9 (a) Definitions. As used in this Section:

10 "Mandated overtime" means work that is required by the  
11 Department in excess of an agreed-to, predetermined work shift.  
12 Time spent by nurses required to be available as a condition of  
13 employment in specialized units shall not be counted or  
14 considered in calculating the amount of time worked for the  
15 purpose of applying the prohibition against mandated overtime  
16 under subsection (b).

17 "Nurse" means any advanced practice nurse, registered  
18 professional nurse, or licensed practical nurse, as defined in  
19 the Nursing and Advanced Practice Nursing Act, who receives an  
20 hourly wage and has direct responsibility to oversee or carry  
21 out nursing care or related duties.

22 "Unforeseen emergent circumstance" means (i) any declared  
23 national, State, or municipal disaster or other catastrophic

1 event, or any implementation of a disaster plan, that will  
2 substantially affect or increase the need for health care  
3 services or (ii) any circumstance in which patient care needs  
4 require specialized nursing skills through the completion of a  
5 procedure. An "unforeseen emergent circumstance" does not  
6 include situations in which the Department fails to have enough  
7 nursing staff to meet its usual and reasonably predictable  
8 nursing needs.

9 (b) Mandated overtime prohibited. No nurse may be required  
10 to work mandated overtime except in the case of an unforeseen  
11 emergent circumstance when such overtime is required only as a  
12 last resort. Such mandated overtime shall not exceed 4 hours  
13 beyond an agreed-to, predetermined work shift.

14 (c) Off-duty period. When a nurse is mandated to work up to

17 completion of a shift.

19 discipline, discharge, or take any other adverse employment  
20 action against a nurse solely because the nurse refused to work  
21 mandated overtime as prohibited under subsection (b).

22 (e) Violations. Any employee of the Department of Children  
23 and Family Services who is subject to this Section may file a  
24 complaint with the Department of Labor regarding an alleged  
25 violation of this Section. The complaint must be filed within  
26 45 days following the occurrence of the incident giving rise to

1 the alleged violation. The Department of Labor must forward  
2 notification of the alleged violation to the Department of  
3 Children and Family Services within 3 business days after the  
4 complaint is filed. The Department of Labor shall work with the  
5 Department of Children and Family Services to resolve the  
6 alleged violation.

7 (f) Proof of violation. Any violation of this Section must  
8 be proved by clear and convincing evidence that a nurse was  
9 required to work overtime against his or her will. The  
10 Department may defeat the claim of a violation by presenting  
11 clear and convincing evidence that an unforeseen emergent  
12 circumstance, which required overtime work, existed at the time  
13 the employee was required or compelled to work.

14 Section 10. The Mental Health and Developmental  
15 Disabilities Administrative Act is amended by adding Section

10 national, State, or municipal disaster or other catastrophic

13 substantially affect or increase the need for health care  
14 services or (ii) any circumstance in which patient care needs  
15 require specialized nursing skills through the completion of a

15 question, and to the facility in question within 3 business  
16 days after the complaint is filed. The Department of Labor  
17 shall work with the facility to resolve the alleged violation.

18 (f) Proof of violation. Any violation of this Section must  
19 be proved by clear and convincing evidence that a nurse was  
20 required to work overtime against his or her will. The facility
