(E) The Illinois Department may recover money improperly or erroneously paid, or overpayments, either by setoff, crediting against future billings or by requiring direct repayment to the Illinois Department.

If the Department of Public Aid establishes through an administrative hearing that the overpayments resulted from the vendor or alternate payee willfully making, or causing to be made, a false statement or misrepresentation of a material fact in connection with billings and payments under the medical assistance program under Article V, the Department may recover interest on the amount of the overpayments at the rate of 5% per annum. For purposes of this paragraph, "willfully" means that a person makes a statement or representation with actual knowledge that it was false, or makes a statement representation with knowledge of facts or information that would cause one to be aware that the statement representation was false when made.

(F) The Illinois Department may withhold payments to any vendor or alternate payee during the pendency of any proceeding under this Section. The Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be withheld during the pendency of any proceeding under this Section. Payments may be denied for bills submitted with service dates occurring during the pendency of a proceeding where the final administrative decision is to terminate eligibility to participate in the medical assistance program. The Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be denied for such bills. The Department of Public Aid shall state by rule a process and criteria by which a vendor or alternate payee may request full or partial release of payments withheld under this subsection. The Department must complete a proceeding under this Section in a timely manner.

- (F-5) The Illinois Department may temporarily withhold payments to a vendor or alternate payee if any of the following individuals have been indicted or otherwise charged under a law of the United States or this or any other state with a felony offense that is based on alleged fraud or willful misrepresentation on the part of the individual related to (i) the medical assistance program under Article V of this Code, (ii) a medical assistance program provided in another state which is of the kind provided under Article V of this Code, (iii) the Medicare program under Title XVIII of the Social Security Act, or (iv) the provision of health care services:
 - (1) If the vendor <u>or alternate payee</u> is a corporation: an officer of the corporation or an individual who owns, either directly or indirectly, 5% or more of the shares of stock or other evidence of ownership of the corporation.

or alternate payee under this subsection, the Department shall not release those payments to the vendor or alternate payee while any criminal proceeding related to the indictment or charge is pending unless the Department determines that there is good cause to release the payments before completion of the proceeding. If the indictment or charge results in the individual's conviction, the Illinois Department shall retain all withheld payments, which shall be considered forfeited to the Department. If the indictment or charge does not result in the individual's conviction, the Illinois Department shall release to the vendor or alternate payee all withheld payments.

1.3

- 1 (G) The provisions of the Administrative Review Law, as now or hereafter amended, and the rules adopted pursuant thereto, shall apply to and govern all proceedings for the judicial review of final administrative decisions of the Illinois Department under this Section. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.
 - (G-5) Non-emergency transportation.
 - (1) Notwithstanding any other provision in this Section, for non-emergency transportation vendors, the Department may terminate the vendor from participation in the medical assistance program prior to an evidentiary hearing but after reasonable notice and opportunity to respond as established by the Department by rule.
 - (2) Vendors of non-emergency medical transportation services, as defined by the Department by rule, shall submit to a fingerprint-based criminal background check on current and future information available in the State system and current information available through the Federal Bureau of Investigation's system by submitting all necessary fees and information in the form and manner prescribed by the Department of State Police. The following individuals shall be subject to the check:

 - (D) Each officer or manager of the vendor.
 - Each such vendor shall be responsible for payment of the cost of the criminal background check.
 - (3) Vendors of non-emergency medical transportation services may be required to post a surety bond. The Department shall establish, by rule, the criteria and

- (4) The Department, or its agents, may refuse to accept requests for non-emergency transportation authorizations, including prior-approval and post-approval requests, for a specific non-emergency transportation vendor if:
 - (A) the Department has initiated a notice of termination of the vendor from participation in the medical assistance program; or
 - (B) the Department has issued notification of its withholding of payments pursuant to subsection (F-5) of this Section; or
 - (C) the Department has issued a notification of its withholding of payments due to reliable evidence of fraud or willful misrepresentation pending investigation.
- (H) Nothing contained in this Code shall in any way limit or otherwise impair the authority or power of any State agency responsible for licensing of vendors.
- (I) Based on a finding of noncompliance on the part of a nursing home with any requirement for certification under Title XVIII or XIX of the Social Security Act (42 U.S.C. Sec. 1395 et seq. or 42 U.S.C. Sec. 1396 et seq.), the Illinois Department may impose one or more of the following remedies after notice to the facility:
 - (1) Termination of the provider agreement.
 - (2) Temporary management.
- (3) Denial of payment for new admissions.
- 29 (4) Civil money penalties.
- 30 (5) Closure of the facility in emergency situations or transfer of residents, or both.
- 32 (6) State monitoring.
- 33 (7) Denial of all payments when the Health Care Finance 34 Administration has imposed this sanction.
- 35 The Illinois Department shall by rule establish criteria 36 governing continued payments to a nursing facility subsequent

to termination of the facility's provider agreement if, in the sole discretion of the Illinois Department, circumstances affecting the health, safety, and welfare of the facility's residents require those continued payments. The Illinois Department may condition those continued payments on the appointment of temporary management, sale of the facility to new owners or operators, or other arrangements that the Illinois Department determines best serve the needs of the facility's residents.

Except in the case of a facility that has a right to a hearing on the finding of noncompliance before an agency of the federal government, a facility may request a hearing before a State agency on any finding of noncompliance within 60 days after the notice of the intent to impose a remedy. Except in the case of civil money penalties, a request for a hearing shall not delay imposition of the penalty. The choice of remedies is not appealable at a hearing. The level of noncompliance may be challenged only in the case of a civil money penalty. The Illinois Department shall provide by rule for the State agency that will conduct the evidentiary hearings.

The Illinois Department may collect interest on unpaid civil money penalties.

The Illinois Department may adopt all rules necessary to implement this subsection (I).

- (J) The Illinois Department, by rule, may permit individual practitioners to designate that Department payments that may be due the practitioner be made to an alternate payee or alternate payees.
- (a) Such alternate payee or alternate payees shall be required to register as an alternate payee in the Medical Assistance Program with the Illinois Department.
 - (b) If a practitioner designates an alternate payee, the alternate payee and practitioner shall be jointly and severally liable to the Department for payments made to the alternate payee. Pursuant to subsection (E) of this
