or the relocation of an existing dealer or franchise within 2 miles of the relocating dealer's or franchisee's existing location, shall not be construed as a grant, establishment or the entering into of an additional franchise or selling agreement, or a relocation of an existing franchise. The reopening of a motor vehicle dealership that has not been in operation for 18 months or more shall be deemed the grant of an additional franchise or selling agreement.

- C. This Section does not apply to the relocation of an existing dealership or franchise in a county having a population of more than 300,000 persons when the new is within the dealer's current relevant location market area, provided the new location is more than 7 miles from the nearest dealer of the same line make. This Section does not apply to the relocation of an existing dealership or franchise in a county having a population of less than 300,000 persons when the new location is within the dealer's current relevant market area, provided the new location is more than 12 miles from the nearest dealer of the same line make. A dealer that would be farther away from the new location of an existing dealership or franchise of the same line make after a relocation may not file a written protest against the relocation with the Motor Vehicle Review Board.
- D. Nothing in this Section shall be construed to prevent a franchiser from implementing affirmative action programs providing business opportunities for minorities or from complying with applicable federal, State or local law;
- (9) to require a motor vehicle dealer to assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability imposed by this Act;
 - (10) to prevent or refuse to give effect to the

succession to the ownership or management control of a dealership by any legatee under the will of a dealer or to an heir under the laws of descent and distribution of this State unless the franchisee has designated a successor to the ownership or management control under the succession provisions of the franchise. Unless the franchiser, having the burden of proof, proves that the successor is a person who is not of good moral character or does not meet the franchiser's existing and reasonable capital standards and, with consideration given to the volume of sales and service of the dealership, uniformly applied minimum business experience standards in the market area, any designated successor of a dealer or franchisee may succeed to the ownership or management control of a dealership under the existing franchise if:

- (i) The designated successor gives the franchiser written notice by certified mail, return receipt requested, of his or her intention to succeed to the ownership of the dealer within 60 days of the dealer's death or incapacity; and
- (ii) The designated successor agrees to be bound by all the terms and conditions of the existing franchise.

Notwithstanding the foregoing, in the event the motor vehicle dealer or franchisee and manufacturer have duly executed an agreement concerning succession rights prior to the dealer's death or incapacitation, the agreement shall be observed.

(A) If the franchiser intends to refuse to honor the successor to the ownership of a deceased or incapacitated dealer or franchisee under an existing franchise agreement, the franchiser shall send a letter by certified mail, return receipt requested, to the designated successor within 60 days from receipt of a proposal advising of its intent to refuse to honor the succession and to discontinue the existing

franchise agreement and shall state that the designated successor only has 30 days from the receipt of the notice to file with the Motor Vehicle Review Board a written protest against the proposed action. The notice shall set forth the specific grounds for the refusal to honor the succession and discontinue the existing franchise agreement.

If notice of refusal is not timely served upon the designated successor, the franchise agreement shall continue in effect subject to termination only as otherwise permitted by paragraph (6) of subsection (d) of Section 4 of this Act.

Within 30 days from the date the notice was received by the designated successor or any other person entitled to notice, the designee or other person may file with the Board a written protest against the proposed action.

When a protest has been timely filed, the Board shall enter an order, fixing a date (within 60 days of the date of the order), time, and place of a hearing on the protest, required under Sections 12 and 29 of this Act, and send by certified mail, return receipt requested, a copy of the order to the franchiser that filed the notice of intention of the proposed action and to the protesting designee or such other person.

The manufacturer shall have the burden of proof to establish that good cause exists to refuse to honor the succession and discontinue the existing franchise agreement. The determination whether good cause exists to refuse to honor the succession shall be made by the Board under subdivision (B) of this paragraph (10). The manufacturer shall not refuse to honor the succession or discontinue the existing franchise agreement before the hearing process is concluded as prescribed by this Act, and thereafter if the Board determines that it has failed to meet its burden of proof and that good cause

does not exist to refuse to honor the succession and discontinue the existing franchise agreement.

- (B) No manufacturer shall impose any conditions upon honoring the succession and continuing existing franchise agreement with the designated successor other than that the franchisee designated a successor to the ownership or management control under the succession provisions of franchise, or that the designated successor is of good moral character or meets the reasonable capital standards and, with consideration given to the volume of sales and service of the dealership, uniformly applied minimum business experience standards in the market area;
- (11) to prevent or refuse to approve a proposal to establish a successor franchise at a location previously approved by the franchiser when submitted with the voluntary termination by the existing franchisee unless the successor franchisee would not otherwise qualify for a new motor vehicle dealer's license under the Illinois Vehicle Code or unless the franchiser, having the burden of proof, proves that such proposed successor is not of good moral character or does not meet the franchiser's existing and reasonable capital standards and, with consideration given to the volume of sales and service of the dealership, uniformly applied minimum business experience standards in the market area. However, when such a rejection of a proposal is made, the manufacturer shall give written notice of its reasons to the franchisee within 60 days of receipt by the manufacturer of the proposal. However, nothing herein shall be construed to prevent a franchiser from implementing affirmative action programs providing business opportunities for minorities, or from complying with applicable federal, State or local law;
