1 AMENDMENT TO SENATE BILL 1210

2 AMENDMENT NO. _____. Amend Senate Bill 1210 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Recreational Trails of Illinois Act is
5 amended by changing Section 12 as follows:

6 (20 ILCS 862/12)

7 Sec. 12. Recreational Trail Programs; powers and
8 authorities.

9 (a) The Department may expend funds for recreational trail
10 program purposes and for the maintenance and restoration of
11 the existing part of the National Road located in southeastern
12 Illinois. The Department may: plan, survey, design, develop,
13 operate, and maintain recreational trails and related
14 facilities of the State; maintain and restore the existing
15 part of the National Road located in southeastern Illinois;
16 prepare, or cause to be prepared, those plans, specifications,

1 and other documents as are necessary to advertising for and
2 the taking and acceptance of bids and letting of construction
3 contracts for those recreational trail projects and for the
4 maintenance and restoration of the existing part of the
5 National Road located in southeastern Illinois, as required in
6 the Illinois Procurement Code; enter into contracts for
7 construction management or supervision on all recreational
8 trail projects constructed; enter into contracts for
9 professional services for planning, testing, design, or
10 consulting on all recreational trail projects constructed; and
11 acquire land, waters, structures, and interests in land,
12 waters, and structures for those areas and related facilities.
13 The Department may enter into contracts and agreements with
14 the United States or any appropriate or allowable federal
15 entity, keep financial and other records, and furnish to
16 appropriate officials and agencies of the United States
17 reports and information as may be reasonably necessary to
18 enable those officials and agencies to perform their duties
19 under those programs. In connection with obtaining for the
20 State the benefits of any program, the Department shall
21 coordinate its activities with and represent the interest of
22 all agencies of the State and units of local government and
23 with appropriate and allowable not-for-profit and private
24 organizations having interests in the acquisition, planning,
25 development, and maintenance of recreational trail resources
26 and related facilities within the State.

1 (b) The Department may execute projects for recreational
2 trail purposes and for the maintenance and restoration of the
3 existing part of the National Road located in southeastern
4 Illinois using funds made available to the Department from
5 State appropriations, the federal government, and other public
6 and private sources in the exercise of its statutory powers
7 and duties. Projects involving participating federal-aid funds
8 may be undertaken by the Department after it has been
9 determined that sufficient funds are available to the
10 Department for meeting the non-federal share of project costs.
11 It is the legislative intent that, to the extent as may be
12 necessary to assure the proper operation, maintenance, and
13 preservation of areas and facilities surveyed, acquired, or
14 developed under any program participated in by this State
15 under authority of this Act, the areas and facilities shall be
16 maintained for public recreational trail purposes. The
17 Department may enter into and administer agreements with the
18 United States or any appropriate federal agency for survey,
19 planning, acquisition, development, and preservation projects
20 involving participating federal-aid funds on behalf of any
21 federal, State, or local unit of government or appropriate and
22 allowable not-for-profit or private organizations, provided
23 the federal, State, or local unit of government or appropriate
24 and allowable not-for-profit or private organization, gives
25 necessary assurances to the Department that it has available
26 sufficient funds to meet its share of the cost of the project

1 and that the surveyed, acquired, or developed areas and
2 facilities will be operated and maintained at its expense for
3 public recreational trail use.

4 (c) The Department may enter into agreements as necessary
5 with the Federal Highway Administration, or any successor
6 agency, for the purpose of authorizing federal obligation
7 limitations for projects under the federal Recreational Trails
8 Program. The Department and the Department of Transportation
9 shall enter into an inter-agency agreement to closely
10 coordinate the obligation of projects authorized by the
11 Illinois Division Office of the Federal Highway Administration
12 to maximize federal funding opportunities.

13 (d) The Department may make grants to contractors for the
14 maintenance and restoration of the existing part of the
15 National Road located in southeastern Illinois. The grants
16 shall be made from State appropriations and to the extent
17 permitted by federal law from federal funds for this purpose.
18 Moneys for this purpose may be received from local units of
19 government or appropriate and allowable not-for-profit or
20 private organizations.
