HOUSE RESOLUTION

2 WHEREAS, For over 100 million Americans, boating continues
3 to be a popular recreational activity; from coast to coast,
4 and everywhere in between, people are enjoying time together
5 boating, sailing, paddling, and fishing; and

6 WHEREAS, Safe boating begins with preparation; the U.S.
7 Coast Guard estimates that human error accounts for most
8 boating accidents and that life jackets could prevent nearly
9 83% of boating fatalities; and

10 WHEREAS, On average, 650 people die each year in
11 boating-related accidents in the U.S., with 75% of these

14 by human error or poor judgment and not by the boat, equipment,
15 or environmental factors; and

16 WHEREAS, A significant number of boaters who lose their
17 lives by drowning each year would be alive today had they worn
18 their life jacket; and

19 WHEREAS, Basic boating safety procedures, such as carrying
20 lifesaving emergency distress and communications equipment,

1 wearing life jackets, attending safe boating courses,
2 participating in free boat safety checks, and staying sober
3 when navigating, can help ensure boaters on America's coastal,
4 inland, and offshore waters stay safe throughout the season;
5 therefore, be it
