

1 HOUSE JOINT RESOLUTION 24

2 WHEREAS, In the 2005-2006 school year, over 322,000  
3 children with disabilities were served in special education  
4 programs across Illinois; and

5 WHEREAS, The number of children in special education  
6 programs has risen 5.4% in the last 5 years, and special  
7 education accounts for approximately 23% of all State education  
8 spending; and

9 WHEREAS, The federal government has established a goal of  
10 reimbursing 40% of the costs of special education incurred by  
11 school districts, but it currently provides only 18% of costs  
12 nationally and only 14% in Illinois; and

13 WHEREAS, Illinois has failed for decades to update  
14 reimbursement rates for special education costs, with the last  
15 reimbursement rate set in 1973 for special education orphanage  
16 tuition, in 1985 for special education personnel, in 1978 for  
17 special education private tuition, in 1976 for special  
18 education summer school, and in 1965 for special education  
19 transportation; and

20 WHEREAS, Illinois has continued to prorate special  
21 education mandated categoricals at less than 100%, with the

1 FY07 budget prorating these mandated categoricals at 97%; and

2 WHEREAS, Even if Illinois fully funded mandated  
3 categoricals at 100%, this would still only represent partial  
4 funding, as the reimbursement rates are severely outdated; and

5 WHEREAS, Illinois school districts currently spend an  
6 estimated \$1 billion from their own general education funds to  
7 meet the unreimbursed costs of special education services that  
8 are mandated by federal and State laws and administrative  
9 rules; and

10 WHEREAS, Special education continues to represent a  
11 growing financial burden on school districts as the need for  
12 services increases while State and federal funding fails to  
13 increase along with that need; therefore, be it

14 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE  
15 NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE  
16 SENATE CONCURRING HEREIN, that a task force shall be created to  
17 study current special education funding needs and to make  
18 recommendations as to how the State can increase special  
19 education funding and ease the financial burden on school  
20 districts; and be it further

21 RESOLVED, That the task force shall consist of the State

1 Superintendent of Education (or his or her designee) plus 16  
2 members appointed as follows: the House Majority Leader and the  
3 House Minority Leader shall each appoint one representative,  
4 the Senate President and the Senate Minority Leader shall each  
5 appoint one senator, and these 4 leaders shall each appoint 3  
6 public members representing the interests of special education  
7 administrators and services, school districts, and disability  
8 advocates; and be it further

9       RESOLVED, That the task force shall be facilitated by the  
10 State Board of Education; and be it further

11       RESOLVED, That the task force shall report its findings and  
12 recommendations to the Governor and the General Assembly by  
13 August 1, 2008; and be it further

14       RESOLVED, That a suitable copy of this resolution be  
15 transmitted to the State Superintendent of Education.
