- Sec. 9-127. (a) Except as provided in <u>subsections</u>
- 16 subsection (b) and (c) and in cases where the deed, or other
- 17 instrument, dedicating a highway or part thereof, has
- 18 expressly provided for a specific devolution of the title

thereto upon the abandonment or vacation thereof, whenever

- 20 any highway or any part thereof is vacated under or by virtue

- 22 authorized to vacate the highway, the title to the land
- included within the highway or part thereof so vacated, vests
- in the then owners of the land abutting thereon, in the same
- 25 proportions and to the same extent, as though the highway had
- 26 been dedicated by a common law plat (as distinguished from a
- 27 statutory plat) and as though the fee of the highway had been
- 28 acquired by the owners as a part of the land abutting on the

- 9 as to be able to receive, hold and convey real property, (2)
- 10 has petitioned the highway authority for the vacation of the

- 12 use and benefit of the public. If the association abandons
- 13 the property, it passes as provided in subsection (a).
- (c) When any highway authority determines to vacate a
- 15 <u>highway or part of a highway under its jurisdiction</u>
- 16 <u>established within a subdivision by a statutory plat, that</u>
- 17 <u>authority may vacate the highway and convey the highway</u>

- 19 <u>district which (1) has petitioned the highway authority for</u>
- 20 the vacation of the highway and (2) undertakes to develop the
- 21 property as a bike path or alley for the use and benefit of
- 22 <u>the public. If the property is subsequently incorporated</u>
- 23 <u>within a municipality, the township road district may</u>
- 24 <u>transfer its interest to the municipality</u>. If the township
- 25 <u>road district or municipality abandons the property, it</u>
- 26 <u>passes as provided in subsection (a).</u>
