

1                                    AMENDMENT TO SENATE BILL 1373

2            AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1373 on page 1,  
3 line 16, after the period, by inserting the following:

4            "With respect to new construction only, the assessor or  
5            multi-township assessor in counties with 600,000 or more but  
6            no more than 700,000 inhabitants may supplement the initial  
7            roll with parcel valuation changes for new construction after  
8            the October 15 deadline and until November 15 by submitting  
9            requests to the board of review. The board of review shall  
10           send the taxpayer of record a notice of assessment change,  
11           stating the reason for the valuation change, and schedule a  
12           hearing on the increased assessment."
