Such eligibility standards shall be based on the 6 recipient's ability to pay for services; provided, however, that in determining the amount and nature of services for which 7 a person may qualify, consideration shall not be given to the 8 9 value of cash, property or other assets held in the name of the 10 person's spouse pursuant to a written agreement dividing 11 marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, 12 13 provided that the spouse's share of the marital property is not made available to the person seeking such services. 14

The purpose of the amendments 23 shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security 24 Act to persons who transfer to or for the benefit of a spouse 25 26 those amounts of income and resources allowed under Section 27 1924 of the Social Security Act. Subject to the approval of 28 such amendments, the Department shall extend the provisions of 29 Section 5-4 of the Illinois Public Aid Code to persons who, but 30 for the provision of home or community-based services, would 31 require the level of care provided in an institution, as is 32 provided for in federal law.
