26 (8) Establish a register of government and private

1 response resources available for use in a disaster.

2 (9) Expand the Earthquake Awareness Program and its

13 to the surrounding communities and residents.

14 (10) Disseminate all information, completely and
15 without delay, on water levels for rivers and streams and
16 any other data pertaining to potential flooding supplied
17 by the Division of Water Resources within the Department
18 of Natural Resources to all political subdivisions to the
19 maximum extent possible.

20 (11) Develop agreements, if feasible, with medical
21 supply and equipment firms to supply resources as are

8 award capital and non-capital grants to Illinois hospitals
9 or health care facilities located outside of a city with a
10 population in excess of 1,000,000 to be used for purposes
11 that include, but are not limited to, preparing to respond
12 to mass casualties and disasters, maintaining and
13 improving patient safety and quality of care, and
14 protecting the confidentiality of patient information. No
15 single grant for a capital expenditure shall exceed
16 \$300,000. No single grant for a non-capital expenditure
17 shall exceed \$100,000. In awarding such grants, preference
18 shall be given to hospitals that serve a significant
19 number of Medicaid recipients, but do not qualify for
20 disproportionate share hospital adjustment payments under
21 the Illinois Public Aid Code. To receive such a grant, a
22 hospital or health care facility must provide funding of
23 at least 50% of the cost of the project for which the grant
24 is being requested. In awarding such grants the Illinois
25 Emergency Management Agency shall consider the
26 recommendations of the Illinois Hospital Association.

1 (13) Do all other things necessary, incidental or
2 appropriate for the implementation of this Act.

3 (g) The Illinois Emergency Management Agency is authorized

5 public K-12 school districts, area vocational centers as
6 designated by the State Board of Education, inter-district
7 special education cooperatives, regional safe schools, and
8 nonpublic K-12 schools for safety and security improvements.
9 For the purpose of this subsection (g), "higher education
10 institution" means a public university, a public community
11 college, or an independent, not-for-profit or for-profit

13 made under this subsection (g) shall be paid out of moneys
14 appropriated for that purpose from the Build Illinois Bond
15 Fund. The Illinois Emergency Management Agency shall adopt
16 rules to implement this subsection (g). These rules may

18 eligibility requirements; (iii) restrictions on the use of
19 grant moneys; (iv) the manner in which the various higher
20 education institutions must account for the use of grant
21 moneys; and (v) any other provision that the Illinois
22 Emergency Management Agency determines to be necessary or
23 useful for the administration of this subsection (g).

24 (g-5) The Illinois Emergency Management Agency is
25 authorized to make grants to not-for-profit organizations
26 which are exempt from federal income taxation under section

1 501(c)(3) of the Federal Internal Revenue Code for eligible
2 security improvements that assist the organization in
3 preventing, preparing for, or responding to threats, attacks,
4 or acts of terrorism. To be eligible for a grant under the
5 program, the Agency must determine that the organization is at
6 a high risk of being subject to threats, attacks, or acts of
7 terrorism based on the organization's profile, ideology,
8 mission, or beliefs. Eligible security improvements shall
9 include all eligible preparedness activities under the federal
10 Nonprofit Security Grant Program, including, but not limited
11 to, physical security upgrades, security training exercises,

13 personnel, and any other security upgrades deemed eligible by
14 the Director. Eligible security improvements shall not
15 duplicate, in part or in whole, a project included under any
16 awarded federal grant or in a pending federal application. The
17 Director shall establish procedures and forms by which
18 applicants may apply for a grant and procedures for
19 distributing grants to recipients. Any security improvements
20 awarded shall remain at the physical property listed in the
21 grant application, unless authorized by Agency rule or
22 approved by the Agency in writing. The procedures shall
23 require each applicant to do the following:

- 24 (1) identify and substantiate prior or current
25 threats, attacks, or acts of terrorism against the
26 not-for-profit organization;

1 (2) indicate the symbolic or strategic value of one or
2 more sites that renders the site a possible target of a
3 threat, attack, or act of terrorism;

4 (3) discuss potential consequences to the organization
5 if the site is damaged, destroyed, or disrupted by a
6 threat, attack, or act of terrorism;

7 (4) describe how the grant will be used to integrate
8 organizational preparedness with broader State and local
9 preparedness efforts, as described by the Agency in each
10 Notice of Opportunity for Funding;

11 (5) submit (i) a vulnerability assessment conducted by
12 experienced security, law enforcement, or military
13 personnel, or conducted using an Agency-approved or
14 federal Nonprofit Security Grant Program self-assessment
15 tool, and (ii) a description of how the grant award will be
16 used to address the vulnerabilities identified in the
17 assessment; and

18 (6) submit any other relevant information as may be
19 required by the Director.

20 The Agency is authorized to use funds appropriated for the
21 grant program described in this subsection (g-5) to administer
22 the program. Any Agency Notice of Opportunity for Funding,
23 proposed or final rulemaking, guidance, training opportunity,
24 or other resource related to the grant program must be
25 published on the Agency's publicly available website, and any
26 announcements related to funding shall be shared with all

1 State legislative offices, the Governor's office, emergency
2 services and disaster agencies mandated or required pursuant
3 to subsections (b) through (d) of Section 10, and any other
4 State agencies as determined by the Agency. Subject to
5 appropriation, the grant application period shall be open for
6 no less than 45 calendar days during the first application
7 cycle each fiscal year, unless the Agency determines that a
8 shorter period is necessary to avoid conflicts with the annual
9 federal Nonprofit Security Grant Program funding cycle.
10 Additional application cycles may be conducted during the same
11 fiscal year, subject to availability of funds. Upon request,
12 Agency staff shall provide reasonable assistance to any
13 applicant in completing a grant application or meeting a
14 post-award requirement.

15 The Agency shall adopt rules or procedures by which
16 grantees under this subsection (g-5) may receive a working
17 capital advance of up to 25% of the total award amount, if,
18 during the application process, the grantee demonstrates a
19 need for funds to commence a project. The remaining funds must
20 be paid through reimbursement after the grantee presents
21 sufficient supporting documentation of expenditures for
22 eligible activities.

23 (h) Except as provided in Section 17.5 of this Act, any
24 moneys received by the Agency from donations or sponsorships
25 unrelated to a disaster shall be deposited in the Emergency
26 Planning and Training Fund and used by the Agency, subject to

1 appropriation, to effectuate planning and training activities.
2 Any moneys received by the Agency from donations during a
3 disaster and intended for disaster response or recovery shall
4 be deposited into the Disaster Response and Recovery Fund and
5 used for disaster response and recovery pursuant to the
6 Disaster Relief Act.

7 (i) The Illinois Emergency Management Agency may by rule
8 assess and collect reasonable fees for attendance at
9 Agency-sponsored conferences to enable the Agency to carry out
10 the requirements of this Act. Any moneys received under this
11 subsection shall be deposited in the Emergency Planning and
12 Training Fund and used by the Agency, subject to
13 appropriation, for planning and training activities.
