1 AMENDMENT TO SENATE BILL 994

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 994 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by changing Section  
5 19-1 as follows:

6 (105 ILCS 5/19-1)

7 Sec. 19-1. Debt limitations of school districts.

8 (a) School districts shall not be subject to the  
9 provisions limiting their indebtedness prescribed in the Local  
10 Government Debt Limitation Act.

11 No school districts maintaining grades K through 8 or 9  
12 through 12 shall become indebted in any manner or for any  
13 purpose to an amount, including existing indebtedness, in the  
14 aggregate exceeding 6.9% on the value of the taxable property  
15 therein to be ascertained by the last assessment for State and  
16 county taxes or, until January 1, 1983, if greater, the sum

1 that is produced by multiplying the school district's 1978  
2 equalized assessed valuation by the debt limitation percentage  
3 in effect on January 1, 1979, previous to the incurring of such  
4 indebtedness.

5 No school districts maintaining grades K through 12 shall  
6 become indebted in any manner or for any purpose to an amount,  
7 including existing indebtedness, in the aggregate exceeding  
8 13.8% on the value of the taxable property therein to be  
9 ascertained by the last assessment for State and county taxes  
10 or, until January 1, 1983, if greater, the sum that is produced  
11 by multiplying the school district's 1978 equalized assessed  
12 valuation by the debt limitation percentage in effect on  
13 January 1, 1979, previous to the incurring of such  
14 indebtedness.

15 No partial elementary unit district, as defined in Article  
16 11E of this Code, shall become indebted in any manner or for  
17 any purpose in an amount, including existing indebtedness, in  
18 the aggregate exceeding 6.9% of the value of the taxable  
19 property of the entire district, to be ascertained by the last  
20 assessment for State and county taxes, plus an amount,  
21 including existing indebtedness, in the aggregate exceeding  
22 6.9% of the value of the taxable property of that portion of  
23 the district included in the elementary and high school  
24 classification, to be ascertained by the last assessment for  
25 State and county taxes. Moreover, no partial elementary unit  
26 district, as defined in Article 11E of this Code, shall become

1 indebted on account of bonds issued by the district for high  
2 school purposes in the aggregate exceeding 6.9% of the value  
3 of the taxable property of the entire district, to be  
4 ascertained by the last assessment for State and county taxes,  
5 nor shall the district become indebted on account of bonds  
6 issued by the district for elementary purposes in the  
7 aggregate exceeding 6.9% of the value of the taxable property  
8 for that portion of the district included in the elementary  
9 and high school classification, to be ascertained by the last  
10 assessment for State and county taxes.

11 Notwithstanding the provisions of any other law to the  
12 contrary, in any case in which the voters of a school district  
13 have approved a proposition for the issuance of bonds of such  
14 school district at an election held prior to January 1, 1979,  
15 and all of the bonds approved at such election have not been  
16 issued, the debt limitation applicable to such school district  
17 during the calendar year 1979 shall be computed by multiplying  
18 the value of taxable property therein, including personal  
19 property, as ascertained by the last assessment for State and  
20 county taxes, previous to the incurring of such indebtedness,  
21 by the percentage limitation applicable to such school  
22 district under the provisions of this subsection (a).

23 (a-5) After January 1, 2018, no school district may issue  
24 bonds under Sections 19-2 through 19-7 of this Code and rely on  
25 an exception to the debt limitations in this Section unless it  
26 has complied with the requirements of Section 21 of the Bond

1 Issue Notification Act and the bonds have been approved by  
2 referendum.

3 (b) Notwithstanding the debt limitation prescribed in  
4 subsection (a) of this Section, additional indebtedness may be  
5 incurred in an amount not to exceed the estimated cost of  
6 acquiring or improving school sites or constructing and  
7 equipping additional building facilities under the following  
8 conditions:

9 (1) Whenever the enrollment of students for the next  
10 school year is estimated by the board of education to  
11 increase over the actual present enrollment by not less  
12 than 35% or by not less than 200 students or the actual  
13 present enrollment of students has increased over the  
14 previous school year by not less than 35% or by not less  
15 than 200 students and the board of education determines  
16 that additional school sites or building facilities are  
17 required as a result of such increase in enrollment; and

18 (2) When the Regional Superintendent of Schools having  
19 jurisdiction over the school district and the State  
20 Superintendent of Education concur in such enrollment  
21 projection or increase and approve the need for such  
22 additional school sites or building facilities and the  
23 estimated cost thereof; and

24 (3) When the voters in the school district approve a  
25 proposition for the issuance of bonds for the purpose of  
26 acquiring or improving such needed school sites or

1 constructing and equipping such needed additional building  
2 facilities at an election called and held for that  
3 purpose. Notice of such an election shall state that the  
4 amount of indebtedness proposed to be incurred would  
5 exceed the debt limitation otherwise applicable to the  
6 school district. The ballot for such proposition shall  
7 state what percentage of the equalized assessed valuation  
8 will be outstanding in bonds if the proposed issuance of  
9 bonds is approved by the voters; or

10 (4) Notwithstanding the provisions of paragraphs (1)  
11 through (3) of this subsection (b), if the school board  
12 determines that additional facilities are needed to  
13 provide a quality educational program and not less than  
14 2/3 of those voting in an election called by the school  
15 board on the question approve the issuance of bonds for  
16 the construction of such facilities, the school district  
17 may issue bonds for this purpose; or

18 (5) Notwithstanding the provisions of paragraphs (1)  
19 through (3) of this subsection (b), if (i) the school  
20 district has previously availed itself of the provisions  
21 of paragraph (4) of this subsection (b) to enable it to  
22 issue bonds, (ii) the voters of the school district have  
23 not defeated a proposition for the issuance of bonds since  
24 the referendum described in paragraph (4) of this  
25 subsection (b) was held, (iii) the school board determines  
26 that additional facilities are needed to provide a quality

1 educational program, and (iv) a majority of those voting  
2 in an election called by the school board on the question  
3 approve the issuance of bonds for the construction of such  
4 facilities, the school district may issue bonds for this  
5 purpose.

6 In no event shall the indebtedness incurred pursuant to  
7 this subsection (b) and the existing indebtedness of the  
8 school district exceed 15% of the value of the taxable  
9 property therein to be ascertained by the last assessment for  
10 State and county taxes, previous to the incurring of such  
11 indebtedness or, until January 1, 1983, if greater, the sum  
12 that is produced by multiplying the school district's 1978  
13 equalized assessed valuation by the debt limitation percentage  
14 in effect on January 1, 1979.

15 The indebtedness provided for by this subsection (b) shall  
16 be in addition to and in excess of any other debt limitation.

17 (c) Notwithstanding the debt limitation prescribed in  
18 subsection (a) of this Section, in any case in which a public  
19 question for the issuance of bonds of a proposed school  
20 district maintaining grades kindergarten through 12 received  
21 at least 60% of the valid ballots cast on the question at an  
22 election held on or prior to November 8, 1994, and in which the  
23 bonds approved at such election have not been issued, the  
24 school district pursuant to the requirements of Section 11A-10  
25 (now repealed) may issue the total amount of bonds approved at  
26 such election for the purpose stated in the question.

1           (d) Notwithstanding the debt limitation prescribed in  
2 subsection (a) of this Section, a school district that meets  
3 all the criteria set forth in paragraphs (1) and (2) of this  
4 subsection (d) may incur an additional indebtedness in an  
5 amount not to exceed \$4,500,000, even though the amount of the  
6 additional indebtedness authorized by this subsection (d),  
7 when incurred and added to the aggregate amount of  
8 indebtedness of the district existing immediately prior to the  
9 district incurring the additional indebtedness authorized by  
10 this subsection (d), causes the aggregate indebtedness of the  
11 district to exceed the debt limitation otherwise applicable to  
12 that district under subsection (a):

13           (1) The additional indebtedness authorized by this  
14 subsection (d) is incurred by the school district through  
15 the issuance of bonds under and in accordance with Section  
16 17-2.11a for the purpose of replacing a school building  
17 which, because of mine subsidence damage, has been closed  
18 as provided in paragraph (2) of this subsection (d) or  
19 through the issuance of bonds under and in accordance with  
20 Section 19-3 for the purpose of increasing the size of, or  
21 providing for additional functions in, such replacement  
22 school buildings, or both such purposes.

23           (2) The bonds issued by the school district as  
24 provided in paragraph (1) above are issued for the  
25 purposes of construction by the school district of a new  
26 school building pursuant to Section 17-2.11, to replace an

1 existing school building that, because of mine subsidence  
2 damage, is closed as of the end of the 1992-93 school year  
3 pursuant to action of the regional superintendent of  
4 schools of the educational service region in which the  
5 district is located under Section 3-14.22 or are issued  
6 for the purpose of increasing the size of, or providing  
7 for additional functions in, the new school building being  
8 constructed to replace a school building closed as the  
9 result of mine subsidence damage, or both such purposes.

10 (e) (Blank).

11 (f) Notwithstanding the provisions of subsection (a) of  
12 this Section or of any other law, bonds in not to exceed the  
13 aggregate amount of \$5,500,000 and issued by a school district  
14 meeting the following criteria shall not be considered  
15 indebtedness for purposes of any statutory limitation and may  
16 be issued in an amount or amounts, including existing  
17 indebtedness, in excess of any heretofore or hereafter imposed  
18 statutory limitation as to indebtedness:

19 (1) At the time of the sale of such bonds, the board of  
20 education of the district shall have determined by  
21 resolution that the enrollment of students in the district  
22 is projected to increase by not less than 7% during each of  
23 the next succeeding 2 school years.

24 (2) The board of education shall also determine by  
25 resolution that the improvements to be financed with the  
26 proceeds of the bonds are needed because of the projected

1 enrollment increases.

2 (3) The board of education shall also determine by  
3 resolution that the projected increases in enrollment are  
4 the result of improvements made or expected to be made to  
5 passenger rail facilities located in the school district.

6 Notwithstanding the provisions of subsection (a) of this  
7 Section or of any other law, a school district that has availed  
8 itself of the provisions of this subsection (f) prior to July  
9 22, 2004 (the effective date of Public Act 93-799) may also  
10 issue bonds approved by referendum up to an amount, including  
11 existing indebtedness, not exceeding 25% of the equalized  
12 assessed value of the taxable property in the district if all  
13 of the conditions set forth in items (1), (2), and (3) of this  
14 subsection (f) are met.

15 (g) Notwithstanding the provisions of subsection (a) of  
16 this Section or any other law, bonds in not to exceed an  
17 aggregate amount of 25% of the equalized assessed value of the  
18 taxable property of a school district and issued by a school  
19 district meeting the criteria in paragraphs (i) through (iv)  
20 of this subsection shall not be considered indebtedness for  
21 purposes of any statutory limitation and may be issued  
22 pursuant to resolution of the school board in an amount or  
23 amounts, including existing indebtedness, in excess of any  
24 statutory limitation of indebtedness heretofore or hereafter  
25 imposed:

26 (i) The bonds are issued for the purpose of

1 constructing a new high school building to replace two  
2 adjacent existing buildings which together house a single  
3 high school, each of which is more than 65 years old, and  
4 which together are located on more than 10 acres and less  
5 than 11 acres of property.

6 (ii) At the time the resolution authorizing the  
7 issuance of the bonds is adopted, the cost of constructing  
8 a new school building to replace the existing school  
9 building is less than 60% of the cost of repairing the  
10 existing school building.

11 (iii) The sale of the bonds occurs before July 1,  
12 1997.

13 (iv) The school district issuing the bonds is a unit  
14 school district located in a county of less than 70,000  
15 and more than 50,000 inhabitants, which has an average  
16 daily attendance of less than 1,500 and an equalized  
17 assessed valuation of less than \$29,000,000.

18 (h) Notwithstanding any other provisions of this Section  
19 or the provisions of any other law, until January 1, 1998, a  
20 community unit school district maintaining grades K through 12  
21 may issue bonds up to an amount, including existing  
22 indebtedness, not exceeding 27.6% of the equalized assessed  
23 value of the taxable property in the district, if all of the  
24 following conditions are met:

25 (i) The school district has an equalized assessed  
26 valuation for calendar year 1995 of less than \$24,000,000;

1           (ii) The bonds are issued for the capital improvement,  
2           renovation, rehabilitation, or replacement of existing  
3           school buildings of the district, all of which buildings  
4           were originally constructed not less than 40 years ago;

5           (iii) The voters of the district approve a proposition  
6           for the issuance of the bonds at a referendum held after  
7           March 19, 1996; and

8           (iv) The bonds are issued pursuant to Sections 19-2  
9           through 19-7 of this Code.

10          (i) Notwithstanding any other provisions of this Section  
11          or the provisions of any other law, until January 1, 1998, a  
12          community unit school district maintaining grades K through 12  
13          may issue bonds up to an amount, including existing  
14          indebtedness, not exceeding 27% of the equalized assessed  
15          value of the taxable property in the district, if all of the  
16          following conditions are met:

17               (i) The school district has an equalized assessed  
18               valuation for calendar year 1995 of less than \$44,600,000;

19               (ii) The bonds are issued for the capital improvement,  
20               renovation, rehabilitation, or replacement of existing  
21               school buildings of the district, all of which existing  
22               buildings were originally constructed not less than 80  
23               years ago;

24               (iii) The voters of the district approve a proposition  
25               for the issuance of the bonds at a referendum held after  
26               December 31, 1996; and

1 (iv) The bonds are issued pursuant to Sections 19-2  
2 through 19-7 of this Code.

3 (j) Notwithstanding any other provisions of this Section  
4 or the provisions of any other law, until January 1, 1999, a  
5 community unit school district maintaining grades K through 12  
6 may issue bonds up to an amount, including existing  
7 indebtedness, not exceeding 27% of the equalized assessed  
8 value of the taxable property in the district if all of the  
9 following conditions are met:

10 (i) The school district has an equalized assessed  
11 valuation for calendar year 1995 of less than \$140,000,000  
12 and a best 3 months average daily attendance for the  
13 1995-96 school year of at least 2,800;

14 (ii) The bonds are issued to purchase a site and build  
15 and equip a new high school, and the school district's  
16 existing high school was originally constructed not less  
17 than 35 years prior to the sale of the bonds;

18 (iii) At the time of the sale of the bonds, the board  
19 of education determines by resolution that a new high  
20 school is needed because of projected enrollment  
21 increases;

22 (iv) At least 60% of those voting in an election held  
23 after December 31, 1996 approve a proposition for the  
24 issuance of the bonds; and

25 (v) The bonds are issued pursuant to Sections 19-2  
26 through 19-7 of this Code.

1           (k) Notwithstanding the debt limitation prescribed in  
2 subsection (a) of this Section, a school district that meets  
3 all the criteria set forth in paragraphs (1) through (4) of  
4 this subsection (k) may issue bonds to incur an additional  
5 indebtedness in an amount not to exceed \$4,000,000 even though  
6 the amount of the additional indebtedness authorized by this  
7 subsection (k), when incurred and added to the aggregate  
8 amount of indebtedness of the school district existing  
9 immediately prior to the school district incurring such  
10 additional indebtedness, causes the aggregate indebtedness of  
11 the school district to exceed or increases the amount by which  
12 the aggregate indebtedness of the district already exceeds the  
13 debt limitation otherwise applicable to that school district  
14 under subsection (a):

15           (1) the school district is located in 2 counties, and  
16 a referendum to authorize the additional indebtedness was  
17 approved by a majority of the voters of the school  
18 district voting on the proposition to authorize that

20           (2) the additional indebtedness is for the purpose of  
21 financing a multi-purpose room addition to the existing  
22 high school;

23           (3) the additional indebtedness, together with the  
24 existing indebtedness of the school district, shall not  
25 exceed 17.4% of the value of the taxable property in the  
26 school district, to be ascertained by the last assessment

1 for State and county taxes; and

2 (4) the bonds evidencing the additional indebtedness  
3 are issued, if at all, within 120 days of August 14, 1998  
4 (the effective date of Public Act 90-757).

5 (1) Notwithstanding any other provisions of this Section  
6 or the provisions of any other law, until January 1, 2000, a  
7 school district maintaining grades kindergarten through 8 may  
8 issue bonds up to an amount, including existing indebtedness,  
9 not exceeding 15% of the equalized assessed value of the  
10 taxable property in the district if all of the following  
11 conditions are met:

12 (i) the district has an equalized assessed valuation  
13 for calendar year 1996 of less than \$10,000,000;

14 (ii) the bonds are issued for capital improvement,  
15 renovation, rehabilitation, or replacement of one or more  
16 school buildings of the district, which buildings were  
17 originally constructed not less than 70 years ago;

18 (iii) the voters of the district approve a proposition  
19 for the issuance of the bonds at a referendum held on or  
20 after March 17, 1998; and

21 (iv) the bonds are issued pursuant to Sections 19-2  
22 through 19-7 of this Code.

23 (m) Notwithstanding any other provisions of this Section  
24 or the provisions of any other law, until January 1, 1999, an  
25 elementary school district maintaining grades K through 8 may  
26 issue bonds up to an amount, excluding existing indebtedness,

1 not exceeding 18% of the equalized assessed value of the  
2 taxable property in the district, if all of the following  
3 conditions are met:

5 valuation for calendar year 1995 or less than \$7,700,000;

6 (ii) The school district operates 2 elementary  
7 attendance centers that until 1976 were operated as the

9 districts;

10 (iii) The bonds are issued for the construction of a  
11 new elementary school building to replace an existing  
12 multi-level elementary school building of the school  
13 district that is not accessible at all levels and parts of  
14 which were constructed more than 75 years ago;

15 (iv) The voters of the school district approve a  
16 proposition for the issuance of the bonds at a referendum  
17 held after July 1, 1998; and

18 (v) The bonds are issued pursuant to Sections 19-2  
19 through 19-7 of this Code.

20 (n) Notwithstanding the debt limitation prescribed in  
21 subsection (a) of this Section or any other provisions of this  
22 Section or of any other law, a school district that meets all  
23 of the criteria set forth in paragraphs (i) through (vi) of  
24 this subsection (n) may incur additional indebtedness by the  
25 issuance of bonds in an amount not exceeding the amount  
26 certified by the Capital Development Board to the school

1 district as provided in paragraph (iii) of this subsection  
2 (n), even though the amount of the additional indebtedness so  
3 authorized, when incurred and added to the aggregate amount of  
4 indebtedness of the district existing immediately prior to the  
5 district incurring the additional indebtedness authorized by  
6 this subsection (n), causes the aggregate indebtedness of the  
7 district to exceed the debt limitation otherwise applicable by  
8 law to that district:

9 (i) The school district applies to the State Board of  
10 Education for a school construction project grant and  
11 submits a district facilities plan in support of its  
12 application pursuant to Section 5-20 of the School

18 Law.

19 (iii) The school district has exhausted its bonding  
20 capacity or the unused bonding capacity of the district is  
21 less than the amount certified by the Capital Development  
22 Board to the district under Section 5-15 of the School  
23 Construction Law as the dollar amount of the school  
24 construction project's cost that the district will be  
25 required to finance with non-grant funds in order to  
26 receive a school construction project grant under the

1 School Construction Law.

2 (iv) The bonds are issued for a "school construction  
3 project", as that term is defined in Section 5-5 of the  
4 School Construction Law, in an amount that does not exceed  
5 the dollar amount certified, as provided in paragraph  
6 (iii) of this subsection (n), by the Capital Development  
7 Board to the school district under Section 5-15 of the  
8 School Construction Law.

9 (v) The voters of the district approve a proposition  
10 for the issuance of the bonds at a referendum held after  
11 the criteria specified in paragraphs (i) and (iii) of this  
12 subsection (n) are met.

13 (vi) The bonds are issued pursuant to Sections 19-2  
14 through 19-7 of the School Code.

15 (o) Notwithstanding any other provisions of this Section  
16 or the provisions of any other law, until November 1, 2007, a  
17 community unit school district maintaining grades K through 12  
18 may issue bonds up to an amount, including existing  
19 indebtedness, not exceeding 20% of the equalized assessed  
20 value of the taxable property in the district if all of the  
21 following conditions are met:

22 (i) the school district has an equalized assessed  
23 valuation for calendar year 2001 of at least \$737,000,000

25 least 8,500;

26 (ii) the bonds are issued to purchase school sites,

1 build and equip a new high school, build and equip a new  
2 junior high school, build and equip 5 new elementary  
3 schools, and make technology and other improvements and  
4 additions to existing schools;

5 (iii) at the time of the sale of the bonds, the board  
6 of education determines by resolution that the sites and  
7 new or improved facilities are needed because of projected  
8 enrollment increases;

9 (iv) at least 57% of those voting in a general  
10 election held prior to January 1, 2003 approved a  
11 proposition for the issuance of the bonds; and

12 (v) the bonds are issued pursuant to Sections 19-2  
13 through 19-7 of this Code.

14 (p) Notwithstanding any other provisions of this Section  
15 or the provisions of any other law, a community unit school  
16 district maintaining grades K through 12 may issue bonds up to  
17 an amount, including indebtedness, not exceeding 27% of the  
18 equalized assessed value of the taxable property in the  
19 district if all of the following conditions are met:

20 (i) The school district has an equalized assessed  
21 valuation for calendar year 2001 of at least \$295,741,187  
22 and a best 3 months' average daily attendance for the  
23 2002-2003 school year of at least 2,394.

24 (ii) The bonds are issued to build and equip 3  
25 elementary school buildings; build and equip one middle
