4 Section 5. The Illinois Pension Code is amended by changing  
5 Section 15-113.4 as follows:

6 (40 ILCS 5/15-113.4) (from Ch. 108 1/2, par. 15-113.4)

7 Sec. 15-113.4. Service for unused sick leave. "Service for  
8 unused sick leave": A participant who is an employee under this  
9 System or one of the other systems subject to Article 20 of  
10 this Code within 60 days immediately preceding the date on  
11 which his or her retirement annuity begins, is entitled to  
12 credit for service for that portion of unused sick leave earned  
13 in the course of employment with an employer and credited on  
14 the date of termination of employment by an employer for which  
15 payment is not received, in accordance with the following  
16 schedule: 30 through 90 full calendar days and 20 through 59  
17 full work days of unused sick leave, 1/4 of a year of service;  
18 91 through 180 full calendar days and 60 through 119 full work  
19 days, 1/2 of a year of service; 181 through 270 full calendar  
20 days and 120 through 179 full work days, 3/4 of a year of  
21 service; 271 through 360 full calendar days and 180 through 240  
22 full work days, one year of service; 361 through 450 full  
23 calendar days and 241 through 300 full work days of unused sick  
24 leave, 1.25 years of service; 451 through 540 full calendar  
25 days and 301 through 360 full work days, 1.5 years of service;  
26 541 through 630 full calendar days and 361 through 420 full  
27 work days, 1.75 years of service; 631 through 720 full calendar  
28 days and 421 through 480 full work days, 2 years of service.  
29 Only uncompensated, unused sick leave earned in accordance with  
30 an employer's sick leave accrual policy generally applicable to  
31 employees or a class of employees shall be taken into account  
32 in calculating service credit under this Section. Any

1 uncompensated, unused sick leave granted by an employer to  
2 facilitate the hiring, retirement, termination, or other  
3 special circumstances of an employee shall not be taken into  
4 account in calculating service credit under this Section. If a  
5 participant transfers from one employer to another, the unused  
6 sick leave credited by the previous employer shall be  
7 considered in determining service to be credited under this  
8 Section, even if the participant terminated service prior to  
9 the effective date of P.A. 86-272 (August 23, 1989); if  
10 necessary, the retirement annuity shall be recalculated to  
11 reflect such sick leave credit. Each employer shall certify to  
12 the board the number of days of unused sick leave accrued to  
13 the participant's credit on the date that the participant's  
14 status as an employee terminated. This period of unused sick  
15 leave shall not be considered in determining the date the  
16 retirement annuity begins.
