

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by
5 changing Section 11-149-1 as follows:

6 (65 ILCS 5/11-149-1) (from Ch. 24, par. 11-149-1)

7 Sec. 11-149-1. The corporate authorities of a municipality
8 may provide by ordinance for the extension and maintenance of
9 municipal sewers and water mains, or both, in specified areas
10 outside the corporate limits. Such service shall not be
11 extended, however, unless a majority of the owners of record of
12 the real property in the specified area petition the corporate
13 authorities for the service. In a non-home rule municipality,
14 if such service has been provided to another unit of local
15 government, the municipality cannot thereafter require the
16 annexation of the property owned by the unit of local
17 government to the municipality as a prerequisite to the
18 continuation and maintenance of such service.
