3 (B) Brownfields Site Restoration Program.

4 (a) (1) The Agency must establish and administer a  
5 program for the payment of remediation costs to be known as the  
6 Brownfields Site Restoration Program. The Agency, through the  
7 Program, shall provide Remediation Applicants with financial  
8 assistance for the investigation and remediation of abandoned  
9 or underutilized properties. The investigation and remediation  
10 shall be performed in accordance with this Title XVII of this  
11 Act.

12 (2) For each State fiscal year in which funds are made  
13 available to the Agency for payment under this subsection (B),  
14 the Agency must, subject to the availability of funds,  
15 allocate 20% of the funds to be available to Remediation  
16 Applicants within counties with populations over 2,000,000.  
17 The remaining funds must be made available to all other  
18 Remediation Applicants in the State.

19 (3) The Agency must not approve payment in excess of  
20 \$750,000 to a Remediation Applicant for remediation costs  
21 incurred at a remediation site. Eligibility must be determined  
22 based on a minimum capital investment in the redevelopment of  
23 the site, and payment amounts must not exceed the net economic  
24 benefit to the State of the remediation project. In addition  
25 to these limitations, the total payment to be made to an

1 applicant must not exceed an amount equal to 20% of the capital  
2 investment at the site.

3 (4) Only those remediation projects for which a No  
4 Further Remediation Letter is issued by the Agency after  
5 December 31, 2001 are eligible to participate in the  
6 Brownfields Site Restoration Program. The program does not  
7 apply to any sites that have received a No Further Remediation  
8 Letter prior to December 31, 2001 or for costs incurred prior  
9 to the Agency approving a site eligible for the Brownfields  
10 Site Restoration Program.

11 (5) Brownfields Site Restoration Program funds shall  
12 be subject to availability of funding and distributed based on  
13 the order of receipt of applications satisfying all  
14 requirements as set forth in this Section.

15 (b) Prior to applying to the Agency for payment, a  
16 Remediation Applicant shall first submit to the Agency its  
17 proposed remediation costs. The Agency shall make a  
18 pre-application assessment, which is not to be binding upon  
19 future review of the project, relating only to whether the  
20 Agency has adequate funding to reimburse the applicant for the  
21 remediation costs if the applicant is found to be eligible for  
22 reimbursement of remediation costs. If the Agency determines  
23 that it is likely to have adequate funding to reimburse the  
24 applicant for remediation costs, the Remediation Applicant may  
25 then submit to the Agency an application for review of  
26 eligibility. The Agency must review the eligibility

1 application to determine whether the Remediation Applicant is  
2 eligible for the payment. The application must be on forms  
3 prescribed and provided by the Agency. At a minimum, the  
4 application must include the following:

5 (1) Information identifying the Remediation Applicant  
6 and the site for which the payment is being sought and the

9 the payment is being sought is abandoned or underutilized  
10 property. "Abandoned property" means real property  
11 previously used for, or that has the potential to be used  
12 for, commercial or industrial purposes that reverted to  
13 the ownership of the State, a county or municipal  
14 government, or an agency thereof, through donation,  
15 purchase, tax delinquency, foreclosure, default, or  
16 settlement, including conveyance by deed in lieu of  
17 foreclosure; or privately owned property that has been  
18 vacant for a period of not less than 3 years from the time  
19 an application is made to the Agency. "Underutilized  
20 property" means real property of which less than 35% of  
21 the commercially usable space of the property and  
22 improvements thereon are used for their most commercially  
23 profitable and economically productive uses.

24 (3) Information demonstrating that remediation of the  
25 site for which the payment is being sought will result in a  
26 net economic benefit to the State of Illinois. The "net

1 economic benefit" must be determined based on factors  
2 including, but not limited to, the capital investment, the  
3 number of jobs created, the number of jobs retained if it  
4 is demonstrated the jobs would otherwise be lost, capital  
5 improvements, the number of construction-related jobs,  
6 increased sales, material purchases, other increases in  
7 service and operational expenditures, and other factors  
8 established by the Agency. Priority must be given to sites  
9 located in areas with high levels of poverty, where the  
10 unemployment rate exceeds the State average, where an  
11 enterprise zone exists, or where the area is otherwise  
12 economically depressed as determined by the Agency.

13 (4) An application fee in the amount set forth in

3 (a) Except as otherwise provided in this Section, the

6 awards to non-federal entities. These requirements apply to  
7 all costs related to State and federal pass-through awards.  
8 The requirements established under this Act do not apply to

10 the Comptroller to units of local government and other taxing  
11 districts pursuant to the State Revenue Sharing Act from the  
12 Local Government Distributive Fund or the Personal Property  
13 Tax Replacement Fund, to allotments of State motor fuel tax

15 units of local government pursuant to the Motor Fuel Tax Law  
16 from the Motor Fuel Tax Fund or the Transportation Renewal  
17 Fund, or to awards, including capital appropriated funds, made  
18 by the Department of Transportation to units of local

22 federal pass-through awards from the Department of  
23 Transportation to units of local government are governed by  
24 and must comply with federal guidelines under 2 CFR Part 200.

25 The changes made by this amendatory Act of the 102nd

1 General Assembly apply to pending actions as well as actions  
2 commenced on or after the effective date of this amendatory  
3 Act of the 102nd General Assembly.

4 (a-5) Nothing in this Act shall prohibit the use of State  
5 funds for purposes of federal match or maintenance of effort.

9 conditions of the State or federal award specifically indicate  
10 otherwise. Non-federal entities shall comply with requirements

2 described in the Federal Acquisition Regulations, subpart 31.2  
3 and subpart 31.603, are always unallowable. For requirements  
4 other than those covered in Subpart D of 2 CFR 200, Subpart D,  
5 Post Federal Award Requirements (Subrecipient Monitoring and  
6 Management) ~~2 CFR 200.330 through 200.332~~, the terms of the  
7 contract and the Federal Acquisition Regulations apply.

8 With the exception of Subpart F of 2 CFR 200, which is  
9 required by the Single Audit Act, in any circumstances where  
10 the provisions of federal statutes or regulations differ from  
11 the provisions of this Act, the provision of the federal  
12 statutes or regulations govern. This includes, for agreements  
13 with Indian tribes, the provisions of the Indian  
14 Self-Determination and Education and Assistance Act, as  
15 amended, 25 U.S.C. 450-458ddd-2.

16 (c) State grant-making agencies may apply subparts A  
17 through E of 2 CFR 200 to for-profit entities, foreign public  
18 entities, or foreign organizations, except where the awarding  
19 agency determines that the application of these subparts would  
20 be inconsistent with the international obligations of the  
21 United States or the statute or regulations of a foreign  
22 government.

23 (d) 2 CFR 200.101 specifies how 2 CFR 200 is applicable to  
24 different types of awards. The same applicability applies to  
25 this Act.

26 (e) (Blank).

1 (f) For public institutions of higher education, the  
2 provisions of this Act apply only to awards funded by federal  
3 pass-through awards from a State agency to public institutions  
4 of higher education. This Act shall recognize provisions in 2  
5 CFR 200 as applicable to public institutions of higher  
6 education, including Appendix III of Part 200 and the cost  
7 principles under Subpart E.

8 (g) Each grant-making agency shall enhance its processes  
9 to monitor and address noncompliance with reporting  
10 requirements and with program performance standards. Where  
11 applicable, the process may include a corrective action plan.  
12 The monitoring process shall include a plan for tracking and  
13 documenting performance-based contracting decisions.

14 (h) Notwithstanding any provision of law to the contrary,  
15 grants awarded from federal funds received from the federal  
16 Coronavirus State Fiscal Recovery Fund in accordance with  
17 Section 9901 of the American Rescue Plan Act of 2021 are  
18 subject to the provisions of this Act, but only to the extent

11 systems as may be established by this Act or by regulations  
12 adopted thereunder. The Agency may enter into written

17 air pollution control sources with uncontrolled emissions of  
18 100 tons per year or less and application of algicides to

20 that the work to be performed thereunder will be in accordance  
21 with Agency criteria, subject to Agency review, and shall  
22 include such financial and program auditing by the Agency as  
23 may be required.

24 (h) The Agency shall have authority to require the  
25 submission of complete plans and specifications from any  
26 applicant for a permit required by this Act or by regulations

1 thereunder, and to require the submission of such reports  
2 regarding actual or potential violations of this Act, any rule  
3 or regulation adopted under this Act, any permit or term or  
4 condition of a permit, or any Board order, as may be necessary  
5 for the purposes of this Act.

6 (i) The Agency shall have authority to make  
7 recommendations to the Board for the adoption of regulations  
8 under Title VII of the Act.

9 (j) The Agency shall have the duty to represent the State  
10 of Illinois in any and all matters pertaining to plans,  
11 procedures, or negotiations for interstate compacts or other  
12 governmental arrangements relating to environmental  
13 protection.

14 (k) The Agency shall have the authority to accept,  
15 receive, and administer on behalf of the State any grants,  
16 gifts, loans, indirect cost reimbursements, or other funds  
17 made available to the State from any source for purposes of  
18 this Act or for air or water pollution control, public water  
19 supply, solid waste disposal, noise abatement, or other  
20 environmental protection activities, surveys, or programs. Any  
21 federal funds received by the Agency pursuant to this  
22 subsection shall be deposited in a trust fund with the State  
23 Treasurer and held and disbursed by him in accordance with  
24 Treasurer as Custodian of Funds Act, provided that such monies  
25 shall be used only for the purposes for which they are  
26 contributed and any balance remaining shall be returned to the

1 contributor.

2 The Agency is authorized to promulgate such regulations  
3 and enter into such contracts as it may deem necessary for  
4 carrying out the provisions of this subsection.

5 (1) The Agency is hereby designated as water pollution  
6 agency for the state for all purposes of the Federal Water  
7 Pollution Control Act, as amended; as implementing agency for  
8 the State for all purposes of the Safe Drinking Water Act,  
9 Public Law 93-523, as now or hereafter amended, except Section  
10 1425 of that Act; as air pollution agency for the state for all  
11 purposes of the Clean Air Act of 1970, Public Law 91-604,  
12 approved December 31, 1970, as amended; and as solid waste  
13 agency for the state for all purposes of the Solid Waste  
14 Disposal Act, Public Law 89-272, approved October 20, 1965,  
15 and amended by the Resource Recovery Act of 1970, Public Law  
16 91-512, approved October 26, 1970, as amended, and amended by  
17 the Resource Conservation and Recovery Act of 1976, (P.L.  
18 94-580) approved October 21, 1976, as amended; as noise  
19 control agency for the state for all purposes of the Noise  
20 Control Act of 1972, Public Law 92-574, approved October 27,  
21 1972, as amended; and as implementing agency for the State for  
22 all purposes of the Comprehensive Environmental Response,  
23 Compensation, and Liability Act of 1980 (P.L. 96-510), as  
24 amended; and otherwise as pollution control agency for the  
25 State pursuant to federal laws integrated with the foregoing  
26 laws, for financing purposes or otherwise. The Agency is

1 hereby authorized to take all action necessary or appropriate  
2 to secure to the State the benefits of such federal Acts,  
3 provided that the Agency shall transmit to the United States  
4 without change any standards adopted by the Pollution Control  
5 Board pursuant to Section 5(c) of this Act. This subsection  
6 (1) of Section 4 shall not be construed to bar or prohibit the  
7 Environmental Protection Trust Fund Commission from accepting,  
8 receiving, and administering on behalf of the State any  
9 grants, gifts, loans or other funds for which the Commission  
10 is eligible pursuant to the Environmental Protection Trust  
11 Fund Act. The Agency is hereby designated as the State agency  
12 for all purposes of administering the requirements of Section  
13 313 of the federal Emergency Planning and Community  
14 Right-to-Know Act of 1986.

15 Any municipality, sanitary district, or other political  
16 subdivision, or any Agency of the State or interstate Agency,  
17 which makes application for loans or grants under such federal  
18 Acts shall notify the Agency of such application; the Agency  
19 may participate in proceedings under such federal Acts.

20 (m) The Agency shall have authority, consistent with  
21 Section 5(c) and other provisions of this Act, and for  
22 purposes of Section 303(e) of the Federal Water Pollution  
23 Control Act, as now or hereafter amended, to engage in  
24 planning processes and activities and to develop plans in  
25 cooperation with units of local government, state agencies and  
26 officers, and other appropriate persons in connection with the

1 jurisdiction or duties of each such unit, agency, officer or  
2 person. Public hearings shall be held on the planning process,  
3 at which any person shall be permitted to appear and be heard,  
4 pursuant to procedural regulations promulgated by the Agency.

5 (n) In accordance with the powers conferred upon the  
6 Agency by Sections 10(g), 13(b), 19, 22(d) and 25 of this Act,  
7 the Agency shall have authority to establish and enforce  
8 minimum standards for the operation of laboratories relating  
9 to analyses and laboratory tests for air pollution, water  
10 pollution, noise emissions, contaminant discharges onto land  
11 and sanitary, chemical, and mineral quality of water  
12 distributed by a public water supply. The Agency may enter  
13 into formal working agreements with other departments or  
14 agencies of state government under which all or portions of  
15 this authority may be delegated to the cooperating department  
16 or agency.

17 (o) The Agency shall have the authority to issue  
18 certificates of competency to persons and laboratories meeting  
19 the minimum standards established by the Agency in accordance  
20 with Section 4(n) of this Act and to promulgate and enforce  
21 regulations relevant to the issuance and use of such  
22 certificates. The Agency may enter into formal working  
23 agreements with other departments or agencies of state  
24 government under which all or portions of this authority may  
25 be delegated to the cooperating department or agency.

26 (p) Except as provided in Section 17.7, the Agency shall

1 have the duty to analyze samples as required from each public  
2 water supply to determine compliance with the contaminant  
3 levels specified by the Pollution Control Board. The maximum  
4 number of samples which the Agency shall be required to  
5 analyze for microbiological quality shall be 6 per month, but  
6 the Agency may, at its option, analyze a larger number each  
7 month for any supply. Results of sample analyses for  
8 additional required bacteriological testing, turbidity,  
9 residual chlorine and radionuclides are to be provided to the  
10 Agency in accordance with Section 19. Owners of water supplies  
11 may enter into agreements with the Agency to provide for  
12 reduced Agency participation in sample analyses.

13 (q) The Agency shall have the authority to provide notice  
14 to any person who may be liable pursuant to Section 22.2(f) of  
15 this Act for a release or a substantial threat of a release of  
16 a hazardous substance or pesticide. Such notice shall include  
17 the identified response action and an opportunity for such  
18 person to perform the response action.

19 (r) The Agency may enter into written delegation  
20 agreements with any unit of local government under which it  
21 may delegate all or portions of its inspecting, investigating  
22 and enforcement functions. Such delegation agreements shall  
23 require that work performed thereunder be in accordance with  
24 Agency criteria and subject to Agency review. Notwithstanding  
25 any other provision of law to the contrary, no unit of local  
26 government shall be liable for any injury resulting from the

1 exercise of its authority pursuant to such a delegation  
2 agreement unless the injury is proximately caused by the  
3 willful and wanton negligence of an agent or employee of the  
4 unit of local government, and any policy of insurance coverage  
5 issued to a unit of local government may provide for the denial  
6 of liability and the nonpayment of claims based upon injuries  
7 for which the unit of local government is not liable pursuant  
8 to this subsection (r).

9 (s) The Agency shall have authority to take whatever  
10 preventive or corrective action is necessary or appropriate,  
11 including but not limited to expenditure of monies  
12 appropriated from the Build Illinois Bond Fund for removal or  
13 remedial action, whenever any hazardous substance or pesticide  
14 is released or there is a substantial threat of such a release  
15 into the environment. The State, the Director, and any State  
16 employee shall be indemnified for any damages or injury  
17 arising out of or resulting from any action taken under this  
18 subsection. The Director of the Agency is authorized to enter  
19 into such contracts and agreements as are necessary to carry  
20 out the Agency's duties under this subsection.

21 (t) The Agency shall have authority to distribute grants,  
22 subject to appropriation by the General Assembly, to units of  
23 local government for financing and construction of wastewater  
24 facilities in both incorporated and unincorporated areas. With  
25 respect to all monies appropriated from the Build Illinois  
26 Bond Fund for wastewater facility grants, the Agency shall

1 make distributions in conformity with the rules and  
2 regulations established pursuant to the Anti-Pollution Bond  
3 Act (now repealed) or the General Obligation Bond Act, ~~as now~~  
4 ~~or hereafter amended.~~

5 (u) Pursuant to the Illinois Administrative Procedure Act,  
6 the Agency shall have the authority to adopt such rules as are  
7 necessary or appropriate for the Agency to implement Section  
8 31.1 of this Act.

9 (v) (Blank.)

10 (w) Neither the State, nor the Director, nor the Board,  
11 nor any State employee shall be liable for any damages or  
12 injury arising out of or resulting from any action taken under  
13 subsection (s).

14 (x) (1) The Agency shall have authority to distribute  
15 grants, subject to appropriation by the General Assembly, to  
16 units of local government for financing and construction of  
17 public water supply facilities. With respect to all monies  
18 appropriated from the Build Illinois Bond Fund for public  
19 water supply grants, such grants shall be made in accordance  
20 with rules promulgated by the Agency. Such rules shall include  
21 a requirement for a local match of 30% of the total project  
22 cost for projects funded through such grants.

23 (2) The Agency shall not terminate a grant to a unit of  
24 local government for the financing and construction of public  
25 water supply facilities unless and until the Agency adopts  
26 rules that set forth precise and complete standards, pursuant

1 to Section 5-20 of the Illinois Administrative Procedure Act,  
2 for the termination of such grants. The Agency shall not make  
3 determinations on whether specific grant conditions are  
4 necessary to ensure the integrity of a project or on whether  
5 subagreements shall be awarded, with respect to grants for the  
6 financing and construction of public water supply facilities,  
7 unless and until the Agency adopts rules that set forth  
8 precise and complete standards, pursuant to Section 5-20 of  
9 the Illinois Administrative Procedure Act, for making such  
10 determinations. The Agency shall not issue a stop-work order  
11 in relation to such grants unless and until the Agency adopts  
12 precise and complete standards, pursuant to Section 5-20 of  
13 the Illinois Administrative Procedure Act, for determining  
14 whether to issue a stop-work order.

15 (y) The Agency shall have authority to release any person  
16 from further responsibility for preventive or corrective  
17 action under this Act following successful completion of  
18 preventive or corrective action undertaken by such person upon  
19 written request by the person.

20 (z) To the extent permitted by any applicable federal law  
21 or regulation, for all work performed for State construction  
22 projects which are funded in whole or in part by a capital  
23 infrastructure bill enacted by the 96th General Assembly by  
24 sums appropriated to the Environmental Protection Agency, at  
25 least 50% of the total labor hours must be performed by actual  
26 residents of the State of Illinois. For purposes of this

1 subsection, "actual residents of the State of Illinois" means  
2 persons domiciled in the State of Illinois. The Department of  
3 Labor shall promulgate rules providing for the enforcement of  
4 this subsection.

5 (aa) The Agency may adopt rules requiring the electronic  
6 submission of any information required to be submitted to the  
7 Agency pursuant to any State or federal law or regulation or  
8 any court or Board order. Any rules adopted under this  
9 subsection (aa) must include, but are not limited to,  
10 identification of the information to be submitted  
11 electronically.
