3 (f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this 4 5 State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real 6 property may cause any motor vehicle abandoned or 7 left 8 unattended upon such property without permission to be removed 9 by a towing service without liability for the costs of 10 removal, transportation or storage or damage caused by such 11 removal, transportation or storage. The towing or removal of 12 any vehicle from private property without the consent of the registered owner or other legally authorized person in control 13 of the vehicle is subject to compliance with the following 14 15 conditions and restrictions:

16 1. Any towed or removed vehicle must be stored at the 17 site of the towing service's place of business. The site 18 must be open during business hours, and for the purpose of 19 redemption of vehicles, during the time that the person or 20 firm towing such vehicle is open for towing purposes.

2. 3. If the registered owner or legally authorized 2 3 person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the 4 5 vehicle, the vehicle shall be disconnected from the tow 6 truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a 7 reasonable service fee of not more than one-half the 8 9 posted rate of the towing service as provided in paragraph 10 6 of this subsection, for which a receipt shall be given.

11 4. The rebate or payment of money or any other 12 valuable consideration from the towing service or its 13 owners, managers, or employees to the owners or operators 14 of the premises from which the vehicles are towed or 15 removed, for the privilege of removing or towing those 16 vehicles, is prohibited. Any individual who violates this 17 paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a 18 19 part of a single family residence, and except for 20 instances where notice is personally given to the owner or other legally authorized person in control of the vehicle 21 22 that the area in which that vehicle is parked is reserved 23 or otherwise unavailable to unauthorized vehicles and they 24 are subject to being removed at the owner or operator's 25 expense, any property owner or lessor, prior to towing or 26 removing any vehicle from private property without the

1 consent of the owner or other legally authorized person in 2 control of that vehicle, must post a notice meeting the 3 following requirements:

a. Except as otherwise provided in subparagraph
a.1 of this subdivision (f)5, the notice must be
prominently placed at each driveway access or curb cut
allowing vehicular access to the property within 5
feet from the public right-of-way line. If there are
no curbs or access barriers, the sign must be posted
not less than one sign each 100 feet of lot frontage.

11 a.1. In a municipality with a population of less 12 than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice 13 14 for a parking lot contained within property used 15 solely for a 2-family, 3-family, or 4-family residence 16 may be prominently placed at the perimeter of the 17 parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot. 18

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and

or removing the vehicle.

26

6 6. Any towing service that tows or removes vehicles 7 and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and 8 9 storage prior to redemption of the vehicle must file and 10 keep on record with the local law enforcement agency a 11 complete copy of the current rates to be charged for such 12 services, and post at the storage site an identical rate 13 schedule and any written contracts with property owners, 14 lessors, or persons in control of property which authorize 15 them to remove vehicles as provided in this Section. officer, no towing service shall engage in the removal of
a commercial motor vehicle that requires a commercial
driver's license to operate by operating the vehicle under
its own power on a highway.

10. When a vehicle has been towed or removed pursuant 13 14 this Section, it must be released to its owner, to 15 custodian, agent, or lienholder within one-half hour after 16 requested, if such request is made during business hours. 17 Any vehicle owner, custodian, agent, or lienholder shall have the right to inspect the vehicle before accepting its 18 19 return, and no release or waiver of any kind which would 20 release the towing service from liability for damages 21 incurred during the towing and storage may be required 22 from any vehicle owner or other legally authorized person 23 as a condition of release of the vehicle. A detailed, 24 signed receipt showing the legal name of the towing 25 service must be given to the person paying towing or 26 storage charges at the time of payment, whether requested

12 Any towing or storage charges accrued shall be payable 13 in cash or by cashier's check, certified check, debit 14 card, credit card, or wire transfer, at the option of the 15 party taking possession of the vehicle.
