21 (e) any minor who has been provided with interim crisis
22 intervention services under Section 3-5 of this Act and
23 whose parent, guardian, or custodian refuses to permit the

25 physical danger to himself, herself, or others living in
26 the home.

1 Whether the minor was left without regard for the mental or
2 physical health, safety, or welfare of that minor or the period
3 of time was unreasonable shall be determined by considering the
4 following factors, including but not limited to:

5 (1) the age of the minor;

25 minor was otherwise locked within a room or other
26 structure;

1 (10) whether the minor was given a phone number of a
2 person or location to call in the event of an emergency and
3 whether the minor was capable of making an emergency call;

4 (11) whether there was food and other provision left
5 for the minor;

6 (12) whether any of the conduct is attributable to
7 economic hardship or illness and the parent, guardian or
8 other person having physical custody or control of the
9 child made a good faith effort to provide for the health
10 and safety of the minor;

11 (13) the age and physical and mental capabilities of
12 the person or persons who provided supervision for the
13 minor;

14 (14) whether the minor was left under the supervision
15 of another person;

16 (15) any other factor that would endanger the health
17 and safety of that particular minor.

18 A minor shall not be considered neglected for the sole
19 reason that the minor has been relinquished in accordance with
20 the Abandoned Newborn Infant Protection Act.

21 (2) Those who are abused include any minor under 18 years
22 of age whose parent or immediate family member, or any person
23 responsible for the minor's welfare, or any person who is in
24 the same family or household as the minor, or any individual
25 residing in the same home as the minor, or a paramour of the
26 minor's parent:

8 likely to cause death, disfigurement, impairment of
9 emotional health, or loss or impairment of any bodily
10 function;

11 (iii) commits or allows to be committed any sex offense
12 against such minor, as such sex offenses are defined in the
13 Criminal Code of 1961, as amended, and extending those

16 (iv) commits or allows to be committed an act or acts
17 of torture upon such minor; or

19 A minor shall not be considered abused for the sole reason
20 that the minor has been relinquished in accordance with the
21 Abandoned Newborn Infant Protection Act.

23 included herein solely for the purpose of qualifying for
24 financial assistance for himself, his parents, guardian or

1 (705 ILCS 405/3-5) (from Ch. 37, par. 803-5)

2 Sec. 3-5. Interim crisis intervention services. (a) Any
3 minor who is taken into limited custody, or who independently
4 requests or is referred for assistance, may be provided crisis
5 intervention services by an agency or association, as defined
6 in this Act, provided the association or agency staff (i)
7 immediately investigate the circumstances of the minor and the
8 facts surrounding the minor being taken into custody and
9 promptly explain these facts and circumstances to the minor,
10 and (ii) make a reasonable effort to inform the minor's parent,
11 guardian or custodian of the fact that the minor has been taken
12 into limited custody and where the minor is being kept, and
13 (iii) if the minor consents, make a reasonable effort to
14 transport, arrange for the transportation of, or otherwise
15 release the minor to the parent, guardian or custodian. Upon
16 release of the child who is believed to need or benefit from
17 medical, psychological, psychiatric or social services, the
18 association or agency may inform the minor and the person to
19 whom the minor is released of the nature and location of
20 appropriate services and shall, if requested, assist in
21 establishing contact between the family and other associations
22 or agencies providing such services. If the agency or
23 association is unable by all reasonable efforts to contact a
24 parent, guardian or custodian, or if the person contacted lives
25 an unreasonable distance away, or if the minor refuses to be

1 taken to his or her home or other appropriate residence, or if
2 the agency or association is otherwise unable despite all
3 reasonable efforts to make arrangements for the safe return of
4 the minor, the minor may be taken to a temporary living
5 arrangement which is in compliance with the Child Care Act of
6 1969 or which is with persons agreed to by the parents and the
7 agency or association.

8 (b) An agency or association is authorized to permit a
9 minor to be sheltered in a temporary living arrangement
10 provided the agency seeks to effect the minor's return home or
11 alternative living arrangements agreeable to the minor and the
12 parent, guardian or custodian as soon as practicable. No minor
13 shall be sheltered in a temporary living arrangement for more
14 than 48 hours, excluding Saturdays, Sundays, and
15 court-designated holidays, when the agency has reported the
16 minor as neglected or abused because the parent, guardian, or
17 custodian refuses to permit the child to return home, provided
18 that in all other instances the minor may be sheltered when the
19 agency obtains the consent of the parent, guardian, or
20 custodian or documents its unsuccessful efforts to obtain the
21 consent or authority of the parent, guardian, or custodian,
22 including recording the date and the staff involved in all
23 telephone calls, telegrams, letters, and personal contacts to
24 obtain the consent or authority, in which instances the minor
25 may be so sheltered for not more than 21 days. If the parent,
26 guardian or custodian refuses to permit the minor to return

1 home, and no other living arrangement agreeable to the minor
2 and the parent, guardian, or custodian can be made, the agency
3 may deem the minor to be neglected and report the neglect to
4 the Department of Children and Family Services as provided in
5 the Abused and Neglected Child Reporting Act. The Child
6 Protective Service Unit of the Department of Children and
7 Family Services shall begin an investigation of the report
8 within 24 hours after receiving the report and shall determine
9 whether to ~~shall~~ file a petition alleging that the minor is
10 neglected or abused as described in Section 2-3 of this Act.
11 Subject to appropriation, the Department may take the minor
12 into temporary protective custody at any time after receiving
13 the report, provided that the Department shall take temporary
14 protective custody within 48 hours of receiving the report if
15 its investigation is not completed. If the Department of
16 Children and Family Services determines that the minor is not a
17 neglected minor because the minor is an immediate physical
18 danger to himself, herself, or others living in the home, then
19 the Department shall take immediate steps to either secure the
20 minor's immediate admission to a mental health facility,
21 arrange for law enforcement authorities to take temporary
22 custody of the minor as a delinquent minor, or take other
23 appropriate action to assume protective custody in order to
24 safeguard the minor or others living in the home from immediate
25 physical danger. ~~No minor shall be sheltered in a temporary~~
26 living arrangement for more than 48 hours, excluding Saturdays,

1 ~~Sundays and court-designated holidays, without parental~~
2 ~~consent unless the agency documents its unsuccessful efforts to~~
3 ~~contact a parent or guardian, including recording the date and~~
4 ~~time and staff involved in all telephone calls, telegrams,~~
5 ~~letters, and personal contacts to obtain the consent or~~
6 ~~authority, in which case the minor may be so sheltered for not~~
7 ~~more than 21 days.~~

8 (c) Any agency or association or employee thereof acting
9 reasonably and in good faith in the care of a minor being
10 provided interim crisis intervention services and shelter care
11 shall be immune from any civil or criminal liability resulting
12 from such care.
