

1 HOUSE JOINT RESOLUTION

2 WHEREAS, The percentage of Illinoisians without health
3 care coverage has generally been rising for the last 15 years,
4 growing from 9.7% in 1987 to 14.1% in 2002 and nationally the
5 proportion of the population that is uninsured grew by 17.8%
6 between 1987 and 2002, but it grew by 45.5% in Illinois; and

7 WHEREAS, Residents of rural areas face a difficult time in
8 accessing health care due to geographic isolation, lack of
9 transportation, economic disparity, and seasonal challenges
10 which create obstacles for rural health care consumers; and

11 WHEREAS, More than 20% of the U.S. population, over 65
12 million people, live in rural areas, and yet, only 9% of
13 physicians practice in rural areas; and

14 WHEREAS, Rural health care providers face financial
15 barriers, including lower wages and reimbursement rates
16 compared to urban counterparts, lower patient volumes, and
17 fewer economies of scale; and

18 WHEREAS, The elderly are disproportionately represented in
19 rural areas, with approximately 18.4% of all rural residents
20 being elderly, and Medicare is the dominant source of health
21 care reimbursements for rural hospitals, accounting for
22 approximately 47% of patient care in rural areas, compared to
23 36% in urban areas; and

24 WHEREAS, In rural areas persons with disabilities and
25 others who need specialized care must overcome the added
26 difficulties of lack of public transportation, long distance to
27 health care providers, and limited support services;
28 therefore, be it

29 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE
