HB1239 Engrossed

1 AN ACT concerning public health.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Community Health Center Expansion Act is
amended by changing Section 5 as follows:

6 (410 ILCS 66/5)

7 Sec. 5. Definitions. In this Act:

8 "Community health center site" means a new physical site 9 where a community health center will provide primary health 10 care services either to a medically underserved population or 11 area or to the uninsured population of this State.

"Community provider" means a Federally Qualified Health Center (FQHC) or FQHC Look-Alike (Community Health Center or health center), designated as such by the Secretary of the United States Department of Health and Human Services, that operates at least one federally designated primary health care delivery site in the State of Illinois.

18 "Department" means the Illinois Department of Public19 Health.

20 "Medically underserved area" means an urban or rural area 21 designated by the Secretary of the United States Department of 22 Health and Human Services as an area with a shortage of 23 personal health services. HB1239 Engrossed - 2 - LRB095 09836 KBJ 30047 b

1 "Medically underserved population" means (i) the population of an urban or rural area designated by the 2 3 Secretary of the United States Department of Health and Human Services as an area with a shortage of personal health services 4 5 or (ii) a population group designated by the Secretary as having a shortage of those services. 6 "Primary health care services" means the following: 7 8 (1) Basic health services consisting of the following: 9 (A) Health services related to family medicine, medicine, pediatrics, obstetrics, 10 internal or 11 gynecology that are furnished by physicians and, if 12 appropriate, physician assistants, nurse 13 practitioners, and nurse midwives. (B) Diagnostic laboratory and radiologic services. 14 (C) Preventive health services, including the 15 16 following: 17 (i) Prenatal and perinatal services. 18 (ii) Screenings for breast, ovarian, and cervical cancer. 19 20 (iii) Well-child services. 21 (iv) Immunizations against vaccine-preventable 22 diseases. 23 (v) Screenings for elevated blood lead levels, 24 communicable diseases, and cholesterol. 25 (vi) Pediatric eye, ear, and dental screenings 26 to determine the need for vision and hearing HB1239 Engrossed - 3 - LRB095 09836 KBJ 30047 b

correction and dental care.
