1 AMENDMENT TO SENATE BILL 3462

2 AMENDMENT NO. _____. Amend Senate Bill 3462 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. This Act may be referred to as the Illinois
5 Guaranteed Income Law.

6 Section 3. Findings and declaration of policy. The General
7 Assembly finds, determines, and declares the following:

8 (1) All people deserve to live with dignity and have
9 their basic needs met.

10 (2) Elimination of deep poverty in the State of
11 Illinois is attainable and long overdue. While maximizing
12 the potential of existing economic security programs is
13 crucial, these programs alone are inadequate, given the
14 number of Illinoisans living in deep poverty. To build
15 upon our existing safety net, direct cash assistance
16 programs, such as a guaranteed income, are needed to

1 improve the well-being and economic stability of families.

2 (3) Guaranteed income refers to periodic,
3 unconditional cash payments directly to individuals. A
4 guaranteed income is not universal and is meant to
5 prioritize cash based on need.

6 (4) The City of Chicago, City of Evanston, and Cook
7 County have successfully conducted guaranteed income
8 pilots. These programs have demonstrated the power of cash
9 in improving outcomes for households in need, and provided
10 valuable insights into the potential benefits of a
11 guaranteed income.

12 (5) Guaranteed income programs both in Illinois and
13 across the country have been effective in improving
14 outcomes including, but not limited to, those related to
15 physical and mental health, nutrition, employment, housing
16 stability, financial stability, and many others, while
17 also reducing involvement in the child welfare and
18 criminal legal systems.

19 (6) Guaranteed income programs have shown a remarkable
20 capacity to support caregivers in our communities,
21 including caregivers for children, elderly parents, the
22 disabled, and those supporting formerly incarcerated
23 individuals, acknowledging the often overlooked but vital
24 role these caregivers play in the well-being of our
25 society.

26 (7) Guaranteed income not only supports people

1 struggling to meet their basic needs but also provides
2 crucial stability for every Illinoisan when confronted
3 with unexpected, challenging, and increasing frequent
4 financial costs, ensuring economic resilience for all.

5 (8) Dr. Martin Luther King Jr.'s vision, as conveyed
6 in his last book, "Where Do We Go from Here: Chaos or
7 Community?", should guide our approach to addressing
8 poverty. His famous declaration that "the solution to
9 poverty is to abolish it directly by a now widely
10 discussed measure: the guaranteed income" should serve as
11 a source of inspiration for our actions.

12 (9) Recent mothers and new parents face numerous
13 hardships. During the most critical time in a baby's life,
14 the State should provide its full support, recognizing the
15 importance of nurturing the next generation and fostering
16 a strong foundation for Illinois families.

17 (10) Caregivers come from every community, whether
18 rural or urban, migrant or resident, and their dedication
19 and sacrifices deserve our utmost respect and
20 acknowledgment, as they play a central role in creating
21 thriving and interconnected communities.

22 (11) The State of Illinois remains committed to
23 exploring innovative and effective ways to address
24 poverty.
