

1 AN ACT relating to facility planning areas.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 1. Short title. This Act may be cited as the
5 Facility Planning Area Rules Act.

6 Section 5. Definitions. For the purposes of this Act:

7 "Facility planning area" means an area as defined in
8 paragraph 2.33 of the Illinois Water Quality Management Plan.

9 "Resource protection plan" is any plan adopted by a
10 public agency that includes goals, policies, strategies, and
11 procedures for preserving key farmland, natural areas,
12 cultural resources, or aquatic resources.

13 Section 10. Rules. Within one year of the enactment of
14 this Act, the Illinois Environmental Protection Agency shall
15 propose rules related to facilities planning that take into
16 account the findings and recommendations of (1) its Facility
17 Planning Area Stakeholder Group and (2) studies of the
18 facilities planning area program, including those findings
19 and recommendations related to: nonpoint source pollution
20 management, construction site runoff, urban runoff,
21 consistency with antidegradation regulations, alternatives
22 analysis, interagency coordination, alternative dispute
23 resolution, and consistency with local, county, and regional
24 land use plans and resource protection plans.

25 Section 90. Repealer. This Act is repealed on January
26 1, 2007.

27 Section 99. Effective date. This Act takes effect upon
28 becoming law.
