- 18 An employee who reaches compulsory retirement age and who

- 23 after his completion of the minimum number of years of
- 24 service required for him to be eligible under this subsection
- 25 (b). However, the annuity provided under this subsection (b)
- 26 may not exceed 80% 75% of such average salary (75% if the

- 1 Sec. 6-140. Death in the line of duty.
- 2 (a) The annuity for the widow of a fireman whose death
- 3 results from the performance of an act or acts of duty shall
- 4 be an amount equal to the following specified percentage 5θ %
- 5 of the current annual salary attached to the classified

- 9 amendatory Act of the 93rd General Assembly; and 80% on and
- 10 <u>after that effective date</u>.
- 11 Unless the performance of an act or acts of duty results
- 12 directly in the death of the fireman, or prevents him from
- 13 subsequently resuming active service in the fire department,
- 14 the annuity herein provided shall not be paid; nor shall such
- 15 annuities be paid unless the widow was the wife of the
- 16 fireman at the time of the act or acts of duty which resulted
- in his death.
- 18 (b) The changes made to this Section by Public Act 92-50
- 19 <u>and</u> this--amendatory--Act-of-the-93rd-General-Assembly apply
- 20 without regard to whether the deceased fireman was in service
- on or after the effective date of that this--amendatory Act.
- 22 In the case of a widow receiving an annuity under this

- 24 because the fireman, had he lived, would have attained the
- 25 age prescribed for compulsory retirement, the annuity shall
- 26 be restored to the amount provided in subsection (a), with
- the increase beginning to accrue on the later of January 1,
- 28 2001 or the day the annuity first became payable.

- 1 (40 ILCS 5/6-144) (from Ch. 108 1/2, par. 6-144)
- 2 Sec. 6-144. Maximum annuity to fireman. No annuity in
- excess of 80% (75% if the last day of service is before the 3
- 4 effective date of this amendatory Act of the 93rd General
- Assembly) of the highest salary received by the fireman 5
- concerned shall be granted or paid to him except to the 6
- 7 extent that the annuity may exceed that amount such-75% under
- the provisions of Section 6-164 of this Article. 8
- 9 (Source: P. A. 77-1353.)
- 10 (40 ILCS 5/6-151) (from Ch. 108 1/2, par. 6-151)
- 11 Sec. 6-151. <u>Duty disability.</u>
- (a) An active fireman who is or becomes disabled on or 12
- after the effective date as the result of a specific injury, 13
- or of cumulative injuries, or of specific sickness 14
- 15 in or resulting from an act or acts of duty, shall have the
- right to receive duty disability benefit during any period of 16
- 17 such disability for which he does not receive or have a right
- to receive salary, equal to 80% 75% of his salary at the time 18
- the disability is allowed (75% if the disability is allowed 19
- before the effective date of this amendatory Act of the 93rd 2.0
- 21 <u>General Assembly</u>). However, beginning January 1, 1994, no
- duty disability benefit that has been payable under this 22
- Section for at least 10 years shall be less than 50% of

current salary attached from time to time to the rank and

- grade held by the fireman at the time of his removal from the 25
- 26 Department payroll, regardless of whether that removal
- occurred before the effective date of this amendatory Act of 2.7
- 28 1993.

24

- (b) Whenever an active fireman is or becomes so injured 29
- or sick, as to require medical or hospital attention, the 30
- chief officer of the fire department of the city shall file, 31
- or cause to be filed, with the board a report of the nature 32
- and cause of his disability, together with the certificate or 33

report of the physician attending or treating, or attended or treated the fireman, and a copy of any hospital record concerning the disability. Any injury or sickness not reported to the board in time to permit the board's physician to examine the fireman before his recovery, and any injury or sickness for which a physician's report or copy of the hospital record is not on file with the board shall not be considered for the payment of duty disability benefit.

(c) Such fireman shall also receive a child's disability benefit of \$30 per month on account of each unmarried child, the issue of the fireman or legally adopted by him prior to the date of disability, who is less than 18 years of age or handicapped and dependent upon the fireman for support. The total amount of child's disability benefit shall not exceed 25% of his salary at the time the disability is allowed.

(d) The first payment of duty disability or child's disability benefit shall be made not later than one month after the benefit is granted. Each subsequent payment shall be made not later than one month after the date of the latest payment.

Duty disability benefit shall be payable during the period of the disability until the fireman reaches the age of compulsory retirement. Child's disability benefit shall be paid to such a fireman during the period of disability until such child or children attain age 18 or marries, whichever event occurs first; except that attainment of age 18 by a child who is so physically or mentally handicapped as to be dependent upon the fireman for support, shall not render the child ineligible for child's disability benefit. The fireman shall thereafter receive such annuity or annuities as are provided for him in accordance with other provisions of this Article.
