28 institutions; maintain on public file in all high schools,

10 as to these standards and perform such other duties as the
11 Council may recommend. The Deputy Director shall coordinate the
12 exchange, by the Council, the program sponsors, community

15 Section 35. Audits.

16 (a) The Office shall randomly audit apprentice programs
17 approved under this Act during each five-year period commencing
18 on this Act's effective date to ensure that the program is
19 complying with its standards, all on-the-job training is
20 performed by journeymen, all related and supplemental
21 instruction required by the apprenticeship standards is being
22 provided, all work processes in the apprenticeship standards
23 are being covered, and graduates have completed the program's
24 requirements. The Office shall examine each program to
25 determine whether apprentices are graduating from the program
26 on schedule or dropping out and to determine whether graduates
27 of the program have obtained employment as journeymen. Every
28 program sponsor has a duty to cooperate with the Office in
29 conducting an audit.

30 (b) Audit reports shall be presented to the Council and
31 shall be made public, except that the Office shall not make
32 public information that would infringe on the privacy of
33 individual apprentices. The Office shall recommend remedial

1 action to correct deficiencies recognized in the audit report,
2 and the failure to correct deficiencies within a reasonable
3 period of time shall be grounds for withdrawing State approval
4 of a program. The Office may conduct more frequent audits of
5 programs where deficiencies have been identified.

6 (c) The Office shall give priority in conducting audits to
7 programs that have been identified as having deficiencies. The
8 Office may conduct simplified audits for programs with fewer
9 than 5 registered apprentices.

10 Section 40. Reports. The Deputy Director and the Council
11 shall annually report to the General Assembly and the public on

16 women and minorities, registered in apprentice programs in
17 this State for the current year and in each of the previous
18 5 years.

20 including numbers and percentages of minorities and women,

26 programs having difficulty in achieving affirmative action
27 goals or having very low completion rates.

29 individual apprentice agreements submitted for
30 determination and the number of those issues resolved by
31 the Council on appeal.

32 (5) The number of program applications received by the
33 Office, the number approved, the number denied and the

1 reason for those denials, the number being reviewed, and
2 deficiencies, if any, with respect to those program
3 applications being reviewed.

4 (6) The number of programs approved by the Office that
5 are disapproved by the Council, and the reasons for those
6 disapprovals.

7 Section 45. Local, regional, and State joint
8 apprenticeship committees.

9 (a) Local, regional, and State joint apprenticeship
10 committees may be approved as program sponsors, in any trade or
11 group of trades, in cities, regions of the State, or trade
12 areas, by the Council, whenever the apprentice training needs
13 of such trade or group of trades or such regions justify such
14 establishment. The local, regional, or State joint
15 apprenticeship committees shall be composed of an equal number
16 of employer and employee representatives chosen from names
17 submitted by the respective local or State employer and
18 employee organizations in such trade or group of trades; also
19 such additional members representing local boards of education
20 or other educational agencies as may be deemed advisable. In a
21 trade or group of trades in which there is no bona fide
22 employer or employee organization, the joint committee shall be
23 composed of persons known to represent the interests of
24 employers and of employees respectively or a State joint
25 apprenticeship committee may be approved as, or the Council may
26 act itself as, the joint committee in that trade or group of
27 trades. Subject to the review of the Council and in accordance
28 with the standards established by the Council, the committees
29 may devise standards for apprentice agreements and give such
30 aid as may be necessary in their operation, in their respective
31 trades and localities.

32 (b) The total number of members on a local, regional, or
33 State joint apprenticeship committee may range from 4 to 15. On

1 such committees, there shall be equal representation of
2 employers and employees. Members shall be selected by the group
3 or groups they represent subject to approval by the Council. A
4 committee may have, as one of its employee representatives, an
5 active apprentice of record, provided that the apprentice has
6 completed a minimum of 6,000 hours of an apprenticeship term or
7 has entered the fourth year of the term.

8 (c) A program operating under this Section shall, in its
9 standards, include the procedures to be followed in the
10 administration of the program which in no case shall be
11 inconsistent with this Act and the rules established by the
12 Council. Every program operating under this Section shall, in
13 its standards, provide for a tie breaking procedure should the
14 committee, by its voting, find itself unable to reach a
15 majority decision on any matter relative to the committee's
16 supervision and operation of the program.

17 Section 50. Program sponsor selection procedures. Program
18 sponsors shall: (1) establish selection procedures which
19 specify minimum requirements for formal education or
20 equivalency, physical examination, if any, subject matter of
21 written tests and oral interviews, and any other criteria
22 pertinent to the selection process; (2) specify the relative
23 weights of all factors which determine selection to a program;
24 (3) submit in writing to the Council an official statement of
25 each selection procedure including the filing date and location
26 of the program sponsor; (4) make a copy of the selection
27 procedures available to each applicant; (5) provide in writing
28 to each applicant not selected an official explanation setting
29 forth the reason or reasons for the decision, copies of which
30 shall be retained as a public record in the files of the
31 program sponsor for 2 years; and (6) implement affirmative
32 action programs for minorities and women in accordance with the
33 rules and guidelines of the Council.

1 Section 55. Apprenticeship agreements.

2 (a) Every apprenticeship agreement under this Act is subject to
3 the approval of the Council and shall be signed by the
4 apprenticeship program sponsor and by the apprentice, and, if the
5 apprentice is a minor, by a parent or legal guardian. If a
6 minor enters into an apprenticeship agreement under this Act for a
7 period of training extending into his or her majority, the
8 agreement shall likewise be binding for such a period as may be
9 covered during the apprentice's majority.

10 (b) Every apprenticeship agreement entered into under this Act
11 shall directly, or by reference, contain:

12 (1) The names of the contracting parties.

13 (2) The date of birth of the apprentice.

14 (3) A statement of the trade, craft, or business which
15 the apprentice is to be taught, and the time at which the
16 apprenticeship will begin and end.

17 (4) A statement showing the number of hours to be spent
18 by the apprentice in work and the learning objectives to be
19 accomplished through related classroom instruction. In no
20 case shall the combined weekly hours of work and required
21 related classroom instruction of the apprentice exceed the
22 maximum number of hours of work prescribed by law for a
23 person of the age of the apprentice.

24 (5) A statement setting forth a schedule of the
25 processes in the trade or industry divisions in which the
26 apprentice is to be taught and the approximate time to be
27 spent at each process.

28 (6) A statement of the graduated scale of wages to be
29 paid the apprentice and whether the required class room
30 time shall be compensated.

31 (7) A statement setting forth the period of probation,
32 during which time the apprenticeship agreement may be
33 terminated by the program sponsor at the request in writing

1 of either party, and providing that after the probationary
2 period the agreement may be terminated by the Deputy
3 Director by mutual agreement of all parties thereto, or
4 canceled by the Deputy Director for good and sufficient
5 reason.

6 (8) A provision that all controversies or differences
7 concerning the apprentice agreement which cannot be
8 resolved by the parties thereto, or which are not covered
9 in a collective bargaining agreement, may be submitted to
10 the Deputy Director as provided in Section 60 of this Act.

11 (9) A provision that an employer who is unable to
12 fulfill his or her obligation under the apprentice
13 agreement may, with approval of the administrator,
14 transfer the contract to any other employer if the
15 apprentice consents and the other employer agrees to assume
16 the obligation of the agreement.

17 (10) Such additional terms and conditions as may be
18 prescribed or approved by the Council, not inconsistent
19 with this Act.

20 (c) Acceptance of an application for entrance into a
21 program shall not be predicated on the payment of any fee, nor
22 shall any costs for expenses incurred be charged after an
23 applicant has been accepted into the program.

24 Section 60. Investigations by Deputy Director.

25 (a) Complaint. Upon the complaint of any interested person
26 or upon the Deputy Director's own initiative, the Deputy
27 Director may investigate to determine if there has been a
28 violation of the terms of an apprentice agreement made under
29 this Act. The Deputy Director may conduct such proceedings as
30 are necessary for that investigation and determination. All
31 such proceedings shall be on a fair and impartial basis and
32 shall be conducted according to the Illinois Administrative
33 Procedure Act.

1 (b) Determination; appeal. The determination of the Deputy
2 Director shall be filed with the Council and written notice
3 shall be served on all parties affected by it. Any interested
4 person or person aggrieved by any determination or action of
5 the Deputy Director may appeal to the Council. If no appeal is
6 filed with the Council within 10 days of the date of service,
7 the Deputy Director's determination shall become the order of
8 the Council. If an appeal is filed, the Council shall appoint
9 and convene a hearing board composed of 3 appointed members of
10 the Council, one member being a representative of an employer
11 organization, one member being a representative of an employee
12 organization, and one member representing the general public.
13 The hearing board shall hold a hearing on the appeal after due
14 notice to the interested parties and shall submit to the full
15 Council findings of fact and a recommended decision accompanied
16 by a memorandum of the reasons for it. Within 30 days after
17 submission, the Council may adopt the recommended decision of
18 the hearing board, or disregard the recommended decision of the
19 hearing board and prepare a decision based on the findings of
20 fact and accompanied by a memorandum of reasons for that
21 decision. Written notice of the Council's determination and
22 order shall be served on all parties affected by it. The
23 Council's determination and order is the final administrative
24 decision of the Department and is subject to judicial review
25 under the Administrative Review Law.

26 Section 65. Exhaustion of administrative remedies. A
27 person may not institute an action for the enforcement of an
28 apprentice agreement, or damages for the breach of an
29 apprentice agreement, made under this Act, unless the person
30 has first exhausted all administrative remedies provided by
31 this Act.

32 Section 70. Higher standards. Nothing in this Act or in any

1 apprentice agreement approved under this Act shall operate to
2 invalidate any apprenticeship provision in any collective
3 agreement between employers and employees setting up higher
4 apprenticeship standards, unless the Council determines that
5 the higher standards are not relevant to the employment
6 training.

7 Section 75. Federal reimbursements. The Office shall
8 investigate and approve or reject applications from program
9 sponsors for apprenticeships and other on-the-job training,
10 and for that purpose, may cooperate, or contract with, and
11 receive reimbursements from the appropriate agencies of the
12 federal government.
