1 AMENDMENT TO SENATE BILL 597

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 597, AS AMENDED, by  
3 replacing everything after the enacting clause with the  
4 following:

5 "Section 1. Short title. This Act may be cited as the  
6 National Guard Veterans Exposure to Hazardous Materials Act.

7 Section 5. Definitions. In this Act:

8 "Depleted uranium" means uranium containing less  
9 uranium-235 than the naturally occurring distribution of  
10 uranium isotopes.

11 "Eligible member" means a member of the Illinois National  
12 Guard who served in the Persian Gulf War, as defined in 38  
13 U.S.C. 101, or in an area designated as a combat zone by the  
14 President of the United States during Operation Enduring  
15 Freedom or Operation Iraqi Freedom.

16 "Military physician" includes a physician who is under

1 contract with the United States Department of Defense to  
2 provide physician services to members of the armed forces.

3 "Veteran" means any person honorably discharged from, or  
4 released under honorable conditions from active service in, the  
5 armed forces who served as an eligible member.

6 Section 10. Assistance in obtaining information on  
7 treatment. On and after October 1, 2007, the Department of  
8 Veterans' Affairs shall assist any eligible member or veteran  
9 who (i) has been assigned a risk level I, II, or III for  
10 depleted uranium exposure by his or her branch of service, (ii)  
11 is referred by a military physician, or (iii) has reason to  
12 believe that he or she was exposed to depleted uranium during  
13 such service, in obtaining information on available federal  
14 treatment services, including a best practice health screening  
15 test for exposure to depleted uranium using a bioassay  
16 procedure involving sensitive methods capable of detecting  
17 depleted uranium at low levels and the use of equipment with  
18 the capacity to discriminate between different radioisotopes  
19 in naturally occurring levels of uranium and the characteristic  
20 ratio and marker for depleted uranium. No State funds shall be  
21 used to pay for such tests or other federal treatment services.

22 Section 15. Certification concerning National Guard  
23 information. On or before October 1, 2007, the Adjutant General  
24 shall certify to the General Assembly that members of the

1 Illinois National Guard are informed of possible health risks  
2 associated with exposure to depleted uranium. The  
3 certification shall apply to both predeployment and  
4 post-mobilization information activities and post-deployment  
5 health screening.

6 Section 20. Task force.

7 (a) There is established a task force within the Department  
8 of Veterans' Affairs to study the possible health effects of  
9 the exposure to hazardous materials, including, but not limited  
10 to, depleted uranium, as they relate to military service. The  
11 task force shall do the following:

12 (1) Consider initiation of a health registry for  
13 veterans returning from Afghanistan, Iraq, or other  
14 countries in which depleted uranium or other hazardous  
15 materials may be found.

16 (2) Develop a plan for an outreach plan to ensure that  
17 veterans and military personnel are informed of available  
18 resources.

19 (3) Prepare a report for service members concerning  
20 potential exposure to depleted uranium and other toxic  
21 chemical substances and the precautions recommended under  
22 combat and noncombat conditions while in a combat zone.

23 (4) Make any other recommendations the task force  
24 considers appropriate.

25 (b) The task force shall consist of the following members:

1           (1) The Adjutant General or his or her designee.

2           (2) The Director of Veterans' Affairs or his or her  
3 designee.

4           (3) The Director of Public Health or his or her  
5 designee.

6           (4) Eight members who are members of the General  
7 Assembly, appointed 2 each by the President of the Senate  
8 and the Speaker of the House of Representatives and 2 each  
9 by the Minority Leader of the Senate and the Minority  
10 Leader of the House of Representatives.

11           (5) Two members who are veterans with knowledge of or  
12 experience with exposure to hazardous materials, appointed  
13 one each by the President of the Senate and the Speaker of  
14 the House of Representatives.

15           (6) Four members who are physicians or scientists with  
16 knowledge of or experience in the detection or health  
17 effects of exposure to depleted uranium or other hazardous  
18 materials, appointed one each by the President of the  
19 Senate, the Minority Leader of the Senate, the Speaker of  
20 the House of Representatives, and the Minority Leader of  
21 the House of Representatives.

22           (c) All appointments to the task force shall be made no  
23 later than 30 days after the effective date of this Act. Any  
24 vacancy shall be filled by the appointing authority.

25           (d) The members of the task force shall select as  
26 chairpersons of the task force one Senator and one

1 Representative from among the members appointed under  
2 paragraph (4) of subsection (b) of this Section. The  
3 chairpersons shall schedule the first meeting of the task  
4 force, which shall be held no later than 60 days after the  
5 effective date of this Act.

6 (e) Not later than January 31, 2008, the task force shall  
7 submit a report on its findings and recommendations to the  
8 General Assembly. The task force shall terminate on the date  
9 that it submits the report or on January 31, 2008, whichever is  
10 earlier.

11 Section 99. Effective date. This Act takes effect upon  
12 becoming law."
