- 1 AN ACT concerning vaccinations in health facilities.
- Be it enacted by the People of the State of Illinois, 2
- 3 represented in the General Assembly:
- Section 5. The Life Care Facilities Act is amended by 4
- adding Section 10.1 as follows: 5
- 6 (210 ILCS 40/10.1 new)
- 7 Sec. 10.1. Vaccinations.
- 8 (a) A facility shall annually administer a vaccination
- 9 against influenza to each resident, in accordance with the
- recommendations of the Advisory Committee on Immunization 10
- Practices of the Centers for Disease Control and Prevention 11
- 12 that are most recent to the time of vaccination, unless the
- 13 vaccination is medically contraindicated or the resident has
- refused the vaccine. Influenza vaccinations for all residents 14
- age 65 and over shall be completed by November 30 of each 15
- year or as soon as practicable if vaccine supplies are not 16
- available before November 1. Residents admitted after 17
- November 30, during the flu season, and until February 1 18
- vaccination prior to or upon admission or as soon as

shall, as medically appropriate, receive an influenza

- practicable if vaccine supplies are not available at the time 21
- of the admission, unless the vaccine is medically 22
- contraindicated or the resident has refused the vaccine. In 23
- the event that the Advisory Committee on Immunization 24
- Practices of the Centers for Disease Control and Prevention 25
- determines that dates of administration other than those 26
- stated in this Act are optimal to protect the health of 2.7
- residents, the Department is authorized to develop rules to 28
- mandate vaccinations at those times rather than the times 29
- stated in this Act. A facility shall document in the 30
- 31 resident's medical record that an annual vaccination against

- influenza was administered, refused or medically 1
- 2 contraindicated.
- (b) A facility shall provide or arrange for 3
- 4 administration of a pneumococcal vaccination to each resident
- who is age 65 and over, in accordance with the 5
- recommendations of the Advisory Committee on Immunization 6
- Practices of the Centers for Disease Control and Prevention, 7
- who has not received this immunization prior to or upon 8
- 9 admission to the facility, unless the resident refuses the
- offer for vaccination or the vaccination is medically 10
- contraindicated. A facility shall document in each resident's 11
- medical record that a vaccination against pneumococcal 12
- pneumonia was offered and administered, refused, or medically 13
- contraindicated. 14
- 15 Section 10. The Nursing Home Care Act is amended by
- changing Section 2-213 as follows: 16
- 17 (210 ILCS 45/2-213)

24

- Sec. 2-213. <u>Vaccinations</u>. 18
- (a) A facility shall annually administer a vaccination 19
- against influenza to each resident, in accordance with the 20
- recommendations of the Advisory Committee on Immunization 21
- Practices of the Centers for Disease Control and Prevention 22
- that are most recent to the time of vaccination, unless the
- refused the vaccine. Influenza vaccinations for all residents 25

vaccination is medically contraindicated or the resident has

- age 65 and over shall be completed by November 30 of each 26
- 27 year or as soon as practicable if vaccine supplies are not
- available before November 1. Residents admitted after 28
- November 30, during the flu season, and until February 1 29
- shall, as medically appropriate, receive an influenza 30
- vaccination prior to or upon admission or as soon as 31
- 32 practicable if vaccine supplies are not available at the time

- 1 of the admission, unless the vaccine is medically 2 contraindicated or the resident has refused the vaccine. In 3 the event that the Advisory Committee on Immunization 4 Practices of the Centers for Disease Control and Prevention determines that dates of administration other than those 5 stated in this Act are optimal to protect the health of 6 residents, the Department is authorized to develop rules to 7 8 mandate vaccinations at those times rather than the times 9 stated in this Act. A facility shall document in the 10 resident's medical record that an annual vaccination against influenza was administered, refused or medically 11 12 contraindicated. (b) A facility shall provide or arrange for 13 administration of a pneumococcal vaccination to each resident 14 who is age 65 and over, in accordance with the 15 recommendations of the Advisory Committee on Immunization 16 Practices of the Centers for Disease Control and Prevention, 17 who has not received this immunization prior to or upon 18 admission to the facility, unless the resident refuses the 19 offer for vaccination or the vaccination is medically 20 contraindicated. A facility shall document in each resident's 2.1 22 medical record that a vaccination against pneumococcal 23 pneumonia was offered and administered, refused, or medically Pneumonia--shots----Before--a--prospective 24 contraindicated. 25 resident's-admission-to-a-facility-the-facility-shall--advise the--prospective-resident-to-consult-a-physician-to-determine 26
- 28 against-pneumococcal-pneumonia.
