- 7 Sec. 10-16. Home visiting program.
- 8 (a) The General Assembly finds that research-informed home
  9 visiting programs work to strengthen families' functioning and
  10 support parents in caring for their children to ensure optimal
  11 child development.
  - (b) The Department shall establish a home visiting program to support communities in providing intensive home visiting programs to pregnant persons and families with children from birth up to elementary school enrollment. Services shall be offered on a voluntary basis to families. In awarding grants under the program, the Department shall prioritize populations or communities in need of such services, as determined by the Department, based on data including, but not limited to, statewide home visiting needs assessments. Eligibility under the program shall also take into consideration requirements of the federal Maternal, Infant, and Early Childhood Home Visiting Program and Head Start and Early Head Start to ensure

2	are to:
3	(1) improve maternal and newborn health;
4	(2) prevent child abuse and neglect;
5	(3) promote children's development and readiness to
6	participate in school; and
7	(4) connect families to needed community resources and
8	supports.
9	(b) Allowable uses of funding include:
10	(1) Grants to community-based organizations to
11	implement home visiting and family support services with
12	fidelity to research-informed home visiting program
13	models, as defined by the Department. Services may
14	include, but are not limited to:
15	(A) personal visits with a child and the child's
16	parent or caregiver at a periodicity aligned with the
17	<pre>model being implemented;</pre>
18	(B) opportunities for connections with other
19	parents and caregivers in their community and other
20	social and community supports;
21	(C) enhancements to research-informed home
22	visiting program models based on community needs
23	including doula services, and other program
24	innovations as approved by the Department; and
25	(D) referrals to other resources needed by
26	families.

- 1 (2) Infrastructure supports for grantees, including, but not limited to, professional development for the 2 3 workforce, technical assistance and capacity-building, 4 data system and supports, infant and early childhood 5 mental health consultation, trauma-informed practices, research, universal newborn screening, and coordinated 6 7 intake.
  - (c) Subject to appropriation, the Department shall award grants to community-based agencies in accordance with this Section and any other rules that may be adopted by the Department. Successful grantees under this program shall comply with policies and procedures on program, data, and expense reporting as developed by the Department.
  - (d) Funds received under this Section shall supplement, not supplant, other existing or new federal, State, or local sources of funding for these services. Any new federal funding received shall supplement and not supplant funding for this program.
  - The Department shall collaborate with relevant agencies to support the coordination and alignment of home visiting services provided through other State and federal funds, to the extent possible. The Department shall collaborate with the State Board of Education, the Department of Healthcare and Family Services, and Head Start and Early Head Start in the implementation of these services to support alignment with home visiting services provided through the

- Early Childhood Block Grant and the State's Medical Assistance 1 2 Program, respectively, to the extent possible.
  - (f) An advisory committee shall advise the Department concerning the implementation of the home visiting program. The advisory committee shall make recommendations on policy and implementation. The Department shall determine whether the advisory committee shall be a newly created body or an existing body such as a committee of the Illinois Early Learning Council. The advisory committee shall consist of one or more representatives of the Department, other members representing public and private entities that serve and interact with the families served under the home visiting program, with the input of families engaged in home visiting or related services themselves. Family input may be secured by engaging families as members of this advisory committee or as a separate committee of family representatives.
- 17 (g) The Department may adopt any rules necessary to 18 implement this Section.
