A BILL FOR

1   AN ACT concerning computer technology.

2   **Be it enacted by the People of the State of Illinois,**

3   **represented in the General Assembly:**

4   Section 5. The Data Security on State Computers Act is

5   amended by changing Section 20 as follows:

6   (20 ILCS 450/20)

7   Sec. 20. Establishment and implementation. The ~~The~~ Data

8   Security on State Computers Act is established to protect

9   sensitive data stored on State-owned electronic data

10   processing equipment to be (i) disposed of by sale, donation,

11   or transfer or (ii) relinquished to a successor executive

12   administration. This Act shall be administered by the

13   Department or an authorized agency. The Department or an

14   authorized agency shall implement a policy to mandate that all

15   hard drives of surplus electronic data processing equipment be

16   cleared of all data and software before being prepared for

17   sale, donation, or transfer by (i) overwriting the previously

18   stored data on a drive or a disk at least 10 times and (ii)

19   certifying in writing that the overwriting process has been

20   completed by providing the following information: (1) the

21   serial number of the computer or other surplus electronic data

22   processing equipment; (2) the name of the overwriting software

23   used; and (3) the name, date, and signature of the person

1   performing the overwriting process. The head of each State

2   agency shall establish a system for the protection and

3   preservation of State data on State-owned electronic data

4   processing equipment necessary for the continuity of

5   government functions upon it being relinquished to a successor

6   executive administration.
