19 Notwithstanding any provision of the law to the contrary,  
20 the General Assembly hereby authorizes the use of such funds  
21 for the purposes set forth in this Section.

22 These provisions do not apply to funds classified by the  
23 Comptroller as federal trust funds or State trust funds. The  
24 Audit Expense Fund may receive transfers from those trust  
25 funds only as directed herein, except where prohibited by the  
26 terms of the trust fund agreement. The Auditor General shall  
27 notify the trustees of those funds of the estimated cost of  
28 the audit to be incurred under the Illinois State Auditing  
29 Act for the fund. The trustees of those funds shall direct  
30 the State Comptroller and Treasurer to transfer the estimated  
31 amount to the Audit Expense Fund.

32 The Auditor General may bill entities that are not  
33 subject to the above transfer provisions, including private  
34 entities, related organizations and entities whose funds are

1 locally-held, for the cost of audits, studies, and  
2 investigations incurred on their behalf. Any revenues  
3 received under this provision shall be deposited into the  
4 Audit Expense Fund.

5 In the event that moneys on deposit in any fund are  
6 unavailable, by reason of deficiency or any other reason  
7 preventing their lawful transfer, the State Comptroller shall  
8 order transferred and the State Treasurer shall transfer the  
9 amount deficient or otherwise unavailable from the General  
10 Revenue Fund for deposit into the Audit Expense Fund.

11 On or before December 1, 1992, and each December 1  
12 thereafter, the Auditor General shall notify the Bureau of  
13 the Budget of the amount estimated to be necessary to pay for  
14 audits, studies, and investigations in accordance with the  
15 Illinois State Auditing Act during the next succeeding fiscal  
16 year for each State fund for which a transfer or  
17 reimbursement is anticipated.

18 Beginning with fiscal year 1994 and during each fiscal  
19 year thereafter, the Auditor General may direct the State  
20 Comptroller and Treasurer to transfer moneys from funds  
21 authorized by the General Assembly for that fund. In the  
22 event funds, including federal and State trust funds but  
23 excluding the General Revenue Fund, are transferred, during  
24 fiscal year 1994 and during each fiscal year thereafter, in  
25 excess of the amount to pay actual costs attributable to  
26 audits, studies, and investigations as permitted or required  
27 by the Illinois State Auditing Act or specific action of the  
28 General Assembly, the Auditor General shall, on September 30,  
29 or as soon thereafter as is practicable, direct the State  
30 Comptroller and Treasurer to transfer the excess amount back  
31 to the fund from which it was originally transferred.
