(a) Except as provided in subsection (b), a lessor of residential real property, containing 5 or more units, who has received a security deposit from a lessee to secure the payment of rent or to compensate for damage to the leased premises may not withhold any part of that deposit as reimbursement for property damage unless the lessor has, within 30 days of the date that the lessee vacated the leased premises or within 30 days of the date the lessee's right of possession ends, whichever is later, furnished to the lessee, by personal delivery, by postmarked mail directed to his or her last known address, or by electronic mail to a verified electronic mail address provided by the lessee, an itemized statement of the damage allegedly caused to the premises and the estimated or actual cost for repairing or replacing each item on that statement, attaching the paid receipts, or copies thereof, for the repair or replacement. If

the lessor utilizes his or her own labor to repair or replace 1 2 any damage or damaged items caused by the lessee, the lessor may include the reasonable cost of his or her labor to repair 3 or replace such damage or damaged items. If estimated cost is 5 given, the lessor shall furnish to the lessee, delivered in person or by postmarked mail directed to the last known 6 7 address of the lessee or another address provided by the 8 lessee, paid receipts, or copies thereof, within 30 days from 9 the date the statement showing estimated cost was furnished to 10 the lessee, as required by this Section. If a written lease 11 specifies the cost for cleaning, repair, or replacement of any 12 component of the leased premises or any component of the 13 building or common areas that, if damaged, will not be 14 replaced, the lessor may withhold the dollar amount specified 15 in the lease. Costs specified in a written lease shall be for 16 damage beyond normal wear and tear and reasonable to restore 17 the leased premises to the same condition as at the time the lease began. The itemized statement shall reference the dollar 18 19 amount specified in the written lease associated with the 20 specific building component or amenity and include a copy of the applicable portion of the lease. Deductions for costs or 21 22 values not specified in the lease shall otherwise comply with 23 the requirements of this Section. If no such statement and 24 receipts, or copies thereof, are furnished to the lessee as 25 required by this Section, the lessor shall return the security 26 deposit in full within 45 days of the date that the lessee

- vacated the premises, delivered in person or by postmarked
  mail directed to the last known address of the lessee or
  another address provided by the lessee. If the lessee fails to
  provide the lessor with a mailing address or electronic mail
  address, the lessor shall not be held liable for any damages or
  penalties as a result of the lessee's failure to provide an
  address.
  - (b) If, through no fault of the lessor, the lessor is unable to produce as required in subsection (a) receipts for repairs or replacements, or copies thereof, then the lessor shall produce an itemized list of the cost of repair or replacement, any other evidence the lessor has of the cost, and a verified statement of the lessor or the agent of the lessor detailing the specific reasons why the lessor is unable to produce the required receipts or copies and verifying that the lessor has provided all other evidence the lessor has of the cost.
    - (c) Upon a finding by a circuit court that a lessor has refused to supply the itemized statement required by this Section, or has supplied such statement in bad faith, and has failed or refused to return the amount of the security deposit due within the time limits provided, the lessor shall be liable for an amount equal to twice the amount of the security deposit due, together with court costs and reasonable attorney's fees.
