4 Section 5. The Illinois Municipal Code is amended by  
5 changing Sections 11-74.4-3 and 11-74.4-7 and by adding Section  
6 11-74.4-3.5 as follows:

7 (65 ILCS 5/11-74.4-3) (from Ch. 24, par. 11-74.4-3)

8 Sec. 11-74.4-3. Definitions. The following terms, wherever  
9 used or referred to in this Division 74.4 shall have the  
10 following respective meanings, unless in any case a different  
11 meaning clearly appears from the context.

12 (a) For any redevelopment project area that has been  
13 designated pursuant to this Section by an ordinance adopted  
14 prior to November 1, 1999 (the effective date of Public Act  
15 91-478), "blighted area" shall have the meaning set forth in  
16 this Section prior to that date.

17 On and after November 1, 1999, "blighted area" means any  
18 improved or vacant area within the boundaries of a  
19 redevelopment project area located within the territorial  
20 limits of the municipality where:

21 (1) If improved, industrial, commercial, and  
22 residential buildings or improvements are detrimental to  
23 the public safety, health, or welfare because of a

1 combination of 5 or more of the following factors, each of  
2 which is (i) present, with that presence documented, to a  
3 meaningful extent so that a municipality may reasonably  
4 find that the factor is clearly present within the intent  
5 of the Act and (ii) reasonably distributed throughout the  
6 improved part of the redevelopment project area:

7 (A) Dilapidation. An advanced state of disrepair  
8 or neglect of necessary repairs to the primary  
9 structural components of buildings or improvements in  
10 such a combination that a documented building  
11 condition analysis determines that major repair is  
12 required or the defects are so serious and so extensive  
13 that the buildings must be removed.

14 (B) Obsolescence. The condition or process of  
15 falling into disuse. Structures have become ill-suited  
16 for the original use.

17 (C) Deterioration. With respect to buildings,  
18 defects including, but not limited to, major defects in  
19 the secondary building components such as doors,  
20 windows, porches, gutters and downspouts, and fascia.  
21 With respect to surface improvements, that the  
22 condition of roadways, alleys, curbs, gutters,  
23 sidewalks, off-street parking, and surface storage  
24 areas evidence deterioration, including, but not  
25 limited to, surface cracking, crumbling, potholes,  
26 depressions, loose paving material, and weeds

1 protruding through paved surfaces.

2 (D) Presence of structures below minimum code  
3 standards. All structures that do not meet the  
4 standards of zoning, subdivision, building, fire, and  
5 other governmental codes applicable to property, but  
6 not including housing and property maintenance codes.

7 (E) Illegal use of individual structures. The use  
8 of structures in violation of applicable federal,  
9 State, or local laws, exclusive of those applicable to  
10 the presence of structures below minimum code  
11 standards.

12 (F) Excessive vacancies. The presence of buildings  
13 that are unoccupied or under-utilized and that  
14 represent an adverse influence on the area because of  
15 the frequency, extent, or duration of the vacancies.

16 (G) Lack of ventilation, light, or sanitary  
17 facilities. The absence of adequate ventilation for  
18 light or air circulation in spaces or rooms without  
19 windows, or that require the removal of dust, odor,  
20 gas, smoke, or other noxious airborne materials.  
21 Inadequate natural light and ventilation means the  
22 absence of skylights or windows for interior spaces or  
23 rooms and improper window sizes and amounts by room  
24 area to window area ratios. Inadequate sanitary  
25 facilities refers to the absence or inadequacy of  
26 garbage storage and enclosure, bathroom facilities,

1 hot water and kitchens, and structural inadequacies  
2 preventing ingress and egress to and from all rooms and  
3 units within a building.

4 (H) Inadequate utilities. Underground and overhead  
5 utilities such as storm sewers and storm drainage,  
6 sanitary sewers, water lines, and gas, telephone, and  
7 electrical services that are shown to be inadequate.  
8 Inadequate utilities are those that are: (i) of  
9 insufficient capacity to serve the uses in the  
10 redevelopment project area, (ii) deteriorated,  
11 antiquated, obsolete, or in disrepair, or (iii)  
12 lacking within the redevelopment project area.

13 (I) Excessive land coverage and overcrowding of  
14 structures and community facilities. The  
15 over-intensive use of property and the crowding of  
16 buildings and accessory facilities onto a site.  
17 Examples of problem conditions warranting the  
18 designation of an area as one exhibiting excessive land  
19 coverage are: (i) the presence of buildings either  
20 improperly situated on parcels or located on parcels of  
21 inadequate size and shape in relation to present-day  
22 standards of development for health and safety and (ii)  
23 the presence of multiple buildings on a single parcel.  
24 For there to be a finding of excessive land coverage,  
25 these parcels must exhibit one or more of the following  
26 conditions: insufficient provision for light and air

1 within or around buildings, increased threat of spread  
2 of fire due to the close proximity of buildings, lack  
3 of adequate or proper access to a public right-of-way,  
4 lack of reasonably required off-street parking, or  
5 inadequate provision for loading and service.

6 (J) Deleterious land use or layout. The existence  
7 of incompatible land-use relationships, buildings  
8 occupied by inappropriate mixed-uses, or uses  
9 considered to be noxious, offensive, or unsuitable for  
10 the surrounding area.

11 (K) Environmental clean-up. The proposed  
12 redevelopment project area has incurred Illinois  
13 Environmental Protection Agency or United States  
14 Environmental Protection Agency remediation costs for,  
15 or a study conducted by an independent consultant  
16 recognized as having expertise in environmental  
17 remediation has determined a need for, the clean-up of  
18 hazardous waste, hazardous substances, or underground  
19 storage tanks required by State or federal law,  
20 provided that the remediation costs constitute a  
21 material impediment to the development or  
22 redevelopment of the redevelopment project area.

23 (L) Lack of community planning. The proposed  
24 redevelopment project area was developed prior to or  
25 without the benefit or guidance of a community plan.  
26 This means that the development occurred prior to the

1 adoption by the municipality of a comprehensive or  
2 other community plan or that the plan was not followed  
3 at the time of the area's development. This factor must  
4 be documented by evidence of adverse or incompatible  
5 land-use relationships, inadequate street layout,  
6 improper subdivision, parcels of inadequate shape and  
7 size to meet contemporary development standards, or  
8 other evidence demonstrating an absence of effective  
9 community planning.

10 (M) The total equalized assessed value of the  
11 proposed redevelopment project area has declined for 3  
12 of the last 5 calendar years prior to the year in which  
13 the redevelopment project area is designated or is  
14 increasing at an annual rate that is less than the  
15 balance of the municipality for 3 of the last 5  
16 calendar years for which information is available or is  
17 increasing at an annual rate that is less than the  
18 Consumer Price Index for All Urban Consumers published  
19 by the United States Department of Labor or successor  
20 agency for 3 of the last 5 calendar years prior to the  
21 year in which the redevelopment project area is  
22 designated.

23 (2) If vacant, the sound growth of the redevelopment  
24 project area is impaired by a combination of 2 or more of  
25 the following factors, each of which is (i) present, with  
26 that presence documented, to a meaningful extent so that a

1 municipality may reasonably find that the factor is clearly  
2 present within the intent of the Act and (ii) reasonably  
3 distributed throughout the vacant part of the  
4 redevelopment project area to which it pertains:

5 (A) Obsolete platting of vacant land that results  
6 in parcels of limited or narrow size or configurations  
7 of parcels of irregular size or shape that would be  
8 difficult to develop on a planned basis and in a manner  
9 compatible with contemporary standards and  
10 requirements, or platting that failed to create  
11 rights-of-ways for streets or alleys or that created  
12 inadequate right-of-way widths for streets, alleys, or  
13 other public rights-of-way or that omitted easements  
14 for public utilities.

15 (B) Diversity of ownership of parcels of vacant  
16 land sufficient in number to retard or impede the  
17 ability to assemble the land for development.

18 (C) Tax and special assessment delinquencies exist  
19 or the property has been the subject of tax sales under  
20 the Property Tax Code within the last 5 years.

21 (D) Deterioration of structures or site  
22 improvements in neighboring areas adjacent to the  
23 vacant land.

24 (E) The area has incurred Illinois Environmental  
25 Protection Agency or United States Environmental  
26 Protection Agency remediation costs for, or a study

1 conducted by an independent consultant recognized as  
2 having expertise in environmental remediation has  
3 determined a need for, the clean-up of hazardous waste,  
4 hazardous substances, or underground storage tanks  
5 required by State or federal law, provided that the  
6 remediation costs constitute a material impediment to  
7 the development or redevelopment of the redevelopment  
8 project area.

9 (F) The total equalized assessed value of the  
10 proposed redevelopment project area has declined for 3  
11 of the last 5 calendar years prior to the year in which  
12 the redevelopment project area is designated or is  
13 increasing at an annual rate that is less than the  
14 balance of the municipality for 3 of the last 5  
15 calendar years for which information is available or is  
16 increasing at an annual rate that is less than the  
17 Consumer Price Index for All Urban Consumers published  
18 by the United States Department of Labor or successor  
19 agency for 3 of the last 5 calendar years prior to the  
20 year in which the redevelopment project area is  
21 designated.

22 (3) If vacant, the sound growth of the redevelopment  
23 project area is impaired by one of the following factors  
24 that (i) is present, with that presence documented, to a  
25 meaningful extent so that a municipality may reasonably  
26 find that the factor is clearly present within the intent

1 of the Act and (ii) is reasonably distributed throughout  
2 the vacant part of the redevelopment project area to which  
3 it pertains:

4 (A) The area consists of one or more unused  
5 quarries, mines, or strip mine ponds.

6 (B) The area consists of unused rail yards, rail  
7 tracks, or railroad rights-of-way.

8 (C) The area, prior to its designation, is subject  
9 to (i) chronic flooding that adversely impacts on real  
10 property in the area as certified by a registered  
11 professional engineer or appropriate regulatory agency  
12 or (ii) surface water that discharges from all or a  
13 part of the area and contributes to flooding within the  
14 same watershed, but only if the redevelopment project  
15 provides for facilities or improvements to contribute  
16 to the alleviation of all or part of the flooding.

17 (D) The area consists of an unused or illegal  
18 disposal site containing earth, stone, building  
19 debris, or similar materials that were removed from  
20 construction, demolition, excavation, or dredge sites.

21 (E) Prior to November 1, 1999, the area is not less  
22 than 50 nor more than 100 acres and 75% of which is  
23 vacant (notwithstanding that the area has been used for  
24 commercial agricultural purposes within 5 years prior  
25 to the designation of the redevelopment project area),  
26 and the area meets at least one of the factors itemized

1 in paragraph (1) of this subsection, the area has been  
2 designated as a town or village center by ordinance or  
3 comprehensive plan adopted prior to January 1, 1982,  
4 and the area has not been developed for that designated  
5 purpose.

6 (F) The area qualified as a blighted improved area  
7 immediately prior to becoming vacant, unless there has  
8 been substantial private investment in the immediately  
9 surrounding area.

10 (b) For any redevelopment project area that has been  
11 designated pursuant to this Section by an ordinance adopted  
12 prior to November 1, 1999 (the effective date of Public Act  
13 91-478), "conservation area" shall have the meaning set forth  
14 in this Section prior to that date.

15 On and after November 1, 1999, "conservation area" means  
16 any improved area within the boundaries of a redevelopment  
17 project area located within the territorial limits of the  
18 municipality in which 50% or more of the structures in the area  
19 have an age of 35 years or more. Such an area is not yet a  
20 blighted area but because of a combination of 3 or more of the  
21 following factors is detrimental to the public safety, health,  
22 morals or welfare and such an area may become a blighted area:

23 (1) Dilapidation. An advanced state of disrepair or  
24 neglect of necessary repairs to the primary structural  
25 components of buildings or improvements in such a  
26 combination that a documented building condition analysis

1 determines that major repair is required or the defects are  
2 so serious and so extensive that the buildings must be  
3 removed.

4 (2) Obsolescence. The condition or process of falling  
5 into disuse. Structures have become ill-suited for the  
6 original use.

7 (3) Deterioration. With respect to buildings, defects  
8 including, but not limited to, major defects in the  
9 secondary building components such as doors, windows,  
10 porches, gutters and downspouts, and fascia. With respect  
11 to surface improvements, that the condition of roadways,  
12 alleys, curbs, gutters, sidewalks, off-street parking, and  
13 surface storage areas evidence deterioration, including,  
14 but not limited to, surface cracking, crumbling, potholes,  
15 depressions, loose paving material, and weeds protruding  
16 through paved surfaces.

17 (4) Presence of structures below minimum code  
18 standards. All structures that do not meet the standards of  
19 zoning, subdivision, building, fire, and other  
20 governmental codes applicable to property, but not  
21 including housing and property maintenance codes.

22 (5) Illegal use of individual structures. The use of  
23 structures in violation of applicable federal, State, or  
24 local laws, exclusive of those applicable to the presence  
25 of structures below minimum code standards.

26 (6) Excessive vacancies. The presence of buildings

1 that are unoccupied or under-utilized and that represent an  
2 adverse influence on the area because of the frequency,  
3 extent, or duration of the vacancies.

4 (7) Lack of ventilation, light, or sanitary  
5 facilities. The absence of adequate ventilation for light  
6 or air circulation in spaces or rooms without windows, or  
7 that require the removal of dust, odor, gas, smoke, or  
8 other noxious airborne materials. Inadequate natural light  
9 and ventilation means the absence or inadequacy of  
10 skylights or windows for interior spaces or rooms and  
11 improper window sizes and amounts by room area to window  
12 area ratios. Inadequate sanitary facilities refers to the  
13 absence or inadequacy of garbage storage and enclosure,  
14 bathroom facilities, hot water and kitchens, and  
15 structural inadequacies preventing ingress and egress to  
16 and from all rooms and units within a building.

17 (8) Inadequate utilities. Underground and overhead  
18 utilities such as storm sewers and storm drainage, sanitary  
19 sewers, water lines, and gas, telephone, and electrical  
20 services that are shown to be inadequate. Inadequate  
21 utilities are those that are: (i) of insufficient capacity  
22 to serve the uses in the redevelopment project area, (ii)  
23 deteriorated, antiquated, obsolete, or in disrepair, or  
24 (iii) lacking within the redevelopment project area.

25 (9) Excessive land coverage and overcrowding of  
26 structures and community facilities. The over-intensive

1 use of property and the crowding of buildings and accessory  
2 facilities onto a site. Examples of problem conditions  
3 warranting the designation of an area as one exhibiting  
4 excessive land coverage are: the presence of buildings  
5 either improperly situated on parcels or located on parcels  
6 of inadequate size and shape in relation to present-day  
7 standards of development for health and safety and the  
8 presence of multiple buildings on a single parcel. For  
9 there to be a finding of excessive land coverage, these  
10 parcels must exhibit one or more of the following  
11 conditions: insufficient provision for light and air  
12 within or around buildings, increased threat of spread of  
13 fire due to the close proximity of buildings, lack of  
14 adequate or proper access to a public right-of-way, lack of  
15 reasonably required off-street parking, or inadequate  
16 provision for loading and service.

17 (10) Deleterious land use or layout. The existence of  
18 incompatible land-use relationships, buildings occupied by  
19 inappropriate mixed-uses, or uses considered to be  
20 noxious, offensive, or unsuitable for the surrounding  
21 area.

22 (11) Lack of community planning. The proposed  
23 redevelopment project area was developed prior to or  
24 without the benefit or guidance of a community plan. This  
25 means that the development occurred prior to the adoption  
26 by the municipality of a comprehensive or other community

1 plan or that the plan was not followed at the time of the  
2 area's development. This factor must be documented by  
3 evidence of adverse or incompatible land-use  
4 relationships, inadequate street layout, improper  
5 subdivision, parcels of inadequate shape and size to meet  
6 contemporary development standards, or other evidence  
7 demonstrating an absence of effective community planning.

8 (12) The area has incurred Illinois Environmental  
9 Protection Agency or United States Environmental  
10 Protection Agency remediation costs for, or a study  
11 conducted by an independent consultant recognized as  
12 having expertise in environmental remediation has  
13 determined a need for, the clean-up of hazardous waste,  
14 hazardous substances, or underground storage tanks  
15 required by State or federal law, provided that the  
16 remediation costs constitute a material impediment to the  
17 development or redevelopment of the redevelopment project  
18 area.

19 (13) The total equalized assessed value of the proposed  
20 redevelopment project area has declined for 3 of the last 5  
21 calendar years for which information is available or is  
22 increasing at an annual rate that is less than the balance  
23 of the municipality for 3 of the last 5 calendar years for  
24 which information is available or is increasing at an  
25 annual rate that is less than the Consumer Price Index for  
26 All Urban Consumers published by the United States

1 Department of Labor or successor agency for 3 of the last 5  
2 calendar years for which information is available.

3 (c) "Industrial park" means an area in a blighted or  
4 conservation area suitable for use by any manufacturing,  
5 industrial, research or transportation enterprise, of  
6 facilities to include but not be limited to factories, mills,  
7 processing plants, assembly plants, packing plants,  
8 fabricating plants, industrial distribution centers,  
9 warehouses, repair overhaul or service facilities, freight  
10 terminals, research facilities, test facilities or railroad  
11 facilities.

12 (d) "Industrial park conservation area" means an area  
13 within the boundaries of a redevelopment project area located  
14 within the territorial limits of a municipality that is a labor  
15 surplus municipality or within 1 1/2 miles of the territorial  
16 limits of a municipality that is a labor surplus municipality  
17 if the area is annexed to the municipality; which area is zoned  
18 as industrial no later than at the time the municipality by  
19 ordinance designates the redevelopment project area, and which  
20 area includes both vacant land suitable for use as an  
21 industrial park and a blighted area or conservation area  
22 contiguous to such vacant land.

23 (e) "Labor surplus municipality" means a municipality in  
24 which, at any time during the 6 months before the municipality  
25 by ordinance designates an industrial park conservation area,  
26 the unemployment rate was over 6% and was also 100% or more of

1 the national average unemployment rate for that same time as  
2 published in the United States Department of Labor Bureau of  
3 Labor Statistics publication entitled "The Employment  
4 Situation" or its successor publication. For the purpose of  
5 this subsection, if unemployment rate statistics for the  
6 municipality are not available, the unemployment rate in the  
7 municipality shall be deemed to be the same as the unemployment  
8 rate in the principal county in which the municipality is  
9 located.

10 (f) "Municipality" shall mean a city, village,  
11 incorporated town, or a township that is located in the  
12 unincorporated portion of a county with 3 million or more  
13 inhabitants, if the county adopted an ordinance that approved  
14 the township's redevelopment plan.

15 (g) "Initial Sales Tax Amounts" means the amount of taxes  
16 paid under the Retailers' Occupation Tax Act, Use Tax Act,  
17 Service Use Tax Act, the Service Occupation Tax Act, the  
18 Municipal Retailers' Occupation Tax Act, and the Municipal  
19 Service Occupation Tax Act by retailers and servicemen on  
20 transactions at places located in a State Sales Tax Boundary  
21 during the calendar year 1985.

22 (g-1) "Revised Initial Sales Tax Amounts" means the amount  
23 of taxes paid under the Retailers' Occupation Tax Act, Use Tax  
24 Act, Service Use Tax Act, the Service Occupation Tax Act, the  
25 Municipal Retailers' Occupation Tax Act, and the Municipal  
26 Service Occupation Tax Act by retailers and servicemen on

1 transactions at places located within the State Sales Tax  
2 Boundary revised pursuant to Section 11-74.4-8a(9) of this Act.

3 (h) "Municipal Sales Tax Increment" means an amount equal  
4 to the increase in the aggregate amount of taxes paid to a  
5 municipality from the Local Government Tax Fund arising from  
6 sales by retailers and servicemen within the redevelopment  
7 project area or State Sales Tax Boundary, as the case may be,  
8 for as long as the redevelopment project area or State Sales  
9 Tax Boundary, as the case may be, exist over and above the  
10 aggregate amount of taxes as certified by the Illinois  
11 Department of Revenue and paid under the Municipal Retailers'  
12 Occupation Tax Act and the Municipal Service Occupation Tax Act  
13 by retailers and servicemen, on transactions at places of  
14 business located in the redevelopment project area or State  
15 Sales Tax Boundary, as the case may be, during the base year  
16 which shall be the calendar year immediately prior to the year  
17 in which the municipality adopted tax increment allocation  
18 financing. For purposes of computing the aggregate amount of  
19 such taxes for base years occurring prior to 1985, the  
20 Department of Revenue shall determine the Initial Sales Tax  
21 Amounts for such taxes and deduct therefrom an amount equal to  
22 4% of the aggregate amount of taxes per year for each year the  
23 base year is prior to 1985, but not to exceed a total deduction  
24 of 12%. The amount so determined shall be known as the  
25 "Adjusted Initial Sales Tax Amounts". For purposes of  
26 determining the Municipal Sales Tax Increment, the Department

1 of Revenue shall for each period subtract from the amount paid  
2 to the municipality from the Local Government Tax Fund arising  
3 from sales by retailers and servicemen on transactions located  
4 in the redevelopment project area or the State Sales Tax  
5 Boundary, as the case may be, the certified Initial Sales Tax  
6 Amounts, the Adjusted Initial Sales Tax Amounts or the Revised  
7 Initial Sales Tax Amounts for the Municipal Retailers'  
8 Occupation Tax Act and the Municipal Service Occupation Tax  
9 Act. For the State Fiscal Year 1989, this calculation shall be  
10 made by utilizing the calendar year 1987 to determine the tax  
11 amounts received. For the State Fiscal Year 1990, this  
12 calculation shall be made by utilizing the period from January  
13 1, 1988, until September 30, 1988, to determine the tax amounts  
14 received from retailers and servicemen pursuant to the  
15 Municipal Retailers' Occupation Tax and the Municipal Service  
16 Occupation Tax Act, which shall have deducted therefrom  
17 nine-twelfths of the certified Initial Sales Tax Amounts, the  
18 Adjusted Initial Sales Tax Amounts or the Revised Initial Sales  
19 Tax Amounts as appropriate. For the State Fiscal Year 1991,  
20 this calculation shall be made by utilizing the period from  
21 October 1, 1988, to June 30, 1989, to determine the tax amounts  
22 received from retailers and servicemen pursuant to the  
23 Municipal Retailers' Occupation Tax and the Municipal Service  
24 Occupation Tax Act which shall have deducted therefrom  
25 nine-twelfths of the certified Initial Sales Tax Amounts,  
26 Adjusted Initial Sales Tax Amounts or the Revised Initial Sales

1 Tax Amounts as appropriate. For every State Fiscal Year  
2 thereafter, the applicable period shall be the 12 months  
3 beginning July 1 and ending June 30 to determine the tax  
4 amounts received which shall have deducted therefrom the  
5 certified Initial Sales Tax Amounts, the Adjusted Initial Sales  
6 Tax Amounts or the Revised Initial Sales Tax Amounts, as the  
7 case may be.

8 (i) "Net State Sales Tax Increment" means the sum of the  
9 following: (a) 80% of the first \$100,000 of State Sales Tax  
10 Increment annually generated within a State Sales Tax Boundary;  
11 (b) 60% of the amount in excess of \$100,000 but not exceeding  
12 \$500,000 of State Sales Tax Increment annually generated within  
13 a State Sales Tax Boundary; and (c) 40% of all amounts in  
14 excess of \$500,000 of State Sales Tax Increment annually  
15 generated within a State Sales Tax Boundary. If, however, a  
16 municipality established a tax increment financing district in  
17 a county with a population in excess of 3,000,000 before  
18 January 1, 1986, and the municipality entered into a contract  
19 or issued bonds after January 1, 1986, but before December 31,  
20 1986, to finance redevelopment project costs within a State  
21 Sales Tax Boundary, then the Net State Sales Tax Increment  
22 means, for the fiscal years beginning July 1, 1990, and July 1,  
23 1991, 100% of the State Sales Tax Increment annually generated  
24 within a State Sales Tax Boundary; and notwithstanding any  
25 other provision of this Act, for those fiscal years the  
26 Department of Revenue shall distribute to those municipalities

1 100% of their Net State Sales Tax Increment before any  
2 distribution to any other municipality and regardless of  
3 whether or not those other municipalities will receive 100% of  
4 their Net State Sales Tax Increment. For Fiscal Year 1999, and  
5 every year thereafter until the year 2007, for any municipality  
6 that has not entered into a contract or has not issued bonds  
7 prior to June 1, 1988 to finance redevelopment project costs  
8 within a State Sales Tax Boundary, the Net State Sales Tax  
9 Increment shall be calculated as follows: By multiplying the  
10 Net State Sales Tax Increment by 90% in the State Fiscal Year  
11 1999; 80% in the State Fiscal Year 2000; 70% in the State  
12 Fiscal Year 2001; 60% in the State Fiscal Year 2002; 50% in the  
13 State Fiscal Year 2003; 40% in the State Fiscal Year 2004; 30%  
14 in the State Fiscal Year 2005; 20% in the State Fiscal Year  
15 2006; and 10% in the State Fiscal Year 2007. No payment shall  
16 be made for State Fiscal Year 2008 and thereafter.

17 Municipalities that issued bonds in connection with a  
18 redevelopment project in a redevelopment project area within  
19 the State Sales Tax Boundary prior to July 29, 1991, or that  
20 entered into contracts in connection with a redevelopment  
21 project in a redevelopment project area before June 1, 1988,  
22 shall continue to receive their proportional share of the  
23 Illinois Tax Increment Fund distribution until the date on  
24 which the redevelopment project is completed or terminated. If,  
25 however, a municipality that issued bonds in connection with a  
26 redevelopment project in a redevelopment project area within

1 the State Sales Tax Boundary prior to July 29, 1991 retires the  
2 bonds prior to June 30, 2007 or a municipality that entered  
3 into contracts in connection with a redevelopment project in a  
4 redevelopment project area before June 1, 1988 completes the  
5 contracts prior to June 30, 2007, then so long as the  
6 redevelopment project is not completed or is not terminated,  
7 the Net State Sales Tax Increment shall be calculated,  
8 beginning on the date on which the bonds are retired or the  
9 contracts are completed, as follows: By multiplying the Net  
10 State Sales Tax Increment by 60% in the State Fiscal Year 2002;  
11 50% in the State Fiscal Year 2003; 40% in the State Fiscal Year  
12 2004; 30% in the State Fiscal Year 2005; 20% in the State  
13 Fiscal Year 2006; and 10% in the State Fiscal Year 2007. No  
14 payment shall be made for State Fiscal Year 2008 and  
15 thereafter. Refunding of any bonds issued prior to July 29,  
16 1991, shall not alter the Net State Sales Tax Increment.

17 (j) "State Utility Tax Increment Amount" means an amount  
18 equal to the aggregate increase in State electric and gas tax  
19 charges imposed on owners and tenants, other than residential  
20 customers, of properties located within the redevelopment  
21 project area under Section 9-222 of the Public Utilities Act,  
22 over and above the aggregate of such charges as certified by  
23 the Department of Revenue and paid by owners and tenants, other  
24 than residential customers, of properties within the  
25 redevelopment project area during the base year, which shall be  
26 the calendar year immediately prior to the year of the adoption

1 of the ordinance authorizing tax increment allocation  
2 financing.

3 (k) "Net State Utility Tax Increment" means the sum of the  
4 following: (a) 80% of the first \$100,000 of State Utility Tax  
5 Increment annually generated by a redevelopment project area;  
6 (b) 60% of the amount in excess of \$100,000 but not exceeding  
7 \$500,000 of the State Utility Tax Increment annually generated  
8 by a redevelopment project area; and (c) 40% of all amounts in  
9 excess of \$500,000 of State Utility Tax Increment annually  
10 generated by a redevelopment project area. For the State Fiscal  
11 Year 1999, and every year thereafter until the year 2007, for  
12 any municipality that has not entered into a contract or has  
13 not issued bonds prior to June 1, 1988 to finance redevelopment  
14 project costs within a redevelopment project area, the Net  
15 State Utility Tax Increment shall be calculated as follows: By  
16 multiplying the Net State Utility Tax Increment by 90% in the  
17 State Fiscal Year 1999; 80% in the State Fiscal Year 2000; 70%  
18 in the State Fiscal Year 2001; 60% in the State Fiscal Year  
19 2002; 50% in the State Fiscal Year 2003; 40% in the State  
20 Fiscal Year 2004; 30% in the State Fiscal Year 2005; 20% in the  
21 State Fiscal Year 2006; and 10% in the State Fiscal Year 2007.  
22 No payment shall be made for the State Fiscal Year 2008 and  
23 thereafter.

24 Municipalities that issue bonds in connection with the  
25 redevelopment project during the period from June 1, 1988 until  
26 3 years after the effective date of this Amendatory Act of 1988

1 shall receive the Net State Utility Tax Increment, subject to  
2 appropriation, for 15 State Fiscal Years after the issuance of  
3 such bonds. For the 16th through the 20th State Fiscal Years  
4 after issuance of the bonds, the Net State Utility Tax  
5 Increment shall be calculated as follows: By multiplying the  
6 Net State Utility Tax Increment by 90% in year 16; 80% in year  
7 17; 70% in year 18; 60% in year 19; and 50% in year 20.  
8 Refunding of any bonds issued prior to June 1, 1988, shall not  
9 alter the revised Net State Utility Tax Increment payments set  
10 forth above.

11 (l) "Obligations" mean bonds, loans, debentures, notes,  
12 special certificates or other evidence of indebtedness issued  
13 by the municipality to carry out a redevelopment project or to  
14 refund outstanding obligations.

15 (m) "Payment in lieu of taxes" means those estimated tax  
16 revenues from real property in a redevelopment project area  
17 derived from real property that has been acquired by a  
18 municipality which according to the redevelopment project or  
19 plan is to be used for a private use which taxing districts  
20 would have received had a municipality not acquired the real  
21 property and adopted tax increment allocation financing and  
22 which would result from levies made after the time of the  
23 adoption of tax increment allocation financing to the time the  
24 current equalized value of real property in the redevelopment  
25 project area exceeds the total initial equalized value of real  
26 property in said area.

1           (n) "Redevelopment plan" means the comprehensive program  
2 of the municipality for development or redevelopment intended  
3 by the payment of redevelopment project costs to reduce or  
4 eliminate those conditions the existence of which qualified the  
5 redevelopment project area as a "blighted area" or  
6 "conservation area" or combination thereof or "industrial park  
7 conservation area," and thereby to enhance the tax bases of the  
8 taxing districts which extend into the redevelopment project  
9 area. On and after November 1, 1999 (the effective date of  
10 Public Act 91-478), no redevelopment plan may be approved or  
11 amended that includes the development of vacant land (i) with a  
12 golf course and related clubhouse and other facilities or (ii)  
13 designated by federal, State, county, or municipal government  
14 as public land for outdoor recreational activities or for  
15 nature preserves and used for that purpose within 5 years prior  
16 to the adoption of the redevelopment plan. For the purpose of  
17 this subsection, "recreational activities" is limited to mean  
18 camping and hunting. Each redevelopment plan shall set forth in  
19 writing the program to be undertaken to accomplish the  
20 objectives and shall include but not be limited to:

21           (A) an itemized list of estimated redevelopment  
22 project costs;

23           (B) evidence indicating that the redevelopment project  
24 area on the whole has not been subject to growth and  
25 development through investment by private enterprise;

26           (C) an assessment of any financial impact of the

1 redevelopment project area on or any increased demand for  
2 services from any taxing district affected by the plan and  
3 any program to address such financial impact or increased  
4 demand;

5 (D) the sources of funds to pay costs;

6 (E) the nature and term of the obligations to be  
7 issued;

8 (F) the most recent equalized assessed valuation of the  
9 redevelopment project area;

10 (G) an estimate as to the equalized assessed valuation  
11 after redevelopment and the general land uses to apply in  
12 the redevelopment project area;

13 (H) a commitment to fair employment practices and an  
14 affirmative action plan;

15 (I) if it concerns an industrial park conservation  
16 area, the plan shall also include a general description of  
17 any proposed developer, user and tenant of any property, a  
18 description of the type, structure and general character of  
19 the facilities to be developed, a description of the type,  
20 class and number of new employees to be employed in the  
21 operation of the facilities to be developed; and

22 (J) if property is to be annexed to the municipality,  
23 the plan shall include the terms of the annexation  
24 agreement.

25 The provisions of items (B) and (C) of this subsection (n)  
26 shall not apply to a municipality that before March 14, 1994

1 (the effective date of Public Act 88-537) had fixed, either by  
2 its corporate authorities or by a commission designated under  
3 subsection (k) of Section 11-74.4-4, a time and place for a  
4 public hearing as required by subsection (a) of Section  
5 11-74.4-5. No redevelopment plan shall be adopted unless a  
6 municipality complies with all of the following requirements:

7 (1) The municipality finds that the redevelopment  
8 project area on the whole has not been subject to growth  
9 and development through investment by private enterprise  
10 and would not reasonably be anticipated to be developed  
11 without the adoption of the redevelopment plan.

12 (2) The municipality finds that the redevelopment plan  
13 and project conform to the comprehensive plan for the  
14 development of the municipality as a whole, or, for  
15 municipalities with a population of 100,000 or more,  
16 regardless of when the redevelopment plan and project was  
17 adopted, the redevelopment plan and project either: (i)  
18 conforms to the strategic economic development or  
19 redevelopment plan issued by the designated planning  
20 authority of the municipality, or (ii) includes land uses  
21 that have been approved by the planning commission of the  
22 municipality.

23 (3) The redevelopment plan establishes the estimated  
24 dates of completion of the redevelopment project and  
25 retirement of obligations issued to finance redevelopment  
26 project costs. Those dates may not be later than the dates

17 ~~before the adoption of the ordinance.~~

18 ~~Those dates, for purposes of real property tax~~

20 ~~11-74.4-8 only, shall be not more than 35 years for~~  
21 ~~redevelopment project areas that were established on or~~  
22 ~~after December 1, 1981 but before January 1, 1982 and for~~

2 ~~not more than 30 days' written notice to the taxing bodies,~~  
3 ~~that would otherwise constitute the joint review board for~~  
4 ~~the redevelopment project area, before the adoption of the~~  
5 ~~ordinance.~~

6 (3.5) The municipality finds, in the case of an  
7 industrial park conservation area, also that the  
8 municipality is a labor surplus municipality and that the  
9 implementation of the redevelopment plan will reduce  
10 unemployment, create new jobs and by the provision of new  
11 facilities enhance the tax base of the taxing districts  
12 that extend into the redevelopment project area.

13 (4) If any incremental revenues are being utilized  
14 under Section 8(a)(1) or 8(a)(2) of this Act in  
15 redevelopment project areas approved by ordinance after  
16 January 1, 1986, the municipality finds: (a) that the  
17 redevelopment project area would not reasonably be  
18 developed without the use of such incremental revenues, and  
19 (b) that such incremental revenues will be exclusively  
20 utilized for the development of the redevelopment project  
21 area.

22 (5) If the redevelopment plan will not result in  
23 displacement of residents from 10 or more inhabited  
24 residential units, and the municipality certifies in the  
25 plan that such displacement will not result from the plan,  
26 a housing impact study need not be performed. If, however,

1 the redevelopment plan would result in the displacement of  
2 residents from 10 or more inhabited residential units, or  
3 if the redevelopment project area contains 75 or more  
4 inhabited residential units and no certification is made,  
5 then the municipality shall prepare, as part of the  
6 separate feasibility report required by subsection (a) of  
7 Section 11-74.4-5, a housing impact study.

8 Part I of the housing impact study shall include (i)  
9 data as to whether the residential units are single family  
10 or multi-family units, (ii) the number and type of rooms  
11 within the units, if that information is available, (iii)  
12 whether the units are inhabited or uninhabited, as  
13 determined not less than 45 days before the date that the  
14 ordinance or resolution required by subsection (a) of  
15 Section 11-74.4-5 is passed, and (iv) data as to the racial  
16 and ethnic composition of the residents in the inhabited  
17 residential units. The data requirement as to the racial  
18 and ethnic composition of the residents in the inhabited  
19 residential units shall be deemed to be fully satisfied by  
20 data from the most recent federal census.

21 Part II of the housing impact study shall identify the  
22 inhabited residential units in the proposed redevelopment  
23 project area that are to be or may be removed. If inhabited  
24 residential units are to be removed, then the housing  
25 impact study shall identify (i) the number and location of  
26 those units that will or may be removed, (ii) the

1 municipality's plans for relocation assistance for those  
2 residents in the proposed redevelopment project area whose  
3 residences are to be removed, (iii) the availability of  
4 replacement housing for those residents whose residences  
5 are to be removed, and shall identify the type, location,  
6 and cost of the housing, and (iv) the type and extent of  
7 relocation assistance to be provided.

8 (6) On and after November 1, 1999, the housing impact  
9 study required by paragraph (5) shall be incorporated in  
10 the redevelopment plan for the redevelopment project area.

11 (7) On and after November 1, 1999, no redevelopment  
12 plan shall be adopted, nor an existing plan amended, nor  
13 shall residential housing that is occupied by households of  
14 low-income and very low-income persons in currently  
15 existing redevelopment project areas be removed after  
16 November 1, 1999 unless the redevelopment plan provides,  
17 with respect to inhabited housing units that are to be  
18 removed for households of low-income and very low-income  
19 persons, affordable housing and relocation assistance not  
20 less than that which would be provided under the federal  
21 Uniform Relocation Assistance and Real Property  
22 Acquisition Policies Act of 1970 and the regulations under  
23 that Act, including the eligibility criteria. Affordable  
24 housing may be either existing or newly constructed  
25 housing. For purposes of this paragraph (7), "low-income  
26 households", "very low-income households", and "affordable

1 housing" have the meanings set forth in the Illinois  
2 Affordable Housing Act. The municipality shall make a good  
3 faith effort to ensure that this affordable housing is  
4 located in or near the redevelopment project area within  
5 the municipality.

6 (8) On and after November 1, 1999, if, after the  
7 adoption of the redevelopment plan for the redevelopment  
8 project area, any municipality desires to amend its  
9 redevelopment plan to remove more inhabited residential  
10 units than specified in its original redevelopment plan,  
11 that change shall be made in accordance with the procedures  
12 in subsection (c) of Section 11-74.4-5.

13 (9) For redevelopment project areas designated prior  
14 to November 1, 1999, the redevelopment plan may be amended  
15 without further joint review board meeting or hearing,  
16 provided that the municipality shall give notice of any  
17 such changes by mail to each affected taxing district and  
18 registrant on the interested party registry, to authorize  
19 the municipality to expend tax increment revenues for  
20 redevelopment project costs defined by paragraphs (5) and  
21 (7.5), subparagraphs (E) and (F) of paragraph (11), and  
22 paragraph (11.5) of subsection (q) of Section 11-74.4-3, so  
23 long as the changes do not increase the total estimated  
24 redevelopment project costs set out in the redevelopment  
25 plan by more than 5% after adjustment for inflation from  
26 the date the plan was adopted.

1 (o) "Redevelopment project" means any public and private  
2 development project in furtherance of the objectives of a  
3 redevelopment plan. On and after November 1, 1999 (the  
4 effective date of Public Act 91-478), no redevelopment plan may  
5 be approved or amended that includes the development of vacant  
6 land (i) with a golf course and related clubhouse and other  
7 facilities or (ii) designated by federal, State, county, or  
8 municipal government as public land for outdoor recreational  
9 activities or for nature preserves and used for that purpose  
10 within 5 years prior to the adoption of the redevelopment plan.  
11 For the purpose of this subsection, "recreational activities"  
12 is limited to mean camping and hunting.

13 (p) "Redevelopment project area" means an area designated  
14 by the municipality, which is not less in the aggregate than 1  
15 1/2 acres and in respect to which the municipality has made a  
16 finding that there exist conditions which cause the area to be  
17 classified as an industrial park conservation area or a  
18 blighted area or a conservation area, or a combination of both  
19 blighted areas and conservation areas.

20 (q) "Redevelopment project costs" mean and include the sum  
21 total of all reasonable or necessary costs incurred or  
22 estimated to be incurred, and any such costs incidental to a  
23 redevelopment plan and a redevelopment project. Such costs  
24 include, without limitation, the following:

- 25 (1) Costs of studies, surveys, development of plans,  
26 and specifications, implementation and administration of

1 the redevelopment plan including but not limited to staff  
2 and professional service costs for architectural,  
3 engineering, legal, financial, planning or other services,  
4 provided however that no charges for professional services  
5 may be based on a percentage of the tax increment  
6 collected; except that on and after November 1, 1999 (the  
7 effective date of Public Act 91-478), no contracts for  
8 professional services, excluding architectural and  
9 engineering services, may be entered into if the terms of  
10 the contract extend beyond a period of 3 years. In  
11 addition, "redevelopment project costs" shall not include  
12 lobbying expenses. After consultation with the  
13 municipality, each tax increment consultant or advisor to a  
14 municipality that plans to designate or has designated a  
15 redevelopment project area shall inform the municipality  
16 in writing of any contracts that the consultant or advisor  
17 has entered into with entities or individuals that have  
18 received, or are receiving, payments financed by tax  
19 increment revenues produced by the redevelopment project  
20 area with respect to which the consultant or advisor has  
21 performed, or will be performing, service for the  
22 municipality. This requirement shall be satisfied by the  
23 consultant or advisor before the commencement of services  
24 for the municipality and thereafter whenever any other  
25 contracts with those individuals or entities are executed  
26 by the consultant or advisor;

1           (1.5) After July 1, 1999, annual administrative costs  
2 shall not include general overhead or administrative costs  
3 of the municipality that would still have been incurred by  
4 the municipality if the municipality had not designated a  
5 redevelopment project area or approved a redevelopment  
6 plan;

7           (1.6) The cost of marketing sites within the  
8 redevelopment project area to prospective businesses,  
9 developers, and investors;

10          (2) Property assembly costs, including but not limited  
11 to acquisition of land and other property, real or  
12 personal, or rights or interests therein, demolition of  
13 buildings, site preparation, site improvements that serve  
14 as an engineered barrier addressing ground level or below  
15 ground environmental contamination, including, but not  
16 limited to parking lots and other concrete or asphalt  
17 barriers, and the clearing and grading of land;

18          (3) Costs of rehabilitation, reconstruction or repair  
19 or remodeling of existing public or private buildings,  
20 fixtures, and leasehold improvements; and the cost of  
21 replacing an existing public building if pursuant to the  
22 implementation of a redevelopment project the existing  
23 public building is to be demolished to use the site for  
24 private investment or devoted to a different use requiring  
25 private investment;

26          (4) Costs of the construction of public works or

1 improvements, except that on and after November 1, 1999,  
2 redevelopment project costs shall not include the cost of  
3 constructing a new municipal public building principally  
4 used to provide offices, storage space, or conference  
5 facilities or vehicle storage, maintenance, or repair for  
6 administrative, public safety, or public works personnel  
7 and that is not intended to replace an existing public  
8 building as provided under paragraph (3) of subsection (q)  
9 of Section 11-74.4-3 unless either (i) the construction of  
10 the new municipal building implements a redevelopment  
11 project that was included in a redevelopment plan that was  
12 adopted by the municipality prior to November 1, 1999 or  
13 (ii) the municipality makes a reasonable determination in  
14 the redevelopment plan, supported by information that  
15 provides the basis for that determination, that the new  
16 municipal building is required to meet an increase in the  
17 need for public safety purposes anticipated to result from  
18 the implementation of the redevelopment plan;

19 (5) Costs of job training and retraining projects,  
20 including the cost of "welfare to work" programs  
21 implemented by businesses located within the redevelopment  
22 project area;

23 (6) Financing costs, including but not limited to all  
24 necessary and incidental expenses related to the issuance  
25 of obligations and which may include payment of interest on  
26 any obligations issued hereunder including interest

1 accruing during the estimated period of construction of any  
2 redevelopment project for which such obligations are  
3 issued and for not exceeding 36 months thereafter and  
4 including reasonable reserves related thereto;

5 (7) To the extent the municipality by written agreement  
6 accepts and approves the same, all or a portion of a taxing  
7 district's capital costs resulting from the redevelopment  
8 project necessarily incurred or to be incurred within a  
9 taxing district in furtherance of the objectives of the  
10 redevelopment plan and project.

11 (7.5) For redevelopment project areas designated (or  
12 redevelopment project areas amended to add or increase the  
13 number of tax-increment-financing assisted housing units)  
14 on or after November 1, 1999, an elementary, secondary, or  
15 unit school district's increased costs attributable to  
16 assisted housing units located within the redevelopment  
17 project area for which the developer or redeveloper  
18 receives financial assistance through an agreement with  
19 the municipality or because the municipality incurs the  
20 cost of necessary infrastructure improvements within the  
21 boundaries of the assisted housing sites necessary for the  
22 completion of that housing as authorized by this Act, and  
23 which costs shall be paid by the municipality from the  
24 Special Tax Allocation Fund when the tax increment revenue  
25 is received as a result of the assisted housing units and  
26 shall be calculated annually as follows:

1 (A) for foundation districts, excluding any school  
2 district in a municipality with a population in excess  
3 of 1,000,000, by multiplying the district's increase  
4 in attendance resulting from the net increase in new  
5 students enrolled in that school district who reside in  
6 housing units within the redevelopment project area  
7 that have received financial assistance through an  
8 agreement with the municipality or because the  
9 municipality incurs the cost of necessary  
10 infrastructure improvements within the boundaries of  
11 the housing sites necessary for the completion of that  
12 housing as authorized by this Act since the designation  
13 of the redevelopment project area by the most recently  
14 available per capita tuition cost as defined in Section  
15 10-20.12a of the School Code less any increase in  
16 general State aid as defined in Section 18-8.05 of the  
17 School Code attributable to these added new students  
18 subject to the following annual limitations:

19 (i) for unit school districts with a district  
20 average 1995-96 Per Capita Tuition Charge of less  
21 than \$5,900, no more than 25% of the total amount  
22 of property tax increment revenue produced by  
23 those housing units that have received tax  
24 increment finance assistance under this Act;

25 (ii) for elementary school districts with a  
26 district average 1995-96 Per Capita Tuition Charge

1 of less than \$5,900, no more than 17% of the total  
2 amount of property tax increment revenue produced  
3 by those housing units that have received tax  
4 increment finance assistance under this Act; and

5 (iii) for secondary school districts with a  
6 district average 1995-96 Per Capita Tuition Charge  
7 of less than \$5,900, no more than 8% of the total  
8 amount of property tax increment revenue produced  
9 by those housing units that have received tax  
10 increment finance assistance under this Act.

11 (B) For alternate method districts, flat grant  
12 districts, and foundation districts with a district  
13 average 1995-96 Per Capita Tuition Charge equal to or  
14 more than \$5,900, excluding any school district with a  
15 population in excess of 1,000,000, by multiplying the  
16 district's increase in attendance resulting from the  
17 net increase in new students enrolled in that school  
18 district who reside in housing units within the  
19 redevelopment project area that have received  
20 financial assistance through an agreement with the  
21 municipality or because the municipality incurs the  
22 cost of necessary infrastructure improvements within  
23 the boundaries of the housing sites necessary for the  
24 completion of that housing as authorized by this Act  
25 since the designation of the redevelopment project  
26 area by the most recently available per capita tuition

1 cost as defined in Section 10-20.12a of the School Code  
2 less any increase in general state aid as defined in  
3 Section 18-8.05 of the School Code attributable to  
4 these added new students subject to the following  
5 annual limitations:

6 (i) for unit school districts, no more than 40%  
7 of the total amount of property tax increment  
8 revenue produced by those housing units that have  
9 received tax increment finance assistance under  
10 this Act;

11 (ii) for elementary school districts, no more  
12 than 27% of the total amount of property tax  
13 increment revenue produced by those housing units  
14 that have received tax increment finance  
15 assistance under this Act; and

16 (iii) for secondary school districts, no more  
17 than 13% of the total amount of property tax  
18 increment revenue produced by those housing units  
19 that have received tax increment finance  
20 assistance under this Act.

21 (C) For any school district in a municipality with  
22 a population in excess of 1,000,000, the following  
23 restrictions shall apply to the reimbursement of  
24 increased costs under this paragraph (7.5):

25 (i) no increased costs shall be reimbursed  
26 unless the school district certifies that each of

1 the schools affected by the assisted housing  
2 project is at or over its student capacity;

3 (ii) the amount reimbursable shall be reduced  
4 by the value of any land donated to the school  
5 district by the municipality or developer, and by  
6 the value of any physical improvements made to the  
7 schools by the municipality or developer; and

8 (iii) the amount reimbursed may not affect  
9 amounts otherwise obligated by the terms of any  
10 bonds, notes, or other funding instruments, or the  
11 terms of any redevelopment agreement.

12 Any school district seeking payment under this  
13 paragraph (7.5) shall, after July 1 and before  
14 September 30 of each year, provide the municipality  
15 with reasonable evidence to support its claim for  
16 reimbursement before the municipality shall be  
17 required to approve or make the payment to the school  
18 district. If the school district fails to provide the  
19 information during this period in any year, it shall  
20 forfeit any claim to reimbursement for that year.  
21 School districts may adopt a resolution waiving the  
22 right to all or a portion of the reimbursement  
23 otherwise required by this paragraph (7.5). By  
24 acceptance of this reimbursement the school district  
25 waives the right to directly or indirectly set aside,  
26 modify, or contest in any manner the establishment of

1           the redevelopment project area or projects;

2           (7.7) For redevelopment project areas designated (or  
3           redevelopment project areas amended to add or increase the  
4           number of tax-increment-financing assisted housing units)  
5           on or after January 1, 2005 (the effective date of Public  
6           Act 93-961), a public library district's increased costs  
7           attributable to assisted housing units located within the  
8           redevelopment project area for which the developer or  
9           redeveloper receives financial assistance through an  
10          agreement with the municipality or because the  
11          municipality incurs the cost of necessary infrastructure  
12          improvements within the boundaries of the assisted housing  
13          sites necessary for the completion of that housing as  
14          authorized by this Act shall be paid to the library  
15          district by the municipality from the Special Tax  
16          Allocation Fund when the tax increment revenue is received  
17          as a result of the assisted housing units. This paragraph  
18          (7.7) applies only if (i) the library district is located  
19          in a county that is subject to the Property Tax Extension  
20          Limitation Law or (ii) the library district is not located  
21          in a county that is subject to the Property Tax Extension  
22          Limitation Law but the district is prohibited by any other  
23          law from increasing its tax levy rate without a prior voter  
24          referendum.

25          The amount paid to a library district under this  
26          paragraph (7.7) shall be calculated by multiplying (i) the

1 net increase in the number of persons eligible to obtain a  
2 library card in that district who reside in housing units  
3 within the redevelopment project area that have received  
4 financial assistance through an agreement with the  
5 municipality or because the municipality incurs the cost of  
6 necessary infrastructure improvements within the  
7 boundaries of the housing sites necessary for the  
8 completion of that housing as authorized by this Act since  
9 the designation of the redevelopment project area by (ii)  
10 the per-patron cost of providing library services so long  
11 as it does not exceed \$120. The per-patron cost shall be  
12 the Total Operating Expenditures Per Capita as stated in  
13 the most recent Illinois Public Library Statistics  
14 produced by the Library Research Center at the University  
15 of Illinois. The municipality may deduct from the amount  
16 that it must pay to a library district under this paragraph  
17 any amount that it has voluntarily paid to the library  
18 district from the tax increment revenue. The amount paid to  
19 a library district under this paragraph (7.7) shall be no  
20 more than 2% of the amount produced by the assisted housing  
21 units and deposited into the Special Tax Allocation Fund.

22 A library district is not eligible for any payment  
23 under this paragraph (7.7) unless the library district has  
24 experienced an increase in the number of patrons from the  
25 municipality that created the tax-increment-financing  
26 district since the designation of the redevelopment

1 project area.

2 Any library district seeking payment under this  
3 paragraph (7.7) shall, after July 1 and before September 30  
4 of each year, provide the municipality with convincing  
5 evidence to support its claim for reimbursement before the  
6 municipality shall be required to approve or make the  
7 payment to the library district. If the library district  
8 fails to provide the information during this period in any  
9 year, it shall forfeit any claim to reimbursement for that  
10 year. Library districts may adopt a resolution waiving the  
11 right to all or a portion of the reimbursement otherwise  
12 required by this paragraph (7.7). By acceptance of such  
13 reimbursement, the library district shall forfeit any  
14 right to directly or indirectly set aside, modify, or  
15 contest in any manner whatsoever the establishment of the  
16 redevelopment project area or projects;

17 (8) Relocation costs to the extent that a municipality  
18 determines that relocation costs shall be paid or is  
19 required to make payment of relocation costs by federal or  
20 State law or in order to satisfy subparagraph (7) of  
21 subsection (n);

22 (9) Payment in lieu of taxes;

23 (10) Costs of job training, retraining, advanced  
24 vocational education or career education, including but  
25 not limited to courses in occupational, semi-technical or  
26 technical fields leading directly to employment, incurred

1 by one or more taxing districts, provided that such costs  
2 (i) are related to the establishment and maintenance of  
3 additional job training, advanced vocational education or  
4 career education programs for persons employed or to be  
5 employed by employers located in a redevelopment project  
6 area; and (ii) when incurred by a taxing district or taxing  
7 districts other than the municipality, are set forth in a  
8 written agreement by or among the municipality and the  
9 taxing district or taxing districts, which agreement  
10 describes the program to be undertaken, including but not  
11 limited to the number of employees to be trained, a  
12 description of the training and services to be provided,  
13 the number and type of positions available or to be  
14 available, itemized costs of the program and sources of  
15 funds to pay for the same, and the term of the agreement.  
16 Such costs include, specifically, the payment by community  
17 college districts of costs pursuant to Sections 3-37, 3-38,  
18 3-40 and 3-40.1 of the Public Community College Act and by  
19 school districts of costs pursuant to Sections 10-22.20a  
20 and 10-23.3a of The School Code;

21 (11) Interest cost incurred by a redeveloper related to  
22 the construction, renovation or rehabilitation of a  
23 redevelopment project provided that:

24 (A) such costs are to be paid directly from the  
25 special tax allocation fund established pursuant to  
26 this Act;

1           (B) such payments in any one year may not exceed  
2           30% of the annual interest costs incurred by the  
3           redeveloper with regard to the redevelopment project  
4           during that year;

5           (C) if there are not sufficient funds available in  
6           the special tax allocation fund to make the payment  
7           pursuant to this paragraph (11) then the amounts so due  
8           shall accrue and be payable when sufficient funds are  
9           available in the special tax allocation fund;

10          (D) the total of such interest payments paid  
11          pursuant to this Act may not exceed 30% of the total  
12          (i) cost paid or incurred by the redeveloper for the  
13          redevelopment project plus (ii) redevelopment project  
14          costs excluding any property assembly costs and any  
15          relocation costs incurred by a municipality pursuant  
16          to this Act; and

17          (E) the cost limits set forth in subparagraphs (B)  
18          and (D) of paragraph (11) shall be modified for the  
19          financing of rehabilitated or new housing units for  
20          low-income households and very low-income households,  
21          as defined in Section 3 of the Illinois Affordable  
22          Housing Act. The percentage of 75% shall be substituted  
23          for 30% in subparagraphs (B) and (D) of paragraph (11).

24          (F) Instead of the eligible costs provided by  
25          subparagraphs (B) and (D) of paragraph (11), as  
26          modified by this subparagraph, and notwithstanding any

1 other provisions of this Act to the contrary, the  
2 municipality may pay from tax increment revenues up to  
3 50% of the cost of construction of new housing units to  
4 be occupied by low-income households and very  
5 low-income households as defined in Section 3 of the  
6 Illinois Affordable Housing Act. The cost of  
7 construction of those units may be derived from the  
8 proceeds of bonds issued by the municipality under this  
9 Act or other constitutional or statutory authority or  
10 from other sources of municipal revenue that may be  
11 reimbursed from tax increment revenues or the proceeds  
12 of bonds issued to finance the construction of that  
13 housing.

14 The eligible costs provided under this  
15 subparagraph (F) of paragraph (11) shall be an eligible  
16 cost for the construction, renovation, and  
17 rehabilitation of all low and very low-income housing  
18 units, as defined in Section 3 of the Illinois  
19 Affordable Housing Act, within the redevelopment  
20 project area. If the low and very low-income units are  
21 part of a residential redevelopment project that  
22 includes units not affordable to low and very  
23 low-income households, only the low and very  
24 low-income units shall be eligible for benefits under  
25 subparagraph (F) of paragraph (11). The standards for  
26 maintaining the occupancy by low-income households and

1 very low-income households, as defined in Section 3 of  
2 the Illinois Affordable Housing Act, of those units  
3 constructed with eligible costs made available under  
4 the provisions of this subparagraph (F) of paragraph  
5 (11) shall be established by guidelines adopted by the  
6 municipality. The responsibility for annually  
7 documenting the initial occupancy of the units by  
8 low-income households and very low-income households,  
9 as defined in Section 3 of the Illinois Affordable  
10 Housing Act, shall be that of the then current owner of  
11 the property. For ownership units, the guidelines will  
12 provide, at a minimum, for a reasonable recapture of  
13 funds, or other appropriate methods designed to  
14 preserve the original affordability of the ownership  
15 units. For rental units, the guidelines will provide,  
16 at a minimum, for the affordability of rent to low and  
17 very low-income households. As units become available,  
18 they shall be rented to income-eligible tenants. The  
19 municipality may modify these guidelines from time to  
20 time; the guidelines, however, shall be in effect for  
21 as long as tax increment revenue is being used to pay  
22 for costs associated with the units or for the  
23 retirement of bonds issued to finance the units or for  
24 the life of the redevelopment project area, whichever  
25 is later.

26 (11.5) If the redevelopment project area is located

1 within a municipality with a population of more than  
2 100,000, the cost of day care services for children of  
3 employees from low-income families working for businesses  
4 located within the redevelopment project area and all or a  
5 portion of the cost of operation of day care centers  
6 established by redevelopment project area businesses to  
7 serve employees from low-income families working in  
8 businesses located in the redevelopment project area. For  
9 the purposes of this paragraph, "low-income families"  
10 means families whose annual income does not exceed 80% of  
11 the municipal, county, or regional median income, adjusted  
12 for family size, as the annual income and municipal,  
13 county, or regional median income are determined from time  
14 to time by the United States Department of Housing and  
15 Urban Development.

16 (12) Unless explicitly stated herein the cost of  
17 construction of new privately-owned buildings shall not be  
18 an eligible redevelopment project cost.

19 (13) After November 1, 1999 (the effective date of  
20 Public Act 91-478), none of the redevelopment project costs  
21 enumerated in this subsection shall be eligible  
22 redevelopment project costs if those costs would provide  
23 direct financial support to a retail entity initiating  
24 operations in the redevelopment project area while  
25 terminating operations at another Illinois location within  
26 10 miles of the redevelopment project area but outside the

1 boundaries of the redevelopment project area municipality.

2 For purposes of this paragraph, termination means a closing

3 of a retail operation that is directly related to the

4 opening of the same operation or like retail entity owned

5 or operated by more than 50% of the original ownership in a

6 redevelopment project area, but it does not mean closing an

7 operation for reasons beyond the control of the retail

8 entity, as documented by the retail entity, subject to a

9 reasonable finding by the municipality that the current

10 location contained inadequate space, had become

11 economically obsolete, or was no longer a viable location

12 for the retailer or serviceman.

13 If a special service area has been established pursuant to

14 the Special Service Area Tax Act or Special Service Area Tax

15 Law, then any tax increment revenues derived from the tax

16 imposed pursuant to the Special Service Area Tax Act or Special

17 Service Area Tax Law may be used within the redevelopment

18 project area for the purposes permitted by that Act or Law as

19 well as the purposes permitted by this Act.

20 (r) "State Sales Tax Boundary" means the redevelopment

21 project area or the amended redevelopment project area

22 boundaries which are determined pursuant to subsection (9) of

23 Section 11-74.4-8a of this Act. The Department of Revenue shall

24 certify pursuant to subsection (9) of Section 11-74.4-8a the

25 appropriate boundaries eligible for the determination of State

26 Sales Tax Increment.

1           (s) "State Sales Tax Increment" means an amount equal to  
2 the increase in the aggregate amount of taxes paid by retailers  
3 and servicemen, other than retailers and servicemen subject to  
4 the Public Utilities Act, on transactions at places of business  
5 located within a State Sales Tax Boundary pursuant to the  
6 Retailers' Occupation Tax Act, the Use Tax Act, the Service Use  
7 Tax Act, and the Service Occupation Tax Act, except such  
8 portion of such increase that is paid into the State and Local  
9 Sales Tax Reform Fund, the Local Government Distributive Fund,  
10 the Local Government Tax Fund and the County and Mass Transit  
11 District Fund, for as long as State participation exists, over  
12 and above the Initial Sales Tax Amounts, Adjusted Initial Sales  
13 Tax Amounts or the Revised Initial Sales Tax Amounts for such  
14 taxes as certified by the Department of Revenue and paid under  
15 those Acts by retailers and servicemen on transactions at  
16 places of business located within the State Sales Tax Boundary  
17 during the base year which shall be the calendar year  
18 immediately prior to the year in which the municipality adopted  
19 tax increment allocation financing, less 3.0% of such amounts  
20 generated under the Retailers' Occupation Tax Act, Use Tax Act  
21 and Service Use Tax Act and the Service Occupation Tax Act,  
22 which sum shall be appropriated to the Department of Revenue to  
23 cover its costs of administering and enforcing this Section.  
24 For purposes of computing the aggregate amount of such taxes  
25 for base years occurring prior to 1985, the Department of  
26 Revenue shall compute the Initial Sales Tax Amount for such

1 taxes and deduct therefrom an amount equal to 4% of the  
2 aggregate amount of taxes per year for each year the base year  
3 is prior to 1985, but not to exceed a total deduction of 12%.  
4 The amount so determined shall be known as the "Adjusted  
5 Initial Sales Tax Amount". For purposes of determining the  
6 State Sales Tax Increment the Department of Revenue shall for  
7 each period subtract from the tax amounts received from  
8 retailers and servicemen on transactions located in the State  
9 Sales Tax Boundary, the certified Initial Sales Tax Amounts,  
10 Adjusted Initial Sales Tax Amounts or Revised Initial Sales Tax  
11 Amounts for the Retailers' Occupation Tax Act, the Use Tax Act,  
12 the Service Use Tax Act and the Service Occupation Tax Act. For  
13 the State Fiscal Year 1989 this calculation shall be made by  
14 utilizing the calendar year 1987 to determine the tax amounts  
15 received. For the State Fiscal Year 1990, this calculation  
16 shall be made by utilizing the period from January 1, 1988,  
17 until September 30, 1988, to determine the tax amounts received  
18 from retailers and servicemen, which shall have deducted  
19 therefrom nine-twelfths of the certified Initial Sales Tax  
20 Amounts, Adjusted Initial Sales Tax Amounts or the Revised  
21 Initial Sales Tax Amounts as appropriate. For the State Fiscal  
22 Year 1991, this calculation shall be made by utilizing the  
23 period from October 1, 1988, until June 30, 1989, to determine  
24 the tax amounts received from retailers and servicemen, which  
25 shall have deducted therefrom nine-twelfths of the certified  
26 Initial State Sales Tax Amounts, Adjusted Initial Sales Tax

1 Amounts or the Revised Initial Sales Tax Amounts as  
2 appropriate. For every State Fiscal Year thereafter, the  
3 applicable period shall be the 12 months beginning July 1 and  
4 ending on June 30, to determine the tax amounts received which  
5 shall have deducted therefrom the certified Initial Sales Tax  
6 Amounts, Adjusted Initial Sales Tax Amounts or the Revised  
7 Initial Sales Tax Amounts. Municipalities intending to receive  
8 a distribution of State Sales Tax Increment must report a list  
9 of retailers to the Department of Revenue by October 31, 1988  
10 and by July 31, of each year thereafter.

11 (t) "Taxing districts" means counties, townships, cities  
12 and incorporated towns and villages, school, road, park,  
13 sanitary, mosquito abatement, forest preserve, public health,  
14 fire protection, river conservancy, tuberculosis sanitarium  
15 and any other municipal corporations or districts with the  
16 power to levy taxes.

17 (u) "Taxing districts' capital costs" means those costs of  
18 taxing districts for capital improvements that are found by the  
19 municipal corporate authorities to be necessary and directly  
20 result from the redevelopment project.

21 (v) As used in subsection (a) of Section 11-74.4-3 of this  
22 Act, "vacant land" means any parcel or combination of parcels  
23 of real property without industrial, commercial, and  
24 residential buildings which has not been used for commercial  
25 agricultural purposes within 5 years prior to the designation  
26 of the redevelopment project area, unless the parcel is

1 included in an industrial park conservation area or the parcel  
2 has been subdivided; provided that if the parcel was part of a  
3 larger tract that has been divided into 3 or more smaller  
4 tracts that were accepted for recording during the period from  
5 1950 to 1990, then the parcel shall be deemed to have been  
6 subdivided, and all proceedings and actions of the municipality  
7 taken in that connection with respect to any previously  
8 approved or designated redevelopment project area or amended  
9 redevelopment project area are hereby validated and hereby  
10 declared to be legally sufficient for all purposes of this Act.  
11 For purposes of this Section and only for land subject to the  
12 subdivision requirements of the Plat Act, land is subdivided  
13 when the original plat of the proposed Redevelopment Project  
14 Area or relevant portion thereof has been properly certified,  
15 acknowledged, approved, and recorded or filed in accordance  
16 with the Plat Act and a preliminary plat, if any, for any  
17 subsequent phases of the proposed Redevelopment Project Area or  
18 relevant portion thereof has been properly approved and filed  
19 in accordance with the applicable ordinance of the  
20 municipality.

21 (w) "Annual Total Increment" means the sum of each  
22 municipality's annual Net Sales Tax Increment and each  
23 municipality's annual Net Utility Tax Increment. The ratio of  
24 the Annual Total Increment of each municipality to the Annual  
25 Total Increment for all municipalities, as most recently  
26 calculated by the Department, shall determine the proportional

1 shares of the Illinois Tax Increment Fund to be distributed to  
2 each municipality.

5           (66) if the ordinance was adopted on December 22, 1986  
6           by the City of DeKalb; or

7           (67) if the ordinance was adopted on December 2, 1986  
8           by the City of Aurora.

9           (d) For redevelopment project areas for which bonds were  
10          issued before July 29, 1991, or for which contracts were  
11          entered into before June 1, 1988, in connection with a  
12          redevelopment project in the area within the State Sales Tax  
13          Boundary, the estimated dates of completion of the  
14          redevelopment project and retirement of obligations to finance  
15          redevelopment project costs (including refunding bonds under  
16          Section 11-74.4-7) may be extended by municipal ordinance to  
17          December 31, 2013. The termination procedures of subsection (b)  
18          of Section 11-74.4-8 are not required for these redevelopment  
19          project areas in 2009 but are required in 2013. The extension  
20          allowed by Public Act 87-1272 shall not apply to real property  
21          tax increment allocation financing under Section 11-74.4-8.

22          (e) Those dates, for purposes of real property tax  
23          increment allocation financing pursuant to Section 11-74.4-8  
24          only, shall be not more than 35 years for redevelopment project  
25          areas that were adopted on or after December 16, 1986 and for  
26          which at least \$8 million worth of municipal bonds were

1 authorized on or after December 19, 1989 but before January 1,  
2 1990; provided that the municipality elects to extend the life  
3 of the redevelopment project area to 35 years by the adoption  
4 of an ordinance after at least 14 but not more than 30 days'  
5 written notice to the taxing bodies, that would otherwise  
6 constitute the joint review board for the redevelopment project  
7 area, before the adoption of the ordinance.

8 (f) Those dates, for purposes of real property tax  
9 increment allocation financing pursuant to Section 11-74.4-8  
10 only, shall be not more than 35 years for redevelopment project  
11 areas that were established on or after December 1, 1981 but  
12 before January 1, 1982 and for which at least \$1,500,000 worth  
13 of tax increment revenue bonds were authorized on or after  
14 September 30, 1990 but before July 1, 1991; provided that the  
15 municipality elects to extend the life of the redevelopment  
16 project area to 35 years by the adoption of an ordinance after  
17 at least 14 but not more than 30 days' written notice to the  
18 taxing bodies, that would otherwise constitute the joint review  
19 board for the redevelopment project area, before the adoption  
20 of the ordinance.

21 (g) In consolidating the material relating to completion  
22 dates from Sections 11-74.4-3 and 11-74.4-7 into this Section,  
23 it is not the intent of the 95th General Assembly to make any  
24 substantive change in the law, except for the extension of the  
25 completion date for the City of Aurora set forth under item  
26 (67) of subsection (c) of this Section.

1 (65 ILCS 5/11-74.4-7) (from Ch. 24, par. 11-74.4-7)

2 Sec. 11-74.4-7. Obligations secured by the special tax  
3 allocation fund set forth in Section 11-74.4-8 for the  
4 redevelopment project area may be issued to provide for  
5 redevelopment project costs. Such obligations, when so issued,  
6 shall be retired in the manner provided in the ordinance  
7 authorizing the issuance of such obligations by the receipts of  
8 taxes levied as specified in Section 11-74.4-9 against the  
9 taxable property included in the area, by revenues as specified  
10 by Section 11-74.4-8a and other revenue designated by the  
11 municipality. A municipality may in the ordinance pledge all or  
12 any part of the funds in and to be deposited in the special tax  
13 allocation fund created pursuant to Section 11-74.4-8 to the  
14 payment of the redevelopment project costs and obligations. Any  
15 pledge of funds in the special tax allocation fund shall  
16 provide for distribution to the taxing districts and to the  
17 Illinois Department of Revenue of moneys not required, pledged,  
18 earmarked, or otherwise designated for payment and securing of  
19 the obligations and anticipated redevelopment project costs  
20 and such excess funds shall be calculated annually and deemed  
21 to be "surplus" funds. In the event a municipality only applies  
22 or pledges a portion of the funds in the special tax allocation  
23 fund for the payment or securing of anticipated redevelopment  
24 project costs or of obligations, any such funds remaining in  
25 the special tax allocation fund after complying with the

1 requirements of the application or pledge, shall also be  
2 calculated annually and deemed "surplus" funds. All surplus  
3 funds in the special tax allocation fund shall be distributed  
4 annually within 180 days after the close of the municipality's  
5 fiscal year by being paid by the municipal treasurer to the  
6 County Collector, to the Department of Revenue and to the  
7 municipality in direct proportion to the tax incremental  
8 revenue received as a result of an increase in the equalized  
9 assessed value of property in the redevelopment project area,  
10 tax incremental revenue received from the State and tax  
11 incremental revenue received from the municipality, but not to  
12 exceed as to each such source the total incremental revenue  
13 received from that source. The County Collector shall  
14 thereafter make distribution to the respective taxing  
15 districts in the same manner and proportion as the most recent  
16 distribution by the county collector to the affected districts  
17 of real property taxes from real property in the redevelopment  
18 project area.

19 Without limiting the foregoing in this Section, the  
20 municipality may in addition to obligations secured by the  
21 special tax allocation fund pledge for a period not greater  
22 than the term of the obligations towards payment of such  
23 obligations any part or any combination of the following: (a)  
24 net revenues of all or part of any redevelopment project; (b)  
25 taxes levied and collected on any or all property in the  
26 municipality; (c) the full faith and credit of the

1 municipality; (d) a mortgage on part or all of the  
2 redevelopment project; or (e) any other taxes or anticipated  
3 receipts that the municipality may lawfully pledge.

4 Such obligations may be issued in one or more series  
5 bearing interest at such rate or rates as the corporate  
6 authorities of the municipality shall determine by ordinance.  
7 Such obligations shall bear such date or dates, mature at such  
8 time or times not exceeding 20 years from their respective  
9 dates, be in such denomination, carry such registration  
10 privileges, be executed in such manner, be payable in such  
11 medium of payment at such place or places, contain such  
12 covenants, terms and conditions, and be subject to redemption  
13 as such ordinance shall provide. Obligations issued pursuant to  
14 this Act may be sold at public or private sale at such price as  
15 shall be determined by the corporate authorities of the  
16 municipalities. No referendum approval of the electors shall be  
17 required as a condition to the issuance of obligations pursuant  
18 to this Division except as provided in this Section.

19 In the event the municipality authorizes issuance of  
20 obligations pursuant to the authority of this Division secured  
21 by the full faith and credit of the municipality, which  
22 obligations are other than obligations which may be issued  
23 under home rule powers provided by Article VII, Section 6 of  
24 the Illinois Constitution, or pledges taxes pursuant to (b) or  
25 (c) of the second paragraph of this section, the ordinance  
26 authorizing the issuance of such obligations or pledging such

1 taxes shall be published within 10 days after such ordinance  
2 has been passed in one or more newspapers, with general  
3 circulation within such municipality. The publication of the  
4 ordinance shall be accompanied by a notice of (1) the specific  
5 number of voters required to sign a petition requesting the  
6 question of the issuance of such obligations or pledging taxes  
7 to be submitted to the electors; (2) the time in which such  
8 petition must be filed; and (3) the date of the prospective  
9 referendum. The municipal clerk shall provide a petition form  
10 to any individual requesting one.

11 If no petition is filed with the municipal clerk, as  
12 hereinafter provided in this Section, within 30 days after the  
13 publication of the ordinance, the ordinance shall be in effect.  
14 But, if within that 30 day period a petition is filed with the  
15 municipal clerk, signed by electors in the municipality  
16 numbering 10% or more of the number of registered voters in the  
17 municipality, asking that the question of issuing obligations  
18 using full faith and credit of the municipality as security for  
19 the cost of paying for redevelopment project costs, or of  
20 pledging taxes for the payment of such obligations, or both, be  
21 submitted to the electors of the municipality, the corporate  
22 authorities of the municipality shall call a special election  
23 in the manner provided by law to vote upon that question, or,  
24 if a general, State or municipal election is to be held within  
25 a period of not less than 30 or more than 90 days from the date  
26 such petition is filed, shall submit the question at the next

1 general, State or municipal election. If it appears upon the  
2 canvass of the election by the corporate authorities that a  
3 majority of electors voting upon the question voted in favor  
4 thereof, the ordinance shall be in effect, but if a majority of  
5 the electors voting upon the question are not in favor thereof,  
6 the ordinance shall not take effect.

7 The ordinance authorizing the obligations may provide that  
8 the obligations shall contain a recital that they are issued  
9 pursuant to this Division, which recital shall be conclusive  
10 evidence of their validity and of the regularity of their  
11 issuance.

12 In the event the municipality authorizes issuance of  
13 obligations pursuant to this Section secured by the full faith  
14 and credit of the municipality, the ordinance authorizing the  
15 obligations may provide for the levy and collection of a direct  
16 annual tax upon all taxable property within the municipality  
17 sufficient to pay the principal thereof and interest thereon as  
18 it matures, which levy may be in addition to and exclusive of  
19 the maximum of all other taxes authorized to be levied by the  
20 municipality, which levy, however, shall be abated to the  
21 extent that monies from other sources are available for payment  
22 of the obligations and the municipality certifies the amount of  
23 said monies available to the county clerk.

24 A certified copy of such ordinance shall be filed with the  
25 county clerk of each county in which any portion of the  
26 municipality is situated, and shall constitute the authority

1 for the extension and collection of the taxes to be deposited  
2 in the special tax allocation fund.

3 A municipality may also issue its obligations to refund in  
4 whole or in part, obligations theretofore issued by such  
5 municipality under the authority of this Act, whether at or  
6 prior to maturity, provided however, that the last maturity of  
7 the refunding obligations may not be later than the dates set  
8 forth under Section 11-74.4-3.5. ~~shall not be expressed to~~  
9 ~~mature later than December 31 of the year in which the payment~~
