Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee
(a) Within 30 days after the effective date of this amendatory Act of 1983 the state central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in Mareh 1970 т and at the general primary election held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the state central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any state convention of such party, determine to thereafter elect the state central committeemen in
the manner following:
At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected

State central committeeman for that congressional district.
The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for state central committeeman, and the female candidate receiving the highest number of votes of the party's
female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative $B$ must be selected from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or
appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 41 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of $2,000,000$ or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of $2,000,000$ or more inhabitants, the ward and township
committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of $2,000,000$ or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action. Ward, Township and Precinct Committeemen
(b) At the primary held on the third Tuesday in March, 1972 $\boldsymbol{T}$ and at the general primary election every 4 years thereafter, each primary elector in cities having a population of 200,000 or over may vote for one candidate of his party in
his ward for ward committeeman. Each candidate for ward committeeman must be a resident of and in the ward where he seeks to be elected ward committeeman. The one having the highest number of votes shall be such ward committeeman of such party for such ward. Each candidate for precinct committeeman must be a bona fide resident of the precinct where he seeks to be elected precinct committeeman. The one having the highest number of votes shall be such precinct committeeman of such

Terms of Committeemen. All precinct committeemen elected under the provisions of this Article shall continue as such committeemen until the date of the primary to be held in the second year after their election. Except as otherwise provided in this Section for certain State central committeemen who have 2 year terms, all State central committeemen, township committeemen and ward committeemen shall continue as such committeemen until the date of primary to be held in the fourth year after their election. However, a vacancy exists in the office of precinct committeeman when a precinct committeeman ceases to reside in the precinct in which he was elected and such precinct committeeman shall thereafter neither have nor exercise any rights, powers or duties as committeeman in that precinct, even if a successor has not been elected or appointed.
