2 identified in subsection (a) of this Section, based on
3 available housing resources.

4 (2) To coordinate all State policies and funding

31 allocation of available housing resources to make it possible
32 to prioritize the development of housing for underserved
33 populations in accordance with the annual comprehensive

1 housing plan. The purpose of the Initiative shall also be to
2 further the goal set forth by the U.S. Supreme Court in the
3 case of *Olmstead v. L.C. ex rel. Zimring* (119 S. Ct. 2176) by
4 providing housing for disabled persons in their own homes or
5 in community-based settings.

6 (b) At least once per year, or as often as appropriate,
7 the Governor or his or her designee shall issue a request for
8 proposals or request for qualifications announcing the
9 number, type, and location of housing units to be constructed
10 and rehabilitated for the priority populations identified in
11 subsection (a) of Section 5, based on available resources.
12 The request for proposals or request for qualifications shall
13 include, but not be limited to:

24 and selected respondents.

25 (c) Funding decisions in response to the request for
26 proposals or qualifications shall be made by a committee of
27 qualified staff from the Illinois Housing Development
