FISCAL NOTE ACT
MAY APPLY

1 AN ACT in relation to transportation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Toll Highway Act is amended by changing
5 Sections 10, 11, 17, 23, 27.1, and 31 and by adding Sections
6 8.1, 16.2, 16.3, and 27.2 as follows:

7 (605 ILCS 10/8.1 new)

8 Sec. 8.1. Inspector General.

9 (a) The Governor must, with the advice and consent of the
10 Senate, appoint an Inspector General for the purpose of
11 providing increased accountability and oversight, detection,
12 deterrence, and prevention of fraud, corruption, waste,
13 inefficiencies, and mismanagement in the Authority. The
14 Inspector General shall serve a 2-year term. If no successor is
15 appointed and qualified upon the expiration of the Inspector
16 General's term, the Office of Inspector General is deemed
17 vacant and the powers and duties under this Section may be
18 exercised only by an appointed and qualified interim Inspector
19 General until a successor Inspector General is appointed and
20 qualified. If the General Assembly is not in session when a
21 vacancy in the Office of Inspector General occurs, the Governor
22 may appoint an interim Inspector General whose term shall
23 expire 2 weeks after the next regularly scheduled session day
24 of the Senate.

25 (b) The Inspector General shall have the following
26 qualifications:

27 (1) has not been convicted of any felony under the laws
28 of this State, another state, or the United States;

29 (2) has earned a baccalaureate degree from an
30 institution of higher education; and

31 (3) has either (A) 5 or more years of service with a
32 federal, State, or local law enforcement agency, at least 2

1 years of which have been in a progressive investigatory
2 capacity; (B) 5 or more years of service as a federal,
3 State, or local prosecutor; or (C) 5 or more years of
4 service as a senior manager or executive of a federal,
5 State, or local agency.

6 (c) The Inspector General may review, coordinate, and
7 recommend methods and procedures to increase the integrity of
8 the Authority. The Inspector General must report directly to
9 the Governor through the Office of the Executive Inspector
10 General for the Governor.

11 (d) In addition to the authority otherwise provided by this
12 Section, but only when investigating the Authority, its
13 employees, or their actions for fraud, corruption, or
14 mismanagement, the Inspector General is authorized:

15 (1) To have access to all records, reports, audits,
16 reviews, documents, papers, recommendations, or other
17 materials available that relate to programs and operations
18 with respect to which the Inspector General has
19 responsibilities under this Section.

20 (2) To make any investigations and reports relating to
21 the administration of the programs and operations of the
22 Authority that are, in the judgment of the Inspector
23 General, necessary or desirable.

24 (3) To request any information or assistance that may
25 be necessary for carrying out the duties and
26 responsibilities provided by this Section from any local,
27 State, or federal governmental agency or unit thereof.

28 (4) To issue subpoenas and to compel the attendance of
29 witnesses for purposes of testimony and the production of
30 documents and other items for inspection and copying. If a
31 person has petitioned a court of competent jurisdiction in
32 Cook County, Sangamon County, or any county where the
33 subpoena is sought to be enforced for a protective order or
34 to quash or modify the subpoena, then this Section does not
35 apply during the pendency of the court proceedings
36 concerning the petition. A person duly subpoenaed for

1 testimony, documents, or other items who neglects or
2 refuses to testify or produce documents or other items
3 under the requirements of the subpoena shall be subject to
4 punishment as may be determined by a court of competent
5 jurisdiction, unless the testimony, documents, or other
6 items are covered by the attorney-client privilege or any
7 other privilege recognized by State or federal law. Nothing
8 in this Section limits a person's right to protection
9 against self-incrimination under the Fifth Amendment of
10 the United States Constitution or Article I, Section 10, of
11 the Constitution of the State of Illinois.

12 (5) To have direct and prompt access to the Board of
13 Directors of the Authority for any purpose pertaining to
14 the performance of functions and responsibilities under
15 this Section.

16 (f) The Inspector General may receive and investigate
17 complaints or information from an employee of the Authority
18 concerning the possible existence of an activity constituting a
19 violation of law, rules, or regulations; mismanagement; abuse
20 of authority; or substantial and specific danger to the public
21 health and safety. The Inspector General shall have the
22 discretion to determine the appropriate means of investigation
23 as permitted by law. Any employee who knowingly files a false
24 complaint or files a complaint with reckless disregard for the
25 truth or the falsity of the facts underlying the complaint may
26 be subject to discipline.

27 The Inspector General may not, after receipt of a complaint
28 or information from an employee, disclose the identity of the
29 employee without the consent of the employee, unless the
30 Inspector General determines that disclosure of the identity is
31 reasonable and necessary for the furtherance of the
32 investigation.

33 Any employee who has the authority to recommend or approve
34 any personnel action or to direct others to recommend or
35 approve any personnel action may not, with respect to that
36 authority, take or threaten to take any action against any

1 employee as a reprisal for making a complaint or disclosing
2 information to the Inspector General, unless the complaint was
3 made or the information disclosed with the knowledge that it
4 was false or with willful disregard for its truth or falsity.

5 (g) The Inspector General must adopt rules, in accordance
6 with the provisions of the Illinois Administrative Procedure
7 Act, establishing minimum requirements for initiating,
8 conducting, and completing investigations. The rules must
9 establish criteria for determining, based upon the nature of
10 the allegation, the appropriate method of investigation, which
11 may include, but is not limited to, site visits, telephone
12 contacts, personal interviews, or requests for written
13 responses. The rules must also clarify how the Office of the
14 Inspector General shall interact with other local, State, and
15 federal law enforcement investigations.

16 Any employee of the Authority subject to investigation or
17 inquiry by the Inspector General, or any agent or
18 representative of the Inspector General, concerning misconduct
19 that is criminal shall have the right to be notified of the
20 right to remain silent during the investigation or inquiry and
21 the right to be represented in the investigation or inquiry by
22 a representative of a labor organization that is the exclusive
23 collective bargaining representative of employees of the
24 Authority. Any such investigation or inquiry must be conducted
25 in a manner consistent with the provisions of a collective
26 bargaining agreement that applies to the employees of the
27 Authority. Any recommendation for discipline or any action
28 taken against any employee by the Inspector General, or any
29 representative or agent of the Inspector General, must be
30 undertaken in a manner consistent with the rights of the
31 employees as set forth in State and federal law and applicable
32 judicial decisions.

33 (h) The Inspector General shall provide to the Authority
34 and the General Assembly a summary of reports and
35 investigations made under this Section for the previous fiscal
36 year no later than January 1 of each year. The summaries shall

1 detail the final disposition of the Inspector General's
2 recommendations. The summaries shall not contain any
3 confidential or identifying information concerning the
4 subjects of the reports and investigations. The summaries shall
5 also include detailed, recommended administrative actions and
6 matters for consideration by the General Assembly.

7 (i) The Office of the Inspector General shall be
8 represented in all legal matters by the Attorney General.

9 (605 ILCS 10/10) (from Ch. 121, par. 100-10)

10 Sec. 10. The Authority shall have power:

11 (a) To pass resolutions, make by-laws, rules and
12 regulations for the management, regulation and control of its
13 affairs, and to fix tolls, and to make, enact and enforce all
14 needful rules and regulations in connection with the
15 construction, operation, management, care, regulation or
16 protection of its property or any toll highways, constructed or
17 reconstructed hereunder.

18 (a-5) To fix, assess, and collect civil fines for a
19 vehicle's operation on a toll highway without the required toll
20 having been paid. The Authority may establish by rule a system
21 of civil administrative adjudication to adjudicate only
22 alleged instances of a vehicle's operation on a toll highway
23 without the required toll having been paid, as detected by the
24 Authority's video or photo surveillance system. In cases in
25 which the operator of the vehicle is not the registered vehicle
26 owner, the establishment of ownership of the vehicle creates a
27 rebuttable presumption that the vehicle was being operated by
28 an agent of the registered vehicle owner. If the registered
29 vehicle owner liable for a violation under this Section was not
30 the operator of the vehicle at the time of the violation, the
31 owner may maintain an action for indemnification against the
32 operator in the circuit court. Rules establishing a system of
33 civil administrative adjudication must provide for written
34 notice, by first class mail or other means provided by law, to
35 the address of the registered owner of the cited vehicle as

1 recorded with the Secretary of State or to the lessee of the
2 cited vehicle at the last address known to the lessor of the
3 cited vehicle at the time of the lease, of the alleged
4 violation and an opportunity to be heard on the question of the
5 violation and must provide for the establishment of a toll-free
6 telephone number to receive inquiries concerning alleged
7 violations. The notice shall also inform the registered vehicle
8 owner that failure to contest in the manner and time provided
9 shall be deemed an admission of liability and that a final
10 order of liability may be entered on that admission. A duly
11 authorized agent of the Authority may perform or execute the
12 preparation, certification, affirmation, or mailing of the
13 notice. A notice of violation, sworn or affirmed to or
14 certified by a duly authorized agent of the Authority, or a
15 facsimile of the notice, based upon an inspection of
16 photographs, microphotographs, videotape, or other recorded
17 images produced by a video or photo surveillance system, shall
18 be admitted as prima facie evidence of the correctness of the
19 facts contained in the notice or facsimile. Only civil fines,
20 along with the corresponding outstanding toll, and costs may be
21 imposed by administrative adjudication. A fine may be imposed
22 under this paragraph only if a violation is established by a
23 preponderance of the evidence. Judicial review of all final
24 orders of the Authority under this paragraph shall be conducted
25 in the circuit court of the county in which the administrative
26 hearing was held in accordance with the Administrative Review
27 Law.

28 Any outstanding toll, fine, additional late payment fine,
29 other sanction, or costs imposed, or part of any fine, other
30 sanction, or costs imposed, remaining unpaid after the
31 exhaustion of, or the failure to exhaust, judicial review
32 procedures under the Illinois Administrative Review Law are a
33 debt due and owing the Authority and may be collected in
34 accordance with applicable law. After expiration of the period
35 in which judicial review under the Illinois Administrative
36 Review Law may be sought, unless stayed by a court of competent

1 jurisdiction, a final order of the Authority under this
2 subsection (a-5) may be enforced in the same manner as a
3 judgment entered by a court of competent jurisdiction.
4 Notwithstanding any other provision of this Act, the Authority
5 may, with the approval of the Attorney General, retain a law
6 firm or law firms with expertise in the collection of
7 government fines and debts for the purpose of collecting fines,
8 costs, and other moneys due under this subsection (a-5).

9 A system of civil administrative adjudication may also
10 provide for a program of vehicle immobilization, tow, or
11 impoundment for the purpose of facilitating enforcement of any
12 final order or orders of the Authority under this subsection
13 (a-5) that result in a finding or liability for 5 or more
14 violations after expiration of the period in which judicial
15 review under the Illinois Administrative Review Law may be
16 sought. The registered vehicle owner of a vehicle immobilized,
17 towed, or impounded for nonpayment of a final order of the
18 Authority under this subsection (a-5) shall have the right to
19 request a hearing before the Authority's civil administrative
20 adjudicatory system to challenge the validity of the
21 immobilization, tow, or impoundment. This hearing, however,
22 shall not constitute a readjudication of the merits of
23 previously adjudicated notices. Judicial review of all final
24 orders of the Authority under this subsection (a-5) shall be
25 conducted in the circuit court of the county in which the
26 administrative decision was rendered in accordance with the
27 Administrative Review Law.

28 No commercial entity that is the lessor of a vehicle under
29 a written lease agreement shall be liable for an administrative
30 notice of violation for toll evasion issued under this
31 subsection (a-5) involving that vehicle during the period of
32 the lease if the lessor provides a copy of the leasing
33 agreement to the Authority within 21 days of the issue date on
34 the notice of violation. The leasing agreement also must
35 contain a provision or addendum informing the lessee that the
36 lessee is liable for payment of all tolls and any fines for

1 toll evasion. Each entity must also post a sign at the leasing
2 counter notifying the lessee of that liability. The copy of the
3 leasing agreement provided to the Authority must contain the
4 name, address, and driver's license number of the lessee, as
5 well as the check-out and return dates and times of the vehicle
6 and the vehicle license plate number and vehicle make and
7 model.

8 As used in this subsection (a-5), "lessor" includes
9 commercial leasing and rental entities but does not include
10 public passenger vehicle entities.

11 The Authority shall establish an amnesty program for
12 violations adjudicated under this subsection (a-5). Under the
13 program, any person who has an outstanding notice of violation
14 for toll evasion or final order of a hearing officer for toll
15 evasion dated prior to the effective date of this amendatory
16 Act of the 94th General Assembly and who has not been mailed a
17 notice of impending vehicle plate registration or driver's
18 license suspension pursuant to Section 3-704.2 or Section
19 6-306.7 of the Illinois Vehicle Code and who pays to the
20 Authority the full percentage amounts listed in this paragraph
21 remaining due on the notice of violation or final order of the
22 hearing officer on or before 5:00 p.m., Central Standard Time,
23 of the 60th day after the effective date of this amendatory Act
24 the 94th General Assembly shall not be required to pay more
25 than the listed percentage of the original fine amount and
26 outstanding toll as listed on the notice of violation or final
27 order of the hearing officer. The payment percentage scale
28 shall be as follows: a person with 25 or fewer violations shall
29 be eligible for amnesty upon payment of 50% of the original
30 fine amount and the outstanding tolls; a person with more than
31 25 but fewer than 51 violations shall be eligible for amnesty
32 upon payment of 60% of the original fine amount and the
33 outstanding tolls; and a person with 51 or more violations
34 shall be eligible for amnesty upon payment of 75% of the
35 original fine amount and the outstanding tolls. In such a
36 situation, the Executive Director of the Authority or his or

1 her designee is authorized and directed to waive any late fine
2 amount above the applicable percentage of the original fine
3 amount. Partial payment of the amount due shall not be a basis
4 to extend the amnesty payment deadline nor shall it act to
5 relieve the person of liability for payment of the late fine
6 amount. In order to receive amnesty, the full amount of the
7 applicable percentage of the original fine amount and
8 outstanding toll remaining due on the notice of violation or
9 final order of the hearing officer must be paid in full by 5:00
10 p.m., Central Standard Time, of the 60th day after the
11 effective date of this amendatory Act of the 94th General
12 Assembly. This amendatory Act of the 94th General Assembly has
13 no retroactive effect with regard to payments already tendered
14 to the Authority that were full payments or payments in an
15 amount greater than the applicable percentage, and this Act
16 shall not be the basis for either a refund or a credit. This
17 amendatory Act of the 94th General Assembly does not apply to
18 toll evasion citations issued by the Illinois State Police or
19 other authorized law enforcement agencies and for which payment
20 may be due to or through the clerk of the circuit court. The
21 Authority shall adopt rules as necessary to implement the
22 provisions of this amendatory Act of the 94th General Assembly.
23 The Authority, by a resolution of the Board of Directors, shall
24 have the discretion to implement similar amnesty programs in
25 the future.

26 The provisions in this Section may be extended to other
27 public toll facilities in this State through a duly executed
28 intergovernmental agreement between the Authority and another
29 public body.

30 (b) To prescribe rules and regulations applicable to
31 traffic on highways under the jurisdiction of the Authority,
32 concerning:

33 (1) Types of vehicles permitted to use such highways or
34 parts thereof, and classification of such vehicles;

35 (2) Designation of the lanes of traffic to be used by
36 the different types of vehicles permitted upon said

1 highways;

2 (3) Stopping, standing, and parking of vehicles;

3 (4) Control of traffic by means of police officers or
4 traffic control signals;

5 (5) Control or prohibition of processions, convoys,
6 and assemblages of vehicles and persons;

7 (6) Movement of traffic in one direction only on
8 designated portions of said highways;

9 (7) Control of the access, entrance, and exit of
10 vehicles and persons to and from said highways; and

11 (8) Preparation, location and installation of all
12 traffic signs; and to prescribe further rules and
13 regulations applicable to such traffic, concerning matters
14 not provided for either in the foregoing enumeration or in
15 the Illinois Vehicle Code. Notice of such rules and
16 regulations shall be posted conspicuously and displayed at
17 appropriate points and at reasonable intervals along said
18 highways, by clearly legible markers or signs, to provide
19 notice of the existence of such rules and regulations to
20 persons traveling on said highways. At each toll station,
21 the Authority shall make available, free of charge,
22 pamphlets containing all of such rules and regulations.

23 (c) The Authority, in fixing the rate for tolls for the
24 privilege of using the said toll highways, is authorized and
25 directed, in fixing such rates, to base the same upon annual
26 estimates to be made, recorded and filed with the Authority.
27 Said estimates shall include the following: The estimated total
28 amount of the use of the toll highways; the estimated amount of
29 the revenue to be derived therefrom, which said revenue, when
30 added to all other receipts and income, will be sufficient to
31 pay the expense of maintaining and operating said toll
32 highways, including the administrative expenses of the
33 Authority, and to discharge all obligations of the Authority as
34 they become due and payable.

35 (d) To accept from any municipality or political
36 subdivision any lands, easements or rights in land needed for

1 the operation, construction, relocation or maintenance of any
2 toll highways, with or without payment therefor, and in its
3 discretion to reimburse any such municipality or political
4 subdivision out of its funds for any cost or expense incurred
5 in the acquisition of land, easements or rights in land, in
6 connection with the construction and relocation of the said
7 toll highways, widening, extending roads, streets or avenues in
8 connection therewith, or for the construction of any roads or
9 streets forming extension to and connections with or between
10 any toll highways, or for the cost or expense of widening,
11 grading, surfacing or improving any existing streets or roads
12 or the construction of any streets and roads forming extensions
13 of or connections with any toll highways constructed,
14 relocated, operated, maintained or regulated hereunder by the
15 Authority. Where property owned by a municipality or political
16 subdivision is necessary to the construction of an approved
17 toll highway, if the Authority cannot reach an agreement with
18 such municipality or political subdivision and if the use to
19 which the property is being put in the hands of the
20 municipality or political subdivision is not essential to the
21 existence or the administration of such municipality or
22 political subdivision, the Authority may acquire the property
23 by condemnation.

25 (605 ILCS 10/11) (from Ch. 121, par. 100-11)

26 Sec. 11. The Authority shall have power:

27 (a) To enter upon lands, waters and premises in the State
28 for the purpose of making surveys, soundings, drillings and
29 examinations as may be necessary, expedient or convenient for
30 the purposes of this Act, and such entry shall not be deemed to
31 be a trespass, nor shall an entry for such purpose be deemed an
32 entry under any condemnation proceedings which may be then
33 pending; provided, however, that the Authority shall make
34 reimbursement for any actual damage resulting to such lands,
35 waters and premises as the result of such activities.

1 (b) To construct, maintain and operate stations for the
2 collection of tolls or charges upon and along any toll
3 highways.

4 (c) To provide for the collection of tolls and charges for
5 the privilege of using the said toll highways. Before it adopts
6 an increase in the rates for toll, the Authority shall hold a
7 public hearing at which any person may appear, express
8 opinions, suggestions, or objections, or direct inquiries
9 relating to the proposed increase. Any person may submit a
10 written statement to the Authority at the hearing, whether
11 appearing in person or not. The hearing shall be held in the
12 county in which the proposed increase of the rates is to take
13 place. The Authority shall give notice of the hearing by
14 advertisement on 3 successive days at least 15 days prior to
15 the date of the hearing in a daily newspaper of general
16 circulation within the county within which the hearing is held.
17 The notice shall state the date, time, and place of the
18 hearing, shall contain a description of the proposed increase,
19 and shall specify how interested persons may obtain copies of
20 any reports, resolutions, or certificates describing the basis
21 on which the proposed change, alteration, or modification was
22 calculated. After consideration of any statements filed or oral
23 opinions, suggestions, objections, or inquiries made at the
24 hearing, the Authority may proceed to adopt the proposed
25 increase of the rates for toll. No change or alteration in or
26 modification of the rates for toll shall be effective unless at
27 least 30 days prior to the effective date of such rates notice
28 thereof shall be given to the public by publication in a
29 newspaper of general circulation, and such notice, or notices,
30 thereof shall be posted and publicly displayed at each and
31 every toll station upon or along said toll highways.

32 (d) To construct, at the Authority's discretion, grade
33 separations at intersections with any railroads, waterways,
34 street railways, streets, thoroughfares, public roads or
35 highways intersected by the said toll highways, and to change
36 and adjust the lines and grades thereof so as to accommodate

1 the same to the design of such grade separation and to
2 construct interchange improvements. The Authority is
3 authorized to provide such grade separations or interchange
4 improvements at its own cost or to enter into contracts or
5 agreements with reference to division of cost therefor with any
6 municipality or political subdivision of the State of Illinois,
7 or with the Federal Government, or any agency thereof, or with
8 any corporation, individual, firm, person or association.
9 Where such structures have been built by the Authority and a
10 local highway agency did not enter into an agreement to the
11 contrary, the Authority shall maintain the entire structure,
12 including the road surface, at the Authority's expense.

13 (e) To contract with and grant concessions to or lease or
14 license to any person, partnership, firm, association or
15 corporation so desiring the use of any part of any toll
16 highways, excluding the paved portion thereof, but including
17 the right of way adjoining, under, or over said paved portion
18 for the placing of telephone, telegraph, electric, power lines
19 and other utilities, and for the placing of pipe lines, and to
20 enter into operating agreements with or to contract with and
21 grant concessions to or to lease to any person, partnership,
22 firm, association or corporation so desiring the use of any
23 part of the toll highways, excluding the paved portion thereof,
24 but including the right of way adjoining, or over said paved
25 portion for motor fuel service stations and facilities,
26 garages, stores and restaurants, or for any other lawful
27 purpose, and to fix the terms, conditions, rents, rates and
28 charges for such use.

29 The Authority shall also have power to establish reasonable
30 regulations for the installation, construction, maintenance,
31 repair, renewal, relocation and removal of pipes, mains,
32 conduits, cables, wires, towers, poles and other equipment and
33 appliances (herein called public utilities) of any public
34 utility as defined in the Public Utilities Act along, over or
35 under any toll road project. Whenever the Authority shall
36 determine that it is necessary that any such public utility

1 facilities which now are located in, on, along, over or under
2 any project or projects be relocated or removed entirely from
3 any such project or projects, the public utility owning or
4 operating such facilities shall relocate or remove the same in
5 accordance with the order of the Authority. All costs and
6 expenses of such relocation or removal, including the cost of
7 installing such facilities in a new location or locations, and
8 the cost of any land or lands, or interest in land, or any
9 other rights required to accomplish such relocation or removal
10 shall be ascertained and paid by the Authority as a part of the
11 cost of any such project or projects, and further, there shall
12 be no rent, fee or other charge of any kind imposed upon the
13 public utility owning or operating any facilities ordered
14 relocated on the properties of the said Authority and the said
15 Authority shall grant to the said public utility owning or
16 operating said facilities and its successors and assigns the
17 right to operate the same in the new location or locations for
18 as long a period and upon the same terms and conditions as it
19 had the right to maintain and operate such facilities in their
20 former location or locations.
