2 **Be it enacted by the People of the State of Illinois,**

4 Section 5. The Illinois Income Tax Act is amended by
5 changing Section 701 as follows:

6 (35 ILCS 5/701) (from Ch. 120, par. 7-701)

7 Sec. 701. Requirement and amount of withholding.

8 (a) In General. Every employer maintaining an office or
9 transacting business within this State and required under the
10 provisions of the Internal Revenue Code to withhold a tax on:

11 (1) compensation paid in this State (as determined
12 under Section 304(a)(2)(B)) to an individual; or

13 (2) payments described in subsection (b) shall deduct
14 and withhold from such compensation for each payroll
15 period (as defined in Section 3401 of the Internal Revenue
16 Code) an amount equal to the amount by which such
17 individual's compensation exceeds the proportionate part
18 of this withholding exemption (computed as provided in
19 Section 702) attributable to the payroll period for which
20 such compensation is payable multiplied by a percentage
21 equal to the percentage tax rate for individuals provided
22 in subsection (b) of Section 201.

23 (a-5) Withholding from nonresident employees. For taxable

1 years beginning on or after January 1, 2020, for purposes of
2 determining compensation paid in this State under paragraph
3 (B) of item (2) of subsection (a) of Section 304:

4 (1) If an employer maintains a time and attendance
5 system that tracks where employees perform services on a
6 daily basis, then data from the time and attendance system
7 shall be used. For purposes of this paragraph, time and
8 attendance system means a system:

9 (A) in which the employee is required, on a
10 contemporaneous basis, to record the work location for
11 every day worked outside of the State where the
12 employment duties are primarily performed; and

13 (B) that is designed to allow the employer to
14 allocate the employee's wages for income tax purposes
15 among all states in which the employee performs
16 services.

17 (2) In all other cases, the employer shall obtain a
18 written statement from the employee of the number of days
19 reasonably expected to be spent performing services in
20 this State during the taxable year. Absent the employer's
21 actual knowledge of fraud or gross negligence by the
22 employee in making the determination or collusion between
23 the employer and the employee to evade tax, the
24 certification so made by the employee and maintained in
25 the employer's books and records shall be prima facie
26 evidence and constitute a rebuttable presumption of the

1 number of days spent performing services in this State.

2 (a-10) If the compensation is paid through a loan out
3 company, as defined under Section 10 of the Film Production
4 Services Tax Credit Act of 2008, if the compensation is
5 considered compensation paid in this State under paragraph (B)
6 of item (2) of subsection (a) of Section 304, and if the
7 compensation is for in-State services performed for a
8 production that is accredited under Section 10 of the Film
9 Production Services Tax Credit Act of 2008 and concludes on or
10 after July 1, 2025, then the production company or its
11 authorized payroll service company shall be considered the
12 employer for the purpose of withholding tax on that
13 compensation under this Article 7 and shall withhold at the
14 tax rate provided in subsection (b) of Section 201 on all
15 payments to loan out companies for services performed in
16 Illinois by the loan out company's employees. Notwithstanding
17 any other provision of law, nonresident employees of loan out
18 companies who perform services in Illinois shall be considered
19 taxable nonresidents and shall be subject to the tax under
20 this Act in the taxable year in which the employee performs

22 (b) Payment to Residents. Any payment (including
23 compensation, but not including a payment from which
24 withholding is required under Section 710 of this Act) to a
25 resident by a payor maintaining an office or transacting
26 business within this State (including any agency, officer, or

1 employee of this State or of any political subdivision of this
2 State) and on which withholding of tax is required under the
3 provisions of the Internal Revenue Code shall be deemed to be
4 compensation paid in this State by an employer to an employee
5 for the purposes of Article 7 and Section 601(b)(1) to the
6 extent such payment is included in the recipient's base income
7 and not subjected to withholding by another state.
8 Notwithstanding any other provision to the contrary, no amount
9 shall be withheld from unemployment insurance benefit payments
10 made to an individual pursuant to the Unemployment Insurance
11 Act unless the individual has voluntarily elected the
12 withholding pursuant to rules promulgated by the Director of
13 Employment Security.

14 (c) Special Definitions. Withholding shall be considered
15 required under the provisions of the Internal Revenue Code to
16 the extent the Internal Revenue Code either requires
17 withholding or allows for voluntary withholding the payor and
18 recipient have entered into such a voluntary withholding
19 agreement. For the purposes of Article 7 and Section 1002(c)
20 the term "employer" includes any payor who is required to
21 withhold tax pursuant to this Section.

22 (d) Reciprocal Exemption. The Director may enter into an
23 agreement with the taxing authorities of any state which
24 imposes a tax on or measured by income to provide that
25 compensation paid in such state to residents of this State
26 shall be exempt from withholding of such tax; in such case, any

1 compensation paid in this State to residents of such state
2 shall be exempt from withholding. All reciprocal agreements
3 shall be subject to the requirements of Section 2505-575 of
4 the Department of Revenue Law (20 ILCS 2505/2505-575).

6 withholding is required on payments for which withholding is
7 required under Section 3405 or 3406 of the Internal Revenue
8 Code.
