

1 AN ACT concerning guardianship.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section  
5 10-20.12b as follows:

6 (105 ILCS 5/10-20.12b)

7 Sec. 10-20.12b. Residency; payment of tuition; hearing;  
8 criminal penalty.

9 (a) For purposes of this Section:

10 (1) The residence of a person who has legal custody of  
11 a pupil is deemed to be the residence of the pupil.

12 (2) "Legal custody" means one of the following:

13 (i) Custody exercised by a natural or adoptive  
14 parent with whom the pupil resides.

15 (ii) Custody granted by order of a court of  
16 competent jurisdiction to a person with whom the pupil  
17 resides for reasons other than to have access to the  
18 educational programs of the district.

19 (iii) Custody exercised under a statutory  
20 short-term guardianship for reasons other than to have  
21 access to the educational programs of the district,  
22 provided that within 365 ~~60~~ days of the pupil's  
23 enrollment a court order is entered that establishes a

1 permanent guardianship and grants custody to a person  
2 with whom the pupil resides ~~for reasons other than to~~  
3 ~~have access to the educational programs of the~~  
4 ~~district.~~

5 (iv) Custody exercised by an adult caretaker  
6 relative who is receiving aid under the Illinois Public  
7 Aid Code for the pupil who resides with that adult  
8 caretaker relative for purposes other than to have  
9 access to the educational programs of the district.

10 (v) Custody exercised by an adult who demonstrates  
11 that, in fact, he or she has assumed and exercises  
12 legal responsibility for the pupil and provides the  
13 pupil with a regular fixed night-time abode for  
14 purposes other than to have access to the educational  
15 programs of the district.

16 (a-5) If a pupil's change of residence is due to the  
17 military service obligation of a person who has legal custody  
18 of the pupil, then, upon the written request of the person  
19 having legal custody of the pupil, the residence of the pupil  
20 is deemed for all purposes relating to enrollment (including  
21 tuition, fees, and costs), for the duration of the custodian's  
22 military service obligation, to be the same as the residence of  
23 the pupil immediately before the change of residence caused by  
24 the military service obligation. A school district is not  
25 responsible for providing transportation to or from school for  
26 a pupil whose residence is determined under this subsection

1 (a-5). School districts shall facilitate re-enrollment when  
2 necessary to comply with this subsection (a-5).

3 (b) Except as otherwise provided under Section 10-22.5a,  
4 only resident pupils of a school district may attend the  
5 schools of the district without payment of the tuition required  
6 to be charged under Section 10-20.12a. However, children for  
7 whom the Guardianship Administrator of the Department of  
8 Children and Family Services has been appointed temporary  
9 custodian or guardian of the person of a child shall not be  
10 charged tuition as a nonresident pupil if the child was placed  
11 by the Department of Children and Family Services with a foster  
12 parent or placed in another type of child care facility and the  
13 foster parent or child care facility is located in a school  
14 district other than the child's former school district and it  
15 is determined by the Department of Children and Family Services  
16 to be in the child's best interest to maintain attendance at  
17 his or her former school district.

18 (c) The provisions of this subsection do not apply in  
19 school districts having a population of 500,000 or more. If a  
20 school board in a school district with a population of less  
21 than 500,000 determines that a pupil who is attending school in  
22 the district on a tuition free basis is a nonresident of the  
23 district for whom tuition is required to be charged under  
24 Section 10-20.12a, the board shall notify the person who  
25 enrolled the pupil of the amount of the tuition charged under  
26 Section 10-20.12a that is due to the district for the

1 nonresident pupil's attendance in the district's schools. The  
2 notice shall be given by certified mail, return receipt  
3 requested. Within 10 days after receipt of the notice, the  
4 person who enrolled the pupil may request a hearing to review  
5 the determination of the school board. The request shall be  
6 sent by certified mail, return receipt requested, to the  
7 district superintendent. Within 10 days after receipt of the  
8 request, the board shall notify, by certified mail, return  
9 receipt requested, the person requesting the hearing of the  
10 time and place of the hearing, which shall be held not less  
11 than 10 nor more than 20 days after the notice of hearing is  
12 given. The board or a hearing officer designated by the board  
13 shall conduct the hearing. The board and the person who  
14 enrolled the pupil may be represented at the hearing by  
15 representatives of their choice. At the hearing, the person who  
16 enrolled the pupil shall have the burden of going forward with  
17 the evidence concerning the pupil's residency. If the hearing  
18 is conducted by a hearing officer, the hearing officer, within  
19 5 days after the conclusion of the hearing, shall send a  
20 written report of his or her findings by certified mail, return  
21 receipt requested, to the school board and to the person who  
22 enrolled the pupil. The person who enrolled the pupil may,  
23 within 5 days after receiving the findings, file written  
24 objections to the findings with the school board by sending the  
25 objections by certified mail, return receipt requested,  
26 addressed to the district superintendent. Whether the hearing

1 is conducted by the school board or a hearing officer, the  
2 school board shall, within 15 days after the conclusion of the  
3 hearing, decide whether or not the pupil is a resident of the  
4 district and the amount of any tuition required to be charged  
5 under Section 10-20.12a as a result of the pupil's attendance  
6 in the schools of the district. The school board shall send a  
7 copy of its decision to the person who enrolled the pupil, and  
8 the decision of the school board shall be final.

9 (c-5) The provisions of this subsection apply only in  
10 school districts having a population of 500,000 or more. If the  
11 board of education of a school district with a population of  
12 500,000 or more determines that a pupil who is attending school  
13 in the district on a tuition free basis is a nonresident of the  
14 district for whom tuition is required to be charged under  
15 Section 10-20.12a, the board shall notify the person who  
16 enrolled the pupil of the amount of the tuition charged under  
17 Section 10-20.12a that is due to the district for the  
18 nonresident pupil's attendance in the district's schools. The  
19 notice shall be given by certified mail, return receipt  
20 requested. Within 10 days after receipt of the notice, the  
21 person who enrolled the pupil may request a hearing to review  
22 the determination of the school board. The request shall be  
23 sent by certified mail, return receipt requested, to the  
24 district superintendent. Within 30 days after receipt of the  
25 request, the board shall notify, by certified mail, return  
26 receipt requested, the person requesting the hearing of the

1 time and place of the hearing, which shall be held not less  
2 than 10 nor more than 30 days after the notice of hearing is  
3 given. The board or a hearing officer designated by the board  
4 shall conduct the hearing. The board and the person who  
5 enrolled the pupil may each be represented at the hearing by a  
6 representative of their choice. At the hearing, the person who  
7 enrolled the pupil shall have the burden of going forward with  
8 the evidence concerning the pupil's residency. If the hearing  
9 is conducted by a hearing officer, the hearing officer, within  
10 20 days after the conclusion of the hearing, shall serve a  
11 written report of his or her findings by personal service or by  
12 certified mail, return receipt requested, to the school board  
13 and to the person who enrolled the pupil. The person who  
14 enrolled the pupil may, within 10 days after receiving the  
15 findings, file written objections to the findings with the  
16 board of education by sending the objections by certified mail,  
17 return receipt requested, addressed to the general  
18 superintendent of schools. If the hearing is conducted by the  
19 board of education, the board shall, within 45 days after the  
20 conclusion of the hearing, decide whether or not the pupil is a  
21 resident of the district and the amount of any tuition required  
22 to be charged under Section 10-20.12a as a result of the  
23 pupil's attendance in the schools of the district. If the  
24 hearing is conducted by a hearing officer, the board of  
25 education shall, within 45 days after the receipt of the  
26 hearing officer's findings, decide whether or not the pupil is

1 a resident of the district and the amount of any tuition  
2 required to be charged under Section 10-20.12a as a result of  
3 the pupil's attendance in the schools of the district. The  
4 board of education shall send, by certified mail, return  
5 receipt requested, a copy of its decision to the person who  
6 enrolled the pupil, and the decision of the board shall be  
7 final.

8 (d) If a hearing is requested under subsection (c) or (c-5)  
9 to review the determination of the school board or board of  
10 education that a nonresident pupil is attending the schools of  
11 the district without payment of the tuition required to be  
12 charged under Section 10-20.12a, the pupil may, at the request  
13 of a person who enrolled the pupil, continue attendance at the  
14 schools of the district pending a final decision of the board  
15 following the hearing. However, attendance of that pupil in the  
16 schools of the district as authorized by this subsection (d)  
17 shall not relieve any person who enrolled the pupil of the  
18 obligation to pay the tuition charged for that attendance under  
19 Section 10-20.12a if the final decision of the board is that  
20 the pupil is a nonresident of the district. If a pupil is  
21 determined to be a nonresident of the district for whom tuition  
22 is required to be charged pursuant to this Section, the board  
23 shall refuse to permit the pupil to continue attending the  
24 schools of the district unless the required tuition is paid for  
25 the pupil.

26 (e) Except for a pupil referred to in subsection (b) of

1 Section 10-22.5a, a pupil referred to in Section 10-20.12a, or  
2 a pupil referred to in subsection (b) of this Section, a person  
3 who knowingly enrolls or attempts to enroll in the schools of a  
4 school district on a tuition free basis a pupil known by that  
5 person to be a nonresident of the district shall be guilty of a  
6 Class C misdemeanor.

7 (f) A person who knowingly or wilfully presents to any  
8 school district any false information regarding the residency  
9 of a pupil for the purpose of enabling that pupil to attend any  
10 school in that district without the payment of a nonresident  
11 tuition charge shall be guilty of a Class C misdemeanor.

12 (g) The provisions of this Section are subject to the  
13 provisions of the Education for Homeless Children Act. Nothing  
14 in this Section shall be construed to apply to or require the  
15 payment of tuition by a parent or guardian of a "homeless  
16 child" (as that term is defined in Section 1-5 of the Education  
17 for Homeless Children Act) in connection with or as a result of  
18 the homeless child's continued education or enrollment in a  
19 school that is chosen in accordance with any of the options  
20 provided in Section 1-10 of that Act.

22 Section 10. The Probate Act of 1975 is amended by changing  
23 Sections 11-5.4 and 11-13.2 as follows:

24 (755 ILCS 5/11-5.4)

1           Sec. 11-5.4. Short-term guardian.

2           (a) A parent, adoptive parent, or adjudicated parent whose  
3 parental rights have not been terminated, or the guardian of  
4 the person of a minor may appoint in writing, without court  
5 approval, a short-term guardian of an unmarried minor or a  
6 child likely to be born. The written instrument appointing a  
7 short-term guardian shall be dated and shall identify the  
8 appointing parent or guardian, the minor, and the person  
9 appointed to be the short-term guardian. The written instrument  
10 shall be signed by, or at the direction of, the appointing  
11 parent in the presence of at least 2 credible witnesses at  
12 least 18 years of age, neither of whom is the person appointed  
13 as the short-term guardian. The person appointed as the  
14 short-term guardian shall also sign the written instrument, but  
15 need not sign at the same time as the appointing parent.

16           (b) A parent or guardian shall not appoint a short-term  
17 guardian of a minor if the minor has another living parent,  
18 adoptive parent or adjudicated parent, whose parental rights  
19 have not been terminated, whose whereabouts are known, and who  
20 is willing and able to make and carry out day-to-day child care  
21 decisions concerning the minor, unless the nonappointing  
22 parent consents to the appointment by signing the written  
23 instrument of appointment.

24           (c) The appointment of the short-term guardian is effective  
25 immediately upon the date the written instrument is executed,  
26 unless the written instrument provides for the appointment to

1 become effective upon a later specified date or event. The  
2 short-term guardian shall have authority to act as guardian of  
3 the minor as provided in Section 11-13.2 for a period of 365 ~~60~~  
4 days from the date the appointment is effective, unless the  
5 written instrument provides for the appointment to terminate  
6 upon an earlier specified date or event. Only one written  
7 instrument appointing a short-term guardian may be in force at  
8 any given time.

9 (d) Every appointment of a short-term guardian may be  
10 amended or revoked by the appointing parent or by the  
11 appointing guardian of the person of the minor at any time and  
12 in any manner communicated to the short-term guardian or to any  
13 other person. Any person other than the short-term guardian to  
14 whom a revocation or amendment is communicated or delivered  
15 shall make all reasonable efforts to inform the short-term  
16 guardian of that fact as promptly as possible.

17 (e) The appointment of a short-term guardian or successor  
18 short-term guardian does not affect the rights of the other  
19 parent in the minor.

20 (f) The written instrument appointing a short-term  
21 guardian may, but need not, be in the following form:
