2 AMENDMENT NO. _____. Amend House Bill 929 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The State Employees Group Insurance Act of 1971
5 is amended by changing Sections 6.5 and 6.6 as follows:

6 (5 ILCS 375/6.5)

7 (Section scheduled to be repealed on July 1, 2004)

8 Sec. 6.5. Health benefits for TRS benefit recipients and
9 TRS dependent beneficiaries.

10 (a) Purpose. It is the purpose of this amendatory Act of
11 1995 to transfer the administration of the program of health
12 benefits established for benefit recipients and their
13 dependent beneficiaries under Article 16 of the Illinois
14 Pension Code to the Department of Central Management Services.

15 (b) Transition provisions. The Board of Trustees of the
16 Teachers' Retirement System shall continue to administer the
17 health benefit program established under Article 16 of the
18 Illinois Pension Code through December 31, 1995. Beginning
19 January 1, 1996, the Department of Central Management Services
20 shall be responsible for administering a program of health
21 benefits for TRS benefit recipients and TRS dependent
22 beneficiaries under this Section. The Department of Central
23 Management Services and the Teachers' Retirement System shall
24 cooperate in this endeavor and shall coordinate their

1 activities so as to ensure a smooth transition and
2 uninterrupted health benefit coverage.

3 (c) Eligibility. All persons who were enrolled in the
4 Article 16 program at the time of the transfer shall be
5 eligible to participate in the program established under this
6 Section without any interruption or delay in coverage or
7 limitation as to pre-existing medical conditions. Eligibility
8 to participate shall be determined by the Teachers' Retirement
9 System. Eligibility information shall be communicated to the
10 Department of Central Management Services in a format
11 acceptable to the Department.

12 A TRS dependent beneficiary who is an unmarried child age
13 19 or over and mentally or physically disabled ~~handicapped~~ does
14 not become ineligible to participate by reason of (i) becoming
15 ineligible to be claimed as a dependent for Illinois or federal
16 income tax purposes or (ii) receiving earned income, so long as
17 those earnings are insufficient for the child to be fully
18 self-sufficient.

19 (d) Coverage. The level of health benefits provided under
20 this Section shall be similar to the level of benefits provided
21 by the program previously established under Article 16 of the
22 Illinois Pension Code.

23 Group life insurance benefits are not included in the
24 benefits to be provided to TRS benefit recipients and TRS
25 dependent beneficiaries under this Act.

26 The program of health benefits under this Section may
27 include any or all of the benefit limitations, including but
28 not limited to a reduction in benefits based on eligibility for
29 federal medicare benefits, that are provided under subsection
30 (a) of Section 6 of this Act for other health benefit programs
31 under this Act.

32 (e) Insurance rates and premiums. The Director shall
33 determine the insurance rates and premiums for TRS benefit
34 recipients and TRS dependent beneficiaries, and shall present

1 to the Teachers' Retirement System of the State of Illinois, by
2 April 15 of each calendar year, the rate-setting methodology
3 (including but not limited to utilization levels and costs)
4 used to determine the amount of the health care premiums.

5 For Fiscal Year 1996, the premium shall be equal to the
6 premium actually charged in Fiscal Year 1995; in subsequent
7 years, the premium shall never be lower than the premium
8 charged in Fiscal Year 1995.

9 For Fiscal Year 2003, the premium shall not exceed 110%
10 of the premium actually charged in Fiscal Year 2002.

11 For Fiscal Year 2004, the premium shall not exceed 112%
12 of the premium actually charged in Fiscal Year 2003.

13 For Fiscal Year 2005, the premium shall not exceed a
14 weighted average of 106.6% of the premium actually charged
15 in Fiscal Year 2004.

16 For Fiscal Year 2006, the premium shall not exceed a
17 weighted average of 109.1% of the premium actually charged
18 in Fiscal Year 2005.

19 For Fiscal Year 2007, the premium shall not exceed a
20 weighted average of 103.9% of the premium actually charged
21 in Fiscal Year 2006.

22 For Fiscal Year 2008 and thereafter, the premium in
23 each fiscal year shall not exceed 105% of the premium
24 actually charged in the previous fiscal year.

25 Rates and premiums may be based in part on age and
26 eligibility for federal medicare coverage. However, the cost of
27 participation for a TRS dependent beneficiary who is an
28 unmarried child age 19 or over and mentally or physically
29 disabled ~~handicapped~~ shall not exceed the cost for a TRS
30 dependent beneficiary who is an unmarried child under age 19
31 and participates in the same major medical or managed care
32 program.

33 The cost of health benefits under the program shall be paid
34 as follows:

1 (1) For a TRS benefit recipient selecting a managed
2 care program, up to 75% of the total insurance rate shall
3 be paid from the Teacher Health Insurance Security Fund.
4 Effective with Fiscal Year 2007 and thereafter, for a TRS
5 benefit recipient selecting a managed care program, 75% of
6 the total insurance rate shall be paid from the Teacher
7 Health Insurance Security Fund.

8 (2) For a TRS benefit recipient selecting the major
9 medical coverage program, up to 50% of the total insurance
10 rate shall be paid from the Teacher Health Insurance
11 Security Fund if a managed care program is accessible, as
12 determined by the Teachers' Retirement System. Effective
13 with Fiscal Year 2007 and thereafter, for a TRS benefit
14 recipient selecting the major medical coverage program,
15 50% of the total insurance rate shall be paid from the
16 Teacher Health Insurance Security Fund if a managed care
17 program is accessible, as determined by the Department of
18 Central Management Services.

19 (3) For a TRS benefit recipient selecting the major
20 medical coverage program, up to 75% of the total insurance
21 rate shall be paid from the Teacher Health Insurance
22 Security Fund if a managed care program is not accessible,
23 as determined by the Teachers' Retirement System.
24 Effective with Fiscal Year 2007 and thereafter, for a TRS
25 benefit recipient selecting the major medical coverage
26 program, 75% of the total insurance rate shall be paid from
27 the Teacher Health Insurance Security Fund if a managed
28 care program is not accessible, as determined by the
29 Department of Central Management Services.

30 (3.1) For a TRS dependent beneficiary who is Medicare
31 primary and enrolled in a managed care plan, or the major
32 medical coverage program if a managed care plan is not
33 available, 25% of the total insurance rate shall be paid
34 from the Teacher Health Security Fund as determined by the

1 Department of Central Management Services. For the purpose
2 of this item (3.1), the term "TRS dependent beneficiary who
3 is Medicare primary" means a TRS dependent beneficiary who
4 is participating in Medicare Parts A and B.

5 (4) Except as otherwise provided in item (3.1), the ~~The~~
6 balance of the rate of insurance, including the entire
7 premium of any coverage for TRS dependent beneficiaries
8 that has been elected, shall be paid by deductions
9 authorized by the TRS benefit recipient to be withheld from
10 his or her monthly annuity or benefit payment from the
11 Teachers' Retirement System; except that (i) if the balance
12 of the cost of coverage exceeds the amount of the monthly
13 annuity or benefit payment, the difference shall be paid
14 directly to the Teachers' Retirement System by the TRS
15 benefit recipient, and (ii) all or part of the balance of
16 the cost of coverage may, at the school board's option, be
17 paid to the Teachers' Retirement System by the school board
18 of the school district from which the TRS benefit recipient
19 retired, in accordance with Section 10-22.3b of the School
20 Code. The Teachers' Retirement System shall promptly
21 deposit all moneys withheld by or paid to it under this
22 subdivision (e)(4) into the Teacher Health Insurance
23 Security Fund. These moneys shall not be considered assets
24 of the Retirement System.

25 (f) Financing. Beginning July 1, 1995, all revenues arising
26 from the administration of the health benefit programs
27 established under Article 16 of the Illinois Pension Code or
28 this Section shall be deposited into the Teacher Health
29 Insurance Security Fund, which is hereby created as a
30 nonappropriated trust fund to be held outside the State
31 Treasury, with the State Treasurer as custodian. Any interest
32 earned on moneys in the Teacher Health Insurance Security Fund
33 shall be deposited into the Fund.

34 Moneys in the Teacher Health Insurance Security Fund shall

1 be used only to pay the costs of the health benefit program
2 established under this Section, including associated
3 administrative costs, and the costs associated with the health
4 benefit program established under Article 16 of the Illinois
5 Pension Code, as authorized in this Section. Beginning July 1,
6 1995, the Department of Central Management Services may make
7 expenditures from the Teacher Health Insurance Security Fund
8 for those costs.

9 After other funds authorized for the payment of the costs
10 of the health benefit program established under Article 16 of
11 the Illinois Pension Code are exhausted and until January 1,
12 1996 (or such later date as may be agreed upon by the Director
13 of Central Management Services and the Secretary of the
14 Teachers' Retirement System), the Secretary of the Teachers'
15 Retirement System may make expenditures from the Teacher Health
16 Insurance Security Fund as necessary to pay up to 75% of the
17 cost of providing health coverage to eligible benefit
18 recipients (as defined in Sections 16-153.1 and 16-153.3 of the
19 Illinois Pension Code) who are enrolled in the Article 16
20 health benefit program and to facilitate the transfer of
21 administration of the health benefit program to the Department
22 of Central Management Services.

23 (g) Contract for benefits. The Director shall by contract,
24 self-insurance, or otherwise make available the program of
25 health benefits for TRS benefit recipients and their TRS
26 dependent beneficiaries that is provided for in this Section.
27 The contract or other arrangement for the provision of these
28 health benefits shall be on terms deemed by the Director to be
29 in the best interest of the State of Illinois and the TRS
30 benefit recipients based on, but not limited to, such criteria
31 as administrative cost, service capabilities of the carrier or
32 other contractor, and the costs of the benefits.

33 (g-5) Committee. A Teacher Retirement Insurance Program
34 Committee shall be established, to consist of 10 persons

1 appointed by the Governor.

2 The Committee shall convene at least 4 times each year, and
3 shall consider and make recommendations on issues affecting the
4 program of health benefits provided under this Section.
5 Recommendations of the Committee shall be based on a consensus
6 of the members of the Committee.

7 If the Teacher Health Insurance Security Fund experiences a
8 deficit balance based upon the contribution and subsidy rates
9 established in this Section and Section 6.6 for Fiscal Year
10 2008 or thereafter, the Committee shall make recommendations
11 for adjustments to the funding sources established under these
12 Sections.

13 (h) Continuation ~~and termination~~ of program. It is the
14 intention of the General Assembly that the program of health
15 benefits provided under this Section be maintained on an
16 ongoing, affordable basis. ~~through June 30, 2004. The program~~
17 ~~of health benefits provided under this Section is terminated on~~
18 ~~July 1, 2004.~~

19 The program of health benefits provided under this Section
20 may be amended by the State and is not intended to be a pension
21 or retirement benefit subject to protection under Article XIII,
22 Section 5 of the Illinois Constitution.

23 (i) Repeal. (Blank). ~~This Section is repealed on July 1,~~
24 ~~2004.~~

27 (5 ILCS 375/6.6)

28 (Section scheduled to be repealed on July 1, 2004)

29 Sec. 6.6. Contributions to the Teacher Health Insurance
30 Security Fund.

31 (a) Beginning July 1, 1995, all active contributors of the
32 Teachers' Retirement System (established under Article 16 of
33 the Illinois Pension Code) who are not employees of a

1 department as defined in Section 3 of this Act shall make
2 contributions toward the cost of annuitant and survivor health
3 benefits. These contributions shall be at the following rates:
4 until January 1, 2002, 0.5% of salary; beginning January 1,
5 2002, 0.65% of salary; beginning July 1, 2003, 0.75% of salary;
6 beginning July 1, 2005, 0.80% of salary; beginning July 1,
7 2007, a percentage of salary to be determined by the Department
8 of Central Management Services by rule, which in each fiscal
9 year shall not exceed 105% of the percentage of salary actually
10 required to be paid in the previous fiscal year.

11 These contributions shall be deducted by the employer and
12 paid to the System as service agent for the Department of
13 Central Management Services. The System may use the same
14 processes for collecting the contributions required by this
15 subsection that it uses to collect contributions received from
16 school districts and other covered employers under Sections
17 16-154 and 16-155 of the Illinois Pension Code.

18 An employer may agree to pick up or pay the contributions
19 required under this subsection on behalf of the teacher; such
20 contributions shall be deemed to have to have been paid by the
21 teacher. Beginning January 1, 2002, if the employer does not
22 directly pay the required member contribution, then the
23 employer shall reduce the member's salary by an amount equal to
24 the required contribution and shall then pay the contribution
25 on behalf of the member. This reduction shall not change the
26 amounts reported as creditable earnings to the Teachers'
27 Retirement System.

28 A person who purchases optional service credit under
29 Article 16 of the Illinois Pension Code for a period after June
30 30, 1995 must also make a contribution under this subsection
31 for that optional credit, at the rate provided in subsection
32 (a), based on the salary used in computing the optional service
33 credit, plus interest on this employee contribution. This
34 contribution shall be collected by the System as service agent

1 for the Department of Central Management Services. The
2 contribution required under this subsection for the optional
3 service credit must be paid in full before any annuity based on
4 that credit begins.

5 (a-5) Beginning January 1, 2002, every employer of a
6 teacher (other than an employer that is a department as defined
7 in Section 3 of this Act) shall pay an employer contribution
8 toward the cost of annuitant and survivor health benefits.
9 These contributions shall be computed as follows:

10 (1) Beginning January 1, 2002 through June 30, 2003,
11 the employer contribution shall be equal to 0.4% of each
12 teacher's salary.

13 (2) Beginning July 1, 2003, the employer contribution
14 shall be equal to 0.5% of each teacher's salary.

15 (3) Beginning July 1, 2005, the employer contribution
16 shall be equal to 0.6% of each teacher's salary.

17 (4) Beginning July 1, 2007, the employer contribution
18 shall be a percentage of each teacher's salary to be
19 determined by the Department of Central Management
20 Services by rule, which in each fiscal year shall not
21 exceed 105% of the percentage of each teacher's salary
22 actually required to be paid in the previous fiscal year.

23 These contributions shall be paid by the employer to the
24 System as service agent for the Department of Central
25 Management Services. The System may use the same processes for
26 collecting the contributions required by this subsection that
27 it uses to collect contributions received from school districts
28 and other covered employers under the Illinois Pension Code.

29 The school district or other employing unit may pay these
30 employer contributions out of any source of funding available
31 for that purpose and shall forward the contributions to the
32 System on the schedule established for the payment of member
33 contributions.

34 (b) The Teachers' Retirement System shall promptly deposit

1 all moneys collected under subsections (a) and (a-5) of this
2 Section into the Teacher Health Insurance Security Fund created
3 in Section 6.5 of this Act. The moneys collected under this
4 Section shall be used only for the purposes authorized in
5 Section 6.5 of this Act and shall not be considered to be
6 assets of the Teachers' Retirement System. Contributions made
7 under this Section are not transferable to other pension funds
8 or retirement systems and are not refundable upon termination
9 of service.

10 (c) On or before November 15 of each year, the Board of
11 Trustees of the Teachers' Retirement System shall certify to
12 the Governor, the Director of Central Management Services, and
13 the State Comptroller its estimate of the total amount of
14 contributions to be paid under subsection (a) of this Section
15 6.6 for the next fiscal year. The amount certified shall be
16 decreased or increased each year by the amount that the actual
17 active teacher contributions either fell short of or exceeded
18 the estimate used by the Board in making the certification for
19 the previous fiscal year. The certification shall include a
20 detailed explanation of the methods and information that the
21 Board relied upon in preparing its estimate. As soon as
22 possible after the effective date of this amendatory Act of the
23 92nd General Assembly, the Board shall recalculate and
24 recertify its certifications for fiscal years 2002 and 2003.

25 (d) Beginning in fiscal year 1996, on the first day of each
26 month, or as soon thereafter as may be practical, the State
27 Treasurer and the State Comptroller shall transfer from the
28 General Revenue Fund to the Teacher Health Insurance Security
29 Fund 1/12 of the annual amount appropriated for that fiscal
30 year to the State Comptroller for deposit into the Teacher
31 Health Insurance Security Fund under Section 1.3 of the State
32 Pension Funds Continuing Appropriation Act.

33 (e) Except where otherwise specified in this Section, the
34 definitions that apply to Article 16 of the Illinois Pension

1 Code apply to this Section.

2 (f) (Blank). ~~This Section is repealed on July 1, 2004.~~

3 (Source: P.A. 92-505, eff. 12-20-01.)

4 Section 10. The State Pension Funds Continuing
5 Appropriation Act is amended by changing Section 1.3 as
6 follows:

7 (40 ILCS 15/1.3)

8 Sec. 1.3. Appropriations for the Teacher Health Insurance
9 Security Fund. Beginning in State fiscal year 1996, there is
10 hereby appropriated, on a continuing annual basis, from the
11 General Revenue Fund to the State Comptroller for deposit into
12 the Teacher Health Insurance Security Fund, an amount equal to
13 the amount certified by the Board of Trustees of the Teachers'
14 Retirement System of Illinois under subsection (c) of Section
15 6.6 of the State Employees Group Insurance Act of 1971 as the
16 estimated total amount of contributions to be paid under
17 subsection (a) of that Section 6.6 in that fiscal year.

18 In addition to any other amounts that may be appropriated
19 for this purpose, in State fiscal years 2005 through 2007,
20 there is hereby appropriated, on a continuing annual basis,
21 from the General Revenue Fund to the State Comptroller for
22 deposit into the Teacher Health Insurance Security Fund, an

27 State Employees Group Insurance Act of 1971.

17 Sec. 21-1a. Tests required for certification and teacher
18 preparation.

19 (a) After July 1, 1988, in addition to all other
20 requirements, early childhood, elementary, special, high
21 school, school service personnel, or, except as provided in
22 Section 34-6, administrative certificates shall be issued to
23 persons who have satisfactorily passed a test of basic skills
24 and subject matter knowledge. A person who holds a valid and
25 comparable out-of-state certificate, however, is not required
26 to take a test of basic skills and is not required to take a
27 test of subject matter knowledge, provided that the person has
28 successfully passed a test of subject matter knowledge in
29 another State or territory of the United States that is
30 directly related in content to the specific subject area of
31 certification. The tests of basic skills and subject matter
32 knowledge shall be the tests which from time to time are
33 designated by the State Board of Education in consultation with

1 the State Teacher Certification Board and may be tests prepared
2 by an educational testing organization or tests designed by the
3 State Board of Education in consultation with the State Teacher
4 Certification Board. The areas to be covered by the test of
5 basic skills shall include the basic skills of reading,
6 writing, grammar and mathematics. The test of subject matter
7 knowledge shall assess content knowledge in the specific
8 subject field. The tests shall be designed to be racially
9 neutral to assure that no person in taking the tests is thereby
10 discriminated against on the basis of race, color, national
11 origin or other factors unrelated to the person's ability to
12 perform as a certificated employee. The score required to pass
13 the tests of basic skills and subject matter knowledge shall be
14 fixed by the State Board of Education in consultation with the
15 State Teacher Certification Board. The tests shall be held not
16 fewer than 3 times a year at such time and place as may be
17 designated by the State Board of Education in consultation with
18 the State Teacher Certification Board.

19 (b) Except as provided in Section 34-6, the provisions of
20 subsection (a) of this Section shall apply equally in any
21 school district subject to Article 34, provided that the State
22 Board of Education shall determine which certificates issued
23 under Sections 34-8.1 and 34-83 prior to July 1, 1988 are
24 comparable to any early childhood certificate, elementary
25 school certificate, special certificate, high school
26 certificate, school service personnel certificate or
27 administrative certificate issued under this Article as of July
28 1, 1988.

29 (c) A person who holds an early childhood, elementary,
30 special, high school or school service personnel certificate
31 issued under this Article on or at any time before July 1,
32 1988, including a person who has been issued any such
33 certificate pursuant to Section 21-11.1 or in exchange for a
34 comparable certificate theretofore issued under Section 34-8.1

1 or Section 34-83, shall not be required to take or pass the
2 tests in order to thereafter have such certificate renewed.

3 (d) The State Board of Education in consultation with the
4 State Teacher Certification Board shall conduct a pilot
5 administration of the tests by administering the test to
6 students completing teacher education programs in the 1986-87
7 school year for the purpose of determining the effect and
8 impact of testing candidates for certification.

9 Beginning with the 2002-2003 academic year, a student may
10 not enroll in a teacher preparation program at a recognized
11 teacher training institution until he or she has passed the
12 basic skills test.

13 Beginning with the 2004-2005 academic year, a preservice
14 education teacher may not student teach until he or she has
15 passed the subject matter test in the discipline in which he or
16 she will student teach.

17 (e) The rules and regulations developed to implement the
18 required test of basic skills and subject matter knowledge
19 shall include the requirements of subsections (a), (b), and (c)
20 and shall include specific regulations to govern test
21 selection; test validation and determination of a passing
22 score; administration of the tests; frequency of
23 administration; applicant fees; frequency of applicants'
24 taking the tests; the years for which a score is valid; and,
25 waiving certain additional tests for additional certificates
26 to individuals who have satisfactorily passed the test of basic
27 skills and subject matter knowledge as required in subsection
28 (a). The State Board of Education shall provide, by rule,
29 specific policies that assure uniformity in the difficulty

33 tests.

34 (f) The State Teacher Certification Board may issue a

1 nonrenewable temporary certificate between July 1, 1988 and
2 August 31, 1988 to individuals who have taken the tests of

9 Certification Board, shall implement and administer a new
10 system of certification for teachers in the State of Illinois.
11 The State Board of Education, in consultation with the State
12 Teacher Certification Board, shall design and implement a

29 Sec. 21-1b. Subject endorsement on certificates. All
30 certificates initially issued under this Article after June 30,
31 1986, shall be specifically endorsed by the State Board of
32 Education for each subject the holder of the certificate is
33 legally qualified to teach, such endorsements to be made in

1 accordance with standards promulgated by the State Board of

8 issued under Section 21-9 of this Code.

9 Commencing July 1, 1999, each application for endorsement
10 of an existing teaching certificate shall be accompanied by a
11 \$30 nonrefundable fee. There is hereby created a Teacher
12 Certificate Fee Revolving Fund as a special fund within the
13 State Treasury. The proceeds of each \$30 fee shall be paid into
14 the Teacher Certificate Fee Revolving Fund; and the moneys in
15 that Fund shall be appropriated and used to provide the
16 technology and other resources necessary for the timely and
17 efficient processing of certification requests.

18 The State Board of Education and each regional office of
19 education are authorized to charge a service or convenience fee
20 for the use of credit cards for the payment of certification
21 fees. This service or convenience fee may not exceed the amount
22 required by the credit card processing company or vendor that
23 has entered into a contract with the State Board or regional

27 (105 ILCS 5/21-2) (from Ch. 122, par. 21-2)

28 Sec. 21-2. Grades of certificates.

29 (a) All certificates issued under this Article shall be
30 State certificates valid, except as limited in Section 21-1, in

33 Provisional vocational certificate, temporary provisional

1 vocational certificate, early childhood certificate,
2 elementary school certificate, special certificate, secondary
3 certificate, school service personnel certificate,
4 administrative certificate, provisional certificate, and
5 substitute certificate. The requirement of student teaching
6 under close and competent supervision for obtaining a teaching
7 certificate may be waived by the State Teacher Certification
8 Board upon presentation to the Board by the teacher of evidence
9 of 5 years successful teaching experience on a valid
10 certificate and graduation from a recognized institution of
11 higher learning with a bachelor's degree.

12 (b) Initial Teaching Certificate. Persons who (1) have
13 completed an approved teacher preparation program, (2) are
14 recommended by an approved teacher preparation program, (3)
15 have successfully completed the Initial Teaching Certification
16 examinations required by the State Board of Education, and (4)
17 have met all other criteria established by the State Board of
18 Education in consultation with the State Teacher Certification
19 Board, shall be issued an Initial Teaching Certificate valid
20 for 4 years of teaching, as defined in Section 21-14 of this
21 Code. Initial Teaching Certificates shall be issued for
22 categories corresponding to Early Childhood, Elementary,
23 Secondary, and Special K-12, with special certification
24 designations for Special Education, Bilingual Education,
25 fundamental learning areas (including Language Arts, Reading,
26 Mathematics, Science, Social Science, Physical Development and
27 Health, Fine Arts, and Foreign Language), and other areas
28 designated by the State Board of Education, in consultation
29 with the State Teacher Certification Board. Notwithstanding
30 any other provision of this Article, an Initial Teaching
31 Certificate shall be automatically extended for one year for
32 all persons who (i) have been issued an Initial Teaching
33 Certificate that expires on June 30, 2004 and (ii) have not
34 met, prior to July 1, 2004, the Standard Certificate

1 requirements under paragraph (c) of this Section. An
2 application and fee shall not be required for this extension.

3 (b-5) A person who holds an out-of-state certificate and
4 who is otherwise eligible for a comparable Illinois certificate
5 may be issued an Initial Certificate if that person has not
6 completed 4 years of teaching. Upon completion of 4 years of
7 teaching, the person is eligible for a Standard Certificate.
8 Beginning July 1, 2004, an out-of-state candidate who has
9 already earned a second-tier certificate in another state is
10 not subject to any Standard Certificate eligibility
11 requirements stated in paragraph (2) of subsection (c) of this
12 Section other than completion of the 4 years of teaching. An
13 out-of-state candidate who has completed less than 4 years of
14 teaching and does not hold a second-tier certificate from
15 another state must meet the requirements stated in paragraph
16 (2) of subsection (c) of this Section, proportionately reduced
17 by the amount of time remaining to complete the 4 years of
18 teaching.

19 (c) Standard Certificate.

20 (1) Persons who (i) have completed 4 years of teaching, as
21 defined in Section 21-14 of this Code, with an Initial
22 Certificate or an Initial Alternative Teaching Certificate and
23 have met all other criteria established by the State Board of
24 Education in consultation with the State Teacher Certification
25 Board, (ii) have completed 4 years of teaching on a valid
26 equivalent certificate in another State or territory of the
27 United States, or have completed 4 years of teaching in a
28 nonpublic Illinois elementary or secondary school with an

32 Teacher Certification Board, or (iii) were issued teaching
33 certificates prior to February 15, 2000 and are renewing those
34 certificates after February 15, 2000, shall be issued a

1 Standard Certificate valid for 5 years, which may be renewed
2 thereafter every 5 years by the State Teacher Certification
3 Board based on proof of continuing education or professional
4 development. Beginning July 1, 2003, persons who have completed
5 4 years of teaching, as described in clauses (i) and (ii) of
6 this paragraph (1), have successfully completed the
7 requirements of paragraphs (2) through (4) of this subsection
8 (c), and have met all other criteria established by the State
9 Board of Education, in consultation with the State Teacher
10 Certification Board, shall be issued Standard Certificates.
11 Notwithstanding any other provisions of this Section,
12 beginning July 1, 2004, persons who hold valid out-of-state
13 certificates and have completed 4 years of teaching on a valid
14 equivalent certificate in another State or territory of the
15 United States shall be issued comparable Standard
16 Certificates. Beginning July 1, 2004, persons who hold valid
17 out-of-state certificates as described in subsection (b-5) of
18 this Section are subject to the requirements of paragraphs (2)
19 through (4) of this subsection (c), as required in subsection
20 (b-5) of this Section, in order to receive a Standard
21 Certificate. Standard Certificates shall be issued for
22 categories corresponding to Early Childhood, Elementary,
23 Secondary, and Special K-12, with special certification
24 designations for Special Education, Bilingual Education,
25 fundamental learning areas (including Language Arts, Reading,
26 Mathematics, Science, Social Science, Physical Development and
27 Health, Fine Arts, and Foreign Language), and other areas
28 designated by the State Board of Education, in consultation
29 with the State Teacher Certification Board.

30 (2) This paragraph (2) applies only to those persons
31 required to successfully complete the requirements of this
32 paragraph under paragraph (1) of this subsection (c). In order
33 to receive a Standard Teaching Certificate, a person must
34 satisfy one of the following requirements, ~~which the person~~

1 ~~must identify, in writing, as the requirement that the person~~
2 ~~has chosen to satisfy to the responsible local professional~~
3 ~~development committee established pursuant to subsection (f)~~
4 ~~of Section 21-14 of this Code:~~

5 (A) Completion of a program of induction and mentoring
6 for new teachers that is based upon a specific plan
7 approved by the State Board of Education, in consultation
8 with the State Teacher Certification Board. Nothing in this
9 Section, however, prohibits an induction or mentoring
10 program from operating prior to approval. Holders of
11 Initial Certificates issued before September 1, 2007 must
12 complete, at a minimum, an approved one-year induction and
13 mentoring program. Holders of Initial Certificates issued
14 on or after September 1, 2007 must complete an approved
15 2-year induction and mentoring program. The plan must
16 describe the role of mentor teachers, the criteria and
17 process for their selection, and how all the following
18 components are to be provided:

19 (i) Assignment of a formally trained mentor
20 teacher to each new teacher for a specified period of
21 time, which shall be established by the employing
22 school or school district ~~but shall be at least 2~~
23 ~~school years in duration,~~ provided that a mentor
24 teacher may not directly or indirectly participate in
25 the evaluation of a new teacher pursuant to Article 24A
26 of this Code or the evaluation procedure of the school.

27 (ii) Formal mentoring for each new teacher.

28 (iii) Support for each new teacher in relation to

33 (iv) Professional development specifically
34 designed to foster the growth of each new teacher's

1 knowledge and skills.

2 (v) Formative assessment that is based on the
3 Illinois Professional Teaching Standards and designed
4 to provide feedback to the new teacher and
5 opportunities for reflection on his or her
6 performance, which must not be used directly or
7 indirectly in any evaluation of a new teacher pursuant
8 to Article 24A of this Code or the evaluation procedure
9 of the school and which must include the activities
10 specified in clauses (B)(i), (B)(ii), and (B)(iii) of
11 this paragraph (2).

13 of the induction and mentoring program within each
14 school district participating in the program.

20 Teacher Certification Board; must be offered either by an
21 institution of higher education, by such an institution in
22 partnership with a teachers' association or union or with a

25 demonstration of performance through all of the following
26 activities for each of the Illinois Professional Teaching
27 Standards:

28 (i) Observation, by the course instructor or
29 another experienced teacher, of the new teacher's
30 classroom practice (the observation may be recorded
31 for later viewing) for the purpose of identifying and
32 describing how the new teacher made content meaningful
33 for students; how the teacher motivated individuals
34 and the group and created an environment conducive to

1 positive social interactions, active learning, and
2 self-motivation; what instructional strategies the
3 teacher used to encourage students' development of
4 critical thinking, problem solving, and performance;
5 how the teacher communicated using written, verbal,
6 nonverbal, and visual communication techniques; and
7 how the teacher maintained standards of professional
8 conduct and provided leadership to improve students'
9 learning.

10 (ii) Review and analysis, by the course instructor
11 or another experienced teacher, of written
12 documentation (i.e., lesson plans, assignments,
13 assessment instruments, and samples of students' work)
14 prepared by the new teacher for at least 2 lessons. The
15 documentation must provide evidence of classroom
16 performance related to Illinois Professional Teaching
17 Standards 1 through 9, with an emphasis on how the

32 weaknesses, and implications for improvement according
33 to the Illinois Professional Teaching Standards.

34 (C) Successful completion of a minimum of 4 semester

1 hours of graduate-level coursework addressing preparation
2 to meet the requirements for certification by the National
3 Board for Professional Teaching Standards (NBPTS). The
4 coursework must be approved by the State Board of
5 Education, in consultation with the State Teacher
6 Certification Board, and must be offered either by an
7 institution of higher education, by such an institution in
8 partnership with a teachers' association or union or with a
9 regional office of education, or by another entity
10 authorized to issue college credit. The course must address
11 the 5 NBPTS Core Propositions and relevant standards
12 through such means as the following:

13 (i) Observation, by the course instructor or
14 another experienced teacher, of the new teacher's
15 classroom practice (the observation may be recorded
16 for later viewing) for the purpose of identifying and
17 describing how the new teacher made content meaningful
18 for students; how the teacher motivated individuals
19 and the group and created an environment conducive to
20 positive social interactions, active learning, and
21 self-motivation; what instructional strategies the
22 teacher used to encourage students' development of
23 critical thinking, problem solving, and performance;
24 how the teacher communicated using written, verbal,
25 nonverbal, and visual communication techniques; and
26 how the teacher maintained standards of professional
27 conduct and provided leadership to improve students'
28 learning.

29 (ii) Review and analysis, by the course instructor
30 or another experienced teacher, of written
31 documentation (i.e., lesson plans, assignments,
32 assessment instruments, and samples of students' work)
33 prepared by the new teacher for at least 2 lessons. The
34 documentation must provide evidence of classroom

1 performance, including how the teacher used his or her
2 understanding of students, assessment data, and
3 subject matter to decide on learning goals; how the
4 teacher designed or selected activities and
5 instructional materials and aligned instruction to the
6 relevant Illinois Learning Standards; how the teacher
7 adapted or modified curriculum to meet individual
8 students' needs; and how the teacher sequenced
9 instruction and designed or selected student

18 semester hours of graduate credit towards an advanced
19 degree in an education-related field from an accredited
20 institution of higher education.

21 (D) Receipt of an advanced degree from an accredited

34 CPDUs shall be reduced to reflect the teaching time

1 remaining on the Initial Teaching Certificate.

2 (F) Completion of a nationally normed,
3 performance-based assessment, if made available by the
4 State Board of Education in consultation with the State
5 Teacher Certification Board, provided that the cost to the

24 paragraph under paragraph (1) of this subsection (c). Persons
25 who seek to satisfy the requirements of clause (E) of paragraph
26 (2) of this subsection (c) through accumulation of CPDUs may
27 earn credit ~~At least one half the CPDUs a person must accrue in~~

29 ~~earned~~ through completion of coursework, workshops, seminars,
30 conferences, and other similar training events that are
31 pre-approved by the State Board of Education, in consultation
32 with the State Teacher Certification Board, for the purpose of
33 reflection on teaching practices in order to address all of the

8 (B) Taken together, the activities completed must
9 address each of the Illinois Professional Teaching
10 Standards as provided in clauses (B)(i), (B)(ii), and
11 (B)(iii) of paragraph (2) of this subsection (c).

12 (C) Each activity must be provided by an entity

14 with the State Teacher Certification Board, for this
15 purpose.

16 (D) Each activity, integral to its successful

22 appropriate to the subject matter of the activity.

23 (E) One CPDU shall be available for each hour of direct
24 participation by a holder of an Initial Teaching

28 counted only once.

29 (4) This paragraph (4) applies only to those persons
30 required to successfully complete the requirements of this

2 Sec. 21-7.1. Administrative certificate.

3 (a) After July 1, 1999, an administrative certificate valid
4 for 5 years of supervising and administering in the public
5 common schools (unless changed under subsection (a-5) of this
6 Section) may be issued to persons who have graduated from a
7 regionally accredited institution of higher learning with a
8 master's degree and who have been recommended by a recognized
9 institution of higher learning as having completed a program of
10 preparation for one or more of these endorsements. Such
11 programs of academic and professional preparation required for
12 endorsement shall be administered by the institution in
13 accordance with standards set forth by the State Superintendent
14 of Education in consultation with the State Teacher
15 Certification Board.

16 (a-5) Beginning July 1, 2003, if an administrative
17 certificate holder holds a Standard Teaching Certificate, the
18 validity period of the administrative certificate shall be
19 changed, if necessary, so that the validity period of the
20 administrative certificate coincides with the validity period
21 of the Standard Teaching Certificate. Beginning July 1, 2003,
22 if an administrative certificate holder holds a Master Teaching
23 Certificate, the validity period of the administrative
24 certificate shall be changed so that the validity period of the
25 administrative certificate coincides with the validity period
26 of the Master Teaching Certificate.

27 (b) No administrative certificate shall be issued for the
28 first time after June 30, 1987 and no endorsement provided for
29 by this Section shall be made or affixed to an administrative
30 certificate for the first time after June 30, 1987 unless the
31 person to whom such administrative certificate is to be issued
32 or to whose administrative certificate such endorsement is to
33 be affixed has been required to demonstrate as a part of a

1 program of academic or professional preparation for such
2 certification or endorsement: (i) an understanding of the
3 knowledge called for in establishing productive parent-school
4 relationships and of the procedures fostering the involvement
5 which such relationships demand; and (ii) an understanding of
6 the knowledge required for establishing a high quality school
7 climate and promoting good classroom organization and
8 management, including rules of conduct and instructional
9 procedures appropriate to accomplishing the tasks of
10 schooling; and (iii) a demonstration of the knowledge and
11 skills called for in providing instructional leadership. The
12 standards for demonstrating an understanding of such knowledge
13 shall be set forth by the State Board of Education in
14 consultation with the State Teacher Certification Board, and
15 shall be administered by the recognized institutions of higher
16 learning as part of the programs of academic and professional
17 preparation required for certification and endorsement under
18 this Section. As used in this subsection: "establishing
19 productive parent-school relationships" means the ability to
20 maintain effective communication between parents and school
21 personnel, to encourage parental involvement in schooling, and
22 to motivate school personnel to engage parents in encouraging
23 student achievement, including the development of programs and
24 policies which serve to accomplish this purpose; and
25 "establishing a high quality school climate" means the ability
26 to promote academic achievement, to maintain discipline, to
27 recognize substance abuse problems among students and utilize
28 appropriate law enforcement and other community resources to
29 address these problems, to support teachers and students in
30 their education endeavors, to establish learning objectives
31 and to provide instructional leadership, including the
32 development of policies and programs which serve to accomplish
33 this purpose; and "providing instructional leadership" means
34 the ability to effectively evaluate school personnel, to

1 possess general communication and interpersonal skills, and to
2 establish and maintain appropriate classroom learning
3 environments. The provisions of this subsection shall not apply
4 to or affect the initial issuance or making on or before June
5 30, 1987 of any administrative certificate or endorsement
6 provided for under this Section, nor shall such provisions
7 apply to or affect the renewal after June 30, 1987 of any such
8 certificate or endorsement initially issued or made on or
9 before June 30, 1987.

10 (c) Administrative certificates shall be renewed every 5
11 years with the first renewal being 5 years following the
12 initial receipt of an administrative certificate, unless the
13 validity period for the administrative certificate has been
14 changed under subsection (a-5) of this Section, in which case
15 the certificate shall be renewed at the same time that the
16 Standard or Master Teaching Certificate is renewed.

17 (c-5) Before July 1, 2003, renewal requirements for
18 administrators whose positions require certification shall be
19 based upon evidence of continuing professional education which
20 promotes the following goals: (1) improving administrators'
21 knowledge of instructional practices and administrative
22 procedures; (2) maintaining the basic level of competence
23 required for initial certification; and (3) improving the
24 mastery of skills and knowledge regarding the improvement of
25 teaching performance in clinical settings and assessment of the
26 levels of student performance in their schools. Evidence of
27 continuing professional education must include verification of
28 biennial attendance in a program developed by the Illinois
29 Administrators' Academy and verification of annual
30 participation in a school district approved activity which
31 contributes to continuing professional education.

32 (c-10) Beginning July 1, 2003, except as otherwise provided
33 in subsection (c-15) of this Section, persons holding
34 administrative certificates must follow the certificate

1 renewal procedure set forth in this subsection (c-10), provided
2 that those persons holding administrative certificates on June
3 30, 2003 who are renewing those certificates on or after July
4 1, 2003 shall be issued new administrative certificates valid
5 for 5 years (unless changed under subsection (a-5) of this
6 Section), which may be renewed thereafter as set forth in this
7 subsection (c-10).

17 ~~a regional superintendent of schools must submit this form~~

20 ~~of the certificate. A certificate holder who is a regional~~

22 ~~validation to the State Superintendent of Education (or his~~
23 ~~or her designee) at the time of application for renewal of~~
24 ~~the certificate.~~

25 The certificate holder must complete a verification form
26 developed by the State Board of Education and certify that 100
27 hours of continuing professional development activities and 5
28 Administrators' Academy courses have been completed. ~~(7)~~ The
29 regional superintendent of schools shall review and validate
30 the verification form for a certificate holder. Based on
31 compliance with all of the requirements for renewal, the
32 regional superintendent of schools shall forward a
33 recommendation for renewal or non-renewal to the State
34 Superintendent of Education and shall notify the certificate

1 holder of the recommendation. The State Superintendent of
2 Education shall review the recommendation to renew or non-renew
3 and shall notify, in writing, the certificate holder of a
4 decision denying renewal of his or her certificate. Any
5 decision regarding non-renewal of an administrative
6 certificate may be appealed to the State Teacher Certification
7 Board.

8 The State Board of Education, in consultation with the
9 State Teacher Certification Board, shall adopt rules to
10 implement this subsection (c-10).

11 The regional superintendent of schools shall monitor the
12 process for renewal of administrative certificates established
13 in this subsection (c-10).

14 (c-15) This subsection (c-15) applies to the first period
15 of an administrative certificate's validity during which the
16 holder becomes subject to the requirements of subsection (c-10)
17 of this Section if the certificate has less than 5 years'
18 validity or has less than 5 years' validity remaining when the
19 certificate holder becomes subject to the requirements of
20 subsection (c-10) of this Section. With respect to this period,
21 the 100 hours of continuing professional development and 5
22 activities per validity period specified in clause (A) of
23 ~~paragraph (2) of~~ subsection (c-10) of this Section shall
24 instead be deemed to mean 20 hours of continuing professional
25 development and one activity per year of the certificate's
26 validity or remaining validity and the 30 ~~36~~ continuing
27 professional development hours specified in clause (B) of
28 ~~paragraph (2) of~~ subsection (c-10) of this Section shall
29 instead be deemed to mean completion of at least one course per
30 year of the certificate's validity or remaining validity.
31 Certificate holders who evaluate certified staff must complete
32 a 2-day teacher evaluation course, in addition to the 30
33 continuing professional development hours. ~~If the certificate~~
34 ~~has 3 or fewer years of validity or 3 or fewer years of~~

1 ~~validity remaining, the certificate holder is not subject to~~
2 ~~the requirements for submission and approval of plans for~~
3 ~~continuing professional development described in paragraphs~~
4 ~~(1) through (4) of subsection (c-10) of this Section with~~
5 ~~respect to that period of the certificate's validity.~~

6 (c-20) The State Board of Education, in consultation with
7 the State Teacher Certification Board, shall develop
8 procedures for implementing this Section and shall administer
9 the renewal of administrative certificates. Failure to submit
10 satisfactory evidence of continuing professional education
11 which contributes to promoting the goals of this Section shall
12 result in a loss of administrative certification.

13 (d) Any limited or life supervisory certificate issued
14 prior to July 1, 1968 shall continue to be valid for all
15 administrative and supervisory positions in the public schools
16 for which it is valid as of that date as long as its holder
17 meets the requirements for registration or renewal as set forth
18 in the statutes or until revoked according to law.

19 (e) The administrative or supervisory positions for which
20 the certificate shall be valid shall be determined by one or
21 more of 3 endorsements: general supervisory, general
22 administrative and superintendent.

23 Subject to the provisions of Section 21-1a, endorsements
24 shall be made under conditions set forth in this Section. The
25 State Board of Education shall, in consultation with the State
26 Teacher Certification Board, adopt rules pursuant to the
27 Illinois Administrative Procedure Act, establishing
28 requirements for obtaining administrative certificates where
29 the minimum administrative or supervisory requirements surpass
30 those set forth in this Section.

31 The State Teacher Certification Board shall file with the
32 State Board of Education a written recommendation when
33 considering additional administrative or supervisory
34 requirements. All additional requirements shall be based upon

1 the requisite knowledge necessary to perform those tasks
2 required by the certificate. The State Board of Education shall
3 in consultation with the State Teacher Certification Board,
4 establish standards within its rules which shall include the
5 academic and professional requirements necessary for
6 certification. These standards shall at a minimum contain, but
7 not be limited to, those used by the State Board of Education
8 in determining whether additional knowledge will be required.
9 Additionally, the State Board of Education shall in
10 consultation with the State Teacher Certification Board,
11 establish provisions within its rules whereby any member of the
12 educational community or the public may file a formal written
13 recommendation or inquiry regarding requirements.

14 (1) Until July 1, 2003, the general supervisory
15 endorsement shall be affixed to the administrative
16 certificate of any holder who has at least 16 semester
17 hours of graduate credit in professional education
18 including 8 semester hours of graduate credit in curriculum
19 and research and who has at least 2 years of full-time
20 teaching experience or school service personnel experience
21 in public schools, schools under the supervision of the
22 Department of Corrections, schools under the
23 administration of the Department of Rehabilitation
24 Services, or nonpublic schools meeting the standards
25 established by the State Superintendent of Education or
26 comparable out-of-state recognition standards approved by
27 the State Superintendent of Education.

28 Such endorsement shall be required for supervisors,
29 curriculum directors and for such similar and related
30 positions as determined by the State Superintendent of
31 Education in consultation with the State Teacher
32 Certification Board.

33 (2) The general administrative endorsement shall be
34 affixed to the administrative certificate of any holder who

1 has at least 20 semester hours of graduate credit in
2 educational administration and supervision and who has at
3 least 2 years of full-time teaching experience or school
4 service personnel experience in public schools, schools
5 under the supervision of the Department of Corrections,
6 schools under the administration of the Department of
7 Rehabilitation Services, or nonpublic schools meeting the
8 standards established by the State Superintendent of
9 Education or comparable out-of-state recognition standards
10 approved by the State Superintendent of Education.

11 Such endorsement shall be required for principal,
12 assistant principal, assistant or associate
13 superintendent, junior college dean and for related or
14 similar positions as determined by the State
15 Superintendent of Education in consultation with the State
16 Teacher Certification Board.

17 Notwithstanding any other provisions of this Act,
18 after January 1, 1990 and until January 1, 1991, any
19 teacher employed by a district subject to Article 34 shall
20 be entitled to receive an administrative certificate with a
21 general administrative endorsement affixed thereto if he
22 or she: (i) had at least 3 years of experience as a
23 certified teacher for such district prior to August 1,
24 1985; (ii) obtained a Master's degree prior to August 1,
25 1985; (iii) completed at least 20 hours of graduate credit
26 in education courses (including at least 12 hours in
27 educational administration and supervision) prior to
28 September 1, 1987; and (iv) has received a rating of
29 superior for at least each of the last 5 years. Any person
30 who obtains an administrative certificate with a general
31 administrative endorsement affixed thereto under this
32 paragraph shall not be qualified to serve in any
33 administrative position except assistant principal.

34 (3) The chief school business official endorsement

1 shall be affixed to the administrative certificate of any
2 holder who qualifies by having a Master's degree, two years
3 of administrative experience in school business
4 management, and a minimum of 20 semester hours of graduate
5 credit in a program established by the State Superintendent
6 of Education in consultation with the State Teacher
7 Certification Board for the preparation of school business
8 administrators. Such endorsement shall also be affixed to
9 the administrative certificate of any holder who qualifies
10 by having a Master's Degree in Business Administration,
11 Finance or Accounting from a regionally accredited
12 institution of higher education.

13 After June 30, 1977, such endorsement shall be required
14 for any individual first employed as a chief school
15 business official.

16 (4) The superintendent endorsement shall be affixed to
17 the administrative certificate of any holder who has
18 completed 30 semester hours of graduate credit beyond the
19 master's degree in a program for the preparation of
20 superintendents of schools including 16 semester hours of
21 graduate credit in professional education and who has at
22 least 2 years experience as an administrator or supervisor
23 in the public schools or the State Board of Education or
24 education service regions or in nonpublic schools meeting
25 the standards established by the State Superintendent of
26 Education or comparable out-of-state recognition standards
27 approved by the State Superintendent of Education and holds
28 general supervisory or general administrative endorsement,
29 or who has had 2 years of experience as a supervisor or
30 administrator while holding an all-grade supervisory
31 certificate or a certificate comparable in validity and
32 educational and experience requirements.

33 After June 30, 1968, such endorsement shall be required
34 for a superintendent of schools, except as provided in the

1 second paragraph of this Section and in Section 34-6.

2 Any person appointed to the position of superintendent
3 between the effective date of this Act and June 30, 1993 in
4 a school district organized pursuant to Article 32 with an
5 enrollment of at least 20,000 pupils shall be exempt from
6 the provisions of this paragraph (4) until June 30, 1996.

7 (f) All official interpretations or acts of issuing or
8 denying administrative certificates or endorsements by the
9 State Teacher's Certification Board, State Board of Education
10 or the State Superintendent of Education, from the passage of
11 P.A. 81-1208 on November 8, 1979 through September 24, 1981 are
12 hereby declared valid and legal acts in all respects and
13 further that the purported repeal of the provisions of this
14 Section by P.A. 81-1208 and P.A. 81-1509 is declared null and
15 void.

20 (a) A substitute teacher's certificate may be issued for
21 teaching in all grades of the common schools. Such certificate
22 may be issued upon request of the regional superintendent of
23 schools of any region in which the teacher is to teach. A
24 substitute teacher's certificate is valid for teaching in the
25 public schools of any county. Such certificate may be issued to
26 persons who either (a) hold a certificate valid for teaching in
27 the common schools as shown on the face of the certificate, (b)
28 hold a bachelor of arts degree from an institution of higher
29 learning accredited by the North Central Association or other
30 comparable regional accrediting association or have been
31 graduated from a recognized institution of higher learning with
32 a bachelor's degree, or (c) have had 2 years of teaching
33 experience and meet such other rules and regulations as may be

1 adopted by the State Board of Education in consultation with
2 the State Teacher Certification Board. Such certificate shall
3 expire on June 30 in the fourth year from date of issue.
4 Substitute teacher's certificates are not subject to
5 endorsement as described in Section 21-1b of this Code.

6 (b) A teacher holding a substitute teacher's certificate
7 may teach only in the place of a certified teacher who is under
8 contract with the employing board and may teach only when no

10 substitute capacity. A teacher holding an early childhood
11 certificate, an elementary certificate, a high school
12 certificate, or a special certificate may also substitute teach
13 in grades K-12 but only in the place of a certified teacher who
14 is under contract with the employing board. A substitute
15 teacher may teach only for a period not to exceed 90 paid
16 school days or 450 paid school hours in any one school district
17 in any one school term. However, ~~for the 2001-2002, 2002-2003,~~
18 ~~and 2003-2004 school years,~~ a teacher holding an early
19 childhood, elementary, high school, or special certificate may
20 substitute teach for a period not to exceed 120 paid school

23 partly on an hourly basis, a school day shall be considered as
24 5 hours. The teaching limitations imposed by this subsection
25 upon teachers holding substitute certificates shall not apply
26 in any school district operating under Article 34.

31 Sec. 21-14. Registration and renewal of certificates.

32 (a) A limited four-year certificate or a certificate issued
33 after July 1, 1955, shall be renewable at its expiration or

1 within 60 days thereafter by the county superintendent of
2 schools having supervision and control over the school where
3 the teacher is teaching upon certified evidence of meeting the
4 requirements for renewal as required by this Act and prescribed
5 by the State Board of Education in consultation with the State
6 Teacher Certification Board. An elementary supervisory
7 certificate shall not be renewed at the end of the first
8 four-year period covered by the certificate unless the holder
9 thereof has filed certified evidence with the State Teacher
10 Certification Board that he has a master's degree or that he
11 has earned 8 semester hours of credit in the field of
12 educational administration and supervision in a recognized
13 institution of higher learning. The holder shall continue to
14 earn 8 semester hours of credit each four-year period until
15 such time as he has earned a master's degree.

16 All certificates not renewed or registered as herein
17 provided shall lapse after a period of 5 years from the
18 expiration of the last year of registration. Such certificates
19 may be reinstated for a one year period upon payment of all
20 accumulated registration fees. Such reinstated certificates
21 shall only be renewed: (1) by earning 5 semester hours of
22 credit in a recognized institution of higher learning in the
23 field of professional education or in courses related to the
24 holder's contractual teaching duties; or (2) by presenting
25 evidence of holding a valid regular certificate of some other
26 type. Any certificate may be voluntarily surrendered by the
27 certificate holder. A voluntarily surrendered certificate
28 shall be treated as a revoked certificate.

29 (b) When those teaching certificates issued before
30 February 15, 2000 are renewed for the first time after February
31 15, 2000, all such teaching certificates shall be exchanged for
32 Standard Teaching Certificates as provided in subsection (c) of
33 Section 21-2. All Initial and Standard Teaching Certificates,
34 including those issued to persons who previously held teaching

1 certificates issued before February 15, 2000, shall be
2 renewable under the conditions set forth in this subsection
3 (b).

4 Initial Teaching Certificates ~~are nonrenewable and~~ are
5 valid for 4 years of teaching, as provided in subsection (b) of
6 Section 21-2 of this Code, and are renewable every 4 years
7 until the person completes 4 years of teaching. If the holder
8 of an Initial Certificate has completed 4 years of teaching but
9 has not completed the requirements set forth in paragraph (2)
10 of subsection (c) of Section 21-2 of this Code, then the
11 Initial Certificate may be reinstated for one year, during
12 which the requirements must be met. A holder of an Initial
13 certificate who has not completed 4 years of teaching may
14 continuously register the certificate for additional 4-year
15 periods without penalty. Initial Certificates that are not
16 registered shall lapse consistent with subsection (a) of this
17 Section and may be reinstated only in accordance with
18 subsection (a). Standard Teaching Certificates are renewable
19 every 5 years as provided in subsection (c) of Section 21-2 and
20 subsection (c) of this Section. For purposes of this Section,
21 "teaching" is defined as employment and performance of services
22 in an Illinois public or State-operated elementary school,
23 secondary school, or cooperative or joint agreement with a
24 governing body or board of control, in a certificated teaching
25 position, or a charter school operating in compliance with the
26 Charter Schools Law.

27 (c) In compliance with subsection (c) of Section 21-2 of
28 this Code, which provides that a Standard Teaching Certificate
29 may be renewed by the State Teacher Certification Board based
30 upon proof of continuing professional development, the State
31 Board of Education and the State Teacher Certification Board
32 shall jointly:

33 (1) establish a procedure for renewing Standard
34 Teaching Certificates, which shall include but not be

1 limited to annual timelines for the renewal process and the
2 components set forth in subsections (d) through (k) of this
3 Section;

4 (2) establish the standards for certificate renewal;

5 (3) approve or disapprove the providers of continuing
6 professional development activities;

7 (4) determine the maximum credit for each category of
8 continuing professional development activities, based upon
9 recommendations submitted by a continuing professional
10 development activity task force, which shall consist of 6
11 staff members from the State Board of Education, appointed
12 by the State Superintendent of Education, and 6 teacher
13 representatives, 3 of whom are selected by the Illinois
14 Education Association and 3 of whom are selected by the
15 Illinois Federation of Teachers;

16 (5) designate the type and amount of documentation
17 required to show that continuing professional development
18 activities have been completed; and

19 (6) provide, on a timely basis to all Illinois
20 teachers, certificate holders, regional superintendents of
21 schools, school districts, and others with an interest in
22 continuing professional development, information about the
23 standards and requirements established pursuant to this
24 subsection (c).

25 (d) Any Standard Teaching Certificate held by an individual
26 employed and performing services in an Illinois public or
27 State-operated elementary school, secondary school, or
28 cooperative or joint agreement with a governing body or board
29 of control in a certificated teaching position or a charter
30 school in compliance with the Charter Schools Law must be
31 maintained Valid and Active through certificate renewal
32 activities specified in the certificate renewal procedure
33 established pursuant to subsection (c) of this Section,
34 provided that a holder of a Valid and Active certificate who is

1 only employed on either a part-time basis or day-to-day basis
2 as a substitute teacher shall pay only the required
3 registration fee to renew his or her certificate and maintain
4 it as Valid and Active. All other Standard Teaching
5 Certificates held may be maintained as Valid and Exempt through
6 the registration process provided for in the certificate
7 renewal procedure established pursuant to subsection (c) of
8 this Section. A Valid and Exempt certificate must be
9 immediately activated, through procedures developed jointly by
10 the State Board of Education and the State Teacher
11 Certification Board, upon the certificate holder becoming
12 employed and performing services in an Illinois public or
13 State-operated elementary school, secondary school, or
14 cooperative or joint agreement with a governing body or board
15 of control in a certificated teaching position or a charter
16 school operating in compliance with the Charter Schools Law. A
17 holder of a Valid and Exempt certificate may activate his or
18 her certificate through procedures provided for in the
19 certificate renewal procedure established pursuant to
20 subsection (c) of this Section.

21 (e)(1) A Standard Teaching Certificate that has been
22 maintained as Valid and Active for the 5 years of the
23 certificate's validity shall be renewed as Valid and Active
24 upon the certificate holder: (i) completing an advanced degree
25 from an approved institution in an education-related field;
26 (ii) completing at least 8 semester hours of coursework as
27 described in subdivision (B) of paragraph (3) of this
28 subsection (e); (iii) earning at least 24 continuing education
29 units as described in subdivision (C) of paragraph (3) of this
30 subsection (e); (iv) completing the National Board for
31 Professional Teaching Standards process as described in
32 subdivision (D) of paragraph (3) of this subsection (e); or (v)
33 earning 120 continuing professional development units ("CPDU")
34 as described in subdivision (E) of paragraph (3) of this

1 subsection (e). The maximum continuing professional
2 development units for each continuing professional development
3 activity identified in subdivisions (F) through (J) of
4 paragraph (3) of this subsection (e) shall be jointly
5 determined by the State Board of Education and the State
6 Teacher Certification Board. If, however, the certificate
7 holder has maintained the certificate as Valid and Exempt for a
8 portion of the 5-year period of validity, the number of
9 continuing professional development units needed to renew the
10 certificate as Valid and Active shall be proportionately
11 reduced by the amount of time the certificate was Valid and
12 Exempt. Furthermore, if a certificate holder is employed and
13 performs teaching services on a part-time basis for all or a
14 portion of the certificate's 5-year period of validity, the
15 number of continuing professional development units needed to
16 renew the certificate as Valid and Active shall be reduced by
17 50% for the amount of time the certificate holder has been
18 employed and performed teaching services on a part-time basis.
19 Part-time shall be defined as less than 50% of the school day
20 or school term.

21 Notwithstanding any other requirements to the contrary, if
22 a Standard Teaching Certificate has been maintained as Valid
23 and Active for the 5 years of the certificate's validity and
24 the certificate holder has completed his or her certificate
25 renewal plan before July 1, 2002, the certificate shall be
26 renewed as Valid and Active.
