AN ACT concerning health.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 1. Short title. This Act may be cited as the
Construction Site Temporary Restroom Facility Act.

Section 5. Legislative finding. It has been established by 6 7 scientific evidence that improper plumbing can result in the 8 introduction of pathogenic organisms into the potable water supply, result in the escape of toxic gases 9 into the environment, and result in potentially lethal disease and 10 epidemic. It is further found that minimum numbers of plumbing 11 facilities and fixtures are necessary for the comfort and 12 convenience of workers and persons in public places. 13

14 Section 10. Temporary restroom facility. The owner or the 15 owner's representative of a temporary building or building under construction, that is not yet occupied for its intended 16 17 purpose, shall ensure that employees working on the 18 construction site have access to restroom facilities which meet the following requirements: 19

20 (1) Toileting facilities shall be enclosed and
21 discharged into a sanitary sewer. In lieu of connecting to
22 a sewer, the sanitary facility may be a portable, enclosed,
23 chemically-treated tank-tight unit.

(2) If individual portable units are used, separate
toileting facilities are not required for males and
females. Toileting facilities shall be provided based on
the Occupational Safety and Health Administration
construction sanitation standards, which are as follows:

29 (A) For 20 employees or less, one toilet facility30 shall be provided.

(B) For 20 employees or more, one toilet facility
