AN ACT in relation to economic assistance.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

Section 1. Short title. This Act may be cited as the
State Economic Assistance Accountability Act.

6 Section 5. Definitions. In this Act:

7 "Business organization" means a corporation, partnership,
8 limited liability company, joint venture, association, or
9 other enterprise that does business in this State.

10 "Department" means the Illinois Department of Commerce 11 and Community Affairs.

12 "Director" means the Director of Commerce and Community13 Affairs.

"Project" any specific economic development 14 means commercial, manufacturing, 15 activity of industrial, a 16 agricultural, scientific, service, or other business, the result of which causes the creation or retention of jobs and 17 18 may include the purchase or lease of machinery and equipment 19 or the lease or purchase of real property or funds for 20 infrastructure necessitated by site preparation, building construction, or related purposes. 21

"State economic assistance" means (1) tax credits and tax 22 exemptions given as an incentive to a business organization 23 pursuant to a certification or designation made by the 24 25 Department under the Economic Development for a Growing Economy Tax Credit Act and the Illinois Enterprise Zone Act, 26 27 including the High Impact Business program; and (2) grants or loans given as an incentive to a business organization 28 29 pursuant to the Large Business Development Act. The term does not include assistance (1) given for the purpose of job 30 training, (2) given for the purpose of road construction or 31

improvements if the road is open to the use of the general public, (3) provided to units of local government, or (4) for which the funding source is federal.

4 Section 10. Written agreements containing performance5 covenants and sanctions.

6 (a) State economic assistance provided by the Department 7 as an incentive to a business organization must be based on 8 the terms of a written incentive agreement between the 9 Department and the business organization.

(b) The incentive agreement must identify the specific
State economic assistance to be provided to the business
organization during the term of the agreement.

13 (c) The incentive agreement must also provide for the 14 following:

15 (1) That the business organization is bound to make 16 a specified level of capital investment in a project and 17 cause the creation or retention of a specified level of 18 jobs, paying not less than specified wages for the jobs 19 created, within a specified time period.

20 (2) That if the business organization either fails 21 to make the requisite level of capital investment in the 22 project or fails to create or retain the specified number 23 of jobs within the specified time frame, as provided 24 under the Act authorizing the State economic assistance, 25 the business organization shall be deemed to no longer 26 qualify for the State economic assistance.

(3) That if the business organization receives
State economic assistance in the form of a High Impact
Business designation pursuant to Section 5.5 of the
Illinois Enterprise Zone Act and the business receives
the benefit of the exemption authorized under Section 51
of the Retailers' Occupation Tax Act (for the sale of
building materials incorporated into a High Impact

Business location) and the business organization fails to create or retain the requisite number of jobs, as determined by the Department, within the period of time specified by the Department, the business organization shall be required to pay to the State the full amount of the State tax exemption that it received as a result of the High Impact Business designation.

8 (4) That if the business organization receives а 9 grant pursuant to the Large Business Development Act and the business organization fails to create or retain 10 the jobs, as determined by 11 requisite number of the Department, within the period of time specified by 12 the Department, the business organization shall be required 13 to repay to the Department a pro rata amount of 14 the 15 grant, which amount shall reflect the percentage of the 16 deficiency between the promised number of jobs to be created or retained by the business organization and the 17 actual number of such jobs in existence as of 18 the date 19 the Department determines the business organization is in of the job creation or retention covenants 20 breach 21 contained in the incentive agreement.

22 (d) The Director may elect to waive enforcement of anv 23 contractual right arising out of the incentive agreement required by this Act based on a finding that the waiver will 24 25 promote the viability of the project, will contribute to an increase in employment associated with the project, or will 26 contribute to the retention of jobs in Illinois associated 27 with the project. As a precondition for any waiver of 28 29 enforcement of a written incentive agreement, a business 30 organization benefitted by such a waiver shall provide the 31 Director with a written reason or reasons why the waiver should apply. 32
