17 leased facility property used for airport purposes under
18 Section 35 of the Local Government Facility Lease Act.

19 "Construction" means all work on public works involving

23 "Locality" means the county where the physical work upon
24 public works is performed, except (1) that if there is not
25 available in the county a sufficient number of competent
26 skilled laborers, workers and mechanics to construct the public

1 works efficiently and properly, "locality" includes any other
2 county nearest the one in which the work or construction is to
3 be performed and from which such persons may be obtained in
4 sufficient numbers to perform the work and (2) that, with
5 respect to contracts for highway work with the Department of
6 Transportation of this State, "locality" may at the discretion
7 of the Secretary of the Department of Transportation be
8 construed to include two or more adjacent counties from which
9 workers may be accessible for work on such construction.

10 "Public body" means the State or any officer, board or
