2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 1. Short title. This Act may be cited as the
5 Taxing District Tax Levy Validation (2003) Act.

6 Section 5. Appropriation ordinances, associated tax levy
7 ordinances, and taxes validated. In all cases where a taxing
8 district has during one or more of the years 1989, 1990,
9 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000,
10 2001, and 2002 within the time required by law adopted annual
11 appropriation ordinances for fiscal years beginning in 1990,
12 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000,
13 2001, 2002, or 2003, as the case may be, thereafter the
14 ordinances were published in a newspaper as provided by law,
15 and subsequently in that year, within the time required by
16 law, the taxing district adopted tax levy ordinances based
17 upon the appropriation ordinances for these fiscal years for
18 corporate purposes, or any other proper purpose, and a
19 certified copy of the tax levy ordinances was duly filed with
20 the county clerk of the county in which the districts are
21 located, then those appropriation ordinances and tax levy
22 ordinances and the taxes assessed, levied, and extended
23 thereon, are hereby validated, notwithstanding that the
24 several amounts and purposes for which the appropriations
25 were made and taxes levied for corporate purposes, or any
26 other proper purpose, were not specifically itemized in
27 detail, as required by statute, and notwithstanding that in
28 the appropriation or levy ordinances stated amounts of money
29 are appropriated and levied for named public purposes, and
30 general language is used that renders the amounts for such
31 purposes uncertain and illegal, or the purposes for which the

1 amounts are appropriated and levied uncertain and illegal.
2 Nothing contained in this Section shall be construed as
3 validating any tax levy in excess of the statutory rate of
4 taxation authorized for the fiscal year or for any purpose
5 not permitted by the constitution.

6 Section 10. Tax levy ordinances, associated appropriation
7 ordinances, and taxes validated. In all cases where a taxing
8 district adopted, within the time required by law, tax levy
9 ordinances in one or more of the years 1989, 1990, 1991,
10 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001,
11 and 2002 for corporate purposes, or any other proper purpose,
12 and filed, within the time required by law, a certified copy
13 with the county clerk of the county in which the district is
14 located, and thereafter adopted and published appropriation
15 ordinances, within the time required by law, appropriating
16 sums required to defray all necessary expenses and
17 liabilities of the district to be paid or incurred during the
18 fiscal years commencing in 1990, 1991, 1992, 1993, 1994,
19 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, or 2003, as
20 the case may be, including those sums which were raised by
21 the 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997,
22 1998, 1999, 2000, 2001, or 2002 tax levies, as the case may
23 be, then those tax levy ordinances, together with the taxes
24 assessed, levied, and extended, and the appropriation
25 ordinances are validated, notwithstanding that the several
26 amounts and purposes for which the taxes were levied and
27 appropriations made for corporate purposes, or any other
28 proper purpose, were not specifically itemized in detail, as
29 required by statute, and notwithstanding that in the levy or
30 appropriation ordinance stated amounts of money were levied
31 and appropriated for named public purposes and general
32 language was used that renders the amounts for such purposes
33 uncertain and illegal, or the purposes for which the amounts

1 were levied and appropriated uncertain and illegal. Nothing
 2 contained in this Section shall be construed as validating
 3 any tax levy in excess of the statutory rate of taxation
 4 authorized for the fiscal year or for any purpose not
 5 permitted by the constitution.
