

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Central Management Services
5 Law of the Civil Administrative Code of Illinois is amended by
6 changing Sections 405-5 and 405-270 as follows:

7 (20 ILCS 405/405-5) (was 20 ILCS 405/35.2)

8 Sec. 405-5. Definitions.

9 (a) In this Law:

10 "Department" means the Department of Central Management
11 Services.

12 "Director" means the Director of Central Management
13 Services.

14 (b) In paragraphs (1) and (2) of Section 405-10 and in
15 Section 405-15, "State agency", whether used in the singular or
16 plural, means all departments, officers, commissions, boards,
17 institutions, and bodies politic and corporate of the State,
18 ~~including the offices of clerk of the supreme court and clerks~~
19 ~~of the appellate courts.~~ The term, however, does not mean the
20 judicial branch, including, without limitation, the several
21 courts of the State, the offices of the clerk of the supreme
22 court and the clerks of the appellate court, and the
23 Administrative Office of the Illinois Courts, nor does it mean
24 the legislature or its committees or commissions.

26 (20 ILCS 405/405-270) (was 20 ILCS 405/67.18)

27 Sec. 405-270. Telecommunications services. To provide for
28 and co-ordinate telecommunications services for State agencies
29 and, when requested and when in the best interests of the
30 State, for units of federal or local governments and public and
31 not-for-profit institutions of primary, secondary, and higher

1 education. The Department may make use of its satellite uplink
2 available to interested parties not associated with State
3 government provided that State government usage shall have
4 first priority. For this purpose the Department shall have the
5 power and duty to do all of the following:

6 (1) Provide for and control the procurement,
7 retention, installation, and maintenance of
8 telecommunications equipment or services used by State
9 agencies in the interest of efficiency and economy.

10 (2) Establish standards by January 1, 1989 for
11 communications services for State agencies which shall
12 include a minimum of one telecommunication device for the
13 deaf installed and operational within each State agency, to
14 provide public access to agency information for those
15 persons who are hearing or speech impaired. The Department
16 shall consult the Department of Human Services to develop
17 standards and implementation for this equipment.

18 (3) Establish charges (i) for communication services
19 for State agencies and, when requested, for units of
20 federal or local government and public and not-for-profit
21 institutions of primary, secondary, or higher education
22 and (ii) for use of the Department's satellite uplink by
23 parties not associated with State government. Entities
24 charged for these services shall reimburse the Department
25 by vouchers drawn against their respective appropriations
26 for telecommunications services.

27 (4) Instruct all State agencies to report their usage
28 of telecommunication services regularly to the Department
29 in the manner the Director may prescribe.

30 (5) Analyze the present and future aims and needs of
31 all State agencies in the area of telecommunications
32 services and plan to serve those aims and needs in the most
33 effective and efficient manner.

34 (6) Establish the administrative organization within
35 the Department that is required to accomplish the purpose
36 of this Section.

1 The Department is authorized to conduct a study for the
2 purpose of determining technical, engineering, and management
3 specifications for the networking, compatible connection, or
4 shared use of existing and future public and private owned
5 television broadcast and reception facilities, including but
6 not limited to terrestrial microwave, fiber optic, and
7 satellite, for broadcast and reception of educational,
8 governmental, and business programs, and to implement those
9 specifications.

10 However, the Department may not control or interfere with
11 the input of content into the telecommunications systems by the
12 several State agencies or units of federal or local government,
13 or public or not-for-profit institutions of primary,
14 secondary, and higher education, or users of the Department's
15 satellite uplink.

16 As used in this Section, the term "State agencies" means
17 all departments, officers, commissions, boards, institutions,
18 and bodies politic and corporate of the State except (i) the
19 judicial branch, including, without limitation, the several
20 courts of the State, the offices of the clerk of the supreme
21 court and the clerks of the appellate court, and the
22 Administrative Office of the Illinois Courts and (ii) the
23 General Assembly, legislative service agencies, and all
24 officers of the General Assembly.
