A BILL FOR

1 AN ACT concerning finance.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the
5 Greater Illinois Transportation Infrastructure Act.

6 Section 5. Definitions. As used in this Act:

7 "Department" means the Department of Transportation.

8 "Greater Illinois Region" means all areas of the State
9 outside the boundaries of the counties of Cook, DuPage, Will,
10 Kane, Lake, and McHenry.

11 "Motor fuel" means that term as defined in the Motor Fuel
12 Tax Law, not including aviation fuel.

13 "Road district" means any road district, including a county
14 unit road district, provided for by the Illinois Highway Code;
15 and the term "township or district road" means any road in the
16 township and district road system as defined in the Illinois
17 Highway Code. For the purposes of this Section, "road district"
18 also includes park districts, forest preserve districts and
19 conservation districts organized under Illinois law and
20 "township or district road" also includes such roads as are
21 maintained by park districts, forest preserve districts and
22 conservation districts.

1 Section 10. The Greater Illinois Transportation
2 Infrastructure Fund.

3 (a) The Greater Illinois Transportation Infrastructure
4 Fund is created as a special fund in the State treasury. The
5 Department shall distribute the moneys in the Fund in
6 accordance with Section 15 of this Act.

7 (b) Beginning on the 25th day after the month in which
8 retailers of motor fuel in the Greater Illinois Region are
9 required under the Retailers' Occupation Tax Act to separately
10 file a report with the Department of Revenue of gross receipts
11 on the sale of motor fuel in accordance with the provisions of
12 Section 3 of the Retailers' Occupation Tax Act, on or before
13 the 25th day of each calendar month, the Department of Revenue
14 shall prepare and certify to the Comptroller the transfer of
15 stated sums of money from the General Revenue Fund into the
16 Greater Illinois Transportation Infrastructure Fund. The
17 amount to be certified is a percentage of the amount collected
18 by the Department of Revenue from sales of motor fuel by the
19 retailer in the Greater Illinois Region during the preceding
20 calendar month (including amounts prepaid by the retailer to
21 the motor fuel distributor under Section 2d of the Retailers'
22 Occupation Tax Act). The Department of Revenue shall determine
23 the amount collected from the sale of motor fuel by retailers
24 in the Greater Illinois Region based on reports required to be
25 filed under the Retailers' Occupation Tax Act in accordance
26 with Section 3 of the Retailers' Occupation Tax Act. For each

1 monthly transfer, the amount to be certified is 80% of the net
2 revenue realized from the 6.25% general rate under the
3 Retailers' Occupation Tax Act on the selling price of motor
4 fuel sold by a retailer that is located within the Greater
5 Illinois Region. Within 10 days after receipt by the
6 Comptroller of the transfer certification from the Department
7 of Revenue, the Comptroller shall order transferred and the
8 Treasurer shall transfer the amount certified from the General
9 Revenue Fund into the Greater Illinois Transportation
10 Infrastructure Fund. Any interest earnings that are
11 attributable to moneys in the Fund must be deposited into the
12 Fund.

13 (c) Moneys in the Fund may not be used for any other
14 purpose than those set forth under this Act and are not subject
15 to any administrative transfer, set-aside, or charge-back of
16 any kind.

17 Section 15. Disbursements from the Greater Illinois
18 Transportation Infrastructure Fund.

19 (a) On the last day of each month, or as soon thereafter as
20 practical, the Department shall distribute the moneys in the
21 Greater Illinois Transportation Infrastructure Fund as
22 follows:

23 (1) 55% to the municipalities within the Greater
24 Illinois Region;

25 (2) 25% to the counties within the Greater Illinois

1 Region; and

2 (3) 20% to the road districts of the Greater Illinois
3 Region.

4 (b) The Department shall allot to each municipality its
5 share of the amount apportioned to the several municipalities
6 which is in proportion to the population of those
7 municipalities as determined by the last preceding municipal
8 census if conducted by the Federal Government or Federal
9 census. If territory is annexed to any municipality after the
10 time of the last preceding census, then the corporate
11 authorities of the municipality may cause a census to be taken
12 of that annexed territory, and the population so ascertained
13 for that territory shall be added to the population of the
14 municipality as determined by the last preceding census for the
15 purpose of determining the allotment for that municipality. If
16 the population of any municipality was not determined by the
17 last Federal census preceding any apportionment, then the
18 apportionment to that municipality is in accordance with any
19 census taken by that municipality. Any municipal census used in
20 accordance with this subsection must be certified to the
21 Department of Transportation by the clerk of the municipality,
22 and the accuracy thereof is subject to approval of the
23 Department, which may make such corrections as it ascertains to
24 be necessary.

25 (c) The Department shall allot to each county its share of
26 the amount apportioned to the several counties in proportion to

1 the amount of motor vehicle license fees received from the
2 residents of those counties, respectively, during the
3 preceding calendar year. The Secretary of State shall, on or
4 before April 15 of each year, transmit to the Department a full
5 and complete report showing the amount of motor vehicle license
6 fees received from the residents of each county, respectively,
7 during the preceding calendar year. The Department shall, each
8 month, use for allotment purposes the last such report received
9 from the Secretary of State.

10 (d) The Department shall allot to the several counties
11 their share of the amount apportioned for the use of road
12 districts. The allotment shall be apportioned among the several
13 counties in the State in the proportion which the total mileage
14 of township or district roads in the respective counties bears
15 to the total mileage of all township and district roads in the
16 State. Funds allotted to the respective counties for the use of
17 road districts therein shall be allocated to the several road
18 districts in the county in the proportion which the total
19 mileage of such township or district roads in the respective
20 road districts bears to the total mileage of all such township
21 or district roads in the county. The Department shall determine
22 the mileage of all township and district roads for the purposes
23 of making allotments and allocations.

24 (e) Municipalities, counties, and road districts may use
25 the moneys distributed under this Act for any purpose for which
26 moneys may be used under the Motor Fuel Tax Law.

1 Section 90. The State Finance Act is amended by adding
2 Section 5.708 as follows:

3 (30 ILCS 105/5.708 new)

4 Sec. 5.708. The Greater Illinois Transportation
5 Infrastructure Fund.

6 Section 95. The Retailers' Occupation Tax Act is amended by
7 changing Section 3 as follows:

8 (35 ILCS 120/3) (from Ch. 120, par. 442)

9 Sec. 3. Except as provided in this Section, on or before
10 the twentieth day of each calendar month, every person engaged
11 in the business of selling tangible personal property at retail
12 in this State during the preceding calendar month shall file a
13 return with the Department, stating:

14 1. The name of the seller;

15 2. His residence address and the address of his
16 principal place of business and the address of the
17 principal place of business (if that is a different
18 address) from which he engages in the business of selling
19 tangible personal property at retail in this State;

20 3. Total amount of receipts received by him during the
21 preceding calendar month or quarter, as the case may be,
22 from sales of tangible personal property, and from services

1 furnished, by him during such preceding calendar month or
2 quarter;

3 4. Total amount received by him during the preceding
4 calendar month or quarter on charge and time sales of
5 tangible personal property, and from services furnished,
6 by him prior to the month or quarter for which the return
7 is filed;

8 5. Deductions allowed by law;

9 6. Gross receipts which were received by him during the
10 preceding calendar month or quarter and upon the basis of
11 which the tax is imposed;

12 7. The amount of credit provided in Section 2d of this
13 Act;

14 8. The amount of tax due;

15 9. The signature of the taxpayer; and

16 10. Such other reasonable information as the
17 Department may require.

18 If a taxpayer fails to sign a return within 30 days after
19 the proper notice and demand for signature by the Department,
20 the return shall be considered valid and any amount shown to be
21 due on the return shall be deemed assessed.

22 Each return shall be accompanied by the statement of
23 prepaid tax issued pursuant to Section 2e for which credit is
24 claimed.

25 Prior to October 1, 2003, and on and after September 1,
26 2004 a retailer may accept a Manufacturer's Purchase Credit

1 certification from a purchaser in satisfaction of Use Tax as
2 provided in Section 3-85 of the Use Tax Act if the purchaser
3 provides the appropriate documentation as required by Section
4 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit
5 certification, accepted by a retailer prior to October 1, 2003
6 and on and after September 1, 2004 as provided in Section 3-85
7 of the Use Tax Act, may be used by that retailer to satisfy
8 Retailers' Occupation Tax liability in the amount claimed in
9 the certification, not to exceed 6.25% of the receipts subject
10 to tax from a qualifying purchase. A Manufacturer's Purchase
11 Credit reported on any original or amended return filed under
12 this Act after October 20, 2003 for reporting periods prior to
13 September 1, 2004 shall be disallowed. Manufacturer's
14 Purchaser Credit reported on annual returns due on or after
15 January 1, 2005 will be disallowed for periods prior to
16 September 1, 2004. No Manufacturer's Purchase Credit may be
17 used after September 30, 2003 through August 31, 2004 to
18 satisfy any tax liability imposed under this Act, including any
19 audit liability.

20 The Department may require returns to be filed on a
21 quarterly basis. If so required, a return for each calendar
22 quarter shall be filed on or before the twentieth day of the
23 calendar month following the end of such calendar quarter. The
24 taxpayer shall also file a return with the Department for each
25 of the first two months of each calendar quarter, on or before
26 the twentieth day of the following calendar month, stating:

- 1 1. The name of the seller;
- 2 2. The address of the principal place of business from
3 which he engages in the business of selling tangible
4 personal property at retail in this State;
- 5 3. The total amount of taxable receipts received by him
6 during the preceding calendar month from sales of tangible
7 personal property by him during such preceding calendar
8 month, including receipts from charge and time sales, but
9 less all deductions allowed by law;
- 10 4. The amount of credit provided in Section 2d of this
11 Act;
- 12 5. The amount of tax due; and
- 13 6. Such other reasonable information as the Department
14 may require.

15 Beginning on October 1, 2003, any person who is not a
16 licensed distributor, importing distributor, or manufacturer,
17 as defined in the Liquor Control Act of 1934, but is engaged in
18 the business of selling, at retail, alcoholic liquor shall file
19 a statement with the Department of Revenue, in a format and at
20 a time prescribed by the Department, showing the total amount
21 paid for alcoholic liquor purchased during the preceding month
22 and such other information as is reasonably required by the
23 Department. The Department may adopt rules to require that this
24 statement be filed in an electronic or telephonic format. Such
25 rules may provide for exceptions from the filing requirements
26 of this paragraph. For the purposes of this paragraph, the term

1 "alcoholic liquor" shall have the meaning prescribed in the
2 Liquor Control Act of 1934.

3 Beginning on October 1, 2003, every distributor, importing
4 distributor, and manufacturer of alcoholic liquor as defined in
5 the Liquor Control Act of 1934, shall file a statement with the
6 Department of Revenue, no later than the 10th day of the month
7 for the preceding month during which transactions occurred, by
8 electronic means, showing the total amount of gross receipts
9 from the sale of alcoholic liquor sold or distributed during
10 the preceding month to purchasers; identifying the purchaser to
11 whom it was sold or distributed; the purchaser's tax
12 registration number; and such other information reasonably
13 required by the Department. A distributor, importing
14 distributor, or manufacturer of alcoholic liquor must
15 personally deliver, mail, or provide by electronic means to
16 each retailer listed on the monthly statement a report
17 containing a cumulative total of that distributor's, importing
18 distributor's, or manufacturer's total sales of alcoholic
19 liquor to that retailer no later than the 10th day of the month
20 for the preceding month during which the transaction occurred.
21 The distributor, importing distributor, or manufacturer shall
22 notify the retailer as to the method by which the distributor,
23 importing distributor, or manufacturer will provide the sales
24 information. If the retailer is unable to receive the sales
25 information by electronic means, the distributor, importing
26 distributor, or manufacturer shall furnish the sales

1 information by personal delivery or by mail. For purposes of
2 this paragraph, the term "electronic means" includes, but is
3 not limited to, the use of a secure Internet website, e-mail,
4 or facsimile.

5 Beginning with the month immediately following the
6 effective date of this amendatory Act of the 95th General
7 Assembly and for each month thereafter, a retailer of motor
8 fuel that is located in the Greater Illinois Region must
9 separately record the gross receipts received by him or her
10 from the retail sale of motor fuel and the amount of tax
11 properly due and required to be paid on those sales (including
12 amounts prepaid by the retailer to the motor fuel distributor
13 under Section 2d of this Act). Beginning with the second month
14 immediately following the effective date of this amendatory Act
15 of the 95th General Assembly and for each month thereafter,
16 each retailer of motor fuel that is located within the Greater
17 Illinois Region must file a report to the Department detailing
18 the gross receipts that were received by him or her from the
19 retail sale of motor fuel during the preceding calendar month
20 or quarter, as the case may be, and the amount of tax properly
21 due and paid on those sales (including amounts prepaid by the
22 retailer to the motor fuel distributor under Section 2d of this
23 Act). The report must be filed in the manner and format as
24 prescribed by the Department of Revenue and is due at the same
25 time as the return filed by the retailer under this Act. For
26 purposes of this paragraph, "motor fuel" means that term as

1 defined in the Motor Fuel Tax Law, not including aviation fuel,
2 and "Greater Illinois Region" means that term as defined in the
3 Greater Illinois Transportation Infrastructure Act.

4 If a total amount of less than \$1 is payable, refundable or
5 creditable, such amount shall be disregarded if it is less than
6 50 cents and shall be increased to \$1 if it is 50 cents or more.

7 Beginning October 1, 1993, a taxpayer who has an average
8 monthly tax liability of \$150,000 or more shall make all
9 payments required by rules of the Department by electronic
10 funds transfer. Beginning October 1, 1994, a taxpayer who has
11 an average monthly tax liability of \$100,000 or more shall make
12 all payments required by rules of the Department by electronic
13 funds transfer. Beginning October 1, 1995, a taxpayer who has
14 an average monthly tax liability of \$50,000 or more shall make
15 all payments required by rules of the Department by electronic
16 funds transfer. Beginning October 1, 2000, a taxpayer who has
17 an annual tax liability of \$200,000 or more shall make all
18 payments required by rules of the Department by electronic
19 funds transfer. The term "annual tax liability" shall be the
20 sum of the taxpayer's liabilities under this Act, and under all
21 other State and local occupation and use tax laws administered
22 by the Department, for the immediately preceding calendar year.
23 The term "average monthly tax liability" shall be the sum of
24 the taxpayer's liabilities under this Act, and under all other
25 State and local occupation and use tax laws administered by the
26 Department, for the immediately preceding calendar year

1 divided by 12. Beginning on October 1, 2002, a taxpayer who has
2 a tax liability in the amount set forth in subsection (b) of
3 Section 2505-210 of the Department of Revenue Law shall make
4 all payments required by rules of the Department by electronic
5 funds transfer.

6 Before August 1 of each year beginning in 1993, the
7 Department shall notify all taxpayers required to make payments
8 by electronic funds transfer. All taxpayers required to make
9 payments by electronic funds transfer shall make those payments
10 for a minimum of one year beginning on October 1.

11 Any taxpayer not required to make payments by electronic
12 funds transfer may make payments by electronic funds transfer
13 with the permission of the Department.

14 All taxpayers required to make payment by electronic funds
15 transfer and any taxpayers authorized to voluntarily make
16 payments by electronic funds transfer shall make those payments
17 in the manner authorized by the Department.

18 The Department shall adopt such rules as are necessary to
19 effectuate a program of electronic funds transfer and the
20 requirements of this Section.

21 Any amount which is required to be shown or reported on any
22 return or other document under this Act shall, if such amount
23 is not a whole-dollar amount, be increased to the nearest
24 whole-dollar amount in any case where the fractional part of a
25 dollar is 50 cents or more, and decreased to the nearest
26 whole-dollar amount where the fractional part of a dollar is

1 less than 50 cents.

2 If the retailer is otherwise required to file a monthly
3 return and if the retailer's average monthly tax liability to
4 the Department does not exceed \$200, the Department may
5 authorize his returns to be filed on a quarter annual basis,
6 with the return for January, February and March of a given year
7 being due by April 20 of such year; with the return for April,
8 May and June of a given year being due by July 20 of such year;
9 with the return for July, August and September of a given year
10 being due by October 20 of such year, and with the return for
11 October, November and December of a given year being due by
12 January 20 of the following year.

13 If the retailer is otherwise required to file a monthly or
14 quarterly return and if the retailer's average monthly tax
15 liability with the Department does not exceed \$50, the
16 Department may authorize his returns to be filed on an annual
17 basis, with the return for a given year being due by January 20
18 of the following year.

19 Such quarter annual and annual returns, as to form and
20 substance, shall be subject to the same requirements as monthly
21 returns.

22 Notwithstanding any other provision in this Act concerning
23 the time within which a retailer may file his return, in the
24 case of any retailer who ceases to engage in a kind of business
25 which makes him responsible for filing returns under this Act,
26 such retailer shall file a final return under this Act with the

1 Department not more than one month after discontinuing such
2 business.

3 Where the same person has more than one business registered
4 with the Department under separate registrations under this
5 Act, such person may not file each return that is due as a
6 single return covering all such registered businesses, but
7 shall file separate returns for each such registered business.

8 In addition, with respect to motor vehicles, watercraft,
9 aircraft, and trailers that are required to be registered with
10 an agency of this State, every retailer selling this kind of
11 tangible personal property shall file, with the Department,
12 upon a form to be prescribed and supplied by the Department, a
13 separate return for each such item of tangible personal
14 property which the retailer sells, except that if, in the same
15 transaction, (i) a retailer of aircraft, watercraft, motor
16 vehicles or trailers transfers more than one aircraft,
17 watercraft, motor vehicle or trailer to another aircraft,
18 watercraft, motor vehicle retailer or trailer retailer for the
19 purpose of resale or (ii) a retailer of aircraft, watercraft,
20 motor vehicles, or trailers transfers more than one aircraft,
21 watercraft, motor vehicle, or trailer to a purchaser for use as
22 a qualifying rolling stock as provided in Section 2-5 of this
23 Act, then that seller may report the transfer of all aircraft,
24 watercraft, motor vehicles or trailers involved in that
25 transaction to the Department on the same uniform
26 invoice-transaction reporting return form. For purposes of

1 this Section, "watercraft" means a Class 2, Class 3, or Class 4
2 watercraft as defined in Section 3-2 of the Boat Registration
3 and Safety Act, a personal watercraft, or any boat equipped
4 with an inboard motor.

5 Any retailer who sells only motor vehicles, watercraft,
6 aircraft, or trailers that are required to be registered with
7 an agency of this State, so that all retailers' occupation tax
8 liability is required to be reported, and is reported, on such
9 transaction reporting returns and who is not otherwise required
10 to file monthly or quarterly returns, need not file monthly or
11 quarterly returns. However, those retailers shall be required
12 to file returns on an annual basis.

13 The transaction reporting return, in the case of motor
14 vehicles or trailers that are required to be registered with an
15 agency of this State, shall be the same document as the Uniform
16 Invoice referred to in Section 5-402 of The Illinois Vehicle
17 Code and must show the name and address of the seller; the name
18 and address of the purchaser; the amount of the selling price
19 including the amount allowed by the retailer for traded-in
20 property, if any; the amount allowed by the retailer for the
21 traded-in tangible personal property, if any, to the extent to
22 which Section 1 of this Act allows an exemption for the value
23 of traded-in property; the balance payable after deducting such
24 trade-in allowance from the total selling price; the amount of
25 tax due from the retailer with respect to such transaction; the
26 amount of tax collected from the purchaser by the retailer on

1 such transaction (or satisfactory evidence that such tax is not
2 due in that particular instance, if that is claimed to be the
3 fact); the place and date of the sale; a sufficient
4 identification of the property sold; such other information as
5 is required in Section 5-402 of The Illinois Vehicle Code, and
6 such other information as the Department may reasonably
7 require.

8 The transaction reporting return in the case of watercraft
9 or aircraft must show the name and address of the seller; the
10 name and address of the purchaser; the amount of the selling
11 price including the amount allowed by the retailer for
12 traded-in property, if any; the amount allowed by the retailer
13 for the traded-in tangible personal property, if any, to the
14 extent to which Section 1 of this Act allows an exemption for
15 the value of traded-in property; the balance payable after
16 deducting such trade-in allowance from the total selling price;
17 the amount of tax due from the retailer with respect to such
18 transaction; the amount of tax collected from the purchaser by
19 the retailer on such transaction (or satisfactory evidence that
20 such tax is not due in that particular instance, if that is
21 claimed to be the fact); the place and date of the sale, a
22 sufficient identification of the property sold, and such other
23 information as the Department may reasonably require.

24 Such transaction reporting return shall be filed not later
25 than 20 days after the day of delivery of the item that is
26 being sold, but may be filed by the retailer at any time sooner

1 than that if he chooses to do so. The transaction reporting
2 return and tax remittance or proof of exemption from the
3 Illinois use tax may be transmitted to the Department by way of
4 the State agency with which, or State officer with whom the
5 tangible personal property must be titled or registered (if
6 titling or registration is required) if the Department and such
7 agency or State officer determine that this procedure will
8 expedite the processing of applications for title or
9 registration.

10 With each such transaction reporting return, the retailer
11 shall remit the proper amount of tax due (or shall submit
12 satisfactory evidence that the sale is not taxable if that is
13 the case), to the Department or its agents, whereupon the
14 Department shall issue, in the purchaser's name, a use tax
15 receipt (or a certificate of exemption if the Department is
16 satisfied that the particular sale is tax exempt) which such
17 purchaser may submit to the agency with which, or State officer
18 with whom, he must title or register the tangible personal
19 property that is involved (if titling or registration is
20 required) in support of such purchaser's application for an
21 Illinois certificate or other evidence of title or registration
22 to such tangible personal property.

23 No retailer's failure or refusal to remit tax under this
24 Act precludes a user, who has paid the proper tax to the
25 retailer, from obtaining his certificate of title or other
26 evidence of title or registration (if titling or registration

1 is required) upon satisfying the Department that such user has
2 paid the proper tax (if tax is due) to the retailer. The
3 Department shall adopt appropriate rules to carry out the
4 mandate of this paragraph.

5 If the user who would otherwise pay tax to the retailer
6 wants the transaction reporting return filed and the payment of
7 the tax or proof of exemption made to the Department before the
8 retailer is willing to take these actions and such user has not
9 paid the tax to the retailer, such user may certify to the fact
10 of such delay by the retailer and may (upon the Department
11 being satisfied of the truth of such certification) transmit
12 the information required by the transaction reporting return
13 and the remittance for tax or proof of exemption directly to
14 the Department and obtain his tax receipt or exemption
15 determination, in which event the transaction reporting return
16 and tax remittance (if a tax payment was required) shall be
17 credited by the Department to the proper retailer's account
18 with the Department, but without the 2.1% or 1.75% discount
19 provided for in this Section being allowed. When the user pays
20 the tax directly to the Department, he shall pay the tax in the
21 same amount and in the same form in which it would be remitted
22 if the tax had been remitted to the Department by the retailer.

23 Refunds made by the seller during the preceding return
24 period to purchasers, on account of tangible personal property
25 returned to the seller, shall be allowed as a deduction under
26 subdivision 5 of his monthly or quarterly return, as the case

1 may be, in case the seller had theretofore included the
2 receipts from the sale of such tangible personal property in a
3 return filed by him and had paid the tax imposed by this Act
4 with respect to such receipts.

5 Where the seller is a corporation, the return filed on
6 behalf of such corporation shall be signed by the president,
7 vice-president, secretary or treasurer or by the properly
8 accredited agent of such corporation.

9 Where the seller is a limited liability company, the return
10 filed on behalf of the limited liability company shall be
11 signed by a manager, member, or properly accredited agent of
12 the limited liability company.

13 Except as provided in this Section, the retailer filing the
14 return under this Section shall, at the time of filing such
15 return, pay to the Department the amount of tax imposed by this
16 Act less a discount of 2.1% prior to January 1, 1990 and 1.75%
17 on and after January 1, 1990, or \$5 per calendar year,
18 whichever is greater, which is allowed to reimburse the
19 retailer for the expenses incurred in keeping records,
20 preparing and filing returns, remitting the tax and supplying
21 data to the Department on request. Any prepayment made pursuant
22 to Section 2d of this Act shall be included in the amount on
23 which such 2.1% or 1.75% discount is computed. In the case of
24 retailers who report and pay the tax on a transaction by
25 transaction basis, as provided in this Section, such discount
26 shall be taken with each such tax remittance instead of when

1 such retailer files his periodic return.

2 Before October 1, 2000, if the taxpayer's average monthly
3 tax liability to the Department under this Act, the Use Tax
4 Act, the Service Occupation Tax Act, and the Service Use Tax
5 Act, excluding any liability for prepaid sales tax to be
6 remitted in accordance with Section 2d of this Act, was \$10,000
7 or more during the preceding 4 complete calendar quarters, he
8 shall file a return with the Department each month by the 20th
9 day of the month next following the month during which such tax
10 liability is incurred and shall make payments to the Department
11 on or before the 7th, 15th, 22nd and last day of the month
12 during which such liability is incurred. On and after October
13 1, 2000, if the taxpayer's average monthly tax liability to the
14 Department under this Act, the Use Tax Act, the Service
15 Occupation Tax Act, and the Service Use Tax Act, excluding any
16 liability for prepaid sales tax to be remitted in accordance
17 with Section 2d of this Act, was \$20,000 or more during the
18 preceding 4 complete calendar quarters, he shall file a return
19 with the Department each month by the 20th day of the month
20 next following the month during which such tax liability is
21 incurred and shall make payment to the Department on or before
22 the 7th, 15th, 22nd and last day of the month during which such
23 liability is incurred. If the month during which such tax
24 liability is incurred began prior to January 1, 1985, each
25 payment shall be in an amount equal to 1/4 of the taxpayer's
26 actual liability for the month or an amount set by the

1 Department not to exceed 1/4 of the average monthly liability
2 of the taxpayer to the Department for the preceding 4 complete
3 calendar quarters (excluding the month of highest liability and
4 the month of lowest liability in such 4 quarter period). If the
5 month during which such tax liability is incurred begins on or
6 after January 1, 1985 and prior to January 1, 1987, each
7 payment shall be in an amount equal to 22.5% of the taxpayer's
8 actual liability for the month or 27.5% of the taxpayer's
9 liability for the same calendar month of the preceding year. If
10 the month during which such tax liability is incurred begins on
11 or after January 1, 1987 and prior to January 1, 1988, each
12 payment shall be in an amount equal to 22.5% of the taxpayer's
13 actual liability for the month or 26.25% of the taxpayer's
14 liability for the same calendar month of the preceding year. If
15 the month during which such tax liability is incurred begins on
16 or after January 1, 1988, and prior to January 1, 1989, or
17 begins on or after January 1, 1996, each payment shall be in an
18 amount equal to 22.5% of the taxpayer's actual liability for
19 the month or 25% of the taxpayer's liability for the same
20 calendar month of the preceding year. If the month during which
21 such tax liability is incurred begins on or after January 1,
22 1989, and prior to January 1, 1996, each payment shall be in an
23 amount equal to 22.5% of the taxpayer's actual liability for
24 the month or 25% of the taxpayer's liability for the same
25 calendar month of the preceding year or 100% of the taxpayer's
26 actual liability for the quarter monthly reporting period. The

1 amount of such quarter monthly payments shall be credited
2 against the final tax liability of the taxpayer's return for
3 that month. Before October 1, 2000, once applicable, the
4 requirement of the making of quarter monthly payments to the
5 Department by taxpayers having an average monthly tax liability
6 of \$10,000 or more as determined in the manner provided above
7 shall continue until such taxpayer's average monthly liability
8 to the Department during the preceding 4 complete calendar
9 quarters (excluding the month of highest liability and the
10 month of lowest liability) is less than \$9,000, or until such
11 taxpayer's average monthly liability to the Department as
12 computed for each calendar quarter of the 4 preceding complete
13 calendar quarter period is less than \$10,000. However, if a
14 taxpayer can show the Department that a substantial change in
15 the taxpayer's business has occurred which causes the taxpayer
16 to anticipate that his average monthly tax liability for the
17 reasonably foreseeable future will fall below the \$10,000
18 threshold stated above, then such taxpayer may petition the
19 Department for a change in such taxpayer's reporting status. On
20 and after October 1, 2000, once applicable, the requirement of
21 the making of quarter monthly payments to the Department by
22 taxpayers having an average monthly tax liability of \$20,000 or
23 more as determined in the manner provided above shall continue
24 until such taxpayer's average monthly liability to the
25 Department during the preceding 4 complete calendar quarters
26 (excluding the month of highest liability and the month of

1 lowest liability) is less than \$19,000 or until such taxpayer's
2 average monthly liability to the Department as computed for
3 each calendar quarter of the 4 preceding complete calendar
4 quarter period is less than \$20,000. However, if a taxpayer can
5 show the Department that a substantial change in the taxpayer's
6 business has occurred which causes the taxpayer to anticipate
7 that his average monthly tax liability for the reasonably
8 foreseeable future will fall below the \$20,000 threshold stated
9 above, then such taxpayer may petition the Department for a
10 change in such taxpayer's reporting status. The Department
11 shall change such taxpayer's reporting status unless it finds
12 that such change is seasonal in nature and not likely to be
13 long term. If any such quarter monthly payment is not paid at
14 the time or in the amount required by this Section, then the
15 taxpayer shall be liable for penalties and interest on the
16 difference between the minimum amount due as a payment and the
17 amount of such quarter monthly payment actually and timely
18 paid, except insofar as the taxpayer has previously made
19 payments for that month to the Department in excess of the
20 minimum payments previously due as provided in this Section.
21 The Department shall make reasonable rules and regulations to
22 govern the quarter monthly payment amount and quarter monthly
23 payment dates for taxpayers who file on other than a calendar
24 monthly basis.

25 The provisions of this paragraph apply before October 1,
26 2001. Without regard to whether a taxpayer is required to make

1 quarter monthly payments as specified above, any taxpayer who
2 is required by Section 2d of this Act to collect and remit
3 prepaid taxes and has collected prepaid taxes which average in
4 excess of \$25,000 per month during the preceding 2 complete
5 calendar quarters, shall file a return with the Department as
6 required by Section 2f and shall make payments to the
7 Department on or before the 7th, 15th, 22nd and last day of the
8 month during which such liability is incurred. If the month
9 during which such tax liability is incurred began prior to the
10 effective date of this amendatory Act of 1985, each payment
11 shall be in an amount not less than 22.5% of the taxpayer's
12 actual liability under Section 2d. If the month during which
13 such tax liability is incurred begins on or after January 1,
14 1986, each payment shall be in an amount equal to 22.5% of the
15 taxpayer's actual liability for the month or 27.5% of the
16 taxpayer's liability for the same calendar month of the
17 preceding calendar year. If the month during which such tax
18 liability is incurred begins on or after January 1, 1987, each
19 payment shall be in an amount equal to 22.5% of the taxpayer's
20 actual liability for the month or 26.25% of the taxpayer's
21 liability for the same calendar month of the preceding year.
22 The amount of such quarter monthly payments shall be credited
23 against the final tax liability of the taxpayer's return for
24 that month filed under this Section or Section 2f, as the case
25 may be. Once applicable, the requirement of the making of
26 quarter monthly payments to the Department pursuant to this

1 paragraph shall continue until such taxpayer's average monthly
2 prepaid tax collections during the preceding 2 complete
3 calendar quarters is \$25,000 or less. If any such quarter
4 monthly payment is not paid at the time or in the amount
5 required, the taxpayer shall be liable for penalties and
6 interest on such difference, except insofar as the taxpayer has
7 previously made payments for that month in excess of the
8 minimum payments previously due.

9 The provisions of this paragraph apply on and after October
10 1, 2001. Without regard to whether a taxpayer is required to
11 make quarter monthly payments as specified above, any taxpayer
12 who is required by Section 2d of this Act to collect and remit
13 prepaid taxes and has collected prepaid taxes that average in
14 excess of \$20,000 per month during the preceding 4 complete
15 calendar quarters shall file a return with the Department as
16 required by Section 2f and shall make payments to the
17 Department on or before the 7th, 15th, 22nd and last day of the
18 month during which the liability is incurred. Each payment
19 shall be in an amount equal to 22.5% of the taxpayer's actual
20 liability for the month or 25% of the taxpayer's liability for
21 the same calendar month of the preceding year. The amount of
22 the quarter monthly payments shall be credited against the
23 final tax liability of the taxpayer's return for that month
24 filed under this Section or Section 2f, as the case may be.
25 Once applicable, the requirement of the making of quarter
26 monthly payments to the Department pursuant to this paragraph

1 shall continue until the taxpayer's average monthly prepaid tax
2 collections during the preceding 4 complete calendar quarters
3 (excluding the month of highest liability and the month of
4 lowest liability) is less than \$19,000 or until such taxpayer's
5 average monthly liability to the Department as computed for
6 each calendar quarter of the 4 preceding complete calendar
7 quarters is less than \$20,000. If any such quarter monthly
8 payment is not paid at the time or in the amount required, the
9 taxpayer shall be liable for penalties and interest on such
10 difference, except insofar as the taxpayer has previously made
11 payments for that month in excess of the minimum payments
12 previously due.

13 If any payment provided for in this Section exceeds the
14 taxpayer's liabilities under this Act, the Use Tax Act, the
15 Service Occupation Tax Act and the Service Use Tax Act, as
16 shown on an original monthly return, the Department shall, if
17 requested by the taxpayer, issue to the taxpayer a credit
18 memorandum no later than 30 days after the date of payment. The
19 credit evidenced by such credit memorandum may be assigned by
20 the taxpayer to a similar taxpayer under this Act, the Use Tax
21 Act, the Service Occupation Tax Act or the Service Use Tax Act,
22 in accordance with reasonable rules and regulations to be
23 prescribed by the Department. If no such request is made, the
24 taxpayer may credit such excess payment against tax liability
25 subsequently to be remitted to the Department under this Act,
26 the Use Tax Act, the Service Occupation Tax Act or the Service

1 Use Tax Act, in accordance with reasonable rules and
2 regulations prescribed by the Department. If the Department
3 subsequently determined that all or any part of the credit
4 taken was not actually due to the taxpayer, the taxpayer's 2.1%
5 and 1.75% vendor's discount shall be reduced by 2.1% or 1.75%
6 of the difference between the credit taken and that actually
7 due, and that taxpayer shall be liable for penalties and
8 interest on such difference.

9 If a retailer of motor fuel is entitled to a credit under
10 Section 2d of this Act which exceeds the taxpayer's liability
11 to the Department under this Act for the month which the
12 taxpayer is filing a return, the Department shall issue the
13 taxpayer a credit memorandum for the excess.

14 Beginning January 1, 1990, each month the Department shall
15 pay into the Local Government Tax Fund, a special fund in the
16 State treasury which is hereby created, the net revenue
17 realized for the preceding month from the 1% tax on sales of
18 food for human consumption which is to be consumed off the
19 premises where it is sold (other than alcoholic beverages, soft
20 drinks and food which has been prepared for immediate
21 consumption) and prescription and nonprescription medicines,
22 drugs, medical appliances and insulin, urine testing
23 materials, syringes and needles used by diabetics.

24 Beginning January 1, 1990, each month the Department shall
25 pay into the County and Mass Transit District Fund, a special
26 fund in the State treasury which is hereby created, 4% of the

1 net revenue realized for the preceding month from the 6.25%
2 general rate.

3 Beginning August 1, 2000, each month the Department shall
4 pay into the County and Mass Transit District Fund 20% of the
5 net revenue realized for the preceding month from the 1.25%
6 rate on the selling price of motor fuel and gasohol.

7 Beginning January 1, 1990, each month the Department shall
8 pay into the Local Government Tax Fund 16% of the net revenue
9 realized for the preceding month from the 6.25% general rate on
10 the selling price of tangible personal property.

11 Beginning August 1, 2000, each month the Department shall
12 pay into the Local Government Tax Fund 80% of the net revenue
13 realized for the preceding month from the 1.25% rate on the
14 selling price of motor fuel and gasohol.

15 Of the remainder of the moneys received by the Department
16 pursuant to this Act, (a) 1.75% thereof shall be paid into the
17 Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on
18 and after July 1, 1989, 3.8% thereof shall be paid into the
19 Build Illinois Fund; provided, however, that if in any fiscal
20 year the sum of (1) the aggregate of 2.2% or 3.8%, as the case
21 may be, of the moneys received by the Department and required
22 to be paid into the Build Illinois Fund pursuant to this Act,
23 Section 9 of the Use Tax Act, Section 9 of the Service Use Tax
24 Act, and Section 9 of the Service Occupation Tax Act, such Acts
25 being hereinafter called the "Tax Acts" and such aggregate of
26 2.2% or 3.8%, as the case may be, of moneys being hereinafter

1 called the "Tax Act Amount", and (2) the amount transferred to
2 the Build Illinois Fund from the State and Local Sales Tax
3 Reform Fund shall be less than the Annual Specified Amount (as
4 hereinafter defined), an amount equal to the difference shall
5 be immediately paid into the Build Illinois Fund from other
6 moneys received by the Department pursuant to the Tax Acts; the
7 "Annual Specified Amount" means the amounts specified below for
8 fiscal years 1986 through 1993:

9	Fiscal Year	Annual Specified Amount
10	1986	\$54,800,000
11	1987	\$76,650,000
12	1988	\$80,480,000
13	1989	\$88,510,000
14	1990	\$115,330,000
15	1991	\$145,470,000
16	1992	\$182,730,000
17	1993	\$206,520,000;

18 and means the Certified Annual Debt Service Requirement (as
19 defined in Section 13 of the Build Illinois Bond Act) or the
20 Tax Act Amount, whichever is greater, for fiscal year 1994 and
21 each fiscal year thereafter; and further provided, that if on
22 the last business day of any month the sum of (1) the Tax Act
23 Amount required to be deposited into the Build Illinois Bond
24 Account in the Build Illinois Fund during such month and (2)
25 the amount transferred to the Build Illinois Fund from the
26 State and Local Sales Tax Reform Fund shall have been less than

1 1/12 of the Annual Specified Amount, an amount equal to the
2 difference shall be immediately paid into the Build Illinois
3 Fund from other moneys received by the Department pursuant to
4 the Tax Acts; and, further provided, that in no event shall the
5 payments required under the preceding proviso result in
6 aggregate payments into the Build Illinois Fund pursuant to
7 this clause (b) for any fiscal year in excess of the greater of
8 (i) the Tax Act Amount or (ii) the Annual Specified Amount for
9 such fiscal year. The amounts payable into the Build Illinois
10 Fund under clause (b) of the first sentence in this paragraph
11 shall be payable only until such time as the aggregate amount
12 on deposit under each trust indenture securing Bonds issued and
13 outstanding pursuant to the Build Illinois Bond Act is
14 sufficient, taking into account any future investment income,
15 to fully provide, in accordance with such indenture, for the
16 defeasance of or the payment of the principal of, premium, if
17 any, and interest on the Bonds secured by such indenture and on
18 any Bonds expected to be issued thereafter and all fees and
19 costs payable with respect thereto, all as certified by the
20 Director of the Bureau of the Budget (now Governor's Office of
21 Management and Budget). If on the last business day of any
22 month in which Bonds are outstanding pursuant to the Build
23 Illinois Bond Act, the aggregate of moneys deposited in the
24 Build Illinois Bond Account in the Build Illinois Fund in such
25 month shall be less than the amount required to be transferred
26 in such month from the Build Illinois Bond Account to the Build

1 Illinois Bond Retirement and Interest Fund pursuant to Section
2 13 of the Build Illinois Bond Act, an amount equal to such
3 deficiency shall be immediately paid from other moneys received
4 by the Department pursuant to the Tax Acts to the Build
5 Illinois Fund; provided, however, that any amounts paid to the
6 Build Illinois Fund in any fiscal year pursuant to this
7 sentence shall be deemed to constitute payments pursuant to
8 clause (b) of the first sentence of this paragraph and shall
9 reduce the amount otherwise payable for such fiscal year
10 pursuant to that clause (b). The moneys received by the
11 Department pursuant to this Act and required to be deposited
12 into the Build Illinois Fund are subject to the pledge, claim
13 and charge set forth in Section 12 of the Build Illinois Bond
14 Act.

15 Subject to payment of amounts into the Build Illinois Fund
16 as provided in the preceding paragraph or in any amendment
17 thereto hereafter enacted, the following specified monthly
18 installment of the amount requested in the certificate of the
19 Chairman of the Metropolitan Pier and Exposition Authority
20 provided under Section 8.25f of the State Finance Act, but not
21 in excess of sums designated as "Total Deposit", shall be
22 deposited in the aggregate from collections under Section 9 of
23 the Use Tax Act, Section 9 of the Service Use Tax Act, Section
24 9 of the Service Occupation Tax Act, and Section 3 of the
25 Retailers' Occupation Tax Act into the McCormick Place
26 Expansion Project Fund in the specified fiscal years.

9 thereafter that bonds

10 are outstanding under

11 Section 13.2 of the

12 Metropolitan Pier and

13 Exposition Authority Act,

14 but not after fiscal year 2042.

15 Beginning July 20, 1993 and in each month of each fiscal
16 year thereafter, one-eighth of the amount requested in the
17 certificate of the Chairman of the Metropolitan Pier and
18 Exposition Authority for that fiscal year, less the amount
19 deposited into the McCormick Place Expansion Project Fund by
20 the State Treasurer in the respective month under subsection
21 (g) of Section 13 of the Metropolitan Pier and Exposition
22 Authority Act, plus cumulative deficiencies in the deposits
23 required under this Section for previous months and years,
24 shall be deposited into the McCormick Place Expansion Project
25 Fund, until the full amount requested for the fiscal year, but
26 not in excess of the amount specified above as "Total Deposit",

1 has been deposited.

2 Subject to payment of amounts into the Build Illinois Fund
3 and the McCormick Place Expansion Project Fund pursuant to the
4 preceding paragraphs or in any amendments thereto hereafter
5 enacted, beginning July 1, 1993, the Department shall each
6 month pay into the Illinois Tax Increment Fund 0.27% of 80% of
7 the net revenue realized for the preceding month from the 6.25%
8 general rate on the selling price of tangible personal
9 property.

10 Subject to payment of amounts into the Build Illinois Fund
11 and the McCormick Place Expansion Project Fund pursuant to the
12 preceding paragraphs or in any amendments thereto hereafter
13 enacted, beginning with the receipt of the first report of
14 taxes paid by an eligible business and continuing for a 25-year
15 period, the Department shall each month pay into the Energy
16 Infrastructure Fund 80% of the net revenue realized from the
17 6.25% general rate on the selling price of Illinois-mined coal
18 that was sold to an eligible business. For purposes of this
19 paragraph, the term "eligible business" means a new electric
20 generating facility certified pursuant to Section 605-332 of
21 the Department of Commerce and Economic Opportunity Law of the
22 Civil Administrative Code of Illinois.

23 Of the remainder of the moneys received by the Department
24 pursuant to this Act, 75% thereof shall be paid into the State
25 Treasury and 25% shall be reserved in a special account and
26 used only for the transfer to the Common School Fund as part of

1 the monthly transfer from the General Revenue Fund in
2 accordance with Section 8a of the State Finance Act.

3 The Department may, upon separate written notice to a
4 taxpayer, require the taxpayer to prepare and file with the
5 Department on a form prescribed by the Department within not
6 less than 60 days after receipt of the notice an annual
7 information return for the tax year specified in the notice.
8 Such annual return to the Department shall include a statement
9 of gross receipts as shown by the retailer's last Federal
10 income tax return. If the total receipts of the business as
11 reported in the Federal income tax return do not agree with the
12 gross receipts reported to the Department of Revenue for the
13 same period, the retailer shall attach to his annual return a
14 schedule showing a reconciliation of the 2 amounts and the
15 reasons for the difference. The retailer's annual return to the
16 Department shall also disclose the cost of goods sold by the
17 retailer during the year covered by such return, opening and
18 closing inventories of such goods for such year, costs of goods
19 used from stock or taken from stock and given away by the
20 retailer during such year, payroll information of the
21 retailer's business during such year and any additional
22 reasonable information which the Department deems would be
23 helpful in determining the accuracy of the monthly, quarterly
24 or annual returns filed by such retailer as provided for in
25 this Section.

26 If the annual information return required by this Section

1 is not filed when and as required, the taxpayer shall be liable
2 as follows:

3 (i) Until January 1, 1994, the taxpayer shall be liable
4 for a penalty equal to 1/6 of 1% of the tax due from such
5 taxpayer under this Act during the period to be covered by
6 the annual return for each month or fraction of a month
7 until such return is filed as required, the penalty to be
8 assessed and collected in the same manner as any other
9 penalty provided for in this Act.

10 (ii) On and after January 1, 1994, the taxpayer shall
11 be liable for a penalty as described in Section 3-4 of the
12 Uniform Penalty and Interest Act.

13 The chief executive officer, proprietor, owner or highest
14 ranking manager shall sign the annual return to certify the
15 accuracy of the information contained therein. Any person who
16 willfully signs the annual return containing false or
17 inaccurate information shall be guilty of perjury and punished
18 accordingly. The annual return form prescribed by the
19 Department shall include a warning that the person signing the
20 return may be liable for perjury.

21 The provisions of this Section concerning the filing of an
22 annual information return do not apply to a retailer who is not
23 required to file an income tax return with the United States
24 Government.

25 As soon as possible after the first day of each month, upon
26 certification of the Department of Revenue, the Comptroller

1 shall order transferred and the Treasurer shall transfer from
2 the General Revenue Fund to the Motor Fuel Tax Fund an amount
3 equal to 1.7% of 80% of the net revenue realized under this Act
4 for the second preceding month. Beginning April 1, 2000, this
5 transfer is no longer required and shall not be made.

6 Net revenue realized for a month shall be the revenue
7 collected by the State pursuant to this Act, less the amount
8 paid out during that month as refunds to taxpayers for
9 overpayment of liability.

10 For greater simplicity of administration, manufacturers,
11 importers and wholesalers whose products are sold at retail in
12 Illinois by numerous retailers, and who wish to do so, may
13 assume the responsibility for accounting and paying to the
14 Department all tax accruing under this Act with respect to such
15 sales, if the retailers who are affected do not make written
16 objection to the Department to this arrangement.

17 Any person who promotes, organizes, provides retail
18 selling space for concessionaires or other types of sellers at
19 the Illinois State Fair, DuQuoin State Fair, county fairs,
20 local fairs, art shows, flea markets and similar exhibitions or
21 events, including any transient merchant as defined by Section
22 2 of the Transient Merchant Act of 1987, is required to file a
23 report with the Department providing the name of the merchant's
