adoption of any amendment providing for the
14 reservation of authorized but unissued shares for any of
15 said purposes. Nothing in this subsection (5) contained
16 shall be deemed to authorize the issuance of any capital
17 stock for a consideration less than the par value thereof.

18 (6) Upon written application to the Commissioner ~~60 days~~
19 ~~prior to the proposed purchase~~ and receipt of the written
20 approval of the Commissioner, a state bank may purchase and
21 hold as treasury stock such amounts of the total number of
22 issued and outstanding shares of its capital and preferred
23 stock outstanding as the Commissioner determines is consistent
24 with safety and soundness of the bank. The Commissioner may
25 specify the manner of accounting for the treasury stock and
26 the form of notice prior to ultimate disposition of the

1 shares. Except as authorized in this subsection, it shall not
2 be lawful for a state bank to purchase or hold any additional
3 such shares or securities described in subsection (2) of
4 Section 37 unless necessary to prevent loss upon a debt
5 previously contracted in good faith, in which event such
6 shares or securities so purchased or acquired shall, within 6
7 months from the time of purchase or acquisition, be sold or
8 disposed of at public or private sale. Any state bank which
9 intends to purchase and hold treasury stock as authorized in
10 this subsection (6) shall file a written application with the
11 Commissioner 60 days prior to any such proposed purchase. The
12 application shall state the number of shares to be purchased,
13 the consideration for the shares, the name and address of the
14 person from whom the shares are to be purchased, if known, and
15 the total percentage of its issued and outstanding shares to
16 be held by the bank after the purchase. The total
17 consideration paid by a state bank for treasury stock shall
18 reduce capital and surplus of the bank for purposes of
19 Sections of this Act relating to lending and investment limits
20 which require computation of capital and surplus. After
21 considering and approving an application to purchase and hold
22 treasury stock under this subsection, the Commissioner may
23 waive or reduce the balance of the 60 day application period.
24 The Commissioner may specify the form of the application for
25 approval to acquire treasury stock and promulgate rules and
26 regulations for the administration of this subsection (6). A

1 state bank may acquire or resell its own shares as treasury
2 stock pursuant to this subsection (6) without a change in its
3 charter pursuant to Section 17. Such stock may be held for any
4 purpose permitted in subsection (5) of this Section 14 or may
5 be resold upon such reasonable terms as the board of directors
6 may determine provided notice is given to the Commissioner
7 prior to the resale of such stock.

8 (7) During the time that a state bank shall continue its
9 banking business, it shall not withdraw or permit to be
10 withdrawn, either in the form of dividends or otherwise, any
11 portion of its capital, but nothing in this subsection shall
12 prevent a reduction or change of the capital stock or the
13 preferred stock under the provisions of Sections 17 through 30
14 of this Act, a purchase of treasury stock under the provisions
15 of subsection (6) of this Section 14 or a redemption of
16 preferred stock pursuant to charter provisions therefor.

17 (8) (a) Subject to the provisions of this Act, the board of
18 directors of a state bank from time to time may declare a
19 dividend of so much of the net profits of such bank as it
20 shall judge expedient, but each bank before the
21 declaration of a dividend shall carry at least one-tenth
22 of its net profits since the date of the declaration of the
23 last preceding dividend, or since the issuance of its
24 charter in the case of its first dividend, to its surplus
25 until the same shall be equal to its capital.

26 (b) No dividends shall be paid by a state bank while it

1 continues its banking business to an amount greater than
2 its net profits then on hand, deducting first therefrom
3 its losses and bad debts. All debts due to a state bank on
4 which interest is past due and unpaid for a period of 6
5 months or more, unless the same are well secured and in the
6 process of collection, shall be considered bad debts.

7 (9) A State bank may, but shall not be obliged to, issue a
8 certificate for a fractional share, and, by action of its
9 board of directors, may in lieu thereof, pay cash equal to the
10 value of the fractional share. A certificate for a fractional
11 share shall entitle the holder to exercise fractional voting
12 rights, to receive dividends, and to participate in any of the
13 assets of the bank in the event of liquidation.

15 (205 ILCS 5/15) (from Ch. 17, par. 322)

16 Sec. 15. Stock and stockholders. Unless otherwise provided
17 for in this Act, provisions of general application to capital
18 stock, preferred stock, and stockholders of a State bank shall
19 be as follows:

20 (1) There shall be an annual meeting of the stockholders
21 for the election of directors each year on the first business
22 day in January, unless some other date shall be fixed by the
23 by-laws. A special meeting of the stockholders may be called
24 at any time by the board of directors, and otherwise as may be
25 provided in the bylaws.

1 (2) Written or printed notice stating the place, day, and
2 hour of the meeting, and in case of a special meeting, the
3 purpose or purposes for which the meeting is called, shall be
4 delivered not less than 10 nor more than 40 days before the
5 date of the meeting either personally, electronically, or by
6 mail, by or at the direction of the president, or the
7 secretary, or the officer or persons calling the meeting, to
8 each stockholder of record entitled to vote at the meeting. If
9 mailed, the notice shall be deemed to be delivered when
10 deposited in the United States mail with postage thereon
11 prepaid addressed to the stockholder at his address as it
12 appears on the records of the bank.

13 (3) Except as provided below in this paragraph (3), each
14 outstanding share shall be entitled to one vote on each matter
15 submitted to a vote at a meeting of stockholders. Shares of its
16 own stock belonging to a bank shall not be voted, directly or
17 indirectly, at any meeting and shall not be counted in
18 determining the total number of outstanding shares at any
19 given time, but shares of its own stock held by it in a
20 fiduciary capacity may be voted and shall be counted in
21 determining the total number of outstanding shares at any
22 given time. A stockholder may vote either in person or by proxy
23 executed in writing by the stockholder or by his duly
24 authorized attorney-in-fact. No proxy shall be valid after 11
25 months from the date of its execution, unless otherwise
26 provided in the proxy. Except as provided below in this

1 paragraph (3), in all elections for directors every
2 stockholder (or subscriber to the stock prior to the issuance
3 of a charter) shall have the right to vote, in person or by
4 proxy, for the number of shares of stock owned by him, for as
5 many persons as there are directors to be elected, or to
6 cumulate the shares and give one candidate as many votes as the
7 number of directors multiplied by the number of his or her
8 shares of stock shall equal, or to distribute them on the same
9 principle among as many candidates as he or she shall think
10 fit. The bank charter of any bank organized on or after January
11 1, 1984 may limit or eliminate cumulative voting rights in all
12 or specified circumstances, or may eliminate voting rights
13 entirely, as to any class or classes or series of stock of the
14 bank; provided that one class of shares or series thereof
15 shall always have voting rights in respect of all matters in
16 the bank. A bank organized prior to January 1, 1984 may amend
17 its charter to eliminate cumulative voting rights under all or
18 specified circumstances, or to eliminate voting rights
19 entirely, as to any class or classes or series of stock of the
20 bank; provided that one class of shares or series thereof
21 shall always have voting rights in respect of all matters in
22 the bank, and provided further that the proposal to eliminate
23 the voting rights receives the approval of the holders of 70%
24 of the outstanding shares of stock entitled to vote as
25 provided in paragraph (b) (7) of Section 17. A majority of the
26 outstanding shares represented in person or by proxy shall

1 constitute a quorum at a meeting of stockholders. In the
2 absence of a quorum a meeting may be adjourned from time to
3 time without notice to the stockholders.

4 (4) Whenever additional stock of a class is offered for
5 sale, stockholders of record of the same class on the date of
6 the offer shall have the right to subscribe to the proportion
7 of the shares as the stock of the class held by them bears to
8 the total of the outstanding stock of the class, and the price
9 thereof may be in excess of par value. This right shall be
10 transferable but shall terminate if not exercised within 60
11 days of the offer, unless the Commissioner shall authorize a
12 shorter time. If the right is not exercised, the stock shall
13 not be re-offered for sale to others at a lower price without
14 the stockholders of the same class again being accorded a
15 preemptive right to subscribe at the lower price.
16 Notwithstanding any of the provisions of this paragraph (4) or
17 any other provision of law, stockholders shall not have any
18 preemptive or other right to subscribe for or to purchase or
19 acquire shares of capital stock issued or to be issued under a
20 stock-option plan or upon conversion of preferred stock or
21 convertible debentures or other convertible indebtedness that
22 has been approved by stockholders in the manner required by
23 the provisions of subsection (5) of Section 14 hereof or to
24 treasury stock acquired pursuant to subsection (6) of Section
25 14.

26 (5) For the purpose of determining stockholders entitled

1 to notice of or to vote at any meeting of stockholders, or
2 stockholders entitled to receive payment of any dividend, or
3 in order to make a determination of stockholders for any other
4 proper purpose, the board of directors of a bank may provide
5 that the stock transfer books shall be closed for a stated
6 period not to exceed, in any case, 40 days. In lieu of closing
7 the stock transfer books, the board of directors may fix in
8 advance a date as the record date for any determination of
9 stockholders, the date in any case to be not more than 40 days,
10 and in case of a meeting of stockholders, not less than 10 days
11 prior to the date on which the particular action, requiring
12 the determination of stockholders, is to be taken. If the
13 stock transfer books are not closed and no record date is fixed
14 for the determination of stockholders entitled to notice of or
15 to vote at a meeting of stockholders, or stockholders entitled
16 to receive payment of a dividend, the date on which notice of a
17 meeting is delivered ~~mailed~~ or the date on which the
18 resolution of the board of directors declaring the dividend is
19 adopted, as the case may be, shall be the record date for the
20 determination of stockholders.

21 (6) Stock standing in the name of another corporation,
22 domestic or foreign, may be voted by the officer, agent, or
23 proxy as the by-laws of the corporation may prescribe, or, in
24 the absence of such provision, as the board of directors of the
25 corporation may determine. Stock standing in the name of a
26 deceased person may be voted by his or her administrator or

1 executor, either in person or by proxy. Stock standing in the
2 name of a guardian or trustee may be voted by that fiduciary
3 either in person or by proxy. Shares standing in the name of a
4 receiver may be voted by the receiver, and shares held by or
5 under control of a receiver may be voted by the receiver
6 without the transfer thereof into his or her name if authority
7 so to do be contained in an appropriate order of the court by
8 which the receiver was appointed. A stockholder whose shares
9 of stock are pledged shall be entitled to vote those shares
10 until the shares have been transferred into the name of the
11 pledgee, and thereafter the pledgee shall be entitled to vote
12 the shares so transferred.

13 (7) Shares of stock shall be transferable in accordance
14 with the general laws of this State governing the transfer of
15 corporate shares.

16 (8) The president and any other officer designated by the
17 board of directors of every State bank shall cause to be kept
18 at all times a full and correct list of the names and
19 residences of all the shareholders in the State bank and the
20 number of shares held by each in the office where its business
21 is transacted. The list shall be subject to the inspection of
22 all the shareholders of the State bank and the officers
23 authorized to assess taxes under State authority during
24 business hours of each day in which business may be legally
25 transacted. A copy of the list, verified by the oath of the
26 president or cashier, shall be transmitted to the Commissioner

1 of Banks and Real Estate within 10 days of any demand therefor
2 made by the Commissioner.

3 (9) Any number of shareholders of a bank may create a
4 voting trust for the purpose of conferring upon a trustee or
5 trustees the right to vote or otherwise represent their shares
6 for a period of not to exceed 10 years by entering into a
7 written voting trust agreement specifying the terms and
8 conditions of the voting trust and by transferring their
9 shares to the trustee or trustees for the purposes of the
10 agreement. The trust agreement shall not become effective
11 until a counterpart of the agreement is deposited with the
12 bank at its main banking premises. The counterpart of the
13 voting trust agreement so deposited with the bank shall be
14 subject to the same right of examination by a shareholder of
15 the bank, in person or by agent or attorney, as is the record
16 of shareholders of the bank and shall be subject to
17 examination by any holder of a beneficial interest in the
18 voting trust, either in person or by agent or attorney, at any
19 reasonable time for any proper purpose.

20 (10) Voting agreements. Shareholders may provide for the
21 voting of their shares by signing an agreement for that
22 purpose. A voting agreement created under this paragraph is
23 not subject to the provisions of paragraph (9).

24 A voting agreement created under this paragraph is
25 specifically enforceable in accordance with the principles of
26 equity.

1 (11) Unless expressly prohibited by the charter or bylaws
2 and subject to applicable requirements of this Act, the board
3 of directors may provide by resolution that stockholders may
4 attend, participate in, act in, and vote at an annual meeting
5 or special meeting through the use of a conference telephone
6 or interactive technology, including, but not limited to,
7 electronic transmission, internet usage, or remote
8 communication, by means of which all persons participating in
9 the meeting can communicate with each other. Participation
10 through the use of a conference telephone or interactive
11 technology shall constitute attendance, presence, and
12 representation in person at the annual meeting or special
13 meeting of the person or persons so participating and count
14 towards the quorum required to conduct business at the
15 meeting. The following conditions shall apply to any virtual
16 meeting of the stockholders:

17 (a) the bank must internally possess or retain the
18 technological capacity to facilitate virtual meeting
19 attendance, participation, communication, and voting; and

20 (b) the stockholders must receive notice of the use of
21 a virtual meeting format and appropriate instructions for
22 joining, participating, and voting during the virtual
23 meeting at least 7 days before the virtual meeting.

25 (205 ILCS 5/16) (from Ch. 17, par. 323)

1 Sec. 16. Directors. The business and affairs of a State
2 bank shall be managed by its board of directors that shall
3 exercise its powers as follows:

4 (1) Directors shall be elected as provided in this Act.
5 Any omission to elect a director or directors shall not impair
6 any of the rights and privileges of the bank or of any person
7 in any way interested. The existing directors shall hold
8 office until their successors are elected and qualify.

9 (2) (a) Notwithstanding the provisions of any charter
10 heretofore or hereafter issued, the number of directors,
11 not fewer than 5 nor more than 25, may be fixed from time
12 to time by the stockholders at any meeting of the
13 stockholders called for the purpose of electing directors
14 or changing the number thereof by the affirmative vote of
15 at least two-thirds of the outstanding stock entitled to
16 vote at the meeting, and the number so fixed shall be the
17 board regardless of vacancies until the number of
18 directors is thereafter changed by similar action.

19 (b) Notwithstanding the minimum number of directors
20 specified in paragraph (a) of this subsection, a State
21 bank that has been in existence for 10 years or more and
22 has less than \$20,000,000 in assets, as of the December 31
23 immediately preceding the annual meeting of shareholders
24 at which directors are elected, may, subject to the
25 approval of the Commissioner, have a minimum of 3
26 directors; provided that if a State bank has fewer than 5

1 directors, at least one director shall not be an officer
2 or employee of the bank. The Commissioner shall annually
3 review the appropriateness of the grant of authority to
4 have a reduced minimum number of directors pursuant to
5 this paragraph (b).

6 (3) Except as otherwise provided in this paragraph (3),
7 directors shall hold office until the next annual meeting of
8 the stockholders succeeding their election or until their
9 successors are elected and qualify. If the board of directors
10 consists of 6 or more members, in lieu of electing the
11 membership of the whole board of directors annually, the
12 charter or by-laws of a State bank may provide that the
13 directors shall be divided into either 2 or 3 classes, each
14 class to be as nearly equal in number as is possible. The term
15 of office of directors of the first class shall expire at the
16 first annual meeting of the stockholders after their election,
17 that of the second class shall expire at the second annual
18 meeting after their election, and that of the third class, if
19 any, shall expire at the third annual meeting after their
20 election. At each annual meeting after classification, the
21 number of directors equal to the number of the class whose
22 terms expire at the time of the meeting shall be elected to
23 hold office until the second succeeding annual meeting, if
24 there be 2 classes, or until the third succeeding annual
25 meeting, if there be 3 classes. Vacancies may be filled by
26 stockholders at a special meeting called for the purpose.

1 If authorized by the bank's by-laws or an amendment
2 thereto, the directors of a State bank may properly fill a
3 vacancy or vacancies arising between shareholders' meetings,
4 but at no time may the number of directors selected to fill a
5 vacancy in this manner during any interim period between
6 shareholders' meetings exceed 33 1/3% of the total membership
7 of the board of directors.

8 (4) The board of directors shall hold regular meetings at
9 least once each month, provided that, upon prior written
10 approval by the Commissioner, the board of directors may hold
11 regular meetings less frequently than once each month but at
12 least once each calendar quarter. A special meeting of the
13 board of directors may be held as provided by the by-laws. A
14 special meeting of the board of directors may also be held upon
15 call by the Commissioner or a bank examiner appointed under
16 the provisions of this Act upon not less than 12 hours notice
17 of the meeting by personal service of the notice, by
18 electronic delivery of the notice, or by mailing the notice to
19 each of the directors at his residence as shown by the books of
20 the bank. A majority of the board of directors shall
21 constitute a quorum for the transaction of business unless a
22 greater number is required by the charter or the by-laws. The
23 act of the majority of the directors present at a meeting at
24 which a quorum is present shall be the act of the board of
25 directors unless the act of a greater number is required by the
26 charter or by the by-laws.

1 (5) A member of the board of directors shall be elected
2 president. The board of directors may appoint other officers,
3 as the by-laws may provide, and fix their salaries to carry on
4 the business of the bank. The board of directors may make and
5 amend by-laws (not inconsistent with this Act) for the
6 government of the bank and may, by the affirmative vote of a
7 majority of the board of directors, establish reasonable
8 compensation of all directors for services to the corporation
9 as directors, officers, or otherwise. An officer, whether
10 elected or appointed by the board of directors or appointed
11 pursuant to the by-laws, may be removed by the board of
12 directors at any time.

13 (6) The board of directors shall cause suitable books and
14 records of all the bank's transactions to be kept.

15 (7) (a) In discharging the duties of their respective
16 positions, the board of directors, committees of the
17 board, and individual directors may, in considering the
18 best long term and short term interests of the bank,
19 consider the effects of any action (including, without
20 limitation, action that may involve or relate to a merger
21 or potential merger or to a change or potential change in
22 control of the bank) upon employees, depositors,
23 suppliers, and customers of the corporation or its
24 subsidiaries, communities in which the main banking
25 premises, branches, offices, or other establishments of
26 the bank or its subsidiaries are located, and all

1 pertinent factors.

2 (b) In discharging the duties of their respective
3 positions, the board of directors, committees of the
4 board, and individual directors shall be entitled to rely
5 on advice, information, opinions, reports or statements,
6 including financial statements and financial data,
7 prepared or presented by: (i) one or more officers or
8 employees of the bank whom the director believes to be
9 reliable and competent in the matter presented; (ii) one
10 or more counsels, accountants, or other consultants as to
11 matters that the director believes to be within that
12 person's professional or expert competence; or (iii) a
13 committee of the board upon which the director does not
14 serve, as to matters within that committee's designated
15 authority; provided that the director's reliance under
16 this paragraph (b) is placed in good faith, after
17 reasonable inquiry if the need for such inquiry is
18 apparent under the circumstances and without knowledge
19 that would cause such reliance to be unreasonable.

21 (205 ILCS 5/16.5)

22 Sec. 16.5. Employment of persons with convictions. Except
23 with the prior written consent of the Commissioner, no State
24 bank shall knowingly employ or otherwise permit an individual
25 to serve as an officer, director, employee, or agent of the

1 State bank if the individual has been convicted ~~of a felony or~~
2 of any criminal offense relating to dishonesty or breach of
3 trust.

6 Sec. 20. Resulting national bank or insured savings
7 association. Nothing in this Act shall be construed to require
8 the approval of any Illinois State authority as a condition to
9 the right of a State bank, pursuant to the laws of the United
10 States or of this State, to be converted into a national bank
11 or insured savings association or to merge with an insured
12 savings association or with a national bank under a national
13 charter. The action to be taken by such merging or converting
14 State bank and its rights and liabilities and those of its
15 stockholders and of its dissenting stockholders shall be the
16 same as those prescribed for a State bank merging with, or
17 converting into, a national bank or insured savings
18 association that has received its charter from an agency of
19 the United States Government at the time of the action by the
20 law of the United States and not by the law of this State
21 unless the State bank merges with or converts to a savings and
22 loan association or savings bank chartered under the laws of
23 this State, except that an affirmative vote of the holders of
24 at least two-thirds of the outstanding shares of stock of a
25 State bank entitled to vote at a meeting called in conformity

1 with Section 23 shall be required for the merger or
2 conversion. Upon the completion of a merger or conversion,
3 resulting in a national bank or insured savings association,
4 the charter of any merging or converting State bank shall
5 automatically terminate. Approval by the Commissioner to
6 convert a State bank to a national bank or insured savings
7 association or to merge a State bank into a national bank or
8 insured savings association shall not be required under this
9 Act. However, any such converting or merging State bank shall
10 notify the Commissioner in writing of the proposed conversion
11 or merger ~~not less than 30 days~~ prior to such conversion or
12 merger and shall pay all accrued or outstanding assessments
13 pursuant to Section 48 of this Act as of the date of conversion
14 or merger.

17 Sec. 32.1. Loans to single individuals ~~Single Females~~. No
18 State bank shall require that single individuals who have
19 reached the age of majority ~~females~~ to whom loans are made have
20 cosigners on promissory notes negotiated to secure such loans
21 unless such bank shall, under the same or similar
22 circumstances, also require that single males who have reached
23 the age of majority have cosigners on promissory notes
24 negotiated to secure loans.

2 Sec. 40. Prohibited activities. The Commissioner, deputy
3 commissioners, and employees of the Department of Financial
4 and Professional Regulation ~~Office of Banks and Real Estate~~
5 shall be subject to the restrictions provided in Section 2.5
6 of the Division of Banking Act including, without limitation,
7 the restrictions on (i) owning shares of stock or holding any
8 other equity interest in an entity regulated under this Act or
9 in any corporation or company that owns or controls an entity
10 regulated under this Act; (ii) being an officer, director,
11 employee, or agent of an entity regulated under this Act; and
12 (iii) obtaining a loan or accepting a gratuity from an entity
13 regulated under this Act.

15 (205 ILCS 5/48)

16 Sec. 48. Secretary's powers; duties. The Secretary shall
17 have the powers and authority, and is charged with the duties
18 and responsibilities designated in this Act, and a State bank
19 shall not be subject to any other visitorial power other than
20 as authorized by this Act, except those vested in the courts,
21 or upon prior consultation with the Secretary, a foreign bank
22 regulator with an appropriate supervisory interest in the
23 parent or affiliate of a State bank. In the performance of the
24 Secretary's duties:

1 (1) The Commissioner shall call for statements from
2 all State banks as provided in Section 47 at least one time
3 during each calendar quarter.

4 (2) (a) The Commissioner, as often as the Commissioner
5 shall deem necessary or proper, and no less frequently
6 than 18 months following the preceding examination, shall
7 appoint a suitable person or persons to make an
8 examination of the affairs of every State bank, except
9 that for every eligible State bank, as defined by
10 regulation, the Commissioner in lieu of the examination
11 may accept on an alternating basis the examination made by
12 the eligible State bank's appropriate federal banking
13 agency pursuant to Section 111 of the Federal Deposit
14 Insurance Corporation Improvement Act of 1991, provided
15 the appropriate federal banking agency has made such an
16 examination. A person so appointed shall not be a
17 stockholder or officer or employee of any bank which that
18 person may be directed to examine, and shall have powers
19 to make a thorough examination into all the affairs of the
20 bank and in so doing to examine any of the officers or
21 agents or employees thereof on oath and shall make a full
22 and detailed report of the condition of the bank to the
23 Commissioner. In making the examination the examiners
24 shall include an examination of the affairs of all the
25 affiliates of the bank, as defined in subsection (b) of
26 Section 35.2 of this Act, or subsidiaries of the bank as

1 shall be necessary to disclose fully the conditions of the
2 subsidiaries or affiliates, the relations between the bank
3 and the subsidiaries or affiliates and the effect of those
4 relations upon the affairs of the bank, and in connection
5 therewith shall have power to examine any of the officers,
6 directors, agents, or employees of the subsidiaries or
7 affiliates on oath. After May 31, 1997, the Commissioner
8 may enter into cooperative agreements with state
9 regulatory authorities of other states to provide for
10 examination of State bank branches in those states, and
11 the Commissioner may accept reports of examinations of
12 State bank branches from those state regulatory
13 authorities. These cooperative agreements may set forth
14 the manner in which the other state regulatory authorities
15 may be compensated for examinations prepared for and
16 submitted to the Commissioner.

17 (b) After May 31, 1997, the Commissioner is authorized
18 to examine, as often as the Commissioner shall deem
19 necessary or proper, branches of out-of-state banks. The
20 Commissioner may establish and may assess fees to be paid
21 to the Commissioner for examinations under this subsection
22 (b). The fees shall be borne by the out-of-state bank,
23 unless the fees are borne by the state regulatory
24 authority that chartered the out-of-state bank, as
25 determined by a cooperative agreement between the
26 Commissioner and the state regulatory authority that

1 chartered the out-of-state bank.

2 (2.1) Pursuant to paragraph (a) of subsection (6) of
3 this Section, the Secretary shall adopt rules that ensure
4 consistency and due process in the examination process.
5 The Secretary may also establish guidelines that (i)
6 define the scope of the examination process and (ii)
7 clarify examination items to be resolved. The rules,
8 formal guidance, interpretive letters, or opinions
9 furnished to State banks by the Secretary may be relied
10 upon by the State banks.

11 (2.5) Whenever any State bank, any subsidiary or
12 affiliate of a State bank, or after May 31, 1997, any
13 branch of an out-of-state bank causes to be performed, by
14 contract or otherwise, any bank services for itself,
15 whether on or off its premises:

16 (a) that performance shall be subject to
17 examination by the Commissioner to the same extent as
18 if services were being performed by the bank or, after
19 May 31, 1997, branch of the out-of-state bank itself
20 on its own premises; and

21 (b) the bank or, after May 31, 1997, branch of the
22 out-of-state bank shall notify the Commissioner of the
23 existence of a service relationship. The notification
24 shall be submitted with the first statement of
25 condition (as required by Section 47 of this Act) due
26 after the making of the service contract or the

1 performance of the service, whichever occurs first.
2 The Commissioner shall be notified of each subsequent
3 contract in the same manner.

4 For purposes of this subsection (2.5), the term "bank
5 services" means services such as sorting and posting of
6 checks and deposits, computation and posting of interest
7 and other credits and charges, preparation and mailing of
8 checks, statements, notices, and similar items, or any
9 other clerical, bookkeeping, accounting, statistical, or
10 similar functions performed for a State bank, including,
11 but not limited to, electronic data processing related to
12 those bank services.

13 (3) The expense of administering this Act, including
14 the expense of the examinations of State banks as provided
15 in this Act, shall to the extent of the amounts resulting
16 from the fees provided for in paragraphs (a), (a-2), and
17 (b) of this subsection (3) be assessed against and borne
18 by the State banks:

19 (a) Each bank shall pay to the Secretary a Call
20 Report Fee which shall be paid in quarterly
21 installments equal to one-fourth of the sum of the
22 annual fixed fee of \$800, plus a variable fee based on
23 the assets shown on the quarterly statement of
24 condition delivered to the Secretary in accordance
25 with Section 47 for the preceding quarter according to
26 the following schedule: 16¢ per \$1,000 of the first

1 \$5,000,000 of total assets, 15¢ per \$1,000 of the next
2 \$20,000,000 of total assets, 13¢ per \$1,000 of the
3 next \$75,000,000 of total assets, 9¢ per \$1,000 of the
4 next \$400,000,000 of total assets, 7¢ per \$1,000 of
5 the next \$500,000,000 of total assets, and 5¢ per
6 \$1,000 of all assets in excess of \$1,000,000,000, of
7 the State bank. The Call Report Fee shall be
8 calculated by the Secretary and billed to the banks
9 for remittance at the time of the quarterly statements
10 of condition provided for in Section 47. The Secretary
11 may require payment of the fees provided in this
12 Section by an electronic transfer of funds or an
13 automatic debit of an account of each of the State
14 banks. In case more than one examination of any bank is
15 deemed by the Secretary to be necessary in any
16 examination frequency cycle specified in subsection
17 2(a) of this Section, and is performed at his
18 direction, the Secretary may assess a reasonable
19 additional fee to recover the cost of the additional
20 examination. In lieu of the method and amounts set
21 forth in this paragraph (a) for the calculation of the
22 Call Report Fee, the Secretary may specify by rule
23 that the Call Report Fees provided by this Section may
24 be assessed semiannually or some other period and may
25 provide in the rule the formula to be used for
26 calculating and assessing the periodic Call Report

1 Fees to be paid by State banks.

2 (a-1) If in the opinion of the Commissioner an
3 emergency exists or appears likely, the Commissioner
4 may assign an examiner or examiners to monitor the
5 affairs of a State bank with whatever frequency he
6 deems appropriate, including, but not limited to, a
7 daily basis. The reasonable and necessary expenses of
8 the Commissioner during the period of the monitoring
9 shall be borne by the subject bank. The Commissioner
10 shall furnish the State bank a statement of time and
11 expenses if requested to do so within 30 days of the
12 conclusion of the monitoring period.

13 (a-2) On and after January 1, 1990, the reasonable
14 and necessary expenses of the Commissioner during
15 examination of the performance of electronic data
16 processing services under subsection (2.5) shall be
17 borne by the banks for which the services are
18 provided. An amount, based upon a fee structure
19 prescribed by the Commissioner, shall be paid by the
20 banks or, after May 31, 1997, branches of out-of-state
21 banks receiving the electronic data processing
22 services along with the Call Report Fee assessed under
23 paragraph (a) of this subsection (3).

24 (a-3) After May 31, 1997, the reasonable and
25 necessary expenses of the Commissioner during
26 examination of the performance of electronic data

1 processing services under subsection (2.5) at or on
2 behalf of branches of out-of-state banks shall be
3 borne by the out-of-state banks, unless those expenses
4 are borne by the state regulatory authorities that
5 chartered the out-of-state banks, as determined by
6 cooperative agreements between the Commissioner and
7 the state regulatory authorities that chartered the
8 out-of-state banks.

9 (b) "Fiscal year" for purposes of this Section 48
10 is defined as a period beginning July 1 of any year and
11 ending June 30 of the next year. The Commissioner
12 shall receive for each fiscal year, commencing with
13 the fiscal year ending June 30, 1987, a contingent fee
14 equal to the lesser of the aggregate of the fees paid
15 by all State banks under paragraph (a) of subsection
16 (3) for that year, or the amount, if any, whereby the
17 aggregate of the administration expenses, as defined
18 in paragraph (c), for that fiscal year exceeds the sum
19 of the aggregate of the fees payable by all State banks
20 for that year under paragraph (a) of subsection (3),
21 plus any amounts transferred into the Bank and Trust
22 Company Fund from the State Pensions Fund for that
23 year, plus all other amounts collected by the
24 Commissioner for that year under any other provision
25 of this Act, plus the aggregate of all fees collected
26 for that year by the Commissioner under the Corporate

1 Fiduciary Act, excluding the receivership fees
2 provided for in Section 5-10 of the Corporate
3 Fiduciary Act, and the Foreign Banking Office Act. The
4 aggregate amount of the contingent fee thus arrived at
5 for any fiscal year shall be apportioned among,
6 assessed upon, and paid by the State banks and foreign
7 banking corporations, respectively, in the same
8 proportion that the fee of each under paragraph (a) of
9 subsection (3), respectively, for that year bears to
10 the aggregate for that year of the fees collected
11 under paragraph (a) of subsection (3). The aggregate
12 amount of the contingent fee, and the portion thereof
13 to be assessed upon each State bank and foreign
14 banking corporation, respectively, shall be determined
15 by the Commissioner and shall be paid by each,
16 respectively, within 120 days of the close of the
17 period for which the contingent fee is computed and is
18 payable, and the Commissioner shall give 20 days'
19 advance notice of the amount of the contingent fee
20 payable by the State bank and of the date fixed by the
21 Commissioner for payment of the fee.

22 (c) The "administration expenses" for any fiscal
23 year shall mean the ordinary and contingent expenses
24 for that year incident to making the examinations
25 provided for by, and for otherwise administering, this
26 Act, the Corporate Fiduciary Act, excluding the

1 expenses paid from the Corporate Fiduciary
2 Receivership account in the Bank and Trust Company
3 Fund, the Foreign Banking Office Act, the Electronic
4 Fund Transfer Act, and the Illinois Bank Examiners'
5 Education Foundation Act, including all salaries and
6 other compensation paid for personal services rendered
7 for the State by officers or employees of the State,
8 including the Commissioner and the Deputy
9 Commissioners, communication equipment and services,
10 office furnishings, surety bond premiums, and travel
11 expenses of those officers and employees, employees,
12 expenditures or charges for the acquisition,
13 enlargement or improvement of, or for the use of, any
14 office space, building, or structure, or expenditures
15 for the maintenance thereof or for furnishing heat,
16 light, or power with respect thereto, all to the
17 extent that those expenditures are directly incidental
18 to such examinations or administration. The
19 Commissioner shall not be required by paragraph (c) or
20 (d-1) of this subsection (3) to maintain in any fiscal
21 year's budget appropriated reserves for accrued
22 vacation and accrued sick leave that is required to be
23 paid to employees of the Commissioner upon termination
24 of their service with the Commissioner in an amount
25 that is more than is reasonably anticipated to be
26 necessary for any anticipated turnover in employees,

1 whether due to normal attrition or due to layoffs,
2 terminations, or resignations.

3 (d) The aggregate of all fees collected by the
4 Secretary under this Act, the Corporate Fiduciary Act,
5 or the Foreign Banking Office Act on and after July 1,
6 1979, shall be paid promptly after receipt of the
7 same, accompanied by a detailed statement thereof,
8 into the State treasury and shall be set apart in a
9 special fund to be known as the Bank and Trust Company
10 Fund, except as provided in paragraph (c) of
11 subsection (11) of this Section. All earnings received
12 from investments of funds in the Bank and Trust
13 Company Fund shall be deposited into the Bank and
14 Trust Company Fund and may be used for the same
15 purposes as fees deposited into that Fund. The amount
16 from time to time deposited into the Bank and Trust
17 Company Fund shall be used: (i) to offset the ordinary
18 administrative expenses of the Secretary as defined in
19 this Section or (ii) as a credit against fees under
20 paragraph (d-1) of this subsection (3). Nothing in
21 Public Act 81-131 shall prevent continuing the
22 practice of paying expenses involving salaries,
23 retirement, social security, and State-paid insurance
24 premiums of State officers by appropriations from the
25 General Revenue Fund. However, the General Revenue
26 Fund shall be reimbursed for those payments made on

1 and after July 1, 1979, by an annual transfer of funds
2 from the Bank and Trust Company Fund. Moneys in the
3 Bank and Trust Company Fund may be transferred to the
4 Professions Indirect Cost Fund, as authorized under
5 Section 2105-300 of the Department of Professional
6 Regulation Law of the Civil Administrative Code of
7 Illinois.

8 Notwithstanding provisions in the State Finance
9 Act, as now or hereafter amended, or any other law to
10 the contrary, the Governor may, during any fiscal year
11 through January 10, 2011, from time to time direct the
12 State Treasurer and Comptroller to transfer a
13 specified sum not exceeding 10% of the revenues to be
14 deposited into the Bank and Trust Company Fund during
15 that fiscal year from that Fund to the General Revenue
16 Fund in order to help defray the State's operating
17 costs for the fiscal year. Notwithstanding provisions
18 in the State Finance Act, as now or hereafter amended,
19 or any other law to the contrary, the total sum
20 transferred during any fiscal year through January 10,
21 2011, from the Bank and Trust Company Fund to the
22 General Revenue Fund pursuant to this provision shall
23 not exceed during any fiscal year 10% of the revenues
24 to be deposited into the Bank and Trust Company Fund
25 during that fiscal year. The State Treasurer and
26 Comptroller shall transfer the amounts designated

1 under this Section as soon as may be practicable after
2 receiving the direction to transfer from the Governor.

3 (d-1) Adequate funds shall be available in the
4 Bank and Trust Company Fund to permit the timely
5 payment of administration expenses. In each fiscal
6 year the total administration expenses shall be
7 deducted from the total fees collected by the
8 Commissioner and the remainder transferred into the
9 Cash Flow Reserve Account, unless the balance of the
10 Cash Flow Reserve Account prior to the transfer equals
11 or exceeds one-fourth of the total initial
12 appropriations from the Bank and Trust Company Fund
13 for the subsequent year, in which case the remainder
14 shall be credited to State banks and foreign banking
15 corporations and applied against their fees for the
16 subsequent year. The amount credited to each State
17 bank and foreign banking corporation shall be in the
18 same proportion as the Call Report Fees paid by each
19 for the year bear to the total Call Report Fees
20 collected for the year. If, after a transfer to the
21 Cash Flow Reserve Account is made or if no remainder is
22 available for transfer, the balance of the Cash Flow
23 Reserve Account is less than one-fourth of the total
24 initial appropriations for the subsequent year and the
25 amount transferred is less than 5% of the total Call
26 Report Fees for the year, additional amounts needed to

1 make the transfer equal to 5% of the total Call Report
2 Fees for the year shall be apportioned among, assessed
3 upon, and paid by the State banks and foreign banking
4 corporations in the same proportion that the Call
5 Report Fees of each, respectively, for the year bear
6 to the total Call Report Fees collected for the year.
7 The additional amounts assessed shall be transferred
8 into the Cash Flow Reserve Account. For purposes of
9 this paragraph (d-1), the calculation of the fees
10 collected by the Commissioner shall exclude the
11 receivership fees provided for in Section 5-10 of the
12 Corporate Fiduciary Act.

13 (e) The Commissioner may upon request certify to
14 any public record in his keeping and shall have
15 authority to levy a reasonable charge for issuing
16 certifications of any public record in his keeping.

17 (f) In addition to fees authorized elsewhere in
18 this Act, the Commissioner may, in connection with a
19 review, approval, or provision of a service, levy a
20 reasonable charge to recover the cost of the review,
21 approval, or service.

22 (4) Nothing contained in this Act shall be construed
23 to limit the obligation relative to examinations and
24 reports of any State bank, deposits in which are to any
25 extent insured by the United States or any agency thereof,
26 nor to limit in any way the powers of the Commissioner with

1 reference to examinations and reports of that bank.

2 (5) The nature and condition of the assets in or
3 investment of any bonus, pension, or profit sharing plan
4 for officers or employees of every State bank or, after
5 May 31, 1997, branch of an out-of-state bank shall be
6 deemed to be included in the affairs of that State bank or
7 branch of an out-of-state bank subject to examination by
8 the Commissioner under the provisions of subsection (2) of
9 this Section, and if the Commissioner shall find from an
10 examination that the condition of or operation of the
11 investments or assets of the plan is unlawful, fraudulent,
12 or unsafe, or that any trustee has abused his trust, the
13 Commissioner shall, if the situation so found by the
14 Commissioner shall not be corrected to his satisfaction
15 within 60 days after the Commissioner has given notice to
16 the board of directors of the State bank or out-of-state
17 bank of his findings, report the facts to the Attorney
18 General who shall thereupon institute proceedings against
19 the State bank or out-of-state bank, the board of
20 directors thereof, or the trustees under such plan as the
21 nature of the case may require.

22 (6) The Commissioner shall have the power:

23 (a) To promulgate reasonable rules for the purpose
24 of administering the provisions of this Act.

25 (a-5) To impose conditions on any approval issued
26 by the Commissioner if he determines that the

1 conditions are necessary or appropriate. These
2 conditions shall be imposed in writing and shall
3 continue in effect for the period prescribed by the
4 Commissioner.

5 (b) To issue orders against any person, if the
6 Commissioner has reasonable cause to believe that an
7 unsafe or unsound banking practice has occurred, is
8 occurring, or is about to occur, if any person has
9 violated, is violating, or is about to violate any
10 law, rule, or written agreement with the Commissioner,
11 or for the purpose of administering the provisions of
12 this Act and any rule promulgated in accordance with
13 this Act.

14 (b-1) To enter into agreements with a bank
15 establishing a program to correct the condition of the
16 bank or its practices.

17 (c) To appoint hearing officers to execute any of
18 the powers granted to the Commissioner under this
19 Section for the purpose of administering this Act and
20 any rule promulgated in accordance with this Act and
21 otherwise to authorize, in writing, an officer or
22 employee of the Department of Financial and
23 Professional Regulation ~~Office of Banks and Real~~
24 ~~Estate~~ to exercise his powers under this Act.

25 (d) To subpoena witnesses, to compel their
26 attendance, to administer an oath, to examine any

1 person under oath, and to require the production of
2 any relevant books, papers, accounts, and documents in
3 the course of and pursuant to any investigation being
4 conducted, or any action being taken, by the
5 Commissioner in respect of any matter relating to the
6 duties imposed upon, or the powers vested in, the
7 Commissioner under the provisions of this Act or any
8 rule promulgated in accordance with this Act.

9 (e) To conduct hearings.

10 (7) Whenever, in the opinion of the Secretary, any
11 director, officer, employee, or agent of a State bank or
12 any subsidiary or bank holding company of the bank or,
13 after May 31, 1997, of any branch of an out-of-state bank
14 or any subsidiary or bank holding company of the bank
15 shall have violated any law, rule, or order relating to
16 that bank or any subsidiary or bank holding company of the
17 bank, shall have obstructed or impeded any examination or
18 investigation by the Secretary, shall have engaged in an
19 unsafe or unsound practice in conducting the business of
20 that bank or any subsidiary or bank holding company of the
21 bank, or shall have violated any law or engaged or
22 participated in any unsafe or unsound practice in
23 connection with any financial institution or other
24 business entity such that the character and fitness of the
25 director, officer, employee, or agent does not assure
26 reasonable promise of safe and sound operation of the

1 State bank, the Secretary may issue an order of removal.
2 If, in the opinion of the Secretary, any former director,
3 officer, employee, or agent of a State bank or any
4 subsidiary or bank holding company of the bank, prior to
5 the termination of his or her service with that bank or any
6 subsidiary or bank holding company of the bank, violated
7 any law, rule, or order relating to that State bank or any
8 subsidiary or bank holding company of the bank, obstructed
9 or impeded any examination or investigation by the
10 Secretary, engaged in an unsafe or unsound practice in
11 conducting the business of that bank or any subsidiary or
12 bank holding company of the bank, or violated any law or
13 engaged or participated in any unsafe or unsound practice
14 in connection with any financial institution or other
15 business entity such that the character and fitness of the
16 director, officer, employee, or agent would not have
17 assured reasonable promise of safe and sound operation of
18 the State bank, the Secretary may issue an order
19 prohibiting that person from further service with a bank
20 or any subsidiary or bank holding company of the bank as a
21 director, officer, employee, or agent. An order issued
22 pursuant to this subsection shall be served upon the
23 director, officer, employee, or agent. A copy of the order
24 shall be sent to each director of the bank affected by
25 registered mail. A copy of the order shall also be served
26 upon the bank of which he is a director, officer,

1 employee, or agent, whereupon he shall cease to be a
2 director, officer, employee, or agent of that bank. The
3 Secretary may institute a civil action against the
4 director, officer, or agent of the State bank or, after
5 May 31, 1997, of the branch of the out-of-state bank
6 against whom any order provided for by this subsection (7)
7 of this Section 48 has been issued, and against the State
8 bank or, after May 31, 1997, out-of-state bank, to enforce
9 compliance with or to enjoin any violation of the terms of
10 the order. Any person who has been the subject of an order
11 of removal or an order of prohibition issued by the
12 Secretary under this subsection or Section 5-6 of the
13 Corporate Fiduciary Act may not thereafter serve as
14 director, officer, employee, or agent of any State bank or
15 of any branch of any out-of-state bank, or of any
16 corporate fiduciary, as defined in Section 1-5.05 of the
17 Corporate Fiduciary Act, or of any other entity that is
18 subject to licensure or regulation by the Division of
19 Banking unless the Secretary has granted prior approval in
20 writing.

21 For purposes of this paragraph (7), "bank holding
22 company" has the meaning prescribed in Section 2 of the
23 Illinois Bank Holding Company Act of 1957.

24 (7.5) Notwithstanding the provisions of this Section,
25 the Secretary shall not:

26 (1) issue an order against a State bank or any

1 subsidiary organized under this Act for unsafe or
2 unsound banking practices solely because the entity
3 provides or has provided financial services to a
4 cannabis-related legitimate business;

5 (2) prohibit, penalize, or otherwise discourage a
6 State bank or any subsidiary from providing financial
7 services to a cannabis-related legitimate business
8 solely because the entity provides or has provided
9 financial services to a cannabis-related legitimate
10 business;

11 (3) recommend, incentivize, or encourage a State
12 bank or any subsidiary not to offer financial services
13 to an account holder or to downgrade or cancel the
14 financial services offered to an account holder solely
15 because:

16 (A) the account holder is a manufacturer or
17 producer, or is the owner, operator, or employee
18 of a cannabis-related legitimate business;

19 (B) the account holder later becomes an owner
20 or operator of a cannabis-related legitimate
21 business; or

22 (C) the State bank or any subsidiary was not
23 aware that the account holder is the owner or
24 operator of a cannabis-related legitimate
25 business; and

26 (4) take any adverse or corrective supervisory

1 action on a loan made to an owner or operator of:

2 (A) a cannabis-related legitimate business
3 solely because the owner or operator owns or
4 operates a cannabis-related legitimate business;
5 or

6 (B) real estate or equipment that is leased to
7 a cannabis-related legitimate business solely
8 because the owner or operator of the real estate
9 or equipment leased the equipment or real estate
10 to a cannabis-related legitimate business.

11 (8) The Commissioner may impose civil penalties of up
12 to \$100,000 against any person for each violation of any
13 provision of this Act, any rule promulgated in accordance
14 with this Act, any order of the Commissioner, or any other
15 action which in the Commissioner's discretion is an unsafe
16 or unsound banking practice.

17 (9) The Commissioner may impose civil penalties of up
18 to \$100 against any person for the first failure to comply
19 with reporting requirements set forth in the report of
20 examination of the bank and up to \$200 for the second and
21 subsequent failures to comply with those reporting
22 requirements.

23 (10) All final administrative decisions of the
24 Commissioner hereunder shall be subject to judicial review
25 pursuant to the provisions of the Administrative Review
26 Law. For matters involving administrative review, venue

3 Examiners' Education Foundation shall be administered as
4 follows:

5 (a) (Blank).

6 (b) The Foundation is empowered to receive
7 voluntary contributions, gifts, grants, bequests, and
8 donations on behalf of the Illinois Bank Examiners'
9 Education Foundation from national banks and other
10 persons for the purpose of funding the endowment of
11 the Illinois Bank Examiners' Education Foundation.

12 (c) The aggregate of all special educational fees
13 collected by the Secretary and property received by
14 the Secretary on behalf of the Illinois Bank
15 Examiners' Education Foundation under this subsection
16 (11) on or after June 30, 1986, shall be either (i)
17 promptly paid after receipt of the same, accompanied
18 by a detailed statement thereof, into the State
19 treasury and shall be set apart in a special fund to be
20 known as the Illinois Bank Examiners' Education Fund
21 to be invested by either the Treasurer of the State of
22 Illinois in the Public Treasurers' Investment Pool or
23 in any other investment he is authorized to make or by
24 the Illinois State Board of Investment as the State
25 Banking Board of Illinois may direct or (ii) deposited
26 into an account maintained in a commercial bank or

1 corporate fiduciary in the name of the Illinois Bank
2 Examiners' Education Foundation pursuant to the order
3 and direction of the Board of Trustees of the Illinois
4 Bank Examiners' Education Foundation.

5 (12) (Blank).

6 (13) The Secretary may borrow funds from the General
7 Revenue Fund on behalf of the Bank and Trust Company Fund
8 if the Director of Banking certifies to the Governor that
9 there is an economic emergency affecting banking that
10 requires a borrowing to provide additional funds to the
11 Bank and Trust Company Fund. The borrowed funds shall be
12 paid back within 3 years and shall not exceed the total
13 funding appropriated to the Agency in the previous year.

14 (14) In addition to the fees authorized in this Act,
15 the Secretary may assess reasonable receivership fees
16 against any State bank that does not maintain insurance
17 with the Federal Deposit Insurance Corporation. All fees
18 collected under this subsection (14) shall be paid into
19 the Non-insured Institutions Receivership account in the
20 Bank and Trust Company Fund, as established by the
21 Secretary. The fees assessed under this subsection (14)
22 shall provide for the expenses that arise from the
23 administration of the receivership of any such institution
24 required to pay into the Non-insured Institutions
25 Receivership account, whether pursuant to this Act, the
26 Corporate Fiduciary Act, the Foreign Banking Office Act,

1 or any other Act that requires payments into the
2 Non-insured Institutions Receivership account. The
3 Secretary may establish by rule a reasonable manner of
4 assessing fees under this subsection (14).
