5 Section 10. The Illinois Insurance Code is amended by
6 changing Section 356z.5 as follows:

7 (215 ILCS 5/356z.5)

8 Sec. 356z.5. Prescription inhalants.

9 (a) In this Section, "prescription inhaler" means a
10 prescribed medical device that delivers inhaled medications
11 used to treat breathing for persons suffering from asthma or
12 other life-threatening bronchial ailments. "Prescription
13 inhaler" includes metered-dose inhalers, nebulizers, and dry
14 powder inhalers. "Prescription inhaler" does not include
15 inhalers available over the counter without a prescription to
16 provide temporary relief from respiratory symptoms.

17 (b) A group or individual policy of accident and health
18 insurance or managed care plan amended, delivered, issued, or
19 renewed through December 31, 2025 ~~after the effective date of~~
20 ~~this amendatory Act of the 93rd General Assembly~~ that provides
21 coverage for prescription drugs may not deny or limit coverage
22 for prescription inhalers ~~inhalants~~ to enable persons to
23 breathe when suffering from asthma or other life-threatening
24 bronchial ailments based upon any restriction on the number of

1 days before an inhaler refill may be obtained if, contrary to
2 those restrictions, the inhalants have been ordered or
3 prescribed by the treating physician and are medically
4 appropriate.

5 (c) A group or individual policy of accident and health
6 insurance or managed care plan amended, delivered, issued, or
7 renewed on or after January 1, 2026 that provides coverage for
8 prescription drugs may not deny or limit, except as otherwise
9 provided in this subsection, coverage for prescription
10 inhalers to enable persons to breathe when suffering from
11 asthma or other life-threatening bronchial ailments based upon
12 any restriction on the number of days before an inhaler refill
13 may be obtained if, contrary to those restrictions, the
14 inhalants have been ordered or prescribed by the treating
15 physician and are medically appropriate. A group or individual
16 policy of accident and health insurance or managed care plan
17 subject to this subsection shall limit the total amount that a
18 covered person is required to pay for a covered prescription
19 inhaler to an amount not to exceed \$25 dollars per 30-day
20 supply.

21 (d) Nothing in this Section prevents a group or individual
22 policy of accident and health insurance or managed care plan
23 from reducing a covered person's cost sharing to an amount
24 less than the amount specified in subsection (c).

25 (e) Coverage for prescription inhalers shall not be
26 subject to any deductible; except that this provision does not

1 apply to the extent such coverage would disqualify a
2 high-deductible health plan from eligibility for a health
3 savings account pursuant to Section 223 of the Internal
4 Revenue Code (26 U.S.C. 223).

5 (f) The Department may adopt rules necessary to implement
6 and administer this Section and to align with federal
