

1 AN ACT concerning townships.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Township Code is amended by changing
5 Section 110-30 as follows:

6 (60 ILCS 1/110-30)

7 Sec. 110-30. Enforcement of ordinance or resolution. All
8 ordinances or resolutions adopted under this Article shall be
9 enforced by an officer of the township designated by
10 ordinance or resolution. The ordinance or resolution may
11 require that for any class or classes of districts created by
12 it, applications be made for permits to erect buildings or
13 structures or to alter or remodel existing buildings or
14 structures. The ordinance or resolution may vest in the
15 officer designated to enforce it the power to make orders,
16 requirements, decisions, and determinations with respect to
17 the enforcement of the terms of the ordinance or resolution.

18 The officer is authorized to issue and serve upon any
19 person that the officer has reasonable grounds to believe is
20 guilty of a violation of a zoning code or building code a
21 stop order requiring that person to cease construction until
22 a release is obtained from the county building and zoning
23 commission. A copy of the stop order must be forwarded to the
24 building and zoning commission that has jurisdiction over the
25 township where the violation is alleged to have been
26 committed. The officer has the same power and authority
27 within the township as an inspector of building codes and
28 zoning, as authorized by the township board and the zoning
29 authority that has jurisdiction over the township.
