11 of additional claims;

12 (9) accept invoice audits as validation invoices from
13 any wholesaler registered with the Department of Financial
14 and Professional Regulation from which the pharmacy has
15 purchased prescription drugs or, in the case of durable

17 authorized distributor other than a wholesaler;

18 (10) provide the pharmacy or its contracting agent
19 with the ability to provide documentation to address a

23 charged back or recouped due to overpayment may not exceed
24 the amount the pharmacy was overpaid;

25 (16) not include dispensing fees in the calculation of
26 overpayments unless a prescription is considered a

1 misfill, the medication is not delivered to the patient,
2 the prescription is not valid, or the prescriber denies
3 authorizing the prescription; and

4 (17) conduct a pharmacy audit under the same standards
5 and parameters as conducted for other similarly situated
6 pharmacies audited by the auditing entity.

7 (c) Except as otherwise provided by State or federal law,
8 an auditing entity conducting a pharmacy audit may have access
9 to a pharmacy's previous audit report only if the report was
10 prepared by that auditing entity.

11 (d) Information collected during a pharmacy audit shall be
12 confidential by law, except that the auditing entity
13 conducting the pharmacy audit may share the information with
14 the health benefit plan for which a pharmacy audit is being
15 conducted and with any regulatory agencies and law enforcement
16 agencies as required by law.

17 (e) A pharmacy may not be subject to a chargeback or
18 recoupment for a clerical or recordkeeping error in a required
19 document or record, including a typographical error or
20 computer error, unless the pharmacy benefit manager can
21 provide proof of intent to commit fraud or such error results
22 in actual financial harm to the pharmacy benefit manager, a
23 health plan managed by the pharmacy benefit manager, or a
24 consumer.

25 (f) A pharmacy shall have the right to file a written
26 appeal of a preliminary and final pharmacy audit report in

1 accordance with the procedures established by the entity
2 conducting the pharmacy audit.

3 (g) No interest shall accrue for any party during the
4 audit period, beginning with the notice of the pharmacy audit
5 and ending with the conclusion of the appeals process.

6 (h) An auditing entity must provide a copy to the plan
7 sponsor of its claims that were included in the audit, and any
8 recouped money shall be returned to the plan sponsor, unless
9 otherwise contractually agreed upon by the plan sponsor and
10 the pharmacy benefit manager.

11 (i) The parameters of an audit must comply with
12 manufacturer listings or recommendations, unless otherwise
13 prescribed by the treating provider, and must be covered under
14 the individual's health plan, for the following:

15 (1) the day supply for eyedrops must be calculated so
16 that the consumer pays only one 30-day copayment if the
17 bottle of eyedrops is intended by the manufacturer to be a
18 30-day supply;

19 (2) the day supply for insulin must be calculated so
20 that the highest dose prescribed is used to determine the
21 day supply and consumer copayment; and

22 (3) the day supply for topical product must be
23 determined by the judgment of the pharmacist or treating
24 provider upon the treated area.

25 (j) This Section shall not apply to:

5 programs; or

7 within 3 business days after transmission of a claim and
