

Sen. David Koehler

Filed: 4/27/2023

10300SB0285sam001

LRB103 25015 RLC 61084 a

1 AMENDMENT TO SENATE BILL 285

2 AMENDMENT NO. _____. Amend Senate Bill 285 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Controlled Substances Act is
5 amended by changing Sections 316 and 317 and by adding Section
6 316.1 as follows:

7 (720 ILCS 570/316)

8 Sec. 316. Prescription Monitoring Program.

9 (a) The Department must provide for a Prescription
10 Monitoring Program for Schedule II, III, IV, and V controlled
11 substances that includes the following components and
12 requirements:

13 (1) The dispenser must transmit to the central
14 repository, in a form and manner specified by the
15 Department, the following information:

16 (A) The recipient's name and address.

1 (B) The recipient's date of birth and gender.

2 (C) The national drug code number of the
3 controlled substance dispensed.

4 (D) (Blank). ~~The date the controlled substance is~~
5 ~~dispensed.~~

6 (E) The quantity of the controlled substance
7 dispensed and days supply.

8 (F) The dispenser's United States Drug Enforcement
9 Administration registration number.

10 (G) The prescriber's United States Drug
11 Enforcement Administration registration number.

12 (H) The dates the controlled substance
13 prescription is filled.

14 (I) The payment type used to purchase the
15 controlled substance (i.e. Medicaid, cash, third party
16 insurance).

17 (J) The patient location code (i.e. home, nursing
18 home, outpatient, etc.) for the controlled substances
19 other than those filled at a retail pharmacy.

20 (K) Any additional information that may be
21 required by the department by administrative rule,
22 including but not limited to information required for
23 compliance with the criteria for electronic reporting
24 of the American Society for Automation and Pharmacy or
25 its successor.

26 (2) The information required to be transmitted under

1 this Section must be transmitted not later than the end of
2 the business day on which a controlled substance is
3 dispensed, or at such other time as may be required by the
4 Department by administrative rule.

5 (3) A dispenser must transmit electronically, as
6 provided by Department rule, the information required to
7 be transmitted under this Section. ~~by:~~

8 ~~(A) an electronic device compatible with the~~
9 ~~receiving device of the central repository;~~

10 ~~(B) a computer diskette;~~

11 ~~(C) a magnetic tape; or~~

12 ~~(D) a pharmacy universal claim form or Pharmacy~~
13 ~~Inventory Control form.~~

14 (3.5) The requirements of paragraphs (1), (2), and (3)
15 of this subsection also apply to opioid treatment programs
16 that are licensed or certified by the Department of Human
17 Services' Division of Substance Use Prevention and
18 Recovery and are authorized by the federal Drug
19 Enforcement Administration to prescribe Schedule II, III,
20 IV, or V controlled substances for the treatment of opioid
21 use disorders. Opioid treatment programs shall attempt to
22 obtain written patient consent, shall document attempts to
23 obtain the written consent, and shall not transmit
24 information without patient consent. Documentation
25 obtained under this paragraph shall not be utilized for
26 law enforcement purposes, as proscribed under 42 CFR 2, as

1 amended by 42 U.S.C. 290dd-2. Treatment of a patient shall
2 not be conditioned upon his or her written consent.

3 (4) The Department may impose a civil fine of up to
4 \$100 per day for willful failure to report controlled
5 substance dispensing to the Prescription Monitoring
6 Program. The fine shall be calculated on no more than the
7 number of days from the time the report was required to be
8 made until the time the problem was resolved, and shall be
9 payable to the Prescription Monitoring Program.

10 (a-5) Notwithstanding subsection (a), a licensed
11 veterinarian is exempt from the reporting requirements of this
12 Section. If a person who is presenting an animal for treatment
13 is suspected of fraudulently obtaining any controlled
14 substance or prescription for a controlled substance, the
15 licensed veterinarian shall report that information to the
16 local law enforcement agency.

17 (b) The Department, by rule, may include in the
18 Prescription Monitoring Program certain other select drugs
19 that are not included in Schedule II, III, IV, or V. The
20 Prescription Monitoring Program does not apply to controlled
21 substance prescriptions as exempted under Section 313.

22 (c) The collection of data on select drugs and scheduled
23 substances by the Prescription Monitoring Program may be used
24 as a tool for addressing oversight requirements of long-term
25 care institutions as set forth by Public Act 96-1372.
26 Long-term care pharmacies shall transmit patient medication

1 profiles to the Prescription Monitoring Program monthly or
2 more frequently as established by administrative rule.

3 (d) The Department of Human Services shall appoint a
4 full-time Clinical Director of the Prescription Monitoring
5 Program.

6 (e) (Blank).

7 (f) It is the responsibility of any new, ceased, or
8 unconnected healthcare facility and its selected Electronic
9 Health Records System or Pharmacy Management System to make
10 contact with and ensure integration with the Prescription
11 Monitoring Program. As soon as practicable after the effective
12 date of this amendatory Act of the 103rd General Assembly, the
13 Department shall adopt rules requiring Electronic Health
14 Records Systems and Pharmacy Management Systems to interface,
15 by January 1, 2024, with the Prescription Monitoring Program
16 to ensure that providers have access to specific patient
17 records during the treatment of their patients. The Department
18 shall identify actions to be taken if a prescriber's
19 Electronic Health Records System and Pharmacy Management
20 Systems does not effectively interface with the Prescription
21 Monitoring Program once the Prescription Monitoring Program is
22 aware of the non-integrated connection. Within one year of
23 January 1, 2018 (the effective date of Public Act 100-564),
24 the Department shall adopt rules requiring all Electronic
25 Health Records Systems to interface with the Prescription
26 Monitoring Program application program on or before January 1,

1 ~~2021 to ensure that all providers have access to specific~~
2 ~~patient records during the treatment of their patients. These~~
3 ~~rules shall also address the electronic integration of~~
4 ~~pharmacy records with the Prescription Monitoring Program to~~
5 ~~allow for faster transmission of the information required~~
6 ~~under this Section. The Department shall establish actions to~~
7 ~~be taken if a prescriber's Electronic Health Records System~~
8 ~~does not effectively interface with the Prescription~~
9 ~~Monitoring Program within the required timeline.~~

10 (g) The Department, in consultation with the Prescription
11 Monitoring Program Advisory Committee, shall adopt rules
12 allowing licensed prescribers or pharmacists who have
13 registered to access the Prescription Monitoring Program to
14 authorize a licensed or non-licensed designee employed in that
15 licensed prescriber's office or a licensed designee in a
16 licensed pharmacist's pharmacy who has received training in
17 the federal Health Insurance Portability and Accountability
18 Act and 42 CFR 2 to consult the Prescription Monitoring
19 Program on their behalf. The rules shall include reasonable
20 parameters concerning a practitioner's authority to authorize
21 a designee, and the eligibility of a person to be selected as a
22 designee. In this subsection (g), "pharmacist" shall include a
23 clinical pharmacist employed by and designated by a Medicaid
24 Managed Care Organization providing services under Article V
25 of the Illinois Public Aid Code under a contract with the
26 Department of Healthcare and Family Services for the sole

1 purpose of clinical review of services provided to persons
2 covered by the entity under the contract to determine
3 compliance with subsections (a) and (b) of Section 314.5 of
4 this Act. A managed care entity pharmacist shall notify
5 prescribers of review activities.

8 (720 ILCS 570/316.1 new)

9 Sec. 316.1. Access to the integration of pharmacy records
10 with the Prescription Monitoring Program.

11 (a) Subject to the requirements and limitations set out in
12 this Section and in administrative rule, the Department shall
13 not require, either expressly or effectively, Electronic
14 Health Records Systems, pharmacies, or other providers to
15 utilize a particular entity or system for access to the
16 integration of pharmacy records with the Prescription
17 Monitoring Program.

18 (1) Any entity or system for integration (transmitting
19 the data maintained by the Prescription Monitoring
20 Program) into an Electronic Health Records System,
21 Certified Health IT Module, Pharmacy Dispensing System, or
22 Pharmacy Management System must meet applicable
23 requirements outlined in administrative rule, including,
24 but not limited to, the following:

25 (A) enter into a data sharing agreement with the

1 Department of Human Services, Prescription Monitoring
2 Program;

3 (B) all security requirements noted within this
4 Section, administrative rule, and all other applicable
5 State and federal security and privacy requirements;

6 (C) the Prescription Monitoring Program shall have
7 administrative control over the approval of each site
8 and individual integration point and the Prescription
9 Monitoring Program shall have the ability to disable
10 individual integration points, at no additional cost
11 to the State;

12 (D) interstate data sharing shall be completed
13 with written authorization from the Prescription
14 Monitoring Program;

15 (E) data available from the Prescription
16 Monitoring Program shall not be stored, cached, or
17 sold and the State may inspect and review an entity or
18 system for integration to assure and confirm the same,
19 subject to a reasonable non-disclosure agreement, as
20 permitted by State law, to protect the entity's or
21 system's trade secrets or other proprietary
22 information;

23 (F) analysis of data shall only be allowed with
24 express written permission from the Prescription
25 Monitoring Program; and

26 (G) access to audit data, shall be available in

1 hourly to real-time increments at no cost to the
2 State.

3 (2) Electronic Health Record Systems, Certified Health
4 IT Modules, Pharmacy Management Systems, and Pharmacy
5 Dispensing Systems integrated with the Prescription
6 Monitoring Program must meet applicable requirements
7 outlined in rule, including, but not limited to, the
8 following:

9 (A) provide their customers (healthcare entity,
10 pharmacy, provider, prescriber, dispenser, etc.) the
11 choice of approved integration vendor, meeting the
12 requirements of this Section and administrative rule,
13 or direct connect to the Illinois Prescription
14 Monitoring Program;

15 (B) provide their customers with access to the
16 data provided by the customer's chosen integration
17 vendor as allowed under State and federal statute; and

18 (C) follow all State and federal security and
19 privacy standards.

20 (3) Customers required to integrate under State or
21 federal law must meet the requirements outlined in
22 administrative rule, including, but not limited to, the
23 following:

24 (A) the customer retains the choice of which
25 integration vendor or direct connect is utilized to
26 connect to the Illinois Prescription Monitoring

1 Program; and

2 (B) customers seeking to contract with a new
3 integration vendor, shall enter into a memorandum of
4 understanding with the Prescription Monitoring
5 Program.

6 (b) The Illinois Prescription Monitoring Program may
7 exercise the power, by rule, to require Memoranda of
8 Understanding with all customers. The general contents of the
9 memorandum of understanding shall be set out in rule and shall
10 include, but not be limited to:

11 (1) the acknowledgment and choice of the customer of
12 the method of integration with the Prescription Monitoring
13 Program and

14 (2) the data use and other requirements on the
15 customer in accessing and using the Prescription
16 Monitoring Program.

17 A fee cannot be levied as part of a memorandum of
18 understanding required by the Department under this Section.

19 (c) Non-compliance by the Integration Vendor, Electronic
20 Health Record System, Certified Health IT Module, Pharmacy
21 Management System or Pharmacy Dispensing System, customer, or
22 any parties required to comply with this Section may result in
23 the party being prohibited from serving as entity or system
24 for integration with the Prescription Monitoring Program,
25 termination of contracts, agreements, or other business
26 relationships. The Department shall institute appropriate cure

1 notices, as necessary to remedy non-compliance.

2 (720 ILCS 570/317)

3 Sec. 317. Central repository for collection of
4 information.

5 (a) The Department must designate a central repository for
6 the collection of information transmitted under Section 316
7 and former Section 321.

8 (b) The central repository must do the following:

9 (1) Create a database for information required to be
10 transmitted under Section 316 in the form required under
11 rules adopted by the Department, including search
12 capability for the following:

13 (A) A recipient's name and address.

14 (B) A recipient's date of birth and gender.

15 (C) The national drug code number of a controlled
16 substance dispensed.

17 (D) (Blank). ~~The dates a controlled substance is~~
18 ~~dispensed.~~

19 (E) The quantities and days supply of a controlled
20 substance dispensed.

21 (F) A dispenser's Administration registration
22 number.

23 (G) A prescriber's Administration registration
24 number.

25 (H) The dates the controlled substance

1 prescription is filled.

2 (I) The payment type used to purchase the
3 controlled substance (i.e. Medicaid, cash, third party
4 insurance).

5 (J) The patient location code (i.e. home, nursing
6 home, outpatient, etc.) for controlled substance
7 prescriptions other than those filled at a retail
8 pharmacy.

9 (2) Provide the Department with a database maintained
10 by the central repository. The Department of Financial and
11 Professional Regulation must provide the Department with
12 electronic access to the license information of a
13 prescriber or dispenser.

14 (3) Secure the information collected by the central
15 repository and the database maintained by the central
16 repository against access by unauthorized persons.

17 All prescribers shall designate one or more medical
18 specialties or fields of medical care and treatment for which
19 the prescriber prescribes controlled substances when
20 registering with the Prescription Monitoring Program.

21 No fee shall be charged for access by a prescriber or
22 dispenser.

23 (Source: P.A. 99-480, eff. 9-9-15.)

24 Section 99. Effective date. This Act takes effect upon
25 becoming law, except that Section 316.1 takes effect July 1,

1 2024."
