1 AN ACT concerning accessible electronic information.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- 4 Section 1. Short title. This Act may be cited as the
- 5 Accessible Electronic Information Act.
- Section 5. Legislative findings. The Legislature finds and declares all of the following:
- 8 (a) Thousands of citizens in this State have disabilities 9 (including blindness or visual impairment) that prevent them 10 from using conventional print material.
 - (b) The State fulfills an important responsibility by providing books and magazines prepared in Braille, audio, and large-type formats made available to eligible blind and disabled persons.
 - (c) The technology, transcription methods, and means of distribution used for these materials are labor-intensive and cannot support rapid dissemination to individuals in rural and urban areas throughout the State.
- 19 (d) Lack of direct and prompt access to information 20 included in newspapers, magazines, newsletters, schedules, 21 announcements, and other time-sensitive materials limits 22 educational opportunities, literacy, and full participation in 23 society by blind and disabled persons.
- 24 Section 10. Definitions. As used in this Act:
- 25 "Accessible electronic information service" means news and 26 other timely information (including newspapers) provided to 27 eligible individuals from a multi-state service center, using 28 high-speed computers and telecommunications technology for 29 interstate acquisition of content and rapid distribution in a 30 form appropriate for use by such individuals.
- "Blind and disabled persons" means those individuals who

- 1 are eligible for library loan services through the Library of
- 2 Congress and the State Library for the Blind and Physically
- 3 Handicapped pursuant to 36 CFR 701.10(b).
- 4 "Director" means the State Librarian.
- 5 "Qualified entity" means an agency, instrumentality, or
- 6 political subdivision of the State or a nonprofit organization
- 7 that:
- 8 (1) provides interstate access for eligible persons to
- 9 read daily newspapers by producing audio editions by
- 10 computer; and
- 11 (2) provides a means of program administration and
- reader registration on the Internet.
- 13 Section 15. Accessible electronic information service
- 14 program. The Director by rule shall develop and implement a
- 15 program of grants to qualified entities for the provision of
- 16 accessible electronic information service to blind and
- 17 disabled persons throughout Illinois. The grants shall be
- 18 funded through appropriations from the Accessible Electronic
- 19 Information Service Fund established in Section 20.
- 20 Section 20. Accessible Electronic Information Service
- 21 Fund.
- 22 (a) Before July 1 of each year, the Illinois Commerce
- 23 Commission, in consultation with the Director, shall determine
- 24 the amount of funding necessary to support the program
- described in Section 15 during the next fiscal year and shall
- 26 certify that amount to the State Treasurer.
- 27 (b) Each month, the State Treasurer shall transfer 1/12th
- of the amount determined under subsection (a) from the Digital
- 29 Divide Elimination Infrastructure Fund into the Accessible
- 30 Electronic Information Service Fund, a special fund created in
- 31 the State treasury that may be appropriated only for the
- 32 purposes of this Act. If moneys in the Digital Divide
- 33 Elimination Infrastructure Fund are insufficient to meet the
- 34 transfer requirements of this subsection, the Illinois

- 1 Commerce Commission shall direct the Illinois
- 2 Telecommunications Access Corporation, or its successor, to
- 3 remit the amount of any insufficiency to the Director for
- 4 deposit into the Accessible Electronic Information Service
- 5 Fund from surcharges collected by the Corporation, or its
- 6 successor, under Section 13-703 of the Public Utilities Act.
- 7 Section 90. The State Finance Act is amended by adding
- 8 Section 5.625 as follows:
- 9 (30 ILCS 105/5.625 new)
- 10 Sec. 5.625. The Accessible Electronic Information Service
- Fund.
- 12 Section 95. The Public Utilities Act is amended by changing
- 13 Section 13-301.3 as follows:
- 14 (220 ILCS 5/13-301.3)
- 15 (Section scheduled to be repealed on July 1, 2005)
- Sec. 13-301.3. Digital Divide Elimination Infrastructure
- 17 Program.
- 18 (a) The Digital Divide Elimination Infrastructure Fund is
- 19 created as a special fund in the State treasury. All moneys in
- 20 the Fund shall be used, subject to appropriation, by the
- 21 Commission to fund (i) the construction of facilities specified
- 22 in Commission rules adopted under this Section <u>and (ii) the</u>
- 23 <u>accessible electronic information program, as provided in</u>
- 24 <u>Section 20 of the Accessible Electronic Information Act</u>. The
- 25 Commission may accept private and public funds, including
- federal funds, for deposit into the Fund. Earnings attributable
- 27 to moneys in the Fund shall be deposited into the Fund.
- 28 (b) The Commission shall adopt rules under which it will
- 29 make grants out of funds appropriated from the Digital Divide
- 30 Elimination Infrastructure Fund to eligible entities as
- 31 specified in the rules for the construction of high-speed data
- 32 transmission facilities in eligible areas of the State. For

1 purposes of determining whether an area is an eligible area, 2 the Commission shall consider, among other things, whether (i) in such area, advanced telecommunications services, as defined 3 in subsection (c) of Section 13-517 of this Act, 4 5 under-provided to residential or small business end users, 6 either directly or indirectly through an Internet Service Provider, (ii) such area has a low population density, and 7 8 (iii) such area has not yet developed a competitive market for 9 advanced services. In addition, if an entity seeking a grant of funds from the Digital Divide Elimination Infrastructure Fund 10 11 is an incumbent local exchange carrier having the duty to serve 12 such area, and the obligation to provide advanced services to 13 such area pursuant to Section 13-517 of this Act, the entity shall demonstrate that it has sought and obtained an exemption 14 15 from such obligation pursuant to subsection (b) of Section 16 13-517. Any entity seeking a grant of funds from the Digital 17 Divide Elimination Infrastructure Fund shall demonstrate to the Commission that the grant shall be used for 18 19 construction of high-speed data transmission facilities in an 20 eligible area and demonstrate that it satisfies all other requirements of the Commission's rules. The Commission shall 21 22 determine the information that it deems necessary to award 23 grants pursuant to this Section.

- (c) The rules of the Commission shall provide for the competitive selection of recipients of grant funds available from the Digital Divide Elimination Infrastructure Fund pursuant to the Illinois Procurement Code. Grants shall be awarded to bidders chosen on the basis of the criteria established in such rules.
- (d) All entities awarded grant moneys under this Section shall maintain all records required by Commission rule for the period of time specified in the rules. Such records shall be subject to audit by the Commission, by any auditor appointed by the State, or by any State officer authorized to conduct audits.
